PETITION FOR WAIVER OF RULES 67-48.0072(4)(c) AND 67-48.0072(21)(b)

Woodland Grove Apartments, LLC, a Florida limited liability company (the "Petitioner"), by and through its undersigned counsel, hereby petitions the Florida Housing Finance Corporation (the "Corporation") for a waiver of Rules 67-48.0072(4)(c) and 67-48.0072(21)(b), Florida Administrative Code (May, 24, 2017). This Petition is filed pursuant to Section 120.542, Florida Statutes (2018), and Chapter 28-104, Florida Administrative Code (2018). In support, the Petitioner states as follows:

A. THE PETITIONER

1. The mailing address, telephone number and email of the Petitioner is as follows:

   Woodland Grove Apartments, LLC

3. On October 10, 2017, the Petitioner timely submitted an application in response to RFA 2017-108 SAIL Financing of Affordable Multifamily Housing Developments To Be Used In Conjunction With Tax-Exempt Bonds and Non-Competitive Housing Credits (“RFA”) (the “Application”) to finance the construction of an multifamily apartment complex to be known as Woodland Grove in Miami-Dade County, Florida (the “Property”), which will serve low income families in Miami-Dade County. The Petitioner received a preliminary award for $7,000,000 in SAIL funding (the “SAIL Loan”) and $600,000 in ELI funding (the “ELI Loan”) from the Corporation, and in connection with the invitation to credit underwriting the Corporation indicated the availability of NHTF funds in an amount up to $1,047,895.88 (the “NHTF Loan”). The Property will also be financed with a tax-exempt bond issuance by the Corporation of approximately $27,500,000 (the “Bonds”), an annual allocation of approximately $1,847,162 of 4% non-competitive low-income housing tax credits (the “Credits”), an anticipated loan from Miami-Dade County in an amount to be determined (“County Loan”), and deferred developer fee as necessary to fill a gap in the various funding sources.

4. The Petitioner received from the Corporation an invitation to enter into credit underwriting for the SAIL Loan, ELI Loan, and NHTF Loan (the “FHFC Loans”) by letter dated May 4, 2018, which was executed on May 9, 2018. Petitioner’s initial deadline to finalize credit
underwriting and receive a final loan commitment for the FHFC Loans was February 9, 2019 ("Initial Deadline"). As permitted by the Corporation’s rules, on November 9, 2019, the Petitioner requested a six (6) month extension of the deadline to receive a final loan commitment for the FHFC Loans. On December 14, 2018, the Corporation approved the six (6) month extension request extending the deadline to receive the firm loan commitment for the FHFC Loans to August 9, 2019 ("Commitment Deadline"). The Petitioner paid the extension fee associated with the extension of the Commitment Deadline.

B. THE RULE FROM WHICH WAIVER IS SOUGHT

5. The Petitioner requests a waiver from Rules 67-48.0072(4)(c) and 67-48.0072(21)(b), Florida Administrative Code (effective May, 24, 2017) (the "Rule"), which provides in part:

67-48.0072(4)(c) – Credit Underwriting and Loan Procedures.

(c) For SAIL, EHCL, and HOME that is not in conjunction with Competitive HC, the credit underwriting process must be completed within the time frame outlined in subsection 67-48.0072(21), F.A.C., below and the loan must close within the time frame outlined in subsection 67-48.0072(26), F.A.C., below.

67-48.0072(21)(b) – Credit Underwriting and Loan Procedures.

(b) For SAIL, EHCL, and HOME that is not in conjunction with Competitive HC, unless stated otherwise in a competitive solicitation, the firm loan commitment must be issued within nine (9) months of the Applicant’s acceptance to enter credit underwriting. Unless an extension is approved by the Corporation in writing, failure to achieve credit underwriting report approval and issuance of a firm loan commitment by the specified deadline shall result in withdrawal of the preliminary commitment. Applicants may request one (1) extension of up to six (6) months to secure a firm loan commitment. All extension requests must be submitted in writing to the program administrator and contain the specific reasons for requesting the extension and shall detail the time frame to achieve a firm loan commitment. In determining whether to grant an extension, the Corporation shall consider
the facts and circumstances of the Applicant’s request, inclusive of the responsiveness of the Development team and its ability to deliver the Development timely. The Corporation shall charge a non-refundable extension fee of one (1) percent of each loan amount if the request to extend the credit underwriting and firm loan commitment process beyond the initial nine (9) month deadline is approved. If, by the end of the extension period, the Applicant has not received a firm loan commitment, then the preliminary commitment shall be withdrawn.

C. STATUTES IMPLEMENTED BY THE RULES

6. The Rule is implementing, among other sections of the Florida Housing Finance Corporation Act (the “Act”), the statute that created the Housing Tax Credit Program, the Multifamily Mortgage Revenue Bonds Program and the State Apartment Incentive Loan Program. See Fla. Stat. §§ 420.5087, 420.509, 420.5099.

7. “Strict application of uniformly applicable rule requirements can lead to unreasonable, unfair, and unintended results in particular instances. The Legislature finds that it is appropriate in such cases to adopt a procedure for agencies to provide relief to persons subject to regulation.” See Fla. Stat. § 120.542(1). The pertinent statute regarding granting of waivers provides: “[W]aivers shall be granted . . . when application of a rule would create a substantial hardship or would violate principles of fairness.” See Fla. Stat. § 120.542(2). “Substantial Hardship” is defined as a demonstrated economic, technological, legal or other type of hardship to the person requesting the waiver. See Fla. Stat. § 120.542(2).

D. WAIVER WILL SERVE THE UNDERLYING PURPOSE OF THE STATUTE

8. The Petitioner is requesting a waiver of the Rule to extend the deadline to receive a firm loan commitment for the FHFC Loans from August 9, 2019 to December 31, 2019. As mentioned above, Petitioner was not able to meet the Initial Deadline and timely requested a six (6) month extension of the Initial Deadline as permitted by the Rule, which the Corporation
approved. Accordingly, Petitioner must now receive a firm loan commitment from the Corporation by August 9, 2019. A further extension of the firm loan commitment deadline may not be granted without a waiver of the Rule.

9. The Petitioner is unable to meet the Commitment Deadline for various reasons:
   
a. The underwriting for the County Loan must be completed by AmeriNat LLC and the findings incorporated into the final credit underwriting report to be prepared with respect to the Corporation’s funding. Before the Corporation issues a firm loan commitment to Petitioner, a credit underwriting report must be completed and approved by the Board of Directors of the Corporation (“Board”) at a meeting of the Board. A draft credit underwriting report for the Corporation’s funding must be submitted to the Corporation’s staff approximately four weeks prior to a meeting of the Board, with the final underwriting report to be submitted to the Corporation’s staff approximately two weeks before a Board meeting. Accordingly, the credit underwriting report for the County Loan needs to be completed with sufficient time for the Corporation’s credit underwriter to review and incorporate the findings into the draft credit underwriting report for the Corporation’s funding, which credit underwriting report will then need to be submitted to the Corporation’s staff at least four weeks before a Board meeting.

b. Secondly, the Petitioner has experienced delays in obtaining site plan approval and permits from the pertinent regulating authorities. The
Petitioner has submitted all requests and information timely and the delays in obtaining the various approvals is outside of the Petitioner’s control.

10. The Rule states that a failure of the Petitioner to receive the Corporation’s issuance of a firm loan commitment by August 9, 2019 will result in a withdrawal of the preliminary commitment for the SAIL Loan, ELI Loan, and NHTF Loan. Such a result would be catastrophic financially for the Property, and the Property would not be able to proceed with its construction and operation should the SAIL Loan, ELI Loan, and NHTF Loan be terminated by the Corporation. In addition to resulting in the loss of 190 affordable units, a denial of the Rule Waiver would be unfair and result in substantial hardship to the Petitioner. Under the new rules\(^1\), the Petitioner would have an initial period of twelve (12) months to obtain a firm loan commitment instead of the nine (9) month initial period which was the rule at the time of the Petitioner’s Application. The Corporation recently changed the rules allowing for the additional time to receive a firm loan commitment. Furthermore, the Petitioner has spent a substantial amount of money to date in furtherance of the closing on the Property, which, if lost, would cause substantial economic hardship to the Petitioner.

11. Consequently, an extension of the time period for completing the credit underwriting process and obtaining the firm loan commitment until December 31, 2019 is necessary to avoid unfairness and substantial hardship on the Petitioner and the Property. By granting the requested time extension, the Property will be able to proceed to reach completion in the future, which will provide 190 affordable rental housing much needed units in Miami-Dade

---

\(^1\) Specifically, Section 67-48.0072(21)(b), effective as of July 8, 2018.
County, Florida; such a result assists the Corporation at fulfilling its statutory mandate to provide safe, sanitary and affordable housing to the citizens of Florida.

12. The Petitioner believes that a waiver of this Rule will serve the purposes of Section 420.5087 and the Act that are implemented by Chapter 67-48 of the Florida Administrative Code, because one of the goals is for the proceeds of a SAIL Loan be used to facilitate the availability of decent, safe and sanitary housing in the State of Florida to low-income persons and households. The Act (Section 420.501, *et seq.*) was passed in order to create inducements and opportunities for private and public investment in rental housing to increase the supply of affordable housing for low-income persons and households. By granting this waiver, the Corporation would recognize the goal of increasing the supply of affordable housing units via the construction of new developments throughout Florida, particularly in the high-need area of Miami-Dade County.

17. The requested waiver will not adversely impact the Property or the Corporation.

E. TYPE OF WAIVER

18. The waiver being sought is permanent in nature.

[INTENTIONALLY LEFT BLANK]
F. ACTION REQUESTED

19. For the reasons set forth herein, the Petitioner respectfully requests the Corporation (i) grant the requested waiver of the time period for issuance of a firm loan commitment until December 31, 2019; (ii) grant this Petition and all the relief requested herein; and (iii) grant such further relief as it may deem appropriate.

Respectfully submitted,
