A. Request for Approval for an the Extension of the Homeownership Loan Program (HLP) Construction Period for Abidjan Estates

Applicant Name (“Applicant”):	We Help Community Development Corporation (Non-Profit)
Development Name (“Development”):	Abidjan Estates
Developer/Principal (“Developer”):	Dr. D.M. Walker
Number of Units: 76	Location: Palm Beach County, Florida
Type: Purchase Assistance Loan	Allocated Amount: \$2,000,000

1. Background

- a) The Applicant was funded during the 2003 Homeownership Loan Program Cycle for Abidjan Estates. On February 2, 2004, the Applicant was invited into credit underwriting. On September 10, 2004, the Board approved the final credit underwriting report, dated September 2, 2004. On September 13, 2004, a firm commitment letter was issued with a 3-year construction period through September 13, 2007.
- b) On January 25, 2008 the Board granted the Developer’s request for a one-year extension of the construction period, from September 13, 2007 to September 13, 2008, contingent upon satisfactory resolution of the issues identified in the market study and appraisal, the purchase price increase, a firm commitment from Palm Beach County for down payment assistance for all homes in this Development, and a plan for the developer to repay the Predevelopment Loan Program (PLP) loan.
- c) On March 13, 2009, the Board granted an extension of the construction period until September 13, 2009 to allow the Developer time to complete the closings on the twenty units that were either completed or under construction.
- d) At that time they had closed on 7 homes, utilizing \$313,050 out of the original \$2,000,000 that was awarded. No further closings have occurred.

2. Present Situation

On September 3, 2009, the Servicer advised that they were in the process of finalizing 4 homebuyer files and that they anticipate them to close by the end of September. Each homebuyer has received a firm permanent mortgage loan commitment from a lender with a stated expiration date.

3. Recommendation

Staff recommends that the Board grant an extension of the construction period to allow for the closing of these 4 homebuyers only through the expiration date stated on their mortgage loan commitment letters. After those respective dates, staff recommends that the remaining funds be de-obligated.

B. Request for Approval for an the Extension of Two Reservations in the Homeownership Pool Program in Duval County

1. Background

- a) According to Rule Chapter 67-57, F.A.C. all reservations made under the Homeownership Pool Program has 180 days to close the loan. If the funds for the Eligible Homebuyer are not drawn within that period, the reservation of funds shall be cancelled and the Member must submit a new reservation.
- b) There are two ways an extension may be granted. Existing reservations in counties affected by a newly designated Presidentially Declared Disaster Area shall be granted an automatic ninety (90) Calendar Day extension of the reservation. If additional time is needed, Members must submit a request for an extension which requires Board approval. Reservations without Board approved extensions will be cancelled.

2. Present Situation

On September 3, 2009, staff received a letter from Wight Greger, the Director of the Jacksonville Housing and Neighborhoods Department, asking for an extension on two reservations in Duval County due to the County needing additional time to receive HOME funds necessary to assist these borrowers with the purchase of their home. The request is attached as [Exhibit A](#).

3. Recommendation

Staff recommends that the Board grant the requested sixty (60) day extension of the two Homeownership Pool Program reservations in order to allow the City of Jacksonville the time necessary to provide the needed subsidy for these borrowers.

A. In Re: Manatee Cove, Ltd. – FHFC Case No. 2009-023VW

Development Name: (“Development”):	Manatee Cove
Developer/Principal: (“Developer”):	The Richman Group of Florida, Inc.
Number of Units: 192	Location: Brevard County
Type: Garden Apartments	Set Aside: 100% @ 60% AMI
Demographics: Family	SAIL: \$3,000,000

1. Background

- a) During the 2005 Universal Cycle, Manatee Cove, Ltd. (“Petitioner”) applied for and was awarded State Apartment Incentive Loan (“SAIL”) funds to finance the construction of Manatee Cove, a 192 unit multi-family rental apartment (the “Development”) located in Brevard County on a 14.3 acre site. Petitioner’s application number was 2005-006S.
- b) On July 1, 2009, Florida Housing received a “Petition for Waiver of Rule 67-48.004(14)(e) F.A.C.” (“Petition”) from Petitioner. A copy of the Petition is attached as [Exhibit A](#). On August 28, 2009, Florida Housing received “Amended and Restated Petition for Waiver of Rule 67-48.004(14)(e) F.A.C. (2005),” (“Amended Petition”) from Petitioner. A copy of the Amended Petition is attached as [Exhibit B](#).
- c) Rule 67-48.004(14), Florida Administrative Code (2005), provides in pertinent part:

Notwithstanding any other provision of these rules, there are certain items that must be included in the Application and cannot be revised, corrected or supplemented after the Application Deadline. Failure to submit these items in the Application at the time of the Application Deadline shall result in rejection of the Application without opportunity to submit additional information. Any attempted changes to these items will not be accepted. Those items are as follows:

- (e) Site for the Development.
- d) Petitioner requests a waiver to the above provision. Specifically, Petitioner is seeking to convey a triangular shaped, one acre outparcel on the Development site which is not part of the Development, but was included in the larger parcel identified in the Purchase and Sale Agreement provided in Petitioner’s 2005 Universal Cycle Application as proof of site control.
- e) On July 17, 2009, the Notice of the Petition was published in Volume 35, Number 28, of the [Florida Administrative Weekly](#).¹ Florida Housing received no comments regarding the Petition.

¹ As the Amended Petition was substantially similar to the Petition and requested the same relief from the same rule, it was not necessary to file a notice in the FAW for the Amended Petition.

LEGAL

Consent

2. Present Situation

- a) Section 120.542(2), Florida Statutes, provides in pertinent part:

Variances and waivers shall be granted when the person subject to the rule demonstrates that the purpose of the underlying statute will be or has been achieved by other means by the person and when application of a rule would create a substantial hardship or would violate principles of fairness.

- b) Petitioner stated that the Development is complete and is leased-up. Petitioner provided that the conveyance of the one acre has no adverse affect on the Development as it is not part of the Development and is not used by the residents and did not impact the Tie Breaker Measurement Point (“TBMP”) provided in Petitioner’s 2005 Universal Cycle Application. Thus, Petitioner will not obtain any advantage over the other applicants from the Universal Cycle should Florida Housing grant its request.
- c) Petitioner further demonstrated that strict application of the above Rule under these circumstances would cause substantial hardship to Petitioner and violate the principles of fairness in that unless the petition is granted. The outparcel was neither not part of the Site for the Development, nor was it developed. Denying the request would cause Petitioner to retain acreage that is not needed, creating additional expense through property taxes and potential liability by virtue of having property outside the Development, but still owned by Petitioner. Petitioner will use the proceeds from the sale to pay down its debt on senior financing for the Development. Petitioner presented evidence that permitting this change in Development would also serve the underlying purpose of the statute of providing safe and affordable housing.

3. Recommendation

Staff recommends the Board **GRANT** the Petitioner’s request for a waiver of Rule 67-48.004(14)(e) (2005), to allow Petitioner to change the site plan for the Development for purpose of conveying a one-acre triangular shaped parcel. The proceeds from such conveyance are to be used to pay-down Petitioner’s debt on its senior financing for the Development.

Type: Other	Set Aside: 20% at or below 50% AMI 80% at or below 60% AMI
Demographics: Farm worker	SAIL: 5,000,000

1. Background

- a) On December 21, 2007, Florida Housing issued Request for Proposal #2007-10 for New Construction and Substantial Rehabilitation of Farmworker/Commerical Fishing Worker Housing (The “RFP”). Florida Non-Profit Services, Inc., (“Petitioner”) applied for and was awarded State Apartment Incentive Loan (“SAIL”) funds pursuant to the RFP on March 14, 2008, to finance the construction of Esperanza Place (the “Development”) in Collier County, Florida. As provided in the RFP, the terms of the award are governed by Rule Chapter 67-48, F.A.C., and Section 420.5087, Fla. Stat.
- b) On July 6, 2009, Florida Housing received a “Petition for Waiver of Rule 67-48.0072(19), Florida Administrative Code.” (“Petition”) A copy of the Petition is attached as Exhibit A. On August 21, 2009, Florida Housing received an “Amended Petition for Waiver of Rule 67-48.0072(19), Florida Administrative Code.” (“Amended Petition”) A copy of the Amended Petition is attached as [Exhibit C](#).
- c) Rule 67-48.0072(19), F.A.C, (2007) states in pertinent part:

Contingency reserves which total no more than 5 percent of hard and soft costs for new construction...may be included within the Total Development Cost for Application and underwriting purposes.
Contingency reserves shall not be paid from SAIL or HOME funds.
- d) Petitioner requests a waiver of the Rule which mandates that the contingency reserves total no more than five (5%) percent of hard and soft costs for new construction within the Total Development Cost for application and underwriting purposes. Specifically, Petitioner wishes to increase the contingency reserves from five (5%) percent to ten (10%) percent.
- e) On July 17, 2009, the Notice of Petition was published in the [Florida Administrative Weekly](#) in Volume 35, Number 28². To date, Florida Housing has not received any comments concerning the Petition.

² As the Amended Petition was substantially similar to the Petition and requested the same relief from the same rule, it was not necessary to file a notice in the FAW for the Amended Petition.

- f) Section 120.542(2), Florida Statutes provides in pertinent part:

Variations and waivers shall be granted when the person subject to the rule demonstrates that the purpose of the underlying statute will be or has been achieved by other means by the person and when application of a rule would create a substantial hardship or would violate principles of fairness.

- g) Under these circumstances, strict application of the above Rule to this Petitioner would create a substantial hardship or violate the principals of fairness. Petitioner demonstrated that the construction contract was well below the average historic cost range and that it is expected that increases to the actual construction costs will occur and that a five percent contingency reserve is inadequate to address increased costs. Without adequate reserves, Petitioner may not be able to develop the Development. Granting this request furthers Florida Housing's statutory mandate to provide safe, sanitary and affordable housing to the citizens of Florida.

2. **Recommendation**

Staff recommends the Board **GRANT** Petitioner's request for a waiver of Rule 67-48.0072(19), F.A.C. (2007), to increase the contingency reserves for hard and soft costs for new construction from five (5%) percent to ten (10%) percent for the Development.

Number of Units: 18	Location: Miami-Dade County
Type: Mid-Rise	Set Aside: 100%
Demographics: Family	HOME: \$1,200,000

1. Background

- a) During the 2008 Universal Cycle, Spinal Cord Living-Assistance Development, Inc. (“Petitioner”) applied for financing for new construction of SCLAD Plaza (the “Development”) located in Miami-Dade County, Florida.
- b) On July 10, 2009, Florida Housing received a “Petition for Waiver of Part III.B.1. of the 2008 Universal Application Instructions Requiring the Provision of Specific Features and Amenities for all Developments” (the “Petition”). A copy of the Petition is attached as [Exhibit D](#). Petitioner requests waiver of a requirement found in the 2008 Universal Application Instructions at part III.B.1.b, as incorporated by reference into Rule 67-48.004(1)(a), F.A.C.
- c) On July 10, 2009, the Notice of the (original) Petition was published in Volume 35 Number 27 of the [Florida Administrative Weekly](#). To date, Florida Housing has received no comments regarding the Petition.
- d) Rule 67-48.004(1)(a), F.A.C. states in pertinent part:

When submitting an Application, Applicants must utilize the Universal Application in effect at the Application Deadline...The Universal Application Package or UA 1016 (Rev. 3-08) is adopted and incorporated herein by reference...
- e) Part III.B.1.b. of the 2008 Instructions requires that:

Required Features and Amenities for All Developments. In addition to meeting all building code, Fair Housing Act, and Americans with Disabilities Act requirements for MMRB, SAIL, HOME and HC Applications, and the HQS Guidelines and Section 504 of the Rehabilitation Act of 1973 for HOME Applications, all units for the type of Development indicated must have the itemized features and amenities.
- f) Part III B.1.b. of the 2008 Application provides that, with respect to all units in all developments, except SRO, there be provided “Bathtub with shower in at least one bathroom in at least 90% of the new construction non-Elderly units.”

LEGAL

Consent

- g) Specifically, Petitioner requests a waiver of the above requirement to permit construction of the Development of roll-in showers as opposed to bathtubs in all units (100%) to allow individuals who use wheelchairs or who have serious mobility impairments the ability to bathe independently or without considerable assistance. Petitioner demonstrated that thirty-three (33%) of the families to be served by the Development use a wheelchair or have serious mobility impairment and without the roll-in shower, a serious safety hazard would exist for those individuals. Further, the developer will bear the increased cost to install the roll-in showers.
- h) The requested change will not adversely impact the Development or Florida Housing or be prejudicial to the Development or to the market to be served by the Development. However, a denial of the requested waiver would deprive Miami-Dade County of affordable housing for residents with all degrees of physical mobility that are in dire need of housing that meets their safety and functionality requirements.
- i) Section 120.542(2), Florida Statutes, provides in pertinent part:

Variances and waivers shall be granted when the person subject to the rule demonstrates that the purpose of the underlying statute will be or has been achieved by other means by the person and when application of a rule would create a substantial hardship or would violate principles of fairness.

2. Recommendation

Staff recommends the Board **GRANT** Petitioner's request for a waiver of Part III.B.1.b. of the 2008 Universal Application Instructions that require the use of "Bathtub with shower in at least one bathroom in at least 90% of the new construction non-Elderly units," and to permit the use of roll-in showers in all of the units in the Development in at least one bathroom.

Developer/Principal: (“Developer”):	Avon Park Housing Development Corp.
Number of Units:	Location: Highlands County
Type:	Set Aside: 18% @ or below 30% AMI 82% @ or below 60% AMI
Demographics:	Allocated Amount: \$5,340,560 (HOME)
MMRB: N/A	Housing Credits: N/A

1. Background

- a) In 2007, Florida Housing awarded a HOME loan in the amount of \$5,340,560.00 to North Central Heights, LLC. (“Petitioner”). On August 17, 2009, Florida Housing received a “Petition for Waiver or Variance From Rule 67-48.020(2)(b), Florida Administrative Code” (the “Petition”), from Petitioner. A copy of the Petition is attached as [Exhibit E](#).
- b) Rule 67-48.020(2), Fla. Admin. Code (2007), provides, in pertinent part:
 - (2) (2) The annual interest rate will be determined by the following:
 - (a) All for-profit Applicants that own 100 percent of the ownership interest in the Development held by the general partner entity will receive a 1.5 percent per annum interest rate loan.
 - (b) All qualified non-profit Applicants that own 100 percent of the ownership interest in the Development held by the general partner entity will receive a 0 percent interest rate loan. For purposes of determining the annual HOME interest rate, the definition of Non-Profit found at Rules 67-48.002 and 67-48.0075, F.A.C., shall not apply; instead, qualified non-profit Applicants shall be those entities defined in 24 CFR Part 92, Section 42(h)(5)(c), subsection 501(c)(3) or 501(c)(4) of the IRC and organized under Chapter 617, F.S., if a Florida corporation, or organized under similar state law if organized in a jurisdiction other than Florida.
- c) Petitioner requests a waiver of Rule F.A.C. 67-48.020(2), to the extent that the Rule prohibits North Central heights, LLC, from qualifying for a zero percent interest rate on the HOME loan. North Central Heights, LLC, is wholly-owned by the Avon Park Housing Development Corporation, which is a 501(c)(3) not-for-profit entity established under Ch. 617, Florida Statutes. North Central Heights need a waiver of or variance from the rule because it is a Limited Liability Company, rather than a Ch. 617 nonprofit corporation or a limited partnership where the qualified nonprofit is the sole general partner.
- d) On August 28, 2009, Notice of the Petitions was published in Volume 35, Number 34, of the [Florida Administrative Weekly](#).
- e) To date, Florida Housing has received no comments concerning the Petition.

LEGAL

Consent

2. **Present Situation**

a) Petitioner states that the waiver is necessary because North Central Heights, LLC, is wholly-owned by the Avon Park Housing Development Corporation, which is a 501(c)(3) not-for-profit entity established under Ch. 617, Florida Statutes; however, North Central Heights is a Limited Liability Company (“LLC”), rather than a Ch. 617 nonprofit corporation. Under the plain language of the rule, North Central Heights does not qualify for the zero interest loan because it is a different form of business entity. In 2008, Rule 67-48.020(2)(b) was amended to include the phrase “where the qualified nonprofit is the “managing member,” of an LLC. Imposition of the standard HOME 1.5% interest rate will render that financial development of the project untenable.

b) Section 120.542(2), Florida Statutes provides in pertinent part:

Variances and waivers shall be granted when the person subject to the rule demonstrates that the purpose of the underlying statute will be or has been achieved by other means by the person and when application of a rule would create a substantial hardship or would violate principles of fairness.

3. **Recommendation**

Staff recommends that the Board GRANT Petitioner’s requested waiver from the requirements of Rule 67-48.020(2)(b), FAC, to the extent required to qualify North Central Heights, LLC, to receive a zero percent interest rate on its HOME loan.

- b) The rules governing the 2009 Supplemental MMRB Application cycle require an application to achieve a perfect score of seventy (70) points in order to be funded. However, the rules further state: "If there is private activity bond allocation remaining after all eligible Applications are funded, then this allocation will be applied to the Corporation's single-family bond program or otherwise used as directed by the Board."
- c) The Applications for these Developments are only requesting MMRB and 4% non-competitive HC. These requests do not require any other Florida Housing funding. Staff believes that the public policy purposes served by obtaining these Developments as affordable for thirty (30) years far outweigh any failure to achieve a perfect score on the Applications.

3. **Recommendation**

Approve the request to allocate \$70,625,000 in tax exempt, private activity bonds to the Developments, subject to further approvals and verifications by the Credit Underwriter, Bond Counsel, Special Counsel and the appropriate Florida Housing staff.

C. Request Approval for Normandy Apartments to Apply for Funds from the Green Retrofit Program for Multifamily Housing

Development Name: Normandy Apartments (“Development”)	Location: Duval
Developer/Principal: VF Affordable Housing, Inc. (“Developer”)	Set-Aside: 20% @ 50% & 80% @ 60% AMI
Funding Sources: HOME 2004-010H	Amounts: HOME \$4,166,882
Number of Units: 99	Type: Family

1. Background

During the 2004 funding cycle, Florida Housing awarded a HOME loan in the original amount of \$4,166,882, to VF Affordable Housing, Inc. (VFAH), a Florida non-profit corporation (“Borrower”), for the development of a 100-unit apartment complex in Duval County, Florida. By an executed document dated January 26, 2009, FHFC allowed the Borrower to use one non-revenue unit to house an onsite manager.

2. Present Situation

- a) By letter dated August 12, 2009, VFAH requested FHFC’s approval to apply for grant funds under the American Recovery and Reinvestment Act’s Green Retrofit Program (GRP) administered by the U.S. Department of Housing and Urban Development in an attempt to reduce operating costs and make green retrofits to the development. Eligible uses for the funds are improvements that conserve energy and water, improve indoor air quality, or benefit the environment.
- b) VFAH has certified that they would not apply for GRP “loan” funds without the prior written consent of FHFC. The Program requires that a new Use Agreement be recorded against the property requiring affordability for an additional 15 years after the expiration of existing Use agreements. 3. Recommendation
