In re: McCurdy Center, Ltd. Case No. 2007-064VW

ORDER GRANTING PETITION FOR WAIVER OF RULES 67-48.004(14); 67-48.004(1)(A); F.A.C. (2005); PART II.A.2.A.(1) AND (2) OF THE 2005 UNIVERSAL APPLICATION INSTRUCTIONS; AND A CHANGE IN DEVELOPMENT SITE

THIS CAUSE came on for consideration and final action before the Board of Directors of Florida Housing Finance Corporation ("Florida Housing") on December 7, 2007, pursuant to a "Petition for Waiver of Rule 67-48.004(14) and Rule 67-48.004(1)(a) and Part II.A.2.A.(1) and (2) of the Universal Application Instructions for a Change in the Identity of the Petitioner’s Developer and the Petitioner’s Ownership Structure; and a Change in Development Site" filed by McCurdy Center, Ltd. ("Petitioner") on November 6, 2007. Notice of the Petition was published in Volume 33, Number 46, of the Florida Administrative Weekly. Florida Housing received no comments regarding the Petition. After careful review of the record and being otherwise fully advised in the premises, the Board of Directors (the "Board") of Florida Housing hereby finds:

1. The Board has jurisdiction over the subject matter of this case and the parties hereto.
2. During the 2005 Universal Cycle, McCurdy Center, Ltd., ("Petitioner") applied for and was awarded competitive low-income housing tax credits ("Housing Credits") and a State Apartment Incentive Loan ("SAIL") to finance the construction of McCurdy Center (the "Development") located in Belle Glade County.

3. Rule 67-48.004(1)(a), Florida Administrative Code (2005), provides in pertinent part:

   (1) When submitting an Application, Applicants must utilize the Universal Application in effect at the Application Deadline.

   (a) The Universal Application Package or UA1016 (Rev. 1-05) is adopted and incorporated herein by reference and consists of the forms and instructions, obtained from the Corporation, for a fee, at 227 North Bronough Street, Suite 5000, Tallahassee, Florida 32301-1329, or available, without charge, on the Corporation’s Website under the 2005 Universal Application link labeled Instructions and Application, which shall be completed and submitted to the Corporation in accordance with this rule chapter in order to apply for the SAIL, HOME, HC, or SAIL and HC Program(s).

4. Rule 67-48.004(14)(b), Florida Administrative Code (2005), provides in pertinent part:

   (14) Notwithstanding any other provision of these rules, there are certain items that must be included in the Application and cannot be revised, corrected or supplemented after the Application Deadline. Failure to submit these items in the Application at the time of the Application Deadline shall result in rejection of the Application without opportunity to submit additional
information. Any attempted changes to these items will not be accepted. Those items are as follows:

...(b) Identity of each Developer, including all co-Developers;

5. Rule 67-48.004(14)(e), Florida Administrative Code (2005), provides in pertinent part:

(14) Notwithstanding any other provision of these rules, there are certain items that must be included in the Application and cannot be revised, corrected or supplemented after the Application Deadline. Failure to submit these items in the Application at the time of the Application Deadline shall result in rejection of the Application without opportunity to submit additional information. Any attempted changes to these items will not be accepted. Those items are as follows:

(e) Site for the Development;

6. Part II.A.2.a.(1) and (2), of the 2005 Universal Application Instructions provides in pertinent part:

(1) If applying for HC, the Applicant must be a limited partnership (including a limited liability limited partnership) or a limited liability company. The Applicant entity shall be the recipient of the Housing Credits and cannot be changed until after a Final Housing Credit Allocation has been issued. Replacement of the Applicant or a material change (33.3% or more of the Applicant, a General Partner of the Applicant, or a member of the Applicant) in the ownership structure of the named Applicant prior to this time shall be deemed a material misrepresentation. Changes to the limited partner of a limited partnership will not result in disqualification.

(2) If applying for MMRB, SAIL, or HOME, the Applicant entity shall be the borrowing entity and cannot be changed until after loan closing. Replacement of the Applicant or a
material change (33.3% or more of the Applicant, a General Partner of the Applicant, or a member of the Applicant) in the ownership structure of the named Applicant prior to this time shall result in disqualification from receiving funding and shall be deemed a material misrepresentation. Changes after loan closing will require Board approval.

7. Section 120.542(2), Florida Statutes provides in pertinent part:

Variances and waivers shall be granted when the person subject to the rule demonstrates that the purpose of the underlying statute will be or has been achieved by other means by the person and when application of a rule would create a substantial hardship or would violate principles of fairness.

8. Petitioner requests a variance or waiver to the above provisions to allow Greater Miami Neighborhoods, Inc. to withdraw as co-Developer of the project and also for its wholly-owned subsidiary, GMN McCurdy, Inc., to withdraw as co-General Partner of the Development. The Petition further requests that Landmark Development Corporation be added as co-Developer of the Development.

9. The requested change would result in Landmark Development Corporation and McCurdy Senior Housing Corporation serving as co-Developers and McCurdy Center GP, Inc. serving as the sole General Partner (a 0.01% interest) of the Applicant entity.
10. Petitioner further requests a waiver of Rule 67-48.004(14)(e), F.A.C. (2005) to allow a change in Development site to allow a possible future transfer of unnecessary portions of the Project site. Petitioner has demonstrated that it originally intended a single-phase Project at the time it submitted its Application. However, it has later determined that a multi-phase development could be developed. Petitioner wishes to construct the Development on tract A and outparcel the unnecessary tracts B, C, and D, all of which are more particularly described on the survey attached hereto as Exhibit “A” and incorporated herein by reference.

11. The Board finds that strict application of the above Rules under these circumstances would cause substantial hardship to Petitioner and violate the principles of fairness. Petitioner has demonstrated that Greater Miami Neighborhoods, Inc. and GMN McCurdy, Inc., its wholly owned subsidiary are experiencing financial and operational difficulties and are in the process of reorganizing and winding up its business operations, and is therefore unable to fulfill its obligations to the Development. Without the waiver, Petitioner cannot complete construction of the Development. Permitting this change in Development would also serve the underlying purpose of the statute.
The Board further finds that strict application of Rule 67-48.004(14)(e), F.A.C. (2005) would cause substantial hardship to Petitioner and violate the principles of fairness. Petitioner has demonstrated that its request for change in the Site for the Development would not affect the original scoring of its Application; Petitioner has submitted a new Surveyor Certification supporting this fact. The Board finds that permitting this change would also serve the underlying purpose of the statute.

**IT IS THEREFORE ORDERED:**

The Petition for a waiver of Rules 67-48.004(14), 67-48.004(1)(a), Florida Administrative Code (2005), and Part II.A.2.A.(1) and (2) of the 2005 Universal Application Instructions, is hereby **GRANTED**, to allow Petitioner to change its ownership and developer structure by allowing Greater Miami Neighborhoods, Inc. to withdraw as co-Developer and GMN McCurdy, Inc. to withdraw as co-General Partner. Further, Petitioner’s request to waive the above requirements is hereby **GRANTED**, to allow Petitioner to add Landmark Development Corporation as co-Developer. Finally, Petitioner’s request to change the site for the Development is hereby **GRANTED**, to allow the Development to be developed on the tract identified by the survey attached to its Petition, which is a portion of originally contemplated tract.

DONE and ORDERED this 7th day of December, 2007.
