Petitioner,

vs.

FLORIDA HOUSING FINANCE CORP.,

Respondent

APPLICATION NO. 2007-133C

FHFC CASE NO. 2008-016 V W

PETITION FOR WAIVER FROM FLORIDA
ADMINISTRATIVE CODE RULE 67-48.004

KATHLEEN POINTE PARTNERS, L.L.L.P. ("Petitioner"), by and through its undersigned attorney, hereby petitions the Florida Housing Finance Corporation ("Florida Housing") for a waiver from Rule 67-48.004, Florida Administrative Code ("FAC"). This Petition is filed pursuant to Section 120.542, Florida Statutes and Chapter 28-104, Florida Administrative Code.

1. The address, telephone and facsimile number of Petitioner is:

3. Petitioner successfully applied for an allocation of Low Income Housing Tax Credits ("Housing Credits") in the 2007 Universal Application Cycle that Florida Housing administers pursuant to Chapter 67-48, Florida Administrative Code. Petitioner’s Application Number is 2007-133C (the “Application”). Petitioner applied for Housing Credits to finance a portion of the costs to develop an 80-unit multifamily rental apartment community in Polk County, Florida, to be known as Kathleen Pointe (the "Development").

THE RULES FROM WHICH A WAIVER IS SOUGHT

4. Petitioner requests a waiver from Rule 67-48.004(14), as in effect for the 2007 Universal Application Cycle. Rule 67-48.004(14) provides in relevant part as follows:

(14) Notwithstanding any other provision of these Rules, there are certain items that must be included in the Application and cannot be revised, corrected or supplemented after the Application Deadline. Failure to submit these items in the Application at the time of the Application Deadline shall result in rejection of the Application without opportunity to submit additional information. Any attempt to make changes to these items will not be accepted. Those items are as follows:

* * *

(e) Site for the Development:

STATUTES IMPLEMENTED BY THE RULE

5. The Rule implements, among other sections of the Florida Housing Finance Corporation Act, the statute that created the Housing Credits Program. Section 420.5093, Florida Statutes. The Act designates Florida Housing as the State of Florida’s housing credit agency within the meaning of Section 42(h)(7)(A) of the Internal Revenue Code of 1986. As the designated agency, Florida Housing is responsible for and is authorized to establish procedures for the allocation and distribution of low-income housing tax credits ("Allocation Procedures").

---

1 The Florida Housing Finance Corporation Act is set forth in Section 420.501 through 420.526, Florida Statutes.
Section 420.5099(1) and (2), Florida Statutes. Accordingly, the Rule implements, among other sections of the Act, the statutory authorization for Florida Housing’s establishment of Allocation Procedures for the Housing Credit Program.

6. Florida Housing has authority pursuant to Section 120.542(1), Florida Statutes and Chapter 28-104, F.A.C. to grant waivers to its rule requirements when strict application of such rules would lead to unreasonable, unfair and unintended consequences in particular instances. Waivers shall be granted when the person subject to the rule demonstrates that the application of the rule would (1) create a substantial hardship or violate principals of fairness, and (2) the purpose of the underlying statute has been or will be achieved by other means by the person. Section 120.542(2), Florida Statutes.

FACTS DEMONSTRATING ENTITLEMENT TO WAIVER

7. The provisions of the foregoing Rule prohibit a change in the “Site for the Development”. Petitioner is uncertain whether, under the scenario described below, the “Site for the Development” has in fact changed since it remains in the same location as described in the 2007 Housing Credit Application. However, in order to dispel any ambiguity with respect to this issue, Petitioner is submitting this Petition for Waiver. For the reasons set forth below, compliance with the provisions of the aforementioned Rule would give rise to substantial hardship to Petitioner and would violate principles of fairness.

8. In the Application, the Site for the Development was identified as “the North side of Mall Hill Road, east of the intersection of Mall Hill Road and Kathleen Road in Lakeland, Florida 33810.” Exhibit A to the contract for the purchase of the site submitted with the Application identified the site as follows:
“Lot 7 and Tracts A and B of the Mall Hill Center Plat recorded in Polk County, Florida in Plat Book 114 at Page 366. The parties acknowledge and agree that the exact legal description of the Property is to be determined by the Survey. Upon receipt and approval of the Survey by the Purchaser, the Survey shall be automatically substituted for this ‘Exhibit A’ without the necessity of amending this Agreement.”

(Exhibit 1)

9. The legal description submitted to Florida Housing with Petitioner’s carryover documentation provides in relevant part: “a portion of Lot 7 together with Tracts A and B” (Exhibit 2). Throughout the Application and allocation process for the Development, Tract A has been identified as a storm water management area and, although owned by Petitioner, Tract A has been dedicated as a common area of the Mall Hill Center Plat.

10. After submission of the Application, Petitioner was required to convey two narrow strips from Tract A to Polk County for a road-widening and turn lane project. (Exhibit 3). These conveyances had no adverse affect on the Development. The Tie-Breaker Measurement Pointe was not located on the narrow strips of land conveyed to Polk County. The change in the legal description of the Development site would have had no impact on the application’s scoring, thus providing Petitioner with no advantage over its competitors. A new survey depicting the narrow tracts taken by the county together with an updated legal description is attached as Exhibit 4.

11. In light of the considerable time that it takes to develop and construct multifamily rental housing, Florida Housing’s statutes and rules are designed to allow the flexibility necessary to respond to changed circumstances, particularly those that arise through no fault of the Petitioner, which might necessitate a modification in a proposed project. Florida Housing routinely approves such changes when they would not have otherwise affected the scoring of the application, because the Applicant thus derives no unfair advantage over its competitors in an
application cycle. Indeed, the specific purpose of Rule 67-48.004(14) is to prevent an applicant from changing certain key elements in its application after reviewing the applications of its competitors, thereby allowing the applicant to gain a possible advantage.

12. As explained above, the project changes requested by Petitioner result from actions by Polk County and the Mall Hill Center, through no fault of Petitioner. Further, the proposed changes to Kathleen Pointe would have had no impact on scoring of the Application, thus providing Petitioner with no advantage over its competitors.

WAIVER WILL SERVE THE UNDERLYING PURPOSE OF THE STATUTE

13. Florida Housing’s approval of the requested waiver would serve the purpose of the underlying Florida Statute, Section 420.5093, as well as the Housing Credit Program. The purpose of both the Statute and the program is to facilitate and stimulate the development of multifamily rental housing that is affordable to families of limited means. If the requested waiver is granted, the Housing Credit allocation in question will be used to fund an affordable multifamily rental housing community for which there is a desperate need in the Lakeland, Florida.

14. The violation of principles of fairness and imposition of a substantial hardship which would result from strict compliance with the provisions of FAC Rule 67-48.004(14), would be as follows. Unless the waiver is granted, Petitioner would not be able to utilize the Housing Credits for the development of Kathleen Pointe, a much needed affordable housing community. The substantial hardship which would result from strict compliance with the foregoing Rule is obvious.
15. By granting a waiver and permitting Petitioner to revise the Site for the Development, Respondent would recognize the economic realities of developing and constructing affordable rental housing. This recognition would promote participation by owners and developers such as Petitioner in meeting Respondent’s purpose by providing affordable housing, through new construction, in an economical and efficient manner.

TYPE OF WAIVER

16. The waiver being sought is permanent in nature.

ACTION REQUESTED

17. Petitioner requests a waiver from Rule 67-48.004(14) to permit a change in the Site for the Development from the descriptions that were submitted in the Application and with carryover documentation to the Development site reflected on the survey and legal description attached as Exhibit 4.

Respectfully submitted this 25th day of March, 2008.
