STATE OF FLORIDA
FLORIDA HOUSING FINANCE CORPORATION

MCCURDY CENTER, LTD.,

Petitioner,

vs.

CASE NO.:________________________

FLORIDA HOUSING FINANCE
CORPORATION,

APPLICATION NO. 2006-035C

Respondent.

McCurdy Center, Ltd. (the "Petitioner") hereby petitions the Florida Housing Finance Corporation (the "Corporation") for a waiver of the Corporation's prohibition on changes in the identity of an applicant's developer and an applicant's ownership structure. See Rule 67-48.004(14), F.A.C. (the "Developer Rule") and Rule 67-48.004(1)(a), F.A.C. (together with the Developer Rule, the "Rules"); and Part II.A.2.a.(1) and (2), Universal Application Instructions – Housing Credit (HC) Program (the "Universal Application Instructions"). Petitioner also petitions the Corporation for a waiver of the restriction on changing the development's site. See Rule 67-48.004(14)(e).

In support of its petition, the Petitioner states:

1. The address, telephone number, facsimile number and e-mail address of the Petitioner are:

   McCurdy Center, Ltd.
   534 Datura Street
   Suite 420
   West Palm Beach, FL 33401
   (561) 659-9330
   (561) 833-2932 (fax)
   joseph.glucksman@flahc.com

2. The contact person, along with contact information and relationship, for the Petitioner's Application – Housing Credit (HC) Program (the "Application") is:

   Mr. Joseph Glucksman
   534 Datura Street
   Suite 420
West Palm Beach, FL 33401
(561) 659-9330
(561) 833-2932 (fax)
President – McCurdy Center GP, Inc. (one of Petitioner’s co-general partners)

3. For purposes of this Petition, the address, telephone number and facsimile number of the Petitioner’s attorney are:

Gary J. Cohen, Esq.
Shutts & Bowen LLP
1500 Miami Center
201 S. Biscayne Blvd.
Miami, FL 33131
(305) 347-7308
(305) 347-7808 (fax)

4. The Petitioner timely submitted its Application in the 2005 cycle (Application #2005-106CS) for the development named “McCurdy Center” (the “Development”). Florida Housing has issued its Preliminary Allocation of Housing Credits reserved in the amount of $1,363,350, and it is anticipated that there will be a final Housing Credit Allocation Agreement to Palafox Landing in accordance with Florida Housing’s final allocation procedures. Petitioner has also been awarded a SAIL loan commitment in the amount of $1,750,000.

5. The proceeds of the SAIL loan and equity raised from Housing Credits will be used for the development of McCurdy Center, a new 93-unit apartment development (the “Development”) intended to serve the homeless population, with an emphasis on elderly homeless, in Belle Glade, Florida.

6. The requested rule waiver will not adversely affect the Development. However, a denial of this Petition (a) will result in substantial economic hardship to McCurdy Center, (b) could deprive Belle Glade County of essential, affordable housing units in a timely manner, and (c) would violate principles of fairness. Section 120.542(2), Fla. Stat. (2007).

7. The waivers being sought are permanent in nature.

CHANGE IN IDENTITY OF DEVELOPER AND OWNERSHIP STRUCTURE

8. At the time of the Petitioner’s submittal of its Application, the Petitioner’s co-Developers (as the term is used in the Developer Rule and the Universal Application Instructions) were Greater Miami Neighborhoods, Inc. (“GMN”) and McCurdy Senior Housing Corporation (“McCurdy”).

9. Further, at the time of the Petitioner’s submittal of its Application, the Petitioner’s co-General Partners were GMN-Mcurdy, Inc. (“GMN GP”) and McCurdy Center GP, Inc. (“McCurdy GP”), as identified in its Application. In each instance, the general partner entities are wholly-owned subsidiaries of the respective developer entities, which are each qualifying non-profit entities as defined under applicable FHFC rules.
10. Subsequent to the Petitioner filing its Application and receiving an award of 2005 housing credits, GMN began to encounter financial and operational difficulties. GMN is in the process of reorganizing and/or winding down its business operations, and is not in a position to fulfill its obligations as co-General Partner and co-Developer of the McCurdy Center development.

11. As a result of the foregoing, GMN and McCurdy have agreed that GMN shall withdraw from the Petition as co-General Partner and will also withdraw as co-Developer. The parties have agreed to execute all documents necessary in connection therewith.

12. Accordingly, the Petitioner seeks to (i) remove GMN as a co-Developer, and have McCurdy and Landmark Development Corp. ("Landmark") be identified for purposes of the Application and all other purposes as the Petitioner's co-Developers; and (ii) remove the GMN GP Entity as a co-General Partner, and have the McCurdy GP be identified for purposes of the Application and all other purposes as the Petitioner's sole General Partner. Landmark has the required experience to serve as Developer of the Development. To verify the required experience of Landmark, Petitioner has attached hereto an executed Developer Certification Form and the Developer's Prior Experience Chart for Landmark behind the tab labeled "Exhibit 11." As a result of the withdrawal of the GMN GP, the McCurdy GP will own a 0.01% general partner interest; in other words, the McCurdy GP will succeed to the 0.0051% general partner interest formerly held by the GMN GP.

13. Petitioner was awarded Housing Credits as a "Non-Profit" applicant, by virtue of 100% of the General Partner interests in Petitioner being held by qualified non-profit entities. As a result of the withdrawal of GMN GP, McCurdy GP will be the sole General Partner. McCurdy GP is a qualified non-profit entity, in that 100% of its outstanding stock is owned by McCurdy, a Section 501(c)(3) tax-exempt organization. See attached information from the 2005 Universal Cycle Application verifying the foregoing. As a result, Petitioner is still classified as a "non-profit" for purposes of the 2005 Application cycle.

14. A waiver of the applicable Rules and Universal Application Instructions is necessary to change the identification of the Petitioner’s Developer and to change the Petitioner’s ownership structure.

15. Section 420.501 through 420.55 of the Florida Statutes sets forth the Florida Housing Corporation Act (the “Act”) which designates the Corporation as the State of Florida’s housing credit agency for the federal Housing Tax Credit Program to establish procedures necessary for the proper allocation of low-income housing tax credits (the “Procedures”). See § 420.5099, Fla. Stat. (2007). These Procedures are established in Rule Chapter 67, Florida Administrative Code. Accordingly, as set forth below, the Rules and the Universal Application Instructions subject to Petitioner’s waiver request are implementing, among other sections of the Act, the statutory authorization for the Corporation’s establishment of Procedures for the Tax Credit Program. Id.

16. The prohibition on changing the identity of an Applicant’s (as the term is used in the Developer Rule and the Universal Application Instructions) Developer is found in the Developer Rule, which provides that:

"(14) Notwithstanding any other provision of these rules, there are certain items that must be included in the Application and cannot be revised, corrected or supplemented after the Application Deadline. Failure to submit these items in the Application at the time
of the Application Deadline shall result in rejection of the Application without opportunity
to submit additional information. Any attempted changes to these items will not be
accepted. Those items are as follows:

... 

(b) Identity of each Developer, including all co-Developers;...

17. Rule 67-48.004(1)(a) defines the “Universal Application Package” and adopts its
contents (including the Universal Application Instructions discussed more fully below) and
incorporates them by reference into the foregoing Rule. Pages 4 and 5 of the 2005 Universal
Application Instructions (Part II.A.2.a.(1) and (2)) provides as follows:

“If applying for HC, the Applicant must be a limited partnership (including a limited
liability limited partnership) or a limited liability company. The Applicant entity
shall be the recipient of the Housing Credits and cannot be changed until after a Final
Housing Credit Allocation has been issued. Replacement of the Applicant or a
material change (33.3% or more of the Applicant, a General Partner of the Applicant,
or a member of the Applicant) in the ownership structure of the named Applicant
prior to this time shall result in disqualification from receiving an allocation and shall
be deemed a material misrepresentation. Changes to the limited partner of a limited
partnership will not result in disqualification.”

“If applying for MMRB, SAIL or HOME, the Applicant entity shall be the
borrowing entity and cannot be changed until after loan closing. Replacement of the
Applicant or a material change (33.3% or more of the Applicant, a General Partner
of the Applicant, or a member of the Applicant) in the ownership structure of the
named Applicant prior to this time shall result in disqualification from receiving
funding and shall be deemed a material misrepresentation. Changes after loan
closing will require Board approval.”

18. The facts stated in Paragraphs 4 through 13 above demonstrate the circumstances
that justify the waivers to change the identification of the Petitioner’s Developer and the Petitioner’s
change of ownership.

19. The requested waiver to change the identification of the Petitioner’s Developer will
not adversely impact the Development or the Corporation or be prejudicial to the Development or to
the market to be served by the Development, because Landmark has the required experience to
serve as Developer of the Development. However, the denial of the requested waiver will create a
substantial hardship for the Petitioner, due to the status of GMN’s business affairs, which the
Petitioner believes will result in unnecessary delay and expense and make it impossible to complete
the Development on time and within budget.

20. The requested waiver to change the Petitioner’s ownership structure will not
adversely impact the Development or the Corporation. However, the denial of the requested waiver
will create a substantial hardship for the Petitioner, due to the status of GMN’s business affairs,
which the Petitioner believes will result in unnecessary delay and expense and make it impossible to
complete the Development on time and within budget.
21. Further, the requested Rules and Universal Application Instruction waivers to change the identification of the Petitioner’s Developer and the Petitioner’s ownership structure will further the Corporation’s and the Act’s purpose of ensuring the maximum use of available credits in order to encourage development of low-income housing and associated mixed-use projects in urban areas.

CHANGE IN DEVELOPMENT SITE

22. Petition requests a waiver of Rule 67-48.004(14)(e). As applied to applications for Housing Credits and SAIL funds, the Rule identifies certain non-curable matters and includes the following:

"Notwithstanding any other provision of these Rules, there are certain items that must be included in the Application and cannot be revised, corrected or supplemented after the Application Deadline... Those items are as follows:

(a) Site for the Development;

23. Petitioner’s Development is the first phase of a multi-phase project of affordable housing units in Belle Glade, Florida. When Petitioner submitted its Application it intended that the entire project would consist of one phase. However, it has been determined that a multi-phase project could be developed on the property.

24. The entire development site remains under the control of the Partnership; however, at some time in the future the Partnership intends to transfer a portion thereof to an affiliated entity to develop further affordable housing or other buildings complimentary thereto upon such portion of the development site.

25. Petitioner is uncertain whether, under the above scenario, the “Site for the Development” has in fact changed since it remains in the same location as contemplated in the 2005 HC/SAIL application. However, in order to dispel any ambiguity with respect to this issue, Petitioner is submitting this Petition.

26. In light of the considerable time that it takes to develop and construct multi-family rental housing, FHFC’s statutes and rules are designed allow the flexibility necessary to respond to changed circumstances, particularly those that arise through no fault of the Petitioner which might necessitate a modification of a proposed project. FHFC routinely approves such changes when they would not have otherwise affected the scoring in the Application, because Petitioner thus derives no unfair advantage over its competitors in an application cycle. Indeed, the specific purpose of Rule 67-48.004(14) is to prevent a petitioner from changing certain key elements in its application after reviewing the applications of its competitors, thereby allowing the Petitioner to gain a possible competitive advantage.

27. The proposed changes to the McCurdy Center development would have no impact on the application’s scoring, thus providing Petitioner with no advantage over its competitors. In particular, with respect to the award of proximity tie-breaker points to Petitioner’s application, Petitioner hereby submits (as attached Exhibit "25") a revised Surveyor Certification form (including the accompanying sketches) and a boundary survey for the revised development site. These documents reflect that (a) the tie-breaker measurement point is located on the development site and within 100 feet of a residential building, and (b) proximity to each of the required services is within the one mile distance required to receive maximum proximity tie-breaker points. The
requested change to the development’s site would not have impacted the scoring of Petitioner’s application, and would not have provided Petitioner with an unfair advantage over other applicants.

28. The requested waiver will not prejudice the Development or the affordable housing market to be served by the Development, and may result in a savings of construction and development costs.

29. Should the Corporation require additional information, the Petitioner is available to answer any questions and to provide any additional information necessary for consideration of this petition.

WHEREFORE, the Petitioner respectfully requests that the Corporation:

A. Consider this Petition in conjunction with the Petitioner’s Application;

B. Grant this Petition and all the relief requested herein;

C. Waive the prohibition on changing the identity of the Petitioner’s Developer and the Petitioner’s ownership structure by: (i) allowing the removal of GMN as a co-Developer, and allowing McCurdy and Landmark to be identified for purposes of the Application and all other purposes as the Petitioner’s co-Developers; and (ii) allowing the removal of the GMN GP, as a co-General Partner, as identified in the Application, and allowing the McCurdy GP Entity to be identified for purposes of the Application and all other purposes as the Petitioner’s sole General Partner;

D. Allow the Development to be developed on the site identified as part of Exhibit 25 to this Petition; and

E. Grant such further relief as may be deemed appropriate.

Respectfully submitted,
