CASE NO. _______________________
Application Nos. 2006-067C

VILLAGE CARVER PHASE I, LLC

Petitioner,

v.

FLORIDA HOUSING FINANCE CORPORATION

Respondent.

PETITION FOR WAIVER OF THE 2006 QUALIFIED ALLOCATION PLAN’S REQUIREMENT FOR RETURNING HOUSING CREDIT ALLOCATIONS, AND FOR AN IMMEDIATE ALLOCATION OF 2008 HOUSING CREDITS

Petitioner Village Carver Phase I, LLC, a Florida limited liability company, f/k/a YMCA Village Carver Phase I, LLC (“Village Carver” or “Petitioner”) submits its Petition to Respondent Florida Housing Finance Corporation (the “Corporation”) for a waiver of the Qualified Allocation Plan’s requirements that a housing credit allocation can be reserved only for the year after the year in which the development is required to be placed in service (“Placed-in-Service Date”). The return of the 2006 Housing Credits is required before the Corporation may reserve an allocation of housing credits that Village Carver requests be immediately allocated for 2008 (“2008 Housing Credits”). See Rule 67-48.002(83), Florida Administrative Code (collectively the “Rule”), and Qualified Allocation Plan at ¶ 11.

1. Pursuant to Section 120.542, Fla. Stat. (2001) and Rules 28-104.001 through 28-104.006, F.A.C., Village Carver requests a waiver of Rule 67-48.002(83), Florida Administrative Code, and of Paragraph 11 of the Qualified Allocation Plan (“QAP”) to allow the immediate return of its 2006 Housing Credits and an immediate allocation of 2008 Housing Credits.
2. The name, address, telephone and facsimile numbers for Village Carver and its qualified representative are:

3. The name, address, telephone and facsimile number of Village Carver’s attorney is:

   Facsimile: 305-789-3395
   E-mail: bmcdonough@swmwas.com

4. Pursuant to Florida Housing’s 2006 Universal Cycle, Village Carver timely submitted its Universal Application for competitive Housing Credits under the Low Income Housing Tax Credit program (“LIHTC Program” or “HC Program”). See Application Number 2006-067C. Petitioner was successful in obtaining Housing Credits totaling $2,435,000.00, from the 2006 Housing Credit Allocation.

5. Equity raised from the sale of Housing Credits will be used to finance a portion of the costs of the costs of development of Phase I of Village Carver Apartments (the “Development”) which will serve extremely low income and low income individuals residing in the City of Miami, Miami-Dade County, Florida.
6. On November 27, 2006, the Corporation issued its Preliminary Allocation of Housing Credits in the amount of $2,435,000.00. A true and correct copy of the Preliminary Allocation Certificate ("Preliminary Allocation Certificate") is attached hereto as Exhibit A.

7. As permitted by Rule 67-48.028, F.A.C., Village Carver applied for a carryover of the Housing Credit. The Corporation granted the carryover pursuant to a Carryover Allocation Agreement dated December 22, 2006 entered into between Village Carver and the Corporation. A true and correct copy of the Carryover Allocation Agreement is attached hereto as Exhibit B. As a result, the Placed-in-Service Date for the Development is December 31, 2008. However, such Placed-in-Service Date has been extended to April 22, 2010 pursuant to that certain letter dated October 23, 2008.

8. Numerous factors that were and are outside Village Carver’s control have delayed the development process. Notwithstanding such factors, Village Carver has been fully and aggressively pursuing review of building plans and issuance of a building permit. Site plan approval has been obtained and a general contractor’s agreement for the construction of the Development has been entered into. The Development was issued building permits on April 9, 2008.

9. On July 30, 2008, President Bush signed into law, H.R.3221, entitled, The Housing and Economic Recovery Act of 2008" (the "Act"). One of the myriad of provisions contained in the Act was a provision modifying Section 42(b)(2) of the Internal Revenue Code, as amended (the "Code") which requires the allocating agency (in the instant case, the Corporation) and the taxpayer (in the instant case, Village Carver) to use an “applicable percentage” (the percentage utilized to determine, in part, the amount of housing credits ultimately allocated to the Development) equal to either the rate existent at the time the
Development is placed in service or the rate existent at the time the Carryover Agreement was entered into. The latter date was elected by the Petitioner resulting in an applicable percentage of 8.12%. See Taxpayer Election of Applicable Percentage attached hereto as Exhibit C. The provisions of the Act modify Section 42(b)(2) of the Code such that the applicable percentage shall not be less than 9% for projects placed in service after July 30, 2008. The impact of using the higher applicable percentage is that the Development will be able to generate additional Housing Credits (however still within the $2,435,000 of annual credits preliminary allocated to it by the Corporation) and thus generate equity Village Carver needs for purposes of developing the Development. Village Carver wishes to have such 9% rate permitted by the Act apply to its Development but has been advised by the Corporation that it cannot make such election without the credit swap herein requested. The tax credit syndicator for this Development, The Richman Group Affordable Housing Corporation and/or affiliates ("Richman") will be unable to fund the amount of equity needed for the development of the apartment complex without the certainty of the higher 9% applicable percentage applying thereto.

10. As set forth more fully below, Village Carver seeks to return its 2006 Housing Credit Allocation and obtain an immediate reservation of 2008 Housing Credit Allocations.

11. The requested waivers will not adversely affect the Development. A denial of the Petition, however, would (a) result in substantial economic hardship to Village Carver; (b) deprive the City of Miami of essential affordable rental units set aside for low income families; and (c) violate principles of fairness.

12. Rule 67-48.002(88) defines QAP as follows:

“QAP” or “Qualified Allocation Plan” means, with respect to the HC Program, the 2006 Qualified Allocation Plan which is adopted and incorporated herein by reference, effective upon approval by the Governor of the state of Florida, pursuant to Section
42(m)(1)(B) of the IRC and sets forth the selection criteria and the preferences of the Corporation for Developments which will receive Housing Credits.

13. The 2006 QAP provides that Housing Credits may be returned only in the last calendar quarter of the year in which a development is required to be placed in service, and an allocation may only be made for the year after the Placed-in-Service Date:

Where a development has not been placed in service by the date required or it is apparent that a development will not be placed in service by the date required, such failure is due to circumstances beyond the Applicant’s control, and the Applicant has returned its housing credit allocation in the last calendar quarter of the year in which it was otherwise required to be placed in service, the Corporation may reserve allocation in an amount not to exceed the amount of credits returned, and may allocate such housing credits to the Applicant for the year after the year in which the Development was otherwise required to be placed in service provided [certain] conditions have been met.

2006 QAP at ¶ 11 (emphasis added).

14. The applicable FAC Rules for which waivers are requested are implementing, among other sections of the Florida Housing Finance Corporation Act (the “FHFC Act”),\(^1\) the statute that created the Housing Credits Program. See § 420.5099, Fla. Stat. (2003). The FHFC Act designates the Corporation as the State of Florida’s housing credit agency within the meaning of Section 42(h)(7)(A) of the Code. As the designated housing credit agency, the Corporation is required to establish procedures for the allocation and distribution of low-income housing tax credits (“Allocation Procedures”). §§ 420.5099(1) and (2), Fla. Stat. Accordingly, the Rules subject to Village Carver’s waiver requests are implementing, among other sections of the FHFC Act, the statutory authorization for the Corporation’s establishment of Allocation Procedures for the HC Program. §§ 420.5099(1) and (2), Fla. Stat.

---

\(^1\) The Florida Housing Finance Corporation Act is set forth in Sections 420.501 through 420.516 of the Florida Statutes, (the “Act”). See also Rule 67-40.020(1), F.A.C.
15. The requested waivers will ensure the availability of Housing Credits which might otherwise be lost as a consequence of factors outside Village Carver’s control.

16. The following facts demonstrate the economic hardship and other circumstances which justify Village Carver’s request for Rule waivers:

(a) Village Carver timely submitted its 2006 Universal Application for the Corporation’s Housing Credits Program.

(b) Thereafter, the Corporation issued its Preliminary Allocation Certificate.

(c) The Preliminary Allocation reserved $2,435,000.00 for Housing Credits.

(d) Village Carver’s has continued to proceed with the pre-development process and has met the 10% test under Paragraph 5.b. of the Carryover Agreements.

(e) A denial of the requested waivers would result in a substantial economic hardship to Village Carver. Without a swap of the 2006 Housing Credit Allocation for a 2008 Housing Credit Allocation, Richman will be unable to fund a substantial amount of equity which is otherwise willing to fund because of its uncertainty that the Development will have the higher 9% applicable percentage rate apply to it as opposed to the currently applicable rate of 8.12%. This would result in a shortfall of funds which are needed by the Petitioner to develop and construct 112 apartment rental units that are needed for low income tenants in Miami, Florida.

(f) The Rule waiver sought herein will allow Village Carver to return its 2006 Housing Credit Allocation and obtain an immediate allocation of 2008 Housing Credits, in an amount not to exceed the amount of the returned Housing Credit Allocation.

17. As demonstrated above, the requested waivers serve the purposes of Section 420.5099 and the FHFC Act in general, because one of its primary goals is to facilitate the availability of decent, safe and sanitary housing in the State of Florida to low-income persons and households by ensuring:

The maximum use of available tax credits in order to encourage development of low-income housing in the state, taking into consideration the timeliness of the application, the location of the
proposed housing project, the relative need in the area for low-income housing and the availability of such housing, the economic feasibility of the project, and the ability of the applicant to proceed to completion of the project in the calendar year for which the credit is sought.

18. Further, by granting the requested waivers, the Corporation would recognize principles of fundamental fairness in the development of affordable rental housing. This recognition would promote participation by experienced developer entities, such as Village Carver, in meeting the purposes of the FHFC Act, regardless of the possible delay factors outside Village Carver’s control.

19. The requested waivers will not adversely impact the Development or the Corporation.

20. The waivers being sought are permanent in nature.

Should the Corporation require additional information, Village Carver is available to answer questions and to provide all information necessary for consideration of its Petition for Waiver of the Qualified Allocation Plan’s Requirement for Returning Housing Credit Allocations, and for an Immediate Allocation of 2008 Housing Credits.

WHEREFORE, Petitioner respectfully requests that the Corporation:

A. Grant the Petition and all the relief requested therein;

B. Allow the immediate return of the Village Carver 2006 Housing Credit Allocation;

C. Waive the 2006 Qualified Allocation Plan’s requirement that a Housing Credit Allocation cannot be reserved until the year after the Development’s Placed-in-Service Date;
D. Immediately allocate 2008 Housing Credits to Village Carver, in an amount not to exceed the amount of its 2006 Housing Credit Allocation (including the 2006 Preliminary Allocation of housing credits); and

E. Award such further relief as may be deemed appropriate.

Respectfully submitted,

FLORIDA HOUSING FINANCE CORPORATION
2006 CARRYOVER ALLOCATION AGREEMENT

11. This Agreement does not in any way constitute a representation, warranty, guaranty, advice, or suggestion by Florida Housing as to the qualification of the Development for Housing Credits, or the financial feasibility, or viability of the Development. The Agreement shall not be relied on as such by any owner, developer, investor, tenant, lender
or other person or entity for any reason.

If and to the extent that the allocation made pursuant to this Agreement is determined to be invalid, due to an error made by Florida Housing in determining its Housing Credit dollar amount for calendar year 2006, this Agreement shall be deemed to constitute a binding commitment on behalf of Florida Housing to allocate an equal amount of Housing Credits from its future Housing Credit Allocation Authority to the extent allowed by Section 42 of the Code. Such binding commitment shall, in all respects, be subject to the terms and conditions of this Agreement.

12. The Owner acknowledges and agrees to notify Florida Housing, in writing, in the event of a sale, transfer, or change in ownership of the Development in accordance with Rule Chapter 67-48, Florida Administrative Code.
