FHFC Case No.: 2013-017VW

ORDER GRANTING PETITION FOR WAIVER
OF RULE 67-48.010(8)(a) FLORIDA ADMINISTRATIVE CODE
(2008)

THIS CAUSE came on for consideration and final action before the
Board of Directors of the Florida Housing Finance Corporation on August 9,
2013, pursuant to a “Petition for Waiver or Variance from Rule 67-
48.010(8)(a) F.A.C” (the “Petition”). Florida Housing Finance Corporation
(“Florida Housing”) received the Petition on July 9, 2013, from
Independence Village, LLC (“the Petitioner”). On July 11, 2013, the Notice
of the Petition was published in Volume 39, Number 134, of the Florida
Administrative Register. Florida Housing received no comments regarding
the Petition. After careful review of the record and being otherwise fully
advised in the premises, the Board of Directors (the “Board”) of Florida
Housing hereby finds:

1. The Board has jurisdiction over the subject matter of this case
and the parties hereto.
2. Pursuant to RFP 2008-01, "The Development and Substantial Rehabilitation of Special Needs Housing," Independence Village, LLC ("Petitioner") applied for and was awarded State Apartment Incentive Loan (SAIL) funding to finance the construction of Independence Village Project (the "Development") located in Bay County, Florida, to provide housing for youth aging out of foster care.

(a) By May 31 of each year of the SAIL loan term, the Applicant shall provide the Corporation with audited financial statements and a certification detailing the information needed to determine the annual payment to be made...The audited financial statements are to be prepared in accordance with generally accepted accounting principles for the 12 months ended December 31....If the Applicant has not submitted the required audited financial statements, the Corporation servicer shall deem the Development Cash Flow sufficient and issue a billing for interest due on the SAIL loan for the immediate preceding calendar year by July 31...Failure to submit the required audited financial statements and certifications by May 31 of each year of the SAIL loan term shall constitute an event of default on the SAIL loan...

4. Petitioner has requested a waiver of the above Rule which requires it to provide audited financial statements by May 31 of each year; that requires it use a calendar fiscal year ending December 31; that the servicer issue a billing for interest due on the SAIL loan; and that it not be
in default on the SAIL loan.\(^1\) Petitioner requests that it be allowed to have the reporting flexibility permissible under current Rule 67-48.010(8)(a), Fla.Admin.Code (2011), which allows Petitioner to select its fiscal year end and requires that audited financial statements be provided 151 days after that fiscal year end date. Under the current Rule, Petitioner would not be default and the servicer would not issue a billing for interest due on the SAIL loan. Currently, Petitioner’s fiscal year ends on June 30\(^{th}\).

5. The requested change would neither affect the scoring of Petitioner’s proposal nor allow Petitioner to gain an unfair advantage over other applicants’ proposals.

6. Section 120.542(2), Florida Statutes provides in pertinent part:

   Variances and waivers shall be granted when the person subject to the rule demonstrates that the purpose of the underlying statute will be or has been achieved by other means by the person and when application of a rule would create a substantial hardship or would violate principles of fairness.

7. The Board finds that strict application of the above Rule under these circumstances would cause substantial hardship to Petitioner and violate the principles of fairness. Petitioner operates with limited resources and receives most of its funding from Big Bend Community Base Care

---

\(^1\) Petitioner requested a waiver of the $500 late fee. This request is moot as Petitioner subsequently paid the fee.
(“Big Bend CBC”). Big Bend CBC audits all of its properties at one time and conducting a separate audit on the Development would cause Petitioner to incur a substantial economic hardship. Granting the waiver will provide Petitioner more flexibility in reporting and allow it to continue to provide much needed housing.

**IT IS THEREFORE ORDERED:**
