For Developments located in Monroe County, a part of the boundary of each Scattered Site must be located within 20 miles of the Scattered Site with the most units;
- (b) Site control must be demonstrated in the Application for all of the Scattered Sites, as outlined in Section Four A.8. of the RFA;
- (c) During the credit underwriting process, the Applicant must demonstrate that the Development meets the requirements of this RFA and Section 42 of the IRC; and
- (d) All Scattered Sites must be located in the same county.

- c. Development Category / Rental Assistance (RA) Level / Concrete Construction:

- (1) Development Category:

The Applicant must select one (1) of the following Development Categories applicable to the proposed Development and provide the required information:

- New Construction (where 50% or more of the units are new construction)
- Rehabilitation (where less than 50% of the units are new construction) *
- Acquisition and Rehabilitation (acquisition and less than 50% of the units are new construction) *
- Redevelopment (where 50% or more of the units are new construction)
- Acquisition and Redevelopment (acquisition and 50% or more of the units are new construction)

* For proposed Developments eligible to request SAIL funding in addition to the Housing Credits, the Development Categories of Rehabilitation and Acquisition and Rehabilitation shall include Moderate Rehabilitation and Substantial Rehabilitation.

In order to determine the proposed Development's eligibility for the selected Development Category and its Rental Assistance (RA) Level classification (calculated as outlined in (2) below), the documentation outlined in (1)(a) or (1)(b) below must be provided.

- (a) If New Construction, Rehabilitation, or Acquisition and Rehabilitation is selected at question 5.c.(1) of Exhibit A:

(i) In order to be classified as an RA Level other than RA Level 6, the Applicant must provide, as **Attachment 7** to Exhibit A, a letter from a designated administrator of a federal program that provides long-term rental assistance. The rental assistance provided must be tied to the proposed Development and its units and be for a minimum of 20 years from the date the Development's units are placed in service*. The letter must include the following information and be dated within 12 months of the Application Deadline:

- Name of the proposed Development;
- Address of the proposed Development;
- Total number of units that will receive PBRA, ACC, and/or other form of federal long-term rental assistance if the proposed Development is funded;
- The federal program associated with the rental assistance; and
- A statement that the committed rental assistance will be reserved and available for use by the proposed Development by the time the units are placed in service and committed for a minimum of 20 years upon the units being placed in service*.

*This may be subject to congressional appropriation and continuation of the rental assistance program. For developments documenting the commitment of RD rental assistance, the minimum 20-year commitment term from the date the Development's units are placed in service is not applicable.

If the referenced letter is not provided, or if it is provided but it does not meet the criteria outlined above, the proposed Development will automatically be deemed to be RA Level 6.

(ii) If the proposed Development will be Rehabilitation (the Applicant selected the Rehabilitation or Acquisition and Rehabilitation Development Category at question 5.c.(1) of Exhibit A):

(A) The Applicant must indicate at question 5.c.(2)(a) of Exhibit A the estimated qualified basis in Rehabilitation expenses per set aside unit within one 24-month period for the building(s) being rehabilitated. This amount must be at least \$25,000 per set-aside unit as outlined in Rule 67-48.0075, F.A.C.; and

(B) The Applicant must indicate at question 5.c.(2)(b) of Exhibit A whether the existing building(s) to be rehabilitated was originally built in 1995 or earlier, the existing building(s) was either originally financed or is currently financed through one or more of the following HUD or RD programs: sections 202, 236, 514, 515, 516, 811, or either has PBRA or is public housing assisted through ACC, and the proposed Development did not close on funding from HUD or RD after 1995 where the budget was at least \$10,000 per unit for rehabilitation in any year.

Rehabilitation Applications (with or without Acquisition) that reflect an answer of "No" at question 5.c.(2)(b) of Exhibit A, as well as New Construction and Redevelopment (with or without Acquisition) Applications, will be eligible to be considered for the Development Category Funding Preference outlined in Section Four B of the RFA.

(b) If Redevelopment or Acquisition and Redevelopment is selected at question 5.c.(1) of Exhibit A, in order to qualify for the selected Development Category and determine the Development's RA Level classification, the following criteria must be met:

- (i) The Development must meet the definition of Redevelopment; and
- (ii) The Applicant must provide, as **Attachment 7** to Exhibit A, a letter from HUD or RD, dated within 12 months of the Application Deadline, which includes the following information:
- Name of the Development*;
 - Address of the Development;
 - Year built;
 - Total number of units that will receive PBRA and/or ACC if the proposed Development is funded;
 - Total number of units that currently have or are receiving PBRA and/or ACC. If none, the total number of units that originally received PBRA; and
 - The HUD or RD program currently associated with the existing development. If none, the HUD or RD program originally associated with the existing development.

*For purposes of this provision, the Name of the Development may be the name at the time of the PBRA and/or ACC award.

If the Application does not qualify for the Development Category of Redevelopment or Acquisition and Redevelopment, the Application will not be eligible to be considered for funding under this RFA.

If the proposed Development consists of acquisition and rehabilitation, with or without new construction (where the applicable new construction is for the building of units which will total less than 50 percent of the proposed Development's total unit count), and the Applicant is not requesting Corporation funding related to the acquisition, the Applicant should select Rehabilitation as the Development Category. However, the acquisition costs and sources must still be reflected on the Development Cost pro forma.

(2) Rental Assistance (RA) Level Classification:

Part of the criteria for a proposed Development that qualifies as a Limited Development Area (LDA) Development to be eligible for funding is based on meeting a minimum RA Level, as outlined at Section Four A.7.c. of the RFA.

The total number of units that will receive rental assistance (i.e., PBRA and/or ACC and, in the case of New Construction and Rehabilitation, other forms of federal long-term rental assistance), as stated in the Development Category qualification letter, will be considered to be the proposed Development's RA units and will be the basis of the Applicant's RA Level Classification. The Corporation will divide the RA units stated in the Development Category qualification letter by the total units stated by the Applicant at question 5.e. of Exhibit A, resulting in a Percentage of Total Units that are RA units. Using the Rental Assistance Level Classification Chart below, the Corporation will determine the RA Level associated with both the Percentage of Total Units and the RA units. The best rating of these two (2) levels will be assigned as the Application's RA Level Classification.

Rental Assistance Level Classification Chart			
Rental Assistance Level	Percentage of Total Units with Rental Assistance		Number of RA Units
Level 1	All units receive rental assistance (with the exception of up to 2 units)	or	At least 100 units and greater than 50% of the total units
Level 2	Greater than 90.00%	or	Greater than 90 units but less than 100 units and greater than 50% of the total units
Level 3	Greater than 75.00%, equal to or less than 90.00%	or	Greater than 75 units but less than 90 units and greater than 50% of the total units
Level 4	Greater than 50.00%, equal to or less than 75.00%		N/A
Level 5	Greater than 10.00%, equal to or less than 50.00%		N/A
Level 6*	10.00% or less of the total units receive rental assistance		N/A

*Applications will be classified RA Level 6 if 10.00% or less of the total units receive rental assistance or if the Applicant fails to meet the criteria outlined above.

(3) Concrete Construction:

For purposes of this RFA, in order for a proposed Development to be considered to be concrete construction, the proposed Development must meet the following specifications: (i) new construction buildings must have the following poured concrete or concrete masonry elements or load bearing masonry elements, as verified by a capital needs assessment: all exterior walls and structural elements, not to include roofs; and structural elements at and under the ground floor, as well as the ground floor itself; (ii) existing buildings proposed for rehabilitation must have, as of Application Deadline, the elements outlined in (i) above and the rehabilitation work must include these elements; or (iii) new construction buildings with the Mid-Rise Development Type (4, 5 or 6 story, as selected by the Applicant at question 5.d. of Exhibit A) that utilize a concrete podium structure under the rental living units. These qualifying criteria specifically exclude face brick or brick veneer from qualifying as concrete construction for purposes of this RFA without the benefit of the qualifying material in (i) being utilized in the manner prescribed in (i).

Indicate whether the proposed Development meets the requirements to be considered to be concrete construction. For purposes of this RFA, the Corporation will only consider an Application to be concrete construction if the answer to question 5.c.(3) of Exhibit A is “Yes.”

- d. The Applicant must select the Development Type for the proposed Development. For purposes of determining the number of stories, each floor in the building(s) should be counted regardless of whether it will consist of retail, parking, or residential. For mixed-type Developments, indicate the type that will comprise the majority of the units in the Development.
- Garden Apartments (a building comprised of 1, 2, or 3 stories, with or without an elevator)
 - Townhouses
 - Duplexes
 - Quadraplexes
 - Mid-Rise, 4-stories (a building comprised of 4 stories and each residential building must have at least one elevator)
 - Mid-Rise, 5 to 6-stories (a building comprised of 5 or 6 stories and each residential building must have at least one elevator)

- High Rise (a building comprised of 7 or more stories and each residential building must have at least one elevator)

Note: Applicants requesting SAIL funding in addition to the Housing Credits must be for a proposed Development consisting of 5 or more dwelling units in each residential building.

e. Number of Units in Proposed Development:

- (1) The Applicant must state the total number of units.

Note: Proposed Developments located in the Florida Keys Area must consist of a minimum of 20 total units. Proposed Developments in all other locations must consist of a minimum of 30 total units. If the Elderly Demographic Commitment (ALF or Non-ALF) is selected at question 2.b. of Exhibit A, the proposed Development cannot exceed the maximum total number of units outlined in Item 1 of Exhibit C of the RFA.

- (2) The Applicant must indicate whether the proposed Development consists of (a) 100% new construction units, (b) 100% rehabilitation units, or (c) a combination of new construction units and rehabilitation units, and state the quantity of each type.
- (3) The Applicant must indicate the occupancy status of any existing units at question 5.e.(3) of Exhibit A.

Developments that are tentatively funded will be required to provide to the Credit Underwriter a plan for relocation of existing tenants, as outlined in Item 2.b.(6) of the Applicant Certification and Acknowledgement form. The plan shall provide information regarding the relocation site; accommodations relevant to the needs of the residents and length of time residents will be displaced; moving and storage of the contents of a resident's dwelling unit; as well as the approach to inform and prepare the residents for the rehabilitation activities.

- f. The Applicant must state the total number of buildings with dwelling units in the proposed Development. Note: Applications eligible to request SAIL funding in addition to the Housing Credits must be for a proposed Development consisting of 5 or more dwelling units in each residential building.

a. Surveyor Certification Form:

- (1) Applications for a proposed Development to be located in Monroe County are eligible to be considered for the Small County Florida Keys Area funding goal and will automatically receive the maximum proximity score of 18 points without the requirement to provide the services information outlined in (2) below, provided the Applicant includes, as **Attachment 14** to Exhibit A, a properly completed and executed Surveyor Certification form (Form Rev. 07-15), as outlined in (3) below. For purposes of this requirement, properly completed means that the form reflects the Development Name, Development Location, Development Location Point, and that the Certification sections of the form are completed. The Transit and Community Services sections of the form can be left blank. The Surveyor Certification form (Form Rev. 07-15) is provided in Exhibit B of this RFA and on the Corporation's Website <http://www.floridahousing.org/Developers/MultiFamilyPrograms/Competitive/2015-106/RelatedForms/> (also accessible by clicking [here](#)). (3) Development Location Point:

It is a Mandatory requirement that all Applicants identify a Development Location Point on the proposed Development site and provide the latitude and longitude coordinates determined in degrees, minutes and seconds, with the degrees and minutes stated as whole numbers and the seconds represented to 2 decimal places. If the degrees and minutes are not stated as whole numbers and the seconds are not represented to 2 decimal places, the latitude and longitude coordinates will not be considered.

The latitude and longitude coordinates for the Development Location Point stated on the Surveyor Certification form will be plotted by the Corporation, using Street Atlas USA 2015, published by DeLorme, for the following purposes:

- (a) To verify that the stated coordinates are located within the county identified by the Applicant at question 5.b.(1) of Exhibit A;
- (b) To determine whether the proposed Development is at least the mandatory distance away from the closest Development coordinates identified on the August 10, 2015 FHFC Development Proximity List (the “Mandatory Distance Requirement”), as outlined in Section Four A.6.d. of the RFA; and
- (c) To determine whether the proposed Development qualifies as an LDA Development if it is located within a county where only a specific area(s) of the county has been designated as an LDA area, as outlined in Section Four A.7.c. of the RFA.

b. Transit and Community Services Proximity Points (**Maximum 18 Points**):

The Application may earn proximity points based on the distance between the Development Location Point and the Bus or Rail Transit Service (if Private Transportation is not selected at question 6.b.(2) of Exhibit A) and the Community Services stated on the Surveyor Certification form.

(1) PHA or RD Proximity Point Boost:

To be eligible to receive the Proximity Point Boost, the Applicant must select either question 6.b.(1)(a) or 6.b.(1)(b) of Exhibit A and provide the required information. Even if the Application is eligible for both items (a) and (b) below, the Application shall only receive one 3 point boost.

The letter must be signed by the appropriate person authorized to make such a certification and must be provided as **Attachment 14** to Exhibit A.

or

(b) RD Point Boost:

An Application that involves property that is currently assisted with RD 515 funding will qualify to receive a 3 point boost toward its proximity score if the Applicant (i) selects RD 515 at question 11.b.(3) of Exhibit A and (ii) demonstrates RD 515 funding, at Attachment 19, as outlined in Section Four A.11.b.(3)(b) of the RFA.

The Transit and Community Services are further outlined in Item 6.c. below.

c. Proximity to Transit and Community Services:

(1) Transit Services

Applicants may select one (1) of the following five (5) Transit Services on which to base the Application’s Transit Score. If the Applicant selects Private Transportation at question 6.b.(2) of Exhibit A and also provides information on the Surveyor Certification form for a Bus or Rail Transit Service, or if the Applicant provides information on the Surveyor Certification form for more than one (1) Bus or Rail Transit Service or more than one (1) of any type of Bus or Rail Transit Service, the Applicant will not receive any proximity points for the Transit Service Score. For purposes of proximity points, a Public Bus Stop means a fixed location at which passengers may access one or two routes of public transportation via buses. The Public Bus Stop must service at least one bus route with scheduled stops at least hourly during the times of 7am to 9am and also during the times of 4pm to 6pm Monday through Friday, excluding holidays, on a year-round basis. Bus routes must be established or approved by a Local Government department that manages public transportation. Buses that travel between states will not be considered.

or

(c) Public Bus Transfer Stop (Maximum 6 Points)

For purposes of proximity points, a Public Bus Transfer Stop means a fixed location at which passengers may access at least three routes of public transportation via buses. Each qualifying route must have a scheduled stop at the Public Bus Transfer Stop at least hourly during the times of 7am to 9am and also during the times of 4pm to 6pm Monday through Friday, excluding holidays, on a year-round basis. This would include both bus stations (i.e., hubs) and bus stops with multiple routes. Bus routes must be established or approved by a Local Government department that manages public transportation. Buses that travel between states will not be considered.

or

(d) Public Bus Rapid Transit Stop (Maximum 6 Points)

This service may be selected by all Applicants, regardless of whether the Applicant selected the Family or Elderly (ALF or Non-ALF) Demographic Commitment at question 2 of Exhibit A. (2) Community Services (Maximum 4 Points for each service with a Maximum of 3 Services)

The Community Services that may be selected are based on the Applicant’s Demographic Commitment selection at question 2 of Exhibit A of the RFA, as outlined below.

Applicants are limited to one (1) of each applicable type of Community Service. If the Applicant provides information for more than one (1) of any type of Community Service, that Community Service will not be scored and the Applicant will not receive any proximity points for that Community Service. (For example, Applicants are limited to selecting one Grocery Store, even though there may be another Grocery Store nearby. If the Applicant provides information for two Grocery Stores, the Applicant will not receive any proximity points for either of the Grocery Stores.)

The eligible Community Services are defined below:

(4) Required Information for the Surveyor Certification Form:

The latitude and longitude coordinates for all Bus and Rail Transit Services and all Community Services must represent a point as outlined below. The coordinates for each service must be stated in degrees, minutes and seconds, with the degrees and minutes stated as whole numbers and the seconds represented to 2 decimal places. If the degrees and minutes are not stated as whole numbers and the seconds are not represented to 2 decimal places, the Applicant will not be eligible for points for that service.

The following chart describes the location where the latitude and longitude coordinates must be obtained:

Coordinates Location Chart

Development Location Point or Service	Location of latitude and longitude coordinates															
Development Location Point	Coordinates must be a single point selected by the Applicant on the proposed Development site that is located within 100 feet of a residential building existing or to be constructed as part of the proposed Development. For a Development which consists of Scattered Sites, this means a single point on the site with the most units that is located within 100 feet of a residential building existing or to be constructed as part of the proposed Development.															
Community Services	Coordinates must represent a point that is on the doorway threshold of an exterior entrance that provides direct public access to the building where the service is located.															
Bus and Rail Transit Services	For Public Bus Stop, Public Bus Rapid Transit Stop, Public Bus Transfer Stop, and SunRail Phase 1 Stations, coordinates must represent the location where passengers may embark and disembark the bus or train. For SunRail Phase 2 Stations, coordinates must represent the coordinates listed below: <table border="1"> <thead> <tr> <th>Phase 2 SunRail Station</th> <th colspan="2">Latitude/Longitude Coordinates</th> </tr> </thead> <tbody> <tr> <td>DeLand Amtrak Station</td> <td>N29 01 02.25</td> <td>W081 21 09.24</td> </tr> <tr> <td>Kissimmee Amtrak Station</td> <td>N28 17 34.93</td> <td>W081 24 17.37</td> </tr> <tr> <td>Osceola Parkway/Tupperware Station</td> <td>N28 20 35.55</td> <td>W081 23 24.07</td> </tr> <tr> <td>Poinciana Industrial Park Station</td> <td>N28 15 32.04</td> <td>W081 29 08.17</td> </tr> </tbody> </table>	Phase 2 SunRail Station	Latitude/Longitude Coordinates		DeLand Amtrak Station	N29 01 02.25	W081 21 09.24	Kissimmee Amtrak Station	N28 17 34.93	W081 24 17.37	Osceola Parkway/Tupperware Station	N28 20 35.55	W081 23 24.07	Poinciana Industrial Park Station	N28 15 32.04	W081 29 08.17
Phase 2 SunRail Station	Latitude/Longitude Coordinates

Poinciana Industrial Park Station	N28 15 32.04	W081 29 08.17														

If there is no exterior public entrance to the Community Service, then a point should be used that is at the exterior entrance doorway threshold that is the closest walking distance to the doorway threshold of the interior public entrance to the service. For example, for a Pharmacy located within an enclosed shopping mall structure that does not have a direct public exterior entrance, the latitude and longitude coordinates at the doorway threshold of the exterior public entrance to the enclosed shopping mall that provide the shortest walking distance to the doorway threshold of the interior entrance to the Pharmacy would be used.

Applicants may use the same latitude and longitude coordinates for the Grocery Store, Medical Facility and/or Pharmacy if the Grocery Store, Medical Facility and/or Pharmacy is housed at the same location.

(5) Scoring Proximity to Services (Transit and Community):

(a) Private Transportation

Applicants that selected the Elderly Demographic (ALF or Non-ALF) at question 2.b. of Exhibit A and wish to provide Private Transportation as the Transit Service must select “Yes” at question 6.b.(2) of Exhibit A to be eligible to receive 2 points.

(b) Bus and Rail Transit Services and Community Services

The distances between the Development Location Point and each service, as certified by the Surveyor on the Surveyor Certification form, will be the basis for awarding proximity points. Failure to provide the distance for any Community Service will result in zero points for that Community Service. Failure to provide the distance for any Bus or Rail Transit Service will result in zero points for that Transit Service. For

purposes of the charts set out in (i) and (ii) below, Small Counties and Medium Counties are described in Section Four A.5.b. of the RFA.

d. Mandatory Distance Requirement:

To be eligible to be considered for funding, Applications must qualify for the Mandatory Distance Requirement. Applications may qualify automatically (as outlined in (1) below). Applications that are not eligible for the automatic qualification will only qualify if the distance between the Development Location Point and other properties identified on the August 10, 2015 FHFC Development Proximity List (the List) serving the same demographic group as the proposed Development meets the Mandatory Distance Requirement of 1.25, 2.5 or 5.0 miles (as outlined in (2) below). The List is available on the Corporation's Website <http://www.floridahousing.org/Developers/MultiFamilyPrograms/Competitive/2015->

106/OtherInformation/ (also accessible by clicking [here](#)). Applications that do not qualify for the Mandatory Distance Requirement under (1) or (2) below will not be eligible to be considered for funding.

(1) Applications Eligible for the Automatic qualification for the Mandatory Distance Requirement:

To automatically qualify for the Mandatory Distance Requirement, the proposed Development must meet the criteria outlined in question 6.b.(3)(a)(i), 6.b.(3)(a)(ii) or 6.b.(3)(a)(iii) of Exhibit A. The Applicant should select the applicable item at question 6.b.(3)(a) of Exhibit A. If the proposed Development is not located in Monroe County and the Applicant does not select either 6.b.(3)(a)(i) or 6.b.(3)(a)(ii), the proposed Development must meet the criteria outlined in (2) below.

(2) Applications Not Eligible for the Automatic qualification for the Mandatory Distance Requirement:

The Applicant must determine whether the Application meets the qualifications of the Mandatory Distance Requirement based on whether the Development Location Point meets the criteria for a distance of within 1.25 miles, 2.5 miles or 5.0 miles of a Development on the List serving the same demographic group. To make such determination, the Applicant, using Street Atlas USA 2015, published by DeLorme, should follow the steps outlined below. For purposes of this provision, same demographic refers to Family demographic, Elderly Non-ALF demographic, and Elderly ALF demographic.

- (a) Select the “Advanced” search button on the “Find” tab, to the right of the “Advanced” button select “Latitude/ Longitude” from the drop down menu under “Find:”, check the “MapTags” box, enter the latitude and longitude coordinates for the Development Location Point in the appropriate blanks to the right and then click the “Search” button. A “MapTag” with the entered coordinates will then appear in the appropriate location.
- (b) For each Development on the List that serves the same demographic group as the proposed Development which is in proximity to the proposed Development’s Development Location Point, repeat the steps stated above to display MapTags for the Development(s). For those Developments on the List that have more than one set of latitude and longitude coordinates, the Corporation will use the coordinates that represent the closest location to the proposed Development’s Development Location Point as the location of the Development from the List for the purposes of awarding proximity points.
- (c) Select the “Draw” tab. Under “Tools”, select the circle or, if there is no circle, click and hold the left mouse button and this will provide several shape options, one of which is a circle. To the right, use the thinnest line possible, select “None” as the fill color for the circle and choose a color such as black for the outline. Enter the latitude and longitude coordinates for the proposed Development’s Development Location Point in the space provided, and then enter, as appropriate, 1.25, 2.5 or 5.0 miles for the radius. Upon selecting the “Apply” button, the software will draw a circle, with the radius entered, around the Development Location Point.
- (d) If the tip of any of the MapTags entered for the Developments on the List are within the drawn circle or, when the map is zoomed in as far as possible, if the tip of any of

the entered MapTags appears to the naked eye to be on the drawn line of the circle, the Applicant can conclude that the Development Location Point is within the distance entered for the radius of the circle of a Development from the List. The tip of a MapTag is the point of the MapTag that denotes the actual location of what the MapTag represents.

For purposes of the following, a proposed Development qualifies as an LDA Development if it meets the provisions described in Section Four A.7.c. of the RFA.

Applications will qualify for the Mandatory Distance Requirement by meeting the following:

- If the distance of the proposed Development to Developments on the List is greater than 5.0 miles if the proposed Development qualifies as an LDA Development; or
- If the distance of the proposed Development to Developments on the List which consist of 31 total units or more is greater than 2.5 miles if the proposed Development does not qualify as an LDA Development; or
- If the distance of the proposed Development to Developments on the List which consist of 30 total units or less is greater than 1.25 miles if the proposed Development does not qualify as an LDA Development.

If the location of the proposed Development is such that both the 2.5 miles criteria and the 1.25 miles criteria would apply, the more restrictive 1.25 miles criteria will be used to evaluate the Application.

An Applicant may disregard any Development(s) on the List if the proposed Development and any Development(s) on the List have one or more of the same Financial Beneficiaries and meet at least one (1) of the following criteria: (i) they are contiguous or are divided by a street, and/or (ii) they are divided by a prior phase of the proposed Development. If this provision applies to the proposed Development, the Applicant must identify (at question 6.b.(3)(b) of Exhibit A) the Development(s) on the List that it wishes to disregard.

7. Set-Aside Commitments:

a. Minimum Set-Aside per Section 42 of the IRC:

The Applicant must elect one of the following minimum set-aside commitments:

- 20% of the units at 50% or less of the Area Median Income (AMI)
- 40% of the units at 60% or less of the AMI
- Deep rent skewing option as defined in Section 42 of the IRC, as amended

Note: Choosing the 20 percent at 50 percent AMI or less minimum set-aside will restrict ALL set-aside units at 50 percent or less of the AMI. Applicants may choose the 40 percent at 60 percent AMI or less minimum set-aside without committing to set aside any of the units at the 60 percent AMI level. For example, an Applicant may commit to set aside 40 percent at 50 percent AMI and this would also be considered 40 percent at 60 percent AMI or less.

b. Set-Aside Commitments per Corporation Requirements:

The Corporation has set-aside requirements beyond those required by Section 42 of the IRC which must be reflected on the Total Set-Aside Breakdown Chart at question 7.b. of Exhibit A, as outlined below:

(1) Total Income Set-Aside Commitment:

- (a) If the proposed Development has a Demographic Commitment of Family or Elderly Non-ALF (at question 2.a. or 2.b.(2) of Exhibit A), the Applicant must set aside a total of at least 80 percent of the Development's total units at 60 percent AMI or less; or
- (b) If the proposed Development has a Demographic Commitment of Elderly ALF (at question 2.b.(1) of Exhibit A), the Applicant must set aside a total of at least 50 percent of the Development's total units at 60 percent AMI or less.

(2) ELI Set-Aside Requirements:

For purposes of the following, the requirement to set aside units for ELI Households refers to the ELI AMI level for the county where the proposed Development is located. The ELI County Chart is set out in Item 7 of Exhibit C of the RFA.

(a) Required Minimum ELI Set-Aside Commitments:

- (i) If the proposed Development does not qualify as an LDA Development, the Applicant must set aside 10 percent of the total units as ELI Set-Aside units; or
- (ii) If the proposed Development qualifies as an LDA Development (as outlined in Item c.(1) below) and meets all of the applicable LDA Development Conditions outlined in Item c.(2) below, the Applicant must set aside 30 percent of the total units as ELI Set-Aside units.

If the Set-Aside Breakdown Chart reflects more than the applicable required percentage of the total units at the ELI AMI level for the county where the proposed Development is located, during the credit underwriting process the Credit Underwriter will determine whether the Applicant's ELI Set-Aside unit commitment will need to be reduced by increasing the set aside units at AMI level(s) above the ELI level. Any such reduction in the ELI Set-Aside units would be no lower than the applicable required percentage.

(b) Required ELI Units for Persons with a Disabling Condition:

For proposed Developments with the Demographic Commitment of Family or Elderly Non-ALF (at question 2.a. or 2.b.(2) of Exhibit A), a portion of the ELI Set-Aside units must be set aside for Persons with a Disabling Condition, as outlined below:

- (i) If the proposed Development does not qualify as an LDA Development, the Applicant must set aside 50 percent of the ELI Set-Aside units for Persons with a Disabling Condition; or
- (ii) If the proposed Development qualifies as an LDA Development, (as outlined in Item c.(1) below) and meets all of the applicable LDA Development Conditions outlined in Item c.(2) below, the Applicant must set aside 30 percent of the ELI Set-Aside units for Persons with a Disabling Condition.

To meet this commitment to set aside ELI units for Persons with a Disabling Condition, all Applicants must develop and execute a Memorandum of Understanding with at least one designated Special Needs Household Referral Agency that provides supportive services for Persons with a Disabling Condition for the county where the proposed Development will be located (the deadline for the MOU will be established in the Carryover Allocation Agreement). Developments financed with HUD Section 202 or HUD Section 811 are exempt from this requirement.

In addition, for properties that have a Housing Assistance Payment Contract and/or an Annual Contributions Contract with HUD, but are not HUD Section 202 or HUD Section 811, the Applicant shall establish an owner-adopted preference in the admission policies for the Development, allowing the Applicant to create a preference or limited preference specifically for individuals or families who are referred by a partnering service agency. The partnering service agency must be a designated Special Needs Household Referral Agency in the county where the Development is located. Following Chapter 4 of the HUD Handbook 4350.3, the Applicant is required by HUD to submit a written request to their local HUD Field Office specifying this type of preference with a full description of the preference and how it will be implemented. Such HUD approval must be demonstrated to the Corporation by the deadline established in the Carryover Allocation Agreement.

The purpose of the MOU is to establish the roles and responsibilities of the Development and Special Needs Referral Agency(ies). These include roles and responsibilities regarding the Applicant notifying the Special Needs Household Referral Agency (Agency) that a unit is available; the Agency referring Persons with a Disabling Condition to apply for the set-aside unit; and the Special Needs Household Referral Agency and its network of supportive services providers addressing the needs of the residents in the set-aside unit. At least biennially, Florida Housing shall review and evaluate the effectiveness of each party in carrying out their MOU roles and responsibilities in meeting this set-aside commitment. The Corporation may require the Applicant to terminate an MOU with a Special Needs Household Referral Agency if that partnership is not effective in meeting the intent of this set-aside commitment; and execute another MOU with a new designated Special Needs Households Referral Agency. A current list of Special Needs Household Referral Agencies for each county is published on the Corporation's Website at www.floridahousing.org under Special Needs Housing, Link Initiative (also accessible by clicking [here](#)).

c. Limited Development Area (LDA):

(1) A proposed Development will be designated as an LDA Development if:

- (a) It is located in a County or an area of a County that has been designated by the Corporation as an LDA area, and
- (b) The Applicant selected the applicable Demographic Commitment (Elderly or Family) that is associated with the LDA area.

Applicants should use the LDA Chart set out at Item 6 of Exhibit C of the RFA to determine whether the proposed Development qualifies as an LDA Development.

(2) For an LDA Development to be deemed eligible for funding under this RFA, it must meet all of the following LDA Development Conditions. An LDA Development that does not

meet all of the following LDA Development Conditions will be ineligible to be considered for funding. The Conditions are:

- (a) The Applicant demonstrated its commitment to set aside 30 percent of the total units as ELI Set-Aside units on the Total Set-Aside Breakdown Chart at question 7.b. of Exhibit A;
 - (b) The proposed Development is classified as RA Level 1 or RA Level 2;
 - (c) The Percentage of Total Units that will have Rental Assistance is greater than 75 percent; and
 - (d) The proposed Development consists of a total of 250 units or less (Note: the total number of units is further restricted by the Elderly Demographic provisions (outlined in Item 1 of Exhibit C of the RFA) if the Applicant selected the Elderly Demographic Commitment (ALF or Non-ALF) at question 2.b. of Exhibit A).
- (3) If the proposed Development is located in a county where only a portion(s) of the county is included on the LDA Chart and the proposed Development's Demographic Commitment is one of the applicable Demographic Categories on the LDA Chart, the Corporation will verify whether the Development Location Point stated on the Surveyor Certification form described in Section Four A.6. of the RFA is within the boundaries of the area designated as an LDA in order to determine whether the proposed Development qualifies as an LDA Development. To make such determination, Street Atlas USA 2015, published by DeLorme, will be used. If Street Atlas USA 2015 does not recognize the Development Location Point, then the proposed Development will be deemed to be an LDA Development and must meet all of the applicable LDA Development Conditions outlined in (2) above to be eligible to be considered for funding.

d. Total Set-Aside Breakdown Chart:

The Total Set-Aside Breakdown Chart must reflect all income set-aside commitments (required set-asides and additional set-asides, including all required ELI set-asides) and the required total set-aside percentage (as further outlined below).

The Applicant must complete the Total Set-Aside Breakdown Chart at question 7.b. of Exhibit A of the RFA. The Applicant must indicate on the chart the percentage of residential units, stated in whole numbers, to be set aside at each selected AMI level. Where reasonably possible, Applicants will be required to keep the unit mix consistent across each committed AMI level.

e. Affordability Period:

The Applicant commits to set aside the units for a minimum length of 50 years, as further outlined in Item 3.m. of the Applicant Certification and Acknowledgement form. The affordability period includes the units set aside for ELI Households.

8. Site Control:

The Applicant must demonstrate site control by providing, as **Attachment 15** to Exhibit A, the documentation required in Items a., b., and/or c., as indicated below. If the proposed Development consists of Scattered Sites, site control must be demonstrated for all of the Scattered Sites.

- a. Eligible Contract - For purposes of this RFA, an eligible contract is one that has a term that does not expire before April 30, 2016 or that contains extension options exercisable by the

purchaser and conditioned solely upon payment of additional monies which, if exercised, would extend the term to a date that is not earlier than April 30, 2016; specifically states that the buyer's remedy for default on the part of the seller includes or is specific performance; and the buyer MUST be the Applicant unless an assignment of the eligible contract which assigns all of the buyer's rights, title and interests in the eligible contract to the Applicant, is provided. If the owner of the subject property is not a party to the eligible contract, all documents evidencing intermediate contracts, agreements, assignments, options, or conveyances of any kind between or among the owner, the Applicant, or other parties, must be provided, and, if a contract, must contain the following elements of an eligible contract: (i) have a term that does not expire before April 30, 2016 or contain extension options exercisable by the purchaser and conditioned solely upon payment of additional monies which, if exercised, would extend the term to a date that is not earlier than April 30, 2016, and (ii) specifically state that the buyer's remedy for default on the part of the seller includes or is specific performance.

- b. Deed or Certificate of Title – The deed or certificate of title (in the event the property was acquired through foreclosure) must be recorded in the county in which the property is located and show the Applicant as the sole Grantee.
- c. Lease - The lease must have an unexpired term of at least 50 years from the Application Deadline and the lessee must be the Applicant. If the owner of the subject property is not a party to the lease, all documents evidencing intermediate leases, subleases, assignments, or agreements of any kind between or among the owner, the lessor, or any sublessee, assignor, assignee, and the Applicant, or other parties, must be provided, and if a lease, must have an unexpired term of at least 50 years from the Application Deadline.

9. Construction Features and Resident Programs:

- a. Construction Features:

The following construction features commitments apply to all units in the proposed Development and are in addition to the required construction features outlined in Item 4 of Exhibit C of the RFA.

- (1) If the Applicant selected the Development Category of Rehabilitation or Acquisition and Rehabilitation (at question 5.c.(1) of Exhibit A), Green Building Features must be provided. It is a Mandatory requirement that the Applicant select enough features at question 9.a.(1) of Exhibit A so that the total point value of the features selected equals at least 10. Failure of the Applicant to select at least 10 points worth of the features at question 9.a.(1) of Exhibit A will result in the Application failing to meet this Mandatory requirement.

The features which may be selected are as follows:

- Programmable thermostat in each unit (2 points)
- Humidistat in each unit (2 points)
- Water Sense certified dual flush toilets in all bathrooms (2 points)
- Light colored concrete pavement instead of or on top of asphalt to reduce the heat-island effect (2 points)

- (2) If the Applicant selected the Development Category of New Construction, Redevelopment, or Acquisition and Redevelopment (at question 5.c.(1) of Exhibit A), the Applicant must indicate its commitment to achieve one of the following Green Building Certification programs: Leadership in Energy and Environmental Design (LEED); Florida Green Building Coalition (FGBC); or ICC 700 National Green Building Standard (NGBS). Selection of the program will be accomplished during the credit underwriting process. Failure of the Applicant to select “Yes” at question 9.a.(2) of Exhibit A will result in the Application failing to meet this Mandatory requirement.

b. Resident Programs:

The following resident programs commitments are in addition to the required resident programs outlined in Item 5 of Exhibit C of the RFA.

(1) Family Demographic Commitment:

If the Applicant selected the Family Demographic (at question 2.a. of Exhibit A), the Applicant must provide at least three (3) of the resident programs outlined below. It is a Mandatory requirement that the Applicant select at least three (3) of the resident programs at question 9.b.(1) of Exhibit A. The instruction must include, but not be limited to, the following:

- Evaluation of current job skills;
- Assistance in setting job goals;
- Assistance in development of and regular review/update of individualized plan for each participating resident;

If the Development consists of Scattered Sites and the training is provided on site, it must be provided on the Scattered Site with the most units. If the training is not provided on-site, transportation at no cost to the resident must be provided. Electronic media, if used, must be used in conjunction with live instruction.

- (d) Family Support Coordinator – The Applicant must provide a Family Support Coordinator at no cost to the resident. The duties of the Family Support Coordinator shall not be performed by property management staff. The Coordinator shall be on-site and available to residents at least 20 hours per week, within the hours of 9 a.m. and 8 p.m. The Coordinator may be an employee of the Development or, through an agreement, an employee of a third party agency or organization that provides these services.

(2) Elderly Non-ALF Demographic Commitment:

It is a Mandatory requirement that the Applicant select at least three (3) of the resident programs at question 9.b.(2) of Exhibit A. Applicants who fail to select the required minimum number of resident programs will not meet this Mandatory requirement. The eligible resident programs which may be selected are as follows:

- (a) Literacy Training – The Applicant or its Management Company must make available, at no cost to the resident, literacy tutor(s) who will provide weekly literacy lessons to residents in private space on-site. Training must be held between the hours

of 8:00 a.m. and 7:00 p.m., and electronic media, if used, must be used in conjunction with live instruction. If the Development consists of Scattered Sites, this resident program must be provided on the Scattered Site with the most units.

- (b) Computer Training – The Applicant or its Management Company shall make available computer and internet training classes (basic and/or advanced level depending on the needs and requests of the residents). The training classes must be provided at least once a week, at no cost to the resident, in a dedicated space on site. Training must be held between the hours of 8:00 a.m. and 7:00 p.m., and electronic media, if used, must be used in conjunction with live instruction. If the Development consists of Scattered Sites, this resident program must be provided on the Scattered Site with the most units.
- (c) Daily Activities – The Applicant or its Management Company must provide on-site supervised, structured activities, at no cost to the resident, at least five days per week, which must be offered between the hours of 8:00 a.m. and 7:00 p.m. If the Development consists of Scattered Sites, this resident program must be provided on the Scattered Site with the most units.
- (d) Assistance with Light Housekeeping, Grocery Shopping and/or Laundry – The Applicant or its Management Company must provide residents with a list of qualified service providers for (i) light housekeeping, and/or (ii) grocery shopping, and/or (iii) laundry, and will coordinate, at no cost to the resident, the scheduling of services. The Developer or Management Company shall verify that the services referral information is accurate and up-to-date at least once every six (6) months.
- (e) Resident Assurance Check-In Program – The Applicant commits to provide and use an established system for checking in with each resident on a pre-determined basis not less than once per day, at no cost to the resident. Residents may opt out of this program with a written certification that they choose not to participate.

10. Local Government Contributions (Maximum 5 Points):

a. Applicants Eligible for Automatic Points:

Applicants that selected and qualified for the Development Category of Rehabilitation or Acquisition and Rehabilitation at question 5.c.(1) of Exhibit A will automatically receive the maximum 5 points without any requirement to demonstrate a Local Government contribution.

b. Applicants Not Eligible for Automatic Points:

In order for an Applicant that selected the Development Category of New Construction, Redevelopment, or Acquisition and Redevelopment at question 5.c.(1) of Exhibit A to receive points, the Applicant must provide evidence of a Local Government grant, loan, fee waiver and/or fee deferral that is effective as of the Application Deadline, is effective at least through June 30, 2016, and has a value whose dollar amount is equal to or greater than the amount listed on the County Contribution List (set out below) for the county in which the proposed Development will be located. Those Applications that do not have the necessary contribution values to achieve maximum points will be scored on a pro-rata basis.

As evidence of the Local Government Contribution, the Applicant must provide the properly completed and executed Local Government Verification of Contribution Form(s) as **Attachment 16** to Exhibit A. The Local Government Contribution forms (Form Rev. 01-14) are available at Exhibit B of the RFA or the Corporation's Website

<http://www.floridahousing.org/Developers/MultiFamilyPrograms/Competitive/2015-106/RelatedForms/> (also accessible by clicking [here](#)). Note: If the Applicant provides any prior version of the Local Government Verification of Contribution Form(s), the form(s) will not be considered.

To qualify for points, the amount of the contribution stated on the applicable form(s) must be a precise dollar amount and cannot include words such as estimated, up to, maximum of, not to exceed, etc.

The only Local Government contributions that will be considered for the purpose of scoring are:

- Monetary grants
- Loans with the exception of USDA RD funds
- A one-year or more deferral of a fee beyond the date that it is routinely due
- Waiver of fees

A loan with a forgiveness provision requiring approval of the Local Government will be treated as a loan, rather than as a grant, for scoring purposes. The "Loan" verification form should be used.

Funds administered by the Local Government, including federal funds and SHIP funds, may be included in the contribution as long as the appropriate verification form is provided. For purposes of this RFA, USDA-RD funds will NOT count as a Local Government contribution.

The contribution may not be included as an expense on the Development Cost Pro Forma nor may it be considered part of Development Cost for purposes of calculating HC basis or Developer's fee. The exception to the previous sentence is deferred Local Government fees, which may be shown on the Development Cost Pro Forma.

For a contribution consisting of a loan or deferred fee to be considered complete and eligible for points, the Local Government Verification Form must reflect both the total amount of the loan or deferred fee and the value (net present value) of the loan or deferred fee. Calculate the net present value of the payments using the discount rate of 5.61 percent.

NOTE: Neither the payment stream for the present value calculations (if contribution consists of a loan or deferred fee) nor the calculations by which the total amount of each waiver is determined (if contribution consists of a fee waiver) are required to be attached to the certification form or otherwise included in the Application in order for the certification form to be considered for points.

In order to be eligible to be considered for points as a Local Government contribution, the contribution must:

- Be in effect as of Application Deadline;
- Be effective at least through June 30, 2016;
- Be dedicated solely for the proposed Development;
- Provide a tangible economic benefit that results in a quantifiable cost reduction and must be given specifically to the proposed Development because the Development will provide affordable housing; and
- State, federal, or Local Government funds initially obtained by or derived from a Local Government qualify as a Local Governmental contribution even though the funds are directly administered by an intermediary such as a housing finance authority, a community reinvestment corporation, or a state-certified Community

Housing Development Organization, provided that they otherwise meet the requirements set forth in this RFA, including those relating to the executed verification form.

Local Government contributions that are ineligible to be considered for points include:

- Contributions that are not specifically made for the benefit of affordable housing but are instead of general benefit to the area in which the Development is located;
- The fact that no impact fees or other such fees are levied by a local jurisdiction for ANY type of development does not constitute a Local Government contribution. If such fees are levied by the local jurisdiction but the nature of the proposed Development exempts it (e.g., typically, a Rehabilitation Development is not subject to impact fees), for purposes of this RFA, no Local Government contribution exists and no points will be awarded;
- The absence of interest on a loan or the absence of interest payments until a specific date does not constitute a deferral or waiver of fees;
- Local Government contributions that have not received final approval;
- A contribution from an Applicant or Developer or Principal, Affiliate or Financial Beneficiary of an Applicant or a Developer;
- A contribution from a PHA;
- HOPE VI funds; and
- A contribution of any portion of the Applicant's site below market value.

To calculate the value of a Local Government below market interest rate loan:

- Calculate the net present value of the payments due to the Local Government, including any balloon payment of principal due on a non-amortizing or non-fully amortizing loan.
- Calculate the net present value of the loan payments using the discount rate.
- Subtract the net present value of the loan payments from the original loan principal amount. The remaining amount is the value of the Local Government contribution.

Example: If the discount rate is assumed to be 5.61 percent and the Local Government will provide a fully amortizing \$200,000 loan at 3 percent for 30 years with annual payments, the contribution is calculated as follows:

Calculate the annual payment of the \$200,000 amortizing loan at 3 percent (\$10,203.85).

Calculate the net present value of the stream of (\$10,203.85) annual payments over 30 years using a 5.61 percent discount rate (\$146,515.60).

Subtract the net present value amount from the original principal loan amount to arrive at the value of the contribution (\$200,000 - \$146,515.60 = \$53,484.40 contribution value).

Example: If the discount rate is assumed to be 5.61 percent and the Local Government will provide an interest only \$200,000 loan at 3 percent for 30 years with payments due annually, the contribution is calculated as follows:

Calculate the annual payment of the \$200,000 non-amortizing loan at 3 percent. Multiply the \$200,000 by 3 percent. The answer is \$6,000. As such, the loan payments for the first 29 years are \$6,000. The 30th payment is the \$6,000

interest payment plus the balloon payment of \$200,000, which is \$206,000.

Calculate the net present value of the stream of the various annual payments over 30 years using a 5.61 percent discount rate (\$125,046.78).

Subtract the net present value amount from the original principal loan amount to arrive at the value of the contribution (\$200,000.00 - \$125,046.78 = \$74,953.22 contribution value).

Example: A Development is to be located in Sarasota County and has achieved a Local Government contribution valued at \$37,500. The County Contribution List states that a Development to be located in Sarasota County must obtain contributions valued at \$50,000 to achieve 5 points. Therefore, in this example, the Development would receive 3.75 points $((\$37,500 / \$50,000) \times 5)$.

NOTE: Points will be rounded to two decimal places (3.345 rounded up to 3.35 and 3.3449 rounded down to 3.34).

11. Funding:

a. Corporation Funding Amounts:

(1) Eligible Housing Credit Request Amount:

The Applicant must state the amount of Housing Credits it is requesting.

The Eligible Housing Credit Request Amount will be the amount of Housing Credit Allocation the Applicant will tentatively be awarded should the Application be selected for funding. Such Eligible Housing Credit Request Amount will be based on the lesser of (i) the Applicant's Housing Credit Request Amount (as provided by the Applicant in question 11.a.(1) of Exhibit A) and (ii) the County Group Maximum Housing Credit Request Limit (as outlined in (c) below). Any Housing Credit equity proposal provided as an attachment to the RFA must reflect the Eligible Housing Credit Request Amount, as further described in Item 11.d.(2)(a) below.

In order for the Applicant's Housing Credit Request Amount to be eligible to be greater than the limits indicated in Column A of the chart set out at (c) below, the proposed Development must qualify for the HUD High Cost Area (HCA) 30 percent boost via one of the three options outlined in Items (a)(i), (a)(ii), or (b) below. If the Applicant intends to qualify for this higher Housing Credit Request Amount limit, it must complete the applicable questions at 11.a.(1) of Exhibit A.

(a) With regard to Housing Credits, HUD provides regulatory guidance on the effective date of Difficult Development Area (DDA) and Qualified Census Tract (QCT) lists for the purpose of determining whether a Development qualifies for an increase in eligible basis in accordance with Section 42(d)(5)(B) of the IRC.

(i) DDA –

In order to be classified as a Development located in a DDA for purposes of this RFA, as of the Application Deadline the proposed Development must be located in a HUD-designated DDA.

If located in a HUD-designated DDA, provide the requested information at question 11.a.(1)(a)(i) of Exhibit A.

(ii) QCT –

If the proposed Development is not located in a HUD-designated DDA (as indicated by the Applicant at question 11.a.(1)(a)(i) of Exhibit A), in order to be classified as a Development located in a QCT for purposes of this RFA, the proposed Development must be located in one of the QCTs based on the current census, as determined by HUD as of the Application Deadline, and the Applicant must provide a copy of a letter from the local planning office or census bureau verifying the Development's location in the referenced QCT as **Attachment 17** to Exhibit A.

(b) Multi-Phase Development –

HUD's notice published in the October 3, 2014 edition of the Federal Register (http://www.huduser.org/portal/Datasets/QCT/DDA2015_Notice.pdf) governs the eligibility for a Housing Credit boost for the Development proposed in this RFA.

If the multiphase provision applies to the proposed Development, the Applicant must:

(i) Select question 11.a.(1)(b)(i) of Exhibit A if the proposed Development is the first phase of a multiphase Development. As outlined in Item 2.b.(9) of

the Applicant Certification and Acknowledgement form, during the credit underwriting process the Applicant will be required to submit to the Corporation an attorney opinion letter describing the subsequent phases, as required by the Federal Register.

or

- (ii) Select question 11.a.(1)(b)(ii) of Exhibit A if the proposed Development is a subsequent phase of a multiphase Development. As outlined in Item 2.b.(9) of the Applicant Certification and Acknowledgement form, during the credit underwriting process the Applicant will be required to submit to the Corporation an attorney opinion letter which, among other things, identifies the Application in which the first phase was declared, and includes information on the subsequent phase(s) illustrating that the proposed Development is eligible for the HC boost. For purposes of this RFA, a subsequent phase of a multiphase Development is one where the initial phase was appropriately identified as such in one of the following: (i) a 2014 or 2015 Housing Credit RFA (i.e., RFA 2014-104, RFA 2014-106, RFA 2014-107, RFA 2014-114, RFA 2015-103, RFA 2015-104, or RFA 2015-112 or (ii) a Non-Competitive Housing Credit Application (i.e., a Non-Competitive Housing Credit allocation awarded within the 365 day period following the date the Bond application was deemed complete by the Bond-issuing agency for which the Non-Competitive Housing Credit allocation was awarded, provided the 365 day period did not end prior to the Application Deadline for this RFA).

(c) Maximum Housing Credit Request Amount:

The Applicant must state the amount of Housing Credits it is requesting at question 11.a.(1) of Exhibit A (“Applicant’s Housing Credit Request Amount”). The Applicant’s Housing Credit Request Amount cannot exceed the applicable County Group amount stated in the following chart:

County Category/Area Maximum Housing Credit Request Limits

County Category*/Area in which the Development is to be Located	Column A If Development is not located in a DDA or if the Application does not meet the RFA requirements to qualify as a QCT	Column B HCA Bonus – If Development is located in a DDA; and/or if the Application meets the RFA requirements to qualify as QCT
Medium County	\$1,155,000	\$1,510,000
Small County	\$438,031	\$438,031
Florida Keys Area	The lesser of \$35,000 per Housing Credit Set-Aside Unit or \$1,000,000	

* County Categories are described in Section Four A.5.b. of the RFA.

If the Applicant states an amount that is greater than the amount the Applicant is eligible to request relative to the above chart, the Corporation will reduce the amount down to the maximum amount the Applicant is eligible to request as provided in the chart above.

The amount resulting from the lesser of the Applicant’s Housing Credit Request Amount (as stated at question 11.a.(1) of Exhibit A) and the adjustment described above, if any, will be deemed to be the Applicant’s Eligible Housing Credit Request Amount.

(2) Eligible SAIL Request Amount:

- (a) The following proposed Developments are eligible to request SAIL funding in addition to the Housing Credits:
- (i) Proposed Developments located in the Florida Keys Area (i.e., Monroe County) are eligible to request the lesser of:
 - \$3.5 million per Development; or
 - 25 percent of Total Development Cost; or
 - \$87,500 per unit
 - (ii) Proposed Developments located in a Small County other than Monroe County are eligible to request the lesser of:
 - \$2 million per Development; or
 - 25 percent of Total Development Cost; or
 - \$45,000 per unit
 - (iii) Proposed Developments that elect to compete for the Medium County Non-DDA/Non-QCT Family Demographic funding goals by requesting SAIL funding, may request the lesser of the following amounts, as applicable:

Non-PHA Application Qualifying for the Goal by Providing the required Deed or Certificate of Title at Attachment 15 – SAIL Request of the lesser of:	PHA Application Qualifying for the Goal by Providing the required Declaration of Trust letter at Attachment 14 – SAIL Request of the lesser of:
\$4 million per Development;	\$4 million per Development;
25 percent of Total Development Cost; or	25 percent of Total Development Cost; or
\$35,000 per unit	\$40,000 per unit

Applicants with an Application for a proposed Medium County Development that is not located in a HUD-designated DDA and/or QCT and that has the Family Demographic, may elect to compete for the Medium County Non-DDA/Non-QCT Family Demographic funding goals by requesting SAIL funding at question 11.a.(2) of Exhibit A and providing a copy of a letter from the local planning office or census bureau, as **Attachment 18** to Exhibit A, verifying that the Development’s location is **not** within a QCT. To be eligible to elect to compete for these funding goals, the Applicant must (i) include a PHA as a Principal of the Applicant entity on the Principals list provided at Attachment 4 and provide a Declaration of Trust letter, at Attachment 14, that meets the eligibility requirements to achieve the PHA Proximity Point Boost outlined at Section Four A.6.b.(1)(a) of the RFA (i.e., a PHA Application), or (ii) provide a Deed or Certificate of Title, at Attachment 15, that meets the site control requirements outlined at Section Four A.8. of the RFA (i.e. a Non-PHA Application). For purposes of this funding goal, the recording date of the Deed or Certificate of Title, which reflects the Applicant as the sole Grantee, must be at least 12 months prior to the Application Deadline for this RFA.

If an Applicant elects to compete for these goals and its Application is not selected to meet the goals, the Application will not be eligible to compete for any

remaining Medium County funding during the selection process outlined in Section B.7.b. of the RFA.

- (b) If the Applicant is eligible to request SAIL funding in addition to the Housing Credits, and elects to do so, state the amount of SAIL funding requested at question 11.a.(2) of Exhibit A.

In the event of a discrepancy between the amount shown in this section and that shown elsewhere within the Application, the amount shown in this section shall be deemed to be the Applicant's SAIL Request Amount.

If the Applicant's SAIL request amount exceeds (i) the applicable per Development or per unit request amount stated in (a) above, or (ii) 25 percent of the Total Development Cost shown on the Development Cost Pro Forma (as adjusted during scoring, if applicable), whichever is less, the Corporation will reduce the Applicant's SAIL Request Amount down to the maximum allowable amount and that amount will be the Applicant's Eligible SAIL Request Amount. The Eligible SAIL Request Amount will be the amount of SAIL tentatively awarded should the Application be selected for funding.

The SAIL loan shall be non-amortizing and shall have an interest rate of 1 percent over the life of the loan. The terms and conditions of the SAIL loan are further outlined in Rule Chapter 67-48, F.A.C.

b. Other Funding:

- (1) If the Development has received funding from the Predevelopment Loan Program (PLP), the Corporation file number and amount of funding must be listed. Note: PLP funding cannot be used as a source of financing on the Construction/Rehab Analysis or the Permanent Analysis.
- (2) The Applicant must list any other Corporation funding that is intended to be utilized as a source of financing for the proposed Development.
- (3) If the proposed Development will be assisted with funding under the United States Department of Agriculture RD 515 Program and/or RD 538 Program, the following information must be provided:
 - (a) Indicate the applicable RD Program(s) at question 11.b.(3) of Exhibit A.
 - (b) For a proposed Development that is assisted with funding from RD 515 and to qualify for the RD Proximity Point Boost (outlined in Section Four A.6.b. of the RFA) the Applicant must:
 - (i) Include the funding amount at the USDA RD 515 Financing line item on the Development Cost Pro Forma (Construction/Rehab Analysis and/or Permanent Analysis), and
 - (ii) Provide a letter from RD, dated within six (6) months of the Application Deadline, as **Attachment 19** to Exhibit A, confirming the funding source as outlined below:
 - (A) For proposed Developments with the Development Category (at question 5.c.(1) of Exhibit A) of Rehabilitation or Redevelopment (either one with or without Acquisition), the RD letter must include the following information:

- Name of existing development;
- Name of proposed Development;
- Current RD Loan balance;
- Acknowledgment that property is applying for Housing Credits; and
- Acknowledgment that property will remain in the USDA/RD 515 loan portfolio.

or

(B) For proposed Developments with the Development Category (at question 5.c.(1) of Exhibit A) of New Construction, the RD letter must include the following information:

- Name of Proposed Development;
- Name of Applicant as borrower or direct recipient;
- RD Loan amount; and
- Acknowledgment that property is applying for Housing Credits.

The letter outlined above will not qualify for purposes of the RD Proximity Point Boost (outlined in Section Four A.6.b.(1)(b) of the RFA). If the proposed Development will include the acquisition of an existing development which is currently assisted with funding from RD 515 and will remain in the USDA/RD 515 loan portfolio, but has a Development Category of New Construction and is seeking the RD proximity Point Boost, the Applicant must provide the letter outlined in (ii)(A) above.

(c) If the proposed Development will be assisted with funding under the RD 538 Program, the Applicant must:

- (i) Include the funding amount at the USDA RD 538 Financing line item on the Development Cost Pro Forma (Construction/Rehab Analysis and/or Permanent Analysis); and
- (ii) Provide the letter sent to the Applicant by an RD 538 approved lender certifying that the lender is prepared to make a loan consistent with the program requirements through the Section 538 Guaranteed Rural Rental Housing (“538”) Loan Program as **Attachment 19** to Exhibit A. The U.S. Department of Agriculture, Rural Development (RD), list of Section 538 Guaranteed Rural Rental Housing approved lenders is available by clicking [here](#).

As outlined in Item 3.u. of the Applicant Certification and Acknowledgement form, the Section 538 Selection letter must be provided during credit underwriting.

c. Finance Documents:

All Applicants must complete the Development Cost Pro Forma listing the anticipated expenses or uses, the Detail/Explanation Sheet, if applicable, and the Construction or Rehab Analysis and Permanent Analysis listing the anticipated sources. The sources must equal or exceed the uses. During the scoring process, if a funding source is not considered and/or if the Applicant’s HC Request Amount or, if applicable, its SAIL Request Amount, is adjusted downward, as outlined in a. above, this may result in a funding shortfall. If the Applicant has a funding shortfall, it will be ineligible to be considered for funding.

The Development Cost Pro Forma must include all anticipated costs of the Development construction, rehabilitation and, if applicable, acquisition, including the Developer fee and

General Contractor fee, as outlined below. Any amounts that are not an anticipated cost to the Development, such as waived or reimbursed fees or charges, cannot be included in the Development Cost Pro Forma. Note: deferred Developer fees are not considered “waived fees.”

In addition, the Development Cost Pro Forma must include all anticipated sources of funding, including the funding outlined below, as well as any Non-Corporation Funding as outlined in d. below.

(1) Developer Fee:

The Developer fee shall be limited to 16 percent of Development Cost. The maximum allowable Developer fee will be tested during the scoring of the Application by multiplying the Development Cost by 16 percent, carried to 2 decimal places, and may not be rounded.

The Corporation will allow up to 100 percent of the eligible Developer fee to be deferred and used as a source on the Development Cost Pro Forma without the requirement to show evidence of ability to fund.

(2) General Contractor Fee:

General Contractor fee shall be limited to 14 percent of actual construction cost. The maximum allowable General Contractor fee will be tested during the scoring of the Application by multiplying the actual construction cost by 14 percent, carried to 2 decimal places, and may not be rounded.

(3) Contingency Reserves:

For Application purposes, the maximum hard and soft cost contingencies allowed cannot exceed (i) 5 percent of hard and soft costs for Development Categories of New Construction, Redevelopment, or Acquisition/Redevelopment or (ii) 15 percent of hard costs and 5 percent of soft costs for Development Categories of Rehabilitation or Acquisition and Rehabilitation, as further described in Rule Chapter 67-48, F.A.C. The determination of the contingency reserve is limited to the maximum stated percentage of total actual construction costs (hard costs) and general development costs (soft costs), as applicable.

(4) Operating Deficit Reserves:

An operating deficit reserve is not to be included as part of Development Costs and cannot be used in determining the maximum Developer fee. The maximum allowable operating deficit reserve or any reserves, other than contingency reserves, as provided above, that are permitted in the Application is zero. An operating deficit reserve, if necessary, will be permitted and sized in credit underwriting and may be different than the Application limit. Operating deficit reserves include, but are not limited to, operating reserves, debt service reserves, lease-up reserves, rent-re-stabilization reserves, and any pre-funded capital (replacement) reserves.

Developer fee and General Contractor fee must be disclosed. In the event the Developer fee and/or General Contractor fee are/is not disclosed on the Development Cost Pro Forma, the Corporation will assume that these fees will be the maximum allowable and will add the maximum amount(s) to Total Development Cost. If an Applicant lists a Developer fee, General Contractor fee, contingency reserve, or operating deficit reserve that exceeds the stated Application limits, the Corporation will adjust the fee to the maximum allowable.

d. Non-Corporation Funding Proposals:

In order for funding, other than deferred Developer fee, to be counted as a source on the Construction/Rehab and/or Permanent Analysis, the Applicant must provide documentation of all financing proposals from both the construction and the permanent lender(s), equity proposals from the syndicator, and other sources of funding. The financing proposals must state whether they are for construction financing, permanent financing, or both, and all attachments and/or exhibits referenced in the proposal must be included. Insert documentation for each source as **Attachment 20** to Exhibit A and continue with sequentially numbered attachments for each additional funding source. Evidence for each funding source must be behind its own sequentially numbered attachment.

For purposes of the Application, neither of the following will be considered a source of financing: net operating income for a Rehabilitation Development or capital contributions.

(1) Financing Proposal

Financing proposal documentation, regardless of whether the documentation is in the form of a commitment, proposal, term sheet, or letter of intent, must meet the following criteria. Evidence for each funding source must be behind its own numbered attachment.

(a) Each financing proposal shall contain:

- (i) Amount of the construction loan, if applicable;
- (ii) Amount of the permanent loan, if applicable;
- (iii) Specific reference to the Applicant as the borrower or direct recipient; and
- (iv) Signature of all parties, including acceptance by the Applicant.

Note: Eligible Local Government financial commitments can be considered without meeting the requirements of (i) through (iv) above if the Applicant provides the properly completed and executed Local Government Verification of Contribution – Grant Form and/or the Local Government Verification of Contribution – Loan Form (Form Rev. 01-14), as outlined in Section Four A.10.b. and Exhibit B of the RFA.

(b) Financing that has closed:

- (i) If the financing has closed in the Applicant's name, provide a letter from the lender acknowledging that the loan has closed. The letter must also include the following information:
 - Amount of the construction loan, if applicable;
 - Amount of the permanent loan, if applicable; and
 - Specific reference to the Applicant as the borrower/direct recipient/mortgagee.
- (ii) Except for HUD and RD funding, if the financing involves an assumption of debt not currently in the Applicant's name, as evidence that the lender approves of the proposal of assumption, the Applicant must provide a letter from the lender, dated within six (6) months of the Application Deadline, that includes the following information:
 - Specifically references the Applicant as the assuming party;
 - If a permanent loan, states the amount to be assumed; and

- If a construction loan, states the maximum amount of funding capacity.

If the debt being assumed is provided by HUD, the Applicant must provide a letter from HUD, dated within six (6) months of the Application Deadline, confirming the funding source. The letter must include the following information:

- Name of existing development;
- Name of proposed Development;
- Loan balance;
- Acknowledgment that property is applying for Housing Credits; and
- Applicable HUD program.

If the debt being assumed is provided by RD, the Applicant is only required to provide the information described in Item 11.b.(3) above.

- (c) If the financing proposal is not from a Regulated Mortgage Lender in the business of making loans or a governmental entity, evidence of ability to fund must be provided. Evidence of ability to fund includes: (i) a copy of the lender's most current audited financial statements no more than 17 months old; or (ii) if the loan has already been funded, a copy of the note and recorded mortgage. The age of all financial statements is as of the Application Deadline. In evaluating ability to fund, the Corporation will consider the entity's unrestricted current assets typically used in the normal course of business. Assets considered restricted include, but are not limited to, pension funds, rental security deposits, and sinking funds. Financing proposals from lenders who cannot demonstrate ability to fund will not count as a source of financing. Financial statements must be included in the Application. Note: This provision does not apply to deferred Developer fee.
- (d) If a financing proposal shows an amount less than the corresponding line item on the Development Cost Pro Forma, only the financing proposal amount will be considered as a funding source. However, if a financing proposal shows an amount in excess of the corresponding line item on the Development Cost Pro Forma, up to the total amount of the financing proposal amount may be utilized as a funding source, if needed.
- (e) The loan amount may be conditioned upon an appraisal or debt service coverage ratio or any other typical due diligence required during credit underwriting.
- (f) Financing proposals may be conditioned upon the Applicant receiving the funding from the Corporation for which it is applying.
- (g) If a financing proposal has a provision for holding back funds until certain conditions are met, the amount of the hold-back will not be counted as a source of construction financing unless it can be determined that the conditions for the release of the hold-back can be met prior to or simultaneous with the closing of the Development's permanent financing.
- (h) Grant funds are contributions to the Development, other than equity, which carry no repayment provision or interest rate. A commitment for grant funds will be considered a commitment for scoring purposes if the commitment is properly executed and, if applicable, evidence of ability to fund is provided.

(2) Housing Credit Equity Proposal

For the purpose of this RFA, to be counted as a source, an equity proposal, regardless of whether the documentation is in the form of a commitment, proposal, term sheet or letter of intent, must: (i) if syndicating/selling the Housing Credits, meet the requirements outlined in (a) below and include the information outlined in (b) below, or (ii) if not syndicating/selling the Housing Credits, meet the requirements outlined in (a) below and include the information outlined in (c) below:

(a) If the Eligible Housing Credit Request Amount is less than the anticipated amount of credit allocation stated in the equity proposal, the equity proposal will not be considered a source of financing. However, if the Eligible Housing Credit Request Amount is greater than the anticipated amount of credit allocation stated in the equity proposal, the equity proposal will be considered a source of financing.

(b) If syndicating/selling the Housing Credits:

(i) A Housing Credit equity proposal must also meet the following criteria:

- Be executed by all parties, including the Applicant;
- Include specific reference to the Applicant as the beneficiary of the equity proceeds;

B. Funding Selection:

1. Eligibility:

Only Applications that are eligible for funding will be considered for funding selection. Eligibility requirements include the following:

Eligibility Requirements	Described in RFA at:
Submission Requirements	Section Three A and Section Five
\$25,000 Letter of Credit Requirements (if applicable)	Section Three A.4. and Item 14 of Exhibit C
Financial Arrearage Requirements	Section Five
Family Demographic if located in Small County	Sections Four A.2. and Four A.5.b.(1)
LDA Development Conditions	Section Four A.7.c.
Minimum Total Proximity Score	Section Four A.6.b.(2)
Mandatory Distance Requirement	Section Four A.6.d.
Total Development Cost Per Unit Limitation	Item 8 of Exhibit C
All Mandatory Items	Section Five

2. Funding Goals:

a. Small County Florida Keys Area Funding Goal:

For Applications located in Small Counties, the Corporation has a goal to fund one (1) proposed Development located in the Florida Keys Area (Monroe County), as outlined in Section Four A.5.b.(1) of the RFA.

b. Medium County Non-DDA/Non-QCT Family Demographic Funding Goals:

For Applications located in Medium Counties, the Corporation has a goal to fund two (2) proposed Developments with the Family Demographic that are not located in a HUD-designated DDA and/or QCT, as outlined in Sections Four A.5.b.(1) and Four A.11.a.(2) of the RFA, with a preference to fund one (1) PHA Application and one (1) Non-PHA Application. PHA Application and Non-PHA Application are described in Section Four A.11.a.(2)(a)(iii) of the RFA. Once eligible Applications are selected to meet these goals, no further Medium County Applications, where the Applicant elected to compete for these goals, will be selected for funding and such unfunded Applications will be ineligible to compete for funding with the other Medium County Applications that did not make this election.

3. Housing Credit Funding Test:

For purposes of this RFA, Funding Test means that (i) Small County Applications will be selected for funding only if there is enough Small County funding available to fully fund the Eligible Housing Credit Request Amount and (ii) Medium County Applications will be selected for funding only if there is enough Medium County funding available to fully fund the Eligible Housing Credit Request Amount.

4. County Award Tally:

As each Small County and Medium County Application is selected for tentative funding, the county where the proposed Development is located will have one (1) Application credited toward the County's Award Tally.

The Corporation will prioritize eligible unfunded Applications that meet the applicable Funding Test and are located in counties that have the lowest County Award Tally above other eligible unfunded Applications with a higher County Award Tally that also meet the applicable Funding Test, even if the Applications with a higher County Award Tally are higher ranked.

5. Application Sorting Order:

Eligible Small County Applications and eligible Medium County Applications will be listed separately (Small County Application List and Medium County Application List). Within each list, the highest scoring Applications will be determined by first sorting all eligible Applications from highest score to lowest score, with any scores that are tied separated as follows:

- a. First, by the Application's eligibility for the Development Category Funding Preference which is outlined in Section Four A.5.c.(1)(a)(ii)(B) of the RFA (with Applications that qualify for the preference listed above Applications that do not qualify for the preference);

- b. Next, by the Application's eligibility for the Per Unit Construction Funding Preference which is outlined in Section Four A.11.e. of the RFA (with Applications that qualify for the preference listed above Applications that do not qualify for the preference);
- c. Next, by the Application's Leveraging Classification, applying the multipliers outlined in Item 9 of Exhibit C of the RFA (with Applications having the Classification of A listed above Applications having the Classification of B);
- d. Next, by the Application's eligibility for the Florida Job Creation Preference which is outlined in Item 10 of Exhibit C of the RFA (with Applications that qualify for the preference listed above Applications that do not qualify for the preference); and
- e. Finally, by lottery number, resulting in the lowest lottery number receiving preference.

6. Small County Selection Process:

- a. Within the Small County Application List, the first Application that will be considered for funding will be the highest ranking eligible Application that is eligible for the Florida Keys Area Goal.
- b. If the Florida Keys Area Goal is met or if there is no eligible Application that is eligible for the Florida Keys Area Goal, the next Application that will be considered for funding will be the highest ranking eligible Small County Application located in a county other than Monroe County (non-Monroe County Applications) that (i) has a Development Category of New Construction, Redevelopment, or Acquisition and Redevelopment and (ii) can meet the Housing Credit Funding Test.
- c. If Small County Housing Credit funding remains after selecting an eligible non-Monroe County Application with a Development Category of New Construction, Redevelopment, or Acquisition and Redevelopment, or if there is no eligible non-Monroe County Application with a Development Category of New Construction, Redevelopment, or Acquisition and Redevelopment, then the next Applications selected for funding will be the highest ranking eligible Small County Applications located in a county other than Monroe County (non-Monroe County Applications) that (i) can meet the Housing Credit Funding Test and (ii) have a County Award Tally that is less than or equal to any other eligible unfunded non-Monroe County Applications, regardless of the Application's Development Category. If Small County Housing Credit funding remains and no unfunded eligible non-Monroe County Application can meet the Housing Credit Funding Test, no further Small County Applications will be selected and the remaining funding will be added to the Medium County funding amount.

7. Medium County Selection Process:

- a. Within the Medium County Application List, the first two (2) Applications that will be considered for funding will be the highest ranking eligible Applications where the Applicant elected to compete for the Medium County Non-DDA/Non-QCT Family Demographic Funding Goals.

The first Application selected to meet the goal will be the highest ranking eligible PHA Application and the second Application selected to meet the goal will be the highest ranking eligible Non-PHA Application. If there is no eligible PHA Application that can be selected, then two (2) Non-PHA Applications will be selected to meet this goal. If there is no eligible

Non-PHA Application that can be selected, then two (2) PHA Applications will be selected to meet this goal. If there is no eligible PHA Application and no eligible Non-PHA Application that can be selected, as outlined above, then no further Applications will be considered for these goals.

Applications competing for these goals that are not selected to meet the goals will not be eligible to compete for any remaining Medium County funding during the selection process outlined in b. below.

- b. The next Applications that will be selected for funding will be the highest ranking eligible unfunded Medium County Applications that did not elect to compete for the Medium County Non-DDA/Non-QCT Family Demographic Funding Goals, subject to the Housing Credit Funding Test and the County Award Tally.
- c. If funding remains and no eligible unfunded Medium County Applications that did not elect to compete for the Medium County Non-DDA/Non-QCT Family Demographic Funding Goals can meet the Housing Credit Funding Test, no further Applications will be considered for funding and any remaining funding will be distributed as approved by the Board.

8. Returned Allocation:

Funding that becomes available after the Board takes action on the Committee's recommendation(s), due to an Applicant withdrawing its Application, an Applicant declining its invitation to enter credit underwriting or the Applicant's inability to satisfy a requirement outlined in this RFA and/or Rule Chapter 67-48, F.A.C., will be distributed in the following manner:

- a. If the funding was originally awarded to a Monroe County Application (to satisfy the Florida Keys Area Goal), the returned funding will be distributed to the highest ranking eligible unfunded Monroe County Application that can be fully funded. If there is enough funding available to fully fund this Application and funding still remains, or if there are no eligible unfunded Monroe County Applications, the remaining funding will be awarded to the highest ranking eligible unfunded Non-Monroe Small County Application(s) that (i) can be fully funded and (ii) has a County Award Tally that is less than or equal to any other eligible unfunded Non-Monroe Small County Applications that also meets the Funding Test. However, if there are no eligible unfunded Non-Monroe Small County Applications that can be fully funded, no further Applications will be considered for funding and the remaining funding will be distributed as approved by the Board.
- b. If the funding was originally awarded to a Non-Monroe Small County Application, the returned funding will be awarded to the highest ranking eligible unfunded Non-Monroe Small County Application that (i) can be fully funded and (ii) has a County Award Tally that is less than or equal to any other eligible unfunded Non-Monroe Small County Application.

If there is enough funding available to fully fund this Application and funding still remains, no further Applications will be considered for funding and the remaining funding will be distributed as approved by the Board.

If there is no eligible unfunded Non-Monroe Small County Application that can be fully funded, the remaining funding will be distributed as approved by the Board.

- c. If the funding was originally awarded to a Medium County Application that elected to compete for the Medium County Non-DDA/Non-QCT Family Demographic Goals, the funding will be distributed to the highest ranking unfunded Application that also elected to compete for the Medium County Non-DDA/Non-QCT Family Demographic Goals and can be fully funded, subject to the County Award Tally, with preference given to the same type of Application (PHA or Non-PHA) that returned the funding. If funding remains and no eligible unfunded Application that elected to compete for the Medium County Non-DDA/Non-QCT Family Demographic Goals can be fully funded, no further Applications will be considered for funding and the remaining funding will be distributed as approved by the Board.
- d. If the funding was originally awarded to a Medium County Application that did not elect to compete for the Medium County Non-DDA/Non-QCT Family Demographic Goals, the funding will be distributed to the highest ranking eligible unfunded Medium County Application(s) that did not elect to compete for the Medium County Non-DDA/Non-QCT Family Demographic Goals and can be fully funded, subject to the County Award Tally. If there are no eligible unfunded Medium County Applications that did not elect to compete for the goals and that can be fully funded, no further Applications will be considered for funding and the remaining funding will be distributed as approved by the Board.

SECTION FIVE EVALUATION PROCESS

- NOTES:
- (1) Developer fee may not exceed the limits established in Rule Chapter 67-48, F.A.C. Any portion of the fee that has been deferred must be included in Total Development Cost.
 - (2) Because Housing Credit equity is being used as a source of financing, complete Columns 1 and 2.
 - (3) General Contractor's fee is limited to 14% of actual construction cost (A.1.1. Column 3). The General Contractor's fee must be disclosed. The General Contractor's fee includes General Conditions, Overhead, and Profit.
 - (4) In reference to impact fees, a tax professional's advice should be sought regarding eligibility of these fees.
 - (5) For Application purposes, the maximum hard cost contingency allowed cannot exceed (i) 5% for Developments where 50% or more of the units are new construction, or (ii) 15% for Developments where less than 50% of the units are new construction. In any case, the maximum soft cost contingency allowed cannot exceed 5%. Hard costs are represented by the total of A1.3. TOTAL ACTUAL CONSTRUCTION COSTS and soft costs are represented by the total of A2. TOTAL GENERAL DEVELOPMENT COST. Limitations on these cost line items post-Application are provided in Rule Chapter 67-48, F.A.C. Operating Deficit Reserves (ODR) are not to be included in C. DEVELOPMENT COST and cannot be used in determining the maximum Developer fee. An ODR, if necessary, will be sized in credit underwriting and may be different than the Application limit.
 - (6) Because Housing Credit equity is being used (with or without SAIL) as a source of financing, an estimated compliance fee should be included in column 2.
 - (7) Although the Corporation acknowledges that the costs listed on the Development Cost Pro Forma, Detail/Explanation Sheet, Construction or Rehab Analysis and Permanent Analysis are subject to change during credit underwriting, such costs are subject to the Total Development Cost Per Unit Limitation as provided in the RFA as well as the other cost limitations provided in Rule Chapter 67-48, F.A.C., as applicable.

 - (1) Name and address of the chief elected official of the local jurisdiction where the proposed Development is located;
 - (2) The unit mix for the proposed Development (number of bedrooms per unit, number of baths per unit, and number of units per bedroom type); and

SURVEYOR CERTIFICATION FORM

¹“Scattered Sites,” as applied to a single Development, means a Development site that, when taken as a whole, is comprised of real property that is not contiguous (each such non-contiguous site within a Scattered Site Development, a “Scattered Site”). For purposes of this definition “contiguous” means touching at a point or along a boundary. Real property is contiguous if the only intervening real property interest is an easement provided the easement is not a roadway or street.

²“Development Location Point” means a single point selected by the Applicant on the proposed Development site that is located within 100 feet of a residential building existing or to be constructed as part of the proposed Development. For a Development which consists of Scattered Sites, this means a single point on the site with the most units that is located within 100 feet of a residential building existing or to be constructed as part of the proposed Development.

³The latitude and longitude coordinates for all Proximity Services must represent a point as outlined on the Coordinates Location Chart set out below. The coordinates for each service must be stated in degrees, minutes and seconds, with the degrees and minutes stated as whole numbers and the seconds represented to 2 decimal places. If the degrees and minutes are not stated as whole numbers and the seconds are not represented to 2 decimal places, the Applicant will not be eligible for proximity points for that service.

If there is no exterior public entrance to the Community Service, then a point should be used that is at the exterior entrance doorway threshold that is the closest walking distance to the doorway threshold of the interior public entrance to the service. For example, for a Pharmacy located within an enclosed shopping mall structure that does not have a direct public exterior entrance, the latitude and longitude coordinates at the doorway threshold of the exterior public entrance to the enclosed shopping mall that provide the shortest walking distance to the doorway threshold of the interior entrance to the Pharmacy would be used.

Applicants may use the same latitude and longitude coordinates for the Grocery Store, Medical Facility and/or Pharmacy if the Grocery Store, Medical Facility and/or Pharmacy is housed at the same location.

4. Required Construction Features:

The following required construction features are in addition to the Green Building Features selected by the Applicant (at question 9.a.(1) of Exhibit A) or the Applicant's commitment to achieve a Green Building Certification Program (at question 9.a.(2) of Exhibit A).

All rehabilitation units must include as many of the required Accessibility, General and Green Building features as are structurally and financially feasible within the scope of the rehabilitation work, utilizing a capital needs assessment and accessibility review ordered by the Credit Underwriter and performed by an independent third party(ies).

a. All Applicants will be required to provide the following General Features and Accessibility, Universal Design and Visitability Features:

(1) The following General Features must be provided for all proposed Developments:

- Termite prevention;
- Pest control;
- Window covering for each window and glass door inside each unit;
- Cable or satellite TV hook-up in each unit and, if the Development offers cable or satellite TV service to the residents, the price cannot exceed the market rate for service of similar quality available to the Development's residents from a primary provider of cable or satellite TV;
- Full-size range and oven in all units;
- At least two full bathrooms in all 3 bedroom or larger new construction units;
- Bathtub with shower in at least one bathroom in at least 90% of the new construction non-Elderly units; and
- Washer and dryer hook ups in each of the Development's units or an on-site laundry facility for resident use. If the proposed Development consists of an on-site laundry facility, there must be a minimum of one (1) Energy Star qualified washer and one (1)

dryer per every 15 units. To determine the required number of washers and dryers for the on-site laundry facility; divide the total number of the Developments' units by 15, and then round the equation's total up to the nearest whole number.

(2) Accessibility, Universal Design and Visitability Features:

(a) All units of the proposed Development must meet all federal requirements and state building code requirements, including the following:

- 2012 Florida Accessibility Code for Building Construction as adopted pursuant to Section 553.503, Florida Statutes;
- The Fair Housing Act as implemented by 24 CFR 100;
- Section 504 of the Rehabilitation Act of 1973; and
- Titles II and III of the Americans with Disabilities Act of 1990 as implemented by 28 CFR 35, incorporating the most recent amendments, regulations and rules.

All Developments must comply with Section 504 of the Rehabilitation Act of 1973, as implemented by 24 CFR Part 8 ("Section 504 and its related regulations"). To the extent that a Development is not otherwise subject to Section 504 and its related regulations, the Development shall nevertheless comply with Section 504 and its related regulations as requirements of the Housing Credit Program and, if applicable, the SAIL Program, to the same extent as if the Development were subject to Section 504 and its related regulations in all respects. To that end, for purposes of the Housing Credit and SAIL Programs, a Housing Credit Allocation and, if applicable, a SAIL loan, shall be deemed "Federal financial assistance" within the meaning of that term as used in Section 504 and its related regulations for all Developments. Section 504 of the Rehabilitation Act of 1973, as implemented by 24 CFR Part 8, is available by clicking [here](#).

All units must meet accessibility standards of Section 504. Section 504 accessibility standards require a minimum of 5 percent of the total dwelling units, but not fewer than one unit, to be accessible for individuals with mobility impairments. An additional 2 percent of the total units, but not fewer than one unit, must be accessible for persons with hearing or vision impairments.

(b) All new construction units that are located on an accessible route must have the features listed in (d) below.

(c) All rehabilitation units that are located on an accessible route must include features listed in (d) below. The features in (d) must be incorporated to the maximum extent feasible within the scope of the rehabilitation work planned by the Applicant. The maximum extent feasible shall be determined by the scope of work, the capital needs assessment, the accessibility review, and the construction features that are affected by the rehabilitation work. Any major change affecting the features such as remodeling, renovation, rearrangement of structural parts or walls or full-height partitions requires compliance with accessibility requirements below. For the purposes of this RFA, normal maintenance, re-roofing, painting or wallpapering, or changes to mechanical and electrical systems are not considered alterations. Where an alteration affects a construction feature, accessibility is required to the maximum extent feasible.

(d) Accessible Features:

- Primary entrance door shall have a threshold with no more than a 1/2-inch rise;
- All door handles on primary entrance door and interior doors must have lever handles;

- Lever handles on all bathroom faucets and kitchen sink faucets;

24 Hour Support to Assist Residents In Handling Urgent Issues

An important aging in place best practice is providing the residents access to property management support 24 hours per day, 7 days a week to assist them to appropriately and efficiently handle urgent issues or incidents that may arise. These issues may include, but are not limited to, an apartment maintenance emergency, security or safety concern, or a health risk incident in their apartment or on the property. The management's assistance will include a 24/7 approach to receiving residents' requests for assistance that will include a formal written process for relevant property management staff to effectively assess and provide assistance for each request.

This assistance may include staff:

- visiting or coordinating a visit to a resident's apartment to address an urgent maintenance issue;
- responding to a resident being locked out of their apartment;
- contacting on-site security or the police to address a concern;
- providing contact information to the resident and directing or making calls on a resident's behalf to appropriate community-based emergency services or related resources to address an urgent health risk incident;
- calling the resident's informal emergency contact; or
- addressing a resident's urgent concern about another resident.

Property management staff shall be on site at least 8 hours daily, but the 24 hour support approach may include contracted services or technology to assist the management meet this commitment, if these methods adequately address the intent of this service. The Development's owner and/or designated property management entity shall develop and implement policies and procedures for staff to immediately receive and handle a resident's call and assess the call based on a resident's request and/or need.

At a minimum, residents shall be informed by the property management, at move-in and via a written notice(s)/instructions provided to each resident and displayed in the Development's common or public areas, that staff are available to receive resident calls at all times. These notices shall also provide contact information and direction to first contact the community-based emergency services if they have health or safety risk concerns.

- c. Applicants who select the Elderly ALF Demographic Commitment at question 2.b.(1) of Exhibit A must also provide the following resident programs:

- (1) Medication Administration – The Applicant or its Management Company shall provide, pursuant to ALF licensure requirements, staff to administer medications in accordance with a health care provider’s order or prescription label.
- (2) Services for Persons with Alzheimer’s Disease and Other Related Disorders – The Applicant or its Management Company shall advertise and provide supervision and services to persons with Alzheimer’s disease and other related disorders that are specific to each affected resident and pursuant to ALF licensure requirements.

8. Total Development Cost Per Unit Limitation:

The Corporation shall limit the Total Development Cost (TDC) per unit for all Developments categorized by the construction type of the units as indicated by the Applicant in the RFA. The maximum amounts are provided on the TDC Per Unit Limitation chart set out below (the maximum TDC per unit exclusive of land costs and exclusive of any operating deficit reserves that are part of the permanent phase (i.e., non-construction) financing for the Development which have not been included within the Developer fee, applying any applicable TDC multiplier and/or TDC add-on) and will be tested during the scoring of the RFA, during the credit underwriting process, and during the final allocation process, as outlined below.

Proposed Developments in the Florida Keys Area will have an applicable TDC multiplier of 65%.

These TDC Per Unit Base Limitation amounts are effective from the Application Deadline through Final Cost Certification.

Total Development Cost Per Unit Base Limitations

Measure	New Construction Units					Rehabilitation Units	
	Garden Wood*	Garden Concrete*	Mid-Rise-Wood*	Mid-Rise-Concrete*	High Rise*	Garden*	Non-Garden*

Applicable TDC Add-On (to be added to the Maximum TDC Per Unit Limitation)							
TDC Multiplier for Florida Keys Area					65%		
TDC Add-On for Applicants that have a PHA as a Principal			\$5,000 of additional per unit costs will be added to the above Maximum TDC Per Unit Limitation				

* Garden includes all Development Types other than Mid-Rise and High Rise; Non-Garden includes Development Types of Mid-Rise with Elevator (4 stories, 5 stories, or 6 stories) and High-Rise (7 or more stories); Mid-Rise includes Development Type of Mid-Rise with Elevator (4 stories, 5 stories, or 6 stories) ; and High-Rise includes Development Type of High Rise (7 or more stories).

** Exclusive of land costs and exclusive of any approved operating deficit reserves that are part of the permanent phase (i.e., non-construction) financing for the Development which have not been included within the Developer fee. When the term of operating deficit reserves (ODR) is mentioned in this TDC Per Unit Limitation section, the term shall refer to these particular operating deficit reserves.

- a. Any Application that has an amount that exceeds these limitations will not be eligible to be considered for funding.
- b. Any Applicant that has the Credit Underwriter present a credit underwriting report with an amount that exceeds these limitations by more than 5 percent, after taking into consideration an escalation factor for construction costs rising after the Application Deadline of either (i) 2.7 percent for any Development with the Development Category of New Construction, Redevelopment, or Acquisition and Redevelopment, or (ii) 2.0 percent for any Development with the Development Category of Rehabilitation or Acquisition and Rehabilitation, and incorporating any applicable TDC reduction and adjustments processes provided below will receive a negative recommendation by the Credit Underwriter.

Any Applicant that has the Credit Underwriter present a credit underwriting report with an amount that exceeds these limitations, after taking into consideration the applicable escalation factor outlined above, will require staff to review the credit underwriting report for compliance to the TDC reduction and adjustment procedure provided below:

- (1) The Developer fee will be limited to the maximum allowable within the TDC Per Unit Base Limitation, inclusive of any applicable escalation factor, in all instances. A Developer fee can be earned on qualifying TDC exclusive of land and operating deficit reserves up to the TDC Per Unit Base Limitation, inclusive of any applicable escalation factor, but it cannot be earned on costs in excess of said limitation. If the Development costs exceed the amount allowed by the TDC Per Unit Base Limitation, inclusive of any applicable escalation factor, then the maximum allowable Developer fee will be adjusted as outlined below. The maximum allowable Developer fee can be determined by multiplying the applicable TDC Per Unit Base Limitation with respect to the Development as provided in this RFA, inclusive of any applicable escalation factor, by the number of total units in the Development. Next, divide this product by 1.16* and then multiply the result by 16 percent*. This will yield the maximum allowable Developer fee within the TDC Per Unit Base Limitation, inclusive of any applicable escalation factor.

Prior to determining any necessary adjustment, if the Developer fee initially stated by the Applicant or Credit Underwriter is in excess of the maximum allowable Developer fee as provided in (1) above, the stated Developer fee will be reduced to said maximum allowable Developer fee, and the TDC will be equally reduced to incorporate the cost reduction.

- (2) Subsequent to reducing the stated Developer fee to the maximum allowable amount provided above, additional adjustments may be necessary if the TDC Per Unit Base Limitation remains exceeded. An adjustment to the maximum allowable Developer fee shall be determined by reducing the maximum allowable Developer fee, as determined in (1) above, dollar-for-dollar, for any costs in excess of the amount allowed by the TDC Per Unit Base Limitation, inclusive of any applicable escalation factor, up to the lesser of (a) the actual amount of costs in excess of the amount allowed by the TDC Per Unit Base Limitation, inclusive of any applicable escalation factor, (b) \$500,000, or (c) 25 percent of the maximum allowable Developer fee. If the stated Developer fee, inclusive of any necessary adjustments incorporated above, exceeds the maximum allowable Developer fee as adjusted herein, the stated Developer fee, inclusive of any necessary adjustments incorporated above shall be further adjusted to not exceed the new maximum allowable Developer fee, and the TDC will be equally reduced to incorporate the cost reduction. If after following this Developer fee limitation process, the TDC exclusive of land costs and operating deficit reserves is reduced to be within the amount allowed by the TDC Per Unit Base Limitation, inclusive of any applicable escalation factor, then the Developer fee adjustment calculation is complete. If the TDC exclusive of land costs and operating deficit reserves remains above the amount allowed by the TDC Per Unit Base Limitation, inclusive of any applicable escalation factor, then there is an additional Developer fee adjustment, as outlined in (3) below.
- (3) An additional Developer fee adjustment will be initiated to further reduce the allowable Developer fee in the event the Development's TDC exclusive of land costs and operating deficit reserves (as adjusted above) exceeds the TDC Per Unit Base Limitation, inclusive of any applicable escalation factor. The reduction will be determined by deriving a percentage amount that the Development's TDC exclusive of land costs and operating deficit reserves (as adjusted above) exceeds the TDC Per Unit Base Limitation, inclusive of any applicable escalation factor, and multiplying this excess percentage by the amount of the adjusted Developer fee, resulting in a product that is the additional adjustment to the Developer fee (with a corresponding adjustment to the Development's TDC exclusive of land costs and operating deficit reserves). For instance, if the Development's adjusted TDC exclusive of land costs and operating deficit reserves exceeds the limitation, inclusive of any applicable escalation factor, by 4 percent, then the allowable Developer fee is further reduced by 4 percent. Once this step is complete, there is no further Developer fee adjustment or

corresponding cost savings to be incorporated into the TDC as a result of having a TDC exclusive of land costs and operating deficit reserves that exceeds the limitation.

It is at this point that the Development's adjusted TDC exclusive of land costs and operating deficit reserves are compared to the TDC Per Unit Base Limitation, and if the TDC Per Unit Base Limitation is exceeded by more than 5% (as presented in the opening paragraph of 8.b above), the credit underwriting report shall be presented with a negative recommendation by the Credit Underwriter.

As a note, if the Developer fee in the credit underwriting report is already at or below this allowable Developer fee, then there is no additional adjustment to be incorporated into the Developer fee. This also means there are no corresponding costs savings to reduce the TDC since all TDC cost reductions stemming from this process are coming from reducing the Developer fee. If the Developer fee in the credit underwriting report needs to be reduced to incorporate any adjustment as provided above, then as the Developer fee is reduced, so is the TDC in order to incorporate the reduced Developer fee cost.

For example:

An 85-unit Development with a Development Category of New Construction and a Development Type of Garden Concrete reports a TDC of \$19,500,000, inclusive of a stated Developer fee of \$2,700,000, but exclusive of land costs and all operating deficit reserves at time of credit underwriting, and also prior to any adjustment:

Calculate TDC Limitation for the Development and Maximum Allowable Developer fee

- 1.(a) TDC Per Unit Base Limitation, inclusive of any applicable escalation factor (2.7%) and the applicable TDC Multiplier (100%): $\$214,000 \text{ Per Unit} \times (1 + 2.7\%) / 100\% = \$219,778 \text{ Per Unit}$.
- 1.(b) Determine TDC Limitation for the Development: $\$219,778 \text{ Per Unit} \times 85 \text{ units} = \$18,681,130$.
- 1.(c) Implied maximum Development Cost per the limitation: $\$18,681,130 \div 1.16 = \$16,104,423$.
- 1.(d) Determine maximum allowable Developer fee within the limitation (prior to any Developer fee adjustment): $\$16,104,423 \times 16\% = \$2,576,707$.

First Developer fee/TDC adjustment Calculation Methodology (If necessary)

- 2.(a)(i) Is the stated Developer fee greater than the maximum allowable? $\$2,700,000 > \$2,576,707$.
- 2.(a)(ii) If the response to 2.(a)(i) is yes, then determine the excess: $\$2,700,000 - \$2,576,707 = \$123,293$ (excess Developer fee and excess TDC).
- 2.(b) Reduce the stated Developer fee to the lesser of either the maximum allowable or the stated fee and reduce the stated TDC by an equal amount: $\$2,700,000 - \$123,293 = \$2,576,707$; $\$19,500,000 - \$123,293 = \$19,376,707$.
- 2.(c) If the response to 2.(a)(i) is no or once the adjustment of 2.(b) has been completed, then determine if the TDC remains in excess of the limitation and if so, the amount of the excess: $\$19,376,707 - \$18,681,130 = \$695,577$.

- 2.(d) Determine the lesser of either (i) \$500,000, (ii) 25 percent of the maximum allowable Developer fee, or (iii) 100% of the excess TDC: $25\% \times \$2,576,707 = \$644,177$; $\$500,000 < \$644,177 < \$695,577$.
- 2.(e) Apply the least amount of the three options in 2(d) above to determine the maximum allowable Developer fee, subject to this adjustment: $\$2,576,707 - \$500,000 = \$2,076,707$.
- 2.(f) TDC reduction due to Developer fee adjustment: $\$19,376,707 - \$500,000 = \$18,876,707$.

(As a note, this TDC is still greater than the TDC Per Unit Base Limitation, inclusive of the applicable upward adjustment, so an additional adjustment to the maximum allowable Developer fee will need to be calculated.)

Second Developer fee/TDC adjustment Calculation Methodology (If necessary)

- 3.(a) Determine the percentage the TDC without land costs and operating deficit reserves (as adjusted above for first adjustment) that exceeds the amount allowed by the TDC Per Unit Base Limitation, inclusive of any applicable escalation factor: $\$18,876,707 - \$18,681,130 = \$195,577$; $\$195,577 \div \$18,681,130 = 1.05\%$.
 - 3.(b) Calculate the additional adjustment: $1.05\% \times \$2,076,707 = \$21,742$.
 - 3.(c) Determine the final maximum Developer fee, after adjustments, at time of credit underwriting: $\$2,076,707 - \$21,742 = \$2,054,965$.
 - 3.(d) Determine the final adjusted TDC at time of credit underwriting: $\$18,876,707 - \$21,742 = \$18,854,965$.
 - 3.(e) Verify the status of the 5% variance test: $(\$18,854,965 - \$18,681,130) / \$18,681,130 = 0.9\%$, which falls under the criteria of being less than or equal to 5% above of the TDC Per Unit Base Limitation, inclusive of any applicable escalation factor.
- c. Any Applicant that presents a Final Cost Certification Application Package (FCCAP) that has amounts that exceed the TDC Per Unit Base Limitation, subject to an escalation factor of either (i) 2.7 percent for any Development with the Development Category of New Construction, Redevelopment, or Acquisition and Redevelopment, or (ii) 2.0 percent for any Development with the Development Category of Rehabilitation or Acquisition and Rehabilitation, will require staff to review the FCCAP for compliance to the procedure provided in (1), (2) and (3) below if the Development did not have its Developer fee adjusted at credit underwriting as provided in 8.b. above, either voluntarily or by the credit underwriter in order to get the Development's TDC exclusive of land and operating deficit reserves to be in compliance with the TDC Per Unit Base Limitation requirements.

If the Development has already had its Developer fee adjusted at credit underwriting as provided in 8.b. above, either voluntarily or by the credit underwriter in order to get the Development's TDC exclusive of land and operating deficit reserves to be in compliance with the TDC Per Unit Base Limitation requirements, and the Development's TDC without land and operating deficit reserves in the FCCAP exceeds the Development's TDC without land costs and operating deficit reserves provided in the credit underwriting report, then the Developer fee will have an additional adjustment to be incorporated as provided in (4) below.

If the Development has already had its Developer fee adjusted at credit underwriting as provided in 8.b. above, either voluntarily or by the credit underwriter in order to get the Development's TDC exclusive of land and operating deficit reserves to be in compliance with the TDC Per Unit Base Limitation requirements, but the Development's TDC without land and operating deficit reserves in the FCCAP is now less than the Development's TDC without land costs and operating deficit reserves provided in the credit underwriting report, then the Developer fee will be re-evaluated based on the procedure provided in 8.b. above, just as if it were going through the credit underwriting report process again.

- (1) The Developer fee will be limited to the maximum allowable within the TDC Per Unit Base Limitation, inclusive of any applicable escalation factor, in all instances. A Developer fee can be earned on qualifying TDC exclusive of land costs and operating deficit reserves up to the TDC Per Unit Base Limitation, inclusive of any applicable escalation factor, but it cannot be earned on costs in excess of said limitation. If the Development costs exceed the amount allowed by the TDC Per Unit Base Limitation, inclusive of any applicable escalation factor, then the maximum allowable Developer fee will be adjusted as outlined below. The maximum allowable Developer fee can be determined by multiplying the applicable TDC Per Unit Base Limitation with respect to the Development as provided in this RFA, inclusive of any applicable escalation factor, by the number of total units in the Development. Next, divide this product by 1.16* and then multiply the result by 16 percent*. This will yield the maximum allowable Developer fee within the TDC Per Unit Base Limitation, inclusive of any applicable escalation factor.

Prior to determining any necessary adjustment, if the Developer fee initially stated by the FCCAP is in excess of the maximum allowable Developer fee as provided in (1) above, the Developer fee will be reduced to said maximum allowable Developer fee, and the TDC will be equally reduced to incorporate the cost reduction.

- (2) Subsequent to reducing the Developer fee to the maximum allowable amount, additional adjustments may be necessary if the TDC Per Unit Base Limitation remains exceeded. An adjustment shall be determined by reducing the maximum allowable Developer fee as determined in (1) above, dollar-for-dollar, for any costs in excess of the amount allowed by the TDC Per Unit Base Limitation, inclusive of any applicable escalation factor, up to the lesser of (a) the actual amount of costs in excess of the amount allowed by the TDC Per Unit Base Limitation, inclusive of any applicable escalation factor, (b) \$250,000, or (c) 10 percent of the maximum allowable Developer fee. If the stated Developer fee, inclusive of any necessary adjustments incorporated above, exceeds the maximum allowable Developer fee, as adjusted herein, the stated Developer fee, inclusive of any necessary adjustments incorporated above, shall be further adjusted to not exceed the new maximum allowable Developer fee and the TDC will be equally reduced to incorporate the cost reduction. If, after following this Developer fee limitation process, the TDC exclusive of land costs and operating deficit reserves is reduced to be within the amount allowed by the TDC Per Unit Base Limitation, inclusive of any applicable escalation factor, then the Developer fee adjustment calculation is complete. If the TDC exclusive of land costs and operating deficit reserves remains above the amount allowed by the TDC Per Unit Base Limitation, inclusive of any applicable escalation factor, then there is an additional Developer fee adjustment, as outlined in (3) below.
- (3) An additional Developer fee adjustment will be initiated to further reduce the allowable Developer fee in the event the TDC exclusive of land costs and operating deficit reserves (as adjusted above) exceeds the TDC Per Unit Base Limitation. The reduction will be determined by deriving a percentage amount that the TDC exclusive of land costs and

operating deficit reserves (as adjusted above) exceeds the amount allowed by the TDC Per Unit Base Limitation, inclusive of any applicable escalation factor, and multiplying this excess percentage by the amount of the adjusted Developer fee, resulting in a product that is the additional adjustment to the Developer fee. For instance, if the Development's adjusted TDC exclusive of land costs and operating deficit reserves exceeds the limitation, inclusive of any applicable escalation factor, by 4 percent, then the allowable Developer fee is further reduced by 4 percent. Once this step is complete, there is no further Developer fee adjustment or corresponding cost savings to be incorporated into the TDC as a result of having a TDC exclusive of land costs and operating deficit reserves that exceeds the limitation.

As a note, if the Developer fee in the FCCAP is already at or below this allowable Developer fee, then there is no additional adjustment to be incorporated into the Developer fee. This also means there are no corresponding costs savings to reduce the TDC since all TDC cost reductions stemming from this process are coming from reducing the Developer fee. If the Developer fee in the FCCAP needs to be reduced to incorporate any penalties provided above, then as the Developer fee is reduced, so is the TDC in order to incorporate the reduced Developer fee cost.

- (4) For those Developments that have already had its Developer fee adjusted at credit underwriting as provided in 8.b. above and whose TDC without land costs and operating deficit reserves in the FCCAP exceeds the TDC without land costs and operating deficit reserves provided in the credit underwriting report, the allowable Developer fee will incorporate an additional adjustment. This additional Developer fee adjustment will be the lesser of (a) the difference between the amount of TDC exclusive of land costs and operating deficit reserves as reported in the FCCAP that is in excess of the TDC exclusive of land costs and operating deficit reserves provided in the credit underwriting report, (b) \$250,000, or (c) 10 percent of the allowable Developer fee reported in the credit underwriting report. If the Developer fee in the FCCAP is already equal to or less than the allowable Developer fee as determined with the incorporation of this additional Developer fee adjustment, then neither the Developer fee nor the TDC is further reduced.

For example:

Assuming the Development in the example provided in 8.b. above provides an FCCAP with a TDC exclusive of land costs and operating deficit reserves of \$300,000 higher than the TDC exclusive of land costs and operating deficit reserves provided in the credit underwriting report, but the Developer fee is the same as provided in the credit underwriting report of \$2,054,965. The additional Developer fee adjustment will be the lesser of (a) \$300,000 (the new excess costs), (b) \$250,000 (the maximum dollar limit of this additional Developer fee adjustment), or (c) \$205,497 (10% of the allowable Developer fee reported in the credit underwriting report).

Since (c) is the lowest of the three options, the allowable Developer fee and the TDC will both be lowered by \$205,497. The allowable Developer fee will be \$1,849,468 (the allowable Developer fee reported in the credit underwriting report of \$2,054,965, less the adjustment of \$205,497). The TDC exclusive of land costs and operating deficit reserves in the FCCAP would be adjusted to \$18,949,468 (\$18,854,965 from the credit underwriting report plus \$300,000 of new additional costs less \$205,497 for the reduction in allowable Developer fee).

* These figures represent the applicable Developer fee percentage for the Development (16%) and one plus the applicable Developer fee percentage for the Development (1+16%).

9. Leveraging Classification:

Each eligible Application's Leveraging Classification will be determined as follows:

a. Calculating the Set-Aside Units:

The total number of set-aside units for each Application will be computed by multiplying the total number of units within the proposed Development by the highest Total Set-Aside Percentage the Applicant committed to as stated in the last row of the set-aside breakdown chart in the Set-Aside Commitment section of the Application. Results that are not a whole number will be rounded up to the next whole number.

b. A/B Leveraging Classification:

All eligible Applications will be classified as either Group A or Group B based on the amount of total Corporation funding per set-aside unit, as outlined below. For purposes of this provision, the total Corporation funding amount includes the Eligible Housing Credit Request Amount only and excludes any SAIL funding amount.

The Corporation will calculate the total Corporation funding per set-aside unit for each Application as follows:

- (1) If the Development is not located in a HUD designated HCA, the Eligible Housing Credit Request Amount will be multiplied by 9.0. If the Development is located in a HUD designated HCA, the Eligible Housing Credit Request Amount will be multiplied by 9.0 and that product will be divided by 1.3.
- (2) The total Corporation funding amount may be further adjusted as outlined below. NOTE: If a proposed Development meets all of the requirements of both (a) and (c), the total Corporation funding amount will be multiplied by 0.65. If a proposed Development meets all of the requirements of both (b) and (c), the total Corporation funding amount will be multiplied by 0.785. If a proposed Development meets all of the requirements of both (c) and (d), the total Corporation funding amount will be multiplied by 0.692 (the result of both multipliers applied).
 - (a) If the proposed Development meets all of the following requirements, the total Corporation funding amount will be multiplied by 0.65:
 - Applicant selected the High Rise Development Type, and
 - Applicant selected the Development Category of New Construction or selected and qualified for the Development Category of Redevelopment or Acquisition and Redevelopment.

or

 - (b) If the proposed Development meets all of the following requirements, the total Corporation funding amount will be multiplied by 0.785:
 - Applicant selected the Mid-Rise with Elevator (a building comprised of 5 or 6 stories) Development Type and at least 90 percent of the total units are in these Mid-Rise building(s), and

- Applicant selected the Development Category of New Construction or selected and qualified for the Development Category of Redevelopment or Acquisition and Redevelopment.

or

- (c) If the proposed Development meets all of the following requirements, the total Corporation funding amount will be multiplied by 0.865:

- Applicant selected the Development Category of New Construction or selected and qualified for the Development Category of Redevelopment or Acquisition and Redevelopment, and
- The proposed Development met the requirements to be considered concrete construction.

or

- (d) If the proposed Development is located in the Florida Keys Area, the total Corporation funding amount will be multiplied by 0.80.

- (3) All eligible Applications will be divided into two (2) lists: the “New Construction List” consisting of the eligible Applications with the Development Category of New Construction, Redevelopment, and Acquisition and Redevelopment, and the “Rehabilitation List” consisting of the eligible Applications with the Development Category of Rehabilitation and Acquisition and Rehabilitation.

- (a) The New Construction List will be compiled as follows:

The eligible Applications will be listed in ascending order beginning with the Application that has the lowest amount of total Corporation funding per set-aside unit and ending with the Application that has the highest amount of total Corporation funding per set-aside unit.

The total number of Applications on the New Construction List will be multiplied by 80 percent and the resulting figure will be rounded up to the next whole number (the resulting figure after rounding will be referred to as the “New Construction A/B Cut-Off”). A line will be drawn below the Application whose place on the list is equal to the New Construction A/B Cut-Off. If any Application(s) below the line has the same total Corporation funding request per set-aside unit as the Application immediately above the line, the line will be moved to a place immediately below that Application(s). Applications above the New Construction A/B Cut-Off will be classified as Group A and Applications below the New Construction A/B Cut-Off will be classified as Group B.

- (b) The Rehabilitation List will be compiled as follows:

The eligible Applications will be listed in ascending order beginning with the Application that has the lowest amount of total Corporation funding per set-aside unit and ending with the Application that has the highest amount of total Corporation funding per set-aside unit.

The total number of Applications on the Rehabilitation List will be multiplied by 80 percent and the resulting figure will be rounded up to the next whole number (the resulting figure after rounding will be referred to as the “Rehabilitation A/B Cut-Off”). A line will be drawn below the Application whose place on the list is equal to the

Rehabilitation A/B Cut-Off. If any Application(s) below the line has the same total Corporation funding request per set-aside unit as the Application immediately above the line, the line will be moved to a place immediately below that Application(s). Applications above the Rehabilitation A/B Cut-Off will be classified as Group A and Applications below the Rehabilitation A/B Cut-Off will be classified as Group B.

The New Construction List and the Rehabilitation List will then be merged to form one list.

10. Florida Job Creation Preference:

Each Application will be measured to determine whether it qualifies for the Florida Job Creation Preference. To determine eligibility for the preference, the Corporation will calculate the Application's Florida Job Creation score, which will reflect the number of Florida jobs per \$1 million of implied eligible housing credit equity and, if applicable, loan funding. All Applications must earn a Florida Job Creation score equal to or greater than 13 to qualify for the Florida Job Creation Preference in Section Four B of the RFA.

Determination of the Florida Job Creation score will be based on the following information:

- The number of new construction and/or rehabilitation units committed to by the Applicant (as stated by the Applicant at question 5.e. of Exhibit A of the RFA);
- The applicable Florida job creation rate for the type of units:
 - Rate of 3.811 Florida Jobs per Unit for proposed new construction units;
 - Rate of 1.916 Florida Jobs per Unit for proposed rehabilitation units;
- The Eligible Housing Credit Request Amount; and
- The Eligible SAIL Loan Request Amount.

The score for the Florida Rate of Job Creation per \$1 million of implied eligible housing credit equity and, if applicable, total SAIL Loan funding will be measured using one of the following calculations:

a. Developments consisting of only new construction units:

Number of new construction units x 3.811 Florida Jobs per Unit x 1,000,000 / (the sum of the Eligible Housing Credit Request Amount x 9.0 plus the Eligible SAIL Loan Request Amount, if applicable) = Florida Jobs per \$1 million of Housing Credit Allocation.

For example:

Application A consists of 70 new construction units and has an Eligible Housing Credit Request Amount of \$1,025,000 and an Eligible SAIL Loan Request Amount of \$3,600,000.

$70 \times 3.811 \times 1,000,000 / (1,025,000 \times 9.0 + 3,600,000) = \text{Florida Job Creation score of } 20.80.$

b. Developments consisting of only rehabilitation units:

Number of rehabilitation units x 1.916 Florida Jobs per Unit x 1,000,000 / (the sum of the Eligible Housing Credit Request Amount x 9.0 plus the Eligible SAIL Loan Request Amount, if applicable) = Florida Jobs per \$1 million of Housing Credit Allocation.

For example:

Application B consists of 95 rehabilitation units and has an Eligible Housing Credit Request Amount of \$655,000 and an Eligible SAIL Loan Request Amount of \$4,150,000.

$$95 \times 1.916 \times 1,000,000 / (655,000 \times 9.0 + 4,150,000) = \text{Florida Job Creation score of } 18.12.$$

- c. Developments consisting of both new construction units and rehabilitation units:

(Number of new construction units x 3.811 Florida Jobs per Unit + number of rehabilitation units x 1.916 Florida Jobs per Unit) x 1,000,000 / (the sum of the Eligible Housing Credit Request Amount x 9.0 plus the Eligible SAIL Loan Request Amount, if applicable) = Florida Jobs per \$1 million of Housing Credit Allocation.

For example:

Application C consists of 30 new construction units and 50 rehabilitation units and has an Eligible Housing Credit Request Amount of \$670,000 and an Eligible SAIL Loan Request Amount of \$3,100,000.

$$[(30 \times 3.811) + (50 \times 1.916)] \times 1,000,000 / (670,000 \times 9.0 + 3,100,000) = \text{Florida Job Creation score of } 23.02.$$

In above examples, all Applications will qualify for the Job Creation Preference because each has a Florida Job Creation score that is at least 13.

11. Fees:

The Corporation and, if applicable, the Credit Underwriter shall collect via check or money order from the Applicant the following fees and charges in conjunction with this RFA. Failure to pay any fee shall cause the Housing Credit allocation and, if applicable, the SAIL funding awarded to be withdrawn as outlined in the Carryover Allocation Agreement and the credit underwriting and program requirements outlined in Rule Chapter 67-48, F.A.C.

The administrative fee must be received by the Corporation as stated in the Preliminary Allocation. Since fees for the full Housing Credit Extended Use Period will be collected at final allocation, the fee amount is discounted at a rate of 2 percent and based upon the payment stream from the Corporation to the monitoring agent.

The Corporation shall charge a non-refundable extension fee of 1 percent of the loan amount if the Board approves the request to extend the preliminary commitment beyond the initial 12 month closing deadline.
