In Re: MARICA GARDENS, LLC.                   FHFC Case No.: 2015-005VW

ORDER GRANTING WAIVER OF RULE 67-48.004(3)(i),
FLORIDA ADMINISTRATIVE CODE

THIS CAUSE came for consideration and final action before the Board of
Directors of the Florida Housing Finance Corporation on March 18, 2016, pursuant
to a “Petition for Waiver of Rule 67-48.004(3)(i), for a Change in Number of Units”
(“Petition”). Florida Housing Finance Corporation (“Florida Housing”) received the
Petition on February 11, 2016, from Marcia Gardens, LLC (“Petitioner”). Notice of
the Petition was published in Volume 42, Number 29, of the Florida Administrative
Register. Florida Housing received no comments regarding the Petition. After
careful review of the record and being otherwise fully advised in the premises, the
Board of Directors (the “Board”) of Florida Housing hereby finds:

1. The Board has jurisdiction over the subject matter of this case and the
   parties hereto.

2. Petitioner was selected to receive $4,500,000 in HOME funds from
   Florida Housing under RFA 2015-110 to assist in the construction of a 70 unit low-
   income housing development named “Marcia Gardens” (the “Development”), with
   a commitment to provide 55 HOME-Assisted units. Petitioner’s Application
Number was 2016-106H. Petitioner also obtained $8,500,000 in Multifamily Mortgage Revenue Bonds (MMRB) for this 70-unit development. After being invited to credit underwriting, Petitioner obtained approval from Florida Housing to increase the MMRB amount to $15,500,000 in order to increase the total number of low-income housing units in the development to 134. Petitioner now seeks to change the total number of low-income units in the Development from 70 units to 134 units for purposes of its HOME application.

   (3) For the SAIL, HOME, and Housing Credit Program, notwithstanding any other provision of these rules, the following items identified by the applicant in the Application must be maintained and cannot be changed by Applicant after Application submission, unless provided otherwise below:

   (i) Total number of units; notwithstanding the foregoing, for the SAIL and HC Programs that total number of units may be increased after the Applicant has been invited to enter credit underwriting, subject to written request of an Applicant to Corporation staff and approval of the Corporation;

4. Petitioner had initially contemplated constructing this development in two phases, with the second phase on adjacent land to include 64 low-income housing units. Building out the entire development as a single project is expected to be less costly and more efficient. If the Rule is not waived Petitioner alleges that it will suffer a substantial and unnecessary economic hardship because it would incur
duplicate due diligence, closing and construction costs, and would suffer ongoing inefficiency of project management with attendant increased costs.

5. The Petitioner is not asking to change the number of Home-assisted units, only the total number of low-income units in the development. The scoring of Petitioner’s application for RFA2015-110 would not have been affected if Petitioner had originally included 134 units in the Application, nor would the ranking of any other application.

6. Under Section 120.542(1), Fla. Stat., and Chapter 28-104, Fla. Admin. Code, Florida Housing has the authority to grant waivers to its rule requirements when strict application of these rules would lead to unreasonable, unfair, and unintended consequences in particular instances. Section 120.542(2) provides in pertinent part:

   Variances and waivers shall be granted when the person subject to the rule demonstrates that the purpose of the underlying statute will be or has been achieved by other means by the person and when application of a rule would create a substantial hardship or would violate principles of fairness.

   The principles of fairness are violated when literal application of a rule affects a particular person in a manner significantly different from the way it affects other similarly situated persons who are subject to the rule.

7. The Board finds that granting the waiver would neither affect the scoring of Petitioner’s application nor allow Petitioner to gain an unfair advantage
over other applicants. The Board further finds that granting the waiver would have no detrimental impact on Florida Housing or any of its programs.

8. Petitioner has demonstrated that it would suffer a substantial hardship if the waiver is not granted. Petitioner has also demonstrated that the purpose of the underlying statute, which is to “encourage development of low-income housing in the state” (§420.5099, Fla. Stat.), would still be achieved if the waiver is granted.

9. The Board finds that strict application of the above rules under these circumstances would cause substantial hardship to Petitioner. The Board further finds that granting this request furthers Florida Housing's statutory mandate to provide safe, sanitary and affordable housing to the citizens of Florida.

IT IS THEREFORE ORDERED:

Petitioner’s request for waiver of Rule 67-48.004(3)(i), Fla. Admin. Code, is hereby GRANTED, so that Petitioner may increase the total number of units set aside for low-income tenants in the Development from 70 to 134, while maintaining the same total number of HOME-assisted units.

DONE and ORDERED this 18th day of March, 2016.
