The Applicant must set-aside at least 20 percent of the total units for residents with an annual median income (AMI) at or below 50 percent of the area, metropolitan statistical area (“MSA”) or state or county median income, whichever is higher, adjusted for family size.

- b. ELI Set-Aside Commitment:

Applicants may elect to set aside units for ELI Households; however, the Applicant may not commit to an ELI Set-Aside exceeding 25 percent of the total units. If the Applicant selects a total ELI Set-Aside percentage higher than 25 percent of the total units, the set-aside percentage will be adjusted down to 25 percent of the total units and the remaining units will be considered set-aside at 50 percent AMI or below.

For purposes of the following, set aside units for ELI Households refers to units set-aside at the Area Median Income (AMI) level for the county where the proposed Development is located. The ELI County Chart is set out in Item 4 of Exhibit C of the RFA.

The Corporation shall forgive indebtedness for the share of the loan attributable to the units in a project reserved for Extremely Low-Income (ELI) residents for Non-Profit organizations

c. Resident Age Set-Aside:

The Total Set-Aside Breakdown Chart must reflect all set-aside commitments (required set-asides and ELI Set-Asides) and the required total set-aside percentage (as further outlined below).

The Applicant must complete the Total Set-Aside Breakdown Chart at question 4.a. of Exhibit A. The Applicant must indicate on the chart the percentage of residential units, stated in whole numbers, to be set aside at each selected AMI level. Where reasonably possible, Applicants will be required to keep the unit mix consistent across each committed AMI level.

e. Affordability Period:

All Applicants are required to set aside the units for a minimum length of 15 years.

Note: The Applicant must set aside the units for a minimum length of the greater of 15 years or the term of any existing Corporation-issued LURA and/or EUA issued on any portion of the Development site. All restrictive covenants associated with any existing Corporation-issued LURA and/or EUA will remain in effect.

The EHCL loan shall be non-amortizing and shall have an interest rate of 1 percent. The terms and conditions of the EHCL loan are further outlined in 67-48, F.A.C.

The Applicant must state the amount of EHCL funding it is requesting. In the event of a discrepancy between the amount shown in this section and that shown elsewhere within the Application, the amount shown in this section shall be deemed to be the Applicant's EHCL Request Amount. During the scoring process, if the Applicant states an EHCL Request Amount that is greater than the amount the Applicant is eligible to request, the Corporation will reduce the amount down to the maximum amount the Applicant is eligible to request and such adjusted amount will be deemed to be the Applicant's Eligible EHCL Request Amount.

b. Applicant Match Funding:

The Applicant must commit to match at least 5 percent of the EHCL loan amount. Match funds must be from cash loans, cash grants and/or cash on hand (Match Funding) from local or other non-Corporation sources. For each source of Match Funding provide, as **Attachment 7** to Exhibit A, a copy of the executed commitments or approvals. Match funds for which approvals or commitments are not provided will not be counted as a source of funding. Note: In-kind donations or any other donation of property or assets will not be considered as a cost, source of funding, or part of Match Funding.

c. Previous FHFC Funding – If applicable, the Applicant must include previous FHFC funding sources in the Application:

- (1) The Applicant must indicate whether the Development has received previous EHCL funding and/or other Corporation funding. During ranking, preference will be given to Applications for Developments that have not been previously funded through the EHCL program.

d. Development Cost Pro Forma:

All Applicants must complete the Development Cost Pro Forma and the Detail/Explanation Sheet, if applicable, listing the anticipated sources of funding and Development Costs. The sources must equal or exceed the uses. During the scoring process, if a funding source is not considered and/or if the Applicant's EHCL Request Amount is adjusted downward, as outlined in Section Four 6.a. above, this may result in a funding shortfall. If the Applicant has a funding shortfall, it will be ineligible to be considered for funding.

The Development Cost Pro Forma must include all anticipated costs of the Development rehabilitation and, if applicable, acquisition. Any amounts that are not an anticipated cost to the Development, such as waived fees or charges, cannot be included in the Development Cost Pro Forma. Fees associated with the EHCL loan such as first mortgage review fees, credit underwriting fees, etc., may be included and are eligible to be paid out of loan proceeds.

Eligible activities are limited to life-safety, health, sanitation, or security-related repairs or improvements which result in making the Development safe and secure, and meeting the requirements of state, federal, or local regulations. - c. County Award Tally – Unless stated otherwise, as each Application is selected for tentative funding, the county where the proposed Development is located will have one (1) Application credited toward the County's Award Tally. If funding remains and none of the eligible unfunded Medium County Applications

meet the Funding Test, the remaining Medium County Geographic funding will be allocated to the Large County Geographic Category.

If funding remains and none of the eligible unfunded Large County Applications meet the Funding Test, then any remaining funding will be distributed as approved by the Board.

Applicants may request one (1) extension of up to 12 months related to this closing deadline. The Corporation shall charge a non-refundable extension fee of 1 percent of each loan amount if the Board approves the request to extend the preliminary commitment beyond the initial 12 month closing deadline. In addition, each loan related to the construction of the Development must close within 120 Calendar Days of the date of the firm loan commitment(s). A request for an extension of the firm loan commitment(s) may be considered by the Board for an extension term of up to 90 Calendar Days. The Corporation shall charge an extension fee of one-half of one percent of each loan amount if the Board approves the request to extend the firm commitment.

e. Loan Servicing Fees:

6. **Resident Relocation Plan:**

Per Section Four A.3.c of the RFA, during the credit underwriting process the Applicant shall develop and implement a plan and timeline for resident relocation during the Development's rehabilitation. The plan and timeline must be approved by the Corporation. The plan shall describe the approach to appropriately, adequately and safely relocate residents when they are directly affected by rehabilitation of their dwelling unit and common areas. The plan shall provide information regarding the relocation site; accommodations relevant to the needs of the residents and length of time residents will be displaced; moving and storage of the contents of the resident's dwelling units; as well as the approach to inform and prepare the residents for the rehabilitation activities. The Corporation will provide guidelines at credit underwriting to assist each Applicant in developing and drafting a Resident Relocation Plan.

7. **Florida Job Creation Preference:**

Each Application will be measured to determine whether it qualifies for the Florida Job Creation Preference. To determine eligibility for the preference, the Corporation will calculate the Application's Florida Job Creation score, which will reflect the number of Florida jobs per \$1,000,000 in EHCL funding. Only Applications with a score equal to or greater than 153 will qualify for the Florida Job Creation Preference in Section Four B of the RFA.

Determination of the Florida Job Creation score will be based on the following information:

- The number of units in the Development (as stated by the Applicant at question 3.c.(1) of Exhibit A of the RFA);
- The applicable Florida job creation rate 1.534 Florida Jobs per Unit; and
- The Eligible EHCL Request Amount.

The score for the Florida Rate of Job Creation per \$1,000,000 of EHCL funding will be measured using the following calculation:

$$\text{Number of units} \times 1.534 \text{ Florida Jobs per Unit} \times \$1,000,000 / \text{Eligible EHCL Request Amount} = \text{Florida Jobs per } \$1,000,000 \text{ of EHCL funding.}$$

For example:

Application A consists of 98 units and has an Eligible EHCL Request Amount of \$750,000.

$$98 \times 1.534 \times \$1,000,000 / \$750,000 = \text{Florida Job Creation score of } 200.4$$

In the above example, Application A will qualify for the Job Creation Preference because it has a Florida Job Creation score that is at least 153.
