II. PROFESSIONAL SERVICES SELECTION (PSS)

A. Contract Renewal – Website Design, Development and Hosting Services

1. Background

a) At the March 2016 meeting, the Board of Directors of Florida Housing authorized staff to enter into contract negotiations with SGS Technologie, LLC to provide website design, development and hosting services.

b) The current contract with SGS Technologie, LLC expires April 27, 2019. Contingent upon satisfactorily performing its obligations under the contract as determined by Florida Housing, this contract may be renewed once for an additional three-year period.

2. Present Situation

a) Florida Housing staff supports using the three-year renewal option for this contract. The renewal cost is low, and the additional time will give FHFC staff an opportunity to develop skill and take over support at the end of the contract term.

3. Recommendation

a) Staff recommends the Board direct staff to proceed with the three-year renewal option.
III. SINGLE FAMILY BONDS – FINANCE

A. Single Family Homeownership Program

1. Background

a) Florida Housing issues bonds under two master bond indentures. The 2009 Homeowner Mortgage Revenue (Special Program) Bond Indenture (the “NIBP Master Indenture”) was created for the purpose of implementing the United States Treasury’s New Issue Bond Program (the “NIBP”). The NIBP Master Indenture is currently rated “Aaa” by Moody’s Investors Service. Florida Housing also issues single family bonds under its 1995 Homeowner Mortgage Revenue Bond Indenture (the “1995 Master Indenture”). The 1995 Master Indenture is currently rated “Aaa” by Moody’s Investors Service. In addition, bonds issued under the 1995 Master Indenture prior to December 1, 2015 are also rated “AA+” by Standard and Poor’s Rating Service and “AA+” by Fitch Ratings.

b) Once Florida Housing closes the 2018 Series 2 bonds on December 20, 2018, Florida Housing will have approximately $333.8 million of tax-exempt bond volume cap that has been allocated for single family bond issuance. The $333.8 million consists of $20.9 million of 2016 carry forward and $312.9 million of 2017 carry forward. It is expected that additional allocation from 2018 will be added to the carry forward from prior years.

c) Due to difficult conditions in the municipal bond market but attractive pricing of Mortgage-Backed Securities (“MBS”) in the mortgage market, commencing on October 31, 2008, the Board approved multiple resolutions allowing staff to access funding for Florida Housing’s single family lending program through the sale of specified pools or To-Be-Announced (“TBA”) commitments in the MBS mortgage market purchased by Florida Housing under its Homeowner Mortgage Program (the “Single Family Program”). This year, through November 19, 2018, Florida Housing has sold over $321.9 million of newly originated Ginnie Mae MBS and $736.7 million of Fannie Mae MBS. Of these totals, $262.4 million of Ginnie Mae MBS settled in bonds, $59.5 million of GNMA MBS settled in the specified pool market and $733.8 million of Fannie Mae MBS were sold in the TBA mortgage market and $2.9 million of Fannie Mae MBS settled in bonds. Staff expects to continue periodic funding of the Single Family Program through the sale of MBS when market conditions are favorable at the time of sale. Financing alternatives in the municipal market have again become more attractive. The sale of bonds in the municipal market can be for: (1) refunding outstanding high coupon bonds that are currently subject to optional redemption, (2) refunding outstanding bonds currently subject to special redemption to preserve volume cap, (3) continuing Florida Housing’s single family lending program through the pooling of Mortgage Loans into Guaranteed Mortgage Securities under Florida Housing’s Homeowner Mortgage Program. Staff will continue to evaluate market conditions and, should market conditions warrant, may sell a portion or all MBS in the TBA or specified pool market, rather than issue bonds, to fund new production and refund the outstanding bonds subject to optional redemption.

   b) Staff and its Independent Registered Municipal Advisor will determine the amount of refunding bonds to be issued and whether they are executed as one or more refunding transactions based upon market conditions. Florida Housing may also opt to sell a portion of the MBS backing such bonds and use the proceeds of such sale to optionally redeem the bonds should this be deemed more economically prudent.

c) With regard to the issuance of new money bonds, conditions in the municipal bond market have improved significantly making the issuance of new money bonds feasible. Staff expects that it would be financially prudent to issue new money bonds under several separate series throughout 2019 to continue funding single family loans, including the potential to fund down payment assistance and closing cost assistance loans under its program.

d) The investment banking team, bond counsels, Independent Registered Municipal Advisor and special counsels have been approved by the board pursuant a RFP/RFQ process. It is expected that the following professionals would participate in the issuances of the 2019 Phase One Bonds: (i) in alphabetical order Citigroup Global Markets Inc., Morgan Stanley & Co. LLC., Raymond James & Associates, Inc. and RBC Capital Markets LLC., will serve as senior and co-senior managing investment bankers for the bond sale; and (ii) Caine Mitter & Associates Incorporated will serve as the Independent Registered Municipal Advisor.

e) The 2019 Phase One bonds will be issued under one of the following: the 1995 Master Indenture, the NIBP Indenture or a new master indenture but the aggregate amount of such 2019 Phase One Bonds shall not exceed $450,000,000. The 2019 Phase One Bonds are expected to be rated “Aaa” by Moody’s Investors Service if issued under either the 1995 Indenture or the NIBP Indenture; provided, however, that in consultation with the underwriting team and our Independent Registered Municipal Advisor, staff may opt to solicit ratings from additional rating agencies. The expected rating, if the bonds are issued under a new master indenture, is expected to be “Aaa” by Moody’s Investors Service. It is anticipated that the 2019 Phase One Bonds and any

additional new money bonds issued will, for the foreseeable future, be secured by MBS.

f) Authorization necessary to issue the 2019 Phase One Bonds requires (1) adoption of an authorizing resolution by Florida Housing’s Board and (2) approval of a fiscal determination by the State Board of Administration. To work within the constraints of regularly scheduled public meetings and maintain Florida Housing’s goal of providing continuously available single family mortgage funding and to take full advantage of the current market conditions for the refunding, the authorizing resolution for the 2019 Phase One Bonds is being presented for consideration at Florida Housing’s December 14, 2018 meeting.

g) Staff will determine the timing of issuance, size of issuance and the most applicable documents for the issuance of each series of 2019 Phase One Bonds based upon prevailing market conditions and recommendations from the Independent Registered Municipal Advisor.

h) To ensure sufficient time for obtaining required approvals for the 2019 Phase One Bonds, authorization is hereby requested to commit up to $65 million of indenture assets and/or other funds available to Florida Housing to provide interim funding for single family mortgage backed securities and down payment assistance and closing cost assistance loans. Additionally, Florida Housing may also use the line of credit secured with the Federal Home Loan Bank as previously approved by the Board.

i) Exhibit A: Board Resolution

3. Recommendation

a) Staff recommends the Board approve the necessary funding, staff actions and the Resolution to permit the issuance of the proposed 2019 Phase One Homeowner Mortgage Revenue Bonds.
