Application No. 2005-041C

AMBER GARDEN, LLC,

Petitioner,

vs.

FLORIDA HOUSING FINANCE CORPORATION

Respondent.

______________________________________

PETITION FOR A VARIANCE OF THE 2005 QUALIFIED ALLOCATION PLAN’S
REQUIREMENT FOR RETURNING HOUSING CREDIT ALLOCATIONS, AND TO
IMMEDIATELY RECEIVE A BINDING COMMITMENT FOR AN ALLOCATION OF
2007 HOUSING CREDITS

Petitioner Amber Garden, LLC, a Florida limited partnership ("Amber Garden") submits its
Petition to Respondent Florida Housing Finance Corporation ("Florida Housing") for a variance of
the Qualified Allocation Plan’s (a) prohibition from returning its 2005 Housing Credit Allocation
("Housing Credits") prior to the last quarter of 2007; and (b) requirement that a housing credit
allocation can be reserved only for the year after the year in which the development is required to
be placed in service ("Placed-in-Service Date"). The return of its Housing Credits is required before
Florida Housing may reserve an allocation of Housing Credits, and immediately provide a binding
commitment for an allocation of 2007 Housing Credits to Amber Garden. See Rules 67-48.002(83)
and 67-48.025, Florida Administrative Code (collectively the "Rules"), and Qualified Allocation
Plan at ¶ 11.

1. Pursuant to Section 120.542, Fla. Stat.(2001) and Rules 28-104.001 through 28-
104.006, F.A.C., Amber Garden requests a variance of Rule 67-48.002(83), Florida Administrative
Code, and of Paragraph 11 of the Qualified Allocation Plan ("QAP") to allow the immediate return of its 2005 Housing Credit Allocation, and to immediately receive Florida Housing’s binding commitment for an allocation of 2007 Housing Credits.

4. Pursuant to the 2005 Combined Rental Cycle Program, Amber Garden timely submitted its 2005 Universal Application ("Universal Application") for competitive Housing Credits under the Low Income Housing Tax Credit program. See Application No. 2005-041C.

5. Equity raised from Housing Credits will be used for the development of 110 very-low and low-income individual and household tax credit units known as Amber Garden (the
“Development”), with 80% of the units reserved for the elderly. The Development will serve individuals and elderly families in Miami, Miami-Dade County, Florida.

6. On December 22, 2005, Florida Housing issued its Preliminary Allocation of Housing Credits reserved in the amount of $1,088,940.00 ("Preliminary Housing Credits Allocation"). A true and correct copy of the Certificate of the Preliminary Allocation Housing Credits is attached hereto as Exhibit A.

7. As permitted by Rule 67-48.028, F.A.C., Amber Garden and Florida Housing entered into a Carryover Allocation Agreement ("Carryover Agreement"). A true and correct copy of the Carryover Agreement is attached hereto as Exhibit B. Under the Carryover Agreement, the Development’s Placed-in-Service Date is December 31, 2007.

8. Consequently, it is anticipated that there will be a Final Housing Credit Allocation granted to Amber Garden in accordance with Florida Housing’s usual final allocation procedures.

9. Numerous factors that were and are outside Amber Garden’s control, including the impact of Hurricanes Wilma and Katrina in 2005, have delayed the development process. As a result of these delays, Amber Garden may be unable to complete the Development before its Placed-in-Service Date.

10. As set forth more fully below, Amber Garden seeks to return its 2005 Housing Credit Allocation now, rather than wait to the last calendar quarter of 2007, as required under the QAP, and to immediately receive a binding commitment for an allocation of 2007 Housing Credits from Florida Housing, instead of an allocation reservation in 2008, the year after the current Placed-in-Service Date.
11. The requested variances will not adversely effect the Development. A denial of the Petition, however, would (a) result in substantial economic hardship to Amber Garden; (b) deprive Miami of essential affordable rental units; and (c) violate principles of fairness.

12. Rule 67-48.025 requires that distributions of Housing Credits “shall be in accordance with Florida Housing’s Qualified Allocation Plan.”

13. Rule 67-48.002(83) defines QAP as follows:

“QAP” or “Qualified Allocation Plan” means, with respect to the HC Program, the 2005 Qualified Allocation Plan which is adopted and incorporated herein by reference, effective upon approval by the Governor of the state of Florida, pursuant to Section 42(m)(1)(B) of the IRC and sets forth the selection criteria and the preferences of the Corporation for Developments which will receive Housing Credits.

14. The 2005 QAP provides that Housing Credits may be returned only in the last calendar quarter of the year (October through December) in which a development is required to be placed in service, and an allocation may only be made for the year after the Placed-in-Service Date:

where a development has not been placed in service by the date required or it is apparent that a development will not be placed in service by the date required [December 31, 2007], such failure is due to circumstances beyond the Applicant’s control, and the Applicant has returned its housing credit allocation in the last calendar quarter of the year in which it was otherwise required to be placed in service, the Corporation may reserve allocation in an amount not to exceed the amount of credits returned, and may allocate such housing credits to the Applicant for the year after the year [2008] in which the Development was otherwise required to be placed in service provided [certain] conditions have been met.

2005 QAP at ¶ 11 (emphasis added).

15. The applicable Rules for which variances are requested are implementing, among other sections of the Florida Housing Finance Corporation Act (the “Act”), the statute that created

The Florida Housing Finance Corporation Act is set forth in Sections 420.501 through 420.516 of the Florida Statutes. (the “Act”). See also Rule 67-40.020(1), F.A.C.
the Housing Credits Program. See § 420.5099, Fla Stat. (2003). The Act designates Florida Housing as the State of Florida’s housing credit agency within the meaning of Section 42(h)(7)(A) of the Internal Revenue Code of 1986. As the designated agency, Florida Housing is responsible for and is authorized to establish procedures for the allocation and distribution of low-income housing tax credits (“Allocation Procedures”). §§ 420.5099(1) and (2), Fla. Stat. (2003). Accordingly, the Rules subject to Amber Garden’s variance requests are implementing, among other sections of the Act, the statutory authorization for Florida Housing’s establishment of Allocation Procedures for the HC Program, §§ 420.5099(1) and (2), Fla. Stat. (2003).

16. The requested variances will ensure the availability of Housing Credits for Amber Garden which might otherwise be lost as a consequence of development delays caused by factors outside its control.

17. The following facts demonstrate the economic hardship and other circumstances which justify Amber Garden’s request for Rule variances:

a. Amber Garden timely submitted its Universal Application to Florida Housing for its Housing Credits Program.

b. Thereafter, Florida Housing issued its Preliminary Allocation.

c. The Preliminary Allocation reserved $1,088,940.00 for Housing Credits.

d. As a result of the Carryover Agreement, the Development’s Placed-in-Service Date is December 31, 2007.

e. However, before Amber Garden submitted its Universal Application to Florida Housing, on August 25 and October 24, 2005 Hurricanes Katrina and Wilma struck the South Florida area. As a result of the damage caused, Miami-Dade County was declared a major disaster area.
f. As a consequence of damage caused by Hurricanes Katrina and Wilma, Amber Garden’s development process, as well as numerous other projects in the Miami area, have been significantly delayed.

g. The impact of Hurricanes Wilma and Katrina on the construction industry has also contributed to further delays of the development process. In fact, since December 2005, a 25% increase in crude oil prices has likewise increased the cost of materials including, but not limited to, PVC, carpeting and gasoline.

h. The substantial increase in construction costs has created shortages of both essential building materials and labor. As a result, Amber Garden has had to re-budget the Development, and may have to seek additional state and local funding to cover these increased development costs.

i. In light of the initial delays caused by the 2005 Hurricanes, and having entered the 2006 hurricane season, Amber Garden’s tax-credit investor has serious concerns about whether the Development will meet the Placed-in-Service Date.

j. The Development has received final site plan approval. Provided that Florida Housing grants the requested Rule variances, Amber Garden and its tax-credit investor should close on the tax-credit partnership and commence construction within a reasonable period of time.

k. Amber Garden has continued to proceed with the pre-development process and has met the 10% test under Paragraph 5.b. of the Carryover Agreement.

l. The Rule variances sought herein will allow Amber Garden to return its Housing Credits, without having to wait until the last quarter of 2007, and immediately receive a binding commitment for an allocation of 2007 Housing Credits, in an amount not to exceed the amount of the returned Housing Credits.

m. A denial of the requested variances would result in a substantial economic hardship to Amber Garden. Without the assurance of a 2007 Housing Credit Allocation from Florida Housing, Amber Garden’s tax-credit investor has indicated its concerns about taking the risk of closing on the tax credit partnership, funding the initial capital contribution and commencing construction. This could result in the inability to obtain critical financing necessary to provide 110 apartment rental units needed for the elderly in Miami, Miami-Dade County, Florida.
18. Although the Internal Revenue Service offers extensions of placed-in-service dates for development projects in designated major disaster areas, this relief applies only when a development received its carryover allocation before the area was declared a major disaster area. See Rev.Proc. 95-28 § 5.02.

19. Unfortunately, Amber Garden is not eligible for this relief because it did not receive its carryover allocation until after Miami-Dade County was declared a major disaster area.

20. Florida, also recognizing the severity of cost increases resulting from Hurricane Wilma, offered funding through its SAIL Program's Hurricane Wilma Go-Zone SAIL Cycle (RFP 2006-04).

21. On April 19, 2006, Amber Garden submitted its RFP 2006-04 Request to Florida Housing, and was awarded an additional preliminary commitment for a SAIL Program loan of up to $1,250,000.  

22. As demonstrated above, the requested variances serve the purposes of Section 420.5099 and the Act, as a whole, because one of their primary goals is to facilitate the availability of decent, safe and sanitary housing in the State of Florida to low-income persons and households by ensuring:

the maximum use of available tax credits in order to encourage development of low-income housing in the state, taking into consideration the timeliness of the application, the location of the proposed housing project, the relative need in the area for low-income housing and the availability of such housing, the economic feasibility of the project, and the ability of the applicant to

---

2/ Simultaneously with the filing of this Petition, Amber Garden is submitting its Petition for a Variance of the 2005 Qualified Allocation Plan, as Applied to RFP 2006-04 Sail Program Funds, to Allow the Immediate Return of 2005 Housing Credit Allocation, and to Receive an Immediate Binding Commitment for an Allocation of 2007 Housing Credits.
proceed to completion of the project in the calendar year for which the credit is sought.

23. Further, by granting the requested variances, Florida Housing would recognize principles of fundamental fairness in the development of affordable rental housing. This recognition would promote participation by experienced developer entities, such as Amber Garden, in meeting the purpose of the Act, regardless of the possible delays from hurricanes and other factors outside their control.

24. The requested variances will not adversely impact the Development or Florida Housing.

25. The variances being sought are permanent in nature.

26. Should Florida Housing require additional information, Amber Garden is available to answer questions and to provide all information necessary for consideration of its Petition for a Variance of the Qualified Allocation Plan’s Requirement for Returning Housing Credit Allocations, and for an Immediate Allocation of 2007 Housing Credits.

WHEREFORE, Petitioner Amber Garden, LLC., respectfully requests that the Florida Housing Finance Corporation:

A. Grant the Petition and all the relief requested herein;

B. Provide a variance of the 2005 Qualified Allocation Plan’s prohibition from returning Housing Credit Allocations prior to the last quarter of 2007;

C. Allow the immediate return of the Amber Garden’s 2005 Housing Credit Allocation;
D. Provide a variance of the 2005 Qualified Allocation Plan’s requirement that a Housing Credit Allocation cannot be reserved until the year after the Development’s Placed-in-Service Date;

E. Immediately provide a binding commitment for an allocation of 2007 Housing Credits to Amber Garden, in an amount not to exceed the amount of its Housing Credit Allocation;

F. In the alternative, provide a binding commitment for an allocation of 2007 Housing to Amber Garden, in an amount not to exceed the combined total amount of the 2005 and 2006 Housing Credit Allocations ($1,694,617); and

G. Award such further relief as may be deemed appropriate.

Respectfully submitted,

FLORIDA HOUSING FINANCE CORPORATION
2005 CARRYOVER ALLOCATION AGREEMENT

This 2005 Carryover Allocation Agreement (Agreement) by and between Florida Housing Finance Corporation (Florida Housing) and Amber Garden, LLC (Owner) constitutes an allocation of the 2005 Housing Credit dollar amount meeting the requirements of Section 42(h)(1)(E) and (F) of the Internal Revenue Code of 1986 as amended (Code). 2. The Owner acknowledges that all the terms, conditions, obligations, and deadlines set forth in this Agreement and the attached Exhibits, together with those that are incorporated by reference, constitute material and necessary conditions of this Agreement, and that the Owner's failure to comply with any of such terms and conditions shall entitle Florida Housing, at its sole discretion, to deem the credit allocation to be canceled by mutual consent of the parties. 6. The Owner acknowledges that all qualified buildings within the Development shall be placed in service on or before December 31, 2007. 10. - the original, executed Extended Low-Income Housing Agreement in accordance with the deadlines imposed above

Florida Housing shall issue an Internal Revenue Service Form 8609 for each building, in accordance with the applicable federal law governing Housing Credit allocation under Section 42 of the Code and Florida Housing program rules. The Extended Low-Income Housing Agreement, with respect to the Development, shall incorporate the terms, conditions, and obligations undertaken by the Owner pursuant to paragraph 4 of this Agreement.

11. This Agreement does not in any way constitute a representation, warranty, guaranty, advice, or suggestion by Florida Housing as to the qualification of the Development for Housing Credits, or the financial feasibility, or viability of the Development. The Agreement shall not be relied on as such by any owner, developer, investor, tenant, lender or other person or entity for any reason.
If and to the extent that the allocation made pursuant to this Agreement is determined to be invalid, due to an error made by Florida Housing in determining its Housing Credit dollar amount for calendar year 2005, this Agreement shall be deemed to constitute a binding commitment on behalf of Florida Housing to allocate an equal amount of Housing Credits from its future Housing Credit Allocation Authority to the extent allowed by Section 42 of the Code. Such binding commitment shall, in all respects, be subject to the terms and conditions of this Agreement.

12. The Owner acknowledges and agrees to notify Florida Housing, in writing, in the event of a sale, transfer, or change in ownership of the Development in accordance with Rule Chapter 67-48, Florida Administrative Code.

13. Amendments to this document may be made by Florida Housing only upon written request from the Owner and as Florida Housing deems necessary.

14. The date of this Agreement is the date it is executed on behalf of Florida Housing as shown on the execution page hereto.
