Section V - Notes / Explanations Disclosed by State	
Line 82	Note 1 - Line 35 does not equal Line 76 because repayments were received, by check or by EFT, into Florida Housing's operating account and not yet transferred to BNYM. During the quarter, \$830,738.44 in previous receipts were transferred to BNY. Additionally, \$1,423,705.03 of the repayments collected in the current quarter had not been transferred to BNYM by quarter end. Treasury's security interest in the repayments is protected by approximately \$1.57 million in expenses advanced by Florida Housing during the quarter. These amounts are expected to clear in the next quarter.
Line 83	
Line 84	
Line 85	
Line 86	
Line 87	Note 2 - Lines 7(d)-18(d) do not equal Line 39(g) because of \$19,777.92 returned by servicers to Florida Housing's operating account during the quarter. Because these are not yet in the BNY Mellon HHF account, they are not yet reflected on lines 7(d) - 18(d) or on line 79. The total is made up of one receipt from each of two servicers.
Line 88	
Line 89	Note 3 - Lines 7(d)-18(d) do not equal cumulative assistance on the QPR by at total difference of \$27,277.92 because of funds returned by the servicers that had not been entered into the CounselorDirect system by quarter-end (\$0.00) offset by funds returned by servicers to Florida Housing's operating account (\$19,777.92). The remaining difference (\$7,500) is one DPA loan purchased in June that was reversed in July. This also accounts for the individual program differences. The net differences for the individual programs are: Line 7(d) - UMAP \$0.00; Line 8(d) - MLRP \$4,777.92; Line 12(d) - DPA \$22,500.00. These combine to make the total difference of \$27,277.92.
Line 90	
Line 91	
Line 92	Note 4 - Line 39 does not equal Line 79 because of funds returned by servicers to Florida Housing's operating account rather than the BNY Program account, net of funds transferred to the BNY Program account: [39(f) vs 79(j) - \$16,165.05 for the quarter and 39(g) vs 79(k) - \$19,777.92 program to date]
Line 93	
Line 94	
Line 95	Note 5 - Line 39 does not equal the QPR because of timing differences. These timing differences [ (\$16,352.97) for the quarter, and (\$7,500.00) program to date] are funds returned by the servicers that had not been entered into the CounselorDirect system or reversed in a DPA purchase by quarter-end. These timing differences were resolved in July 2016.
Line 96	
Line 97	Note 6 - Line 79 does not equal assistance on the QPR [Quarter (\$32,518.02); Program to date (\$27,277.92)]. This is due to timing differences between the return of funds by the servicers and the entry to the CounselorDirect system or reversal in a DPA purchase [Quarter (\$16,352.97); Program to date (\$7,500.00)] and by funds returned by servicers to Florida Housing's operating account rather than the BNY program account [Quarter, net (\$16,165.05); Program to date (\$19,777.92)]. These timing differences clear in the next quarter. Florida Housing is working with servicers to correct the returned funds as they occur.
Line 98	
Line 99	
Line 100	
Line 101	Note 7 - Line 76(k) does not equal Line 20(c) because payments on loans (satisfactions) were sent to directly to Florida Housing's operating account or were checks. Florida Housing does not have a mechanism to deposit checks to BNYM. Funds received in the current quarter had not yet been transferred to BNYM as of the date of the report (quarter end).
