MHP Brevard I, LLC v. Florida Housing Finance Corporation and ECG Florida 2023 V, LP. FHFC Case No. 2024-072BP; DOAH Case No. 24-4678BID.

1. **Background:**

- a) These cases concern protests filed against the preliminary awards for Request for Applications 2024-306: Community Development Block Grant - Disaster Recovery to be used in Conjunction with Tax-Exempt Bonds and 4% Housing Credits in Counties Deemed Hurricane Ian Recovery Priorities (the “RFA”). At the October 22, 2024 Board meeting, ten applications were preliminarily recommended for funding. These included application number 2025-203BD for Villas on Central, LLC’s development (“Villas”) and application number 2025-196BD for ECG Florida 2023 V Developer, LLC’s development (“ECG”). Carisbrooke Terrace, Ltd., Carisbrooke Terrace Developer, LLC, and Sha Development, LLC’s application number 2025-194BD (“Carisbrooke”), and MHP Brevard I, LLC’s application number 2025-195BD (“MHP”) were deemed eligible but were not selected for funding according to the RFA funding selection process.
- b) Carisbrooke and MHP timely filed Formal Written Protests and Petitions for Administrative Hearing (the “Petitions”) challenging Florida Housing’s preliminary funding determinations under the RFA.
- c) Florida Housing issued a Notice to Bidders informing all bidders that their substantial interests might be affected by the Petition. Villas and ECG timely intervened in the matter. The Petition was referred to the Division of Administrative Hearings (“DOAH”) on December 11, 2024.

2. **Present Situation:**

- a) On December 20, 2024, in the interest of avoiding time, expense, and uncertainty of litigation, Carisbrooke, Florida Housing, and Villas entered a Settlement Agreement whereby Villas would be permitted to withdraw its application number 2025-203BD and would not be assessed any penalty or limitation for the withdrawn application. A copy of the Settlement Agreement is attached as [Exhibit A](#).
- b) On January 2, 2025, MHP, Florida Housing, and ECG entered into a similar Settlement Agreement whereby, in the interest of avoiding time, expense, and uncertainty of litigation, ECG would be permitted to withdraw its application number 2025-196BD and would also not be assessed any penalty or limitation for the withdrawn application. A copy of the Settlement Agreement is attached as [Exhibit B](#).
- c) 40th Street Lofts, LLC (“40th Street”) was also preliminarily recommended for funding in the RFA. However, during the pendency of the litigation, 40th Street was awarded funding in RFA 2024-205 and has accepted its invitation into credit

underwriting for that award. Under the terms of RFA 2024-306, 40th Street's application number 2025-180BD is now ineligible to receive funding under the RFA.

- d) It is the staff's recommendation that the returned funding from Villas' and ECG's withdrawn applications and 40th Street's ineligible application be distributed to the next eligible applications pursuant to the selection process outlined in the RFA. Attached as [Exhibit C](#) is a spreadsheet listing the applications that will be invited to credit underwriting if the Board adopts these recommendations.

3. **Recommendation:**

- a) Staff recommends that the Board adopt both settlement agreements and issue a Final Order distributing the returned funding from Villas' and ECG's withdrawn applications and 40th Street's ineligible application pursuant to the selection process outlined in the RFA.

III. PROFESSIONAL SERVICES SELECTION (PSS)

A. Single Source Procurement for a Davis-Bacon Software Solution

1. **Background:**

- a) The Davis–Bacon Act of 1931 is a United States federal law that establishes the requirement for paying the local prevailing wages on public works projects. Florida Housing and its partners are subject to these requirements when building developments that are primarily funded by the U.S. Department of Housing and Urban Development (HUD), e.g., when using HOME or Community Development Block Grant – Disaster Recovery (CDBG-DR) funds. Section 3 requires recipients of HUD funding to direct employment, training and contracting opportunities to low-income individuals and the businesses that employ these persons within their community. Section 3 is also applicable to developments that are primarily funded by HUD funds like HOME and CDBG-DR but also includes National Housing Trust Fund (NHTF) dollars as well.
- b) In 2015, HUD contracted with Elation Systems, Inc., to improve HUD's Davis-Bacon and Section 3 oversight and compliance for federally funded and/or assisted construction projects receiving HUD grants, loans, loan guarantees and/or insurance. Certain HUD-funded partners were then directed to use Elation's system to assist with managing prevailing wage data.
- c) Compliance with Davis-Bacon and Section 3 during construction is performed on Florida Housing's behalf by its contracted construction loan servicers Seltzer Management Group, First Housing Development Corporation and AmeriNat Community Services. All three of these firms have been onboarded into Elation's system and the transition from a manual reporting process to the electronic system has been beneficial for all stakeholders involved.

2. **Present Situation:**

- a) Florida Housing's current contract with Elation Systems, Inc., expires on March 21, 2025.
- b) While Florida Housing is not on the list of partners that have been identified as mandatory users of the system, there are notable benefits that the software system provides that no other vendor on the market currently does, including:
 - Extracting payroll data from developers' systems rather than via manual data entry;
 - Immediately identifying any underpayments;
 - Running database checks so that developers are informed about any issues prior to certification and submission to the servicers; and
 - Transmitting all Minority Business Enterprise/Women's Business Enterprise (MBE/WBE) and Section 3 reporting directly to HUD.

3. **Recommendation:**

- a) Staff recommends that the Board direct staff to proceed with entering into a new, one-year single source contract with Elation Systems, Inc., for their Davis-Bacon and Section 3 software solution.

7. Carisbrooke agrees to voluntarily dismiss its Petition as moot within two days of receiving notice that Villas has withdrawn its application.

8. Florida Housing agrees to recommend to its Board of Directors that the returned funding from Villas' withdrawn application be added back into the RFA and allocated pursuant to the funding selection process outlined in Section Five of the RFA without Villas withdrawn application number 2025-203BD, and subject to the results of any other bid protest proceedings relating to the RFA.

9. The Parties agree that Villas, its developer, or any principals, affiliates or financial beneficiary of the Applicant or Developer, will not be assessed any prohibition, priority 1 application limitation, point reduction, or other penalties in any pending or future Florida Housing funding programs due to the withdraw of its application number 2025-203BD.

10. The Parties understand that Florida Housing's funding decision is subject to final action by Florida Housing's Board of Directors. Florida Housing's Board of Directors' decision to approve, deny, or take any other action on staff's recommendations shall not be considered a breach of this Settlement Agreement.

11. The Parties waive all rights to challenge or appeal this Settlement Agreement, Florida Housing's Final Order relating to this Settlement Agreement, or any other action by Florida Housing's Board of Directors relating to this Settlement Agreement. All parties shall bear their own

costs and attorneys' fees incurred in this matter.

12. This Settlement Agreement contains and incorporates the entire understandings and agreements of the Parties, and any amendments thereof shall be set forth in writing and signed by all Parties.
