Application No.: 2006-004C

ORDER GRANTING WAIVER OF RULES 67-48.004(1)(a) and 67-48.007, 
FLORIDA ADMINISTRATIVE CODE

THIS CAUSE came for consideration and final action before the Board of Directors of
Florida Housing Finance Corporation on June 9, 2006, pursuant to a Amended Petition for
Waiver of Compliance Monitoring Fees Imposed by Rule 67-48.007, Florida Administrative
Code, and the Universal Application Instructions Adopted as Rules under Section 67-
48.003(1)(a), Florida Administrative Code (the “Amended Petition”)¹. Florida Housing Finance
Corporation ("Florida Housing") received the Amended Petition on May 1, 2006, from Clermont
RRH, Ltd., (“Petitioner”). On April 28, 2006, Florida Housing published the Notice of the
original Petition in Volume 32, Number 17, of the Florida Administrative Weekly. Florida
Housing received no comments regarding the Amended Petition. After careful review of the
record and being otherwise fully advised in the premises, the Board of Directors (the “Board”) of
Florida Housing hereby finds:

1. The Board has jurisdiction over the subject matter of this case and the parties
   hereto.

2. During the 2005 Universal Cycle, Florida Housing awarded an allocation of
   $68,500 in Low Income Housing Tax Credits (“LIHTC”) to Petitioner, for the acquisition and

¹ Petitioner submitted its Petition for Waiver on April 18, 2006. Petitioner’s Amended Petition requests
substantially the same relief.

rehabilitation of an existing 33-unit apartment complex, Sunny Hill Apartments, located in Lake County, Florida (the "Development").

3. The Development is financed in part through a United States Department of Agricultural Rural Development program ("USDA RD") which provides a direct loan program for financing of multi-family housing. USDA RD and Florida Housing entered into an agreement to monitor compliance with the tax credit requirements of USDA RD borrowers. This agreement resulted in a reduced compliance monitoring fee imposed on USDA RD borrowers.

4. In 2001, the Annual Compliance monitoring fee for those developments with USDA RD funds was $300.00 per development over the compliance monitoring terms, and the payment was discounted 2.75%. This reduced monitoring fee was inadvertently omitted from the 2005 Universal Application Instructions and rules.

5. Petitioner requests a waiver of Rules 67-48.004(1)(a) and 67-48.007, Fla. Admin. Code, as well as specific provisions of the incorporated 2005 Universal Cycle Application Instructions, to partially waive Annual Compliance monitoring fee and impose an Annual Compliance monitoring fee for the Development based on $350.00 per development over the compliance monitoring term, 30 years, and the payment discounted at 2.75%.

6. Rule 67.48.004(1)(a), Florida Administrative Code (2005), states in pertinent part:

The Universal Application Package is adopted and incorporated herein by reference, effective February 7, 2005.

The particular portions of the 2005 Universal Application Instructions which apply to this Petition state, in pertinent part:

7. Compliance Monitoring Fees:

b. HC:
(2) Annual Compliance monitoring fees - $1,532 + $9.00 per set-aside unit, for the full Housing Credit Extended Use Period collected at final allocation based on a quarterly payment stream discounted at a rate of 2.75% 

Rule 67-48.007, Florida Administrative Code (2005), states in pertinent part:

The Corporation … shall collect via check or money order the following fees and charges in conjunction with the … HC Program:

(6) Compliance Monitoring Fees.

7. Section 120.542(2), Florida Statutes provides in pertinent part:

Variance and waivers shall be granted when the person subject to the rule demonstrates that the purpose of the underlying statute will be or has been achieved by other means by the person and when application of a rule would create a substantial hardship or would violate principles of fairness.

8. The Board finds that the Annual Compliance monitoring fee for Developments with USDA RD funds was inadvertently omitted from the 2005 Universal Application Instructions and said fee should be in the amount of $350 per development over the compliance monitoring term with the payment discounted at 2.75%. Denial of these requested waivers would violate principles of fairness, in that requiring payment of the entire fee where monitoring is also being conducted by the USDA would result in an overpayment by Petitioner. Granting the Petition would serve the purpose of the underlying statute which provides for compliance and the collection of monitoring fees, and by ensuring that the affordable housing units are provided.

IT IS THEREFORE ORDERED:

The Petition for Waiver of Rules 67-48.004(1)(a), and 67-48.007, Florida Administrative Code, and those provisions of the 2005 Universal Cycle Application Instructions, is hereby GRANTED. Florida Housing shall impose an Annual Compliance monitoring fee for Sunny Hill Apartments based on $350.00 per development over the compliance monitoring term, thirty
(30) years, and the payment discounted at 2.75%. All other relief requested in the Petition, if any, is hereby denied.

DONE and ORDERED this 9th day of June, 2006.
