In Re: Landings Port Richey Senior Housing Limited Partnership

FHFC CASE NO.: 2017-008VW

ORDER GRANTING WAIVER OF RULE 67-48.002(95)

THIS CAUSE came on for consideration and final action before the Board of Directors of the Florida Housing Finance Corporation on February 3, 2017, pursuant to a “Petition for Waiver” (“Petition”). Florida Housing Finance Corporation (“Florida Housing”) received the Petition on January 19, 2017, from Landings Port Richey Senior Housing Limited Partnership (“Petitioner”). Notice of the Petition was published on January 19, 2017, in Volume 43, Number 13, of the Florida Administrative Register. Florida Housing received no comments regarding the Petition. After careful review of the record and being otherwise fully advised in the premises, the Board of Directors (the “Board”) of Florida Housing hereby finds:

1. The Board has jurisdiction over the subject matter of this case and the parties hereto.

2. Petitioner was selected to receive competitive Housing Credits and State Apartment Incentive Loan (“SAIL”) funding under Request for Applications 2015-104 (the “RFA”) to assist in the construction of the Landings at St. Andrew, a
196-unit elderly housing development in Pasco County, Florida. Petitioner’s Application Number was 2015-245CS (the "Application").

4. Rule 67-48.002(95), Fla. Admin. Code which defines and incorporates by reference the following provision of the 2015 QAP provides the following:

K. Notwithstanding any other provision of this QAP, where a Development has not been placed in service by the date required or it is apparent that a Development will not be placed in service by the date required, and such failure is due to circumstances beyond the Applicant’s control, and the Applicant has returned its Housing Credit Allocation in the last calendar quarter of the year in which it was otherwise required to be placed in service, the Corporation may reserve allocation in an amount not to exceed the amount of Housing Credits returned, and may allocate such Housing Credits to the Application for the year after the year in which the Development was otherwise required to be placed in service, provided the following conditions have been met: (i) the sponsor must have provided written notice to the Corporation, describing the circumstances, all remedial measures attempted by the Applicant to mitigate the delay, and any other pertinent information, prior to returning the allocation; and (ii) the Executive Director must find and determine that the delay was caused by circumstances beyond the Applicant’s control, that the sponsor exercised due diligence in seeking to resolve the circumstances causing delay, that the Development in all respects, except time placed in service, still meets the conditions upon which the Housing Credits were originally allocated, and that the Development is still desirable in terms of meeting affordable housing needs.
5. Petitioner requests a waiver of the above Rule and bolded selection of the QAP provision above to permit it to exchange its tax credits now rather than in the last calendar quarter of 2017. Petitioner asserts that due to the economic instability in the equity markets after the November 2016 presidential election, the tax credit investor substantially reduced its capital contribution, which caused Petitioner to restructure the transaction and go through underwriting again. The replacement tax credit investor is concerned about the uncertainty of the credit exchange if delayed until the last quarter of 2017 and is unwilling to close on the Development without assurance that the tax credits will be available. Given these circumstances, Petitioner asserts that achievement of the scheduled placed in service deadline is extremely unlikely. Petitioner therefore requests that it be permitted to swap the allocated tax credits now instead of the last quarter of 2017.

6. The Board finds that granting the waiver not have any impact on other participants in funding programs administered by Florida Housing, nor would it have a detrimental impact on Florida Housing or the Development.

7. Section 120.542(2), Florida Statutes provides in pertinent part:

Variances and waivers shall be granted when the person subject to the rule demonstrates that the purpose of the underlying statute will be or has been achieved by other means by the person and when application of a rule would create a substantial hardship or would violate principles of fairness.
8. Petitioner has demonstrated that strict application of the above Rules under these circumstances would constitute a substantial hardship and violate the principals of fairness. Petitioner has also demonstrated that the purpose of the underlying statute, which is to “encourage development of low-income housing in the state” (§420.5099, Fla. Stat.), would still be achieved if the waiver is granted.

9. The Board finds that strict application of the above Rules under these circumstances would cause substantial hardship to Petitioner, and that granting this request furthers Florida Housing's statutory mandate to provide safe, sanitary and affordable housing to the citizens of Florida.

**IT IS THEREFORE ORDERED:**

Petitioner’s request for a waiver of Rule 67-48.002(95), Florida Administrative Code and 2015 QAP provision is hereby **GRANTED** to allow Petitioner to exchange its 2015 credits for a subsequent year’s allocation now rather than in the last calendar quarter of 2017.

DONE and ORDERED this 3rd day of February, 2017.
