PETITION FOR WAIVER OF RULE 67-48.0072(21)(b), F.A.C. (6/23/20)

Pursuant to Section 120.542, Florida Statutes, and Rule 28-104.002, Florida Administrative Code (“F.A.C.”), Petitioner AMC HTG 2, Ltd., a Florida limited partnership, submits this Petition to Respondent Florida Housing Finance Corporation (“Florida Housing”) for a waiver of Rule 67-48.0072 (21)(b), F.A.C. (the “Rule”) in effect at the time the Petitioner submitted its application in response to Florida Housing’s Request for Applications 2021-208 SAIL And Housing Credit Financing For The Construction Of Workforce Housing (the “RFA”). Petitioner seeks a firm loan commitment extension for Application 2021-323S (the “Application”). Per Rule 67-48.0072 (21)(a), F.A.C., Florida Housing “shall issue a firm loan commitment after approval of the Credit Underwriter’s recommendation for funding by the Board.” However, Petitioner experienced significant delays beyond its control and anticipates that the credit underwriting report cannot be finalized until August 2023. Petitioner’s timeline to achieve firm loan commitment issuance is by January 15, 2023, or an earlier Florida Housing

Board meeting. Thus, Petitioner seeks a six-month extension of the firm loan commitment deadline to July 15, 2023. In support of its Petition, the Petitioner states as follows:

3. The following information pertains to the development underlying Petitioner’s Application (the “Development”):

- Development Name: Courtside Apartments, Phase II

- Demographics: Workforce
- Funding: \$2,750,000 State Apartment Incentive Loan (SAIL); \$1,780,620 Housing Credits (4% HC)

4. Petitioner accepted an invitation to enter credit underwriting dated July 12, 2021.

Although the Rule provides that the firm loan commitment must be issued within twelve months of acceptance to enter credit underwriting, it also provides that Petitioner may request one extension of up to six months. Petitioner exercised this right and Florida Housing’s Board approved the extension request on June 17, 2022 to extend the deadline from July 15, 2022 to January 15, 2023. Petitioner paid the extension fee required by the Rule.

C. WAIVER IS PERMANENT

5. The requested waiver is permanent in nature.

D. RULE FROM WHICH WAIVER IS SOUGHT

6. Petitioner requests a waiver from the Rule, which provides:

(21) Information required by the Credit Underwriter shall be provided as follows:

(b) For SAIL, EHCL, and HOME, unless stated otherwise in a competitive solicitation, the firm loan commitment must be issued within twelve (12) months of the Applicant’s acceptance to enter credit underwriting. Unless an extension is approved by the Corporation in writing, failure to achieve issuance of a firm loan commitment by the specified deadline shall result in withdrawal of the preliminary commitment. Applicants may request one (1) extension of up to six (6) months to secure a firm loan commitment. All extension requests must be submitted in writing to the program administrator and contain the specific reasons

for requesting the extension and shall detail the time frame to achieve a firm loan commitment. In determining whether to grant an extension, the Corporation shall consider the facts and circumstances of the Applicant's request, inclusive of the responsiveness of the Development team and its ability to deliver the Development timely. The Corporation shall charge a non-refundable extension fee of one (1) percent of each loan amount if the request to extend the credit underwriting and firm loan commitment process beyond the initial twelve (12) month deadline is approved. If an approved extension is utilized, Applicants must pay the extension fee not later than seven (7) Calendar Days after the original twelve (12) month deadline. If, by the end of the extension period, the Applicant has not received a firm loan commitment, then the preliminary commitment shall be withdrawn.

See Rule 67-48.072(21)(b), F.A.C. (6/23/20)

E. STATUTES IMPLEMENTED BY THE RULE

7. The Rule implements, among other sections of the Florida Housing Finance Corporation Act (the "Act"),¹ Section 420.5087 (State Apartment Incentive Loan Program); Section 420.5089 (HOME Investment Partnership Program and HOME Investment Partnership Fund); and Section 420.5099 (allocation of the low-income housing tax credit).

F. JUSTIFICATION FOR THE REQUESTED WAIVER

8. Under Section 120.542(1), Fla. Stat., and Chapter 28-104, F.A.C., Florida Housing has the authority to grant waivers to its rule requirements when strict application of these rules would lead to unreasonable, unfair, and unintended consequences in particular instances. Waivers must be granted when: (1) the person who is subject to the rule demonstrates that the application of the rule would create a substantial hardship or violate principles of fairness, and (2) the purpose of the underlying statute has been or will be achieved by other means by the person. § 120.542(2), Fla. Stat.

¹ The Florida Housing Finance Corporation Act is set forth in Sections 420.501 through 420.517 of the Florida Statutes.

9. Because Petitioner was previously granted a six-month extension of the firm loan commitment deadline, the requested extension may not be granted without a waiver of the Rule.

10. Petitioner is requesting an extension of the firm loan commitment deadline from January 15, 2023 to July 15, 2023 to allow sufficient time to finalize underwriting. Petitioner's timeline to achieve firm loan commitment issuance is by January 15, 2023, or an earlier Florida Housing Board meeting.

11. The need for the requested extension was created by circumstances beyond Petitioner's control, as set forth below:

- a. The Development is located on a Miami-Dade County owned site with existing structures and is adjacent to a City of Miami owned site with shared parking and access. This has required the Petitioner to solve an array of legal and planning issues between the County and City. These legal issues have affected the Petitioner's ability to attain timely site plan approval from the City of Miami.
- b. The unprecedented demand in development activities, coupled with the rippling effects of COVID-19 on the labor market, have put immense strain on municipal departments, resulting in limited resources to review, comment, and approve building permits. This reduction in operational capacity has led to municipal approvals being backlogged, causing delays in the development process.
- c. Additionally, construction costs have escalated simultaneously with interest rates and insurance costs, which have created an even greater financing gap. Petitioner has identified sources to address the financial gap, which include the City of Miami and the Southeast Overtown Park West Community Redevelopment Agency. Identifying

and working to secure these additional funding sources has lengthened the development timeline.

12. As a result of these delays, the timing of permitting review comments, the design team's implementation of city comments, and the subsequent re-reviews, the interruption in the development timeline has been further exacerbated. The Development is currently in the design of construction documents phase, which will be followed by bidding, General Contractor selection, and the Plan and Cost Review, after which it will be able to finalize the Credit Underwriting Report.

13. Due to these reasons, Petitioner does not anticipate the ability to meet the firm loan commitment deadline of January 15, 2023. Petitioner anticipates that the Credit Underwriting Report will be finalized in August 2023.

14. Petitioner is requesting more time to be able to coordinate its design and engineering teams to garner the necessary City and County approvals.

15. The requested waiver will not adversely affect Petitioner, the Development, any other party that applied to receive SAIL funding in the RFA, or Florida Housing. A denial of the Petition, however, would: (a) result in substantial economic hardship to Petitioner, as it has incurred significant costs to date in an effort to ensure that the Development proceeds to completion; (b) deprive Miami-Dade County of essential affordable rental units set aside for Workforce individuals, who desperately need the housing, as well as other amenities and

services which the Development will offer; and (c) violate principles of fairness². See § 120.542(2), F.S.

16. If this Petition is not granted, the preliminary commitment will be withdrawn and the Development will not be constructed.

17. As discussed herein, Petitioner is requesting a second extension of the deadline for issuance of the firm loan commitment from January 15, 2023 to July 15, 2023, which request requires a waiver of the Rule.

18. The requested waiver will ensure the availability of SAIL and housing credit financing which will otherwise be lost as a consequence of the delays described herein.

19. The foregoing facts demonstrate the hardship and other circumstances which justify Petitioner's request for a Rule waiver.

20. Controlling statutes and Florida Housing's Rules are designed to allow the flexibility necessary to provide relief from requirements when strict application, in particular circumstances, would lead to unreasonable, unfair, or unintended results. As demonstrated above, the requested waiver serves the purposes of Section 420.5087 and the Act, as a whole, because one of their primary goals is to facilitate the availability of decent, safe and sanitary housing in the State of Florida to low-income persons and households. Further, by granting the requested waiver, Florida Housing would recognize principles of fundamental fairness in the development of affordable rental housing.

²“Substantial hardship” means a demonstrated economic, technological, legal or other type of hardship to the person requesting the variance or waiver. “Principles of Fairness” are violated when literal application of a rule affects a particular person in a manner significantly different from the way it affects other similarly situated persons who are subject to the rule. Section 120.542(2), Florida Statutes.

21. Should Florida Housing require additional information, a representative of Petitioner is available to answer questions and to provide all information necessary for consideration of this Petition.

G. ACTION REQUESTED

22. Petitioner requests the following:
- a. That Florida Housing grant Petitioner a waiver from Rule 67-48.0072(21)(b), Florida Administrative Code, extend the deadline for issuance of the firm loan commitment from January 15, 2023 to July 15, 2023;
 - b. That Florida Housing grant the Petition and all the relief requested therein; and
 - c. That Florida Housing grant such further relief as may be deemed appropriate.
