#### A. In Re: Salt Creek Apartments, Ltd. - FHFC Case No. 2014-073VW

<b>Development Name: (“Development”):</b>	<b>Salt Creek Apartments</b>
<b>Developer/Principal: (“Developer”):</b>	<b>Boley Center for Behavior Health, Inc.</b>
<b>Number of Units: 18</b>	<b>Location: Pinellas County</b>
<b>Type: Garden Apartments</b>	<b>Set Aside: 55% @ 50% AMI; 45% @ 60% AMI; 50 years</b>
<b>Demographics: Family</b>	<b>SAIL: \$245,583.00</b>
<b>MMRB: N/A</b>	<b>Housing Credits: N/A</b>

#### 1. Background

- a) During the 1996-1997 SAIL Xa Cycle, Florida Housing awarded an allocation of \$245,583.00 in SAIL funds to Salt Creek Apartments, Ltd., (“Petitioner”) to provide funds for the construction of Salt Creek Apartments, (“Development”) located in Pinellas County, Florida. The Development provides housing for those individuals with Special Needs, which includes those who have experienced homelessness. The SAIL loan closed on March 1, 1999, and matured on September 1, 2014.
- b) Currently, Petitioner and Florida Housing are in negotiations regarding the Petitioner’s request to forgive all deferred interest regarding the SAIL loan and to re-amortize the outstanding balance of the SAIL loan over a term of 25 years at an interest rate of 0%. This interest rate reflects the current rule that governs developments that house Very Low-Income and Special Needs individuals. Since the SAIL loan closed, the statutory interest rate has been reduced from 9% to a range of 0-3%.
- c) On August 26, 2014, Florida Housing received an Amended Petition for Waiver/Variance of Rule 67-48.010, Florida Administrative Code, (“Petition”) from Petitioner<sup>1</sup>. A copy of the Petition is attached as [Exhibit A](#).

#### 2. Present Situation

- a) Rule 67-48.010(7), F.A.C., states:

(7) If, in its application, the Applicant agrees to a Very Low-Income set-aside for a term longer than that required by law, the deferred SAIL interest due pursuant to this Rule Chapter, shall be forgiven in an amount equal to the amount of interest due pursuant to Rule 67-48.010, multiplied by .05 multiplied by the number of years, not to exceed 15, that such set-aside for Very Low-Income persons or households was extended beyond that required by law.

---

<sup>1</sup> Petitioner previously filed a petition seeking similar relief, but cited to a rule that had been repealed prior to the loan closing. That petition was withdrawn.

b) Petitioner requests a variance of the rule in order to obtain forgiveness of all outstanding SAIL interest.

c) On August 27, 2014, the Notice of Petition was published in the Florida Administrative Register. To date, Florida Housing has not received any comments concerning the Petition.

d) Section 120.542(2), Florida Statutes provides in pertinent part:

Variations and waivers shall be granted when the person subject to the rule demonstrates that the purpose of the underlying statute will be or has been achieved by other means by the person and when application of a rule would create a substantial hardship or would violate principles of fairness.

e) Recognizing the unique financial circumstances faced by Special Needs developments, the granting of this request for waiver will serve the purpose of the underlying statute in that it will enhance the financial viability of the Development and thus ensure the continued availability of affordable housing to those with Special Needs including those who have experienced homelessness, currently being provided by the Development. Denial of the Petition would result in substantial hardship to the Petitioner in that the Development could not continue to operate as a Special Needs development without relief from the original repayment terms of the SAIL loan and the limitation on interest forgiveness as set forth in Rule 67-48.010.

### 3. **Recommendation**

Staff recommends the Board grant the Petitioner's request for variance from Rule 67-48.010(7), Florida Administrative Code, to forgive all deferred SAIL interest due on the loan at its maturity date of September 1, 2014, with the waiver conditioned upon and subject to the renegotiation of the SAIL loan on terms satisfactory to Florida Housing and its counsel.

#### B. In Re: Palm Breeze Partners, Ltd., FHFC Case No. 2014-072VW

<b>Development Name: (“Development”):</b>	<b>Palm Coast Landing Senior Living</b>
<b>Developer/Principal: (“Developer”):</b>	<b>Atlantic Housing Partners, LLLP</b>
<b>Number of Units: 61</b>	<b>Location: Flagler County</b>
<b>Type: Mid-Rise w/ elevator</b>	<b>Set Aside: 85% @ 60% AMI 10% @ 35% AMI</b>
<b>Demographics: Elderly non-ALF</b>	<b>Allocated Amount: \$811,430 HC</b>

#### 1. Background

- a) Under Request for Applications (RFA) 2013-001, Florida Housing awarded an allocation of Low Income Housing Tax Credits to Palm Breeze Partners, Ltd. to finance the Development described above. The Palm Breeze Application indicated that the Development Type was to be “Mid-Rise with elevator, 5-6 stories and concrete construction.”
- b) On July 23, 2014, Florida Housing received a Petitioner for Waiver from Florida Administrative Code Rule 67-48.004” (“Petition”), from Palm Breeze Partners, Ltd. (“Petitioner”). A copy of the Petition is attached as [Exhibit B](#).
- c) Rule 67-48.004(3), Florida Administrative Code, states in pertinent part:

Notwithstanding any other provision of these Rules, there are certain items that must be included in the Application and cannot be revised, corrected or supplemented after the Application Deadline. Failure to submit these items in the Application at the time of the Application Deadline shall result in rejection of the Application without opportunity to submit additional information. Any attempts to make changes to these items will not be accepted. Those items are as follows:

\*\*\*

- (g) Development Type;
- d) Petitioner requests a waiver of the above Rule to permit a change in Development Type, from “Mid-Rise with Elevator (a building comprised of 5-6 stories) with concrete construction” to “Mid-Rise with Elevator (a building comprised of 4 stories) with wood construction.”
- e) On July 25, 2014, the Notice of Petition was published in the Florida Administrative Weekly.
- f) To date, Florida Housing has received one comment supporting the Petition, this correspondence is attached hereto as [Exhibit C](#).

#### 2. **Present Situation**

Petitioner seeks this change in Development Type as a result of changes to the status of the Development Site to a Difficult to Develop Area (DDA) as recognized by HUD. HUD designates areas as DDA based on the high cost of construction, land and utilities compared to the median gross income for the area. To facilitate and encourage the development of affordable housing in these areas, the DDA designation allows a project to increase the eligible basis by 130%. At the time of Application for this RFA, Petitioner's Development Site was not designated as a DDA, but has since been added to the DDA list by HUD.

- a) HUD's designation of the site as a DDA evidences the substantial hardship Petitioner would experience without the granting of this waiver, which would reduce overall project costs with resulting decrease in general contractor fees and developer fees. Granting this waiver would also lower the Development's leveraging calculation per set-aside unit.
- b) Under these specific circumstances, the granting of this waiver would serve the underlying purpose of the statute by reducing the costs of the Development and would provide the Applicant with no unfair advantage over its competitors in the Application process.
- c) Section 120.542(2), Florida Statutes provides in pertinent part:

Variances and waivers shall be granted when the person subject to the rule demonstrates that the purpose of the underlying statute will be or has been achieved by other means by the person and when application of a rule would create a substantial hardship or would violate principles of fairness.

#### 3. **Recommendation**

Staff recommends the Board grant the Petitioner's request for a waiver of Rule 67-48.004(3), Florida Administrative Code, to permit the requested change in Development Type, conditioned upon Petitioner meeting the revised requirements regarding Total Development Cost during Credit Underwriting.
