In re: Sea Grape Apartments, Ltd.

Case No. 2007-046VW

**ORDER GRANTING PETITION FOR WAIVER OF RULE 67-48.004(14)(e),
FLORIDA ADMINISTRATIVE CODE (2006) TO CHANGE THE SITE OF
THE SEA GRAPE APARTMENTS DEVELOPMENT**

THIS CAUSE came on for consideration and final action before the Board of Directors of Florida Housing Finance Corporation ("Florida Housing") on September 21, 2007, pursuant to a "Petition for Waiver of Rule 67-48.004(14)(e) to Change the Site of the Sea Grape Apartments Development" (the "Petition"), filed by Sea Grape Apartments, Ltd. ("Petitioner") on August 22, 2007. Notice of the Petition was published in Volume 33, Number 35, of the Florida Administrative Weekly. Florida Housing received no comments regarding the Petition. After careful review of the record and being otherwise fully advised in the premises, the Board of Directors (the "Board") of Florida Housing hereby finds:

1. The Board has jurisdiction over the subject matter of this case and the parties hereto.
2. During the 2006 Universal Cycle, Sea Grape Apartments, Ltd. ("Petitioner") applied for and was awarded State Apartment Incentive Loan ("SAIL") and

Housing Credits (“HC”) funding to finance the construction of Sea Grape Apartments (the “Development”) located in Monroe County, Florida.

3. Rule 67-48.004(14)(e), F.A.C. (2006), provides in pertinent part:

Notwithstanding any other provision of these rules, there are certain items that must be included in the Application and cannot be revised, corrected or supplemented after the Application Deadline...

Those items are as follows:

(e) Site for the Development;

4. The Development at issue herein is phase-one of a two-phase project¹.

Petitioner contends that in its original Application, it submitted a legal description which encompassed both phases of the two-phase project. Petitioner has requested a waiver of the above rule to allow Petitioner to separate and carve out its legal description from the entire two-phase project.

5. Petitioner has demonstrated that neither the location of the Development nor its Tie-Breaker Measurement Point (“TBMP”) will be changed. Thus, Petitioner will obtain no advantage over other applicants.

6. Section 120.542(2), Florida Statutes provides in pertinent part:

Variations and waivers shall be granted when the person subject to the rule demonstrates that the purpose of the underlying statute will be or has been achieved by other means by the person and when application of a rule

¹ Applicant Sea Grape II, Ltd. has applied for funding in application number 2007-126CS in the 2007 Universal Cycle to develop phase two.

would create a substantial hardship or would violate principles of fairness.

7. The Board finds that strict application of the above Rule under these circumstances, where the Petitioner is attempting to separate and more clearly identify the legal boundaries of its Development, without changing the location of the Development or affecting the scoring of its original application would cause substantial hardship to Petitioner and violate the principles of fairness. Permitting this change in Development would also serve the underlying purpose of the statute.

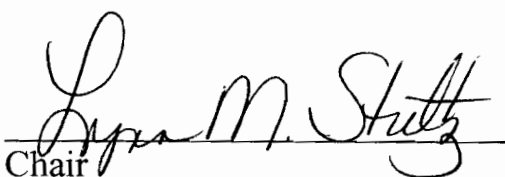

IT IS THEREFORE ORDERED:

The “Petition for Waiver of Rule 67-48.004(14)(e) to Change the Site of the Sea Grape Apartments Development” is hereby **GRANTED** to permit Petitioner to change the legal description of its Development for the purpose of separating the legal descriptions and thus more clearly identifying the two phases of the project. All other relief requested in the Petition, if any, is denied.

DONE and ORDERED this 21st day of September, 2007.
