PETITION FOR WAIVER FROM RULE
67ER06-34(19), F.A.C.

FRIENDSHIP TOWER, LTD. ("Petitioner"), by and through its undersigned counsel, hereby petitions the Florida Housing Finance Corporation (the "Corporation") for waiver from Rule 67ER06-34(19) Florida Administrative Code (2006). This Petition is filed pursuant to Section 120.542, Florida Statutes and Chapter 28-104, Florida Administrative Code.

THE PETITIONER

1. The address, telephone and facsimile number of the Petitioner is:

   Friendship Tower, Ltd.
   9400 S. Dadeland Boulevard
   Suite 100
   Miami, FL 33156
   (305) 854-7100
   (305) 859-9858

2. The address, telephone and facsimile number of Petitioner’s counsel is:

   Gary J. Cohen, Esq.
   Shutts & Bowen LLP
   1500 Miami Center
   201 S. Biscayne Boulevard
   Miami, FL 33131
   (305) 347-7308
   (305) 347-7808
3. Petitioner successfully applied for financing from the Housing Tax Credit ("HC") Program and Rental Recovery Loan Program ("RRLP") in the 2006 RRLP Cycle that the Corporation administered pursuant to Chapter 67ER-06, Florida Administrative Code. The Petitioner’s Application number is 2006-330CHR (the “Application”). Petitioner applied for housing credits and a loan under the RRLP program to finance a portion of the costs to develop a multi-family rental apartment complex in Miami-Dade County, Florida, to be known as Friendship Tower (the “Development”). The Development is a 92-unit apartment complex.

4. Petitioner was awarded a second mortgage loan under the RRLP program in the original aggregate principal amount of $5,024,813, consisting of a RRLP base loan non-ELI amount of $2,579,860, a RRLP base loan ELI amount of $859,953, and a $1,585,000 supplemental loan.

5. Petitioner (in 2007) closed on its HC financing and on its loan under the RRLP program. In connection therewith, Petitioner entered into a Land Use Restriction Agreement ("LURA") dated December 13, 2007. Section 2.2(c) of the LURA provides, in relevant part, that “Additionally, Section 8 voucher holders may not be used to satisfy the ELI Set-Aside requirement of subparagraph 2.2(a) above, unless those households’ vouchers are paying rents only up to the ELI rent level.” Section 2.2(a) of the LURA requires, for the first 20 years of the 50 year affordability period, that twenty five percent (25%) of the units within the development be rented to households who have household income less than or equal to thirty-three percent (33%) of area median income (the “ELI Set-Aside”) and the remaining seventy-five percent (75%) of the units be rented to persons who have a household income less than or equal to sixty percent (60%) of area median income. After the first 20 years and for the remaining 30 years of the 50 year affordability period, one hundred percent (100%) of the units within the development must be rented to
households which have a household income less than or equal to sixty percent (60%) of area median income.

**THE RULES FROM WHICH WAIVER IS SOUGHT**

6. Petitioner requests a waiver from a portion of Rule 67ER06-34(19), Florida Administrative Code.

7. Rule 67ER06-34(19) provides “All set-aside units shall be RRLP Rent-Restricted Units. A unit set aside at a particular income and rent level must house a tenant who satisfies the income requirement. Additionally, Section 8 voucher holders may not be used to satisfy the ELI Set-Aside requirement, unless those households' vouchers are paying rents only up to the ELI rent level.” (emphasis added)

8. Petitioner requests a waiver from the last sentence of Rule 67ER06-34(19), which does not allow Section 8 voucher holders to satisfy the ELI Set-Aside requirement, unless those household vouchers are paying rents only up to the ELI rent level. Petitioner requests that Section 8 voucher holders be allowed to satisfy the ELI Set-Aside requirement, so long as the tenant/Section 8 voucher holder only pays (from its own funds) rents not to exceed the ELI rent level. In addition, Petitioner requests amendment of the LURA (in particular, Section 2.2(c) therein) to incorporate the provisions of the requested waiver.

**STATUTES IMPLEMENTED BY THE RULE**

9. Rule 67ER06-34(19) referenced above implements the provisions of Section 31 of Chapter 2006-69 (H.B. No. 1363), which act appropriated funds to assist those areas of the State that sustained housing damage due to hurricanes during 2004 and 2005. In the 2006 RRLP application cycle. Petitioner agreed to a total set-aside for ELI Households of twenty-five percent (25%) of the total units. Rule 67ER06-34(19) sets forth certain requirements pertaining to income
and rent levels applicable to ELI Households. Accordingly, Rule 67ER06-34(19) implements the provision of Chapter 2006-69, Section 31.

10. The Corporation has the authority pursuant to Section 120.542(1), Florida Statutes, and Chapter 28-104, F.A.C., to grant waivers to its rule requirements when strict application of such rules would lead to unreasonable, unfair and unintended consequences in particular instances. Waivers shall be granted when the person subject to the rule demonstrates that the application of the rule would (1) create a substantial hardship or violate principles of fairness\(^1\), and (2) the purpose of the underlying statute has been or will be achieved by other means by the person. Section 120.542(2), Florida Statutes.

11. Petitioner requests a waiver of that portion of Rule 67ER06-34(19) which provides that Section 8 voucher holders may not be used to satisfy the agreed upon twenty-five percent (25%) ELI Set-Aside requirement, unless those households' vouchers are paying rents only up to the ELI rent level. The ELI rent level is an amount which does not exceed thirty percent (30%) of the imputed income limitation applicable to such ELI units (33% of area median income, adjusted for number of bedrooms). Petitioner requests that, with respect to ELI Set-Aside units occupied by Section 8 voucher holders, that Petitioner be permitted to collect the fair market rent payable under such Section 8 voucher, (as such rents are established under the Federal Section 8 voucher program) so long as the tenant/voucher holder does not itself pay an amount of rent greater than the ELI rent level. The limit on rent payable by the tenant is already in place under the Federal Section 8 program, which limits the rent payable by the tenant to 30% of the tenant's actual household income.

---

\(^1\) "Substantial hardship" means a demonstrated economic, technological, legal or other type of hardship to the person requesting the variance or waiver. "Principles of Fairness" are violated when literal application of a rule affects a particular person in a manner significantly different from the way it affects other similarly situated persons who are subject to the Rule. Section 120.542(2), Florida Statutes.
(which may be less than but never greater than the imputed income limitation applicable to such tenant).

12. FHFC seeks to serve lower income tenants (the ELI Households) and, in exchange for loaning funds to developers at an attractive interest rate, requires such developers to house more ELI households. FHFC has consistently (in funding cycles both before and after the 2006 RRLP cycle) required developers to house ELI Households in order to obtain such attractive financing. However, FHFC has never, except for the 2005 and 2006 RRLP cycles, implemented a rule similar to that sought to be waived hereunder; that is, FHFC has never prohibited developers from collecting Section 8 fair market rents when satisfying applicable ELI Set-Asides by housing ELI households possessing Section 8 vouchers.

13. The Federal Low-Income Housing Tax Credit Program (under Section 42 of the Internal Revenue Code) permits developers to collect fair market rents under the Section 8 program. See Section 42(g)(2)(B)(i)(i) of the Internal Revenue Code of 1986, as amended. No public policy objective is served or furthered by overriding the rents established by the Federal government under the Section 8 voucher program, provided that the tenant itself pays no more than the applicable ELI rent limitation (which is already the case under the Section 8 program). The appropriate policy is to not overburden the tenant with an excessive rent obligation. This policy goal is met so long as the tenant pays no more than 30% of its actual household income as rent, as required under the Section 8 program.

14. The rule with respect to which waiver is sought hereunder (Rule 67ER06-34(19)) imposes a limitation (in the 2005 and 2006 RRLP Cycles) which FHFC has not again sought to impose upon developers. In fact, application of this rule competitively disadvantages the Development in relation to neighboring FHFC-financed developments, which are not subject to the
restriction described herein and are currently collecting Section 8 fair market rents with respect to their ELI units participating in the Section 8 voucher program. Imposition of the Rule places the Development at a competitive disadvantage, notwithstanding the fact that the Development is already providing a deeper ELI set-aside (25% of total units) than the neighboring FHFC-financed developments.

15. The requested waiver is consistent with current policy of FHFC, in that FHFC currently permits (in its administration of the Federal Low-Income Housing Tax Credit Program) developers to collect fair market rents with respect to ELI units under Section 8 vouchers. It is important to note that the relief sought hereunder will not impact FHFC or the residents of the Development, nor does Petitioner seek to amend in any way the terms of repayment of the RRLP loan. Finally, it is important to note that, as compared to currently mandated ELI set-asides imposed by FHFC programs (typically FHFC requires up to 10% of total units to be set aside for ELI residents), Petitioner has committed to a deeper set-aside (25% of its total units for ELI households).

16. The Corporation has the authority pursuant to Section 120.542(1), Florida Statutes, to provide relief from its rules if strict application of the rule will lead to unreasonable, unfair and unintended consequences in particular instances. Denial of the requested waiver will result in substantial hardship to Petitioner, in that it will be placed at a competitive disadvantage to other affordable housing developments financed by the Corporation (in other than the 2005 and 2006 RRLP cycles), which developments are permitted to collect fair market rents under Section 8 vouchers in satisfying their required ELI Set-Asides. By granting the requested waiver, the Corporation would recognize the economic realities and principles of fundamental fairness in the development of affordable rental housing, in that it would be treating all developers participating in
FHFC financing programs in the same fashion when satisfying the applicable ELI Set-Aside requirements.

**WAIVER WILL SERVE THE UNDERLYING PURPOSE OF THE STATUTE**

17. Petitioner believes that a waiver of these rules will serve the purposes of Section 420.5099 and the Act which is implemented by the rules, because one of their goals is to facilitate the availability of decent, safe and sanitary housing in the State of Florida to low-income persons and households by ensuring:

The maximum use of available tax credits in order to encourage development of low-income housing in the State, taking into consideration the timeliness of the application, the location of the proposed housing project, the relative need in the area for low-income housing and the availability of such housing, the economic feasibility of the project, and the ability of the Applicant to proceed to completion of the project in the calendar year for which credit is sought. Section 420.5099(2), Fla. Stat.

The Florida Housing Finance Corporation Act (Section 420.501, et seq.) was passed in order to encourage private and public investment in persons of low income. The creation of the Housing Credit program, and the appropriation of funds for loans to projects housing ELI Households, stimulates private sector initiatives to increase the supply of affordable housing. By granting this request, the Corporation would recognize the goal of increasing the supply of affordable housing through private investment in persons of low-income.

**TYPE OF WAIVER**

18. The waiver being sought is permanent in nature.

19. Should the Corporation have questions or require any additional information necessary for consideration of the Petition, please contact the undersigned.

**ACTION REQUESTED**

20. Petitioner requests the following:
(a) Grant the Petition and all relief requested herein; and

(b) That the Corporation grant this waiver allowing for the loan documentation evidencing the RRLP loan from the Corporation to be amended to permit Section 8 voucher holders to satisfy the required ELI Set-Aside requirement and to allow Petitioner to receive the fair market rent otherwise payable under Section 8 voucher, provided that the tenant pay an amount no greater than the ELI rent level.

21. A copy of the Petition has been provided to the Joint Administrative Procedures Committee, Room 120, The Holland Building, Tallahassee, FL 32399-1300.

Respectfully submitted this 15th day of February, 2011.

Further, the Board shall limit any approved extension to a minimum term which makes the Development feasible and which does not exceed an industry standard term.
