   Respondent.

_____________________________________/

PETITION FOR WAIVER OR VARIANCE

Petitioner, Casa San Juan Bosco, Inc. ("CSJB"), pursuant to Section 120.542, Florida Statues, and Rule Chapter 28-104, Florida Administrative Code ("F.A.C."), hereby petitions Respondent, Florida Housing Finance Corporation ("Florida Housing"), for a waiver or variance from Rules 67-48.010(12) and 67-53.008, F.A.C. relating to what constitutes an acceptable "Migrant Farmworker". In support of this Petition, CSJB provides as follows:

1. The name and address of the Petitioner is:

   Casa San Juan Bosco, Inc.
   Attention: Peter Routsis-Aroyo, Executive Director
   1000 Pinebrook Road
   Venice, Florida  34292
   Telephone: (941) 484-9543
   Facsimile: (941) 484-1121

2. The name, address, telephone and facsimile number of CSJB's attorney, which shall be the appropriate address for service purposes during the course of this proceeding is:

   Tallahassee, FL  32302
   850/224-1585 (telephone)
   850/222-0398 (facsimile)
3. CSJB is a Florida not for profit corporation in the business of providing affordable rental housing to Farmworkers.

4. CSJB successfully in 2005 applied for funding pursuant to Request for Proposal 2005-05 for the Development and Rehabilitation of Migrant Farm-worker Housing ("RFP 2005-5"). (See Attachment A) The requested funds supplemented the construction of a 53-unit apartment complex in DeSoto County, Florida, named Casa San Juan Bosco.

5. Specifically CSJB requested $6,233,838.00 from the HOME Investment Partnership Program ("HOME") that Florida Housing administers pursuant to Chapter 67-48, F.A.C. and the program used by Florida Housing to fund responses to RFP 2005-5. CSJB was awarded its requested funding and successfully closed on said funding on or about August 31, 2011.

6. CSJB also successfully applied for funding for the Casa San Juan Bosco Development from the U.S. Department of Agriculture, Rural Development ("USDA"), obtaining an additional $3,000,000 in funding for the Development (consisting of a loan in the amount of $900,000.00 and a grant in the amount of $2,100,000.00). CSJB has successfully closed on said funding also on or about August 31, 2011.

**RULE FROM WHICH WAIVER IS SOUGHT**

7. CSJB requests a Waiver from Rules 67-53.008 and 67-48.010, F.A.C.. More specifically CSJB is seeking a waiver from the provisions which require compliance with all terms and conditions of the Loan agreements, including the Land Use Restriction Agreement ("LURA") and provisions of Application and Selection Procedures for Development and the provisions of RFP 2005-5. (See Attachment B)
8. Rule 67-53.008, F.A.C. in part provides that: "the Corporation shall monitor compliance of all terms and conditions of the Loans and of regulatory agreements,...recorded in the public records of the county wherein the development is located. Violation of any term or condition of the documents evidencing or securing the loans shall constitute a default during the term of the Loans..."

9. Rule 67-48.010, F.A.C. further provides that: the Corporation shall monitor compliance of all terms and conditions of the SAIL loan and shall require that certain terms and condition be embodied in the LURA and recorded in the public records of the County wherein the Development is located. Violation of any material terms or condition of the documents evidencing or securing the SAIL loan shall constitute a default during the term of the loan. The Corporation shall take appropriate legal action to effect compliance if a violation of any material term or condition relative to the set-asides of units for Very Low-Income persons or households is discovered during the course of compliance monitoring or by any other means."

10. In essence these rules require Florida Housing as a condition of funding to monitor for compliance purposes all operations of the development provided in the various controlling rules and documents including LURAs. To the extent a default is declared Florida Housing could call the loan due or take other action including requiring the Applicant to take further corrective action.

11. In the instant case the LURA that is attached as Exhibit B provides at Page 3 that all parties agree that the development be managed and operated according to the terms and conditions of the Act, The RFP, the Home Program, this Agreement and Loan documents.

12. The RFP at Page 3 cross-references Section 420.503(18), Fla. Stat., to define "Farmworker" "a laborer who is employed on a seasonal, temporary, or permanent basis in the
planting, cultivating, harvesting, or processing of agricultural or aquacultural products and who derived at least 50 percent of her or his income in the immediately preceding 12 months from such employment. "Farmworker" also includes a person who has retired as a laborer due to age, disability, or illness. In order to be considered retired as a farmworker due to age under this part, a person must be 50 years of age or older and must have been employed for a minimum of 5 years as a Farmworker before retirement. In order to be considered retired as a farmworker due to disability or illness, a person must establish that: (a) that she or he is medically unable to be employed as a Farmworker due to that disability or illness; and (b) she or he was previously employed as a Farmworker.

13. Further the RFP defines "migrant farmworker" as a person who travels across state or "or" and county boundaries to do agricultural work of a seasonal or other temporary nature, and who is required to be absent overnight from his or her permanent place of residence. Exceptions are immediate family members of an agricultural employer or a farm labor contractor, or a temporary foreign worker.

14. RFP 2005-5 goes on to provide at subsection 4.b.1.c, that in order "to be eligible for funding, 100% of the units must be set aside for eligible Migrant Farmworkers."

STATUTES IMPLEMENTED BY THE RULES

15. The Rule and RFP implements, among other sections of the Florida Housing Finance Corporation Act, as set forth in Sections 420.501 through 420.55 of the Florida Statutes, the statute that created the Home Investment Partnership Program. See Florida Statute 420.5089.

CSJB REQUEST A WAIVER FROM THE RULE FOR THE FOLLOWING REASONS

16. CSJB requests a waiver as it pertains to the requirement to provide housing to "Migrant Farmworker" as defined by RFP 2005-5. The RFP limits a Migrant Farmworker to a
person who travels across state or county boundaries to do agricultural work of a seasonal or other temporary nature, and who is required to be absent overnight from his or her permanent place of residence.

17. As indicated previously CSJB in addition to funding pursuant to the RFP also obtained funding from the USDA which also has compliance requirements and regulations as it relates to Farmworker and Migrant Farmworker housing.

18. For example the USDA programs use the USDA definition of "Domestic Farm Laborer" to meet the general farmworker definition. "Domestic Farm Laborer" is defined as a person who, consistent with the requirements in §3560.576(b)(2), receives a substantial portion of his or her income from farm labor employment (not self-employed) in the United States, Puerto Rico, or the Virgin Islands and either is a citizen of the United States or resides in the United States, Puerto Rico or the Virgin Islands after being legally admitted for permanent residence. This definition may include the immediate family members residing with such a person. While the definitions of Migrant Farmworker and Domestic Farm Laborer are similar it does not appear that the RFP definition of Migrant Farmworker would allow CSJB to service Domestic Farm Laborers.

19. With CSJB being located in DeSoto County, it has the ability to service both the Migrant Farmworker and Domestic Farm Laborer populations. Within both populations, it is known in the area that most of the housing available is often times substandard. CSJB could meet all of their housing needs by providing the stable living environment that has become Casa San Juan Bosco.
20. By allowing the Domestic Farm Labor definition to be added to the LURA, CSJB could then encourage the Migrant Farmworker to seek a position of "Domestic Farm Laborer," therefore allowing both he/she to settle in one location instead of requiring what could be constant travel from location to location to secure temporary work. Indeed in 2006 Florida Housing revised its definition of Farmworker to include, where USDA funds are used in conjunction with Florida Housing funds "a laborer who meets at a minimum the definition of "domestic farm laborer." (Sec. 420.503 18(c), F.S.).

21. Here CSJB will incur a substantial hardship in that it must navigate two different definitions. Indeed the narrower definition excludes the definition used by USDA for compliance and funding. Basic principles of fairness would suggest that CSJB be permitted to follow one definition qualifying the residents for occupancy that satisfies both definitions. This not only resolves a potential regulation issue but also will prove more beneficial to the operation and maintenance of the Development.

22. Limiting the definition as currently required will lead to the apparent unintended result where a "Migrant Farmworker" who finds employment as a Farmworker full time in the local community, will need to either vacate the housing provided by CSJB, or preclude them from such employment. This would force the employee to be separated from their family and work. Such a requirement makes the housing community more consist to transient residents, giving rise to a plethora of issues caused by constant turnover of residents, including but not limited to higher maintenance, higher vacancy, increased administrative costs, and greater safety and security issues.
23. From a programmatic perspective it will be CSJB that will be faced with the daunting task of asking a residence to vacate. Additionally CSJB will also have to find a new tenant from a pool limited by the definition. Lastly CSJB will incur the costs associated with the rehabilitation of the now unoccupied unit.

24. Granting the waiver will benefit housing as CSJB will also help the children of these families obtain permanent addresses which allows for:

   i. a better education by being able to stay in one school and participate in all school activities available to them with sports and social events;

   ii. the ability to make long lasting friendships with both fellow students and teachers;

   iii. having pride in where they live instead of the embarrassment that they could be suffering in constantly moving and/or living in substandard housing.

25. This change will not adversely impact the Development because the continuity, progress and quality of the Development will not be disrupted.

26. The Waiver of the LURA definition will benefit the Development, as it will add stability to the resident population, providing for a safer and secure operation of the Development.

27. Section 120.542(2), F.S. provides that:

   "Waivers shall be granted when the Applicant demonstrates that the application of the rule would create a substantial hardship or would violate principles of fairness". The term "substantial hardship" is defined as a demonstrated economic, technological, legal and other type of hardship to the Applicant.

28. The hardship in this case is related to a Migrant Farmworker, achieving a permanent job and qualifying under the definition of a "Domestic Farm Laborer" will be faced
with having to leave the project and return to transitional housing, which causes instability in the residential community, a greater turnover leading to higher vacancy rates with turnover. Further, a higher turnover ratio will increase maintenance vs. having a permanent resident take pride in the apartment they are utilizing as their residence.

**WAIVER WILL SERVE THE UNDERLYING PURPOSE OF THE STATUTE**

29. Granting the requested Waiver will serve the purposes of the statute implemented by the rules for which the waiver is sought. The Florida Housing Finance Corporation Act (beginning at Section 420.501) was enacted to encourage private and public investment in housing for persons of low income. The HOME Investment Partnership Program was created to assist eligible housing providers and federal programs, which the Development has met, by providing quality housing to very low income, namely, farmworkers, in conjunction with the federal funding from the U.S. Department of Agriculture, which is in place.

**ACTION REQUESTED**

30. CSJB requests the following:

(a) That Florida Housing grant the Petition for Waiver and grant Petitioner a waiver from Rule Rule 67-53.008 and 67-48.010, and RFP 2005-5 such that the definition of "Farmworker" allows and includes "domestic Farmworkers" in addition to the "migrant Farmworkers" and a corresponding amendment to the LURA and other Loan documents.

31. A copy of the Petition has been provided to the Joint Administrative Procedures Committee, Room 120, The Holland Building, Tallahassee, FL 32399-1300.

Respectfully submitted,

Michael P. Donaldson

Florida Housing’s RFP 2005-05 6 August 26, 2005
B. Migrant Farmworker Housing Plan

1. Provide a detailed plan and description of the proposed Migrant Farmworker Housing. The plan must include at least the following, but the Applicant should provide any additional information or support that would cause Florida Housing to more fully understand the Proposal:

   a. Development Description - Provide the specific location, number of units (not to exceed 100), unit mix, rents, and whether the development is new construction or Rehabilitation of an existing development.

   b. Describe any common areas and community facilities that may be included in the development.

   c. To be eligible for funding, 100% of the units must be set aside for eligible Migrant Farmworkers.

2. While Florida Housing encourages creative development design, due to the use of HOME funding from the Department of Housing and Urban Development, eligible development types are limited to the following:

   a. Single family homes which may be occupied by 2 or more single persons consisting of common space and for facilities for group use by the occupants of the unit. This also includes manufactured housing or modular housing built in accordance with the Code of Federal Regulations, 24 C.F.R. Part 92.251.

   b. Single Room Occupancy (SRO) consisting of single room dwelling units. New Construction SRO units are required to contain either food preparation, sanitary facilities or both. For Rehabilitation of an existing residential structure, neither food preparation nor sanitary facilities are required to be in the unit. If the units do not contain sanitary facilities, the building must contain sanitary facilities that are shared by the tenants.

3. Financing and Other Funding Resources – Provide evidence of other financing resources including any local government contributions that will be used to help finance the development and operation of the Migrant Farmworker Housing, including any tenant services. Evidence of other financing sources shall be demonstrated by providing a firm commitment. A firm commitment shall contain the terms, specific interest rate of the construction loan and/or the permanent loan (a published variable index will be acceptable); signature of all parties including acceptance by the applicant, and a statement the commitment does not expire before February 28, 2006. Total sources must equal or exceed uses.

4. Development Cost Pro Forma – Complete the attached detailed Development Cost Pro Forma (Exhibit A) describing the cost of the Development, including detailed sources and uses of funds. Total Development Cost must be clearly indicated.

5. Rehabilitation Development – Provide a complete description of any proposed renovations and the cost projections of such rehabilitation. Florida Housing recommends including a physical needs assessment of the property that is to be rehabilitated, to the extent practicable.

6. Set-aside requirements –

Pursuant to Fla. Admin. Code R. 67-48.014, the HOME minimum set-aside requirement shall be:

a. 80% of the HOME-assisted units are occupied by families or individuals whose annual income does not exceed 60% of the median family income for the area, as determined by HUD, with adjustments of family size, and

b. 20% of the HOME-assisted units are occupied by families or individuals whose annual income does not exceed 50% of the median family income for the area, as determined by HUD, with adjustments of family size.

C. Need and Demand

Provide a “needs assessment” that demonstrates the need for the proposed type of Migrant Farmworker Housing in the specific market area the Applicant proposes to serve. Include a discussion about nearby farms, packing houses, and any other agricultural employers that employ the Migrant Farmworkers you propose to house, their proximity to the Migrant Farmworker Housing you propose to build or Rehabilitate, and the time periods in which such agricultural employers employ Migrant Farmworkers and how many Migrant Farmworkers they employ. Need and demand will be verified by a certified third party market study during credit underwriting.

D. Evidence of Site Control

Provide evidence of site control such as a recorded deed, an option contract, a land lease of no less than 30 years, or a sales contract.
E. **Threshold Items and Exhibit**

All threshold items identified in Section Six and the attached exhibit of this RFP must be provided to be considered for funding.

F. **Certification Statement**

The following shall be repeated in the Applicant's Proposal and signed by an individual authorized to bind the Applicant. Failure to include the certification statement bearing an original signature shall result in rejection of the Proposal.

"I agree to abide by all conditions of RFP 2005-05 and certify that all information provided in this Proposal is true and correct, that I am authorized to sign this Proposal as the Applicant and that I am in compliance with all requirements of the RFP, including but not limited to, the certification requirements stated in Section Five of this RFP."

A. The Applicant submits this Response without prior understanding, agreement, or connection with any person or entity submitting a separate Response for the same services. However, any agreement with a person or entity with whom the Response is jointly filed and such joint filing is made clear on the face of the Response shall be an exception so long as the Response is in all respects fair and without collusion or fraud.

B. Any material submitted in response to this RFP is a public record pursuant to Chapter 119, Fla. Stat., and subject to examination upon request, after Florida Housing provides a notice of decision pursuant to Section 120.57(3), Fla. Stat., or within 10 Days after the Response is opened, whichever is earlier.

C. The Applicant is in compliance with Section 420.512(5), Fla. Stat., which provides:

"Service providers shall comply with the following standards of conduct as a condition of eligibility to be considered or retained to provide services. (c) At least 5% of the Development's total completed units shall be accessible to individuals with mobility impairments and an additional 2% at a minimum of the Development's total completed units (but not less than 1 unit) must be accessible to individuals with sensory impairments, in accordance with Section 504 of the Rehabilitation Act of 1973.

2.03. The rent levels of the HOME-Assisted Units shall be as follows: (a) a minimum of 20% of the HOME-Assisted Units (11 units) (Low-HOME Rent Units) shall be rented at the lesser of (i) the then applicable Section 8 Fair Market Rents, as enumerated by the United States Housing Act of 1937, for the County ("FMR") or (ii) rents that are 30% of 50% of the Area Median Income, adjusted for family size, less the then applicable utility allowance for each such unit, and (b) the remaining HOME-Assisted Units (High-HOME Rent Units) shall be rented at the lesser of (i) the FMR or (ii) rents that are 30% of 65% of the Area Median Income, adjusted for family size, less the then applicable utility allowance for each such unit.

2.04. That the Development shall be constructed, operated and maintained, as set forth in Exhibit "B" attached hereto and made a part hereof.

2.05. During the Term of this Agreement, the Borrower will not convert the Development to condominium ownership.

2.06. The Borrower shall not discriminate on the basis of race, religion, color, sex, familial status, national origin or disability in the lease, use or occupancy of the Development. The Borrower shall not discriminate on the basis of age nor shall the Borrower discriminate against minor dependents (except when units are specifically being held for the Elderly, as defined in the Rule).
2.07. The Borrower hereby covenants and agrees that it will immediately withdraw from circulation any advertisement determined by Florida Housing to violate or be inconsistent with its policies, with respect to promoting rental housing for persons and families whose incomes are equal to or less than the respective amounts specified in Paragraph 2.02 of this Agreement, and consents to the remedy of specific performance.

2.08. Prior to the leasing of any unit in the Development, the Borrower shall confirm that the management company selected to manage the Development has obtained Florida Housing's approval. If, however, prior to closing the Loan, the Development has received certificates of occupancy and any units have been leased, the Borrower shall confirm such approval by Florida Housing prior to such closing. Florida Housing must be advised of any change in the Borrower's selection of a management company and the company must be approved by Florida Housing's compliance department prior to the firm assuming responsibility for the Development. In addition, the Borrower must keep Florida Housing's compliance staff apprised of the progress of Development completion and advised as to the expected opening date of the Development. The Borrower and/or an authorized representative must attend a Florida Housing Compliance Training Workshop prior to the leasing of any unit.

2.09. The Borrower shall annually certify the gross income of all persons occupying HOME-Assisted Units pursuant to the HOME Program. All persons or households qualified under the provisions of the HOME Program to occupy HOME-Assisted Units may continue to qualify to occupy HOME-Assisted Units in a Development funded by the HOME Program if the gross income of said persons or households at the time of annual recertification meets the requirements established in the Rule. Tenants whose annual income increases to exceed eighty percent (80%) of Area Median Income may remain in occupancy, but must pay as rent the lesser of the amount payable by the tenant under state or local law or thirty percent (30%) of the tenant family's adjusted monthly income as recertified annually. Tenants in the HOME-Assisted Units which have tax credits may not pay rents in excess of the amounts allowed under the Low Income Housing Tax Credit Program (as such term is defined in the Rule). Should the annual recertification of persons or households result in noncompliance with income occupancy requirements, the next available unit must be rented to a person or household qualifying under the provisions of Section 24 C.F.R. 92.252 in order to ensure compliance of the Development.

The provisions of this Article II shall remain in effect during the Term of this Agreement; provided, however, that after payment of the Note in full, the Borrower may be discharged from its obligations under Articles II and III hereto if the extent that the same are assumed by any successor in interest to the Borrower pursuant to Article VIII hereof.

ARTICLE III

COMPLIANCE WITH HOME PROGRAM REQUIREMENTS

In order to comply with the Act and Florida Housing's rules and regulations thereunder, the Borrower hereby covenants and agrees that, during the Term of this Agreement:

3.01. The HOME-Assisted Units in the Development shall be set aside for persons and families whose incomes are equal to or less than the respective amounts specified in Paragraph
2.02 of this Agreement. These set-asides shall remain in effect for twenty (20) years from the date that the first unit within the Development is occupied or, if occupied, from the date hereof.

3.02. The Borrower and its successors in interest shall at all times operate the Development in conformity with all federal, state and local laws, rules, regulations, ordinances and orders which may be applicable to the Development, including but not limited to HUD’s rules and regulations.

ARTICLE IV
INDEMNIFICATION

The Borrower hereby covenants and agrees that it shall indemnify and hold harmless Florida Housing and its directors, officers, members, officials, employees and agents from and against (i) any and all claims arising from any act or omission of the Borrower or any of its agents, contractors, servants, employees or licensees in connection with the Loan Documents or the Development, or arising out of the construction, operation and/or management of the Development or the granting of the Loan to the Borrower; and (ii) all reasonable costs, counsel fees, expenses or liabilities incurred in connection with any such claim or proceeding brought thereon. In the event that any action or proceeding is brought against Florida Housing, or any of its directors, officers, members, officials, employees, or agents with respect to which indemnity may be sought hereunder, the Borrower, upon written notice from the indemnified party, shall assume the investigation and defense thereof including the employment of counsel and the payment of all expenses. The indemnified party shall have the right to participate in the investigation and defense thereof and may employ separate counsel either with the approval and consent of the Borrower, which consent shall not be unreasonably withheld, or in the event the indemnified party reasonably determines that a conflict of interest exists between such party and the Borrower in connection therewith, in either of which events the Borrower shall pay the reasonable fees and expenses of such separate counsel. The Borrower shall have no obligation to indemnify Florida Housing for Florida Housing's own negligence or willful misconduct. The provisions of this Article IV shall survive the termination of this Agreement. Nothing herein shall be deemed to make the Borrower or its partners, members, trustees or directors personally obligated to pay the loan evidenced by the Note or any deficiencies in connection therewith.

ARTICLE V
CONSIDERATION

In addition to other purposes, Florida Housing has authorized and made the Loan to the Borrower as an inducement to the Borrower to operate the HOME-Assisted Units in the Development for the benefit of persons or families whose incomes are equal to or less than the amounts specified in Paragraph 2.02 of this Agreement, for twenty (20) years. In consideration of the issuance of the Loan by Florida Housing for the foregoing purposes, Florida Housing and the Borrower have entered into this Agreement.
ARTICLE VI
RELIANCE

In performing its duties hereunder, Florida Housing may rely upon statements and certificates of the Borrower and tenants of the Development believed to be genuine and to have been executed by the proper person or persons, and upon audits of the books and records of the Borrower pertaining to occupancy of the Development. In addition, Florida Housing may consult with counsel, and the opinion of such counsel shall be full and complete authorization and protection with respect to any action taken or suffered by Florida Housing in good faith and in conformity with the opinion of such counsel.

ARTICLE VII
DEVELOPMENT WITHIN THE COUNTY LIMITS

The Borrower hereby represents and warrants that the Development as of the date hereof is located entirely within the limits of the County.

ARTICLE VIII
SALE, TRANSFER OR REFINANCING OF DEVELOPMENT

8.01. The Loan shall be assumable upon the sale, transfer or refinancing of the Development, subject to the following conditions:

8.01.1 The proposed transferee meets all specific applicant identity criteria (as specified in the Rule) which were required as conditions of the original Loan.

8.01.2 The proposed transferee agrees to maintain all set-asides and other requirements of the Loan for the period originally specified or longer, and agrees to assume the Borrower's obligations under this Agreement and the Loan Documents.

8.01.3 The proposed transferee and its application receives a favorable recommendation from Florida Housing's credit underwriter and approval by the Board of Directors of Florida Housing.

In the event the above-stated conditions are not met, the Loan as to both principal and interest, as well as all other obligations due or accrued under the Loan Documents, shall be due in full upon the sale, transfer or refinancing of the Development unless the consent of Florida Housing shall have been obtained or the transfer is otherwise permitted under the Loan Documents.

8.02. Sale, Transfer or Other Conveyance of Interests in the Borrower. Any material change (33.3% or more of an interest in the Borrower, a general partner of the Borrower or member of the Borrower, as applicable) in the ownership structure of the Borrower shall require prior approval of the Florida Housing Board of Directors. Changes to limited partnership interests shall not require prior approval; however, the Borrower shall provide Florida Housing with notice of any such change in a majority of the limited partnership interests.
8.03 The Borrower shall not refinance, increase the principal amount, or alter any terms or conditions of any mortgage superior or inferior to the HOME mortgage without prior approval of Florida Housing's Board of Directors and in compliance with the Rule.

ARTICLE IX
TERM

This Agreement shall become effective upon its execution and delivery, and shall remain in full force and effect for a minimum of twenty (20) years from the date that the first unit within the Development is occupied or, if occupied, from the date hereof, unless earlier terminated pursuant to Article XIII.

ARTICLE X
DAMAGE, DESTRUCTION OR CONDEMNATION OF THE DEVELOPMENT

In the event that the Development is damaged or destroyed or title to the Development, or any part thereof, is taken by any governmental body through the exercise or the threat of the exercise of the power of eminent domain, subject to the rights, if any, of the holder of the First Mortgage, the Borrower shall, to the extent funds are available, deposit with Florida Housing any insurance proceeds or any condemnation award, and shall, to the extent funds are available, promptly commence to rebuild, replace, repair or restore the Development in such manner as is consistent with the Loan Documents. Florida Housing shall make any such insurance proceeds or condemnation award moneys available to provide funds for such restoration work. In the event that the Borrower fails to commence or to complete the rebuilding, repair, replacement or restoration of the Development, within a reasonable period of time, after notice from Florida Housing, Florida Housing shall have the right, in addition to any other remedies granted in the Loan Documents or at law or in equity, to repair, restore, rebuild or replace the Development so as to prevent the occurrence of a default hereunder.

ARTICLE XI
ENFORCEMENT

If the Borrower defaults in the performance of its obligations under this Agreement or breaches any covenant, agreement or warranty of the Borrower set forth in this Agreement, and if such default remains uncured for a period of thirty (30) days after written notice thereof shall have been given by Florida Housing to the Borrower (or for an extended period approved by Florida Housing if such default stated in such notice can be corrected, but not within such thirty (30) day period, and if the Borrower commences such correction within such thirty (30) day period, and thereafter diligently pursues the same to completion within such extended period), then Florida Housing may declare all amounts due under the Note to be immediately due and payable, terminate all rights of the Borrower under this Agreement and subject to Article XVIII hereof, may take any other action at law or in equity or otherwise, whether for specific performance of any covenant in this Agreement or the Loan Documents or such other remedy as may be deemed most effectual by Florida Housing to enforce the obligations of the Borrower with respect to the Development. If a default by the Borrower under this Agreement is not cured within a time period acceptable to Florida Housing, Florida Housing may institute foreclosure
proceedings against the Development, but only as provided in the Mortgage and subject at all
times to the lien priority of the First Mortgage. Notwithstanding any of the foregoing, but
subject to Article XVIII hereof, Florida Housing will have the right to seek specific performance
of any of the covenants and requirements of this Agreement.

ARTICLE XII
RECORDING AND FILING; COVENANTS TO RUN WITH THE LAND

12.01. Upon execution and delivery by the parties hereto, the Borrower shall cause this
Agreement and all amendments and supplements hereto to be recorded and filed in the official
public records of the County and in such manner and in such other places as Florida Housing
may reasonably request, and shall pay all fees and charges incurred in connection therewith,
including, without limitation, all documentary stamp tax, intangible tax or any other excise taxes
which may be due and payable in connection with the transaction contemplated by the Loan
Documents.

12.02. This Agreement and the covenants contained herein shall run with the Land and
shall bind, and the benefits shall inure to, respectively, the Borrower and Florida Housing and
their respective successors and assigns during the Term of this Agreement.

ARTICLE XIII
SUBORDINATION AND FORECLOSURE

In the event of a foreclosure and sale of the Land or receipt of a deed in lieu of
foreclosure pursuant to a default under the First Mortgage related to the Development, this
Agreement shall be null and void and of no further force and effect, provided, however, that if a
"Related Party" to the Borrower as defined in the Internal Revenue Code should purchase the
Development following a foreclosure or a deed in lieu of foreclosure, the use restrictions set
forth herein shall be reinstated as of the date of transfer to any such Related Party.

ARTICLE XIV
GOVERNING LAW

This Agreement shall be governed by and construed in accordance with the laws of the
State, with respect to both substantive rights and with respect to procedures and remedies.

ARTICLE XV
TENANT PROGRAMS

The Borrower shall offer the tenant activities and programs set forth in Exhibit "B"
hereto.
