

REQUEST FOR APPLICATIONS 2014-116

**RFA 2014-116 HOUSING CREDIT FINANCING FOR AFFORDABLE HOUSING
DEVELOPMENTS LOCATED IN MIAMI-DADE COUNTY**

Issued By:

FLORIDA HOUSING FINANCE CORPORATION

Issued: November 21, 2014

Due: February 10, 2015

**SECTION ONE
INTRODUCTION**

This Request for Applications (RFA) is open to Applicants proposing the development of affordable, multifamily housing located in Miami-Dade County.

Under this RFA, Florida Housing Finance Corporation (the Corporation) expects to have up to an estimated \$6,928,107 of Housing Credits available for award to proposed Developments located in Miami-Dade County. The Corporation will award this funding through the following Demographic Set-Asides: (i) Homeless Demographic Set-Aside offering an estimated \$2,561,000 of Housing Credits plus an estimated \$4,683,000 of State Apartment Incentive Loan (SAIL) Program funding appropriated by the 2014 Florida Legislature, as well as SAIL Program income, and (ii) Family and Elderly Demographic Set-Aside offering an estimated 4,367,107 of Housing Credits. The Corporation is soliciting applications from qualified Applicants that commit to provide housing in accordance with the terms and conditions of this RFA, inclusive of Exhibits A, B, and C, applicable laws, rules and regulations, and the Corporation’s generally applicable construction and financial standards.

A. SAIL RFA 2014-111 Unfunded Preference. Applications for a proposed Development that meets the following criteria will receive a ranking preference above Applications that do not meet the following criteria: If an Application is submitted for a proposed Development that was either not part of an Application submitted in response to RFA 2014-111 or was part of an Application submitted in response to RFA 2014-111 that was not awarded funding. For purposes of this criteria, awarded funding shall mean that the Application was approved for preliminary funding at the October 30, 2014 Board meeting.

B. Application Withdrawals; Developer Experience Withdrawal Disincentive. In an effort to encourage the submission of quality Applications, the Corporation will award points for Developer experience in certain future RFAs. Additionally, Application withdrawals from particular previously issued RFAs (commencing with the Geographic RFAs issued in 2014) will result in a deduction from the full Developer experience point total (the “Developer Experience Withdrawal Disincentive”) in certain future RFAs. Applicants and Developers are on notice that any Application submitted in this RFA that is withdrawn any time subsequent to the Application Deadline but on or before the execution of the Carryover Allocation Agreement and payment of the Administrative fee will (if the future RFA so provides) result in a point reduction in the scoring of Developer experience in any Application submitted in response to a future RFA in which the Developer, Co-Developer or Principal of the Developer named on Attachment 3 of the withdrawn Application is named for purposes of satisfying the Developer experience requirement in the future Application. As used herein, an Application withdrawal includes a withdrawal of an Application (or the funding under such Application) initiated or made by the Corporation itself where such withdrawal by the Corporation is the result of the Applicant’s failure to act or pay fees in a timely manner as required by the RFA.

Redevelopment and Rehabilitation Developments (either category with or without acquisition) that are tentatively funded will be required to provide to the Credit Underwriter a plan for relocation of existing tenants.

If the proposed Development consists of acquisition and rehabilitation, with or without new construction (where the applicable new construction is for the building of units which will total less than 50 percent of the proposed Developments total unit count), and the Applicant is not requesting Corporation funding related to the acquisition, the

Applicant should select Rehabilitation as the Development Category. However, the acquisition costs and sources must still be reflected on the Development Cost pro forma.

(2) Concrete Construction:

For purposes of this RFA, in order for a proposed Development to be considered to be concrete construction the proposed Development must meet the following specifications: (i) new construction buildings must have the following poured concrete or concrete masonry elements or load bearing masonry elements, as verified by a capital needs assessment: all exterior walls and structural elements, not to include roofs; and structural elements at and under the ground floor, as well as the ground floor itself; (ii) existing buildings proposed for rehabilitation must have, as of Application Deadline, the elements outlined in (i) above and the rehabilitation work must include these elements; or (iii) new construction buildings with the Mid-Rise Development Type (4, 5 or 6 story, as selected by the Applicant at question 5.d. of Exhibit A) that utilize a concrete podium structure under the rental living units. These qualifying criteria specifically exclude face brick or brick veneer from qualifying as concrete construction for purposes of this RFA without the benefit of the qualifying material in (i) being utilized in the manner prescribed in (i).

Indicate whether the proposed Development meets the requirements to be considered to be concrete construction. For purposes of this RFA, the Corporation will only consider an Application to be concrete construction if the answer to question 5.c.(3) of Exhibit A is “Yes”.

d. State the Development Type for the proposed Development. For purposes of determining the number of stories, each floor in the building(s) should be counted regardless of whether it will consist of retail, parking, or residential. For mixed-type Developments, indicate the type that will comprise the majority of the units in the Development.

- Garden Apartments (a building comprised of 1, 2, or 3 stories, with or without an elevator)
- Townhouses
- Duplexes
- Quadraplexes
- Mid-Rise, 4-stories (a building comprised of 4 stories and each residential building must have at least one elevator)
- Mid-Rise, 5 to 6-stories (a building comprised of 5 or 6 stories and each residential building must have at least one elevator)
- High Rise (a building comprised of 7 or more stories and each residential building must have at least one elevator)
- Zero Bedroom Unit (i.e., a single person occupancy unit of at least 240 square feet that includes a private full bathroom and a vertical closet for clothing. The unit shall include a kitchen with a refrigerator, stove and sink)

Note: Applicants who select the Family or Elderly Demographic Commitment at question 2.a. or 2.b. of Exhibit A can select any Development Type except Zero Bedroom Unit. Applicants who select the Homeless Demographic Commitment at question 2.c. of Exhibit A are limited to selecting the Development Type of Garden Apartments, Townhouses, Mid-Rise (4 story), Mid-Rise (5 to 6 story), High Rise, or Zero Bedroom Unit, and each residential building must consist of 5 or more dwelling units.

e. Number of Units in Proposed Development:

- (1) The Applicant must state the total number of units.

Note: Proposed Developments with the Homeless Demographic Commitment at question 2.c. of Exhibit A must consist of a minimum of 75 total units. Proposed Developments with the Family or Elderly Demographic Commitment at question 2.a. or 2.b. of Exhibit A must meet the following applicable minimum total unit requirement: (a) minimum of 75 total units for proposed Developments located in all areas of Miami-Dade County north of SW 224th Street; or (b) minimum of 110 total units for proposed Developments located in all areas of Miami-Dade County south of SW 224th Street. If the Elderly Demographic Commitment is selected at question 2.b. of Exhibit A, it cannot exceed the maximum total number of units outlined in Item 1.a. of Exhibit C of the RFA.

- (2) The Applicant must indicate whether the proposed Development consists of (a) 100% new construction units, (b) 100% rehabilitation units, or (c) a combination of new construction units and rehabilitation units and state the quantity of each type.

6. Proximity (Maximum 18 Points):

a. Qualification for Proximity Points:

- (1) An Application with the Homeless Demographic Commitment (at question 2.c. of Exhibit A) will automatically receive the maximum proximity score of 18 points without the requirement to provide the information outlined in (2) below, resulting in the Application automatically meeting the Minimum Transit Score and the Minimum Total Proximity Score requirements.
- (2) In order for an Application with the Family or Elderly Demographic Commitment (at question 2.a. or 2.b. of Exhibit A) to be considered for any proximity points, the

Applicant must provide an acceptable Surveyor Certification form, (Form Rev. 10-14), as **Attachment 13** to Exhibit A, reflecting the following information:

- A Development Location Point (as outlined in (3) below); and
- Services information for the Bus or Rail Transit Service and Community Services for which the Applicant is seeking points.\

The Surveyor Certification form (Form Rev. 10-14) is provided in Exhibit B of this RFA and on the Corporation's Website

<http://www.floridahousing.org/Developers/MultiFamilyPrograms/Competitive/2014-116/RelatedForms/> (also accessible by clicking [here](#)). Note: If the Applicant provides any prior version of the Surveyor Certification form, the form will not be considered.

(3) Development Location Point:

The Applicant must identify a Development Location Point on the proposed Development site and provide the latitude and longitude coordinates determined in degrees, minutes and seconds, with the degrees and minutes stated as whole numbers and the seconds represented to 2 decimal places. If the degrees and minutes are not stated as whole numbers and the seconds are not represented to 2 decimal places, the latitude and longitude coordinates will not be considered.

The latitude and longitude coordinates for the Development Location Point stated on the Surveyor Certification form will be plotted by the Corporation, using Street Atlas USA 2014, published by DeLorme, for the following purposes:

- (a) To verify that the stated coordinates are located within Miami-Dade County;
- (b) To determine whether the proposed Development is at least the mandatory distance away from the closest Development coordinates identified on the 2014 FHFC Development Proximity List, (the "Mandatory Distance Requirement") as outlined in Section Four A.6.d. of the RFA; and

b. Transit and Community Services Proximity Points (**Maximum 18 Points**):

Each Family and Elderly Demographic Application's proximity points will be based on the distance between the Development Location Point and the Bus or Rail Transit Service (if Private Transportation is not selected at question 6.b. of Exhibit A) and the Community Services stated on the Surveyor Certification form.

(1) PHA or RD Proximity Point Boost:

To be eligible to receive the Proximity Point Boost, the Applicant must select either question 6.a.(1) or 6.a.(2) of Exhibit A and provide the required information. Even if the Application is eligible for both items (a) and (b) below, the Application shall only receive one 3 point boost.

(a) PHA Point Boost:

An Application that involves a site(s) with an existing Declaration of Trust between a Public Housing Authority (PHA) and HUD will qualify to receive a 3 point boost toward its proximity score if the Applicant provides a letter from the PHA dated within 12 months of the Application Deadline certifying that the site(s) where all of

the units in the proposed Development will be located has an existing Declaration of Trust between the PHA and HUD. The letter must be signed by the appropriate person authorized to make such a certification and must be provided as **Attachment 7** to Exhibit A. Note: this 3 point boost cannot count toward meeting the mandatory minimum Transit Services score outlined in (2) below.

or

(b) RD Point Boost:

An Application that involves property that is currently assisted with RD 514/516 or 515 funding will qualify to receive a 3 point boost toward its proximity score if the Applicant (i) selects either RD 514/516 or 515 at question 12.b.(3) of Exhibit A and (ii) provides a letter from RD, as Attachment 21, as outlined in Section Four A.12.b.(3)(b)(i) of the RFA. Note: this 3 point boost cannot count toward meeting the mandatory Minimum Transit Services score outlined in (2) below.

(2) Minimum and Maximum Proximity Points:

The following chart sets out:

- (a) The required Minimum Transit Service Score that must be achieved by all Family and Elderly Demographic Applications (those eligible for the Proximity Point Boost outlined in (1) above and those not eligible for the boost) to be eligible to be considered for funding;
- (b) The required Minimum Total Proximity Score that must be achieved by all Family and Elderly Demographic Applications to be eligible to be considered for funding; and
- (c) The required Minimum Total Proximity Score that must be achieved in order for Family and Elderly Applications to receive the Maximum 18 Proximity Points.

Family and Elderly Demographic Commitment			
To be Eligible to be Considered for Funding*			To be Eligible to Receive the Maximum Amount of 18 Points

1.5	2	10.25	12.25

*Funding eligibility requirements are further described in Section Four B.1. of the RFA.

The Transit and Community Services are further outlined in Item 6.c. below.

c. Proximity to Transit and Community Services for Family and Elderly Demographic Applications:

(1) Transit Services

Applicants may select one (1) of the following five (5) Transit Services on which to base the Application's Transit Score. If the Applicant selects Private Transportation at question 6.b. of Exhibit A and also provides information on the Surveyor Certification form for a Bus or Rail Transit Service, or if the Applicant provides information on the Surveyor Certification form for more than one (1) Bus or Rail Transit Service or more than one (1) of any type of Bus or Rail Transit Service, the Applicant will not receive any

proximity points for the Transit Service Score. (For example, Applicants are limited to selecting one Public Bus Transfer Stop, even though there may be another Public Bus Transfer Stop nearby. If the Applicant provides information for two Public Bus Transfer Stops, the Applicant will not receive any proximity points for either of the Public Bus Transfer Stops.)

The eligible Transit Services are defined below:

(a) Private Transportation (2 Points)

This service may be selected only if the Applicant selected the Elderly Demographic Commitment at question 2.b. of Exhibit A. For purposes of proximity points, the Applicant or its Management Company must provide, at no cost to the residents, transportation to non-emergency medical appointments such as therapy, chemotherapy, dentistry, hearing, dialysis, prescription pick-ups, testing and x-rays, as well as shopping, public service facilities, and/or educational or social activities. The vehicle used for the residents' transportation must accommodate at least six (6) adult passengers, including the vehicle's driver and at least one wheelchair position. Access to a program such as "Dial-A-Ride" will not be acceptable for purposes of this service.

or

(b) Public Bus Stop (Maximum 2 Points)

This service may be selected by Family and Elderly Demographic Applicants. For purposes of proximity points, a Public Bus Stop means a fixed location at which passengers may access one or two routes of public transportation via buses. The Public Bus Stop must service at least one bus route with scheduled stops at least hourly during the times of 7am to 9am and also during the times of 4pm to 6pm Monday through Friday, excluding holidays, on a year-round basis. Bus routes must be established or approved by a Local Government department that manages public transportation. Buses that travel between states will not be considered.

or

(c) Public Bus Transfer Stop (Maximum 6 Points)

This service may be selected by Family and Elderly Demographic Applicants. For purposes of proximity points, a Public Bus Transfer Stop means a fixed location at which passengers may access at least three routes of public transportation via buses. Each qualifying route must have a scheduled stop at the Public Bus Transfer Stop at least hourly during the times of 7am to 9am and also during the times of 4pm to 6pm Monday through Friday, excluding holidays, on a year-round basis. This would include both bus stations (i.e., hubs) and bus stops with multiple routes. Bus routes must be established or approved by a Local Government department that manages public transportation. Buses that travel between states will not be considered.

or

(d) Public Bus Rapid Transit Stop (Maximum 6 Points)

This service may be selected by Family and Elderly Demographic Applicants. For purposes of proximity points, a Public Bus Rapid Transit Stop means a fixed location at which passengers may access public transportation via bus. The Public Bus Rapid

Transit Stop must service at least one bus that travels at some point during the route in either a lane or corridor that is exclusively used by buses and the Public Bus Rapid Transit Stop must service at least one route that has scheduled stops at the Public Bus Rapid Transit Stop at least every 20 minutes during the times of 7am to 9am and also during the times of 4pm to 6pm Monday through Friday, excluding holidays, on a year-round basis.

or

(e) Public Rail Station (Maximum 6 Points)

This service may be selected by Family and Elderly Demographic Applicants. For purposes of proximity points, a Public Rail Station means a fixed location at which passengers may access the scheduled public rail transportation, on a year-round basis, at a MetroRail Station or a TriRail Station.

(2) Community Services (Maximum 4 Points for each service with a maximum of 3 services)

The Community Services that may be selected are based on the Applicant's Demographic Commitment selection at question 2 of Exhibit A of the RFA, as outlined below.

Applicants are limited to one (1) of each applicable type of Community Service. If the Applicant provides information for more than one (1) of any type of Community Service, that Community Service will not be scored and the Applicant will not receive any proximity points for that Community Service. (For example, Applicants are limited to selecting one Grocery Store, even though there may be another Grocery Store nearby. If the Applicant provides information for two Grocery Stores, the Applicant will not receive any proximity points for either of the Grocery Stores.)

The eligible Community Services are defined below:

- (a) Grocery Store - This service may be selected by Family and Elderly Demographic Applicants. For purposes of proximity points, a Grocery Store means a retail food store consisting of 4,500 square feet or more of contiguous air-conditioned space available to the public, that has been issued a food permit, current and in force as of the dates outlined in the In-Service Time Frames chart in Item 6.c.(3) below, issued by the Florida Department of Agriculture and Consumer Service (FDACS) which designates the store as a Grocery Store or Supermarket within the meaning of those terms for purposes of FDACS-issued food permits.
- (b) Public School - This service may be selected only if the Applicant selected the Family Demographic Commitment at question 2.a. of Exhibit A. For purposes of proximity points, a Public School means a public elementary, middle, junior and/or high school, where the principal admission criterion is the geographic proximity to the school. This may include a charter school, if the charter school is open to appropriately aged children in the radius area who apply, without additional requirements for admissions such as passing an entrance exam or audition, payment of fees or tuition, or demographic diversity considerations.
- (b) Medical Facility - This service may be selected by Family and Elderly Demographic Applicants. For purposes of proximity points, a Medical Facility means a medically licensed facility that (i) employs or has under contractual obligation at least one physician licensed under Chapter 458 or 459, F.S. available to treat patients by walk-in or by appointment; and (ii) provides general medical treatment to any physically

sick or injured person. Facilities that specialize in treating specific classes of medical conditions or specific classes of patients, including emergency rooms affiliated with specialty or Class II hospitals and clinics affiliated with specialty or Class II hospitals, will not be accepted.

- (c) Pharmacy- This service may be selected only if the Applicant selected the Elderly Demographic Commitment (ALF or Non-ALF) at question 2.b. of Exhibit A. For purposes of proximity points, a Pharmacy means a community pharmacy operating under a valid permit issued pursuant to s. 465.018, F.S., current and in force as of the dates outlined in the In-Service Time Frames chart in Item 6.c.(3) below and open to the general public at least five (5) days per week without the requirement of a membership fee.

(3) In-Service Time Frames:

In addition to meeting the definitions outlined above, in order to be considered for proximity points in this RFA, the Bus and Rail Transit Services and the Community Services must be in existence and available for use by the general public as of the following time frames:

Service	Minimum Amount of time that the service must be in existence and available for use by the general public
Bus and Rail Transit Services	As of the Application Deadline
Public School and Medical Facility	As of the Application Deadline
Grocery Store, if it is one of the following and meets the definition of Grocery Store at (2)(a) above: Albertson's, Bravo Supermarkets, BJ's Wholesale Club, Costco Wholesale, Food Lion, Fresh Market, Harvey's, Milam's Markets, Piggly Wiggly, Presidente, Publix, Sam's Club, Sav – A – Lot, Sedano's, SuperTarget, Sweet Bay, Walmart Neighborhood Market, Walmart Supercenter, Whole Foods, Winn-Dixie	As of the Application Deadline
Grocery Store, if it meets the definition of Grocery Store, but is not one of the stores identified above	As of the Application Deadline and has been open and available for use by the general public since a date that is 6 months prior to the Application Deadline
Pharmacy, if it is one of the following and meets the definition of Pharmacy at (3)(c) above: Albertson's, CVS, Harvey's, Kmart, Navarro's, Piggly Wiggly, Publix, Sav – A – Lot, Target, Walgreens, Wal-Mart, Winn-Dixie	As of the Application Deadline
Pharmacy, if it meets the definition of Pharmacy, but is not one of the stores identified above	As of the Application Deadline and has been open and available for use by the general public since a date that is 6 months prior to the Application Deadline

(4) Required Information for the Surveyor Certification Form:

The latitude and longitude coordinates for all Bus and Rail Transit Services and Community Services must represent a point as outlined below. The coordinates for each service must be stated in degrees, minutes and seconds, with the degrees and minutes stated as whole numbers and the seconds represented to 2 decimal places. If the degrees and minutes are not stated as whole numbers and the seconds are not represented to 2 decimal places, the Applicant will not be eligible for points for that service.

The following chart describes the location where the latitude and longitude coordinates must be obtained:

Coordinates Location Chart

Development Location Point or Service	Location of latitude and longitude coordinates
--	---

Development Location Point	Coordinates must be a single point selected by the Applicant on the proposed Development site that is located within 100 feet of a residential building existing or to be constructed as part of the proposed Development. For a Development which consists of Scattered Sites, this means a single point on the site with the most units that is located within 100 feet of a residential building existing or to be constructed as part of the proposed Development.
Community Services	Coordinates must represent a point that is on the doorway threshold of an exterior entrance that provides direct public access to the building where the service is located.
Bus and Rail Transit Services	For Public Bus Stop, Public Bus Rapid Transit Stop, Public Bus Transfer Stop, MetroRail Station and TriRail Station, coordinates must represent the location where passengers may embark and disembark the bus or train.

If there is no exterior public entrance to the Community Service, then a point should be used that is at the exterior entrance doorway threshold that is the closest walking distance to the doorway threshold of the interior public entrance to the service. For example, for a Pharmacy located within an enclosed shopping mall structure that does not have a direct public exterior entrance, the latitude and longitude coordinates at the doorway threshold of the exterior public entrance to the enclosed shopping mall that provide the shortest walking distance to the doorway threshold of the interior entrance to the Pharmacy would be used.

Applicants may use the same latitude and longitude coordinates for the Grocery Store, Medical Facility and/or Pharmacy if the Grocery Store, Medical Facility and/or Pharmacy is housed at the same location.

(5) Scoring Proximity to Services (Transit and Community):

(a) Private Transportation

Applicants that selected the Elderly Demographic at question 2.b. of Exhibit A and wish to provide Private Transportation as the Transit Service must select “Yes” at question 6.b. of Exhibit A to be eligible to receive 2 points.

(b) Bus and Rail Transit Services and Community Services

The distances between the Development Location Point and each service, as certified by the Surveyor on the Surveyor Certification form, will be the basis for awarding proximity points. Failure to provide the distance for any Community Service will result in zero points for that Community Service. Failure to provide the distance for any Bus or Rail Transit Service will result in zero points for that Transit Service.

(i) Transit Service Distance Scoring Charts:

Note: Section Four A.6.b.(2) above outlines the minimum Transit Service Score requirements.

d. Mandatory Distance Requirement:

To be eligible to be considered for funding, Applications must qualify for the Mandatory Distance Requirement. Applications may qualify automatically (as outlined in (1) below). Applications that are not eligible for the automatic qualification will only qualify if the distance between the Development Location Point and other properties identified on the 2014 FHFC Development Proximity List, effective 8-22-14, (the List) serving the same demographic group as the proposed Development meets the Mandatory Distance Requirement of 0.5 miles (as outlined in (2) below). The List is available on the Corporation's Website <http://www.floridahousing.org/Developers/MultiFamilyPrograms/Competitive/2014-116/OtherInformation/> (also accessible by clicking [here](#)). Applications that do not qualify for the Mandatory Distance Requirement under (1) or (2) below will not be eligible to be considered for funding.

(1) Applications Eligible for the Automatic qualification for the Mandatory Distance Requirement:

Applications will automatically qualify for the Mandatory Distance Requirement by meeting the criteria outlined in question 6.c.(1), 6.c.(2), or 6.c.(3) of Exhibit A. The Applicant should select question 6.c.(1), 6.c.(2), or 6.c.(3) of Exhibit A.

(2) Applications Not Eligible for the Automatic qualification for the Mandatory Distance Requirement:

The Applicant should select question 6.c.(4) of Exhibit A of the RFA. Determination of whether the Application meets the qualifications of the Mandatory Distance Requirement will be based on whether the Development Location Point meets the criteria for a distance of within 0.5 miles of a Development on the List serving the same demographic group. To make such determination, the Applicant, using Street Atlas USA 2014, published by DeLorme, should follow the steps outlined below. For purposes of this provision, same demographic refers to Family demographic, Elderly non-ALF demographic, and Elderly ALF demographic.

- (a) Select the “Advanced” search button on the “Find” tab, to the right of the “Advanced” button select “Latitude/ Longitude” from the drop down menu under “Find:”, check the “MapTags” box, enter the latitude and longitude coordinates for the Development Location Point in the appropriate blanks to the right and then click the “Search” button. A “MapTag” with the entered coordinates will then appear in the appropriate location.
- (b) For each Development on the List that serves the same demographic group as the proposed Development which is in proximity to the proposed Development’s Development Location Point, repeat the steps stated above to display MapTags for the Development(s). For those Developments on the List that have more than one set of latitude and longitude coordinates, the Corporation will use the coordinates that represents the closest location to the proposed Development’s Development Location Point as the location of the Development from the List for the purposes of awarding proximity points.
- (c) Select the “Draw” tab. Under “Tools”, select the circle or, if there is no circle, click and hold the left mouse button and this will provide several shape options, one of which is a circle. To the right, use the thinnest line possible, select “None” as the fill color for the circle and choose a color such as black for the outline. Enter the latitude and longitude coordinates for the proposed Development’s Development Location Point in the space provided, and then enter, as appropriate, 0.5 miles for the radius. Upon selecting the “Apply” button, the software will draw a circle, with the radius entered, around the Development Location Point.
- (d) If the tip of any of the MapTags entered for the Developments on the List are within the drawn circle or, when the map is zoomed in as far as possible, if the tip of any of the entered MapTags appears to the naked eye to be on the drawn line of the circle, the Applicant can conclude that the Development Location Point is within the distance entered for the radius of the circle of a Development from the List. The tip of a MapTag is the point of the MapTag that denotes the actual location of what the MapTag represents.

An Applicant may disregard any Development(s) on the List if the proposed Development and any Development(s) on the List have one or more of the same Financial Beneficiaries and meet at least one of the following criteria: (i) they are contiguous or are divided by a street, and/or (ii) they are divided by a prior phase of the proposed Development. If this provision applies to the proposed Development, identify the Development(s) on the List at question 6.c.(4) of Exhibit A.

In addition, in the event that both the loan guaranteed under the Guarantee Fund Program and any Subordinate Mortgage Initiative (SMI) loan for one of the Developments on the List are paid off prior to the Application Deadline, the Corporation will treat the distance restriction around that Development as if it was never included on the List and the distance restriction related to that Guarantee Fund Development will no longer apply.

7. Set-Aside Commitments:

- a. Minimum Set-Aside per Section 42 of the IRC:

The Applicant must elect one of the following minimum set-aside commitments:

- 20% of the units at 50% or less of the Area Median Income (AMI)
- 40% of the units at 60% or less of the AMI
- Deep rent skewing option as defined in Section 42 of the IRC, as amended

Note: Choosing the 20 percent at 50 percent AMI or less minimum set-aside will restrict ALL set-aside units at 50 percent or less of the AMI. Applicants may choose the 40 percent at 60 percent AMI or less minimum set-aside without committing to set aside any of the units at the 60 percent AMI level. For example, an Applicant may commit to set aside 40 percent at 50 percent AMI and this would also be considered 40 percent at 60 percent AMI or less.

b. Set-Aside Commitments per Corporation Requirements:

The Corporation has set-aside requirements beyond those required by Section 42 of the IRC which must be reflected on the Total Set-Aside Breakdown Chart at question 7.b. of Exhibit A, as outlined below:

(1) Total Set-Aside Commitment:

- (a) If the proposed Development has a Demographic Commitment of Family or Elderly Non-ALF, the Applicant must set aside a total of at least 80 percent of the Development's total units at 60 percent AMI or less; or
- (b) If the proposed Development has a Demographic Commitment of Elderly ALF or Homeless, the Applicant must set aside a total of at least 50 percent of the Development's total units at 60 percent AMI or less.

(2) ELI Set-Aside Requirements:

For purposes of the following, the requirement to set aside units for ELI Households refers to the ELI Area Median Income (AMI) level for Miami-Dade County, which is 33 percent of the AMI.

- (a) For the Family and Elderly Demographic Commitment, the Applicant must set aside at least 10 percent of the total units as ELI AMI Set-Aside units.
- (b) For the Homeless Demographic Commitment, the Applicant must set aside at least 15 percent of the total units as ELI AMI Set-Aside units, one-third of which must be set-aside for Persons with a Disabling Condition (i.e., 5 percent of the total units must be set aside as ELI Set-Aside units that serve Persons with a Disabling Condition).

(c) Required ELI Units for Special Needs Households:

All proposed Developments with the Demographic Commitment of Family or Elderly non-ALF must set aside at least 50 percent of the ELI Set-Aside units for Special Needs Households and develop and execute a Memorandum of Understanding with at least one designated Special Needs Household Referral Agency for the county where the proposed Development will be located (the deadline for the MOU will be established in the Carryover Allocation Agreement). Developments financed with HUD Section 202 or HUD Section 811 are exempt from this requirement.

For properties that have a Housing Assistance Payment Contract and/or an Annual Contributions Contract with HUD, but are not HUD Section 202 or HUD Section 811, the Applicant shall establish an owner-adopted preference in the admission policies for the Development, allowing the Applicant to create a preference or limited preference specifically for individuals or families who are referred by a partnering service agency. The partnering service agency must be a designated Special Needs Household Referral Agency in the county where the Development is located.

The purpose of the MOU is to establish the roles and responsibilities of the Development and lead agency(ies). These include roles and responsibilities regarding the Applicant notifying the lead agency that a unit is available; the lead agency referring households to apply for the set-aside unit; and the lead agency addressing the needs of the residents in the set-aside unit. At least biennially, Florida Housing shall review and evaluate the effectiveness of each party in carrying out their MOU roles and responsibilities in meeting this set-aside commitment. The Corporation may require the Applicant to terminate a MOU with a lead agency if that partnership is not effective in meeting the intent of this set-aside commitment; and execute another MOU with a new designated Special Needs Households Referral Agency. A current list of Special Needs Household Referral Agencies for each county is published on the Corporation's Website at www.floridahousing.org under Special Needs Housing, Link Initiative.

c. Total Set-Aside Breakdown Chart:

The Total Set-Aside Breakdown Chart must reflect all set-aside commitments (required set-asides and additional set-asides, including all required ELI set-asides) and the required total set-aside percentage (as further outlined below).

The Applicant must complete the Total Set-Aside Breakdown Chart at question 7.b. of Exhibit A of the RFA. The Applicant must indicate on the chart the percentage of residential units, stated in whole numbers, to be set aside at each selected AMI level. Where reasonably possible, Applicants will be required to keep the unit mix consistent across each committed AMI level.

d. Affordability Period:

The Applicant must set aside the units for a minimum length of 50 years.

8. Site Control:

The Applicant must demonstrate site control by providing, as **Attachment 14** to Exhibit A, the documentation required in Items a., b., and/or c., as indicated below. If the proposed Development consists of Scattered Sites, site control must be demonstrated for all of the Scattered Sites.

- a. Eligible Contract - For purposes of the RFA, an eligible contract is one that has a term that does not expire before July 31, 2015 or that contains extension options exercisable by the purchaser and conditioned solely upon payment of additional monies which, if exercised, would extend the term to a date that is not earlier than July 31, 2015; specifically states that the buyer's remedy for default on the part of the seller includes or is specific performance;

and the buyer MUST be the Applicant unless an assignment of the eligible contract which assigns all of the buyer's rights, title and interests in the eligible contract to the Applicant, is provided. If the owner of the subject property is not a party to the eligible contract, all documents evidencing intermediate contracts, agreements, assignments, options, or conveyances of any kind between or among the owner, the Applicant, or other parties, must be provided, and, if a contract, must contain the following elements of an eligible contract: (i) have a term that does not expire before July 31, 2015 or contain extension options exercisable by the purchaser and conditioned solely upon payment of additional monies which, if exercised, would extend the term to a date that is not earlier than July 31, 2015, and (ii) specifically state that the buyer's remedy for default on the part of the seller includes or is specific performance.

- b. Deed or Certificate of Title – The deed or certificate of title (in the event the property was acquired through foreclosure) must be recorded in the county in which the property is located and show the Applicant as the sole Grantee.
- c. Lease - The lease must have an unexpired term of at least 50 years from the Application Deadline and the lessee must be the Applicant. If the owner of the subject property is not a party to the lease, all documents evidencing intermediate leases, subleases, assignments, or agreements of any kind between or among the owner, the lessor, or any sublessee, assignor, assignee, and the Applicant, or other parties, must be provided, and if a lease, must have an unexpired term of at least 50 years from the Application Deadline.

both a reward and an incentive to further the saving habit. Savers agree to complete the financial management program and use their savings for an asset-building purpose – typically for post-secondary education or job training, home purchase, or to capitalize a small business. To achieve points for this section, the Applicant must describe the outreach and marketing activities, beyond those required in the Fair Housing Act as implemented by 24 CFR Part 100, that will be conducted initially and on a continuing basis to market the Development to the intended Homeless individuals and families and will be used to develop and retain a pool of prospective residents. Specify any community organizations or agencies that the Applicant will work with to establish and manage a system of referring persons served by these entities to the Development for tenancy. Describe the persons to be referred, the system or process of referring these persons, and related Best Practices to be used in implementation. Describe how the pool of prospective residents will be selected for tenancy.

The Applicant's description is limited to no more than 3 typed pages within the text box at question 10.a. of Exhibit A. Note: Although the online Application system allows for more than 3 pages, any portion of the description that is beyond 3 pages will not be considered.

The Applicant shall develop and implement a plan for tenant outreach, marketing, referral and selection as approved by the Corporation during the credit underwriting process.

b. Management Company Experience with Permanent Supportive Housing (Up to 20 Points):

If the Applicant intends to manage the Development, describe the Applicant's experience in operating and managing Permanent Supportive Housing, including performing operations and management functions specific to the needs of the intended residents described in question 2.c. of Exhibit A. If the Applicant does not have experience or if the Applicant expects to use a management company, the Applicant must provide the name of the experienced entity that will act as the management company and describe the management company's experience in operating and managing Permanent Supportive Housing, including length of time spent operating and managing Permanent Supportive Housing, and experience performing operations and management functions specific to the intended residents described in question 2.c. of Exhibit A. This includes understanding the variety of residents' housing and supportive services needs to maintain stability in the community.

The Management Company's experience should include experience with developments that are similar in size to the proposed Development. Providing only a list of rental housing Developments for Persons with a Disabling Condition and/or units that the Applicant or Management Company has managed or manages will not be a sufficient description of experience.

Applicant responses to this item will be evaluated based on the following criteria: (1) strength of information provided about the experience of the Applicant and/or, if appropriate, the Management Company in handling the following aspects of management/operations: tenant screening, selection and move-in; leasing, lease enforcement and rent collections; reasonable accommodations for persons with disabilities; safety and security; maintenance of the physical plant; coordination between property management and services coordination staff, as well as the coordination between on-site services and off-site supportive services, case management and benefits (including the role of Applicant and, if appropriate, Management Company); management of common space used by community-based service providers; compliance issues; and long-term asset management issues; (2) if the property will be managed by an entity other than the Applicant, a description of the distinct roles of the Applicant and Management Company in setting policies and procedures and implementation of the items listed in (1) and how collaboration will occur between the two; and (3) a description of how the Applicant expects to set and oversee achievement of targeted outcomes for residents and the property.

The Applicant's description is limited to no more than 3 typed pages within the text box at question 10.b. of Exhibit A. Note: Although the online Application system allows for more than 3 pages, any portion of the description that is beyond 3 pages will not be considered.

The Applicant may provide, as **Attachment 15** to Exhibit A, up to 3 additional pages of appropriate exhibits, not created by the Applicant, to supplement the description(s) included in Exhibit A.

c. Access to Community-Based Services and Amenities (Maximum of 25 Points)

The ability of the formerly Homeless residents at the proposed Development to effectively and efficiently access community-based services and resources is vital to assist these households in obtaining and maintaining the level of stability and self-sufficiency in their community. As specified in each section below, provide a description of the Applicant's plan to provide access to general community services and amenities, as well as specific supportive services and resources that address the needs of these intended residents. Equitable access to community-based services and amenities must be a consideration when proposing Scattered Site units, and Applicants are expected to describe how each unit in a proposed Scattered Site

Development will have access to community-based services and amenities. In addition to the specific criteria for each section below, Applicant responses to these items will be evaluated based on the following criteria: (i) a description of the services and amenities as provided in the Applicant's descriptions below; (ii) a description of the partners, roles of each, and capacity of the partners that will provide or facilitate access to these services and amenities; (iii) a description of the public and/or private transportation options that will be available to residents of the proposed Development to ensure access to the described general services and amenities, including the modes, options and availability of transportation for residents to get to and from these resources; (4) a description of how the Applicant believes that the access outlined in (i), (ii) and (iii) above will lead to improvement of tenants' health, safety, stability, education and employment capacities, quality of life, and ability to successfully live in the community.

Applicants may be awarded points for providing the following information outlined in (1) and/or (2) below:

- (1) Describe the community-based general services and amenities that will be accessible to residents, such as shopping for groceries, medicine, clothing, and other household and personal items. Include other services and amenities such as public schools, higher education, training and employment opportunities that are appropriate for the intended residents. The description should include the Development's physical proximity to services and amenities and the variety of these services and amenities. The description should also include any community-based supportive services that may assist the intended resident, as needed, to access the described general services. (Up to 10 Points)

The Applicant's description is limited to no more than 3 typed pages within the text box at question 10.c.(1) of Exhibit A. Note: Although the online Application system allows for more than 3 pages, any portion of the description that is beyond 3 pages will not be considered.

The Applicant may provide, as **Attachment 16** to Exhibit A, up to 3 additional pages of appropriate exhibits, not created by the Applicant, to supplement the description(s) included in Exhibit A.

- (2) Describe access to community-based resources and services, that address the intended residents' physical and behavioral health and wellness, self-sufficiency, and social activities, as appropriate, to assist them to have stable and integrated lives in their community. The description should include the Development's physical proximity to health care and supportive services, and/or which services/programs will be provided on-site. The description should include all key supportive services and programs that will be provided directly through the Applicant, community partnership or other providers to assist these residents, and the benefits of offering these services/programs. (Up to 15 Points)

The Applicant's description is limited to no more than 3 typed pages within the text box at question 10.c.(2) of Exhibit A. Note: Although the online Application system allows for more than 3 pages, any portion of the description that is beyond 3 pages will not be considered.

The Applicant may provide, as **Attachment 17** to Exhibit A, up to 3 additional pages of appropriate exhibits, not created by the Applicant, to supplement the description(s) included in Exhibit A.

- d. Approach toward Income and Credit Status of Intended Individuals and Families Applying for Residency (Up to 10 points)

Due to their homelessness and the situations that caused their homelessness, the intended residents often have issues that affect their ability to meet the income and credit requirements for rental developments. Some intended residents may also have criminal histories that are often barriers to leasing a rental unit. For points, the Applicant may describe any policies or approaches that will be implemented to address a prospective resident's eligibility due to their income, credit and other issues that would normally affect their ability to access a rental unit.

The Applicant's description is limited to no more than 3 typed pages within the text box at question 10.d. of Exhibit A. Note: Although the online Application system allows for more than 3 pages, any portion of the description that is beyond 3 pages will not be considered.

The Applicant may provide, as **Attachment 18** to Exhibit A, up to 3 additional pages of appropriate exhibits, not created by the Applicant, to supplement the description(s) included in Exhibit A.

- e. Verification by the State Designated Lead Agency

The Applicant must provide, as **Attachment 19** to Exhibit A, the Verification by the State Designated Lead Agency of Inclusion in Local Homeless Continuum of Care Program form. The form must be completed and executed by the Lead Agency for the Miami-Dade local Continuum of Care Jurisdiction in order to certify that the proposed Development is consistent with the priority Permanent Supportive Housing needs of Homeless persons in the community in which the housing shall be developed. The verification form (Form Rev. 11-14) is available at Exhibit B of the RFA or the Corporation's Website <http://www.floridahousing.org/Developers/MultiFamilyPrograms/Competitive/2014-116/RelatedForms/> (also accessible by clicking [here](#)). Note: If the Applicant provides any prior version of the verification form, the form will not be considered.

11. Local Government Contributions (Maximum 5 Points):

- a. Applicants Eligible for Automatic Points:

The following Applicants will automatically receive 5 points without any requirement to demonstrate a Local Government Contribution in the Application: (1) Applicants that selected and qualified for the Development Category of Rehabilitation or Acquisition and Rehabilitation at question 5.c.(1) of Exhibit A, and (2) Applicants that selected the Homeless Demographic Commitment at question 2.c. of Exhibit A.

- b. Applicants Not Eligible for Automatic Points:

Applicants that are not eligible for the automatic points outlined in a. above must provide evidence of a Local Government grant, loan, fee waiver and/or fee deferral that is effective at least through June 30, 2015 and has a value whose dollar amount is equal to or greater than \$100,000. Those Applications that do not have the necessary contribution values to achieve maximum points will be scored on a pro-rata basis.

As evidence of the Local Government Contribution, the Applicant must provide the properly completed and executed Local Government Verification of Contribution Form(s) as **Attachment 20** to Exhibit A. The Local Government Contribution forms (Form Rev. 01-14)

are available at Exhibit B of the RFA or the Corporation's Website <http://www.floridahousing.org/Developers/MultiFamilyPrograms/Competitive/2014-116/RelatedForms/> (also accessible by clicking [here](#)). Note: If the Applicant provides any prior version of the Local Government Verification of Contribution Form(s), the form(s) will not be considered.

To qualify for points, the amount of the contribution stated on the applicable form(s) must be a precise dollar amount and cannot include words such as estimated, up to, maximum of, not to exceed, etc.

The only Local Government contributions that will be considered for the purpose of scoring are:

- Monetary grants
- Loans with the exception of USDA RD funds
- A one-year or more deferral of a fee beyond the date that it is routinely due
- Waiver of fees

A loan with a forgiveness provision requiring approval of the Local Government will be treated as a loan, rather than as a grant, for scoring purposes. The "Loan" verification form should be used.

Funds administered by the Local Government, including federal funds and SHIP funds, may be included in the contribution as long as the appropriate verification form is provided. For purposes of this RFA, USDA-RD funds will NOT count as a Local Government contribution.

The contribution may not be included as an expense on the Development Cost Pro Forma nor may it be considered part of Development Cost for purposes of calculating HC basis or Developer's fee. The exception to the previous sentence is deferred Local Government fees, which may be shown on the Development Cost Pro Forma.

For a contribution consisting of a loan or deferred fee to be considered complete and eligible for points, the Local Government Verification Form must reflect both the total amount of the loan or deferred fee and the value (net present value) of the loan or deferred fee. Calculate the net present value of the payments using the discount rate of 5.81 percent.

NOTE: Neither the payment stream for the present value calculations (if contribution consists of a loan or deferred fee) nor the calculations by which the total amount of each waiver is determined (if contribution consists of a fee waiver) are required to be attached to the certification form or otherwise included in the Application in order for the certification form to be considered for points.

In order to be eligible to be considered for points as a Local Government contribution, the contribution must:

- Be in effect as of Application Deadline;
- Be effective at least through June 30, 2015;
- Be dedicated solely for the proposed Development;

- Provide a tangible economic benefit that results in a quantifiable cost reduction and must be given specifically to the proposed Development because the Development will provide affordable housing; and
- State, federal, or Local Government funds initially obtained by or derived from a Local Government qualify as a Local Governmental contribution even though the funds are directly administered by an intermediary such as a housing finance authority, a community reinvestment corporation, or a state-certified Community Housing Development Organization, provided that they otherwise meet the requirements set forth in this Application, including those relating to the executed verification form.

Local Government contributions that are ineligible to be considered for points include:

- Contributions that are not specifically made for the benefit of affordable housing but are instead of general benefit to the area in which the Development is located.
- The fact that no impact fees or other such fees are levied by a local jurisdiction for ANY type of development does not constitute a Local Government contribution. If such fees are levied by the local jurisdiction but the nature of the proposed Development exempts it (e.g., typically, a Rehabilitation Development is not subject to impact fees), for purposes of this RFA, no Local Government contribution exists and no points will be awarded;
- The absence of interest on a loan or the absence of interest payments until a specific date does not constitute a deferral or waiver of fees.
- Local Government contributions that have not received final approval;
- A contribution from an Applicant or Developer or Principal, Affiliate or Financial Beneficiary of an Applicant or a Developer;
- A contribution from a PHA;
- HOPE VI funds; and
- A contribution of any portion of the Applicant's site below market value.

To calculate the value of a Local Government below market interest rate loan:

- Calculate the net present value of the payments due to the Local Government including any balloon payment of principal due on a non-amortizing or non-fully amortizing loan.
- Calculate the net present value of the loan payments using the discount rate.
- Subtract the net present value of the loan payments from the original loan principal amount. The remaining amount is the value of the Local Government contribution.

Example: If the discount rate is assumed to be 5.81 percent and the Local Government will provide a fully amortizing \$200,000 loan at 3 percent for 30 years with monthly payments, the contribution is calculated as follows:

Calculate the monthly payment of the \$200,000 loan at 3 percent (\$843.21).

Calculate the net present value of the stream of (\$843.21) monthly payments over 30 years (360 months) using a 5.81 percent discount rate (\$143,551.98).

Subtract the net present value amount from the original principal loan amount to arrive at the value of the contribution ($\$200,000 - \$143,551.98 = \$56,448.02$ value).

Example: If the discount rate is assumed to be 5.81 percent and the Local Government will provide an interest only \$200,000 loan at 3 percent for 30 years with payments due monthly, the contribution is calculated as follows:

Calculate the monthly payment of the \$200,000 loan at 3 percent. Multiply the \$200,000 by 3 percent and divide the result by 12. The answer is \$500. As such, the loan payments for the first 359 months are \$500. The 360th payment is the \$500 plus the balloon payment of \$200,000, which is \$200,500.

Calculate the net present value of the stream of the various monthly payments over 30 years (360 months) using a 5.81 percent discount rate (\$120,268.76).

Subtract the net present value amount from the original principal loan amount to arrive at the value of the contribution ($\$200,000 - \$120,268.76 = \$79,731.24$ value).

Example: A Development has achieved a Local Government contribution valued at \$50,000. A Development to be located in Miami-Dade County must obtain contributions valued at \$100,000 to achieve 5 points. Therefore, in this example, the Development would receive 2.5 points ($(\$50,000 / \$100,000) \times 5$).

NOTE: Points will be rounded to two decimal places (3.345 rounded up to 3.35 and 3.3449 rounded down to 3.34).

12. Funding:

a. Corporation Funding Amount(s):

(1) Eligible Housing Credit Request Amount:

The Applicant must state the amount of Housing Credits it is requesting. The maximum amount the Applicant is eligible to request is \$2,561,000.

The Eligible Housing Credit Request Amount will be the amount of Housing Credit Allocation the Applicant will tentatively be awarded should the Application be selected for funding. Any equity proposal provided as an attachment to the RFA must reflect the Eligible Housing Credit Request Amount, as further described in Item 12.d.(2)(a) below.

If the Applicant states an amount that is greater than the amount the Applicant is eligible to request, the Corporation will reduce the amount down to the maximum amount the Applicant is eligible to request and such adjusted amount will be the Applicant's Eligible Housing Request Amount.

(2) The Applicant must indicate whether the proposed Development is the first phase of a Multi-Phase Development. If the Applicant selects "Yes" at question 12.a.(2) of Exhibit A, and the proposed Development is selected for funding, the procedure and deadline for

providing the required information will be included in the Carryover Allocation Agreement.

(3) Eligible SAIL Request Amount:

Applicants who select the Homeless Demographic Commitment at question 2.c. of Exhibit A must request SAIL funding in addition to the Housing Credits. The Applicant must state the amount of SAIL funding it is requesting at question 12.a.(3) of Exhibit A. The maximum amount the Applicant is eligible to request is the lesser of \$50,000 per unit or \$4,683,000.

During the scoring process, if the Applicant states a SAIL Request Amount that is greater than the amount the Applicant is eligible to request, the Corporation will reduce the amount down to the maximum amount the Applicant is eligible to request (the Eligible SAIL Request Amount). The Applicant's SAIL Request Amount is subject to a per unit limit and a per Development limit (as outlined above), as well as a percentage of Total Development Cost limitation (as outlined below).

In addition to the above limits to the Applicant's SAIL Request Amount, the Applicant's Eligible SAIL Request Amount cannot exceed 35 percent of the Total Development Cost. Any necessary adjustments needed to bring the total of these loans within the 35 percent maximum will be made during the scoring process, as well as during the credit underwriting process. Adjustments will be made first to the SAIL Request Amount to meet both the per unit and per Development limitations above and then lastly to the SAIL Request Amount stated at question 12.a.(3) of Exhibit A, as adjusted if necessary, to meet the 35 percent limitation test. The result of the above-described adjustments is the Applicant's Eligible SAIL Request Amount.

The SAIL loan shall be non-amortizing and shall have an interest rate of 0 percent for the pro rata share of the units set aside for Homeless persons and an interest rate of 1 percent for the remaining units. The terms and conditions of the SAIL loan as outlined in Rule Chapter 67-48, F.A.C.

b. Other Funding:

- (1) If the Development has received funding from the Predevelopment Loan Program (PLP), the Corporation file number and amount of funding must be listed. Note: PLP funding cannot be used as a source of financing on the Construction/Rehab Analysis or the Permanent Analysis.
- (2) The Applicant must list any other Corporation funding that is intended to be utilized as a source of financing for the proposed Development.
- (3) If the proposed Development is assisted with funding under the United States Department of Agriculture RD 514/516 Program, RD 515 Program, and/or RD 538 Program, the following information must be provided:
 - (a) Indicate the applicable RD Program(s).
 - (b) For a proposed Development is be assisted with funding from RD 514/516 or RD 515, include the funding amount at the USDA RD Financing line item on the

Development Funding Pro Forma (Construction/Rehab Analysis and/or Permanent Analysis), and provide a letter from RD, dated within six (6) months of the Application Deadline, as **Attachment 21** to Exhibit A, confirming the funding source as outlined below:

- (i) For proposed Developments with the Development Category of Rehabilitation or Redevelopment (with or without Acquisition) at question 5.c.(1) of Exhibit A, the RD letter must include the following information:
 - Name of existing development
 - Name of proposed Development
 - Loan balance
 - Acknowledgment that property is applying for Housing Credits
 - Applicable RD program
 - Acknowledgment that property will remain in the USDA/RD 515 or 514/516 (as applicable) loan portfolio

The letter outlined above will qualify for purposes of the RD Proximity Point Boost (outlined in Section Four A.6.b.(1)(b) of the RFA).

or

- (ii) For proposed Developments with the Development Category of New Construction Developments at question 5.c.(1) of Exhibit A, the RD letter must include the following information:
 - Name of Proposed Development
 - Name of Applicant as borrower or direct recipient
 - Loan amount
 - Acknowledgment that property is applying for Housing Credits
 - Applicable RD program

The letter outlined above will not qualify for purposes of the RD Proximity Point Boost (outlined in Section Four A.6.b.(1)(b) of the RFA). If the proposed Development will include the acquisition of an existing development which is currently assisted with funding from RD 514/516 or RD 515 and will remain in the USDA/RD 514/516 or 515 (as applicable) loan portfolio, but has a Development Category of New Construction and is seeking the RD proximity Point Boost, the Applicant must provide the letter outlined in (i) above.

- (c) If the proposed Development is assisted with funding under the RD 538 Program, the Applicant must:
 - (i) Include the funding amount at the USDA RD Financing line item on the Development Funding Pro Forma (Construction/Rehab Analysis and/or Permanent Analysis); and
 - (ii) Provide the Section 538 Selection letter sent to the Applicant by RD as **Attachment 21** to Exhibit A; and

(iii) Provide the letter sent to the Applicant by an RD 538 approved lender certifying that the lender is prepared to make a loan consistent with the program requirements through the Section 538 Guaranteed Rural Rental Housing (“538”) Loan Program as **Attachment 21** to Exhibit A.

c. Finance Documents:

All Applicants must complete the Development Cost Pro Forma listing the anticipated expenses or uses, the Detail/Explanation Sheet, if applicable, and the Construction or Rehab Analysis and Permanent Analysis listing the anticipated sources. The sources must equal or exceed the uses. During the scoring process, if a funding source is not considered and/or if the Applicant’s HC Request Amount, or if applicable, its SAIL Request Amount, is adjusted downward, as outlined in a. above, this may result in a funding shortfall. If the Applicant has a funding shortfall, it will be ineligible to be considered for funding.

The Development Cost Pro Forma must include all anticipated costs of the Development construction, rehabilitation and, if applicable, acquisition, including the Developer fee and General Contractor fee, as outlined below. Any amounts that are not an anticipated cost to the Development, such as waived or reimbursed fees or charges, cannot be included in the Development Cost Pro Forma. Note: deferred Developer fees are not considered “waived fees”.

In addition, the Development Cost Pro Forma must include all anticipated sources of funding, including the funding outlined below, as well as any Non-Corporation Funding as outlined in d. below.

(1) Developer Fee:

If the Applicant selects the Demographic Commitment of Family or Elderly at question 2.a. or 2.b. of Exhibit A, the maximum allowable Developer fee under this RFA shall be 16 percent of Development Cost. If the Applicant selects the Demographic Commitment of Homeless at question 2.c. of Exhibit A, the maximum allowable Developer fee under this RFA shall be 21 percent of Development Cost.

The maximum allowable Developer fee will be tested during the scoring of the Application by multiplying the Development Cost by 16 percent or 21 percent, as applicable, truncated at 2 decimal places. However, an amount equal to the difference between the Developer fee and an amount equal to 16 percent of Development Cost must be placed in an operating subsidy reserve account to be held by the Corporation or its servicer. Any disbursements from said operating subsidy reserve account shall be reviewed and approved by the Corporation or its servicer. Upon the expiration of the Compliance Period, any remaining balance may be drawn to pay down any outstanding loan debt on the proposed Development. If there is no Corporation loan debt on the proposed Development at the end of the Compliance Period, then any remaining balance in said operating subsidy reserve account shall be placed in a replacement reserve account for the proposed Development. In no event shall the remaining balance in said operating subsidy reserve account be paid to the Developer.

The Corporation will allow up to 100 percent of the eligible Developer fee to be deferred and used as a source on the Development Cost Pro Forma without the requirement to show evidence of ability to fund.

(2) General Contractor Fee

General Contractor fee shall be limited to 14 percent of actual construction cost. The maximum allowable General Contractor fee will be tested during the scoring of the Application by multiplying the actual construction cost by 14 percent, truncated at 2 decimal places.

(3) Contingency Reserves:

The maximum hard and soft cost contingencies allowed cannot exceed (i) 5 percent of hard and soft costs for Development Categories of New Construction, Redevelopment, or Acquisition/Redevelopment or (ii) 15 percent of hard costs and 5 percent of soft costs for Development Categories of Rehabilitation or Acquisition and Rehabilitation, as further described in Rule Chapter 67-48, F.A.C. The determination of the contingency reserve is limited to the maximum stated percentage of total actual construction costs (hard costs) and general development costs (soft costs), as applicable.

(4) Operating Deficit Reserves:

An operating deficit reserve is not to be included as part of Development Costs and cannot be used in determining the maximum Developer fee. The operating deficit reserve or any other reserves other than contingency reserves as provided above are not permitted in the Application. An operating deficit reserve, if necessary, will be sized in credit underwriting and may be different than the Application limit. Operating deficit reserves include, but are not limited to, operating reserves, debt service reserves, lease-up reserves, rent-restabilization reserves, and any pre-funded capital (replacement) reserves.

Developer fee and General Contractor fee must be disclosed. In the event the Developer fee and/or General Contractor fee are/is not disclosed on the Development Cost Pro Forma, the Corporation will assume that these fees will be the maximum allowable and will add the maximum amount(s) to Total Development Cost. If an Applicant lists a Developer fee or General Contractor fee that exceeds the stated Application limits, the Corporation will adjust the fee to the maximum allowable.

d. Non-Corporation Funding Proposals:

In order for funding, other than deferred Developer fee, to be counted as a source on the Construction/Rehab and/or Permanent Analysis, the Applicant must provide documentation of all financing proposals from both the construction and the permanent lender(s), equity proposals from the syndicator, and other sources of funding. The financing proposals must state whether they are for construction financing, permanent financing, or both, and all attachments and/or exhibits referenced in the proposal must be included. Insert documentation for each source as **Attachment 22** to Exhibit A and continue with sequentially numbered attachments for each additional funding source. Evidence for each funding source must be behind its own sequentially numbered attachment.

For purposes of the Application, neither net operating income for a Rehabilitation Development nor capital contributions will be considered a source of financing.

(1) Financing Proposal

Financing proposal documentation, regardless of whether the documentation is in the form of a commitment, proposal, term sheet, or letter of intent, must meet the following criteria. Evidence for each funding source must be behind its own numbered attachment.

(a) Each financing proposal shall contain:

- (i) Amount of the construction loan, if applicable;
- (ii) Amount of the permanent loan, if applicable;
- (iii) Specific reference to the Applicant as the borrower or direct recipient;
- (iv) Signature of all parties, including acceptance by the Applicant.

Note: Eligible Local Government financial commitments can be considered without meeting the requirements of (i) through (iv) above if the Applicant provides the properly completed and executed Local Government Verification of Contribution – Grant Form and/or the Local Government Verification of Contribution – Loan Form, as outlined in Section Four A.11.b. and Exhibit B of the RFA.

(b) Financing that has closed:

- (i) If the financing has closed in the Applicant's name, provide a letter from the lender acknowledging that the loan has closed. The letter must also include the following information:
 - Amount of the construction loan, if applicable;
 - Amount of the permanent loan, if applicable; and
 - Specific reference to the Applicant as the borrower/direct recipient/mortgagee.
- (ii) Except for HUD and RD funding, if the financing involves an assumption of debt not currently in the Applicant's name, as evidence that the lender approves of the proposal of assumption, the Applicant must provide a letter from the lender, dated within six (6) months of the Application Deadline, that includes the following information:
 - Specifically references the Applicant as the assuming party;
 - If a permanent loan, states the amount to be assumed; and
 - If a construction loan, states the maximum amount of funding capacity.

If the debt being assumed is provided by HUD, the Applicant must provide a letter from HUD, dated within six (6) months of the Application Deadline, confirming the funding source. The letter must include the following information:

- Name of existing development;
- Name of proposed Development;
- Loan balance;
- Acknowledgment that property is applying for Housing Credits; and
- Applicable HUD program.

If the debt being assumed is provided by RD, the Applicant is only required to provide the information described in Item 12.b.(3) above.

- (c) If the financing proposal is not from a Regulated Mortgage Lender in the business of making loans or a governmental entity, evidence of ability to fund must be provided. Evidence of ability to fund includes: (1) a copy of the lender's most current audited financial statements no more than 17 months old; or (2) if the loan has already been funded, a copy of the note and recorded mortgage. The age of all financial statements is as of the Application Deadline. In evaluating ability to fund, the Corporation will consider the entity's unrestricted current assets typically used in the normal course of business. Assets considered restricted include, but are not limited to, pension funds, rental security deposits, and sinking funds. Financing proposals from lenders who cannot demonstrate ability to fund will not count as a source of financing. Financial statements must be included in the Application. Note: This provision does not apply to deferred Developer fee.
- (d) If a financing proposal shows an amount less than the corresponding line item on the pro forma, only the financing proposal amount will be considered as a funding source. However, if a financing proposal shows an amount in excess of the corresponding line item on the pro forma, up to the total amount of the financing proposal amount may be utilized as a funding source, if needed.
- (e) The loan amount may be conditioned upon an appraisal or debt service coverage ratio or any other typical due diligence required during credit underwriting.
- (f) Financing proposals may be conditioned upon the Applicant receiving the funding from the Corporation for which it is applying.
- (g) If a financing proposal has a provision for holding back funds until certain conditions are met, the amount of the hold-back will not be counted as a source of construction financing unless it can be determined that the conditions for the release of the hold-back can be met prior to or simultaneous with the closing of the Development's permanent financing.
- (h) Grant funds are contributions to the Development, other than equity, which carry no repayment provision or interest rate. A commitment for grant funds will be considered a commitment for scoring purposes if the commitment is properly executed and, if applicable, evidence of ability to fund is provided.

(2) Equity Proposal

For the purpose of this RFA, to be counted as a source an equity proposal, regardless of whether the documentation is in the form of a commitment, proposal, term sheet or letter of intent, must: (i) if syndicating/selling the Housing Credits, meet the requirements outlined in (a) below and include the information outlined in (b) below, or (ii) if not syndicating/selling the Housing Credits, meet the requirements outlined in (a) below and include the information outlined in (c) below:

- (a) If the Eligible Housing Credit Request Amount is less than the anticipated amount of credit allocation stated in the equity proposal, the equity proposal will not be considered a source of financing. However, if the Eligible Housing Credit Request

Amount is greater than the anticipated amount of credit allocation stated in the equity proposal, the equity proposal will be considered a source of financing; and

(b) If syndicating/selling the Housing Credits:

(i) A Housing Credit equity proposal must also meet the following criteria:

- Be executed by all parties, including the Applicant;
- Include specific reference to the Applicant as the beneficiary of the equity proceeds;
- State the proposed amount of equity to be paid prior to construction completion;
- State the anticipated Eligible Housing Credit Request Amount;
- State the anticipated dollar amount of Housing Credit allocation to be purchased; and
- State the anticipated total amount of equity to be provided.

(ii) If the limited partnership agreement or limited liability company operating agreement has closed, the closed agreement must be provided. To be counted as a source of financing, the partnership agreement or operating agreement must meet the requirements of Item 12.d.(2)(b)(i) above or the Applicant must submit separate documentation, signed by the equity provider, expressly stating any required criteria not provided in the agreement.

Note: Item 2.b.(2) of the Applicant Certification and Acknowledgement form outlines the requirement and deadline for the Applicant's confirmation that the documented equity amount to be paid prior to or simultaneous with the closing of construction financing is at least 15 percent of the total proposed equity to be provided (the 15 percent criteria).

(c) If not syndicating/selling the Housing Credits, the owner's commitment to provide equity must be provided.

(i) The commitment must include the following:

- The proposed amount of equity to be paid prior to construction completion;
- The anticipated Eligible Housing Credit Request Amount;
- The anticipated dollar amount of Housing Credit allocation to be purchased; and
- The anticipated total amount of equity to be provided.

(ii) Evidence of ability to fund must be provided as an Attachment to the Application.

e. Per Unit Construction Funding Preference:

(1) The following Applications will qualify for this funding preference, as outlined in Section Four B of the RFA:

(a) Applications with a Development Category of New Construction, Redevelopment, or Acquisition and Redevelopment (at question 5.c.(1) of Exhibit A), and

- (b) Applications with a Development Category of Rehabilitation or Acquisition and Rehabilitation (at question 5.c.(1) of Exhibit A) that reflect an amount of at least \$32,500 per unit when the amount listed in the Total column of the Development Cost Pro Forma for the Development Cost line item A1.1 Actual Construction Cost is divided by the number of total units in the Development.

(2) The following Applications will not qualify for this funding preference:

Applications with a Development Category of Rehabilitation or Acquisition and Rehabilitation (at question 5.c.(1) of Exhibit A) that reflect an amount less than \$32,500 per unit, when the amount listed in the Total column of the Development Cost Pro Forma for the Development Cost line item A1.1 Actual Construction Cost is divided by the number of total units in the Development.

Except for deferred Developer fee, the Application requires complete information on all sources of Development funding and the proposed uses of those funds. All loans, grants, donations, syndication proceeds, etc., should be detailed in the Application as outlined above. The total amount of monetary funds determined to be in funding proposals must equal or exceed uses.

Addenda:

The Applicant may use the Addenda section of Exhibit A to provide any additional information or explanatory addendum for items in the Application except for the Homeless Demographic Commitment items described at questions 2.c., 10.a., 10.b., 10.c.(1), 10.c.(2), and 10.d. of Exhibit A. Please specify the particular Item to which the additional information or explanatory addendum applies.

B. Funding Selection:

1. Eligibility:

Only Applications that are eligible for funding will be considered for funding selection. Eligibility requirements include the following:

Eligibility Requirements	Described in RFA at:
Submission Requirements	Section Three A and Section Five
Financial Arrearage Requirements	Section Five
Minimum Total Proximity Score	Section Four A.6.b.(2)
Minimum Transit Score	Section Four A.6.b.(2)
Mandatory Distance Requirement	Section Four A.6.d.
Total Development Cost Per Unit Limitation	Item 6 of Exhibit C
Minimum Total Points of 58 points (if Homeless Demographic)	Section Five
All Mandatory Items	Section Five

2. Application Sorting Order:

The highest scoring Applications will be determined by first sorting all eligible Applications from highest score to lowest score, with any scores that are tied separated as follows:

- a. First by the Application’s eligibility for the “SAIL RFA 2014-111 Unfunded Preference”, which is outlined in Section One of the RFA (with Applications that qualify for the preference listed above Applications that do not qualify for the preference).
 - b. Next, by the Application’s eligibility for the Development Category Funding Preference which is outlined in Section Four A.5.c.(1)(a)(iii) of the RFA (with Applications that qualify for the preference listed above Applications that do not qualify for the preference);
 - c. Next by the Application’s eligibility for the Per Unit Construction Funding Preference which is outlined in Section Four A.12.e. of the RFA, (with Applications that qualify for the preference listed above Applications that do not qualify for the preference);
 - d. Next by the Application’s Leveraging Classification (applying the multipliers outlined in Exhibit C below and having the Classification of A be the top priority;
 - e. Next by the Application’s eligibility for the Florida Job Creation Preference which is outlined in Exhibit C below (with Applications that qualify for the preference listed above Applications that do not qualify for the preference): and
 - f. Finally by lottery number, resulting in the lowest lottery number receiving preference.
3. Demographic Set-Asides:

For purposes of this RFA, funding for the Application that is selected for the Homeless Demographic Goal will be deducted from the Homeless Demographic Set-Aside described in Section One of the RFA.

Unless stated otherwise below, for purposes of this RFA, funding for any Family and Elderly Demographic Applications that are selected will be deducted from the Family and Elderly Demographic Set-Aside described in Section One of the RFA.

4. Demographic Funding Goals:
- a. Homeless Demographic Goal - The Corporation has a goal to fund one (1) eligible Homeless Demographic Application, inclusive of achieving a minimum total score of 58 points.
 - b. Family/Elderly Demographic Goal – The Corporation has a goal to fund one (1) eligible Family or Elderly Demographic Application that is located in any area of Miami-Dade County other than South Miami-Dade County. For purposes of this goal, South Miami-Dade County shall be defined as all areas of Miami-Dade County located south of SW 224th Street.

5. Selection Process for Homeless Demographic Goal:
- a. The first Application considered for funding will be the highest ranking eligible Application that is eligible for the Homeless Demographic Goal.
 - b. Once the Homeless Demographic Goal is met, or if there is no eligible Application that can meet this goal, any unallocated Housing Credits and/or SAIL funding remaining in the Homeless Demographic Set-Aside will be distributed as approved by the Board.

6. Selection Process for Applications that selected the Family or Elderly Demographic Commitment:

The first Application considered for funding will be the highest ranking eligible Family or Elderly Demographic Application that is eligible for the Family/Elderly Demographic Goal.

Once the Family/Elderly Demographic Goal is met, the next Application selected for funding will be the highest ranking eligible unfunded Family or Elderly Demographic Application and, if this Application cannot be fully funded, it will be entitled to receive a Binding Commitment for the unfunded balance.

If there is no eligible Application that can meet the Family/Elderly Demographic Goal, then the two (2) highest ranking eligible Family or Elderly Demographic Applications will be selected for funding. If the second Application cannot be fully funded, it will be entitled to receive a Binding Commitment for the unfunded balance.

If funding remains after selecting the two (2) highest ranking eligible unfunded Family or Elderly Demographic Applications as outlined above, or if funding remains because there are not two (2) eligible unfunded Family or Elderly Demographic Applications, then no further Applications will be considered for funding and any remaining funding will be distributed as approved by the Board.

7. Returned Allocation:

Funding that becomes available after the Board takes action on the Committee's recommendation(s), due to an Applicant withdrawing its Application, an Applicant declining its invitation to enter credit underwriting or the Applicant's inability to satisfy a requirement outlined in this RFA, and/or Rule Chapter 67-48, F.A.C., will be distributed in the following manner:

- a. If the returned funding was originally awarded to a Homeless Demographic Development in order to meet the Homeless Demographic Goal, the returned Housing Credits and SAIL funding will be distributed as approved by the Board.
- b. If the returned funding was originally awarded to a Family or Elderly Demographic Development in order to meet the Family/Elderly Demographic Goal, the returned funding will be distributed as follows:
 - (1) If another Application was funded that was eligible for the goal, then the goal will still be considered to be met and the returned funds will be awarded to the highest ranking eligible unfunded Family or Elderly Demographic Development, regardless of the location of the proposed Development awarded the funding. If the Application cannot be fully funded, it will be entitled to receive a Binding Commitment for the unfunded balance. If there is no eligible unfunded Family or Elderly Demographic Development that can be fully funded, no further Applications will be considered for funding and the remaining funding will be distributed as approved by the Board.

or

- (2) If no other Application was funded that was eligible for the Family/Elderly Demographic Goal, then the returned funds will be awarded to the highest ranked eligible unfunded Application eligible for the Family/Elderly Demographic Goal. If the Application cannot

be fully funded, it will be entitled to receive a Binding Commitment for the unfunded balance. If there is no eligible unfunded Application that meets this goal, then the funds will be awarded to the highest ranking eligible unfunded Family or Elderly Demographic Development. If the Application cannot be fully funded, it will be entitled to receive a Binding Commitment for the unfunded balance. If there is no eligible unfunded Family or Elderly Demographic Development, then no further Applications will be considered for funding and the remaining funding will be distributed as approved by the Board.

- c. If the returned funding was originally awarded to a Family or Elderly Demographic Development that was not eligible for the Family/Elderly Demographic Goal, the returned funding, less any Binding Commitment amount, if applicable, will be awarded to the highest ranking eligible unfunded Family or Elderly Demographic Development. If the Application cannot be fully funded, it will be entitled to receive a Binding Commitment for the unfunded balance. If there is no eligible unfunded Family or Elderly Demographic Developments that can be fully funded, no further Applications will be considered for funding and the remaining funding will be distributed as approved by the Board.

SECTION FIVE EVALUATION PROCESS

Committee members shall independently evaluate and score their assigned portions of the submitted Applications, consulting with non-committee Corporation staff and legal counsel as necessary and appropriate.

The Corporation will reject any competitive Application submittal and no action will be taken to score the Application if any of the following submission requirements are not met: (i) the Application is not submitted online by the Application Deadline, (ii) the required number of hard copies are not submitted by the Application Deadline, (iii) the Applicant's hard copy submission is not contained in a sealed package, (iv) the required Application fee is not submitted as of the Application Deadline, (v) the Application Withdrawal Cash Deposit or the Letter of Credit, as selected by the Applicant, is not submitted as of Application Deadline, (vi) the Applicant Certification and Acknowledgement form, containing an original signature, is not included in the Application labeled "Original Hard Copy" as of the Application Deadline, or (vii) the proposed Development is not eligible to apply for funding under this RFA because it meets the criteria outlined in subsection 67-48.023(1), F.A.C. and if applicable, subsection 67-48.009(5), F.A.C., and does not meet one of the stated exceptions.

An Application will be deemed ineligible to be considered for funding if, as of close of business the day before the Committee meets to make a recommendation to the Board, there are any financial obligations for which an Applicant or Developer or Principal, Affiliate or Financial Beneficiary of the Applicant or Developer is in arrears to the Corporation or any agent or assignee of the Corporation as reflected on the most recently published Past Due Report posted to the Corporation's Website under the link Property Owners & Managers/Past Due Reports (also accessible by clicking [here](#)), but not more recently than five (5) business days prior to the date the Committee meets to make a recommendation to the Board.

2. The Applicant acknowledges and certifies that the following information will be provided by the due date outlined below, or as otherwise outlined in the invitation to enter credit underwriting. Failure to provide the required information by the stated deadline shall result in the withdrawal of the invitation to enter credit underwriting.
 - a. Within 7 Calendar Days of the date of the invitation to enter credit underwriting:
 - (1) Name and address of the chief elected official of the local jurisdiction where the proposed Development is located;
 - (2) The unit mix for the proposed Development (number of bedrooms per unit, number of baths per unit, and number of units per bedroom type);
 - (3) The number of buildings with dwelling units; and
 - (4) Notification of the Applicant's eligibility for acquisition credits per Section 42 of the IRC, if applicable.

First, if there is a bridge loan proposal within the equity proposal that provides for bridge loan proceeds that equal at least 15 percent of the amount of total proposed equity to be provided to be made available prior to or simultaneous with closing of construction financing, the 15 percent criteria will be met. Second, if there is a separate bridge loan proposal from either the equity provider, any entity that is controlled directly or indirectly by the equity provider, or a subsidiary of the equity provider's parent holding company, and the proposal explicitly proposes an amount to be made available prior to or simultaneous with the closing of construction financing that equals at least 15 percent of the total proposed equity to be paid stated in the equity proposal, the 15 percent criteria is met. Bridge loan proposals that are not within the equity proposal, though, must meet the criteria previously stated for debt financing with the exception that evidence of ability to fund does not have to be provided. The Applicant may include the proposed amount of the bridge loan as equity proceeds on the Construction or Rehabilitation Analysis and on the Permanent Analysis (Note: this 15 percent criteria must be reflected in the limited partnership agreement or limited liability company operating agreement); or

SURVEYOR CERTIFICATION FORM

¹“Scattered Sites,” as applied to a single Development, means a Development site that, when taken as a whole, is comprised of real property that is not contiguous (each such non-contiguous site within a Scattered Site Development, a “Scattered Site”). For purposes of this definition “contiguous” means touching at a point or along a boundary. Real property is contiguous if the only intervening real property interest is an easement provided the easement is not a roadway or street.

²“Development Location Point” means a single point selected by the Applicant on the proposed Development site that is located within 100 feet of a residential building existing or to be constructed as part of the proposed Development. For a Development which consists of Scattered Sites, this means a single point on the site with the most units that is located within 100 feet of a residential building existing or to be constructed as part of the proposed Development.

³The latitude and longitude coordinates for all Proximity Services must represent a point as outlined on the Coordinates Location Chart set out below. The coordinates for each service must be stated in degrees, minutes and seconds, with the degrees and minutes stated as whole numbers and the seconds represented to 2 decimal places. If the degrees and minutes are not stated as whole numbers and the seconds are not represented to 2 decimal places, the Applicant will not be eligible for proximity points for that service.

Coordinates Location Chart	
Service	Location where latitude and longitude coordinates must be obtained
Community Services	Coordinates must represent a point that is on the doorway threshold of an exterior entrance that provides direct public access to the building where the service is located.
Transit Services	<p>For Public Bus Stop, Public Bus Rapid Transit Stop, Public Bus Transfer Stop, TriRail Rail Stations and MetroRail Rail Stations, coordinates must represent the location where passengers may embark and disembark the bus or train.</p> <p>For the following SunRail Rail Stations, coordinates must represent the location where passengers may embark and disembark the train:</p> <p>SunRail Station Name Altamonte Springs Station Church Street Station DeBary Station Florida Hospital Station Lake Mary Station LYNX Central Station Longwood Station Maitland Station Orlando Amtrak/ORMC Station Sand Lake Road Station Sanford/SR46 Station Winter Park/Park Ave Station</p>

If there is no exterior public entrance to the Community Service, then a point should be used that is at the exterior entrance doorway threshold that is the closest walking distance to the doorway threshold of the interior public entrance to the service. For example, for a Pharmacy located within an enclosed shopping mall structure that does not have a direct public exterior entrance, the latitude and longitude coordinates at the doorway threshold of the exterior public entrance to the enclosed shopping mall that provide the shortest walking distance to the doorway threshold of the interior entrance to the Pharmacy would be used.

Applicants may use the same latitude and longitude coordinates for the Grocery Store, Medical Facility and/or Pharmacy if the Grocery Store, Medical Facility and/or Pharmacy is housed at the same location.

In addition, Applicants who select the Elderly Demographic (ALF and Non-ALF) must provide the resident program outlined in b. below, Applicants who select the Elderly ALF Demographic must provide the resident programs outlined in c. below, and Applicants who select the Homeless Demographic must provide the resident programs outlined in d. below.

- b. Applicants who select the Elderly Demographic (ALF or Non-ALF) at question 2.b. of Exhibit A must commit to provide the following resident program:

Staff On-Site 24 Hours Per Day -

Applicant must provide staff on the Development's premises at all times who will be available and accessible to the residents 24 hours per day, seven days per week, at no cost to the resident. The on-site staff shall be available at all times to receive calls from residents and help determine the approach to address the issue. The Development's owner or designated manager shall develop and implement policies and procedures for staff receiving a resident call and how staff shall assess and manage the call based on a resident's request and/or need. These policies and procedures shall describe the process for ensuring that staffing is adequate to address the 24-hour on-site requirement, including the following:

- staff vacation;
- other staff absences;
- staff temporarily unavailable on site for a short length of time;
- how staff shall manage a resident call when staff is temporarily off-site;
- maximum response time of the staff to a resident call, including response time when staff must be temporarily off-site.

Residents shall be informed of the Resident Program at move-in and via a written notice(s) clearly displayed in the Development's common or public spaces. If the Development consists of Scattered Sites, staff must, at a minimum, be on the Scattered Site with the most units 24 hours a day, 7 days a week. Although the Scattered Sites Development staff may be located only on the Scattered Site with the most units, they must be available to and provide the same resident program services to all the Development's residents.

- c. Applicants who select the Elderly ALF Demographic Commitment at question 2.b. of Exhibit A must provide the following resident programs:
- (1) Medication Administration – The Applicant or its Management Company shall provide, pursuant to ALF licensure requirements, staff to administer medications in accordance with a health care provider's order or prescription label.
 - (2) Services for Persons with Alzheimer's Disease and Other Related Disorders – The Applicant or its Management Company shall advertise and provide supervision and services to persons with Alzheimer's disease and other related disorders that are specific to each affected resident and pursuant to ALF licensure requirements.
- d. Applicants who select the Homeless Demographic at question 2.c. of Exhibit A must provide the following resident programs:

- (1) Case Management – All Applicants selecting and qualifying for the Homeless Demographic Commitment in this Application will be required to provide a Case Management Program whereby the Applicant or its Management Company must provide, at no cost to the resident, a Case Manager (at least one for every 25 Homeless or formerly Homeless resident families) whose activities are aimed at assessing resident needs, planning services, linking the service system to a resident, coordinating the various system components, monitoring service delivery, and evaluating the effect of service delivery. Case Managers must possess at least a bachelor’s degree in human services or a related field and at least one (1) years’ experience performing case management duties or must possess at least an associate's degree in human services or a related field and at least three (3) years’ experience performing case management duties.

- (2) Daily Activities – Applicant or its Management Company must provide on-site supervised, structured activities, at no cost to the resident at least 5 days per week which must be offered between the hours of 9:00 a.m. and 9:00 p.m. If the Development consists of Scattered Sites, this resident program must be provided on the Scattered Site with the most units.

6. Total Development Cost Per Unit Limitation:

The Corporation shall limit the Total Development Cost (TDC) per unit for all Developments categorized by the construction type of the units as indicated by the Applicant in the RFA. The maximum amounts are provided on the TDC Per Unit Limitation chart set out below (the maximum TDC per unit exclusive of land costs and exclusive of any operating deficit reserves that are part of the permanent phase (i.e., non-construction) financing for the Development which have not been included within the Developer fee, applying any applicable TDC multiplier and/or TDC add-on) and will be tested during the scoring of the RFA, during the credit underwriting process, and during the final allocation process, as outlined below.

Proposed Developments with the Homeless Demographic Commitment will have an applicable TDC multiplier of 90%.

These TDC Per Unit Base Limitation amounts are effective from the Application Deadline through Final Cost Certification. For any Development with the Homeless Demographic Commitment, any reduction in TDC as a result of this process, will be a reduction of the 16 percent portion of the total Developer fee and will not affect the five (5) percent operating deficit reserve portion of the total Developer fee.

** Exclusive of land costs and exclusive of any operating deficit reserves that are part of the permanent phase (i.e., non-construction) financing for the Development which have not been included within the Developer fee. When the term of operating deficit reserves (ODR) are mentioned in this TDC Per Unit Limitation section, the term shall refer to these particular operating deficit reserves.

- a. Any Application that has an amount that exceeds these limitations will not be eligible to be considered for funding.
- b. Any Applicant that has the Credit Underwriter present a credit underwriting report with an amount that exceeds these limitations by more than 5 percent, taking into consideration an escalation factor for construction costs rising after the Application Deadline of either (i) 1.8 percent for any Applicant with the Development Category of New Construction, Redevelopment, or Acquisition and Redevelopment, or (ii) 1.4 percent for any Applicant with the Development Category of Rehabilitation or Acquisition and Rehabilitation, and incorporating any applicable TDC reduction and adjustments processes provided below will receive a negative recommendation by the Credit Underwriter.

Any Applicant that has the Credit Underwriter present a credit underwriting report with an amount that exceeds these limitations, taking into consideration the applicable escalation factor outlined above, will require staff to review the credit underwriting report for compliance to the TDC reduction and adjustment procedure provided below:

- (1) The Developer fee will be limited to the maximum allowable within the TDC Per Unit Base Limitation, inclusive of any applicable escalation factor, in all instances. A Developer fee can be earned on qualifying TDC exclusive of land and operating deficit reserves up to the TDC Per Unit Base Limitation, inclusive of any applicable escalation factor, but it cannot be earned on costs in excess of said limitation. If the Development costs exceed the amount allowed by the TDC Per Unit Base Limitation, inclusive of any applicable escalation factor, then the maximum allowable Developer fee will be adjusted as outlined below. The maximum allowable Developer fee can be determined by multiplying the applicable TDC Per Unit Base Limitation with respect to the Development as provided in this RFA, inclusive of any applicable escalation factor, by the number of total units in the Development. Second, divide this product by 1.16* and then multiply the result by 16 percent*. This will yield the maximum allowable Developer fee within the TDC Per Unit Base Limitation, inclusive of any applicable escalation factor.

Prior to determining any necessary adjustment, if the Developer fee initially stated by the Applicant or Credit Underwriter is in excess of the maximum allowable Developer fee as provided in (1) above, the stated Developer fee will be reduced to said maximum allowable Developer fee and the TDC will be equally reduced to incorporate the cost reduction.

- (2) Subsequent to reducing the stated Developer fee to the maximum allowable amount provided above, additional adjustments may be necessary if the TDC Per Unit Base Limitation remains exceeded. An adjustment to the maximum allowable Developer fee shall be determined by reducing the maximum allowable Developer fee as determined in (1) above dollar-for-dollar for any costs in excess of the amount allowed by the TDC Per Unit Base Limitation, inclusive of any applicable escalation factor, up to the lesser of (a) the actual amount of costs in excess of the amount allowed by the TDC Per Unit Base Limitation, inclusive of any applicable escalation factor, (b) \$500,000, or (c) 25 percent of the maximum allowable Developer fee. If the stated Developer fee, inclusive of any necessary adjustments incorporated above,

exceeds the maximum allowable Developer fee as adjusted herein, the stated Developer fee, inclusive of any necessary adjustments incorporated above shall be further adjusted to not exceed the new maximum allowable Developer fee and the TDC will be equally reduced to incorporate the cost reduction. If after following this Developer fee limitation process, the TDC exclusive of land costs and operating deficit reserves is reduced to be within the amount allowed by the TDC Per Unit Base Limitation, inclusive of any applicable escalation factor, then the Developer fee adjustment calculation is complete. If the TDC exclusive of land costs and operating deficit reserves remains above the amount allowed by the TDC Per Unit Base Limitation, inclusive of any applicable escalation factor, then there is an additional Developer fee adjustment, as outlined in (3) below.

- (3) An additional Developer fee adjustment will be initiated to further reduce the allowable Developer fee in the event the TDC exclusive of land costs and operating deficit reserves (as adjusted above) exceeds the TDC Per Unit Base Limitation. The reduction will be determined by deriving a percentage amount that the TDC exclusive of land costs and operating deficit reserves (as adjusted above) exceeds the TDC Per Unit Base Limitation, inclusive of any applicable escalation factor, and multiplying this excess percentage by the amount of the adjusted Developer fee, resulting in a product that is the additional adjustment to the Developer fee. For instance, if the Development's adjusted TDC exclusive of land costs and operating deficit reserves exceeds the limitation, inclusive of any applicable escalation factor, by 4 percent, then the allowable Developer fee is further reduced by 4 percent. Once this step is complete, there is no further Developer fee adjustment or corresponding cost savings to be incorporated into the TDC as a result of having a TDC exclusive of land costs and operating deficit reserves that exceeds the limitation.

As a note, if the Developer fee in the credit underwriting report is already at or below this allowable Developer fee, then there is no additional adjustment to be incorporated into the Developer fee. This also means there are no corresponding costs savings to reduce the TDC since all TDC cost reductions stemming from this process are coming from reducing the Developer fee. If the Developer fee in the credit underwriting report needs to be reduced to incorporate any adjustment as provided above, then as the Developer fee is reduced, so is the TDC in order to incorporate the reduced Developer fee cost.

For example:

An 85-unit Homeless Demographic development with a Development Category of New Construction and a Development Type of Garden Concrete reports a TDC of \$21,000,000, inclusive of a stated Developer fee of \$3,600,000, but exclusive of land costs and operating deficit reserves at time of credit underwriting, and also prior to any adjustment:

Calculate TDC Limitation for the Development and Maximum Allowable Developer fee

- 1.(a) TDC Per Unit Base Limitation, inclusive of any applicable escalation factor (1.8%) and the applicable TDC Multiplier (90%): $\$208,700 \text{ Per Unit} \times (1 + 1.8\%) / 90\% = \$236,063 \text{ Per Unit}$.
- 1.(b) Determine TDC Limitation for the Development: $\$236,063 \text{ Per Unit} \times 85 \text{ units} = \$20,065,345$.
- 1.(c) Implied maximum Development Cost per the limitation: $\$20,065,345 \div 1.21 = \$16,582,930$.

- 1.(d) Determine maximum allowable Developer fee within the limitation (prior to any developer fee adjustment): $\$16,582,930 \times 21\% = \$3,482,415$.

First Developer fee/TDC adjustment Calculation Methodology (If necessary)

- 2.(a)(i) Is the stated Developer fee greater than the maximum allowable? $\$3,600,000 > \$3,482,415$.
- 2.(a)(ii) If the response to 2.(a)(i) is yes, then determine the excess: $\$3,600,000 - \$3,482,415 = \$117,585$ (excess Developer fee and excess TDC).
- 2.(b) Reduce the stated Developer fee to the lesser of maximum allowable or stated fee and reduce the stated TDC by an equal amount: $\$3,600,000 - \$117,585 = \$3,482,415$; $\$21,000,000 - \$117,585 = \$20,882,415$.
- 2.(c) If the response to 2.(a)(i) is no or once the adjustment of 2.(b) has been completed, then determine if the TDC remains in excess of the limitation and if so, the amount of the excess: $\$20,882,415 - \$20,065,345 = \$817,070$.
- 2.(d) Determine the lesser of either (i) \$500,000, (ii) 25 percent of the maximum allowable Developer fee, or (iii) 100% of the excess TDC: $25\% \times \$3,482,415 = \$870,604$; $\$500,000 < \$817,070 < \$870,604$.
- 2.(e) Apply the least amount of the three (3) options in 2(d) above to determine the maximum allowable Developer fee, subject to this adjustment: $\$3,482,415 - \$500,000 = \$2,982,415$.
- 2.(f) TDC reduction due to Developer fee adjustment: $\$20,882,415 - \$500,000 = \$20,382,415$.

(As a note, this TDC is still greater than the TDC Per Unit Base Limitation, inclusive of the applicable upward adjustment so an additional adjustment to the maximum allowable Developer fee will need to be calculated.)

Second Developer fee/TDC adjustment Calculation Methodology (If necessary)

- 3.(a) The percentage the TDC without land costs and operating deficit reserves (as adjusted above for first adjustment) that exceeds the amount allowed by the TDC Per Unit Base Limitation, inclusive of any applicable escalation factor: $\$20,382,415 - \$20,065,345 = \$317,070$; $\$317,070 \div \$20,065,345 = 1.58\%$.
- 3.(b) Additional adjustment: $1.58\% \times \$2,982,415 = \$47,128$.
- 3.(c) Final maximum Developer fee, after adjustments, at time of credit underwriting: $\$2,982,415 - \$47,128 = \$2,935,287$.
- 3.(d) Final adjusted TDC at time of credit underwriting: $\$20,382,415 - \$47,128 = \$20,335,287$.
- 3.(e) Verify status of the 5% variance test: $(\$20,335,287 - \$20,065,345) / \$20,065,345 = 1.3\%$, which falls under the criteria of being less than or equal to 5% above of the TDC Per Unit Base Limitation, inclusive of any applicable escalation factor.
- c. Any Applicant that presents a Final Cost Certification Application Package (FCCAP) that has amounts that exceed the TDC Per Unit Base Limitation, subject to an escalation factor of either (i) 1.8 percent for any Applicant with the Development Category of New Construction, Redevelopment, or Acquisition and Redevelopment, or (ii) 1.4 percent for any Applicant with the Development Category of Rehabilitation or Acquisition and Rehabilitation, will require staff to review the FCCAP for compliance to the procedure provided below. If the Development has already had its Developer fee adjusted at credit underwriting as provided in 8.b. above and the

TDC without land in the FCCAP exceeds the TDC without land costs and operating deficit reserves provided in the credit underwriting report, then the Developer fee will have an additional adjustment to be incorporated as provided in (4) below.

- (1) The Developer fee will be limited to the maximum allowable within the TDC Per Unit Base Limitation, inclusive of any applicable escalation factor, in all instances. A Developer fee can be earned on qualifying TDC exclusive of land costs and operating deficit reserves up to the TDC Per Unit Base Limitation, inclusive of any applicable escalation factor, but it cannot be earned on costs in excess of said limitation. If the Development costs exceed the amount allowed by the TDC Per Unit Base Limitation, inclusive of any applicable escalation factor, then the maximum allowable Developer fee will be adjusted as outlined below. The maximum allowable Developer fee can be determined by multiplying the applicable TDC Per Unit Base Limitation with respect to the Development as provided in this RFA, inclusive of any applicable escalation factor, by the number of total units in the Development. Second, divide this product by 1.16* and then multiply the result by 16 percent*. This will yield the maximum allowable Developer fee within the TDC Per Unit Base Limitation, inclusive of any applicable escalation factor.

Prior to determining any necessary adjustment, if the Developer fee initially stated by the FCCAP is in excess of the maximum allowable Developer fee as provided in (1) above, the Developer fee will be reduced to said maximum allowable Developer fee and the TDC will be equally reduced to incorporate the cost reduction.

- (2) Subsequent to reducing the Developer fee to the maximum allowable amount, additional adjustments may be necessary if the TDC Per Unit Base Limitation remains exceeded. An adjustment shall be determined by reducing the maximum allowable Developer fee as determined in (1) above dollar-for-dollar for any costs in excess of the amount allowed by the TDC Per Unit Base Limitation, inclusive of any applicable escalation factor, up to the lesser of (a) the actual amount of costs in excess of the amount allowed by the TDC Per Unit Base Limitation, inclusive of any applicable escalation factor, (b) \$250,000, or (c) 10 percent of the maximum allowable Developer fee. If the stated Developer fee, inclusive of any necessary adjustments incorporated above, exceeds the maximum allowable Developer fee as adjusted herein, the stated Developer fee, inclusive of any necessary adjustments incorporated above shall be further adjusted to not exceed the new maximum allowable Developer fee and the TDC will be equally reduced to incorporate the cost reduction. If after following this Developer fee limitation process, the TDC exclusive of land costs and operating deficit reserves is reduced to be within the amount allowed by the TDC Per Unit Base Limitation, inclusive of any applicable escalation factor, then the Developer fee adjustment calculation is complete. If the TDC exclusive of land costs and operating deficit reserves remains above the amount allowed by the TDC Per Unit Base Limitation, inclusive of any applicable escalation factor, then there is an additional Developer fee adjustment, as outlined in (3) below.
- (3) An additional Developer fee adjustment will be initiated to further reduce the allowable Developer fee in the event the TDC exclusive of land costs and operating deficit reserves (as adjusted above) exceeds the TDC Per Unit Base Limitation. The reduction will be determined by deriving a percentage amount that the TDC exclusive of land costs and operating deficit reserves (as adjusted above) exceeds the amount allowed by the TDC Per Unit Base Limitation, inclusive of any applicable escalation factor and multiplying this excess percentage by the amount of the adjusted Developer fee, resulting in a product that is the additional adjustment to the Developer fee. For instance, if the Development's adjusted

TDC exclusive of land costs and operating deficit reserves exceeds the limitation, inclusive of any applicable escalation factor, by 4 percent, then the allowable Developer fee is further reduced by 4 percent. Once this step is complete, there is no further Developer fee adjustment or corresponding cost savings to be incorporated into the TDC as a result of having a TDC exclusive of land costs and operating deficit reserves that exceeds the limitation.

As a note, if the Developer fee in the FCCAP is already at or below this allowable Developer fee, then there is no additional adjustment to be incorporated into the Developer fee. This also means there are no corresponding costs savings to reduce the TDC since all TDC cost reductions stemming from this process are coming from reducing the Developer fee. If the Developer fee in the FCCAP needs to be reduced to incorporate any penalties provided above, then as the Developer fee is reduced, so is the TDC in order to incorporate the reduced Developer fee cost.

- (4) For those Developments that have already had its Developer fee adjusted at credit underwriting as provided in 8.b. above and whose TDC without land costs and operating deficit reserves in the FCCAP exceeds the TDC without land costs and operating deficit reserves provided in the credit underwriting report, the allowable Developer fee will incorporate an additional adjustment. This additional Developer fee adjustment will be the lesser of (a) the difference between the amount of TDC exclusive of land costs and operating deficit reserves as reported in the FCCAP that is in excess of the TDC exclusive of land costs and operating deficit reserves provided in the credit underwriting report, (b) \$250,000, or (c) 10 percent of the allowable Developer fee reported in the credit underwriting report. If the Developer fee in the FCCAP is already equal to or less than the allowable Developer fee as determined with the incorporation of this additional Developer fee adjustment, then neither the Developer fee nor the TDC is further reduced.

For example:

Assuming the Development in the example provided in 8.b. above provides a FCCAP with a TDC exclusive of land costs and operating deficit reserves of \$275,000 higher than the TDC exclusive of land costs and operating deficit reserves provided in the credit underwriting report, but the Developer fee is the same as provided in the credit underwriting report of \$2,935,287. The additional Developer fee adjustment will be the lesser of (a) \$275,000 (the new excess costs), (b) \$250,000 (the maximum dollar limit of this additional Developer fee adjustment), or (c) \$293,529 (10% of the allowable Developer fee reported in the credit underwriting report).

Since (b) is the lowest of the three options, the allowable Developer fee and the TDC will both be lowered by \$250,000. The allowable Developer fee will be \$2,685,287 (the allowable Developer fee reported in the credit underwriting report of \$2,935,287, less the adjustment of \$250,000). The TDC exclusive of land costs and operating deficit reserves in the FCCAP would be adjusted to \$20,360,287 (\$20,335,287 from the credit underwriting report plus \$275,000 of new additional costs less \$250,000 for the reduction in allowable Developer fee).

* These figures represent the applicable Developer fee percentage for the Development (16%) and one plus the applicable Developer fee percentage for the Development (1+16%) for Applications with the Demographic Commitment of Family and Elderly. For Applications with the Homeless Demographic Commitment, the Developer fee percentage of 21% should be used.

7. Leveraging Classification:

Each eligible Application's Leveraging Classification will be determined as follows:

a. Calculating the Set-Aside Units:

The total number of set-aside units for each Application will be computed by multiplying the total number of units within the proposed Development by the highest Total Set-Aside Percentage the Applicant committed to as stated in the last row of the set-aside breakdown chart in the Set-Aside Commitment section of the Application. Results that are not a whole number will be rounded up to the next whole number.

b. The Corporation will first calculate the Total Corporation Funding Per Set-Aside Unit by multiplying (1) by (2) below:

(1) Because the proposed Development is located in a HUD designated HCA, the Eligible Housing Credit Request Amount will be multiplied by 9.0 and that product will be divided by 1.3.

(2) The total Corporation funding amount may be further adjusted as outlined below. NOTE: If a proposed Development meets all of the requirements of both (a) and (c), the total Corporation funding amount will be multiplied by 0.65. If a proposed Development meets all of the requirements of both (b) and (c), the total Corporation funding amount will be multiplied by 0.785.

(a) If the proposed Development meets all of the following requirements, the total Corporation funding amount will be multiplied by 0.65:

- Applicant selected the High-Rise Development Type, and
- Applicant selected the Development Category of New Construction or selected and qualified for the Development Category of Redevelopment or Acquisition and Redevelopment.

or

(b) If the proposed Development meets all of the following requirements, the total Corporation funding amount will be multiplied by 0.785:

- Applicant selected the Mid-Rise with Elevator (a building comprised of 5 or 6 stories) Development Type and at least 90 percent of the total units are in these Mid-Rise building(s), and
- Applicant selected the Development Category of New Construction or selected and qualified for the Development Category of Redevelopment or Acquisition and Redevelopment.

or

(c) If the proposed Development meets all of the following requirements, the total Corporation funding amount will be multiplied by 0.865:

- Applicant selected the Development Category of New Construction or selected and qualified for the Development Category of Redevelopment or Acquisition and Redevelopment, and

- The proposed Development met the requirements to be considered concrete construction.
- (3) The eligible Applications will be divided into two (2) lists: the “New Construction List” consisting of the eligible Applications with the Development Category of New Construction, Redevelopment, and Acquisition and Redevelopment, and the “Rehabilitation List” consisting of the eligible Applications with the Development Category of Rehabilitation and Acquisition and Rehabilitation.
- (a) The New Construction List will be compiled as follows:

The total number of Applications on the New Construction List will be multiplied by 90 percent and the resulting figure will be rounded up to the next whole number (the resulting figure after rounding will be referred to as the “New Construction A/B Cut-Off”). A line will be drawn below the Application whose place on the list is equal to the New Construction A/B Cut-Off. If any Application(s) below the line has the same total Corporation funding request per set-aside unit as the Application immediately above the line, the line will be moved to a place immediately below that Application(s). Applications above the New Construction A/B Cut-Off will be classified as Group A and Applications below the New Construction A/B Cut-Off will be classified as Group B.

- (b) The Rehabilitation List will be compiled as follows:

The total number of Applications on the Rehabilitation List will be multiplied by 90 percent and the resulting figure will be rounded up to the next whole number (the resulting figure after rounding will be referred to as the “Rehabilitation A/B Cut-Off”). A line will be drawn below the Application whose place on the list is equal to the Rehabilitation A/B Cut-Off. If any Application(s) below the line has the same total Corporation funding request per set-aside unit as the Application immediately above the line, the line will be moved to a place immediately below that Application(s). Applications above the Rehabilitation A/B Cut-Off will be classified as Group A and Applications below the Rehabilitation A/B Cut-Off will be classified as Group B.

The New Construction List and the Rehabilitation List will then be merged to form one list.

8. Florida Job Creation Preference:

Each Application will be measured to determine whether it qualifies for the Florida Job Creation Preference. To determine eligibility for the preference, the Corporation will calculate the Application’s Florida Job Creation score, which will reflect the number of Florida jobs per \$1 million of implied eligible housing credit equity and loan funding, if applicable. For Applicants selecting a Demographic commitment of Family or one of the Elderly options, Applications must earn a Florida Job Creation score equal to or greater than 11 to qualify for the Florida Job Creation Preference in Section Four B of the RFA. For Applicants selecting a Demographic commitment of Homeless, Applications must earn a Florida Job Creation score equal to or greater than 9 to qualify for the Florida Job Creation Preference in Section Four B of the RFA.

Determination of the Florida Job Creation score will be based on the following information:

- The number of new construction and/or rehabilitation units committed to by the Applicant (as stated by the Applicant at question 5.e. of Exhibit A of the RFA);

- The applicable Florida job creation rate for the type of units:
 - Rate of 3.376 Florida Jobs per Unit for proposed new construction units;
 - Rate of 1.534 Florida Jobs per Unit for proposed rehabilitation units; and
- The Eligible Housing Credit Request Amount; and
- The Eligible SAIL Loan Request Amount.

The score for the Florida Rate of Job Creation per \$1 million of implied eligible housing credit equity and, if applicable, total SAIL Loan funding will be measured using one of the following calculations:

a. Developments consisting of only new construction units:

Number of new construction units x 3.376 Florida Jobs per Unit x 1,000,000 / (the sum of the Eligible Housing Credit Request Amount x 9.0 plus the Eligible SAIL Loan Request Amount, if applicable) = Florida Jobs per \$1 million of Housing Credit Allocation.

For example:

Application A consists of 80 new construction units with a Demographic Commitment of Homeless, has an Eligible Housing Credit Request Amount of \$2,500,000 and an Eligible SAIL Loan Request Amount of \$4,000,000.

$$80 \times 3.376 \times 1,000,000 / (2,500,000 \times 9.0 + 4,000,000) = \text{Florida Job Creation score of } 10.19.$$

b. Developments consisting of only rehabilitation units:

Number of rehabilitation units x 1.534 Florida Jobs per Unit x 1,000,000 / (the sum of the Eligible Housing Credit Request Amount x 9.0 plus the Eligible SAIL Loan Request Amount, if applicable) = Florida Jobs per \$1 million of Housing Credit Allocation.

For example:

Application B consists of 115 rehabilitation units with a Demographic Commitment of Elderly non-ALF and has an Eligible Housing Credit Request Amount of \$1,700,000.

$$115 \times 1.534 \times 1,000,000 / (1,700,000 \times 9.0 + 0) = \text{Florida Job Creation score of } 11.53.$$

c. Developments consisting of both new construction units and rehabilitation units:

(Number of new construction units x 3.376 Florida Jobs per Unit + number of rehabilitation units x 1.534 Florida Jobs per Unit) x 1,000,000 / (the sum of the Eligible Housing Credit Request Amount x 9.0 plus the Eligible SAIL Loan Request Amount, if applicable) = Florida Jobs per \$1 million of Housing Credit Allocation.

For example:

Application C consists of 62 new construction units and 48 rehabilitation units with a Demographic Commitment of Family and has an Eligible Housing Credit Request Amount of \$2,561,000.

$$[(62 \times 3.376) + (48 \times 1.534)] \times 1,000,000 / (2,561,000 \times 9.0 + 0) = \text{Florida Job Creation score of } 12.28.$$

In above examples, Application A (the Homeless Applicant with a funding request that includes a SAIL Loan) will qualify for the Job Creation Preference because it has a Florida Job Creation score that is at least 9. Applications B and C (the non-Homeless Applicants with funding requests consisting of only Competitive Housing Credits) will both qualify for the Florida Job Creation Preference because each has a Florida Job Creation score that is at least 11.

9. Fees:

The Corporation and, if applicable, the Credit Underwriter shall collect via check or money order from the Applicant the following fees and charges in conjunction with the HC Program. Failure to pay any fee shall cause the allocation to be withdrawn as outlined in the Carryover Allocation Agreement and the credit underwriting and program requirements outlined in Rule Chapter 67-48, F.A.C.

a. Application Fee:

All Applicants requesting HC shall submit to the Corporation as a part of the Application submission a non-refundable Application fee of \$3,000.00.

(2) Re-underwriting fee: \$167 per hour, not to exceed \$7,417.

If a Housing Credit Development involves Scattered Sites of units within a single market area, a single credit underwriting fee shall be charged. With respect to the HC Program, each for-profit Applicant shall submit to the Corporation a non-refundable administrative fee in the amount of 9 percent of the annual Housing Credit Allocation amount stated in the Preliminary Allocation. The administrative fee shall be 5.5 percent of the stated annual Housing Credit Allocation for Non-Profit Applicants. The administrative fee must be received by the Corporation as stated in the Preliminary Allocation. In the event the Final Housing Credit Allocation amount exceeds the annual Housing Credit Allocation amount stated

in the Preliminary Allocation, the Applicant is responsible for paying the applicable administrative fee on the excess amount before IRS Forms 8609 are issued for the Development.

Note: If the Applicant elects to submit the \$25,000 Application Withdrawal Cash Deposit, as outlined in Sections Three A.3. and Four A.1.a. of the RFA, the deposit shall not be credited toward the Applicant's Administrative Fee payment.

Since fees for the full Housing Credit Extended Use Period will be collected at final allocation, the fee amount is discounted at a rate of 2 percent and based upon the payment stream from the Corporation to the monitoring agent.

(b) RD Developments - The annual fee is \$450 per year. Since fees for the full Housing Credit Extended Use Period will be collected at final allocation, the fee amount is discounted at a rate of 2 percent and based upon the payment stream from the Corporation to the monitoring agent

Note: Upon prepayment or repayment of the RD loan, the previously identified RD Development will be identified as a non-RD Development and the annual compliance monitoring fee will be adjusted accordingly. The compliance monitoring fee as described in (2) above for the remaining Housing Credit Extended Use Period will be due and payable in full upon billing sent directly to the Development.

Applicants may request one (1) extension of up to 12 months related to this closing deadline. The Corporation shall charge a non-refundable extension fee of 1 percent of the loan amount if the Board approves the request to extend the preliminary commitment beyond the initial 12 month closing deadline. In addition, the loan related to the construction of the Development must close within 180 Calendar Days of the date of the firm loan commitment. A request for an extension of the firm loan commitment may be considered by the Board for an extension term of up to 90 Calendar Days. j. Additional HC Fees:

(1) If the Applicant requests permission to return its HC allocation and receive a new HC allocation and such request is approved, whether by the Executive Director in accordance with the QAP or as approved by the Board, the Applicant will be charged a nonrefundable processing fee of \$15,000 per request.

(2) HC Applicants shall be responsible for all processing fees related to the HC Program.
