

Questions and Answers for RFQ 2026-06 Compliance Administration for the Single Family Homebuyer Loan Program

1: Please confirm total MRB production for 2025 (units and aggregate dollar amount).

A: 1874 units, \$458,103,544.00. **Note:** MRB qualified loans are also sold in the spec pool market and with indenture assets. These totals are not represented here.

2: Please share your 2026 MRB volume projection (units and dollar amount), noting any assumptions.

A: 2026 YTD: 431 Units, \$108,862,185.00. Florida Housing does not currently have a projection to share.

3: Please provide your current review turn times for (i) initial submission, (ii) conditions clearing, and (iii) final approval.

A: Loans purchased within the last year (3/12/25 – 3/12/26 = 6,450)

- (i) Loan reserved to submission of compliance loan file = 31
- (ii) Conditions cleared from compliance file receipt = 5
- (iii) Loan reserved to final compliance approved = 36
