**AMENDED
FORMAL WRITTEN PROTEST AND PETITION
FOR ADMINISTRATIVE HEARING**

Petitioner ACRUVA Communities FL04, LLC (“Petitioner” or “ACRUVA Communities”) files this Amended Formal Written Protest and Petition for Administrative Hearing¹ pursuant to 120.57(3), Florida Statutes (“F.S.”) and rules 28-110.004 and 67-60, Florida Administrative Code. This Amended Petition challenges the intended decision of Respondent, Florida Housing Finance Corporation (“Florida Housing”) to award funding to Richman Apogean, LLC (“Richman”) (Application 2025-066C) and determination of eligibility of the application of Mowry Apartments, LLC (“Mowry”) (Application No. 2025-103C) in connection with *Request for Applications (RFA) 2024-203 Housing Credit Financing for Affordable Housing Developments Located in Miami-Dade County*.

construction of a 109-unit, high-rise residential apartment building called Arbors at Leisure City in Miami-Dade County, Florida. For the purposes of this proceeding, the Petitioner's address, telephone number and email address are those of its undersigned counsel. 2. Florida Housing Finance Corporation is the agency affected by this Petition. Florida Housing's address is 227 North Bronough Street, Suite 5000, Tallahassee, Florida 32301-1329.

Notice

3. Florida Housing issued the RFA on June 18, 2024.

4. Applications were due by 3:00pm on July 11, 2024. (RFA at 2)

5. Florida Housing received fifty-three applications in response to the RFA. The petitioner, in response to the RFA, requested an allocation of \$3,800,000.00 in Housing Tax Credit funds for its proposed development.

6. Petitioner received notice of the preliminary RFA scoring and rankings through electronic posting on Friday, August 23, 2024, at 10:02 am. A copy of the notices posted on the Corporations website are attached hereto as Exhibit "A." Petitioner was deemed eligible for funding.

7. On Wednesday, August 28th at 8:13 am., Petitioner timely submitted their Notice of Intent to Protest Florida Housing's intended decision. A copy of that Notice is attached hereto as Exhibit "B."

Background

8. Florida Housing is a public corporation created by section 420.504, Florida Statutes, to administer the governmental function of awarding distinct types of funding for affordable

housing in Florida. RFA 2024-203 proposes to award up to \$9,957,110 in Housing Tax Credits for proposed Developments located in Miami-Dade County.

9. Florida Housing's statutory authority and mandates are set forth in Part V of Chapter 420, Florida Statutes. *See*, Sections 420.501-420.55, Fla. Stat. Florida Housing is designated as the Housing Credit agency for the State of Florida within the meaning of 42(h)(7)(A) of the IRC, and Chapters 67-48 and 67-60, Fla. Admin. Code.

10. Florida Housing administers a competitive solicitation process to implement the provisions of the Housing Credit program under which developers apply for funding. *See* Chapter 67-60, F.A.C.

RFA 2024-203

11. The RFA establishes a series of mandatory eligibility and submission requirements. (RFA at 70-71) Failure to meet any eligibility item results in an application being deemed ineligible for funding. (RFA at 71)

12. The Maximum Points that can be awarded to each Applicant is fifteen.²

13. Capitalized terms within the RFA shall have the meaning as set forth in this RFA, in Exhibit B, Rule Chapter 67-48, F.A.C. (effective July 7, 2024) and Rule Chapter 67-60, F.A.C., (effective July 6, 2022) or in applicable federal regulations. (RFA at 2)

14. The RFA includes a detailed process of scoring the Applications and selecting Applicants for funding. Appointed Review Committee members independently evaluate, and score assigned portions of the submitted applications based on the RFA requirements. (RFA at 74-76)

² Applicants can receive five points for, Bookmarking Attachments prior to submission; Five points for submitting a Principal Disclosure Form that is either stamped "approved" 14 days before the Application Deadline or stamped "received" at least 14 days before the Application Deadline and stamped "approved" prior to the Application Deadline; and lastly, five points for submitting a properly executed Local Government Contribution Form. (RFA at 73)

15. The RFA has four funding goals:

a. The Corporation has a goal to fund one Application that qualifies for the Permit Ready Goal.

b. The Corporation has a goal to fund one proposed Development that selected the Demographic Commitment of Family and qualifies for the Geographic Areas of Opportunity/SADDA Goal.

c. The Corporation has a goal to fund one proposed Development that selected the Demographic Commitment of Elderly (Non-ALF)

d. The Corporation has a goal to fund one proposed Development that qualifies for the Urban Center/MetroRail Station Designation.

(RFA at 73)

16. The RFA provides that the highest scoring Priority 1 Applications will be determined by first sorting together all eligible Applications from highest score to lowest score, with any scores that are tied separated in the following order. This will then be repeated for the Priority 2 Applications:

a. First, by the Application's eligibility for the Development Category Funding Preference which is outlined in Section Four A.4.b.(4) of the RFA (with Applications that qualify for the preference listed above Applications that do not qualify for the preference);

b. Next, by the Application's Leveraging Classification, applying the multipliers outlined in Item 3 of Exhibit C of the RFA (with Applications having the Classification of A listed above Applications having the Classification of B);

c. Next, by the Application's eligibility for the Proximity Funding Preference which is outlined in Section Four A.5.e of the RFA (with Applications that qualify for the preference listed above Applications that do not qualify for the preference);

d. Next, by the Application's eligibility for the Florida Job Creation Funding Preference which is outlined in Item 4 of Exhibit C (with Applications that qualify for the preference listed above Applications that do not qualify for the preference);

e. And finally, by lottery number, resulting in the lowest lottery number receiving preference.

(RFA at 73,74)

17. The RFA mandates the Funding Selection Process (hereinafter “Selection Process”), as follows,

- a. Goal to fund one Application selected for funding that qualifies for the Permit Ready Goal

The first Application selected for funding will be the highest-ranking eligible Priority 1 Application that qualifies for the Permit Ready Goal.

If there are none, then the first Application selected for funding will be the highest-ranking eligible Priority 2 Application that qualifies for the Permit Ready Goal.

Because Applications that qualify for Permit Ready Goal also qualify for an additional goal stated in b, c, or d., after the Permit Ready Goal is met, the second goal that the successful Applicant stated that the Applicant also qualified for will also be considered met.

- b. Goal to fund one Family Application that qualifies for the Geographic Area of Opportunity/ SADDA Goal.

If this goal is not already met with the Application selected to meet the Permit Ready Goal, the next Application selected for funding will be the highest-ranking eligible Priority 1 Family Applicant that qualifies for the Geographic Area of Opportunity/ SADDA Goal.

If there are none, then the first Application selected for funding will be the highest-ranking eligible Priority 2 Family Application that qualifies for the Geographic Area of Opportunity/ SADDA Goal.

- c. Goal to fund one Elderly (Non-ALF) Development

If this goal is not already met with the Application selected to meet the Permit Ready Goal, the next Application selected for funding will be the highest-ranking eligible Priority 1 Application that qualifies as an Elderly (Non-ALF) Development.

If there are none, then the next Application selected for funding will be the highest-ranking eligible Priority II Elderly (Non-ALF) Applicant.

- d. Goal to fund one Application that qualifies for the Urban Center/ MetroRail Designation.

If this goal is not already met with the Application selected to meet the Permit Ready Goal, the next Application selected for funding will be the highest-

ranking eligible Priority 1 Application that qualifies for the Tier 1 MetroRail Designation or Tier 1 Urban Center Designation.* If there are none, then the next Application selected for funding will be the highest ranking eligible Priority 1 Application that qualifies for the Tier 2 MetroRail Designation or Tier 2 Urban Center Designation* If there are none, than the next Application selected for funding will be highest-ranking eligible Priority 2 Applicant that qualifies for the Tier 1 MetroRail Designation or Tier 1 Urban Center Designation.* If there are none than the next Application selected for funding will be the highest ranking eligible Priority 2 Applicant that qualifies for the Tier 2 MetroRail Designation or the Tier 2 Urban Center Designation.*

If this Application cannot be fully funded, it will be entitled to receive a Binding Commitment for the unfunded balance.

d. Remaining Funding

If funding remains after selecting the Applications as outlined above, or if funding remains because there are not eligible Applications that can be funded as outlined above, then no further Applications will be considered for funding and any remaining funding will be distributed as approved by the Board.

(RFA at 74,75)

18. On August 7, 2024, members of the Review Committee met at a public meeting to announce their scores into the record and to recommend Applicants for funding. Those recommended for funding are,

- Application No. 2025-066C – Apogean Apartments (*Proposed Family Development that qualifies for the Geographic Area of Opportunity/SADDA Goal*)

-Application No. 2025-111C – Notre Communauté (*Proposed Development that selected the Demographic Commitment of Elderly (Non-ALF)*)

-Application No. 2025-080C- Earlington Court (*Proposed development that qualifies for the Urban Center/Metrorail Station Designation*)

At the conclusion of the Review Committee meeting the members voted to forward the scores and their recommendations for funding to the Florida Housing Board for approval. The Florida Housing Board approved the funding recommendations at the August 23rd meeting.

Substantial Interests Affected

19. Petitioner’s substantial interests are affected because Mowry’s application should have been deemed ineligible for funding and Richman’s application should have had its total score reduced to ten points and been deemed *not eligible* for the Proximity Funding Preference. If Richman’s application, currently selected for funding with lottery number 1, had its score reduced to ten points or been deemed *not entitled* to the Proximity Funding Preference and Mowry’s application, currently not funded but deemed eligible with lottery number 6, had been properly deemed *ineligible* for funding than the application of ACRUVA Communities, with lottery number 7 and eligible for the Proximity Funding Preference, would be funded as the highest-ranked eligible Applicant meeting the Geographic Areas of Opportunity/SADDA Goal (Family Demographic).

Proximity Points

20. The RFA allows Applicants to earn “proximity points,” based on the distance between the proposed development and transit services, including bus stops, and/or Community Services, such as public schools, medical facilities, grocery stores and pharmacies. (RFA at 23)

21. Applicants must achieve a Required Minimum Transit Service score for transit services and a Required Minimum Total Proximity Score to be eligible for funding. (RFA at 23) The different point totals required are set forth in the chart below³,

If Eligible for PHA or RD Proximity Point Boost, Required Minimum Transit Service Points that Must be Achieved to be Eligible for Funding	If NOT Eligible for PHA or RD Proximity Point Boost, Required Minimum Transit Service Points that Must be Achieved to be Eligible for Funding.	Required Minimum Total Proximity Points that Must be Achieved to be Eligible for Funding	Minimum Total Proximity Points that Must be Achieved to Receive the Proximity Funding Preference
1.5	2.0	10.5	12.5 or more

³ None of the Applications at issue in this case are eligible for PHA or RD for the Proximity Point Boost described above.

(RFA at 23)

22. The RFA identifies multiple categories of Transit Services. All Public Bus Stops have the potential to yield Transit Service points for the applicant. Public Bus Transfer Stops and Public Bus Rapid Transit Stops yield the highest potential Transit Service points.

23. To determine the number of points, Applicants must

provide latitude and longitude coordinates for that service, stated in decimal degrees, rounded to at least the sixth decimal place, and the distance between the Development Location point and the coordinates for the service. The distances between the Development Location Point and the latitude and longitude for each service will be the basis for awarding proximity points.

Transit and Community Service charts determine the number of points an Applicant receives based on the distance from proposed Development to the type of Transit Service or Community Service. The closer the Development Location Point is to the service the higher the proximity points (RFA at 111-112)

24. An Applicant may choose up to three Community Services⁴ to achieve proximity points.

Applicants that wish to receive proximity points for any community service must provide the name and address for that service, and the distance between the Development Location Point and the location for the service. The distances between the Development Location Point and the doorway threshold for each service will be the basis for awarding proximity points.

(RFA at 27)

Mowry is Ineligible for Failing to Achieve the Required Minimum Total Proximity Points

⁴ The Community Services that are available to all Demographics include Grocery Store, Medical facility, Pharmacy and Public School. (RFA at 26)

25. Mowry selected Public Bus Transfer Stop with latitude coordinates 25.462657 and longitude coordinates -80.461220 and estimated the distance between the Public Bus Transfer Stop and the Development Location Point⁵ as 0.78, which they claim results in 4.5 points.

26. Public Bus Transfer Stop for the calculation of proximity points is defined as

... a Public Bus Transfer Stop means a fixed location at which passengers may access at least three routes of public transportation via buses. Each qualifying route must either (i) have a scheduled stop at the Public Bus Transfer Stop at least hourly during the times of 7am to 9am and also during the times of 4pm to 6pm Monday through Friday, excluding holidays, on a year-round basis; or (ii) have the following number of scheduled stops at the Public Bus Transfer Stop within a 24 hour period, Monday through Friday, excluding holidays, on a year-round basis, for the applicable county size:

Small and Medium Counties: 12 scheduled stops

Large Counties: 18 scheduled stops⁶

This would include bus stations (i.e., hubs) and bus stops with multiple routes. Bus routes must be established or approved by a Local Government department that manages public transportation. Buses that travel between states will not be considered.

(RFA at 100)

27. Mowry, in addition to the 4.5 transit points, also claimed 8.5 Community Service Points, for 13 Total Proximity Points. (See Exhibit C, pages 9 and 10 of Mowry's application)

28. However, the location determined by the coordinates provided in the Mowry application fails to meet the definition of a Public Bus Transfer Stop and thus the Mowry application should receive zero Transit points. Losing 4.5 transit service points results in Mowry failing to achieve

⁵ (34) "Development Location Point" means a single point selected by the Applicant on the proposed Development site that is located within 100 feet of a residential building existing or to be constructed as part of the proposed Development. For a Development which consists of Scattered Sites, this means a single point on the site with the most units that is located within 100 feet of a residential building existing or to be constructed as part of the proposed Development. Rule 67-48.002 (33), FAC.

⁶ Miami-Dade County is considered a Large County.

the Minimum Transit Score of 2.0 and the Minimum Total Proximity Points of 10.5 that must be achieved to be eligible for funding.

Richman is not entitled to the Proximity Points Preference

29. Richman chose Medical Facility as one of its three Community Services. The RFA defines Medical Facility as

A medically licensed facility that employs or has under contractual obligation at least one physician licensed under Chapter 458 or 459, F.S. available to provide general medical treatment to patients by walk-in or by appointment. Facilities that only treat specific classes of medical conditions, including, but not limited to clinics/emergency rooms affiliated with specialty or Class II hospitals, **or facilities that only treat specific classes of patients (e.g., age, gender) will not be accepted.**

Additionally, it must have either been in existence and available for use by the general public as of the Application Deadline.

(RFA at 77) (Emphasis supplied)

30. Richman selected DeLacalle Medical & Dental Center, located at 730 SE 8th St. Hialeah, FL 33010 which they claim is 0.35 miles from the proposed Development resulting in 3.5 of their claimed Total Proximity Score of 15. (See Exhibit D, pages 9-10 of Richman's application)

Based on this Total Proximity Score, Richman also claimed entitlement to the Proximity Funding Preference. (See, Exhibit D)

31. The DeLaCalle Medical Center provides on its website as follows,

Children
Accepting medical patients > 5 years/old.
Taking care of Dental patients of all ages.

(See, Exhibit E, page 2, print out of DeLaCalle Medical Center website – 8/15/2024)

32. This express exclusion of patients by age for medical treatment, specifically 5 years of age and under, does not meet the Medical Facility definition in the RFA. Additionally, the

practical impact of this “age” restriction on the future residents of a Development proposing a *Family demographic* is self-evident.

33. Richman should receive zero points for the DeLaCalle Medical Center. Subtracting 3.5 from the Total Proximity Score of 15 results in a Total Proximity Score of 11.5 points which means that Richman is no longer eligible for the Proximity Funding Preference. Without the Proximity Funding Preference Richman is no longer the highest ranked eligible applicant that meets the Geographic Areas of Opportunity/SADDA Goal (Family Demographic) and is no longer funded.

Richman Loses 5 Points
Invalid Local Government Certification Form- Amount

34. For Applicants that select the Development Category of New Construction to receive the maximum of five points for a Local Government Contribution they must,

...provide evidence of a Local Government grant, loan, fee waiver and/or fee deferral that is effective as of the Application Deadline, is in effect at least through December 31, 2024, and has a value whose dollar amount is equal to or greater than \$100,000.

(RFA at 66) Such evidence is provided by including as part of the Application a “properly completed and executed Local Government Verification of Contribution Form(s) (Form Rev. 07-2022). The form at issue is the *Florida Housing Finance Corporation Local Government Verification of Contribution- Fee Waiver Form* (the “Verification Form”) attached hereto as Exhibit “F”

35. Richman submitted the executed Verification Form at Attachment 11 to its application, indicating the amount of the Fee Waiver received from Miami-Dade County is \$675,649.73. The Verification Form identified the following fees were waived, “Road Impact Fees, Park Impact Fees, Police Services Impact fees and Fire Impact fees less administrative charges”.

36. The Development Location is in the City of Hialeah. The Verification Form however identifies Miami-Dade County as the jurisdiction waiving the impact fees.

37. Since the proposed Development is in the City of Hialeah, certain Impact Fees, including Police, Fire and Park Impact fees are payable not to Miami-Dade County but instead to the City of Hialeah. Only Road and Transportation Impact fees would be paid to Miami-Dade County. Upon knowledge and belief impact fees payable to Miami-Dade County based on the number of units and size of the proposed development would be \$412, 782.00. The amount payable to the City of Hialeah would be approximately \$298, 494.43.

38. Pursuant to the City of Hialeah Ordinance 2021-059 at sec. 98-2526, "Exemptions", impact fees are only exempted for affordable housing properties developed and owned by the City of Hialeah or the Hialeah Housing Authority. No information in the Richman Application indicates any ownership interest in the Proposed Development by the City of Hialeah or the Hialeah Housing Authority. The City of Hialeah may not even be able to waive any impact fees based on this Ordinance. City of Hialeah ordinance 2021-059 is attached hereto as Exhibit "G"

38. The result is that the amount on the Fee Waiver Form, \$675,649.73 is incorrect. Additionally, the signatory of the Verification Form Ms. Burgos, Chief Community Services Officer for Miami-Dade County who executed the form on behalf of Miami-Dade County is upon information and belief not authorized to execute this form on behalf of the City of Hialeah.

Invalid Local Government Certification Form-Authority

39. The Verification Form specifically identifies the local government officials that are authorized to certify as to the truthfulness of the waiver being granted by Miami-Dade County. The certification provides as follows.

NOTE TO LOCAL GOVERNMENT OFFICIAL: Additional information is set forth in the applicable Request for Application under which the Applicant is applying for funding for the above referenced Development.

This certification must be signed by the chief appointed official (staff) responsible for such approvals, Mayor, City Manager, County Manager/Administrator/Coordinator, Chairperson of the City Council/Commission or Chairperson of the Board of County Commissioners. Other signatories are not acceptable. The Applicant will not receive credit for this contribution if the certification is improperly signed. The amount of the contribution stated on this form must be a precise dollar amount and cannot include words such as estimated, up to, maximum of, not to exceed, etc.

If there are alterations made to this form that change the meaning of the form, the form will not be accepted.

40. Cathy Burgos executed the Verification Form, as Chief Community Services Officer for Miami-Dade County. The position of Chief Community Services Officer is not listed on the Verification Form as an approved signatory.

41. Richman did not include any signature authorization memorandum validating Ms. Burgos as authorized signatory for the mayor or any of the other persons listed on the Verification Form.

42. Without a signature authorization document indicating that Ms. Burgos is approved to execute the Verification Form as the designee for the mayor of Miami-Dade County the Verification Form is not valid.⁷

Disputed Issues of Material Fact and Law

43. Disputed issues of material fact and law exist and entitle Petitioners to a Formal Administrative Hearing pursuant to Section 120.57(1), Florida Statutes. The disputed issues of material fact and law include, but are not limited to, the following:

a. Whether Florida Housing's Approved Scoring Results are contrary to the agency's governing statutes, the agency's rules or policies, or the solicitation specifications.

⁷ Petitioner submitted both the Verification Form and a Signature Authorization memorandum approving Ms. Burgos as the designee for the mayor in their application. These documents were provided to Petitioner together by Miami-Dade County. Richman did not provide a Signature Authorization memo, and their application can not be supplemented at this point.

- b. Whether Florida Housing's Approved Scoring Results are clearly erroneous, contrary to competition, arbitrary or capricious;
- c. Whether the Mowry Application meets the requirements of the RFA;
- d. Whether the Mowry Application meets the Required Minimum Transit Points to be eligible for funding;
- e. Whether the Mowry Application meets the Minimum Total Proximity Points required to be eligible for funding;
- f. Whether the DeLaCalle Medical and Dental Center is a Medical Facility as defined of the RFA;
- g. Whether the Richman application is entitled to the Proximity Funding Preference;
- h. Whether the *Florida Housing Finance Corporation Local Government Verification of Contribution-Fee Waiver Form* submitted by Richman was valid and properly executed;
- i. Whether Richman was entitled to five points for the *Florida Housing Finance Corporation Local Government Verification of Contribution-Fee Waiver Form* submitted within the application.
- j. Whether Miami-Dade County has the authority to waive certain impact fees for the City of Hialeah;
- i. Such other issues as may be revealed during the protest process.

Statutes and Rules Entitling Relief

44. Petitioner is entitled to relief pursuant to Section 120.569 and 120.57, Florida Statutes, Chapters 28-106, 28-110, and 67-60, Florida Administrative Code.

Concise Statement of Ultimate Fact and Law, Including the Specific Facts Warranting Reversal of the Agency's Intended Award

45. Petitioner participated in the RFA process to compete for an award of funds based upon the delineated scoring and ranking criteria in the RFA. Mowry is not eligible for funding because of its failure to achieve the Required Minimum Transit points and Required Minimum Total Proximity Points. Richman has not met the Minimum Total Proximity Points to be eligible for the Proximity Preference and/or should lose five points thus is not the highest ranked applicant that meets the Geographic Area of Opportunity/SADDA Goal.

46. Unless the scoring determination is corrected, and the preliminary allocation revised, Petitioner will be excluded from funding contrary to the provisions of the RFA and Florida Housing's governing statutes and rules.

47. A correct application of the eligibility, scoring and ranking criteria will result in funding for the Petitioner.

Right to Amend the Amended Petition

48. Petitioner reserves the right to amend this Amended Petition if additional disputed issues of material fact are identified during the discovery process in this case.

WHEREFORE, pursuant to section 120.57(3), Florida Statutes, and rule 28-110.004, Florida Administrative Code, Petitioner's request the following relief:

- a) An opportunity to resolve this protest by mutual agreement within seven days of the filing of this Petition as provided by Section 120.57(3)(d)(1), Florida Statutes.
- b) If this protest cannot be resolved within seven days, that the matter be referred to the Division of Administrative Hearings for a formal hearing to be conducted before an Administrative Law Judge ("ALJ") pursuant to Section 120.57(1) and (3), Florida Statutes.
- c) The ALJ enter a Recommended Order determining that the application of Mowry Apartments, LLC is not eligible for funding, the application of Richman Apogean, LLC is

no longer entitled to the Proximity Funding Preference and its score is lowered by five points, as a result that the Petitioner is funded.

d) That the Corporation adopt the Recommended Order of the ALJ.

Sec. 98-2523. – Findings.

It is hereby ascertained, determined and declared as follows:

(a) Pursuant to Article VIII, Section 2 of the Florida Constitution and Sections 166.021 and 166.041, Florida Statutes, the Council has all governmental, corporate and proprietary power to conduct municipal government, perform municipal functions and render municipal services, and may exercise any power for municipal purposes, except when expressly prohibited by law, and such power may be exercised by the enactment of legislation in the form of City ordinances.

(b) Development and redevelopment necessitated by the growth contemplated in the Comprehensive Plan and the Impact Fee Studies will require improvements and additions to the Capital Facilities to accommodate the new development generated by such growth and maintain the standards and levels of service provided by the City.

(c) Future growth, as represented by Impact Construction, should contribute its fair share to the cost of improvements and additions to the City facilities that are required to accommodate the impact generated by such growth.

(d) The Impact Fees are necessary to offset the costs to the City associated with meeting the necessary public service and facility demand created by projected new residential and non-residential development or redevelopment.

(e) The amount of the Impact Fees contemplated hereunder bears a reasonable relationship to the burden imposed upon the City to provide the new public facilities addressed in the Impact Fee Studies to new development.

(f) A reasonable connection, or rational nexus, exists between the projected new development and the need for additional public facilities to be funded by the Impact Fees.

(g) A reasonable connection, or rational nexus, exists between the expenditure of the funds collected pursuant to this Article and the benefits accruing to new development through the new capital facilities acquired by such expenditure.

(h) The Impact Fees adopted hereunder are proportional and reasonably connected to, or have a rational nexus with, the need for additional capital facilities and the increased impact generated by the new residential or nonresidential construction.

(i) The Impact Fees adopted hereunder are proportional and reasonably connected to, or have a rational nexus with, the expenditures of the funds collected and the benefits accruing to the new residential or nonresidential construction.

(j) The required improvements and additions to City facilities needed to eliminate any deficiencies shall be financed by revenue sources of the City other than Impact Fees.

(k) Implementation of the Impact Fees to require Impact Construction within the City to contribute its fair share to the cost of required capital improvements is an integral and vital element of the regulatory plan of growth management of the City.

(l) The Council expressly finds that the improvements and additions to the City facilities to be funded by the respective Impact Fees adopted hereunder provide a benefit to all Impact Construction within the City that is in excess of the actual Impact Fees.

(m) The purpose of this Article is to regulate the development of land within the City by requiring payment of Impact Fees by Impact Construction and to provide for the cost of capital improvements to City facilities which are required to accommodate such growth. This Article shall not be construed to permit the collection of Impact Fees in excess of the amount reasonably anticipated to offset the demand on the Capital Facilities generated by such applicable Impact Construction.

(n) This Article includes procedures for accounting and reporting of impact fee collections and expenditures in order to assure compliance with applicable legal requirements.

(o) This Article establishes and requires separate accounting funds for the respective Impact Fees adopted hereunder.

(p) This Article requires audits of the City's financial statements to include an affidavit of the Finance Director stating that the requirements of Section 163.31801, Florida Statutes, have been complied with.

(q) The administrative fees set forth herein are equal to or lower than the City's actual costs for collection of the Impact Fee including the actual costs related to the administration and the collection process.

Sec. 98-2524. – Rules of construction.

For the purposes of administration and enforcement of this Article, unless otherwise stated in this section, the following rules of construction shall apply:

(a) In case of any difference of meaning or implication between the text of this Article and any caption, illustration, summary table, or illustrative table, the text shall control.

(c) Words used in the present tense shall include the future and words in the singular shall include the plural and the plural the singular, unless the context clearly indicates the contrary.

(d) The phrase "used for" includes "arranged for," "designed for," "maintained for," or "occupied for."

(e) Unless the context clearly indicates the contrary, where a regulation involves two (2) or more items, conditions, provisions, or events connected by the conjunction "and," "or" or "either . . . or" the conjunction shall be interpreted as follows:

(1) And indicates that all the connected terms, conditions, provisions or events shall apply.

(2) Or indicates that the connected items, conditions, provisions or events may apply singly or in any combination.

(3) Either/or indicates that the connected items, conditions, provisions or events shall apply singly but not in combination

(f) The word "includes" shall not limit a term to the specific example but is intended to extend its meaning to all other instances or circumstances of like kind or character.

(g) All time periods contained within this Article shall be calculated on a calendar day basis, including Sundays and legal holidays, but excluding the date of the Council's decision in the event of an appeal. In the event the due date falls on a Sunday or a legal holiday, the due date shall be extended to the next business day.

Sec. 98-2525. – Impact fee studies.

The Council hereby incorporates the Impact Fee Studies by reference, particularly the assumptions, conclusions and findings in such studies as to the allocation of anticipated costs of capital improvements and additions to the respective City facilities among the various property uses and those assumptions, conclusions and findings in such studies as to the determination of anticipated costs of additions required to accommodate growth. Copies of the Impact Fee Studies and this Ordinance shall be available to the public in the office of the City Clerk.

Sec. 98-2526. – Exemptions.

The following shall be exempted from payment of the Impact Fees adopted in this Article:

(a) Alterations, expansion or replacement of an existing Dwelling Unit where no additional Dwelling Units are created.

(b) The construction of Accessory Uses or Structures, which will not create an additional impact on the respective Capital Facilities.

(c) The replacement of a Building or Dwelling Unit where no additional Dwelling Units or Square Footage are created and where the existing and replacement Buildings or Dwelling Units are located on the same lot. A Certificate of Occupancy must have been issued for such replacement Building or Dwelling

Unit within five (5) years of the date the previous Building or Dwelling Unit was previously occupied, otherwise no exemption shall be granted.

(d) The issuance of a tie-down permit for a mobile home on which the applicable Impact Fee has previously been paid for the lot upon which the mobile home is to be situated.

(e) All public educational and ancillary plants constructed by an Educational Board, to the extent such exemption is required by Section 1013.371(1)(a), Florida Statutes, or any successor statute or law.

(f) Charter school facilities, to the extent such exemption is required by Section 1002.33(18)(d), Florida Statutes, or any successor statute or law.

(g) Affordable housing properties developed and owned by the City or the Hialeah Housing Authority.

(h) Governmental Use. However, any Impact Fee exemption issued for a Governmental Use shall expire if an alteration causes the Building or development to no longer be for Governmental Use.

Sec. 98-2527. - Changes of size and use.

An Impact Fee shall be imposed and calculated for the alteration, expansion or replacement of a Building or Dwelling Unit or the construction of an Accessory Use or Structure if the alteration, expansion or replacement of the Building or Dwelling Unit or the construction of an Accessory Use or Structure results in a land use determined to generate greater impact than the present use under the applicable Impact Fee rate schedules adopted in this Article. The Impact Fee imposed shall be calculated as follows:

(a) If the Impact Fee is calculated on a per Dwelling Unit basis and not on the basis of Square Footage, the Impact Fee imposed shall be the amount due under the applicable Impact Fee rate schedule for the Impact Fee Land Use Category resulting from the alteration, expansion or replacement, less the Impact Fee that would have been imposed under the applicable Impact Fee rate schedule for the Impact Fee Land Use Category prior to the alteration, expansion or replacement.

(b) If the Impact Fee is calculated on the basis of Square Footage, in the event the Square Footage of a Building is increased, the Impact Fee due for the increased Square Footage represented by the Impact Construction shall be calculated by determining the Impact Fee due according to the Square Footage resulting from the alteration, expansion or replacement, less the Impact Fee that would have been imposed for the original Square Footage prior to the alteration, expansion or replacement.

(c) If the use of a Building is changed after payment of the Impact Fee which results in a change in the applicable Impact Fee Land Use Category of the Building and such change is determined to generate a greater impact than the present use, the additional Impact Fee due for the change in use shall be calculated

by determining the Impact Fee due according to the Square Footage of the Building under the new Impact Fee Land Use Category less the Impact Fee that was imposed for the Square Footage of the Building under the original Impact Fee Land Use Category.

(d) If an Impact Fee is imposed for an Accessory Use or Structure because such Accessory Use or Structure is determined to generate a greater impact than the present use, the fee shall be that applicable to the Impact Fee Land Use Category for the primary Building.

Sec. 98-2528. - Payment.

(a) Except as otherwise provided in this Article, an Applicant shall pay the applicable Impact Fee(s) adopted in this Ordinance directly to the City on the date of issuance of the Building Permit for the applicable Impact Construction. Payment of the Impact Fees shall be a condition precedent to issuance of a Building Permit for the Impact Construction.

(b) The payment of the Impact Fees shall be in addition to all other fees, charges or assessments due for the issuance of a Building Permit, Certificate of Occupancy, plat and/or any other applicable land development approvals.

(c) The obligation for payment of the Impact Fees shall run with the land.

Sec. 98-2529. - Alternative impact fee.

(a) In the event an Owner believes that the impact to the City facilities caused by proposed Impact Construction will be less than the impact established in the Impact Fee Studies and the Impact Fee Rates Schedules provided herein, such Owner may file an Alternative Impact Fee Study with the Impact Fee Coordinator. The Impact Fee Coordinator shall review the alternative calculations and make a determination within thirty (30) days of submittal as to whether such calculations comply with the requirements of this Section.

(b) For purposes of any Alternative Impact Fee calculation, the Impact Construction shall be presumed to have the maximum impact on City facilities.

(c) The Alternative Impact Fee calculation shall be based on data, information or assumptions contained in this Article and the Impact Fee Studies or independent sources, provided that the independent source is a local study supported by local data adequate for the conclusions contained in such study performed pursuant to a generally accepted methodology of planning and local cost impact analysis which is consistent with the Impact Fee Studies.

(d) If the Impact Fee Coordinator determines that the data, information and assumptions utilized by the applicant comply with the requirements of this Section and that the calculation of the Alternative Impact Fee was by a generally accepted methodology that is consistent with the Impact Fee Study, then the Alternative Impact Fee shall be paid in lieu of the fees adopted hereunder.

(e) If the Impact Fee Coordinator determines that the data, information and assumptions utilized by the applicant to compute an Alternative Impact Fee do not comply with the requirements of this Section, then the Impact Fee Coordinator shall provide to the Owner by certified mail, return receipt requested, written notification of the rejection and the reasons therefore.

Sec. 98-2530. – Applicability.

This Article and the obligations herein for the payment of Impact Fees shall apply to all Impact Construction that applies for a Building Permit on or after October 1, 2021, with such fees collected on the same date as, and as a prerequisite to, issuance of the Building Permit. Provided however, the Impact Fee rates set forth herein shall not be effective until the expiration of the publication and notice period set forth in Sec. 98-2535 hereof.

Sec. 98-2531. – Developer contribution credit.

(a) A credit may be granted against the respective Impact Fees imposed hereunder for the donation of land or equipment or for the construction of capital facilities for the City otherwise funded by an Impact Fee, required pursuant to a development order of the City or voluntarily made in connection with an Impact Construction. Such land donation and construction and improvement shall be subject to approval by and acceptance of the Council. No credit shall be given for the donation of land or equipment or construction unless such property is conveyed in fee simple to the City without remuneration.

(b) Prior to issuance of a Building Permit, the Applicant shall submit a proposed plan for donations or contributions to the Capital Facilities to the Impact Fee Coordinator. The proposed plan shall include:

(1) a designation of the Impact Construction for which the plan is being submitted;

(2) a legal description of any land proposed to be donated and a written appraisal prepared in conformity with subsection (e) of this section;

(3) a list of the contemplated contributions to the Capital Facilities and an estimate of the proposed construction costs certified by a professional architect or engineer; and

(4) a proposed time schedule for completion of the proposed plan.

(c) Upon receipt of the proposed plan, the Impact Fee Coordinator shall schedule a hearing before the Council at a regularly scheduled meeting or a special meeting called for the purpose of conducting the hearing and shall provide the Applicant and Owner written notice of the time and place of the hearing. Such hearing shall be held within sixty (60) days of the receipt of the proposed plan from the Applicant. Such hearing shall be conducted in a manner designed to obtain all information and evidence relevant to the request. Formal rules of civil procedure and evidence shall not be applicable; however, the hearing shall be conducted in a

fair and impartial manner providing an opportunity to be heard and to present information and evidence.

(d) At this hearing, the Council shall determine:

(1) if such proposed plan is in conformity with contemplated improvements and additions to the Capital Facilities;

(2) if the proposed donation of land or equipment or proposed construction is consistent with the public interest; and

(3) if the proposed time schedule is consistent with the City's capital improvement program for the Capital Facilities.

(e) The amount of developer contribution credit shall be determined as follows:

(1) The value of donated land shall be based upon a written appraisal of fair market value as determined by an M.A.I. Appraiser who was selected and paid for by the Applicant, and who used generally accepted appraisal techniques. If the appraisal does not conform to the requirements of this Article and the applicable administrative regulations, the appraisal shall be corrected and resubmitted. In the event the Impact Fee Coordinator accepts the methodology of the appraisal but disagrees with the appraised value, he may engage another M.A.I. Appraiser at the City's expense and the value shall be an amount equal to the average of the two appraisals. If either party does not accept the average of the two appraisals, a third appraisal shall be obtained, with the cost of said third appraisal being shared equally by the City and the Owner or Applicant. The third appraiser shall be selected by the first two appraisers and the third appraisal shall be binding on the parties.

(2) The actual cost of construction to the Capital Facilities shall be certified by a professional architect or engineer. The credited amount shall be on a dollar-for-dollar basis at fair market value based on the appraisal process above; provided, however, in no event shall any credit be granted in excess of the actual cost of construction.

(3) The land donations and construction contributions shall only provide improvements or additions to the respective Capital Facilities required to accommodate growth.

(f) The decision of the Council as to whether to accept the proposed plan of conveyance or construction shall be in writing and issued within thirty (30) days of the hearing. A copy shall be provided to the Applicant and Owner.

(g) If a proposed plan is approved for credit by the Council, the Applicant or Owner and the City shall enter into a credit agreement which shall provide for the parties' obligations and responsibilities, including, but not limited to:

(1) The timing of actions to be taken by the Applicant and the obligations and responsibilities of the Applicant, including, but not limited to, the construction standards and requirements to be complied with;

(2) The obligations and responsibilities of the City including, but not limited to, inspection of the project; and

(3) The amount of the credit as determined in accordance with subsection (e) of this section.

(h) A credit for the donation of land or a credit for the construction of an improvement or addition to the Capital Facilities shall be granted at such time as the credit agreement is approved and executed by both the Council and the Applicant or Owner; provided, however, that the amount of an impact fee credit for construction of improvements shall not be deemed final until the actual costs of construction have been certified by an architect or engineer. In the event the Applicant or Owner fails to convey the property, which is the subject of the donation to the City or such property is not ultimately accepted by the City in accordance with the terms of the credit agreement, then the credit for donation shall be revoked and all Impact Fees shall immediately become due and payable. The administration of said contribution credits shall be the responsibility of the Impact Fee Coordinator.

The City also shall attach a copy of the Impact Fee statement notice to the Building Permit posted at the affected construction site if all or a portion of the Building is under construction. Service of the Impact Fee statement notice shall be deemed effective on the date the return receipt indicates the notice was received by either the Applicant or the Owner or the date said notice was attached to the Building Permit, whichever occurs first.

(b) The Impact Fee statement notice shall contain the legal description of the property and shall advise the Applicant and the Owner as follows:

(1) The amount due and the general purpose for which the Impact Fee was imposed.

(3) That in the event the Impact Fee becomes delinquent, a lien against the property for which the Building Permit was secured shall be recorded in the Official Records Book of Miami-Dade County.

In the event a hearing is requested, the Impact Fees shall become delinquent if not paid within 30 calendar days from the date the Council determines the amount of Impact Fees due upon the conclusion of such hearing. Said time periods shall be calculated on a calendar day basis, including Sundays and legal holidays, but excluding the date of the earliest receipt of said Impact Fee statement notice or the hearing date of the Council's decision in the event of an appeal. In the event the last day falls on a Sunday or legal holiday, the last due date prior to becoming delinquent shall be the next business day. Upon becoming delinquent, a delinquency fee equal to ten percent of the total Impact Fee imposed shall be assessed. Such total Impact Fee, plus delinquency fee, shall bear interest at the statutory rate for final judgments calculated on a calendar day basis, until paid.

(d) Should the Impact Fee become delinquent, the City shall serve, by certified mail return receipt requested, a "notice of lien" upon the delinquent Applicant if all or a portion of the Building is under construction at the address indicated in the application for the Building Permit, and upon the delinquent Owner at the address appearing on the most recent records maintained by the Property Appraiser of Miami-Dade County. The notice of lien shall notify the delinquent Applicant and Owner that due to their failure to pay the Impact Fee, the City shall file a claim of lien with the Clerk of the Circuit Court in and for Miami-Dade County.

(e) Upon mailing of the notice of lien, the City shall file a claim of lien with the Clerk of the Circuit Court in and for Miami-Dade County for recording in the Official Records of Miami-Dade County. The claim of lien shall contain the legal description of the property, the amount of the delinquent Impact Fees and the date of their imposition. Once recorded, the claim of lien shall constitute a lien against the property described therein. The City shall proceed expeditiously to collect or otherwise enforce said lien.

(f) After the expiration of six months from the date of recording of the claim of lien, as provided herein, a suit may be filed to foreclose said lien. Such foreclosure proceedings shall be instituted, conducted and enforced in conformity with the procedures for the foreclosure of municipal special assessment liens, as set forth in Chapter 173, Florida Statutes, which provisions are hereby incorporated herein in their entirety to the same extent as if such provision were set forth herein verbatim.

(g) The liens for delinquent Impact Fees imposed hereunder shall remain liens, coequal with the lien of all state, county, district and municipal taxes, superior in dignity to all other subsequently filed liens and claims, until paid as provided herein.

(h) The collection and enforcement procedures set forth in this section shall be cumulative with, supplemental to and in addition to, any applicable procedures provided in any other ordinances or administrative regulations of the City or any applicable law or administrative regulation of the State of Florida. Failure of the City to follow the procedure set forth in this section shall not constitute a waiver of its rights to proceed under any other ordinances or administrative regulations of the City or any applicable law or administrative regulation of the State of Florida.
