Section V - Notes / Explanations Disclosed by State	
Line 76	Note 1 - Line 30 does not equal Line 71 because repayments were received, by check or by EFT, into Florida Housing's operating account and not yet transferred to BNYM.
Line 77	During the quarter, \$341,657.47 in receipts from the previous was transferred to BNY. Additionally, 189,451.68 in repayments was collected in the current quarter, but not transferred to BNYM
Line 78	by quarter end. This is offset by the almost \$2 million in expenses advanced by Florida Housing during the quarter. These amounts are expected to clear in the next quarter.
Line 79	
Line 80	Note 2 - Lines 7(d)-13(d) do not equal Line 34(g) because of \$39,917.79 returned by servicers to Florida Housing's operating account during the quarter.
Line 81	Florida Housing is working to correct these as they occur.
Line 82	
Line 83	Note 3 - Lines 7(d)-13(d) do not equal cumulative assistance on the QPR because of funds returned by the servicers that had not been entered into the CounselorDirect system by
Line 84	quarter-end (\$32,440.88) offset by funds returned by servicers to Florida Housing's operating account (\$39,917.79). All of the CounselorDirect timing differences were cleared in April 2014.
Line 85	Florida Housing is working to correct the returned funds as they occur. This also accounts for the individual program differences. The net differences for the individual programs are
Line 86	Line 7(d) - UMAP \$6,355.84; Line 8(d) - MLRP \$1,121.07. These combine to make the total difference of \$7,476.91.
Line 87	
Line 88	Note 4 - Line 34 does not equal Line 73 because of funds returned by servicers to Florida Housing's operating account, net of funds transferred to BNYM [34(f) vs 73(j) - \$27,343.38 for the quarter and
Line 89	34(g) vs 73(k) - \$39,917.79 program to date.] Florida Housing is working to correct these as they occur.
Line 90	
Line 91	Note 5 - Line 34 does not equal the QPR because of timing differences. These timing differences \$10,246.01 for the quarter, and \$32,440.88 program to date) are funds returned by the
Line 92	servicers that had not been entered into the CounselorDirect system by quarter-end. These timing differences were resolved in April 2014.
Line 93	
Line 94	Note 6 - Line 73 does not equal cumulative assistance on the QPR because of timing differences between the return of funds by the servicers and entry to the CounselorDirect system
Line 95	(Quarter \$10,246.01; Program to date \$32,440.88) and by funds returned by servicers to Florida Housing's operating account (Quarter, net \$27,343.38; Program to date \$39,917.79).
Line 96	These timing differences are expected to clear in the next quarter. Florida Housing is working to correct the returned funds as they occur.
Line 97	
Line 98	Note 7 - Line 71(k) does not equal Line 15(c) because payments on loans (satisfactions) were sent to directly to Florida Housing's operating account or were checks. Florida Housing does
Line 99	not have a mechanism to deposit checks to BNYM. Funds received in the current quarter had not yet been transferred to BNYM as of the date of the report (quarter end).
