Florida Housing Finance Corporation
b) Communications and HHF program staffs are working with a contracted PR company to implement a targeted direct mail campaign to more than 170,000 Florida homeowners who may qualify for the HHF Principal Reduction (HHF PR) program. Also, HHF advisor agencies have applied to receive special funds to perform outreach in their communities for not only the HHF PR program, but also the Unemployment Mortgage Assistance (UMAP) and Mortgage Loan Reinstatement Payment (MLRP) programs.

c) As a way to ensure that the application websites for the Florida HHF programs continues to be user-friendly and easy to navigate, Communications staff is completing a thorough review of the sites. We expect to have revised homepage designs completed prior to the end of the year.

d) Communications staff continues to triage and address inquiries from homeowners regarding the Florida Hardest-Hit Fund (HHF) program via website, phone and email. Additionally, pay-off and subordination requests by homeowners and third-parties are handled in a timely and efficient manner. Staff also participates in third-party event, including those sponsored by HOPE Now and other loan servicing entities.
B. Business Continuity

1. Background/Present Situation

   a) Business Continuity staff continues reviewing and updating the business continuity plan (BCP), and disaster and emergency preparedness materials to ensure the Corporation is adhering to best practices for this area. Staff is completing a business impact analysis (BIA) to determine which essential services must be restored following a disruption of business functions due to a natural or man-made disaster or emergency.

C. Corporate Marketing and Outreach

1. Background/Present Situation

   a) The new Corporation list-serv should be operational by January 2017. This will replace the current “web-board” and serve as a means for developers, stakeholders, government officials and others to receive real-time updates and information from Florida Housing.

   b) Communications is working with Multifamily Development staff to host the Southeastern States Roundtable mini-conference for Tax Credits and Compliance. The event will be held in November 13-15, 2016, at the Hilton Tampa Airport Westshore with attendees from Alabama, Georgia, Kentucky, North Carolina, South Carolina, Tennessee and Virginia.
II. FISCAL

A. Operating Budget Analysis for August 31, 2016

1. Background/Present Situation

   a) The Financial Analysis for August 31, 2016, is attached as Exhibit A.
   
   b) The Operating Budget for the period ending August 31, 2016, is attached as Exhibit B.
III. FORECLOSURE COUNSELING PROGRAM (FCP)

A. Foreclosure Counseling Program (FCP)

1. **Background**
   a) In September 2013, the Foreclosure Counseling Program (FCP) was launched to help at-risk homeowners avoid foreclosure by providing foreclosure counseling and financial management education to help them better manage their money and assist them in resolving credit problems to become more financially stable.
   
   b) The program was appropriated funding by the state Legislative Budget Commission which approved $10 million from the National Mortgage Settlement funds to provide foreclosure counseling services to be administered by Florida Housing over a four-year period.
   
   c) The program objectives are met by providing funding on a fee-for-service basis to non-profit HUD approved housing counseling agencies to carry out foreclosure counseling services and financial management education.
   
   d) On May 6, 2016, the Board approved staff’s request to expand FCP program services which resulted from changes approved by the Legislature in the 2016 housing bill. The following services/activities are now eligible under FCP: marketing to create public awareness of the program; financial counseling and coaching in the post loan modification period; training housing counselors in financial coaching in order to implement the new service listed above; post-foreclosure re-entry counseling to assist former homeowners complete the financial recovery to become a homeowner again; pre-purchase counseling for potential homebuyers; and counseling (primarily pre-purchase counseling) provided through local government SHIP offices for first time homebuyers to ensure that they are educated prior to purchasing a home.

2. **Present Situation**
   a) As of September 30, 2016, the program had expended $1,436,325 and reserved more than $4 million (including expended funds). Since inception, 5,902 households have received some form of foreclosure counseling.
   
   b) **Exhibit A** provides information on the status of the program over the quarter and since program inception. This report details the number of households that have entered the program and the progress and outcomes that have resulted since inception. The outcomes data will lag behind the number of participants in the program, as the typical time for a homeowner to get through this process is 12-24 months.
IV. GUARANTEE PROGRAM

A. Status of the Guarantee Program portfolio

1. Background

   a) Since the implementation of the Guarantee Program in 1993, it has guaranteed 120 transactions, facilitating the construction of over 28,000 housing units in Florida. In November 1994, the Guarantee Program entered into an agreement with HUD to participate in the Risk-Sharing Program; characterized by a 50/50 sharing of default risk in connection with the mortgage guarantee. Of the 5 multifamily developments remaining in the Guarantee Program portfolio (as of 9/30/16), 2 are Risk-Sharing transactions.

   b) Between November 2008 and April 2010, eight (8) multifamily claims were filed on the Guarantee Program, representing the total (and only) multifamily claims incurred in its 23-year history. The chart in Exhibit B reflects the developments foreclosed, listed in chronological order by claim filed date. There are no foreclosures in inventory and no developments in monetary default in the portfolio.

2. Corpus and Portfolio Risk Exposure

   a) The global liquidity crisis of 2008 collapsed the market for the variable rate bonds capitalizing the Guarantee Program corpus, ultimately leading staff to restructure the debt, paying off approximately $89 million and refinancing the remaining $156.2 million in variable rate bonds to a 5-year term loan with Citibank, closing on December 31, 2009.

   b) At that time, the Guarantee Program’s total risk exposure was $754.5 million. Since then, in keeping with the Board’s mandate to cede risk from the portfolio, total risk exposure (as reflected in Exhibit C, chart “Guarantee Fund Capacity”, line item “Total Commitments”) has been reduced over 95%, as reflected below:

   Portfolio Risk Exposure

<table>
<thead>
<tr>
<th></th>
<th>12/31/15</th>
<th>12/31/14</th>
<th>12/31/13</th>
<th>12/31/12</th>

<td>$468,471,463</td>
<td>$578,754,817</td>
<td>$728,323,576</td>
</tr>
</tbody>
</table>

   c) The continued low interest rate environment has prompted many Developers to refinance their properties, paying-off their guaranteed mortgages and removing them from the Guarantee Program portfolio, representing the primary driver behind the reduction in Total Commitments reflected above. The sharp increase in refinancing activity is reflected in the following chart:
GUARANTEE PROGRAM

Information

Refinancing Activity

<table>
<thead>
<tr>

<td>$83,995,036</td>
<td>$117,963,056</td>
</tr>
</tbody>
</table>

d) Contributing to the reduction in Total Commitments is approximately $115 million in partial prepayments (of mortgages) from SAIL ELI proceeds, funded prior to or at the time of closing, helping to facilitate refinancing activity.

e) Furthermore, Management aggressively reduced the Guarantee Program capitalizing debt, paying off $90.2 million on April 20, 2011 and another $15 million on July 29, 2011, leaving $51.0 million outstanding. On December 21, 2012, the remaining balance of $51.0 million was paid in full, reducing the Guarantee Fund’s capitalizing debt to zero ($0).

B. FHFC actions to effectively manage the Guarantee Program (Exhibit A)

C. Guarantee Program Foreclosure Summary (Exhibit B)

D. Guarantee Program Portfolio Summary and Guarantee Fund Capacity (Exhibit C)
V. LEGAL

1. Background
   a) In February, 2015 Flagship Manor, LLC, ("Flagship Manor") applied for funding under RFA 2015-101: SAIL Financing for Smaller Permanent Supportive Housing Developments for Persons with Special Needs (the “RFA”). In its Application, Flagship Manor included a contract for site control which referred to an “Exhibit A,” which referred to a “more particularly described” legal description. No “Exhibit A” was attached to the contract, nor otherwise included in the Application. A review committee composed of Florida Housing staff subsequently rejected the Flagship Application for failure to demonstrate site control, based on the missing “Exhibit A” described above.
   b) The review committee’s scoring was approved by the Board in March, 2015, and Flagship Manor subsequently filed a petition challenging the disqualification of its Application, arguing that no Exhibit A ever had existed, and that its apparent omission from the Application should be considered a “minor irregularity.” Informal proceedings were then held under Section 120.57(2), Fla. Stat., in which a successful competitor, Spinal Cord Living Assistance Development, Inc. (“SCLAD”), intervened. A hearing was held in May, 2015, resulting in a Recommended Order upholding the rejection of the Flagship Manor Application. The Recommended Order, with Written Argument (“Exceptions”) and Responses filed by the parties, was considered by the Board in June, 2015. The Board rejected the Exceptions filed by Flagship Manor and issued a Final Order rejecting the Flagship Manor Application. Flagship Manor subsequently appealed this Final Order to the First District Court of Appeal.

2. Present Situation
   a) Following its review of the briefs filed by the parties, the Court issued an opinion on September 6, 2016, affirming the Final Order of the Board and upholding the rejection of the Flagship Manor Application. A copy of the Court’s opinion is attached as Exhibit A.
VI. SINGLE FAMILY HOMEBUYER PROGRAMS

A. Single Family Homebuyer Programs

1. Background/Present Situation

a) Florida Housing continues to have funds continuously available for qualifying homebuyers through FHFC Homebuyer Loan Programs. Florida Housing’s Programs provide assistance to eligible homebuyers by offering low-cost, 30-year, fixed-rate mortgages together with down payment and closing cost assistance (DPA). Currently, we have two Homebuyer Loan Programs; the Florida First Government Loan Program (Government Loan Program) and the Florida HFA Preferred Conventional Loan Program (HFA Preferred). We also offer a Mortgage Credit Certificate Program for qualified homebuyers who may benefit from additional annual federal tax savings offered through this program.

b) The Government Loan Program offers borrowers a 30-year, fixed-rate mortgage using all approved government-insured loan types. These include Federal Housing Administration (FHA) loans, U.S. Department of Veteran Affairs (VA) loans, and United States Department of Agriculture-Rural Development (RD) loans. This program is funded through both traditional mortgage revenue bond sales as well as by the sale of Mortgage Backed Securities (MBS) into the secondary markets. Included in this program is the Military Heroes Program, which offers both honorably discharged veterans and active duty military personnel the benefit of a lower first mortgage interest rate.

c) The HFA Preferred Program uses a loan product developed by Fannie Mae specifically for state housing finance agencies. Rather than selling bonds as a funding source, this program is structured as a forward delivery “To Be Announced” (TBA) Program in conjunction with one of our contracted investment bankers, Raymond James. Single Family Program staff sets a daily mortgage rate based upon prevailing market rates and predetermined profitability goals. The conventional loans, originated by participating lenders, offer borrowers a 30-year, fixed-rate mortgage. Borrowers benefit from lower mortgage insurance costs on these loans when compared to other Fannie Mae mortgage products, as well as similar government-insured loans such as FHA.

d) Florida Housing primarily offers qualified homebuyers DPA in the form of a second mortgage loan on both the Government Loan Program and HFA Preferred loans. Our Florida Assist loan is a 0% deferred payment loan of $7,500. This second mortgage program serves homebuyers with an area median income (AMI) of up to 120%, adjusted for household size. It is repayable upon sale of the property, refinance of the first mortgage, at the end of the first mortgage term, or if the homeowner no longer occupies the property as his/her primary residence.

e) We also offer a 3% grant program as part of the HFA Preferred PLUS Conventional Loan Program. The grant program offers borrowers 3% of the purchase price in non-repayable assistance to help with downpayment and closing costs. The HFA Preferred PLUS, like the HFA Preferred, offers daily pricing, but at a slightly higher first mortgage interest rate to generate the 3% assistance. Our HFA Preferred PLUS grant provides assistance to borrowers with an area median income (AMI) of up to 140%, adjusted for household size.
On July 13, 2015, we launched a DPA Program that utilizes Hardest Hit Fund (HHF) resources. The HHF DPA Loan Program is initially being offered as a pilot program in Brevard, Duval, Hillsborough, Orange and Volusia counties. As of August 31, 2016, the HHF DPA Loan Program expanded into an additional six counties; Clay, Osceola, Pasco, Pinellas, Polk and St. Lucie. This Program can serve borrowers with incomes up to 140% AMI. The Program offers the following benefits to qualified borrower(s):

1. Borrower(s) qualifying for eligible Homebuyer Loan Programs automatically qualify.
2. A five-year loan that is forgiven at the rate of 20% per year, provided the borrower is not in default.
3. 0% interest rate.
4. Up to $15,000 in assistance.

Our Mortgage Credit Certificate (“MCC”) Program provides qualified first time homebuyers with a non-refundable federal tax credit. Our MCC Program uses a 50% credit rate that provides the homeowner with a maximum $2000 annual tax credit used to offset any federal tax liability. The homeowner can claim this credit each year they occupy the home as a primary residence, pay mortgage interest, and have a tax liability to offset. We currently have 118 approved lenders participating in the MCC Program compared with 148 in our loan programs. We charge a $500 issuance fee for each MCC to cover administration and support of the program.

Single Family Program Staff continually offers a three hour, Department of Business and Professional Regulation (DBPR)-approved continuing education (“CE”) course for Realtors, which is coordinated through local Realtor boards throughout the state. Realtors who attend these classes receive a general 3 hour CE credit while learning about our Homebuyer Loan Programs, our Mortgage Credit Certificate Program, and other affordable housing programs available to their potential homebuyers. We strive to market to large groups such as Realtors and lenders statewide to maximize the benefit of our time and travel and to help others learn about the resources available through our programs.

On October 5th, Single Family Program Staff conducted the CE course at the Flagler County Association of Realtors (FCAR) in Bunnell, Florida. Over 40 Realtors attended the class.

Single Family Program Staff also conducts both webinar and face-to-face trainings for lender partners throughout the state. Training consists of program requirements and recent updates, system training offered in conjunction with eHousing and first mortgage and servicer requirements and updates offered in conjunction with US Bank Home Mortgage. Together, Florida Housing, eHousing and US Bank Home Mortgage provide lenders with information to better assist with the origination, delivery and purchase of first and second mortgages originated through our Homebuyer Loan Program. On October 4th, Single Family Program Staff conducted lender training in Jacksonville, Florida, with Fairway Independent Mortgage Company. Loan Officers, Processors, Operational Staff and Residential Mortgage Managers attended this on-site training.
SINGLE FAMILY HOMEBUYER PROGRAMS

Information

k) Florida Housing sponsors a toll-free telephone line (800-814-HOME), for first time homebuyers to call for information about our program. Callers are able to receive information through pre-recorded information that directs them to our First Time Homebuyer Wizard tool, which is located on our website. Those callers that have additional questions are transferred to Single Family Staff for assistance.

VII. SUBORDINATED MORTGAGE INITIATIVE (SMI)

A. Program Update

1. Background/Present Situation

a) Between April 2009 and September 2010, the Board approved funding for a total of thirty-two (32) Subordinated Mortgage Initiative (SMI) loans to developments credit-enhanced by the Guarantee Program and determined to be in financial distress. The loans provided properties with temporary assistance in funding their first mortgage debt service for a period of up to twenty-four (24) months. To that extent, Florida Housing provided up to one (1) mortgage payment per quarter, with the developer making the remaining payments. Over the twenty-four (24) month disbursement period, Florida Housing could fund up to eight (8) mortgage payments and the developer the other sixteen (16) mortgage payments.

b) Pursuant to SMI loan terms, no payments were due during the first 48 months (inclusive of the first 24-month disbursement period). However, interest accrues and is payable in full at the end of the 48-month period, followed by monthly principal-and-interest payments based on a twenty (20) year amortization and a balloon (payment in full) due at the end of year ten.

c) Exhibit A (attached) reflects the status of the SMI loans as of September 30, 2016, highlighted as follows:

1. The Board originally approved thirty-two (32) SMI loans totaling up to $19,120,000 in aggregate.

2. Two (2) loans, Leigh Meadows and Colony Park did not close due to the owner/borrower declining the loan.

3. One development, Preserve at Oslo (f/k/a: Woods of Vero Beach), received SAIL ELI funding prior to the final SMI disbursement. The SAIL ELI loan reduced the first mortgage, therefore the three (3) remaining SMI disbursements were reduced accordingly, decreasing the loan by $14,116.97.

4. Two more developments, Tuscan Isle (fka: Heron Cove) and Villas at Lake Smart, declined one or more of the latter disbursements under their respective SMI loans due to various circumstances.

5. Ultimately, thirty (30) SMI loans were closed totaling $17,820,192.04, of which $17,557,032.82 was disbursed.

6. Twenty seven (28) loans, totaling $16,460,413, have been paid in full.

7. No SMI loans have been foreclosed or resulted in a loss.
