b) Communications staff continues to update and revise existing informational materials for the Florida Hardest-Hit Fund (HHF) programs. Marketing materials for the Principal Reduction (FL HHF) program, now accessible for the advisor agencies approved for the HHF PR program, are being used for community outreach events.

c) Additionally, staff is finalizing a targeted outreach effort for the HHF PR program in partnership with the GSEs. The direct mail piece is expected to be mailed to prospective applicants prior to the end of the year.
COMMUNICATIONS

Information

B. Business Continuity

1. Background/Present Situation

a) Business Continuity staff continues reviewing and updating the business continuity plan, disaster and evacuation procedures, emergency preparedness materials, etc. Additionally, the employee alert notification system has been deployed; it is operational and will be tested periodically throughout the year.

b) Business recovery services are being evaluated to determine if the current vendor should be changed. As more information becomes available, updates regarding this effort will be provided.

C. Corporate Marketing/Outreach

1. Background/Present Situation

a) Communications hired a multimedia design specialist who will be responsible for the graphic vision of Florida Housing, website governance and oversight, and creating the Corporation's social media presence. Once the social media plan has been implemented, additional information will be provided regarding the platforms used, social media names and handles, and updates on analytics.

b) Communications is also currently working on the third quarter electronic What’s Developing corporate newsletter. The next issue will be distributed this month.
II. FISCAL

A. Operating Budget Analysis for October 2014

1. Background/Present Situation

   a) The Financial Analysis for October 31, 2014, is attached as Exhibit A.

   b) The Operating Budget for the period ending October 31, 2014, is attached as Exhibit B.
III. GUARANTEE PROGRAM

A. Status of the Guarantee Program Portfolio

1. Background/Present Situation

a) Since the implementation of the Guarantee Program in 1993, it has guaranteed 120 transactions, facilitating the construction of over 28,000 housing units in Florida. In November 1994, the Guarantee Program entered into an agreement with HUD to participate in the Risk-Sharing Program; characterized by a 50/50 sharing of default risk in connection with the mortgage guarantee. Of the 29 multifamily developments in the Guarantee Program portfolio today, 20 are Risk-Sharing transactions.

b) Since November 2008, there have been eight (8) multifamily claims filed on the Guarantee Program, representing the total (and only) multifamily claims incurred in its 20-year history. The last multifamily claim occurred in April 2010. The chart in Exhibit B reflects the developments that have been foreclosed as of October 31, 2014, listed in chronological order by claim filed date.

c) There are no foreclosures in inventory and no developments in monetary default in the portfolio.

B. Corpus and Portfolio Risk Exposure

1. Background/Present Situation

a) The global liquidity crisis of 2008 collapsed the market for the variable rate bonds capitalizing the Guarantee Program corpus, ultimately leading staff to restructure the debt, paying off approximately $89 million and refinancing the remaining $156.2 million in variable rate bonds to a 5-year term loan with Citibank, closing on December 31, 2009.

b) At that time, the Guarantee Program’s total risk exposure, single-family and multifamily combined, was $754.5 million. Since then, in keeping with the Board’s mandate to cede risk from the portfolio, total risk exposure (as reflected in Exhibit C, chart “Guarantee Fund Capacity”, line item “Total Commitments”) has been reduced by over 75%, as reflected below:

<table>
<thead>
<tr>
<th></th>
<th></th>
<th></th>
<th></th>
<th></th>
<th></th>
<th></th>
</tr>
</thead>
<tbody>
<tr>
<td>$754,475,974</td>
<td>$728,323,576</td>
<td>$578,754,817</td>
<td>$468,471,463</td>
<td>$306,526,369</td>
<td>$179,841,631</td>
<td></td>
</tr>
</tbody>
</table>
GUARANTEE PROGRAM

Information

c) The continued low interest rate environment has prompted many Developers to refinance their properties, paying-off their guaranteed mortgages and removing them from the Guarantee Program portfolio, representing the primary driver behind the reduction in Total Commitments reflected above. The sharp increase in refinancing activity is reflected in the following chart:

<table>
<thead>
<tr>
<th>Loans (#):</th>
<th>2009</th>
<th>2010</th>
<th>2011</th>
<th>2012</th>
<th>2013</th>
<th>As of 10/31/14</th>
</tr>
</thead>
<tbody>
<tr>
<td>Risk ceded ($)</td>
<td>0</td>
<td>$9,876,854</td>
<td>$117,963,056</td>
<td>$83,995,036</td>
<td>$149,398,081</td>
<td>$116,199,332</td>
</tr>
</tbody>
</table>

d) Also contributing to the reduction in Total Commitments is approximately $100 million in partial prepayments (of mortgages) from SAIL ELI proceeds, $36 million in scheduled amortization of guaranteed mortgages, a $9 million foreclosure (Heritage in 2010), and $7.4 million in terminated single-family mortgage reinsurance pools.

e) Furthermore, Management aggressively reduced the Guarantee Program capitalizing debt, paying off $90.2 million on April 20, 2011 and another $15 million on July 29, 2011, leaving $51.0 million outstanding.

f) On December 21, 2012, the remaining balance of $51.0 million was paid in full, reducing the Guarantee Fund’s capitalizing debt to zero ($0).

g) The Guarantee Fund corpus contains approximately $169 million in invested capital, all of which is currently invested in the Florida Treasury, Special Purpose Investment Account (SPIA), rated “AA-f” by Standard & Poor’s as of October 31, 2014.

C. FHFC Actions to Effectively Manage the Guarantee Program (Exhibit A)

D. Guarantee Program Foreclosure Summary (Exhibit B)

E. Guarantee Program Portfolio Summary and Guarantee Fund Capacity (Exhibit C)
IV. HOUSING CREDITS

A. Detailed clarification of residential building / unit mix

1. Background/Present Situation

a) The Preserve at Boynton Beach, Phase I (#2011-503C) is a Family 4% Housing Credit Development. The Extended Use Agreement (EUA) was recorded in Palm Beach County on March 7, 2013. While the Application reflected a total of 64 residential units in five residential townhouses, final construction resulted in variations to include nine residential buildings and additional residential units in a tenth building. To assist in the compliance monitoring process, staff will amend to adjust the residential building and unit mix information in the EUA.

b) Adjustment of square footage amounts.

c) Rolling Green (#2011-527C) is a Family 4% Housing Credit Development. The Extended Use Agreement was recorded in Sarasota County on April 14, 2014. Construction of the Development resulted in units approximately five percent larger than originally planned. The Applicant has requested, and staff has approved, an amendment to reflect the accurate square footage in the EUA.

d) Adjustment to number of buildings

e) University Plaza (#2011-145C/2012-013C) is a Family 9% Housing Credit Development. The Extended Use Agreement was recorded in Duval County on July 3, 2014. The Development contains 31 total buildings, 30 of which are residential buildings. The Applicant has requested, and staff has approved, an amendment to reflect the accurate number of residential buildings in the EUA from 31 to 30.

f) Clarification of unit mix

g) Central Court (#2011-149C/2013-016C) is a Family 9% Housing Credit Development. The Extended Use Agreement was recorded in Hillsborough County on November 4, 2011. The EUA incorrectly included 2 bathrooms in the 3 bedroom units. There is 1 bathroom in all units. The Applicant has requested, and staff has approved, an amendment to clarify the number of bathrooms in the 3 bedroom units.

h) Correction to set-aside percentages

i) Holly Point (#2011-179C/2012-022C) is a Family 9% Housing Credit Development. The Extended Use Agreement was recorded in Volusia County on June 12, 2014. The EUA incorrectly stated the set-aside percentages as 20% @ 35% AMI and 80% @ 60% AMI. The correct set-aside percentages are 20% @ 35% and 80% @ 50% AMI. The Applicant has requested, and staff has approved, an amendment to clarify the set-aside percentages.
V. STATE APARTMENT INCENTIVE LOAN PROGRAM (SAIL)

1. Background/Present Situation

   a) The following developments have requested, and staff has approved, changes to the Construction Features & Amenities and/or Resident Programs in their Applications since the last Board meeting:

      (1) Lindsey Terrace (2001-100S/2002-520C) has replaced “Sand Volleyball Court” with “Additional tot lot with seating area”. Scoring of the Application will remain unaffected.

      (2) Caravel Arms Apartments (2014-313S / 2013-102B / 2013-528C) has changed the following:

         (a) Removed “Water Sense certified dual flush toilets in all bathrooms” and replaced with “Install daylight sensors, timers or motion detectors on all outdoor lighting attached to buildings”. Scoring of the Application will remain unaffected.

         (b) Removed “At least two full bathrooms in all 3 bedrooms or larger units” and replaced with “One and one-half bathrooms in all 3 bedroom or larger units”. This development is a rehabilitation project which already consists of one and one-half bathrooms in all 3 bedroom units. Therefore, it would not be structurally and financially feasible to require two full bathrooms in all 3 bedrooms or larger units. Scoring of the Application will remain unaffected.

         (c) Removed “Full Basketball Court” and replaced with “Shuffle Board Court”. Scoring of the Application will remain unaffected.

   b) Staff will amend the Land Use Restriction Agreements and/or Extended Use Agreements for the developments as appropriate.
VI. SINGLE FAMILY HOMEBUYER PROGRAMS

A. Single Family Homebuyer Programs

1. Background/Present Situation

a) Florida Housing continues to have funds continuously available for qualifying homebuyers through our First Time Homebuyer (FTHB) Programs. Florida Housing’s Programs provide assistance to eligible homebuyers by offering low-cost, 30-year, fixed-rate mortgages together with down payment and closing cost assistance. Currently, we have two FTHB Programs; the Florida First Government Loan Program (Government Loan Program) and the Florida HFA Preferred Loan Program (HFA Preferred). We also offer a Mortgage Credit Certificate Program for those FTHBs who do not need down payment assistance but who may benefit from additional annual federal tax savings offered through this program.

b) The Government Loan Program offers borrowers a 30-year, fixed-rate mortgage using all approved government-insured loan types. These include Federal Housing Administration (FHA) loans, U.S. Department of Veteran Affairs (VA) loans, and United States Department of Agriculture-Rural Development (RD) loans. This program is primarily funded through traditional mortgage revenue bond sales and bolstered by the sale of Mortgage Backed Securities (MBS) into the secondary markets. Included in this program is the Military Heroes Program, which offers honorably discharged veterans or active duty military personnel the benefit of a lower first mortgage interest rate.

c) The HFA Preferred Program uses a loan product developed by Fannie Mae specifically for state housing finance agencies. Rather than selling bonds as a funding source, this program is structured as a forward delivery “To Be Announced” (TBA) Program in conjunction with one of our senior investment bankers, Raymond James. Single Family Program staff sets a daily mortgage rate based upon prevailing market rates and predetermined profitability goals. The conventional loans originated by participating lenders offer borrowers a 30-year, fixed-rate mortgage. Borrowers benefit from lower mortgage insurance costs on these loans, when compared to similar government insured loans such as FHA, and can qualify with a 3% - 5% down payment.

d) Florida Housing primarily offers qualified homebuyers down payment and closing cost assistance (DPA) in the form of a second mortgage loan on both the Government Loan Program and HFA Preferred loans. Our Florida Assist loan is a 0% deferred payment, $10,000 second mortgage that serves homebuyers with an area median income (AMI) of up to 120%, adjusted for household size. It is repayable upon sale of the property, refinance of the first mortgage, at the end of the first mortgage term, or if the homeowner no longer occupies the property as his/her primary residence. We also recently introduced a new 3% grant program as part of the HFA Preferred PLUS Conventional Loan Program. The grant program was introduced on June 25, 2014, and offers borrowers 3% of the purchase price in non-repayable assistance to help with down payment and closing costs. The HFA Preferred PLUS, like the HFA Preferred, offers daily pricing, but at a slightly higher first mortgage interest rate to generate the 3%
SINGLE FAMILY HOMEBUYER PROGRAMS

Information

assistance. Our HFA Preferred PLUS grant provides assistance to borrowers with an area median income (AMI) of up to 140%, adjusted for household size.

e) Our Mortgage Credit Certificate (“MCC”) Program provides qualified first time homebuyers with a non-refundable federal tax credit. Our MCC Program uses a 50% credit rate that provides the homeowner with a maximum $2000 annual tax credit used to offset any federal tax liability. The homeowner can claim this credit each year they occupy the home as a primary residence, pay mortgage interest, and have a tax liability to offset. We currently have 83 approved lenders participating in the MCC Program compared with 95 in our loan programs. We charge a $500 issuance fee for each MCC to cover administration and support of the program.

f) Single Family Program Staff continually offers a three hour, Department of Business and Professional Regulation (DBPR)-approved continuing education (“CE”) course for Realtors, which is coordinated through local Realtor boards throughout the state. Realtors who attend these classes receive a general 3 hour CE credit while learning about our First Time Homebuyer Program, our Mortgage Credit Certificate Program, and other affordable housing programs available to their potential homebuyers. We strive to market to large groups such as Realtors and lenders statewide to maximize the benefit of our time and travel and to help others learn about the resources available through our programs.

g) Single Family Program staff also conducts both webinar and face-to-face trainings for lender partners throughout the state. Training consists of program requirements and recent updates, system training offered in conjunction with eHousing and first mortgage and servicer requirements and updates offered in conjunction with US Bank Home Mortgage. Together, Florida Housing, eHousing and US Bank Home Mortgage provide lenders with information to better assist with the origination, delivery and purchase of first and second mortgages originated through our First Time Homebuyer Program. Most recently, Single Family Program Staff conducted a two hour telephonic training for IberiaBank Mortgage originators and processors in response to requests for such training from IberiaBank Mortgage management.

h) Florida Housing sponsors a toll-free telephone line (800-814-HOME), for first time homebuyers to call for information about our program. Callers are able to receive information through pre-recorded information that directs them to our First Time Homebuyer Wizard tool, which is located on our website. Those callers that have additional questions are transferred to Single Family Staff for assistance.

VII. SUBORDINATED MORTGAGE INITIATIVE (SMI)

A. Program Update

1. Background/Present Situation

   a) Between April 2009 and September 2010, the Board approved funding for a total of thirty-two (32) Subordinated Mortgage Initiative (SMI) loans to developments credit-enhanced by the Guarantee Program and determined to be in financial distress. The loans provided properties with temporary assistance in funding their mortgage debt service obligations for a period of up to twenty-four (24) months. To that extent, Florida Housing provided funding for up to one (1) mortgage payment per each three month period. The developer is required to make the remaining payments. This process is to be repeated for up to twenty-four (24) months, with Florida Housing potentially making up to a total of eight (8) mortgage payments and the developer making a total of sixteen (16) mortgage payments during this period.

   b) Attached, as Exhibit A, is a spreadsheet of the status of the SMI loans approved to date. Highlights of the data are as follows:

      (1) The Board approved thirty-two (32) SMI loans totaling $19,120,000 in aggregate.

      (2) Thirty (30) of these SMI loans have been closed to date in the principal amount of $17,834,309.01, of which $17,557,032.82 has been disbursed as of August 31, 2014.

      (3) One SMI loan, Preserve at Oslo (f/k/a: Woods of Vero Beach), received SAIL/ELI funding prior to the final disbursement under the SMI loan. The SAIL/ELI loan reduced the first mortgage balance; as a result the three (3) remaining SMI disbursements for Woods of Vero were reduced accordingly, reducing its SMI loan by $14,116.97, effectively reducing the amount closed to date to $17,820,192.04.

      (4) Two (2) loans, Leigh Meadows and Colony Park, representing two different developers, approved in the total amount of $665,000, did not close due to the owner/borrower declining the loan.

      (5) All accrued interest will be due on these loans twenty four (24) months after the final disbursement. The loan will then be amortized based on a twenty (20) year amortization with a balloon payment due at the end of year six.

      (6) As of November 24, 2014, nineteen (19) loans have been paid in full totaling $11,063,562.31.
