PETITION FOR WAIVER FROM FLORIDA
ADMINISTRATIVE CODE RULE 67-48.004

SOUTHWINDS PARTNERS, L.L.P. ("Petitioner"), by and through its undersigned attorney, hereby petitions the Florida Housing Finance Corporation ("Florida Housing") for a waiver from Rule 67-48.004, Florida Administrative Code ("FAC"). 3. Petitioner successfully applied for an allocation of State Apartment Incentive Loan ("SAIL") in the 2007 Universal Application Cycle that Florida Housing administers pursuant to Chapter 67-48, Florida Administrative Code. Petitioner’s Application Number is 2007-140S (the "Application"). Petitioner applied for SAIL to finance a portion of the costs to develop a 112-unit multifamily rental apartment community located in Lake County, Florida, to be known as Southwinds Cove (the "Development").

THE RULES FROM WHICH A WAIVER IS SOUGHT

4. Petitioner requests a waiver from Rule 67-48.004(14), as in effect for the 2007 Universal Application Cycle. Rule 67-48.004(14) provides in relevant part as follows:

   (14) Notwithstanding any other provision of these Rules, there are certain items that must be included in the Application and cannot be revised, corrected or supplemented after the Application Deadline. Failure to submit these items in the Application at the time of the Application Deadline shall result in rejection of the Application without opportunity to submit additional information. Any attempt to make changes to these items will not be accepted. Those items are as follows:

   ***

   (g) Development Type;

STATUTES IMPLEMENTED BY THE RULE

5. The Rule implements, among other sections of the Florida Housing Finance Corporation Act\(^1\), the statute that created the SAIL programs. Section 420.5087, Florida Statutes.

6. Florida Housing has authority pursuant to Section 120.542(1), Florida Statutes and Chapter 28-104, F.A.C. to grant waivers to its rule requirements when strict application of such rules would lead to unreasonable, unfair and unintended consequences in particular instances. Waivers shall be granted when the person subject to the rule demonstrates that the application of the rule would (1) create a substantial hardship or violate principals of fairness,

---
\(^1\) The Florida Housing Finance Corporation Act is set forth in Section 420.501 through 420.526, Florida Statutes.
and (2) the purpose of the underlying statute has been or will be achieved by other means by the person. Section 120.542(2), Florida Statutes.

FACTS DEMONSTRATING ENTITLEMENT TO WAIVER

7. The provisions of the foregoing Rule prohibit a change in the “Development Type”. For the reasons set forth below, compliance with the provisions of the aforementioned Rule would give rise to substantial hardship to Petitioner and would violate principles of fairness.

8. In the Application, the Development Type was identified as Garden Apartments.

9. At the time the Application was submitted, the Development Review Committee of the City of Leesburg had approved the preliminary or conceptual site plan, but had not approved the final site plan as reflected on the 2007 Universal Cycle – Local Government Verification of Status of Site Plan Approval for Multifamily Developments Form submitted with the Application. (Attached hereto as Exhibit 1). Final site plan approval from the local government was not required by the rules governing the 2007 Universal Application Cycle.

10. It is not uncommon for local governments to require changes in the preliminary site plans prior to approving the final site plans. The City of Leesburg did, in fact, require site plan changes prior to approving the final site plan resulting in a change from Garden Apartments to Townhouse type apartments. The change to Townhouse type apartments has no adverse affect on the Development and would have had no impact on the Application’s scoring, thus providing Petitioner with no advantage over its competitors.
11. In light of the considerable time that it takes to develop and construct multifamily rental housing, Florida Housing’s statutes and rules are designed to allow the flexibility necessary to respond to changed circumstances, particularly those that arise through no fault of the Petitioner, which might necessitate a modification in a proposed project. Florida Housing routinely approves such changes when they would not have otherwise affected the scoring of the application, because the Applicant thus derives no unfair advantage over its competitors in an application cycle. Indeed, the specific purpose of Rule 67-48.004(14) is to prevent an applicant from changing certain key elements in its application after reviewing the applications of its competitors, thereby allowing the applicant to gain a possible advantage.

**WAIVER WILL SERVE THE UNDERLYING PURPOSE OF THE STATUTE**

12. Florida Housing’s approval of the requested waiver would serve the purpose of the underlying Florida Statute, Section 420.5087. The purpose of both the Statute and the program is to facilitate and stimulate the development of multifamily rental housing that is affordable to families of limited means. If the requested waiver is granted, the SAIL allocation in question will be used to fund an affordable multifamily rental housing community for which there is a desperate need in the Leesburg, Florida.

13. The violation of principles of fairness and imposition of a substantial hardship which would result from strict compliance with the provisions of FAC Rule 67-48.004(14), would be as follows. Unless the waiver is granted, Petitioner would not be able to utilize the SAIL funds for the development of Southwinds Cove, a much needed affordable housing community. The substantial hardship which would result from strict compliance with the foregoing Rule is obvious.
14. By granting a waiver and permitting Petitioner to revise the Development Type, Respondent would recognize the economic realities of developing and constructing affordable rental housing. This recognition would promote participation by owners and developers such as Petitioner in meeting Respondent’s purpose by providing affordable housing, through new construction, in an economical and efficient manner.

**TYPE OF WAIVER**

15. The waiver being sought is permanent in nature.

**ACTION REQUESTED**

16. Petitioner requests a waiver from Rule 67-48.004(14) to permit a change in the Development Type from Garden Apartments to Townhouse type apartments.

Respectfully submitted this ___ day of November, 2008.
