

## Foreclosure Counseling Program Proposed Allocation

Of the \$10 million in funding, 7.5% is being withheld for administrative costs\*, leaving \$9,250,000 to provide direct assistance to homeowners. This proposed allocation provides \$7 million to be used for homeowners in each county based on the county's portion of the statewide number of loan delinquencies and homes in the foreclosure process. However, a minimum of \$5,000 per county will be allocated on a preliminary basis for services to homeowners. The remaining \$2,250,000 will be placed into a pool to be accessed once a county's allocation is fully used.
