FORMAL WRITTEN PROTEST AND
PETITION FOR ADMINISTRATIVE HEARING

Petitioner, 2401 NW, LLC, ("2401 NW" or "Petitioner"), by and through undersigned
counsel, file this Formal Written Protest and Petition for Administrative Hearing ("Petition")
pursuant to Section 120.569 and 120.57(1) and(3), Florida Statutes ("F.S.") , and Rule 28-110,
Florida Administrative Code ("FAC") regarding the intended decision of the Respondent,
FLORIDA HOUSING FINANCE CORPORATION to award low-income housing tax credits
("Housing Credits") in response to the Request for Application ("RFA") 2013-003 titled RFA
2013-003 FOR AFFORDABLE HOUSING DEVELOPMENTS LOCATED IN BROWARD,
MIAMI-DADE AND PALM BEACH COUNTIES. (Exhibit A: RFA).

Petitioner submitted a response to a Request for Application (RFA 2013-003) issued by
Florida Housing Finance Corporation and effectively received the highest lottery number for
construction of a multi-family affordable housing tower in a blighted area of Miami-Dade
County where there is a great need for such housing. Florida Housing Finance Corporation
deemed the application ineligible for funding which decision violates its own RFA and rules.
AGENCY AFFECTED

1. The agency affected is the Florida Housing Finance Corporation ("FHFC" or "Respondent"), 227 N. Bronough Street, Suite 5000, Tallahassee, Florida 32301-1329.

PETITIONER

2. Petitioner, 2401 NW, LLC, is a Florida Limited Liability Company established as part of an affiliate group of entities created to provide multi-family affordable housing and is authorized to do business in the State of Florida. Petitioner is the applicant for Housing Credits to develop 2401 Plaza. The Developer entity is Gibraltar 2401 Developers, LLC. Gibraltar 2401 Developers, LLC is also a Florida Limited Liability Company authorized to do business within the State of Florida and is comprised of Gibraltar Development Partners, LLC and Gibraltar Partners, Inc. The members of Gibraltar Development Partners, LLC are Eugenia Anderson, an experienced affordable housing professional and Richard A. Alayon, an experienced tax attorney and CPA. The Applicant entity is owned by Eugenia Anderson and Gibraltar Partners, Inc. The manager/members of Petitioner are Eugenia Anderson and Richard Alayon. Petitioner’s, as well as the entities making up the Applicant and Developer entities, address is 135 San Lorenzo Avenue, Suite 820, Coral Gables, Florida 33146. For the purpose of this proceeding, however Petitioner’s address and telephone number are those of its undersigned counsel.

BACKGROUND

3. FHFC is designated as the housing credit agency for the State of Florida within the meaning of Section 42(h)(7)(A) of the Internal Revenue Code and has the responsibility and authority to establish procedures for allocating and distributing Housing Credits pursuant to the
Florida Statutes § 420.5099, F.S. (2013) and Chapters 67-48 and 67-60 of the Florida Administrative Code ("FAC").

4. According to Chapter 67-60.001 (2) FAC, FHFC administers a competitive solicitation process to implement the provisions of the Housing Credit (HC) Program wherein developers may apply to FHFC for various tax credits. Over the last decade and up until this last cycle of tax credit allocation, FHFC followed a process that facilitated the correction of minor errors in the cumbersome applications that are typical in the housing tax credit industry. Inexplicably, RFA 2013-003 deviated substantially from such process and created confusion and is, in this and other instances, creating anomalies that are inconsistent with the intent and stated purpose of the housing tax credit program.

5. On September 19, 2013, FHFC issued the RFA requesting Applications for Affordable Housing Developments located in Broward, Miami-Dade and Palm Beach Counties. The RFA states that the FHFC expects to award up to an estimated $10,052,825 of Housing Credits to proposed Developments located in Broward, Miami-Dade and Palm Beach County. (Exhibit A, p. 2)

6. The RFA sets forth the due dates and requisite procedures for submitting an Application for these Housing Credits. In addition, the RFA provided for each Applicant to be assigned a lottery number by the FHFC through a random number generator program. (Exhibit A, p. 2)
7. Section Four, A. of the RFA further explains how to complete the Application found in Exhibit A of the RFA along with the applicable attachments.

8. Section Four, B. entitled Funding Selection sets forth the eligibility requirements for how the Applications will be considered for funding by FHFC and states:

Only Applications that are eligible for funding will be considered for funding selection. Eligibility requirements include the following:

Total Possible Points: 27

10. In addition to the Funding Requirements criteria and the Mandatory and Point Item Requirements listed above, the RFA notes that during the Evaluation process an Application would be rejected if it failed to meet any of the following requirements:

   The Corporation will reject any competitive Application submittal and no action will be taken to score the Application if any of the following submission requirements are not met: the Application is not submitted online by the Application Deadline, the required number of hard copies are not submitted by the Application Deadline, the Applicant's hard copy submission is not contained in a sealed package, or the required Application fee is not submitted as of Application Deadline.
Further, the RFA states that an application "will be deemed ineligible to be considered for funding if, as of the close of business the day before the Committee meets to make a recommendation to the Board", there are any outstanding financial obligations "for which an Applicant or Developer or Principal, Affiliate or Financial Beneficiary of the Applicant or Developer is in arrears to the Corporation or any agent or assignee of the Corporation...".

(Exhibit A, p. 37)

11. The RFA Evaluation Process outlined that Applications received pursuant to this RFA would be evaluated and scored by a Review Committee comprised of FHFC staff.

12. Additionally, the RFA sets forth the following protocol that the Review Committee will use when determining which Applications will receive funding:

The highest scoring Applications will be determined by first sorting all eligible Applications from highest score to lowest score, with any scores that are tied separated first by the Application's eligibility for the Development Category Funding Preference which is outlined in Section Four A.4.c.(1)(a) of the RFA (with Applications that qualify for the preference listed above Applications that do not qualify for the preference), then by the Application's eligibility for the Per Unit Construction Funding Preference which is outlined in Section Four A.9.e. of the RFA, (with Applications that qualify for the preference listed above Applications to do not qualify for the preference), then by the Application's Leveraging Classification (applying the multipliers outlined in Exhibit C below and having the Classification of A be the top priority, then by the Application's eligibility for the Florida Job Creation Preference which is outlined in Exhibit C below (with Applications that qualify for the preference listed above Applications that do not qualify for the preference), and then by lottery number, resulting in the lowest lottery number receiving preference. Section Four B. (Exhibit A, p. 36)

13. Based upon the above scoring, the RFA states that the "Committee will list Applications deemed eligible for funding in order from highest score to lowest total score,
applying the funding selection criteria outlined above and develop a recommendation or series of recommendations to the Board.” (Exhibit A, p. 38)

14. On November 12, 2013, Petitioner, 2401 NW LLC, timely submitted its Application both on-line and by delivering hard copies in a sealed envelope which included a completed Application and Attachments 1-12 for which FHFC assigned it an application number of 2014-183C and a Lottery Number of 2. The Petitioner’s Application for a 90 unit project of new construction in Miami-Dade County sought Housing Credits for a development for families with 100% of the residential units to have rents affordable to households earning up to 60% of or less of the area median income (AMI) of which nine units would serve for residents earning 33% or less of the AMI. Petitioner requested a Housing Credit of $2,257,793.00. (Exhibit B)

15. Including Petitioner’s application, FHFC received 119 applications in response to the RFA 2013-003 for proposed developments in Miami-Dade, Broward and Palm Beach County. (Exhibit C)

16. The Review Committee met in public to discuss the Applications; submit their scores; and prepare their recommendation to the Board.

17. On January 31, 2014, the Board of Directors of FHFC approved the Review Committee’s motion to select the following Applications for funding and invited the Applicants to enter credit underwriting: Wagner Creek (First Miami-Dade), Oakland Preserve (First Broward), Silver Palm Place (Palm Beach), Allapattah Trace (Second Miami-Dade), and Wisdom Village Crossing (Second Broward). (Exhibit D)

18. On January 31, 2014 at 11:10 a.m., FHFC posted on its website its Notice of Intended Decision for RFA 2013-003, consisting of two documents: (1) RFA 2013-003 Received Applications (showing the scores awarded to the Applicants, the preferences for which they
qualify, and their lottery number) and (2) RFA 2013-003 Applications Recommended for
Funding (showing the various Applications recommended by their respective counties and the
amount of Housing Credits awarded.). A copy of the FHFC’s Intended Decision is attached as
Exhibit C and D.

19. On February 4, 2014, Petitioner timely filed a notice of its intent to Protest the
above Intended Decision in accordance with Section 120.57(3) F.S., Rule 28-110 F.A.C. and
Rule 67-60.009, F.A.C. (Exhibit E)

20. Upon review by the Committee and announced at the public meeting, FHFC
determined that Petitioner’s Application was Ineligible for Funding for three reasons: there was a
construction and permanent financing shortfall; the Principal listed in the application was not a
Principal in the developments listed as the basis for developer experience; and the documents
submitted with the application did not show that the Applicant had control of the site. (Exhibit F:
Financing Commitments Notes, Exhibit G: Ineligible for Funding Summary, Exhibit H:
Exception to RFA and Exhibit I: Scoring Issue)

A. Construction and Permanent Financing Shortfall

21. Petitioner’s commitment letter for equity financing filed with its Application was
based on the Application’s request for $2,257,793 in Housing Credits which Respondent found
to be an inaccurate amount. (Exhibit F). The Evaluators determined that Petitioner’s Developer
Fee exceeded the requisite sixteen percent (16%) and therefore the Developer Fee and Total
Development Cost were pro-actively reduced to reflect the correct percentage amount in the Pro
Forma. This reduced the amount of Housing Credits for which Petitioner was entitled. When
FHFC recalculated the Developer Fee, Petitioner was entitled to $2,246,979.18 in housing
credits rather than the requested $2,257,793. (Exhibit F)
B. Developer Experience

22. Petitioner listed Eugenia Anderson as a Principal of the affiliated development entity of Petitioner, Gibraltar Development Partners, LLC and President of its manager/member Gibraltar Partners, Inc. Attachment 4 to the Application listed three prior developments for which Eugenia Anderson was the Principal. FHFC, however, found that Ms. Anderson “was not actually a principal on all of the developments listed on the chart.” (Exhibit H)

C. Site Control

23. Petitioner attached to the Application as Attachment 7 a ground lease from LA-JD Financial Services, LLC to Calpesa Holdings, LLC. Also included was an Assignment of that ground lease from Calpesa Holdings, LLC to Gibraltar Development Partner's, LLC. Gibraltar Development Partner's, LLC is a member of the Applicant's Developer entity, Gibraltar 2401 Developers, LLC. The assignment from the developer entity member to the Applicant was inadvertently left out of the Application. It was in existence at the time the Application was filed and was a minor irregularity.

24. After filing its Notice of Intent to Protest, Petitioner filed an extensive public records request and is in the process of receiving the materials from FHFC in response to that request. Accordingly, Petitioner expressly reserves the right to amend this Petition to allege additional grounds for reversal of the intended decision and to identify additional disputed issues of material fact after this Petition has been filed.

PETITIONERS SUBSTANTIAL INTEREST

25. Due to the limited amount of Housing Credits available for distribution, FHFC decision to deem Petitioner’s Application Ineligible for Funding and to award its First
Application and Second Application for Miami-Dade County to Wagner Creek and Allapattah Trace adversely impacts Petitioner.

26. As a Developer of affordable housing in need of funding, Petitioner's substantial interests are affected by FHFC decision not to award it the necessary funding pursuant to the RFA. Had Petitioner's Application been reviewed correctly, it would be deemed eligible for funding and would be in the funding range due to their Lottery Number of 2.

ARGUMENT

The agency decision is contrary to its governing statutes, rules and the solicitation specifications.

A. Financing Shortfall

27. The agency action in denying funding based upon the financing shortfall is erroneous because it is contrary to the RFA and FHFC’s own rules; and is a minor irregularity which should have been cured.

28. As a result of the inclusion of certain construction contingency amounts that the RFA did not clarify were not to be included in the calculation of the Developer’s fee, Petitioner’s Application sought a slightly higher amount of credits (by about .05%) than FHFC calculated by excluding such contingency amount. A review of the notes of FHFC shows that they made a correction on one item but then failed to extend the correction to other items that were naturally impacted by the slight mathematical error. (Exhibit C)

29. Despite this adjustment, FHFC fails to allow the corrected amount to be utilized in the applicable attachment and deems Petitioner ineligible for funding. It reasoned that the Petitioner lacked the necessary funding because the amount of Housing Credits submitted by Petitioner in its equity financing commitment does not match the change in the amount which
was made by FHFC. Consequently, FHFC rejected the financing commitment entirely and found a construction and permanent financing shortfall for the entire amount of the equity contribution.

30. FHFC’s decision to find Petitioner’s Application ineligible for funding based upon the perceived funding shortfall occasioned by the recalculated Housing Credits is contrary to the RFA. The RFA sets out the eligibility requirements for funding in Section Four, B which lists the sections of the RFA which must be met in order to be eligible for funding. All of these requirements were met as follows:

(a) Section Three A and Section Five relate to the filing requirements, financial arrearages and the scoring. Petitioner met all the filing requirements; has no outstanding financial obligations to Florida Housing and got the total maximum score of 27 points.

(b) Section Four A.6.c. relates to whether the proposed development is in a Limited Development Area (LDA). Petitioner’s development is not located in the LDA of Miami-Dade County, so this provision is inapplicable.

(c) Section Four A.5.b.(2) relates to the proximity of the proposed development to transit and community services. Petitioner’s application got the maximum number of points for proximity to these services.

(d) Section Four A.5.d. relates to the mandatory distance between the proposed development and the location of other developments on the FHFC Development Proximity list serving the same demographic group as the proposed development. Petitioner’s development meets this requirement.

(e) Section Four A.10.c.(17) and Item 8 of Exhibit C. relate to the certifications and acknowledgements which were all properly filled out and submitted.
(f) Section Five requires that the application must be submitted by the deadline in a sealed envelope with the requisite fee. It also sets out the scoring. Petitioner was awarded the maximum total points provided. The list of mandatory requirements does not include a commitment letter for equity funding. The list does require “Development Cost Pro Forma (listing expenses or uses) and Construction/Rehab. Analysis and Permanent analysis (listing sources) – Sources must equal or exceed uses”. This was provided and the corrected developer fee was inserted by FHFC.

31. Despite meeting all the requirements for funding eligibility, it was determined that the commitment letter could not be used as a source of funding and the scoring sheet answered “no” under the category of “eligible for funding?” As such the agency decision is clearly erroneous and arbitrary and capricious.

32. The calculation error and the use of the earlier calculation in determining the amount of Housing Credits in the commitment letter are also technical, minor irregularities. Rule 67-60.008 provides that “[m]istakes clearly evident to the Corporation on the face of the Application, such as computation and typographical errors, may be corrected by the Corporation” In this Application, the FHFC corrected the computational error in the pro forma and determined the correct amount of credits. Such action clearly recognized that it was a computational error that could be corrected by the FHFC as provided by Rule.

33. A “minor irregularity” is defined as a “variation in a term or condition of an Application…that does not provide a competitive advantage or benefit not enjoyed by other Applicants and does not adversely impact the interests of the FHFC or the public.” Rule 67-60.002(b). The miscalculation of the developer fee and its impact on the amount of Housing
Credits requested did not confer a competitive advantage and did not adversely impact the FHFC. The FHFC in recalculating the amount viewed the error as a computational error.

34. Moreover, Rule 67-48.004 identifies items which cannot be changed after the application submission “unless provided otherwise below”. One of the items listed is the funding requested amount “exclusive of adjustments to any Housing Credits Request amount by the Corporation”. In this solicitation, Corporation made adjustments to the pro forma which resulted in its adjusting the Housing Credit request amount. Consequently, there should have been a commensurate change in the funding requested in the commitment letter. A copy of a revised Raymond James commitment letter setting for the correct amount of Housing Credits that Applicant qualifies for is attached as Exhibit J.

35. The failure to allow the correction of the miscalculation of the developer fees as it impacted the equity funding commitment letter violates FHFC’s own rules with regard to mistakes and minor irregularities and is clearly erroneous and arbitrary and capricious.

B. Site Control

36. As set out in paragraph 8 above, eligibility for funding includes “All mandatory items”. One of the mandatory items listed in Section Five is evidence of site control. Petitioner submitted sufficient evidence of site control. Attachment 7 includes a ground lease for a period of 65 years and an Assignment of such lease to Gibraltar Development Partners, LLC. Gibraltar Development Partners, LLC is a member of the Applicant entity and the Development entity.

37. Given the fact the Gibraltar Development Partner, LLC is a member of the applicant entity and the Developer entity, the assignment to it should have been accepted as an assignment for the benefit Applicant.
38. In any event, the failure to include the assignment from Petitioner’s affiliated company to the Applicant was a minor irregularity as defined by Rule 67-60.002(b). Failure to allow Petitioner to supply the missing document violates FHFC’s own rules and is clearly erroneous and arbitrary and capricious. See *Intercontinental Properties, Inc. v. State Department of HRS, 606 So 2d 380 (Fla. 3d DCA 1992).*

39. Last year, one of the reasons given publicly for changing from the Universal Application Cycle process to an RFA solicitation process was to provide FHFC with more flexibility in scoring which would allow responses to be scored and reviewed on the merits of the response and not a technicality having no bearing on whether the proposed development was one that should be eligible for Housing Credits so as to address the substantive needs and goals of the RFA.

40. As demonstrated in this case, the procurement process does not provide more flexibility and indeed does not lend itself to a fair evaluation of the applications. The process of evaluating applications for Housing Credits is not a procurement of a commodity or contractual service. It is a license, which is defined, inter alia, as “a form of authorization required by law.” See Section 120.52(10), Florida Statutes. In order to obtain Housing Credits, a developer must be authorized as provided in Chapter 420, Part V. Section 120.60(1), Florida Statutes, sets out the procedures for licensing which includes a requirement that the agency notify the applicant of any deficiencies in the application and give the applicant an opportunity to cure those deficiencies before the application is denied. An analogous process was used by FHFC prior to this procurement process. Applicants were given a “cure period” before the applications were denied.
41. Since the process is in the nature of a license rather than the procurement of contractual services or a commodity, Petitioner should have been given an opportunity to correct the deficiencies prior to being denied. The failure to allow an opportunity to correct any perceived deficiencies in the application is contrary to the governing statutes and is arbitrary and capricious. If Petitioner had been able to correct deficiency as under the previous system, Petitioner would have been able to provide additional evidence that was in existence at the time of submittal to support the Applicants site control. (Exhibit K)

C. Development Experience

42. The third issue for denying eligibility was the perceived lack of developer experience for Petitioner’s Principal, Eugenia Anderson. FHFC’s decision in this regard is wrong and not based upon the information that was contained in the Application and applicable Attachment 4. Such a finding is clearly erroneous given the attached documents that establish Ms. Anderson was indeed a Principal as defined by the RFA for the listed developments of Richmond Pine, Park City, and Hidden Grove. All of the projects were developed by the Greater Miami Neighborhoods, Inc. It was her experience as an officer of the Developing entity Greater Miami Neighborhood, Inc. that gives her the requisite experience sought by the RFA regarding the completion of an affordable housing development since January 1, 2001. In this role, Ms. Anderson served as Secretary of developing entity of the Greater Miami Neighborhood, Inc. when the affordable housing development of Hidden Grove was placed in Service. Additional documentation also shows she was listed as an officer for the other developments of Richmond Pine and Park City prior to 2001. (Exhibit L)

43. On September 26, 2013 Petitioner attempted to seek advanced approval of its Principals when Petitioner submitted its list of Principals pursuant to FHFC’s Request for
Advance Review of Applicant and Developer List of Principals. FHFC accepted these lists of Applicant’s experience prior to the October 10, 2013 deadline with the stated commitment that once the list of Principals was stamped approved by FHFC it would meet the requirements of the RFA. The Petitioner was never contacted regarding its advanced submission as approved or notified of any issue or deficiency. The attached exhibit clearly demonstrates the Applicant’s Principal’s experience on the projects listed in its Application. Therefore, FHFC’s decision to deny funding based on Applicant’s Principal Eugenia Anderson’s lack of experience was clearly erroneous.

**DISPUTED ISSUES OF MATERIAL FACT**

44. The disputed issues of material fact include, but are not limited to:

(a) Whether FHFC’s rationale for its decision to not award Housing Credits to Petitioner is supported by the facts.

(b) Whether Petitioner met all the eligibility requirements for funding.

(c) Whether Petitioner met all the mandatory requirements

(d) Whether the equity funding commitment letter was a mandatory requirement

(e) Whether FHFC made adjustments to the pro forma which resulted in a change in the Housing Credit request amount.

(f) Whether Petitioner provided sufficient information to demonstrate control of the site.

(g) Whether the evidence of site control is a minor irregularity that does not convey a competitive advantage.

(h) Whether Petitioner should be permitted to provide additional documentation demonstrating site control.
(i) Whether the discrepancy in the equity funding letter after FHFC recalculated the amount of Housing Credits is a minor irregularity.

(j) Whether Petitioner should be permitted to provide additional documentation demonstrating financing based on the recalculated Housing Credit amount.

(k) Whether the Principal designated in the Application had the requisite experience.

(l) Whether Petitioner demonstrated within the Application process that the designated Principal had the requisite experience.

(m) Whether Petitioner should be considered eligible for funding and therefore be funded based upon its Lottery Number 2.

STATEMENT OF ULTIMATE FACTS AND LAW

44. The ultimate facts and law which will be proven at the hearing is that Petitioner’s application should have been eligible for funding. FHFC decision to deny funding eligibility to Petitioner was contrary to the RFA, Rules 67-48 and 67-60; clearly erroneous and arbitrary and capricious. When Petitioner’s application is properly reviewed, Petitioner is entitled to funding because its lottery number is 2.

NOTICE OF FHFC’S PROPOSED ACTION

45. Petitioner received notice of FHFC’s decision when the Notice of Intended Decision was posted on FHFC’s website on January 31, 2014. Petitioner timely filed its Notice of Intent to Protest.

STATUTES AND RULES THAT ENTITLE PETITIONER TO RELIEF

46. Petitioner is entitle to relief pursuant to Section 120.569 and 120.57, Florida Statutes; Part V of Chapter 420, Florida Statutes; Chapters 28-106, 28-110, 67-48 and 67-60,
Florida Administrative Code; and the established decisional law of Florida courts and the
Division of Administrative Hearings and Florida administrative agencies.

WHEREFORE, Petitioner respectfully requests that FHFC:

(a) Stop the contract award process pursuant to 120.57(3)(c), Florida Statute, until the
subject of the protest is resolved.

(b) Provide an opportunity to resolve this Petition by mutual agreement within seven
(7) business days, as provided in Section 120.57(3);

(c) If the Petition cannot be resolved, transfer this Petition to the Division of
Administrative Hearings for a formal hearing conducted before an Administrative Law Judge
pursuant to Sections 120.569 and 120.57, Florida Statutes;

(d) Issue a Final Order withdrawing the Intended Decision to award funding as posted
in RFA 2013-003 and instead award funding to Petitioner as the eligible Application with the
highest lottery number.

c. Experienced Developer(s)

At least one Principal of the Developer entity, or if more than one Developer entity, at least one Principal of at least one of the Developer entities, must meet the General Developer Experience requirements in (1) and (2) below.

(1) General Developer Experience:
A Principal of each experienced Developer entity must have, since January 1, 1991, completed at least three (3) affordable rental housing developments, at least one (1) of which was a Housing Credit development completed since January 1, 2001. At least one (1) of the three (3) completed developments must consist of a total number of units no less than 50 percent of the total number of units in the proposed Development. For purposes of this provision, completed for each of the three (3) developments means (i) that the temporary or final certificate of occupancy has been issued for at least one (1) unit in one of the residential apartment buildings within the development, or (ii) that at least one (1) IRS Form 8609 has been issued for one of the residential apartment buildings within the development. As used in this section, an affordable rental housing development, including a Housing Credit development that contains multiple buildings, is a single development regardless of the number of buildings within the development for which an IRS Form 8609 has been issued.

If the experience of a Principal for a Developer entity listed in this Application was acquired from a previous affordable housing Developer entity, the Principal must have also been a Principal of that previous Developer entity.

(2) Prior General Development Experience Chart:

The Applicant must provide, as Attachment 4 to Exhibit A, a prior experience chart for each Principal intending to meet the minimum general development experience reflecting the required information for the three (3) completed affordable rental housing developments, one (1) of which must be a Housing Credit development.

Each prior experience chart must include the following information:

<table>
<thead>
<tr>
<th>Prior General Development Experience Chart</th>
</tr>
</thead>
<tbody>
<tr>
<td>Name of Principal with the Required Experience:</td>
</tr>
<tr>
<td>Name of Developer Entity (for the proposed Development) for which the above Party is a Principal:</td>
</tr>
<tr>
<td>Name of Development</td>
</tr>
</tbody>
</table>

4. General Development Information:

Unless stated otherwise, all information requested in the RFA pertains to the proposed Development.

a. The Applicant must state the name of the proposed Development.

b. Location of Development site:

   (1) The Applicant must indicate the county in which the proposed Development will be located.

   The location of proposed Developments applying in this RFA is limited to the following counties: Broward County, Miami-Dade County, and Palm Beach County.

   (2) The Applicant must provide the Address of the Development Site.

   Indicate (i) the address number, street name, and name of city, and/or (ii) the street name, closest designated intersection, and either name of city or unincorporated area of county.
If the proposed Development consists of Scattered Sites, during the credit underwriting process the Applicant must demonstrate that the Development meets the requirements of this RFA and Section 42 of the IRC. However, if the proposed Development consists of Scattered Sites, site control must be demonstrated in the Application for all of the Scattered Sites, as outlined in Section Four A.7. of the RFA.

c. Development Category / Rental Assistance (RA) Level / Concrete Construction:

(1) Development Category:

The Applicant must select one of the following Development Categories applicable to the proposed Development and provide the required information:

- New Construction (where 50% or more of the units are new construction)
- Rehabilitation (where less than 50% of the units are new construction)
- Acquisition and Rehabilitation (acquisition and less than 50% of the units are new construction)
- Redevelopment (where 50% or more of the units are new construction)
- Acquisition and Redevelopment (acquisition and 50% or more of the units are new construction)

In order to determine the proposed Development’s eligibility for the selected Development Category and its Rental Assistance (RA) Level classification (calculated as outlined in (2) below), the documentation outlined in (1)(a) or (1)(b) below must be provided.

(a) If New Construction, Rehabilitation, or Acquisition and Rehabilitation is selected, in order to be classified as an RA Level other than RA Level 6, the Applicant must provide, as Attachment 5 to Exhibit A, a letter from a designated administrator of a federal program that provides long-term rental assistance. The rental assistance provided must be tied to the proposed Development and its units and be for a minimum of 20 years from the date the Development’s units are placed in service*. The letter must include the following information and be dated within 12 months of the Application Deadline:

- Name of the proposed Development;
- Address of the proposed Development;
- Total number of units that will receive PBRA, ACC, and/or other form of long-term rental assistance if the proposed Development is funded;
- The federal program associated with the rental assistance; and
- A statement that the committed rental assistance will be reserved and available for use by the proposed Development by the time the units are placed in service and committed for a minimum of 20 years upon the units being placed in service*.

*This may be subject to congressional appropriation and continuation of the rental assistance program.

If the referenced letter is not provided, the proposed Development will automatically be deemed to be RA Level 6.
If the proposed Development will be Rehabilitation (the Applicant selected the Rehabilitation or Acquisition and Rehabilitation Development Category at question 4.c. of Exhibit A):

(i) The Applicant must indicate the estimated qualified basis in Rehabilitation expenses per set aside unit within one 24-month period for the building(s) being rehabilitated. This amount must be at least $20,000 per set-aside unit as outlined in Section 67-48.0075, F.A.C.; and

(ii) The Applicant must indicate whether any of the existing units are currently occupied; and

(iii) The Applicant must indicate at question 4.c.(2)(c) of Exhibit A whether (A) the existing building(s) to be rehabilitated was originally built in 1994 or earlier, (B) the existing building(s) was either originally financed or is currently financed through one or more of the following HUD or RD programs: sections 202, 236, 514, 515, 516, or either has PBRA or is public housing assisted through ACC, and (C) the proposed Development did not close on funding from HUD or RD after 1994 where the budget was at least $10,000 per unit for rehabilitation in any year.

Rehabilitation Applications (with or without Acquisition) that reflect an answer of “No” at question 4.c.(2)(c) of Exhibit A, as well as New Construction and Redevelopment (with or without Acquisition) Applications, will be eligible to be considered for the Development Category Funding Preference outlined in Section Four B of the RFA.

(b) If Redevelopment or Acquisition and Redevelopment is selected, in order to qualify for the selected Development Category and determine the Development’s RA Level classification, the following criteria must be met:

(i) The Development must meet the definition of Redevelopment; and

(ii) The Applicant must provide, as Attachment 5 to Exhibit A, a letter from HUD or RD, dated within 12 months of the Application Deadline, which includes the following information:

• Name of the Development*
• Address of the Development;
• Year built;
• Total number of units that will receive PBRA and/or ACC if the proposed Development is funded; and
• The HUD or RD program currently associated with the existing development.

*For purposes of this provision, the Name of the Development may be the name at the time of the PBRA and/or ACC award.

If the Application does not qualify for the Development Category of Redevelopment or Acquisition and Redevelopment, the Application will be deemed nonresponsive.

Redevelopment and Rehabilitation Developments that are tentatively funded will be required to provide to the Credit Underwriter a plan for relocation of existing tenants.
If the proposed Development consists of acquisition and rehabilitation, with or without new construction (where the applicable new construction is for the building of units which will total less than 50 percent of the proposed Developments total unit count), but the Applicant is not requesting Corporation funding related to the acquisition, the Applicant should select Rehabilitation as the Development Category. However, the acquisition costs and sources must still be reflected on the Development Cost pro forma.

(2) Rental Assistance (RA) Level Classification:

Part of the criteria for a proposed Development that qualifies as a Limited Development Area (LDA) Development to be eligible to be considered for funding is based on its RA Level, as outlined at Section Four A.6.c. below.

The total number of units that will receive rental assistance (i.e., PBRA and/or ACC and, in the case of New Construction and Rehabilitation, other forms of long-term rental assistance), as stated in the Development Category qualification letter, will be considered to be the proposed Development’s RA units and will be the basis of the Applicant’s RA Level Classification. The Corporation will divide the RA units by the total units stated by the Applicant at question 4.e. of Exhibit A, resulting in a Percentage of Total Units that are RA units. Using the Rental Assistance Level Classification Chart below, the Corporation will determine the RA Level associated with both the Percentage of Total Units and the RA units. The best rating of these two (2) levels will be assigned as the Application’s RA Level Classification.

<table>
<thead>
<tr>
<th>Rental Assistance Level</th>
<th>Percentage of Total Units</th>
<th>RA Units</th>
</tr>
</thead>
<tbody>
<tr>
<td>Level 1</td>
<td>All units receive rental assistance (with the exception of up to 2 units)</td>
<td>or At least 100 units and greater than 50% of the total units</td>
</tr>
<tr>
<td>Level 2</td>
<td>Greater than 90.00%</td>
<td>or Greater than 90 units but less than 100 units and greater than 50% of the total units</td>
</tr>
<tr>
<td>Level 3</td>
<td>Greater than 75.00%, equal to or less than 90.00%</td>
<td>or Greater than 75 units but less than 90 units and greater than 50% of the total units</td>
</tr>
<tr>
<td>Level 4</td>
<td>Greater than 50.00%, equal to or less than 75.00%</td>
<td>N/A</td>
</tr>
<tr>
<td>Level 5</td>
<td>Greater than 10.00%, equal to or less than 50.00%</td>
<td>N/A</td>
</tr>
<tr>
<td>Level 6*</td>
<td>10.00% or less of the total units receive rental assistance</td>
<td>N/A</td>
</tr>
</tbody>
</table>

*Applications will be classified RA Level 6 if 10.00% or less of the total units receive rental assistance or if the Applicant fails to meet the criteria outlined above.

(3) Concrete Construction:

For purposes of this RFA, in order for a proposed Development to be considered to be concrete construction the proposed Development must meet the following specifications: (i) new construction buildings must have the following poured concrete or concrete masonry elements: all exterior walls and structural elements, not to include roofs; and structural elements at and under the ground floor, as well as the ground floor itself; (ii) existing buildings proposed for rehabilitation must have, as of Application Deadline, the elements outlined in (i) above and the rehabilitation work must include these elements; or (iii) new construction buildings with the Mid-Rise Development Type (4, 5 or 6 story, as selected by the Applicant at question 4.d. of Exhibit A) that utilize a concrete podium.
structure under the rental living units.

Indicate whether the proposed Development meets the requirements to be considered to be concrete construction. For purposes of this RFA, the Corporation will only consider an Application to be concrete construction if the answer to question 4.c.(3) of Exhibit A of the RFA is “Yes”.

d. The Applicant must select the one Development Type listed below that best describes the proposed Development*:

*For mixed-type Developments, indicate the type that will comprise 50 percent or more of the units in the Development.

- Garden Apartments
- Townhouses
- Duplexes
- Quadruplexes
- Mid-Rise with Elevator (a building comprised of 4 stories)
- Mid-Rise with Elevator (a building comprised of 5 or 6 stories)
- High Rise (a building comprised of 7 or more stories)

e. Number of Units in Proposed Development:

(1) The Applicant must state the total number of units.

Note: The proposed Development must consist of a minimum of 30 total units and, if the Elderly Demographic Commitment is selected at question 1.b. of Exhibit A, it cannot exceed the maximum total number of units outlined in Item 1 of Exhibit C of the RFA.

(2) The Applicant must indicate whether the proposed Development consists of (a) 100% new construction units, (b) 100% rehabilitation units, or (c) a combination of new construction units and rehabilitation units and state the quantity of each type.

5. Proximity (Maximum 22 Points):

In order for an Application to be considered for any proximity points, the Applicant must provide an acceptable Surveyor Certification form, as Attachment 6 to Exhibit A, reflecting the information outlined below. (The Surveyor Certification form is provided in Exhibit B of this RFA.)

- A Development Location Point; and
- Services information for the Bus or Rail Transit Service and Community Services for which the Applicant is seeking points.

a. Development Location Point:

The Applicant must identify a Development Location Point on the proposed Development site and provide the latitude and longitude coordinates determined in degrees, minutes and seconds, with the degrees and minutes stated as whole numbers and the seconds truncated after one decimal place. If the degrees and minutes are not stated as whole numbers and the seconds are not truncated after one decimal place, the latitude and longitude coordinates will not be considered.

RFA 2013- 003
The latitude and longitude coordinates for the Development Location Point stated on the Surveyor Certification form will be plotted by the Corporation, using Street Atlas USA 2013, published by DeLorme, for the following purposes:

1. To verify that the stated coordinates are located within the county identified by the Applicant at question 4.b.(1) of Exhibit A;

2. To determine whether the proposed Development is at least the mandatory distance away from the closest Development coordinates identified on the List, (the “Mandatory Distance Requirement”) as outlined in Section Four A.5.d. of the RFA; and

3. To determine whether the proposed Development qualifies as an LDA Development if it is located within a county where only a specific area(s) of the county has been designated as an LDA area, as outlined in Section Four A.6.c. of the RFA.

b. Transit and Community Services Proximity Points (Maximum 22 Points):

Each Application’s proximity points will be based on the distance between the Development Location Point and the Bus or Rail Transit Service (if Private Transportation is not selected at question 5.b. of Exhibit A) and the Community Services stated on the Surveyor Certification form.

1. PHA Proximity Point Boost:

An Application that involves a site(s) with an existing Declaration of Trust between a Public Housing Authority (PHA) and HUD will qualify to receive a 5 point boost toward its proximity score if the Applicant provides a letter from the PHA dated within 12 months of the Application Deadline certifying that the site(s) where all of the units in the proposed Development will be located has an existing Declaration of Trust between the PHA and HUD. The letter must be signed by the appropriate person authorized to make such a certification and must be provided as Attachment 6 to Exhibit A. Note: this 5 point boost cannot count toward meeting the mandatory minimum Transit Services score outlined in (2) below.

2. Minimum and Maximum Proximity Points:

(a) For Broward County and Miami-Dade County Applications:

- The minimum proximity score required to be considered for funding is 14.75 points.
- To receive the maximum amount of 22 points, Broward County and Miami-Dade County Applications must achieve a minimum score of 16.75 proximity points. If the Application achieves a score of at least 16.75 proximity points, then the Application will be awarded the maximum of 22 points.
- To be eligible to be considered for funding, the Applicant’s proximity score must include a minimum Transit Services score of:
  - At least 1.5 points for Applications that are eligible for the PHA Proximity Point Boost outlined in (1) above; or
  - At least 2 points for Applications that are not eligible for the PHA Proximity Point Boost.

(b) For Palm Beach County Applications:
• The minimum proximity score required to be considered for funding is 13.25 points.
• To receive the maximum amount of 22 points, a Palm Beach County Application must achieve a minimum score of 15.25 proximity points. If the Application achieves a score of at least 15.25 proximity points, then the Application will be awarded the maximum of 22 points.
• To be eligible to be considered for funding, the Applicant’s proximity score must include a minimum Transit Services score of:
  o At least 1.5 points for Applications that are eligible for the PHA Proximity Point Boost outlined in (1) above; or
  o At least 2 points for Applications that are not eligible for the PHA Proximity Point Boost.

The Transit and Community Services are further outlined in Item 5.c. below.

c. Proximity to Transit and Community Services:

(1) Transit Services

Applicants may select one (1) of the following five (5) Transit Services on which to base the Applicant’s Transit Score. If the Applicant selects Private Transportation at question 5.b. of Exhibit A and also provides information on the Surveyor Certification Form for a Bus or Rail Transit Service, or if the Applicant provides information on the Surveyor Certification Form for more than one (1) Bus or Rail Transit Service or more than one (1) of any type of Bus or Rail Transit Service, the Applicant will not receive any proximity points for the Transit Service Score. (For example, Applicants are limited to selecting one Public Bus Transfer Stop, even though there may be another Public Bus Transfer Stop nearby. If the Applicant provides information for two Public Bus Transfer Stops, the Applicant will not receive any proximity points for either of the Public Bus Transfer Stops.)

The eligible Transit Services are defined below:

This service may be selected by all Applicants, regardless of the Demographic Commitment selected at question 1 of Exhibit A of the RFA. For purposes of proximity points, a Public Bus Stop means a fixed location at which passengers may
access one or two routes of public transportation via buses. The Public Bus Stop must service at least one bus route with scheduled stops at least hourly during the times of 7am to 9am and also during the times of 4pm to 6pm Monday through Friday, excluding holidays, on a year-round basis. Bus routes must be established or approved by a Local Government department that manages public transportation. Buses that travel between states will not be considered.

or

This service may be selected by all Applicants, regardless of the Demographic Commitment selected at question 1 of Exhibit A of the RFA. For purposes of proximity points, a Public Bus Transfer Stop means a fixed location at which passengers may access at least three routes of public transportation via buses. Each qualifying route must have a scheduled stop at the Public Bus Transfer Stop at least hourly during the times of 7am to 9am and also during the times of 4pm to 6pm Monday through Friday, excluding holidays, on a year-round basis. This would include both bus stations (i.e., hubs) and bus stops with multiple routes. Bus routes must be established or approved by a Local Government department that manages public transportation. Buses that travel between states will not be considered.

or

(d) Public Bus Rapid Transit Stop (Maximum 6 Points)

This service may be selected by all Applicants, regardless of the Demographic Commitment selected at question 1 of Exhibit A of the RFA. For purposes of proximity points, a Public Bus Rapid Transit Stop means a fixed location at which passengers may access public transportation via bus. The Public Bus Rapid Transit Stop must service at least one bus that travels at some point during the route in either a lane or corridor that is exclusively used by buses and the Public Bus Rapid Transit Stop must service at least one route that has scheduled stops at the Public Bus Rapid Transit Stop at least every 20 minutes during the times of 7am to 9am and also during the times of 4pm to 6pm Monday through Friday, excluding holidays, on a year-round basis.

or

(e) MetroRail Station or TriRail Station (Maximum 6 Points)

This service may be selected by all Applicants, regardless of the Demographic Commitment selected at question 1 of Exhibit A of the RFA. For purposes of proximity points, this means a fixed location at a MetroRail Station or a TriRail Station at which passengers may access the scheduled public rail transportation on a year-round basis.

(2) Community Services (Maximum 4 Points for each service with a maximum of 4 services)

Based on the Applicant’s Demographic Commitment at question 1 of Exhibit A of the RFA, Applicants may select four (4) of the following five (5) Community Services; however, Applicants are limited to one (1) of each type of Community Service. If the Applicant provides information for more than one (1) of any type of Community Service,
that Community Service will not be scored and the Applicant will not receive any
proximity points for that Community Service. (For example, Applicants are limited to
selecting one Public School, even though there may be another Public School nearby. If
the Applicant provides information for two Public Schools, the Applicant will not receive
any proximity points for either of the Public Schools.)

The eligible Community Services are defined below:

Demographic Commitment selected at question 1 of Exhibit A of the RFA. For
purposes of proximity points, a Grocery Store means a retail food store consisting of
4,500 square feet or more of contiguous air-conditioned space available to the public,
that has been issued a food permit, current and in force as of the dates outlined in the
In-Service Time Frames chart in Item 5.c.(3) below, issued by the Florida
Department of Agriculture and Consumer Service (FDACS) which designates the
store as a Grocery Store or Supermarket within the meaning of those terms for
purposes of FDACS-issued food permits.

(b) Public School - This service may be selected only if the Applicant selected the
Family Demographic Commitment at question 1 of Exhibit A of the RFA. For
purposes of proximity points, a Public School means a public elementary, middle,
junior and/or high school, where the principal admission criterion is the geographic
proximity to the school. This may include a charter school, if the charter school is
open to appropriately aged children in the radius area who apply, without additional
requirements for admissions such as passing an entrance exam or audition, payment
of fees or tuition, or demographic diversity considerations.

(c) Senior Center – This service may be selected only if the Applicant selected the
Elderly Demographic Commitment at question 1 of Exhibit A of the RFA. For
purposes of proximity points, a Senior Center means a community facility that
provides a broad spectrum of services suited to the diverse needs and interests of
independent older persons and is among the properties identified on the 2013 FHFC
Senior Center List. This list is available on the Corporation’s Website under the
Multifamily Programs link labeled Related References and Links.

(d) Medical Facility - This service may be selected by all Applicants regardless of the
Demographic Commitment selected at question 1 of Exhibit A of the RFA. For
purposes of proximity points, a Medical Facility means a medically licensed facility
that (i) employs or has under contractual obligation at least one physician licensed
under Chapter 458 or 459, F.S. available to treat patients by walk-in or by
appointment; and (ii) provides general medical treatment to any physically sick or
injured person. Facilities that specialize in treating specific conditions of medical
conditions or specific classes of patients, including emergency rooms affiliated with
specialty or Class II hospitals and clinics affiliated with specialty or Class II
hospitals, will not be accepted.

(e) Pharmacy- This service may be selected by all Applicants, regardless of the
Demographic Commitment selected at question 1 of Exhibit A of the RFA. For
purposes of proximity points, a Pharmacy means a community pharmacy operating
under a valid permit issued pursuant to s. 465.018, F.S., and open to the general
public at least five (5) days per week without the requirement of a membership fee.

(3) In-Service Time Frames:
In addition to meeting the definitions outlined above, in order to be considered for proximity points in this RFA, the Bus and Rail Transit Services and the Community Services must be in existence and available for use by the general public as of the following time frames:

(4) Required Information for the Surveyor Certification Form:

The latitude and longitude coordinates for all Bus and Rail Transit Services and Community Services must represent a point as outlined below. The coordinates for each service must be stated in degrees, minutes and seconds, with the degrees and minutes stated as whole numbers and the seconds truncated after one decimal place. If the degrees and minutes are not stated as whole numbers and the seconds are not truncated after one decimal place, the Applicant will not be eligible for points for that service.

The following chart describes the location where the latitude and longitude coordinates must be obtained:

If there is no exterior public entrance to the Community Service, then a point should be used that is at the exterior entrance doorway threshold that is the closest walking distance to the doorway threshold of the interior public entrance to the service. For example, for a Pharmacy located within an enclosed shopping mall structure that does not have a direct public exterior entrance, the latitude and longitude coordinates at the doorway threshold of the exterior public entrance to the enclosed shopping mall that provide the shortest walking distance to the doorway threshold of the interior entrance to the Pharmacy would be used.

Applicants may use the same latitude and longitude coordinates for the Grocery Store, Medical Facility and/or Pharmacy if the Grocery Store, Medical Facility and/or Pharmacy is housed at the same location. However, there are no other instances in which an Applicant may use identical coordinates or the same location for any other combination of Transit or Community Services.

(5) Scoring Proximity to Services (Transit and Community):

(a) Private Transportation

Applicants that selected the Elderly Demographic at question 1 of Exhibit A and wish to provide Private Transportation as the Transit Service must select “Yes” at question 5.b. of Exhibit A to be eligible to receive 2 points.

(b) Bus and Rail Transit Services and Community Services

The distances between the Development Location Point and each service, as certified by the Surveyor on the Surveyor Certification Form, will be the basis for awarding proximity points. Failure to provide the distance for any Community Service will result in zero points for that Community Service. Failure to provide the distance for any Bus or Rail Transit Service will result in zero points for that Transit Service.

d. Mandatory Distance Requirement:

To be eligible to be considered for funding, Applications must qualify for the Mandatory Distance Requirement. Applications may qualify automatically (as outlined in (1) below). Applications that are not eligible for the automatic qualification will only qualify if the distance between the Development Location Point and other properties identified on the 2013 FHFC Development Proximity List, effective 8-16-13, (the List) serving the same demographic group as the proposed Development meets the Mandatory Distance Requirement of 0.5 or 5.0 miles for Broward County Applications and Miami-Dade County Applications or 1.0, 2.0 or 5.0 miles for Palm Beach County Applications (as outlined in (2) below). The List is available on the Corporation’s Website under the Multifamily Programs link labeled Related References and Links. Applications that do not qualify for the Mandatory Distance Requirement under (1) or (2) below will not be eligible to be considered for funding.

(1) Applications Eligible for the Automatic qualification for the Mandatory Distance Requirement:

Applications will automatically qualify for the Mandatory Distance Requirement by meeting the criteria outlined in question 5.c.(1) or 5.c.(2) of Exhibit A. The Applicant should select question 5.c.(1) or 5.c.(2) of Exhibit A of the RFA.

(2) Applications Not Eligible for the Automatic qualification for the Mandatory Distance Requirement:
The Applicant should select question 5.c.(3) of Exhibit A of the RFA. Determination of whether the Application meets the qualifications of the Mandatory Distance Requirement will be based on the following:

- For Broward County Applications and Miami-Dade County Applications — whether the Development Location Point meets the criteria for a distance of within 0.5 miles or 5.0 miles of a Development on the List serving the same demographic group.
- For Palm Beach County Applications — whether the Development Location Point meets the criteria for a distance of within 1.0 miles, 2.0 miles, or 5.0 miles of a Development on the List serving the same demographic group.

To make such determination, the Applicant, using Street Atlas USA 2013, published by DeLorme, should follow the steps outlined below. For purposes of this provision, same demographic refers to Family demographic, Elderly non-ALF demographic, and Elderly ALF demographic.

(a) Select the “Advanced” search button on the “Find” tab, to the right of the “Advanced” button select “Latitude/ Longitude” from the drop down menu under “Find:”, check the “MapTags” box, enter the latitude and longitude coordinates for the Development Location Point in the appropriate blanks to the right and then click the “Search” button. A “MapTag” with the entered coordinates will then appear in the appropriate location.

(b) For each Development on the List that serves the same demographic group as the proposed Development which is in proximity to the proposed Development’s Development Location Point, repeat the steps stated above to display MapTags for the Development(s). For those Developments on the List that have more than one set of latitude and longitude coordinates, the Corporation will use the coordinates that represents the closest location to the proposed Development’s Development Location Point as the location of the Development from the List for the purposes of awarding proximity points.

(c) Select the “Draw” tab. Under “Tools”, select the circle or, if there is no circle, click and hold the left mouse button and this will provide several shape options, one of which is a circle. To the right, use the thinnest line possible, select “None” as the fill color for the circle and choose a color such as black for the outline. Enter the latitude and longitude coordinates for the proposed Development’s Development Location Point in the space provided, and then enter, the appropriate distance for the radius (0.5 or 5.0 miles for Broward County Applications and Miami-Dade County Applications, or 1.0, 2.0 or 5.0 miles for Palm Beach County Applications). Upon selecting the “Apply” button, the software will draw a circle, with the radius entered, around the Development Location Point.

(d) If the tip of any of the MapTags entered for the Developments on the List are within the drawn circle or, when the map is zoomed in as far as possible, if the tip of any of the entered MapTags appears to the naked eye to be on the drawn line of the circle, the Applicant can conclude that the Development Location Point is within the distance entered for the radius of the circle of a Development from the List. The tip of a MapTag is the point of the MapTag that denotes the actual location of what the MapTag represents.
For purposes of the following, a proposed Development qualifies as an LDA Development if it meets the provisions described in Section Four A.6.c. of the RFA.

Applications will qualify for the Mandatory Distance Requirement by meeting the following:

(i) For Broward, Miami-Dade, and Palm Beach County Applications - If the distance of the proposed Development to Developments on the List is greater than 5.0 miles if the proposed Development qualifies as an LDA Development; or

(ii) If the distance of the proposed Development to Developments on the List which consist of 31 total units or more is greater than 0.5 miles for Broward County Applications and Miami-Dade County Applications, or greater than 2.0 miles for Palm Beach County Applications if the proposed Development does not qualify as an LDA Development; or

(iii) If the distance of the proposed Development to Developments on the List which consist of 30 total units or less is greater than 0.5 miles for Broward County Applications and Miami-Dade County Applications or greater than 1.0 miles for Palm Beach County Applications if the proposed Development does not qualify as an LDA Development.

If the location of the proposed Development is such that both (ii) and (iii) above would apply, the more restrictive criteria of (iii) will be used to evaluate the Application.

An Applicant may disregard any Development(s) on the List if the proposed Development and any Development(s) on the List have one or more of the same Financial Beneficiaries and meet at least one of the following criteria: (i) they are contiguous or are divided by a street, and/or (ii) they are divided by a prior phase of the proposed Development. If this provision applies to the proposed Development, identify the Development(s) on the List at question 5 of Exhibit A.

In addition, in the event that both the Guarantee Fund loan and any Subordinate Mortgage Initiative (SMI) loan for one of the Developments on the List are paid off prior to the Application Deadline, the Corporation will treat the distance restriction around that Development as if it was never included on the List and the distance restriction related to that Guarantee Fund Development will no longer apply.

6. Set-Aside Commitments:

a. Minimum Set-Aside per Section 42 of the IRC:

The Applicant must elect one of the following minimum set-aside commitments:

- 20% of the units at 50% or less of the Area Median Income (AMI)
- 40% of the units at 60% or less of the AMI
- Deep rent skewing option as defined in Section 42 of the IRC, as amended

Note: Choosing the 20 percent at 50 percent AMI or less minimum set-aside will restrict ALL set-aside units at 50 percent or less of the AMI. Applicants may choose the 40
percent at 60 percent AMI or less minimum set-aside without committing to set aside any of the units at the 60 percent AMI level. For example, an Applicant may commit to set aside 40 percent at 50 percent AMI and this would also be considered 40 percent at 60 percent AMI or less.

b. Set-Aside Commitments per Corporation Requirements:

The Corporation has set-aside requirements beyond those required by Section 42 of the IRC which must be reflected on the Total Set-Aside Breakdown Chart at question 6.b. of Exhibit A, as outlined below:

(1) Total Set-Aside Commitment:

(a) If the proposed Development has a Demographic Commitment of Family or Elderly Non-ALF, the Applicant must set aside a total of at least 80 percent of the Development’s total units at 60 percent AMI or less; or

(b) If the proposed Development has a Demographic Commitment of Elderly ALF, the Applicant must set aside a total of at least 50 percent of the Development’s total units at 60 percent AMI or less.

(2) ELI Set-Aside Commitments:

(a) Required Minimum ELI Set-Aside Commitments:

(i) If the proposed Development does not qualify as an LDA Development, the Applicant must set aside at least 10 percent of the total units at the ELI AMI level for the county where the proposed Development is located. The ELI County Chart is set out in Item 7 of Exhibit C of the RFA; or

(ii) If the proposed Development qualifies as an LDA Development and meets all of the conditions outlined in Item c.(1) below, the Applicant must set aside at least 30 percent of the total units at the ELI AMI level for the county where the proposed Development is located. The ELI County Chart is set out in Item 7 of Exhibit C of the RFA.

(b) Required ELI Units for Special Needs Households:

For proposed Developments with the Demographic Commitment of Family or Elderly non-ALF, the Applicant commits to set aside at least 50 percent of the ELI units for Special Needs Households and develop and execute a Memorandum of Understanding with at least one designated Special Needs Household Referral Agency for the county where the proposed Development will be located (the deadline for the MOU will be established in the Carryover Allocation Agreement). A current list of Special Needs Household Referral Agencies for each county is published on the Corporation's Website at www.floridahousing.org under Special Needs Housing, Link Initiative.

c. Limited Development Area (LDA):

(1) A proposed Development will be designated as an LDA Development if:
(a) It is located in a County or an area of a County that has been designated by the Corporation as an LDA area, and

(b) The Applicant selected the applicable Demographic Commitment (Elderly or Family) that is associated with the LDA area.

Applicants should use the LDA Chart set out at Item 6 of Exhibit C of the RFA to determine whether the proposed Development qualifies as an LDA Development.

For an LDA Development to be deemed eligible to be considered for funding under this RFA it must meet all of the following conditions. An LDA Development that does not meet all of the following conditions will be ineligible to be considered for funding. The conditions are:

- The Applicant demonstrated its commitment to set aside at least 30 percent of the total units for ELI on the Total Set-Aside Breakdown Chart at question 6.b. of Exhibit A; and

- The proposed Development is classified as RA Level 1 or RA Level 2; and

- The Percentage of Total Units that will have Rental Assistance is greater than 75 percent; and

- The proposed Development consists of a total of 250 units or less (Note: the total number of units is further restricted by the Elderly Demographic provisions (outlined in Exhibit C of the RFA) if the Applicant selected the Elderly Demographic Commitment at question 1 of Exhibit A).

(2) If the proposed Development is located in a county where only a portion(s) of the county is included on the LDA Chart and the proposed Development’s Demographic Commitment is one of the applicable Demographic Categories on the LDA Chart, the Corporation will verify whether the Development Location Point is within the boundaries of the area designated as an LDA in order to determine whether the proposed Development qualifies as an LDA Development. To make such determination, Street Atlas USA 2013, published by DeLorme, will be used. If Street Atlas USA 2013 does not recognize the Development Location Point, then the proposed Development will be deemed to be an LDA Development and must meet all of the conditions outlined in Item (1) above to be eligible to be considered for funding.

d. Total Set-Aside Breakdown Chart:

The Total Set-Aside Breakdown Chart must reflect all set-aside commitments (required set-asides and additional set-asides, including all required ELI set-asides) and the required total set-aside percentage (as further outlined below).

The Applicant must complete the Total Set-Aside Breakdown Chart at question 6.b. of Exhibit A of the RFA. The Applicant must indicate on the chart the percentage of residential units, stated in whole numbers, to be set aside at each selected AMI level. Where reasonably possible, Applicants will be required to keep the unit mix consistent across each committed AMI level.
7. Site Control:

The Applicant must demonstrate site control by providing, as Attachment 7 to Exhibit A, the documentation required in Items a., b., and/or c., as indicated below. If the proposed Development consists of Scattered Sites, site control must be demonstrated for all of the Scattered Sites.

a. Eligible Contract - For purposes of the RFA, an eligible contract is one that has a term that does not expire before a date that is six (6) months after the Application Deadline or that contains extension options exercisable by the purchaser and conditioned solely upon payment of additional monies which, if exercised, would extend the term to a date that is not earlier than six (6) months after the Application Deadline; specifically states that the buyer’s remedy for default on the part of the seller includes or is specific performance; and the buyer MUST be the Applicant unless an assignment of the eligible contract which assigns all of the buyer's rights, title and interests in the eligible contract to the Applicant, is provided. If the owner of the subject property is not a party to the eligible contract, all documents evidencing intermediate contracts, agreements, assignments, options, or conveyances of any kind between or among the owner, the Applicant, or other parties, must be provided, and, if a contract, must contain the following elements of an eligible contract: (i) have a term that does not expire before a date that is six (6) months after the Application Deadline or contain extension options exercisable by the purchaser and conditioned solely upon payment of additional monies which, if exercised, would extend the term to a date that is not earlier than six (6) months after the Application Deadline, and (ii) specifically state that the buyer's remedy for default on the part of the seller includes or is specific performance.

b. Deed or Certificate of Title – The deed or certificate of title (in the event the property was acquired through foreclosure) must be recorded in the county in which the property is located and show the Applicant as the sole Grantee.

c. Lease - The lease must have an unexpired term of at least 50 years from the Application Deadline and the lessee must be the Applicant. If the owner of the subject property is not a party to the lease, all documents evidencing intermediate leases, subleases, assignments, or agreements of any kind between or among the owner, the lessor, or any sublessor, assignor, assignee, and the Applicant, or other parties, must be provided, and if a lease, must have an unexpired term of at least 50 years from the Application Deadline.

8. Local Government Contributions (Maximum 5 Points):

a. Applicants Eligible for Automatic Points:

Applicants that selected and qualified for the Development Category of Rehabilitation or Acquisition and Rehabilitation at question 4.c. of Exhibit A will automatically receive the maximum 5 points without any requirement to demonstrate a Local Government contribution.

b. Applicants Not Eligible for Automatic Points:

In order for an Applicant that selected the Development Category of New Construction, Redevelopment, or Acquisition and Redevelopment at question 4.c. of Exhibit A to receive points, the Applicant must provide evidence of a Local Government grant, loan, fee waiver and/or fee deferral that is effective at least through June 30, 2014 and has a value whose dollar amount is equal to or greater than the amount listed on the County Contribution List (set out below) for the county in which the proposed Development will be located. Those
Applications that do not have the necessary contribution values to achieve maximum points will be scored on a pro-rata basis.

As evidence of the Local Government Contribution, the Applicant must provide the properly completed and executed Local Government Verification of Contribution Form(s) as Attachment 8 to Exhibit A. The forms are set out in Exhibit B of the RFA. To qualify for points, the amount of the contribution stated on the applicable form(s) must be a precise dollar amount and cannot include words such as estimated, up to, maximum of, not to exceed, etc., and each Local Government Verification of Contribution Form must reflect the effective date of the Local Government commitment and/or fee waiver (date must be on or before the Application Deadline).

The only Local Government contributions that will be considered for the purpose of scoring are:

- Monetary grants
- Loans with the exception of USDA RD funds
- A one-year or more deferral of a fee beyond the date that it is routinely due
- Waiver of fees

A loan with a forgiveness provision requiring approval of the Local Government will be treated as a loan, rather than as a grant, for scoring purposes. The "Loan" verification form should be used.

Funds administered by the Local Government, including federal funds and SHIP funds, may be included in the contribution as long as the appropriate verification form is provided. For purposes of this RFA, USDA-RD funds will NOT count as a Local Government contribution.

The contribution may not be included as an expense on the Development Cost Pro Forma nor may it be considered part of Development Cost for purposes of calculating HC basis or Developer’s fee. The exception to the previous sentence is deferred Local Government fees, which may be shown on the Development Cost Pro Forma.

For a contribution consisting of a loan or deferred fee to be considered complete and eligible for points, the Local Government Verification Form must reflect both the total amount of the loan or deferred fee and the value (net present value) of the loan or deferred fee. Calculate the net present value of the payments using the discount rate of 5.50 percent.

NOTE: Neither the payment stream for the present value calculations (if contribution consists of a loan or deferred fee) nor the calculations by which the total amount of each waiver is determined (if contribution consists of a fee waiver) are required to be attached to the certification form or otherwise included in the Application in order for the certification form to be considered for points.

In order to be eligible to be considered for points as a Local Government contribution, the contribution must:

- Be in effect as of Application Deadline;
- Be effective at least through June 30, 2014;
- Be dedicated solely for the proposed Development;
• Provide a tangible economic benefit that results in a quantifiable cost reduction and must be given specifically to the proposed Development because the Development will provide affordable housing; and
• State, federal, or Local Government funds initially obtained by or derived from a Local Government qualify as a Local Governmental contribution even though the funds are directly administered by an intermediary such as a housing finance authority, a community reinvestment corporation, or a state-certified Community Housing Development Organization, provided that they otherwise meet the requirements set forth in this Application, including those relating to the executed verification form.

Local Government contributions that are ineligible to be considered for points include:

• Contributions that are not specifically made for the benefit of affordable housing but are instead of general benefit to the area in which the Development is located.
• The fact that no impact fees or other such fees are levied by a local jurisdiction for ANY type of development does not constitute a Local Government contribution. If such fees are levied by the local jurisdiction but the nature of the proposed Development exempts it (e.g., typically, a Rehabilitation Development is not subject to impact fees), for purposes of this RFA, no Local Government contribution exists and no points will be awarded;
• The absence of interest on a loan or the absence of interest payments until a specific date does not constitute a deferral or waiver of fees.
• Local Government contributions that have not received final approval;
• A contribution from an Applicant or Developer or Principal, Affiliate or Financial Beneficiary of an Applicant or a Developer;
• A contribution from a PHA;
• HOPE VI funds; and
• A contribution of any portion of the Applicant’s site below market value.

To calculate the value of a Local Government below market interest rate loan:

➢ Calculate the net present value of the payments due to the Local Government including any balloon payment of principal due on a non-amortizing or non-fully amortizing loan.

➢ Calculate the net present value of the loan payments using the discount rate.

➢ Subtract the net present value of the loan payments from the original loan principal amount. The remaining amount is the value of the Local Government contribution.

Example: If the discount rate is assumed to be 5.50 percent and the Local Government will provide a fully amortizing $200,000 loan at 3 percent for 30 years with monthly payments, the contribution is calculated as follows:

Calculate the monthly payment of the $200,000 loan at 3 percent ($843.21).

Calculate the net present value of the stream of ($843.21) monthly payments over 30 years (360 months) using a 5.50 percent discount rate ($148,507.63).
Subtract the net present value amount from the original principal loan amount to arrive at the value of the contribution ($200,000 - $148,507.63 = $51,492.37 value).

Example: If the discount rate is assumed to be 5.50 percent and the Local Government will provide an interest only $200,000 loan at 3 percent for 30 years with payments due monthly, the contribution is calculated as follows:

Calculate the monthly payment of the $200,000 loan at 3 percent. Multiply the $200,000 by 3 percent and divide the result by 12. The answer is $500. As such, the loan payments for the first 359 months are $500. The 360th payment is the $500 plus the balloon payment of $200,000, which is $200,500.

Calculate the net present value of the stream of the various monthly payments over 30 years (360 months) using a 5.50 percent discount rate ($126,615.93).

Subtract the net present value amount from the original principal loan amount to arrive at the value of the contribution ($200,000 - $126,615.93 = $73,384.07 value).

Example: A Development is to be located in Palm Beach County and has achieved a Local Government contribution valued at $37,500. The County Contribution List states that a Development to be located in Palm Beach County must obtain contributions valued at $75,000 to achieve 5 points. Therefore, in this example, the Development would receive 2.5 points (($37,500 / $75,000) X 5).

NOTE: Points will be rounded to two decimal places (3.345 rounded up to 3.35 and 3.3449 rounded down to 3.34).

9. **Funding:**

a. Funding Request (Eligible Housing Credit Request Amount):

The Eligible Housing Credit Request Amount will be the amount of Housing Credit Allocation the Applicant will tentatively be awarded should the Application be selected for funding. Such Eligible Housing Credit Request Amount will be based on the lesser of (i) the Applicant's Housing Credit Request Amount (as provided by the Applicant in question 9.a. of Exhibit A), (ii) the County Group Maximum Housing Credit Request Limit (as outlined in Item 9.a.(2)(a) below) and (iii) the Development's Housing Credit Request Limit (as outlined in Item 9.a.(2)(b) below). Any equity proposal provided as an attachment to the RFA must reflect the Eligible Housing Credit Request Amount, as further described in Item 9.d.(2)(a) below.
(1) In order for the Applicant’s Housing Credit Request Amount to be eligible to be greater than the limits indicated in Column A of the chart set out at Item 9.a.(2)(a) below, the proposed Development must qualify for the HUD High Cost Area (HCA) 30 percent boost via one of the three options outlined in Items 9.(a)(i), 9.(a)(ii), or 9.(b) below. If the Applicant intends to qualify for this higher Housing Credit Request Amount limit, it must complete the applicable questions at 9.a.(1) and (2) of Exhibit A.

(a) With regard to Housing Credits, HUD provides regulatory guidance on the effective date of Difficult Development Area (DDA) and Qualified Census Tract (QCT) lists for the purpose of determining whether a Development qualifies for an increase in eligible basis in accordance with Section 42(d)(5)(B) of the IRC.

(i) DDA –

In order to be classified as a Development located in a DDA for purposes of this RFA, as of the Application Deadline the proposed Development must be located in a HUD-designated DDA.

If located in a HUD-designated DDA, provide the requested information at question 9.a.(1)(a) of Exhibit A.

(ii) QCT –

If the proposed Development is not located in a DDA (as indicated by the Applicant at question 9.a.(1)(a) of Exhibit A), in order to be classified as a Development located in a QCT for purposes of this RFA the proposed Development must be located in one of the QCTs based on the current census, as determined by HUD as of the Application Deadline, and the Applicant must provide a copy of a letter from the local planning office or census bureau verifying the Development’s location in the referenced QCT as Attachment 9 to Exhibit A.

(b) Multi-Phase –

If the Applicant indicates at question 9.a.(2)(a) of Exhibit A that the proposed Development is a phase of a multi-phase Development where no phase was funded in the 2011 Universal Application Cycle and the proposed Development is selected for funding, the procedure and deadline for providing the required information will be included in the Carryover Allocation Agreement.

If the proposed Development is located in a HUD-designated DDA and/or QCT, per Item (a)(i) and/or (a)(ii) above, and it is an additional phase of a multi-phase Development where a phase was funded in the 2011 Universal Application Cycle and the funding was not returned, the Applicant should select question 9.a.(2)(b) of Exhibit A and provide the following information for the phase(s) funded in the 2011 Universal Application Cycle as Attachment 9 to Exhibit A:

<table>
<thead>
<tr>
<th>Phase(s) of Multiphase Development Funded in 2011 Universal Application Cycle</th>
<th></th>
</tr>
</thead>
<tbody>
<tr>
<td>FHFC File No.</td>
<td>Development Name</td>
</tr>
</tbody>
</table>

If the proposed Development is not located in a HUD-designated DDA and/or QCT, per Item (a)(i) and/or (a)(ii) above, but it is an additional phase of a multi-phase Development where a phase was funded in the 2011 Universal Application Cycle and the funding was not returned, and this proposed...
Development is funded, then the HUD HCA status of the Development funded in the 2011 Universal Application Cycle will apply for the additional phase proposed in this Application. The Applicant should select question 9.a.(2)(c) of Exhibit A and provide the following information for the phase(s) funded in the 2011 Universal Application Cycle as Attachment 9 to Exhibit A:

| Phase(s) of Multifamily Development Funded in 2011 Universal Application Cycle |
|---------------------------------|----------------|
| FHFC File No.                  | Development Name |

(2) Maximum Housing Credit Request Amount:

(a) County Group Maximum Housing Credit Request Limit:

The Applicant must state the amount of Housing Credits it is requesting at question 9.a. of Exhibit A ("Applicant’s Housing Credit Request Amount"). The Applicant’s Housing Credit Request Amount cannot exceed the applicable County Group amount stated in the following chart:

<table>
<thead>
<tr>
<th>County Where Proposed Development is Located</th>
<th>Column A</th>
<th>Column B</th>
</tr>
</thead>
<tbody>
<tr>
<td>Broward</td>
<td>$1,970,000</td>
<td>$7,561,000</td>
</tr>
<tr>
<td>Miami-Dade</td>
<td></td>
<td></td>
</tr>
<tr>
<td>Palm Beach</td>
<td>$1,025,000</td>
<td>$2,110,000</td>
</tr>
</tbody>
</table>

If the Applicant states an amount that is greater than the amount the Applicant is eligible to request relative to the above chart, the Corporation will reduce the amount down to the maximum amount the Applicant is eligible to request as provided in the chart above.

The amount resulting from the lesser of the Applicant’s Housing Credit Request Amount (as stated at question 9.a. of Exhibit A) and the adjustment described above, if any, will be deemed to be the Applicant’s Maximum Housing Credit Request Amount.

(b) Development Housing Credit Request Limit:

The Applicant’s Maximum Housing Credit Request Amount cannot exceed the applicable maximum Development Housing Credit Request Limit which shall be determined by taking the Applicant’s HC eligible costs amount provided on the Total Development Cost line (Line G. Column 1) on the Development Cost Pro Forma and then multiplying it by either 130 percent if the Applicant qualified for the 30 percent boost in any of the three qualifying events as outlined in Item 9.a.(1) above, or 100 percent if the Applicant did not. This resulting amount will then be multiplied by the proposed Development’s applicable fraction which, for Application purposes, shall be the percentage of low income units to total units taken from the Total Set-Aside Percentage line of the Total Set-Aside Breakdown Chart completed by the Applicant for question 6.b. of Exhibit A, to arrive at the qualified basis. The qualified basis is then multiplied by the 70 percent present value credit rate which, for Application
purposes, shall be 8.00 percent. The resulting amount is the Applicant’s applicable maximum Development Housing Credit Request Limit.

If the Applicant selected the Development Category of Rehabilitation or Acquisition and Rehabilitation, the Development Housing Credit Request Limit must appropriately account for any acquisition credits. To do so, the process provided in the paragraph immediately above will be followed except the Total Development Cost line (Line G. Column 1) of the Development Cost Pro Forma will be reduced by the amount provided for Acquisition Cost of Existing Developments (Excluding Land) (Line B1. Column 1). The resulting interim Development Housing Credit Request Limit from the above paragraph will then have the proposed Development’s acquisition credits added to it to yield the maximum Development Housing Credit Request Limit. The acquisition credits will be determined by taking the amount provided on Line B1. Column 1 referenced above and multiplying it by the proposed Development’s applicable fraction, which for Application purposes, shall be the percentage of low income units to total units taken from the Total Set-Aside Percentage line of the Total Set-Aside Breakdown Chart completed by the Applicant for question 6.b. of Exhibit A, to arrive at the qualified basis. The qualified basis is then multiplied by the 30 percent present value credit rate which, for Application purposes, shall be 3.50 percent. The resulting amount is the Applicant’s applicable maximum Development Housing Credit Request Limit.

If the maximum Development Housing Credit Request Limit is less than the Applicant’s Maximum Housing Credit Request Amount, then the maximum Development Housing Credit Request Limit will become the Eligible Housing Credit Request Amount. If the Applicant’s Maximum Housing Credit Request Amount is less than or equal to the maximum Development Housing Credit Request Limit, then the Applicant’s Maximum Housing Credit Request Amount will become the Eligible Housing Credit Request Amount.

b. Other Funding:

(1) If the Development has received funding from the Predevelopment Loan Program (PLP), the Corporation file number and amount of funding must be listed. Note: PLP funding cannot be used as a source of financing on the Construction/Rehab Analysis or the Permanent Analysis.

(2) The Applicant must list any other Corporation funding that is intended to be utilized as a source of financing for the proposed Development.

(3) If the proposed Development will be assisted with funding under the United States Department of Agriculture RD 514/516 Program, RD 515 Program, and/or RD 538 Program, the following information must be provided:

(a) Indicate the applicable RD Program(s).

(b) For a proposed Development that will be assisted with funding from RD 514/516 or RD 515:
(i) Include the funding amount at the USDA RD Financing line item on the Development Funding Pro Forma (Construction/Rehab Analysis and/or Permanent Analysis); and

(ii) Provide a letter from RD, dated within six (6) months of the Application Deadline, as Attachment 10 to Exhibit A, confirming the funding source as outlined below:

- For proposed Developments with the Development Category of Rehabilitation or Redevelopment (with or without Acquisition) at question 4.c. of Exhibit A, the RD letter must include the following information:
  - Name of existing development
  - Name of proposed Development
  - Loan balance
  - Acknowledgment that property is applying for Housing Credits
  - Applicable RD program
  - Acknowledgment that property will remain in the USDA/RD 515 or 514/516 (as applicable) loan portfolio

or

- For proposed Developments with the Development Category of New Construction Developments at question 4.c. of Exhibit A, the RD letter must include the following information:
  - Name of Proposed Development
  - Name of Applicant as borrower or direct recipient
  - Loan amount
  - Acknowledgment that property is applying for Housing Credits
  - Applicable RD program

(c) If the proposed Development will be assisted with funding under the RD 538 Program, the Applicant must:

(i) Include the funding amount at the USDA RD Financing line item on the Development Funding Pro Forma (Construction/Rehab Analysis and/or Permanent Analysis); and

(ii) Provide the Section 538 Selection letter sent to the Applicant by RD as Attachment 10 to Exhibit A; and

(iii) Provide the letter sent to the Applicant by an RD 538 approved lender certifying that the lender is prepared to make a loan consistent with the program requirements through the Section 538 Guaranteed Rural Rental Housing ("538") Loan Program as Attachment 10 to Exhibit A.

c. Finance Documents:
All Applicants must complete the Development Cost Pro Forma listing the anticipated expenses or uses, the Detail/Explanation Sheet, if applicable, and the Construction or Rehab Analysis and Permanent Analysis listing the anticipated sources. The sources must equal or exceed the uses.

- **Developer Fee**

  Developer fee shall be limited to 16 percent of Development Cost. The maximum allowable Developer fee will be tested during the scoring of the Application by multiplying the Development Cost by 16 percent, carried to 2 decimal places and may not be rounded.

  The Corporation will allow up to 100 percent of the eligible Developer fee to be deferred and used as a source on the Development Cost Pro Forma without the requirement to show evidence of ability to fund.

- **General Contractor Fee**

  General Contractor fee shall be limited to 14 percent of actual construction cost. The maximum allowable General Contractor fee will be tested during the scoring of the Application by multiplying the actual construction cost by 14 percent, carried to 2 decimal places and may not be rounded.

- **Development Cost Pro Forma**

  This section must include all anticipated costs of the Development construction, rehabilitation and, if applicable, acquisition. Any amounts that are not an anticipated cost to the Development, such as waived fees or charges, cannot be included in the Development Cost Pro Forma. Note: deferred Developer fees are not considered “waived fees”.

  - **Fee Disclosure**

    Developer fee and General Contractor fee must be disclosed. In the event the Developer fee and/or General Contractor fee are/is not disclosed on the Development Cost Pro Forma, the Corporation will assume that these fees will be the maximum allowable and will add the maximum amount(s) to Total Development Cost. If an Applicant lists a Developer fee or General Contractor fee that exceeds the stated Application limits, the Corporation will adjust the fee to the maximum allowable.

d. **Non-Corporation Funding Proposals:**

   In order for funding to be counted as a source on the Construction/Rehab and/or Permanent Analysis, the Applicant must provide documentation of all financing proposals from both the construction and the permanent lender(s), equity proposals from the syndicator, and other sources of funding. The financing proposals must state whether they are for construction financing, permanent financing, or both, and all attachments and/or exhibits referenced in the proposal must be included. Insert documentation for each source as Attachment 11 to Exhibit A and continuing with sequentially numbered attachments for each additional funding...
source. Evidence for each funding source must be behind its own sequentially numbered attachment.

For purposes of the Application, neither net operating income for a Rehabilitation Development nor capital contributions will be considered a source of financing.

(1) Financing Proposal

Financing proposal documentation, regardless of whether the documentation is in the form of a commitment, proposal, term sheet, or letter of intent, must meet the following criteria. Evidence for each funding source must be behind its own numbered attachment.

(a) Each financing proposal shall contain:

(i) Amount of the construction loan, if applicable;
(ii) Amount of the permanent loan, if applicable;
(iii) Specific reference to the Applicant as the borrower or direct recipient;
(iv) Signature of all parties, including acceptance by the Applicant.

Note: Eligible Local Government financial commitments can be considered without meeting the requirements of (i) through (iv) above if the Applicant provides the properly completed and executed Local Government Verification of Contribution – Grant Form and/or the Local Government Verification of Contribution – Loan Form.

(b) Financing that has closed:

(i) If the financing has closed in the Applicant’s name, provide a letter from the lender acknowledging that the loan has closed. The letter must also include the following information:

- Amount of the construction loan, if applicable;
- Amount of the permanent loan, if applicable; and
- Specific reference to the Applicant as the borrower/direct recipient/mortgagee.

(ii) Except for HUD and RD funding, if the financing involves an assumption of debt not currently in the Applicant’s name, as evidence that the lender approves of the proposal of assumption, the Applicant must provide a letter from the lender, dated within six (6) months of the Application Deadline, that includes the following information:

- Specifically references the Applicant as the assuming party;
- If a permanent loan, states the amount to be assumed; and
- If a construction loan, states the maximum amount of funding capacity.

If the debt being assumed is provided by HUD, the Applicant must provide a letter from HUD, dated within six (6) months of the Application Deadline, confirming the funding source. The letter must include the following information:

RFA 2013-003
• Name of existing development;
• Name of proposed Development;
• Loan balance;
• Acknowledgment that property is applying for Housing Credits; and
• Applicable HUD program.

If the debt being assumed is provided by RD, the Applicant is only required to provide the information described in Item 9.b.(3) above.

(c) If the financing proposal is not from a regulated Financial Institution in the business of making loans or a governmental entity, evidence of ability to fund must be provided. Evidence of ability to fund includes: (1) a copy of the lender's most current audited financial statements no more than 17 months old; or (2) if the loan has already been funded, a copy of the note and recorded mortgage. The age of all financial statements is as of the Application Deadline. In evaluating ability to fund, the Corporation will consider the entity's unrestricted current assets typically used in the normal course of business. Assets considered restricted include, but are not limited to, pension funds, rental security deposits, and sinking funds. Financing proposals from lenders who cannot demonstrate ability to fund will not count as a source of financing. Financial statements must be included in the Application. Note: This provision does not apply to deferred Developer fee.

(d) If a financing proposal shows an amount less than the corresponding line item on the pro forma, only the financing proposal amount will be considered as a funding source. However, if a financing proposal shows an amount in excess of the corresponding line item on the pro forma, up to the total amount of the financing proposal amount may be utilized as a funding source, if needed.

(e) The loan amount may be conditioned upon an appraisal or debt service coverage ratio or any other typical due diligence required during credit underwriting.

(f) Financing proposals may be conditioned upon the Applicant receiving the funding from the Corporation for which it is applying.

(g) If a financing proposal has a provision for holding back funds until certain conditions are met, the amount of the hold-back will not be counted as a source of construction financing unless it can be determined that the conditions for the release of the hold-back can be met prior to or simultaneous with the closing of the Development's permanent financing.

(h) Grant funds are contributions to the Development, other than equity, which carry no repayment provision or interest rate. A commitment for grant funds will be considered a commitment for scoring purposes if the commitment is properly executed and, if applicable, evidence of ability to fund is provided.

(2) Equity Proposal

For the purpose of this RFA, to be counted as a source an equity proposal, regardless of whether the documentation is in the form of a commitment, proposal, term sheet or letter of intent, must: (i) if syndicating/selling the Housing Credits, meet the requirements outlined in (a) below and include the information outlined in (b) below, or (ii) if not
syndicating/selling the Housing Credits, meet the requirements outlined in (a) below and include the information outlined in (c) below:

(a) If the Eligible Housing Credit Request Amount is less than the anticipated amount of credit allocation stated in the equity proposal, the equity proposal will not be considered a source of financing. However, if the Eligible Housing Credit Request Amount is greater than the anticipated amount of credit allocation stated in the equity proposal, the equity proposal will be considered a source of financing; and

(b) If syndicating/selling the Housing Credits:

(i) A Housing Credit equity proposal must also meet the following criteria:

- Be executed by all parties, including the Applicant;
- Include specific reference to the Applicant as the beneficiary of the equity proceeds;
- State the proposed amount of equity to be paid prior to construction completion;
- State the anticipated Eligible Housing Credit Request Amount;
- State the anticipated dollar amount of Housing Credit allocation to be purchased; and
- State the anticipated total amount of equity to be provided.

(ii) If the limited partnership agreement or limited liability company operating agreement has closed, the closed agreement must be provided. To be counted as a source of financing, the partnership agreement or operating agreement must meet the requirements of Item 9.d.(2)(b)(i) above or the Applicant must submit separate documentation, signed by the equity provider, expressly stating any required criteria not provided in the agreement.

Note: Item 10 of Exhibit A outlines the requirement and deadline for the Applicant’s confirmation that the documented equity amount to be paid prior to or simultaneous with the closing of construction financing is at least 15 percent of the total proposed equity to be provided (the 15 percent criteria).

(c) If not syndicating/selling the Housing Credits, the owner’s commitment to provide equity must be provided.

(i) The commitment must include the following:

- The proposed amount of equity to be paid prior to construction completion;
- The anticipated Eligible Housing Credit Request Amount;
- The anticipated dollar amount of Housing Credit allocation to be purchased; and
- The anticipated total amount of equity to be provided.

(ii) Evidence of ability to fund must be provided as an Attachment to the Application.

e. Per Unit Construction Funding Preference:
(1) The following Applications will qualify for this funding preference, as outlined in Section Four B of the RFA:

(a) Applications with a Development Category of New Construction, Redevelopment, or Acquisition and Redevelopment (at question 4.c.(1) of Exhibit A), and

(b) Applications with a Development Category of Rehabilitation or Acquisition and Rehabilitation (at question 4.c.(1) of Exhibit A) that reflect an amount of at least $40,000 per unit when the amount listed in the Total column of the Development Cost Pro Forma for the Development Cost line item A1.1 Actual Construction Cost is divided by the number of total units in the Development.

(2) The following Applications will not qualify for this funding preference:

Applications with a Development Category of Rehabilitation or Acquisition and Rehabilitation (at question 4.c.(1) of Exhibit A) that reflect an amount less than $40,000 per unit, when the amount listed in the Total column of the Development Cost Pro Forma for the Development Cost line item A1.1 Actual Construction Cost is divided by the number of total units in the Development.

Except for deferred Developer fee, the Application requires complete information on all sources of Development funding and the proposed uses of those funds. All loans, grants, donations, syndication proceeds, etc., should be detailed in the Application as outlined above. The total amount of monetary funds determined to be in funding proposals must equal or exceed uses.

10. Applicant Certification and Acknowledgement:

The Applicant’s signature on Exhibit A indicates the Applicant’s certification and acknowledgement of the provisions and requirements of the RFA. The copy of the Application labeled “Original Hard Copy” must reflect an original signature (blue ink is preferred).

Addenda:

The Applicant may use the Addenda section of Exhibit A to provide any additional information or explanatory addendum for items in the Application. Please specify the particular item to which the additional information or explanatory addendum applies.

RFA 2013- 003
The highest scoring Applications will be determined by first sorting all eligible Applications from highest score to lowest score, with any scores that are tied separated first by the Application’s eligibility for the Development Category Funding Preference which is outlined in Section Four A.4.c.(1)(a) of the RFA (with Applications that qualify for the preference listed above Applications that do not qualify for the preference), then by the Application’s eligibility for the Per Unit Construction Funding Preference which is outlined in Section Four A.9.c. of the RFA, (with Applications that qualify for the preference listed above Applications that do not qualify for the preference), then by the Application’s Leveraging Classification (applying the multipliers outlined in Exhibit C below and having the Classification of A be the top priority, then by the Application’s eligibility for the Florida Job Creation Preference which is outlined in Exhibit C below (with Applications that qualify for the preference listed above Applications that do not qualify for the preference), and then by lottery number, resulting in the lowest lottery number receiving preference.

Unless otherwise provided below, Applications will be selected for funding only if there is enough funding available to fully fund the Eligible Housing Credit Request Amount (Funding Test).

The Applications will be considered for funding in the following funding order: first the highest scoring eligible Application located in Miami-Dade County that can meet the Funding Test, then the highest scoring eligible Application located in Broward County that can meet the Funding Test, then the highest scoring eligible Application located in Palm Beach County that can meet the Funding Test, then the highest scoring eligible unfunded Application located in Miami-Dade County that can meet the Funding Test and then the highest scoring eligible unfunded Application located in Broward County regardless of the Funding Test. If there is not enough funding available to fully fund this last Broward County Application, the Application will be entitled to receive a Binding Commitment for the unfunded balance. No further Applications will be considered for funding and any remaining funding will be distributed as approved by the Board.

To determine the highest scoring eligible unfunded Applications within the above funding order, if the highest scoring eligible unfunded Application cannot meet the Funding Test, the next highest scoring eligible unfunded Application will be considered subject to the Funding Test. This process will be repeated until the highest scoring eligible unfunded Application that meets the Funding Test is selected or, if no eligible unfunded Application can meet the Funding Test, then the highest scoring eligible unfunded Application located in the next County in the above funding order that can meet the Funding Test will be selected. If none of the eligible unfunded Applications meet the Funding Test, then the highest scoring eligible unfunded Application within the above funding order will be selected for funding and the Application will be entitled to receive a Binding Commitment for the unfunded balance.

Funding that becomes available after the Board takes action on the Committee’s recommendation(s), due to an Applicant declining its invitation to enter credit underwriting or the Applicant’s inability to satisfy a requirement outlined in this RFA, and/or Rule Chapter 67-48, F.A.C., will be distributed to the highest scoring eligible unfunded Application located in the same county as the Development that returned the funding regardless of the Funding Test. If there is not enough funding available to fully fund this Application, it will be entitled to receive a Binding Commitment for the unfunded balance.

SECTION FIVE
EVALUATION PROCESS

Committee members shall independently evaluate and score their assigned portions of the submitted Applications, consulting with non-committee Corporation staff and legal counsel as necessary and appropriate.
The Corporation will reject any competitive Application submittal and no action will be taken to score the Application if any of the following submission requirements are not met: the Application is not submitted online by the Application Deadline, the required number of hard copies are not submitted by the Application Deadline, the Applicant’s hard copy submission is not contained in a sealed package, or the required Application fee is not submitted as of Application Deadline.

An Application will be deemed ineligible to be considered for funding if, as of close of business the day before the Committee meets to make a recommendation to the Board, there are any financial obligations for which an Applicant or Developer or Principal, Affiliate or Financial Beneficiary of the Applicant or Developer is in arrears to the Corporation or any agent or assignee of the Corporation as reflected on the most recently published Past Due Report posted to the Corporation’s Website http://www.floridahousing.org/PropertyOwnersAndManagers/PastDueReports/, but not more recently than five (5) business days prior to the date the Committee meets to make a recommendation to the Board.

b. The Applicant acknowledges and certifies that the following information will be provided by the due date outlined below, or as otherwise outlined in the invitation to enter credit underwriting. Failure to provide the required information by the stated deadline shall result in the withdrawal of the invitation to enter credit underwriting.
(1) Within 7 Calendar Days of the date of the invitation to enter credit underwriting:

(a) Identity of the remaining members of the Development Team (i.e., inexperienced co-Developer(s), Management Company, General Contractor, Architect, Attorney, Accountant and, if applicable, Service Provider), as outlined in Item 12 of Exhibit C of the RFA. The team members so identified, and any future replacement thereof, must be acceptable to the Corporation and the Credit Underwriter;

(b) Name and address of the chief elected official of the local jurisdiction where the proposed Development is located;

(c) The unit mix for the proposed Development (number of bedrooms per unit, number of baths per unit, and number of units per bedroom type);

(i) If syndicating/selling the Housing Credits, there are two exceptions to the preceding sentence. First, if there is a bridge loan proposal within the equity proposal that provides for bridge loan proceeds that equal at least 15 percent of the amount of total proposed equity to be provided to be made available prior to or simultaneous with closing of construction financing, the 15 percent criteria will be met. Second, if there is a separate bridge loan proposal from either the equity provider, any entity that is controlled directly or indirectly by the equity provider, or a subsidiary of the equity provider’s parent holding company, and the proposal explicitly proposes an amount to be made available prior to or simultaneous with the closing of construction financing

materially participates in the management and operation of the Development throughout the Compliance Period;

(5) The success of an Applicant in being selected for funding is not an indication that the Applicant will receive a positive recommendation from the Credit Underwriter or that the Development Team's experience, past performance or financial capacity is satisfactory. The past performance record, financial capacity, and any and all other matters relating to the Development Team, which consists of Developer, Management Company, General Contractor, Architect, Attorney, Accountant, and Service Provider (if the proposed Development is an Elderly Assisted Living Facility), will be reviewed during credit underwriting. The Credit Underwriter may require additional information from any member of the Development Team including, without limitation, documentation on other past projects and financials. Development Teams with an unsatisfactory past performance record, inadequate financial capacity or any other unsatisfactory matters relating to their suitability may result in a negative recommendation from the Credit Underwriter;

(6) The Principals of each Developer identified in the Application, including all co-Developers, may be changed only by written request of an Applicant to Corporation staff and approval of the Board after the Applicant has been invited to enter credit underwriting. In addition, any allowable replacement of an experienced Principal of a Developer entity must meet the experience requirements that were met by the original Principal;

The Total Set-Aside Percentage stated in the Application may be increased after the Applicant has been invited to enter credit underwriting, subject to written request of an Applicant to Corporation staff and approval of the Corporation. Commitments to set aside residential units made by those Applicants that receive funding will
become the minimum set-aside requirements for any other Corporation funds that the Applicant may receive in the future for the same Development;

(13) The Applicant irrevocably commits to set aside units in the proposed Development for a total of 50 years. Note: in submitting its Application, the Applicant knowingly, voluntarily and irrevocably commits to waive, and does hereby waive, for the duration of the 50-year set aside period the option to convert to market, including any option or right to submit a request for a qualified contract, after year fourteen (14), and any other option, right or process available to the Applicant to terminate (or that would result in the termination of) the 50-year set aside period at any time prior to the expiration of its full term;

(14) The Applicant’s commitments will be included in the Extended Use Agreement and must be maintained in order for the Development to remain in compliance, unless the Board approves a change;

The Applicant understands and agrees that the Corporation is not responsible for actions taken by the undersigned in reliance on a preliminary commitment by the Corporation. The Applicant commits that no qualified residents will be refused occupancy because they have Section 8 vouchers or certificates. The Applicant further commits to actively seek tenants from public housing waiting lists and tenants who are participating in and/or have successfully completed the training provided by welfare to work or self-sufficiency type programs.

f. By Certificate of Occupancy, the Applicant commits to participate in the statewide housing locator system, as required by the Corporation.

g. The Applicant and all Financial Beneficiaries have read all applicable Corporation rules governing this RFA and have read the instructions for completing this RFA and will abide by the applicable Florida Statutes and the credit underwriting and program provisions outlined in Rule Chapter 67-48, F.A.C. This certification consists of 3 pages. This certification may not be signed by the Applicant, by any related parties of the Applicant, or by any Principals or Financial Beneficiaries of the Applicant. If the certification is inappropriately signed, the Application will not be eligible to receive proximity points. If this certification contains corrections or ‘white-out’, or if it is altered or retyped, the form will not be considered. The certification may be photocopied. To be considered for scoring purposes, at least pages 1 and 2 of this 3 page certification form must be provided by the Applicant.

1“Scattered Sites,” as applied to a single Development, means a Development site that, when taken as a whole, is comprised of real property that is not contiguous (each such non-contiguous site within a Scattered Site Development, a “Scattered Site”). For purposes of this definition “contiguous” means touching at a point or along a boundary. Real property is contiguous if the only intervening real property interest is an easement provided the easement is not a roadway or street. (See Rule 67-48.002, F.A.C.).

2“Development Location Point” means a single point selected by the Applicant on the proposed Development site that is located within 100 feet of a residential building existing or to be constructed as part of the proposed Development. For a Development which consists of Scattered Sites, this means a single point on the site with the most units that is located within 100 feet of a residential building existing or to be constructed as part of the proposed Development (See Rule 67-48.002, F.A.C.).

3The latitude and longitude coordinates for all Proximity Services must represent a point as outlined on the Coordinates Location Chart set out below. The coordinates for each service must be stated in degrees, minutes and seconds, with the degrees and minutes stated as whole numbers and the seconds truncated after one decimal place. If the degrees and minutes are not stated as whole numbers and the seconds are not truncated after one decimal place, the Applicant will not be eligible for proximity points for that service.

2. Applicant Requirements:

The Applicant entity shall be the recipient of the Housing Credits and may not change until after the Carryover Allocation Agreement is in effect. Once the Carryover Allocation Agreement has been executed by all parties, replacement of the Applicant or a material change (33.3 percent or more of the Applicant, a General Partner of the Applicant, or a member of the Applicant) in the ownership structure of the named Applicant will require Board approval prior to the change. Any non-material change (less than 33.3 percent of the Applicant, a General Partner of the Applicant, or a member of the Applicant) in the ownership structure of the named Applicant will not require Board approval, but the Corporation must still be notified in writing of the change. The Applicant entity may be changed without Board approval after a Final Housing Credit Allocation Agreement has been approved and the IRS Forms 8609 have been issued; however, the Corporation must still be notified in writing of the change. Changes to the Applicant entity prior to the execution of a Carryover Allocation Agreement or without Board approval prior to the approval of the Final Housing Credit Allocation Agreement and issuance of the IRS Forms 8609 will result in a disqualification from receiving funding and shall be deemed a material misrepresentation. Changes to the limited partner of a limited partnership or member of a limited liability company owning the syndicating interest therein will not result in disqualification.

paid off prior to the Application Deadline, the Corporation will treat the LDA restriction around that Development as if it was never included on the LDA chart and the LDA restriction related to that Guarantee Fund Development will no longer apply.

8. Total Development Cost Per Unit Limitation:

The Corporation shall limit the Total Development Cost (TDC) per unit for all Developments
categorized by the construction type of the units as indicated by the Applicant in the RFA. The
maximum amounts are provided on the TDC Per Unit Limitation chart set out below (the maximum
TDC per unit exclusive of land costs, applying any applicable TDC multiplier) and will be tested
during the scoring of the RFA, during the credit underwriting process, and during the final allocation
process, as outlined below.

These TDC Per Unit Base Limitation amounts are effective from the Application Deadline through
Final Cost Certification.

a. Any Application that has an amount that exceeds these limitations will not be eligible to be considered for funding.

b. Any Applicant that has the Credit Underwriter present a credit underwriting report with an amount that exceeds these limitations by more than 5 percent, taking into consideration an escalation factor for construction costs rising after the Application Deadline of either (i) 1.8 percent for any Applicant with the Development Category of New Construction, Redevelopment, or Acquisition and Redevelopment, or (ii) 1.4 percent for any Applicant with the Development Category of Rehabilitation or Acquisition and Rehabilitation, and incorporating any applicable TDC reduction and adjustments processes provided below will receive a negative recommendation by the Credit Underwriter.

Any Applicant that has the Credit Underwriter present a credit underwriting report with an amount that exceeds these limitations, taking into consideration the applicable escalation factor outlined above, will require staff to review the credit underwriting report for compliance to the TDC reduction and adjustment procedure provided below:

1. The Developer fee will be limited to the maximum allowable within the TDC Per Unit Base Limitation, inclusive of any applicable escalation factor, in all instances. A Developer fee can be earned on qualifying TDC exclusive of land up to the TDC Per Unit Base Limitation, inclusive of any applicable escalation factor, but it cannot be earned on costs in excess of said limitation. If the Development costs exceed the amount allowed by the TDC Per Unit Base Limitation, inclusive of any applicable escalation factor, then the maximum allowable Developer fee will be adjusted as outlined below. The maximum allowable Developer fee can be determined by multiplying the applicable TDC Per Unit Base Limitation with respect to the Development as provided in this RFA, inclusive of any applicable escalation factor, by the number of total units in the Development. Second, divide this product by 1.16 and then multiply the result by 16 percent*. This will yield the maximum allowable Developer fee within the TDC Per Unit Base Limitation, inclusive of any applicable escalation factor.

2. Prior to determining any necessary adjustment, if the Developer fee initially stated by the Applicant or Credit Underwriter is in excess of the maximum allowable Developer fee as provided in (1) above, the Developer fee will be reduced to said maximum allowable Developer fee and the TDC will be equally reduced to incorporate the cost reduction.

Subsequent to reducing the Developer fee to the maximum allowable amount, additional adjustments may be necessary if the TDC Per Unit Base Limitation remains exceeded. An adjustment shall be determined by reducing the maximum allowable Developer fee as determined in (1) above dollar-for-dollar for any costs in excess of the amount allowed by the...
TDC Per Unit Base Limitation, inclusive of any applicable escalation factor, up to the lesser of (a) the actual amount of costs in excess of the amount allowed by the TDC Per Unit Base Limitation, inclusive of any applicable escalation factor, (b) $500,000, or (c) 25 percent of the maximum allowable Developer fee. If after following this Developer fee limitation process, the TDC exclusive of land costs is reduced to be within the amount allowed by the TDC Per Unit Base Limitation, inclusive of any applicable escalation factor, then the Developer fee adjustment calculation is complete. If the TDC exclusive of land costs remains above the amount allowed by the TDC Per Unit Base Limitation, inclusive of any applicable escalation factor, then there is an additional Developer fee adjustment, as outlined in (3) below.

(3) An additional Developer fee adjustment will be initiated to further reduce the allowable Developer fee in the event the TDC exclusive of land (as adjusted above) exceeds the TDC Per Unit Base Limitation. The reduction will be determined by deriving a percentage amount that the TDC exclusive of land costs (as adjusted above) exceeds the TDC Per Unit Base Limitation, inclusive of any applicable escalation factor, and multiplying this excess percentage by the amount of the adjusted Developer fee, resulting in a product that is the additional adjustment to the Developer fee. For instance, if the Development’s adjusted TDC exclusive of land costs exceeds the limitation, inclusive of any applicable escalation factor, by 4 percent, then the allowable Developer fee is further reduced by 4 percent. Once this step is complete, there is no further Developer fee adjustment or corresponding cost savings to be incorporated into the TDC as a result of having a TDC exclusive of land costs that exceeds the limitation.

As a note, if the Developer fee in the credit underwriting report is already at or below this allowable Developer fee, then there is no additional adjustment to be incorporated into the Developer fee. This also means there are no corresponding costs savings to reduce the TDC since all TDC cost reductions stemming from this process are coming from reducing the Developer fee. If the Developer fee in the credit underwriting report needs to be reduced to incorporate any adjustment as provided above, then as the Developer fee is reduced, so is the TDC in order to incorporate the reduced Developer fee cost.

For example:

An 85-unit development with a Development Category of New Construction and a Development Type of Garden Concrete reports a TDC of $18,000,000, inclusive of a stated Developer fee of $2,500,000, and exclusive of land at time of credit underwriting, and also prior to any adjustment:

**Calculate TDC Limitation for the Development and Maximum Allowable Developer fee**

1.(a) TDC Per Unit Base Limitation, inclusive of any applicable escalation factor: $196,000 Per Unit x (1 + 1.8%) = $199,528 Per Unit.

1.(b) Determine TDC Limitation for the Development: $199,528 Per Unit x 85 units = $16,959,880.

1.(c) Implied maximum Development Cost per the limitation: $16,959,880 ÷ 1.16 = $14,620,586.

1.(d) Determine maximum allowable Developer fee within the limitation (prior to any adjustment): $14,620,586 x 16% = $2,339,293.
First Developer fee/TDC adjustment Calculation Methodology (If necessary)

2. (a)(i) Is the stated Developer fee greater than the maximum allowable? $2,500,000 > $2,339,293.

2. (a)(ii) If the response to 2. (a)(i) is yes, then determine the excess: $2,500,000 - $2,339,293 = $160,707 (excess Developer fee and excess TDC).

2. (b) Reduce the stated Developer fee to the lesser of maximum allowable or stated fee and reduce the stated TDC by an equal amount: $2,500,000 - $160,707 = $2,339,293; $18,000,000 - $160,707 = $17,839,293.

2. (c) Determine if the TDC remains in excess of the limitation: $17,839,293 - $16,959,880 = $879,413.

2. (d) Determine the lesser of either (i) $500,000, (ii) 25 percent of the maximum allowable Developer fee, or (iii) 100% of the excess TDC: 25% x $2,339,293 = $584,823; $500,000 < $584,823 < $879,413.

2. (e) Apply the lesser of 2(d) above to determine the Maximum allowable Developer fee, subject to the first adjustment: $2,339,293 - $500,000 = $1,839,293.

2. (f) TDC reduction due to Developer fee adjustment: $17,839,293 - $500,000 = $17,339,293.

(As a note, this TDC is still greater than the TDC Per Unit Base Limitation, inclusive of any applicable upward adjust so an additional Developer fee adjustment will need to be calculated.)

Second Developer fee/TDC adjustment Calculation Methodology (If necessary)

3. (a) The percentage the TDC without land (as adjusted above for first adjustment) that exceeds the amount allowed by the TDC Per Unit Base Limitation, inclusive of any applicable escalation factor: $17,339,293 - $16,959,880 = $379,413; $379,413 ÷ $16,959,880 = 2.24%.

3. (b) Additional adjustment: 2.24% x $1,839,293 = $41,147.

3. (c) Final maximum Developer fee, after adjustments: $1,839,293 - $41,147 = $1,798,146

3. (d) Final adjusted TDC at time of credit underwriting: $17,339,293 - $41,147 = $17,298,146.

3. (e) Verify status of the 5% variance test: ($17,298,146 - $16,959,880) / $16,959,880 = 2.0%, which falls under criteria of being less than or equal to 5% above of the TDC Per Unit Base Limitation, inclusive of any applicable escalation factor.

c. Any Applicant that presents a Final Cost Certification Application (FCCA) that has amounts that exceed the TDC Per Unit Base Limitation, subject to an escalation factor of either (i) 1.8 percent for any Applicant with the Development Category of New Construction, Redevelopment, or Acquisition and Redevelopment, or (ii) 1.4 percent for any Applicant with the Development Category of Rehabilitation or Acquisition and Rehabilitation, will require staff to review the FCCA for compliance to the procedure provided below. If the Development has already had its Developer fee adjusted at credit underwriting as provided in 8.b. above and the TDC without land in the FCCA exceeds the TDC without land provided in the credit underwriting report, then the Developer fee will have an additional adjustment to be incorporated as provided in (4) below.
(1) The Developer fee will be limited to the maximum allowable within the TDC Per Unit Base Limitation, inclusive of any applicable escalation factor, in all instances. A Developer fee can be earned on qualifying TDC exclusive of land up to the TDC Per Unit Base Limitation, inclusive of any applicable escalation factor, but it cannot be earned on costs in excess of said limitation. If the Development costs exceed the amount allowed by the TDC Per Unit Base Limitation, inclusive of any applicable escalation factor, then the maximum allowable Developer fee will be adjusted as outlined below. The maximum allowable Developer fee can be determined by multiplying the applicable TDC Per Unit Base Limitation with respect to the Development as provided in this RFA, inclusive of any applicable escalation factor, by the number of total units in the Development. Second, divide this product by 1.16 and then multiply the result by 16 percent*. This will yield the maximum allowable Developer fee within the TDC Per Unit Base Limitation, inclusive of any applicable escalation factor.

(2) Prior to determining any necessary adjustment, if the Developer fee initially stated by the FCCA is in excess of the maximum allowable Developer fee as provided in (1) above, the Developer fee will be reduced to said maximum allowable Developer fee and the TDC will be equally reduced to incorporate the cost reduction.

Subsequent to reducing the Developer fee to the maximum allowable amount, additional adjustments may be necessary if the TDC Per Unit Base Limitation remains exceeded. An adjustment shall be determined by reducing the maximum allowable Developer fee as determined in (1) above dollar-for-dollar for any costs in excess of the amount allowed by the TDC Per Unit Base Limitation, inclusive of any applicable escalation factor, up to the lesser of (a) the actual amount of costs in excess of the amount allowed by the TDC Per Unit Base Limitation, inclusive of any applicable escalation factor, (b) $250,000, or (c) 10 percent of the maximum allowable Developer fee. If after following this Developer fee limitation process, the TDC exclusive of land costs is reduced to be within the amount allowed by the TDC Per Unit Base Limitation, inclusive of any applicable escalation factor, then the Developer fee adjustment calculation is complete. If the TDC exclusive of land costs remains above the amount allowed by the TDC Per Unit Base Limitation, inclusive of any applicable escalation factor, then there is an additional Developer fee adjustment, as outlined in (3) below.

(3) An additional Developer fee adjustment will be initiated to further reduce the allowable Developer fee in the event the TDC exclusive of land costs (as adjusted above) exceeds the TDC Per Unit Base Limitation. The reduction will be determined by deriving a percentage amount that the TDC exclusive of land costs (as adjusted above) exceeds the amount allowed by the TDC Per Unit Base Limitation, inclusive of any applicable escalation factor and multiplying this excess percentage by the amount of the adjusted Developer fee, resulting in a product that is the additional adjustment to the Developer fee. For instance, if the Development’s adjusted TDC exclusive of land costs exceeds the limitation, inclusive of any applicable escalation factor, by 4 percent, then the allowable Developer fee is further reduced by 4 percent. Once this step is complete, there is no further Developer fee adjustment or corresponding cost savings to be incorporated into the TDC as a result of having a TDC exclusive of land costs that exceeds the limitation.

As a note, if the Developer fee in the FCCA is already at or below this allowable Developer fee, then there is no additional adjustment to be incorporated into the Developer fee. This also means there are no corresponding costs savings to reduce the TDC since all TDC cost reductions stemming from this process are coming from reducing the Developer fee. If the Developer fee in
(4) For those Developments that have already had its Developer fee adjusted at credit underwriting as provided in 8.b. above and whose TDC without land in the FCCA exceeds the TDC without land provided in the credit underwriting report, the allowable Developer fee will incorporate an additional adjustment. This additional Developer fee adjustment will be the lesser of (a) the difference between the amount of TDC exclusive of land costs as reported in the FCCA that is in excess of the TDC exclusive of land costs provided in the credit underwriting report, (b) $250,000, or (c) 10 percent of the allowable Developer fee reported in the credit underwriting report. If the Developer fee in the FCCA is already equal to or less than the allowable Developer fee as determined with the incorporation of this additional Developer fee adjustment, then neither the Developer fee nor the TDC is further reduced.

For example:

Assuming the Development in the example provided in 8.b. above provides a FCCA with a TDC exclusive of land costs of $500,000 higher than the TDC exclusive of land costs provided in the credit underwriting report, but the Developer fee is the same as provided in the credit underwriting report of $1,798,146. The additional Developer fee adjustment will be the lesser of (a) $500,000 (the new excess costs), (b) $250,000 (the maximum dollar limit of this additional Developer fee adjustment), or (c) $179,814 (10% of the allowable Developer fee reported in the credit underwriting report).

Since (c) is the lowest of the three options, the allowable Developer fee and the TDC will both be lowered by $179,814. The allowable Developer fee will be $1,618,332 (the allowable Developer fee reported in the credit underwriting report of $1,798,146, less the adjustment of $179,814). The TDC exclusive of land costs in the FCCA would be adjusted to $17,618,332 ($17,298,146 from the credit underwriting report plus $500,000 of new additional costs less $179,814 for the reduction in allowable Developer fee).

*These figures represent the applicable Developer fee percentage for the Development (16%) and one plus the applicable Developer fee percentage for the Development (1+16%).

9. Leveraging Classification:

Each eligible Application’s Leveraging Classification will be determined as follows:

a. Calculating the Set-Aside Units:

The total number of set-aside units for each Application will be computed by multiplying the total number of units within the proposed Development by the highest Total Set-Aside Percentage the Applicant committed to as stated in the last row of the set-aside breakdown chart in the Set-Aside Commitment section of the Application. Results that are not a whole number will be rounded up to the next whole number.

b. The Corporation will first calculate the Total Corporation Funding Per Set-Aside Unit by multiplying (1) by (2) below:

(1) If the Development is not located in a HUD designated HCA, the Eligible Housing Credit Request Amount will be multiplied by 9.0. If the Development is located in a HUD

RFA 2013- 003

78
designated HCA, the Eligible Housing Credit Request Amount will be multiplied by 9.0 and that product will be divided by 1.3.

(2) The total Corporation funding amount may be further adjusted as outlined below. NOTE: If a proposed Development meets all of the requirements of both (a) and (c), the total Corporation funding amount will be multiplied by 0.65. If a proposed Development meets all of the requirements of both (b) and (c), the total Corporation funding amount will be multiplied by 0.785.

(a) If the proposed Development meets all of the following requirements, the total Corporation funding amount will be multiplied by 0.65:

- Applicant selected the High-Rise Development Type, and
- Applicant selected the Development Category of New Construction or selected and qualified for the Development Category of Redevelopment or Acquisition and Redevelopment.

or

(b) If the proposed Development meets all of the following requirements, the total Corporation funding amount will be multiplied by 0.785:

- Applicant selected the Mid-Rise with Elevator (a building comprised of 5 or 6 stories) Development Type and at least 90 percent of the total units are in these Mid-Rise building(s), and
- Applicant selected the Development Category of New Construction or selected and qualified for the Development Category of Redevelopment or Acquisition and Redevelopment.

or

(c) If the proposed Development meets all of the following requirements, the total Corporation funding amount will be multiplied by 0.865:

- Applicant selected the Development Category of New Construction or selected and qualified for the Development Category of Redevelopment or Acquisition and Redevelopment, and
- The proposed Development met the requirements to be considered concrete construction.

(3) The eligible Applications will be divided into two (2) lists: the “New Construction List” consisting of the eligible Applications with the Development Category of New Construction, Redevelopment, and Acquisition and Redevelopment, and the “Rehabilitation List” consisting of the eligible Applications with the Development Category of Rehabilitation and Acquisition and Rehabilitation.

(a) The New Construction List will be compiled as follows:
The total number of Applications on the New Construction List will be multiplied by 90 percent and the resulting figure will be rounded up to the next whole number (the resulting figure after rounding will be referred to as the “New Construction A/B Cut-Off”). A line will be drawn below the Application whose place on the list is equal to the New Construction A/B Cut-Off. If any Application(s) below the line has the same total Corporation funding request per set-aside unit as the Application immediately above the line, the line will be moved to a place immediately below that Application(s). Applications above the New Construction A/B Cut-Off will be classified as Group A and Applications below the New Construction A/B Cut-Off will be classified as Group B.

(b) The Rehabilitation List will be compiled as follows:

The total number of Applications on the Rehabilitation List will be multiplied by 90 percent and the resulting figure will be rounded up to the next whole number (the resulting figure after rounding will be referred to as the “Rehabilitation A/B Cut-Off”). A line will be drawn below the Application whose place on the list is equal to the Rehabilitation A/B Cut-Off. If any Application(s) below the line has the same total Corporation funding request per set-aside unit as the Application immediately above the line, the line will be moved to a place immediately below that Application(s). Applications above the Rehabilitation A/B Cut-Off will be classified as Group A and Applications below the Rehabilitation A/B Cut-Off will be classified as Group B.

The New Construction List and the Rehabilitation List will then be merged to form one list.

10. Florida Job Creation Preference:

Each Application will be measured to determine whether it qualifies for the Florida Job Creation Preference. To determine eligibility for the preference, the Corporation will calculate the Application’s Florida Job Creation score, which will reflect the number of Florida jobs per $1 million of Housing Credit Allocation. Only Applications with a score equal to or greater than 100 will qualify for the Florida Job Creation Preference in Section Four B of the RFA.

Determination of the Florida Job Creation score will be based on the following information:

- The number of new construction and/or rehabilitation units committed to by the Applicant (as stated by the Applicant at question 4.1 of Exhibit A of the RFP);
- The applicable Florida job creation rate for the type of units:
  - Rate of 3.376 Florida Jobs per Unit for proposed new construction units;
  - Rate of 1.534 Florida Jobs per Unit for proposed rehabilitation units; and
- The Eligible Housing Credit Request Amount.

The score for the Florida Rate of Job Creation per $1 million of Housing Credit Allocation will be measured using one of the following calculations:

a. Developments consisting of only new construction units:

\[
\text{Number of new construction units} \times 3.376 \text{ Florida Jobs per Unit} \times 1,000,000 \div \text{Eligible Housing Credit Request Amount} = \text{Florida Jobs per $1 million of Housing Credit Allocation.}
\]

For example:

RFA 2013- 003

80
Application A consists of 80 new construction units and has an Eligible Housing Credit Request Amount of $1,500,000.

\[ 80 \times 3.376 \times 1,000,000 / 1,500,000 = \text{Florida Job Creation score of 180.053}. \]

b. Developments consisting of only rehabilitation units:

Number of rehabilitation units $\times$ 1.534 Florida Jobs per Unit $\times$ 1,000,000 / Eligible Housing Credit Request Amount = Florida Jobs per $1$ million of Housing Credit Allocation.

For example:

Application B consists of 80 rehabilitation units and has an Eligible Housing Credit Request Amount of $1,500,000.

\[ 80 \times 1.534 \times 1,000,000 / 1,500,000 = \text{Florida Job Creation score of 81.813}. \]

c. Developments consisting of both new construction units and rehabilitation units:

(Number of new construction units $\times$ 3.376 Florida Jobs per Unit + number of rehabilitation units $\times$ 1.534 Florida Jobs per Unit) $\times$ 1,000,000 / Eligible Housing Credit Request Amount = Florida Jobs per $1$ million of Housing Credit Allocation.

For example:

Application C consists of 56 new construction units and 24 rehabilitation units and has an Eligible Housing Credit Request Amount of $1,500,000.

\[ [ (56 \times 3.376) + (24 \times 1.534) ] \times 1,000,000 / 1,500,000 = \text{Florida Job Creation score of 150.581}. \]

In above examples, Application B will not qualify for the Job Creation Preference because it has a Florida Job Creation score that is less than 100. Applications A and C will both qualify for the Florida Job Creation Preference because each has a Florida Job Creation score that is at least 100. If Applications A and C receive an equal amount of total points and also receive the Per Unit Construction Funding Preference and identical Leveraging Classifications, the Application with the lower lottery number will be listed with a higher funding preference.

11. Fees:

The Corporation and, if applicable, the Credit Underwriter shall collect via check or money order from the Applicant the following fees and charges in conjunction with the HC Program. Failure to pay any fee shall cause the allocation to be withdrawn as outlined in the Carryover Allocation Agreement and the credit underwriting and program requirements outlined in Rule Chapter 67-48, F.A.C.

a. Application Fee:

All Applicants requesting HC shall submit to the Corporation as a part of the Application submission a non-refundable Application fee of $3,000.00.

b. Credit Underwriting Fees:
The following fees are not the fees that will be charged, but are listed below for estimation purposes of completing your pro-forma in the Application. The actual fees will be determined based on the current contract and any addendum for services between the Corporation and the Credit Underwriter(s) in effect at the time underwriting begins.

(1) Initial HC fee: $11,341

(2) Re-underwriting fee: $165 per hour, not to exceed $7,307

The administrative fee shall be 5 percent of the stated annual Housing Credit Allocation for Non-Profit Applicants. The administrative fee must be received by the Corporation as stated in the Preliminary Allocation. In the event the Final Housing Credit Allocation amount exceeds the annual Housing Credit Allocation amount stated in the Preliminary Allocation, the Applicant is responsible for paying the applicable administrative fee on the excess amount before IRS Forms 8609 are issued for the Development.

d. Compliance Monitoring Fees:

The following fees are not the fees that will be charged, but are listed below for estimation purposes of completing your pro-forma in the Application. The actual fees will be determined based on the current contract and any addendum for services between the Corporation and the Compliance Monitor(s).

(3) RD Developments - $450 per Development for the full Housing Credit Extended Use Period collected at final allocation based on a quarterly payment stream discounted at a rate of 2 percent. Upon prepayment or repayment of the RD loan, the previously identified RD Development will be identified as a non-RD Development and the annual compliance monitoring fee will be adjusted accordingly.
If during any year subsequent to the Final Housing Credit Allocation, there is a fee increase based on the Consumer Price Index, as stipulated in the current contract for services between the Corporation and the Compliance Monitor(s) or upon prepayment or repayment of the RD loan, the additional fee will be billed directly to the Development.

(4) Follow-up Review - $165 per hour.

c. Construction Inspection Fees:

The following fees are not the fees that will be charged, but are listed below for estimation purposes of completing your pro-forma in the Application. The actual fees will be based on the current contract and any addendum for services between the Corporation and the Servicer(s).

On-site construction inspection - $165 per hour, not to exceed $1,639 per inspection.

d. Additional HC Fees:

(1) If the Applicant requests permission to return its HC allocation and receive a new HC allocation and such request is approved, whether by the Executive Director in accordance with the QAP or as approved by the Board, the Applicant will be charged a nonrefundable processing fee of $15,000 per request.

Note: In submitting its Application, the Applicant knowingly, voluntarily and irrevocably commits to waive, and does hereby waive, for the duration of the 50-year set aside period the option to convert to market, including any option or right to submit a request for a qualified contract, after year fourteen (14), and any other option, right or process available to the Applicant to terminate (or that would result in the termination of) the 50-year set aside period at any time prior to the expiration of its full term;

Print or Type Name of Signatory

Please note: This form may be modified by Florida Housing Finance Corporation per Section 67-60.005, F.A.C.

RFA 2013- 003
This certification consists of 3 pages. This certification may not be signed by the Applicant, by any related parties of the Applicant, or by any Principals or Financial Beneficiaries of the Applicant. If the certification is inappropriately signed, the Application will not be eligible to receive proximity points. If this certification contains corrections or ‘white-out’, or if it is altered or retyped, the form will not be considered. The certification may be photocopied. To be considered for scoring purposes, at least pages 1 and 2 of this 3 page certification form must be provided by the Applicant.

1 “Scattered Sites,” as applied to a single Development, means a Development site that, when taken as a whole, is comprised of real property that is not contiguous (each such non-contiguous site within a Scattered Site Development, a “Scattered Site”). For purposes of this definition “contiguous” means touching at a point or along a boundary. Real property is contiguous if the only intervening real property interest is an easement provided the easement is not a roadway or street. (See Rule 67-48.002, F.A.C.).

2 “Development Location Point” means a single point selected by the Applicant on the proposed Development site that is located within 100 feet of a residential building existing or to be constructed as part of the proposed Development. For a Development which consists of Scattered Sites, this means a single point on the site with the most units that is located within 100 feet of a residential building existing or to be constructed as part of the proposed Development (See Rule 67-48.002, F.A.C.).

3 The latitude and longitude coordinates for all Proximity Services must represent a point as outlined on the Coordinates Location Chart set out below. The coordinates for each service must be stated in degrees, minutes and seconds, with the degrees and minutes stated as whole numbers and the seconds truncated after one decimal place. If the degrees and minutes are not stated as whole numbers and the seconds are not truncated after one decimal place, the Applicant will not be eligible for proximity points for that service.

If there is no exterior public entrance to the Community Service, then a point should be used that is at the exterior entrance doorway threshold that is the closest walking distance to the doorway threshold of the interior public entrance to the service. For example, for a Pharmacy located within an enclosed shopping mall structure that does not have a direct public exterior entrance, the latitude and longitude coordinates at the doorway threshold of the exterior public entrance to the enclosed shopping mall that provide the shortest walking distance to the doorway threshold of the interior entrance to the Pharmacy would be used.

Applicants may use the same latitude and longitude coordinates for the Grocery Store, Medical Facility and/or Pharmacy if the Grocery Store, Medical Facility and/or Pharmacy is housed at the same location. However, there are no other instances in which an Applicant may use identical coordinates or the same location for any other combination of Transit or Community Services.

NOTE TO LOCAL GOVERNMENT OFFICIAL: Waivers that are not specifically made for the benefit of this Development but are instead of general benefit to the area in which the Development is located will NOT qualify as a contribution to the Development. Further, the fact that no impact fees or other fees are levied by a local jurisdiction for ANY type of development DOES NOT constitute a "Local Government Contribution" to the proposed Development. Similarly, if such fees ARE levied by the local jurisdiction but the nature of the proposed Development exempts it (e.g., typically, a Rehabilitation Development is not subject to impact fees), for purposes of this form, no "Local Government Contribution" exists and no points will be awarded.

1. Elderly Demographic Commitment Requirements:

In order for a proposed Development to qualify for the Elderly Demographic (ALF or non-ALF), the Development must meet the following requirements:

a. The total number of units is limited as follows:

(1) Non-ALF Developments

(a) Limitation of 160 total units for Developments located in Palm Beach County with a Development Category at question 4.c. of Exhibit A of the RFA of (i) New Construction, Redevelopment, or Acquisition and Redevelopment, or (ii) Rehabilitation or Acquisition and Rehabilitation that does not constitute an existing, occupied housing facility that is operating as an elderly housing facility as set forth in the Federal Fair Housing Act as of the Application Deadline;

(b) Limitation of 200 total units for Developments located in Broward County and Miami-Dade County with a Development Category at question 4.c. of Exhibit A of the RFA of (i) New Construction, Redevelopment, or Acquisition and Redevelopment, or (ii) Rehabilitation or Acquisition and Rehabilitation that does not constitute an existing, occupied housing facility that is operating as an elderly housing facility as set forth in the Federal Fair Housing Act as of the Application Deadline;

(c) There is no total unit limitation for Developments, regardless of their location, with a Development Category at question 4.c. of Exhibit A of the RFA of Rehabilitation or Acquisition and Rehabilitation of an existing, occupied housing facility that is operating as an elderly housing facility as set forth in the Federal Fair Housing Act as of the Application Deadline.

(2) ALF Developments may not consist of more than 100 total units.

b. The Applicant understands, acknowledges and agrees that it will comply with the Federal Fair Housing Act requirements and rent at least 80 percent of the total units to residents that qualify as Elderly pursuant to that Act. Further, the Applicant understands, acknowledges and agrees that all such units are subject to the income restrictions committed to in the Set-Aside Commitment section of this Application.

c. For a non-ALF Development, the following requirements will apply: (i) if the Applicant selected the Development Category of Rehabilitation or Acquisition and Rehabilitation at question 4.c. of Exhibit A of the RFA, at least 50 percent of the total units must be comprised of one-bedroom or less (i.e., one-bedroom units or efficiency/studio/zero bedroom units or a combination these types of units), and no more than 15 percent of the total units can be larger than 2 bedroom units; or (ii) if the Applicant selected the Development Category of New Construction, Redevelopment, or Acquisition and Redevelopment at question 4.c. of Exhibit A of the RFA, at least 50 percent of the total units must be comprised of one-bedroom units and no more than 15 percent of the total units can be larger than 2 bedroom units.
For an ALF Development, at least 90 percent of the total units must be comprised of units no larger than one-bedroom and the sharing of a unit by two or more unaffiliated residents cannot be a condition of occupancy.

d. A minimum of one elevator per residential building must be provided for all proposed Developments with a Development Category of New Construction, Redevelopment, or Acquisition and Redevelopment that consist of more than one story if any of the Elderly set-aside units will be located on a floor higher than the first floor.

2. Applicant Requirements:

The Applicant entity shall be the recipient of the Housing Credits and may not change until after the Carryover Allocation Agreement is in effect. Once the Carryover Allocation Agreement has been executed by all parties, replacement of the Applicant or a material change (33.3 percent or more of the Applicant, a General Partner of the Applicant, or a member of the Applicant) in the ownership structure of the named Applicant will require Board approval prior to the change. Any non-material change (less than 33.3 percent of the Applicant, a General Partner of the Applicant, or a member of the Applicant) in the ownership structure of the named Applicant will not require Board approval, but the Corporation must still be notified in writing of the change. The Applicant entity may be changed without Board approval after a Final Housing Credit Allocation Agreement has been approved and the IRS Forms 8609 have been issued; however, the Corporation must still be notified in writing of the change. Changes to the Applicant entity prior to the execution of a Carryover Allocation Agreement or without Board approval prior to the approval of the Final Housing Credit Allocation Agreement and issuance of the IRS Forms 8609 will result in a disqualification from receiving funding and shall be deemed a material misrepresentation. Changes to the limited partner of a limited partnership or member of a limited liability company owning the syndicating interest therein will not result in disqualification.

(1) After School Program for Children – This program requires the Applicant or its Management Company to provide supervised, structured, age-appropriate activities for children during after school hours, Monday through Friday. Activities must be on-site.

(2) Literacy Training- Applicant or its Management Company must make available, at no cost to the resident, literacy tutor(s) who will provide weekly literacy lessons to residents in private space on-site. Electronic media, if used, must be used in conjunction with live instruction. If the Development consists of Scattered Sites, this resident program must be provided on the Scattered Site with the most units.

RFA 2013- 003

70
(3) Employment Assistance Program – Applicant or its Management Company must provide, at no cost to the resident, a minimum of quarterly scheduled Employment Assistance Program workshops/meetings offering employment counseling by a knowledgeable employment counselor. Such a program includes employability skills workshops providing instruction in the basic skills necessary for getting, keeping, and doing well in a job. The instruction must include, but not be limited to, the following:

- Evaluation of current job skills;
- Assistance in setting job goals;
- Assistance in development of and regular review/update of individualized plan for each participating resident;
- Resume assistance;
- Interview preparation; and
- Placement and follow-up services.

(4) Family Support Coordinator - The Applicant must provide a Family Support Coordinator at no cost to the resident. The Family Support Coordinator shall assist residents in assessing needs and obtaining services, with the goal of promoting successful tenancies and helping residents achieve and maintain maximum independence and self-sufficiency. Responsibilities shall include linking residents with public and private resources in the community to provide needed assistance, develop and oversee on-site programs and activities based on the needs and interests of residents, and support residents in organizing group activities to build community and to address and solve problems such as crime and drug activity. The duties of the Family Support Coordinator shall not be performed by property management staff. The Coordinator shall be on-site and available to residents at least 20 hours per week, within the hours of 9 a.m. and 8 p.m. The Coordinator may be an employee of the Development or, through an agreement, an employee of a third party agency or organization that provides these services.

b. Application with the Elderly Demographic:

(1) All Applicants with the Elderly Demographic must commit to provide the following resident program:

Staff On-Site 24 Hours Per Day -

Applicant must provide staff on the Development’s premises at all times who will be available and accessible to the residents 24 hours per day, seven days per week, at no cost to the resident. The on-site staff shall be available at all times to receive calls from residents and help determine the approach to address the issue. The Development’s owner or designated manager shall develop and implement policies and procedures for staff receiving a resident call and how staff shall assess and manage the call based on a resident’s request and/or need. These policies and procedures shall describe the process for ensuring that staffing is adequate to address the 24-hour on-site requirement, including the following:

- staff vacation;
- other staff absences;
- staff temporarily unavailable on site for a short length of time;
- how staff shall manage a resident call when staff is temporarily off-site;
- maximum response time of the staff to a resident call, including response time when staff must be temporarily off-site.
Residents shall be informed of the Resident Program at move-in and via a written notice(s) clearly displayed in the Development’s common or public spaces. If the Development consists of Scattered Sites, staff must, at a minimum, be on the Scattered Site with the most units 24 hours a day, 7 days a week. Although the Scattered Sites Development staff may be located only on the Scattered Site with the most units, they must be available to and provide the same resident program services to all the Development’s residents.

(2) All non-ALF Developments must select at least three (3) of the following resident programs:

(a) Literacy Training – Applicant or its Management Company must make available, at no cost to the resident, literacy tutor(s) who will provide weekly literacy lessons to residents in private space on-site. Training must be held between the hours of 8:00 a.m. and 7:00 p.m. and electronic media, if used, must be used in conjunction with live instruction. If the Development consists of Scattered Sites, this resident program must be provided on the Scattered Site with the most units.

(b) Computer Training – The Applicant or its Management Company shall make available computer and internet training classes (basic and/or advanced level depending on the needs and requests of the residents). The training classes must be provided at least once a week, at no cost to the resident, in a dedicated space on site. Training must be held between the hours of 8:00 a.m. and 7:00 p.m. and electronic media, if used, must be used in conjunction with live instruction. If the Development consists of Scattered Sites, this resident program must be provided on the Scattered Site with the most units.

(c) Daily Activities – Applicant or its Management Company must provide on-site supervised, structured activities, at no cost to the resident, at least five days per week which must be offered between the hours of 8:00 a.m. and 7:00 p.m. If the Development consists of Scattered Sites, this resident program must be provided on the Scattered Site with the most units.

(d) Assistance with Light Housekeeping, Grocery Shopping and/or Laundry – The Applicant or its Management Company must provide residents with a list of qualified service providers for (a) light housekeeping, and/or (b) grocery shopping, and/or (c) laundry and will coordinate, at no cost to the resident, the scheduling of services. The Developer or Management Company shall verify that the services referral information is accurate and up-to-date at least once every six (6) months.

(e) Resident Assurance Check-In Program – Applicant commits to provide and use an established system for checking in with each resident on a pre-determined basis not less than once per day, at no cost to the resident. Residents may opt out of this program with a written certification that they choose not to participate.

(3) All ALF Developments must provide the following resident programs:

(a) Medication Administration – The Applicant or its Management Company shall provide, pursuant to ALF licensure requirements, staff to administer medications in accordance with a health care provider’s order or prescription label.

(b) Services for Persons with Alzheimer’s Disease and Other Related Disorders – The Applicant or its Management Company shall advertise and provide supervision and
services to persons with Alzheimer's disease and other related disorders that are specific to each affected resident and pursuant to ALF licensure requirements.

8. Total Development Cost Per Unit Limitation:

The Corporation shall limit the Total Development Cost (TDC) per unit for all Developments categorized by the construction type of the units as indicated by the Applicant in the RFA. The maximum amounts are provided on the TDC Per Unit Limitation chart set out below (the maximum TDC per unit exclusive of land costs, applying any applicable TDC multiplier) and will be tested during the scoring of the RFA, during the credit underwriting process, and during the final allocation process, as outlined below.

These TDC Per Unit Base Limitation amounts are effective from the Application Deadline through Final Cost Certification.

a. Any Application that has an amount that exceeds these limitations will not be eligible to be considered for funding.

b. Any Applicant that has the Credit Underwriter present a credit underwriting report with an amount that exceeds these limitations by more than 5 percent, taking into consideration an escalation factor for construction costs rising after the Application Deadline of either (i) 1.8 percent for any Applicant with the Development Category of New Construction, Redevelopment, or Acquisition and Redevelopment, or (ii) 1.4 percent for any Applicant with the Development Category of Rehabilitation or Acquisition and Rehabilitation, and incorporating any applicable TDC reduction and adjustments processes provided below will receive a negative recommendation by the Credit Underwriter.

Any Applicant that has the Credit Underwriter present a credit underwriting report with an amount that exceeds these limitations, taking into consideration the applicable escalation factor outlined above, will require staff to review the credit underwriting report for compliance to the TDC reduction and adjustment procedure provided below:

(1) The Developer fee will be limited to the maximum allowable within the TDC Per Unit Base Limitation, inclusive of any applicable escalation factor, in all instances. A Developer fee can be earned on qualifying TDC exclusive of land up to the TDC Per Unit Base Limitation, inclusive of any applicable escalation factor, but it cannot be earned on costs in excess of said limitation. If the Development costs exceed the amount allowed by the TDC Per Unit Base Limitation, inclusive of any applicable escalation factor, then the maximum allowable Developer fee will be adjusted as outlined below. The maximum allowable Developer fee can be determined by multiplying the applicable TDC Per Unit Base Limitation with respect to the Development as provided in this RFA, inclusive of any applicable escalation factor, by the number of total units in the Development. Second, divide this product by 1.16 and then multiply the result by 16 percent* This will yield the maximum allowable Developer fee within the TDC Per Unit Base Limitation, inclusive of any applicable escalation factor.

(2) Prior to determining any necessary adjustment, if the Developer fee initially stated by the Applicant or Credit Underwriter is in excess of the maximum allowable Developer fee as provided in (1) above, the Developer fee will be reduced to said maximum allowable Developer fee and the TDC will be equally reduced to incorporate the cost reduction.

Subsequent to reducing the Developer fee to the maximum allowable amount, additional adjustments may be necessary if the TDC Per Unit Base Limitation remains exceeded. An adjustment shall be determined by reducing the maximum allowable Developer fee as determined in (1) above dollar-for-dollar for any costs in excess of the amount allowed by the

RFA 2013-003

74
TDC Per Unit Base Limitation, inclusive of any applicable escalation factor, up to the lesser of (a) the actual amount of costs in excess of the amount allowed by the TDC Per Unit Base Limitation, inclusive of any applicable escalation factor, (b) $500,000, or (c) 25 percent of the maximum allowable Developer fee. If after following this Developer fee limitation process, the TDC exclusive of land costs is reduced to be within the amount allowed by the TDC Per Unit Base Limitation, inclusive of any applicable escalation factor, then the Developer fee adjustment calculation is complete. If the TDC exclusive of land costs remains above the amount allowed by the TDC Per Unit Base Limitation, inclusive of any applicable escalation factor, then there is an additional Developer fee adjustment, as outlined in (3) below.

(3) An additional Developer fee adjustment will be initiated to further reduce the allowable Developer fee in the event the TDC exclusive of land (as adjusted above) exceeds the TDC Per Unit Base Limitation. The reduction will be determined by deriving a percentage amount that the TDC exclusive of land costs (as adjusted above) exceeds the TDC Per Unit Base Limitation, inclusive of any applicable escalation factor, and multiplying this excess percentage by the amount of the adjusted Developer fee, resulting in a product that is the additional adjustment to the Developer fee. For instance, if the Development's adjusted TDC exclusive of land costs exceeds the limitation, inclusive of any applicable escalation factor, by 4 percent, then the allowable Developer fee is further reduced by 4 percent. Once this step is complete, there is no further Developer fee adjustment or corresponding cost savings to be incorporated into the TDC as a result of having a TDC exclusive of land costs that exceeds the limitation.

As a note, if the Developer fee in the credit underwriting report is already at or below this allowable Developer fee, then there is no additional adjustment to be incorporated into the Developer fee. This also means there are no corresponding cost savings to reduce the TDC since all TDC cost reductions stemming from this process are coming from reducing the Developer fee. If the Developer fee in the credit underwriting report needs to be reduced to incorporate any adjustment as provided above, then as the Developer fee is reduced, so is the TDC in order to incorporate the reduced Developer fee cost.

For example:

An 85-unit development with a Development Category of New Construction and a Development Type of Garden Concrete reports a TDC of $18,000,000, inclusive of a stated Developer fee of $2,500,000, and exclusive of land at time of credit underwriting, and also prior to any adjustment:

Calculate TDC Limitation for the Development and Maximum Allowable Developer fee

1.(a) TDC Per Unit Base Limitation, inclusive of any applicable escalation factor: $196,000 Per Unit x (1 + 1.8%) = $199,528 Per Unit.

1.(b) Determine TDC Limitation for the Development: $199,528 Per Unit x 85 units = $16,959,880.

1.(c) Implied maximum Development Cost per the limitation: $16,959,880 ÷ 1.16 = $14,620,586.

1.(d) Determine maximum allowable Developer fee within the limitation (prior to any adjustment): $14,620,586 x 16% = $2,339,293.
**First Developer fee/TDC adjustment Calculation Methodology (If necessary)**

2.(a)(i) Is the stated Developer fee greater than the maximum allowable? $2,500,000 > $2,339,293.

2.(a)(ii) If the response to 2.(a)(i) is yes, then determine the excess: $2,500,000 - $2,339,293 = $160,707 (excess Developer fee and excess TDC).

2.(b) Reduce the stated Developer fee to the lesser of maximum allowable or stated fee and reduce the stated TDC by an equal amount: $2,500,000 - $160,707 = $2,339,293; $18,000,000 - $160,707 = $17,839,293.

2.(c) Determine if the TDC remains in excess of the limitation: $17,839,293 - $16,959,880 = $879,413.

2.(d) Determine the lesser of either (i) $500,000, (ii) 25 percent of the maximum allowable Developer fee, or (iii) 100% of the excess TDC: 25% x $2,339,293 = $584,823; $500,000 < $584,823 < $879,413.

2.(e) Apply the lesser of 2(d) above to determine the Maximum allowable Developer fee, subject to the first adjustment: $2,339,293 - $500,000 = $1,839,293.

2.(f) TDC reduction due to Developer fee adjustment: $17,839,293 - $500,000 = $17,339,293.

(As a note, this TDC is still greater than the TDC Per Unit Base Limitation, inclusive of any applicable upward adjust so an additional Developer fee adjustment will need to be calculated.)

**Second Developer fee/TDC adjustment Calculation Methodology (If necessary)**

3.(a) The percentage the TDC without land (as adjusted above for first adjustment) that exceeds the amount allowed by the TDC Per Unit Base Limitation, inclusive of any applicable escalation factor: $17,339,293 - $16,959,880 = $379,413; $379,413 + $16,959,880 = 2.24%.

3.(b) Additional adjustment: 2.24% x $1,839,293 = $41,147.

3.(c) Final maximum Developer fee, after adjustments: $1,839,293 - $41,147 = $1,798,146

3.(d) Final adjusted TDC at time of credit underwriting: $17,339,293 - $41,147 = $17,298,146.

3.(e) Verify status of the 5% variance test: ($17,298,146 - $16,959,880) / $16,959,880 = 2.0%, which falls under criteria of being less than or equal to 5% above of the TDC Per Unit Base Limitation, inclusive of any applicable escalation factor.

c. Any Applicant that presents a Final Cost Certification Application (FCCA) that has amounts that exceed the TDC Per Unit Base Limitation, subject to an escalation factor of either (i) 1.8 percent for any Applicant with the Development Category of New Construction, Redevelopment, or Acquisition and Redevelopment, or (ii) 1.4 percent for any Applicant with the Development Category of Rehabilitation or Acquisition and Rehabilitation, will require staff to review the FCCA for compliance to the procedure provided below. If the Development has already had its Developer fee adjusted at credit underwriting as provided in 3.b. above and the TDC without land in the FCCA exceeds the TDC without land provided in the credit underwriting report, then the Developer fee will have an additional adjustment to be incorporated as provided in (4) below.
(1) The Developer fee will be limited to the maximum allowable within the TDC Per Unit Base Limitation, inclusive of any applicable escalation factor, in all instances. A Developer fee can be earned on qualifying TDC exclusive of land up to the TDC Per Unit Base Limitation, inclusive of any applicable escalation factor, but it cannot be earned on costs in excess of said limitation. If the Development costs exceed the amount allowed by the TDC Per Unit Base Limitation, inclusive of any applicable escalation factor, then the maximum allowable Developer fee will be adjusted as outlined below. The maximum allowable Developer fee can be determined by multiplying the applicable TDC Per Unit Base Limitation with respect to the Development as provided in this RFA, inclusive of any applicable escalation factor, by the number of total units in the Development. Second, divide this product by 1.16 and then multiply the result by 16 percent*. This will yield the maximum allowable Developer fee within the TDC Per Unit Base Limitation, inclusive of any applicable escalation factor.

(2) Prior to determining any necessary adjustment, if the Developer fee initially stated by the FCCA is in excess of the maximum allowable Developer fee as provided in (1) above, the Developer fee will be reduced to said maximum allowable Developer fee and the TDC will be equally reduced to incorporate the cost reduction.

Subsequent to reducing the Developer fee to the maximum allowable amount, additional adjustments may be necessary if the TDC Per Unit Base Limitation remains exceeded. An adjustment shall be determined by reducing the maximum allowable Developer fee as determined in (1) above dollar-for-dollar for any costs in excess of the amount allowed by the TDC Per Unit Base Limitation, inclusive of any applicable escalation factor, up to the lesser of (a) the actual amount of costs in excess of the amount allowed by the TDC Per Unit Base Limitation, inclusive of any applicable escalation factor, (b) $250,000, or (c) 10 percent of the maximum allowable Developer fee. If after following this Developer fee limitation process, the TDC exclusive of land costs is reduced to be within the amount allowed by the TDC Per Unit Base Limitation, inclusive of any applicable escalation factor, then the Developer fee adjustment calculation is complete. If the TDC exclusive of land costs remains above the amount allowed by the TDC Per Unit Base Limitation, inclusive of any applicable escalation factor, then there is an additional Developer fee adjustment, as outlined in (3) below.

(3) An additional Developer fee adjustment will be initiated to further reduce the allowable Developer fee in the event the TDC exclusive of land costs (as adjusted above) exceeds the TDC Per Unit Base Limitation. The reduction will be determined by deriving a percentage amount that the TDC exclusive of land costs (as adjusted above) exceeds the amount allowed by the TDC Per Unit Base Limitation, inclusive of any applicable escalation factor and multiplying this excess percentage by the amount of the adjusted Developer fee, resulting in a product that is the additional adjustment to the Developer fee. For instance, if the Development’s adjusted TDC exclusive of land costs exceeds the limitation, inclusive of any applicable escalation factor, by 4 percent, then the allowable Developer fee is further reduced by 4 percent. Once this step is complete, there is no further Developer fee adjustment or corresponding cost savings to be incorporated into the TDC as a result of having a TDC exclusive of land costs that exceeds the limitation.

As a note, if the Developer fee in the FCCA is already at or below this allowable Developer fee, then there is no additional adjustment to be incorporated into the Developer fee. This also means there are no corresponding costs savings to reduce the TDC since all TDC cost reductions stemming from this process are coming from reducing the Developer fee. If the Developer fee in
the FCCA needs to be reduced to incorporate any penalties provided above, then as the Developer fee is reduced, so is the TDC in order to incorporate the reduced Developer fee cost.

(4) For those Developments that have already had its Developer fee adjusted at credit underwriting as provided in 8.b. above and whose TDC without land in the FCCA exceeds the TDC without land provided in the credit underwriting report, the allowable Developer fee will incorporate an additional adjustment. This additional Developer fee adjustment will be the lesser of (a) the difference between the amount of TDC exclusive of land costs as reported in the FCCA that is in excess of the TDC exclusive of land costs provided in the credit underwriting report, (b) $250,000, or (c) 10 percent of the allowable Developer fee reported in the credit underwriting report. If the Developer fee in the FCCA is already equal to or less than the allowable Developer fee as determined with the incorporation of this additional Developer fee adjustment, then neither the Developer fee nor the TDC is further reduced.

For example:

Assuming the Development in the example provided in 8.b. above provides a FCCA with a TDC exclusive of land costs of $500,000 higher than the TDC exclusive of land costs provided in the credit underwriting report, but the Developer fee is the same as provided in the credit underwriting report of $1,798,146. The additional Developer fee adjustment will be the lesser of (a) $500,000 (the new excess costs), (b) $250,000 (the maximum dollar limit of this additional Developer fee adjustment), or (c) $179,814 (10% of the allowable Developer fee reported in the credit underwriting report).

Since (c) is the lowest of the three options, the allowable Developer fee and the TDC will both be lowered by $179,814. The allowable Developer fee will be $1,618,332 (the allowable Developer fee reported in the credit underwriting report of $1,798,146, less the adjustment of $179,814). The TDC exclusive of land costs in the FCCA would be adjusted to $17,618,332 ($17,298,146 from the credit underwriting report plus $500,000 of new additional costs less $179,814 for the reduction in allowable Developer fee).

*These figures represent the applicable Developer fee percentage for the Development (16%) and one plus the applicable Developer fee percentage for the Development (1 + 16%).

9. Leveraging Classification:

Each eligible Application’s Leveraging Classification will be determined as follows:

a. Calculating the Set-Aside Units:

The total number of set-aside units for each Application will be computed by multiplying the total number of units within the proposed Development by the highest Total Set-Aside Percentage the Applicant committed to as stated in the last row of the set-aside breakdown chart in the Set-Aside Commitment section of the Application. Results that are not a whole number will be rounded up to the next whole number.

b. The Corporation will first calculate the Total Corporation Funding Per Set-Aside Unit by multiplying (1) by (2) below:

(1) If the Development is not located in a HUD designated HCA, the Eligible Housing Credit Request Amount will be multiplied by 9.0. If the Development is located in a HUD

RFA 2013- 003

78
designated HCA, the Eligible Housing Credit Request Amount will be multiplied by 9.0 and that product will be divided by 1.3.

(2) The total Corporation funding amount may be further adjusted as outlined below. NOTE: If a proposed Development meets all of the requirements of both (a) and (c), the total Corporation funding amount will be multiplied by 0.65. If a proposed Development meets all of the requirements of both (b) and (c), the total Corporation funding amount will be multiplied by 0.785.

(a) If the proposed Development meets all of the following requirements, the total Corporation funding amount will be multiplied by 0.65:

- Applicant selected the High-Rise Development Type, and
- Applicant selected the Development Category of New Construction or selected and qualified for the Development Category of Redevelopment or Acquisition and Redevelopment.

or

(b) If the proposed Development meets all of the following requirements, the total Corporation funding amount will be multiplied by 0.785:

- Applicant selected the Mid-Rise with Elevator (a building comprised of 5 or 6 stories) Development Type and at least 90 percent of the total units are in these Mid-Rise building(s), and
- Applicant selected the Development Category of New Construction or selected and qualified for the Development Category of Redevelopment or Acquisition and Redevelopment.

or

(c) If the proposed Development meets all of the following requirements, the total Corporation funding amount will be multiplied by 0.865:

- Applicant selected the Development Category of New Construction or selected and qualified for the Development Category of Redevelopment or Acquisition and Redevelopment, and
- The proposed Development met the requirements to be considered concrete construction.

(3) The eligible Applications will be divided into two (2) lists: the “New Construction List” consisting of the eligible Applications with the Development Category of New Construction, Redevelopment, and Acquisition and Redevelopment, and the “Rehabilitation List” consisting of the eligible Applications with the Development Category of Rehabilitation and Acquisition and Rehabilitation.

(a) The New Construction List will be compiled as follows:
The total number of Applications on the New Construction List will be multiplied by 90 percent and the resulting figure will be rounded up to the next whole number (the resulting figure after rounding will be referred to as the "New Construction A/B Cut-Off"). A line will be drawn below the Application whose place on the list is equal to the New Construction A/B Cut-Off. If any Application(s) below the line has the same total Corporation funding request per set-aside unit as the Application immediately above the line, the line will be moved to a place immediately below that Application(s). Applications above the New Construction A/B Cut-Off will be classified as Group A and Applications below the New Construction A/B Cut-Off will be classified as Group B.

(b) The Rehabilitation List will be compiled as follows:

The total number of Applications on the Rehabilitation List will be multiplied by 90 percent and the resulting figure will be rounded up to the next whole number (the resulting figure after rounding will be referred to as the "Rehabilitation A/B Cut-Off"). A line will be drawn below the Application whose place on the list is equal to the Rehabilitation A/B Cut-Off. If any Application(s) below the line has the same total Corporation funding request per set-aside unit as the Application immediately above the line, the line will be moved to a place immediately below that Application(s). Applications above the Rehabilitation A/B Cut-Off will be classified as Group A and Applications below the Rehabilitation A/B Cut-Off will be classified as Group B.

The New Construction List and the Rehabilitation List will then be merged to form one list.

10. Florida Job Creation Preference:

Each Application will be measured to determine whether it qualifies for the Florida Job Creation Preference. To determine eligibility for the preference, the Corporation will calculate the Application’s Florida Job Creation score, which will reflect the number of Florida jobs per $1 million of Housing Credit Allocation. Only Applications with a score equal to or greater than 100 will qualify for the Florida Job Creation Preference in Section Four B of the RFA.

Determination of the Florida Job Creation score will be based on the following information:

- The number of new construction and/or rehabilitation units committed to by the Applicant (as stated by the Applicant at question 4.e. of Exhibit A of the RFP);
- The applicable Florida job creation rate for the type of units:
  - Rate of 3.376 Florida Jobs per Unit for proposed new construction units;
  - Rate of 1.534 Florida Jobs per Unit for proposed rehabilitation units; and
- The Eligible Housing Credit Request Amount.

The score for the Florida Rate of Job Creation per $1 million of Housing Credit Allocation will be measured using one of the following calculations:

a. Developments consisting of only new construction units:

\[
\text{Number of new construction units} \times 3.376 \, \text{Florida Jobs per Unit} \times 1,000,000 \div \text{Eligible Housing Credit Request Amount} = \text{Florida Jobs per $1 million of Housing Credit Allocation.}
\]

For example:
Application A consists of 80 new construction units and has an Eligible Housing Credit Request Amount of $1,500,000.

\[
80 \times 3.376 \times 1,000,000 / 1,500,000 = \text{Florida Job Creation score of 180.053.}
\]

b. Developments consisting of only rehabilitation units:

Number of rehabilitation units \(\times 1.534\) Florida Jobs per Unit \(\times 1,000,000\) / Eligible Housing Credit Request Amount = Florida Jobs per $1 million of Housing Credit Allocation.

For example:

Application B consists of 80 rehabilitation units and has an Eligible Housing Credit Request Amount of $1,500,000.

\[
80 \times 1.534 \times 1,000,000 / 1,500,000 = \text{Florida Job Creation score of 81.813.}
\]

c. Developments consisting of both new construction units and rehabilitation units:

(Number of new construction units \(\times 3.376\) Florida Jobs per Unit + number of rehabilitation units \(\times 1.534\) Florida Jobs per Unit) \(\times 1,000,000\) / Eligible Housing Credit Request Amount = Florida Jobs per $1 million of Housing Credit Allocation.

For example:

Application C consists of 56 new construction units and 24 rehabilitation units and has an Eligible Housing Credit Request Amount of $1,500,000.

\[
[(56 \times 3.376) + (24 \times 1.534)] \times 1,000,000 / 1,500,000 = \text{Florida Job Creation score of 150.581.}
\]

In above examples, Application B will not qualify for the Job Creation Preference because it has a Florida Job Creation score that is less than 100. Applications A and C will both qualify for the Florida Job Creation Preference because each has a Florida Job Creation score that is at least 100. The administrative fee must be received by the Corporation as stated in the Preliminary Allocation. Please note: This form may be modified by Florida Housing Finance Corporation per Section 67-60.005, F.A.C.
This certification consists of 3 pages. This certification may not be signed by the Applicant, by any related parties of the Applicant, or by any Principals or Financial Beneficiaries of the Applicant. If the certification is inappropriately signed, the Application will not be eligible to receive proximity points. If this certification contains corrections or “white-out”, or if it is altered or retyped, the form will not be considered. The certification may be photocopied. To be considered for scoring purposes, at least pages 1 and 2 of this 3 page certification form must be provided by the Applicant.

1“Scattered Sites,” as applied to a single Development, means a Development site that, when taken as a whole, is comprised of real property that is not contiguous (each such non-contiguous site within a Scattered Site Development, a “Scattered Site”). For purposes of this definition “contiguous” means touching at a point or along a boundary. Real property is contiguous if the only intervening real property interest is an easement provided the easement is not a roadway or street. (See Rule 67-48.002, F.A.C.).

2“Development Location Point” means a single point selected by the Applicant on the proposed Development site that is located within 100 feet of a residential building existing or to be constructed as part of the proposed Development. For a Development which consists of Scattered Sites, this means a single point on the site with the most units that is located within 100 feet of a residential building existing or to be constructed as part of the proposed Development (See Rule 67-48.002, F.A.C.).

3The latitude and longitude coordinates for all Proximity Services must represent a point as outlined on the Coordinates Location Chart set out below. The coordinates for each service must be stated in degrees, minutes and seconds, with the degrees and minutes stated as whole numbers and the seconds truncated after one decimal place. If the degrees and minutes are not stated as whole numbers and the seconds are not truncated after one decimal place, the Applicant will not be eligible for proximity points for that service.

If there is no exterior public entrance to the Community Service, then a point should be used that is at the exterior entrance doorway threshold that is the closest walking distance to the doorway threshold of the interior public entrance to the service. For example, for a Pharmacy located within an enclosed shopping mall structure that does not have a direct public exterior entrance, the latitude and longitude coordinates at the doorway threshold of the exterior public entrance to the enclosed shopping mall that provide the shortest walking distance to the doorway threshold of the interior entrance to the Pharmacy would be used.

Applicants may use the same latitude and longitude coordinates for the Grocery Store, Medical Facility and/or Pharmacy if the Grocery Store, Medical Facility and/or Pharmacy is housed at the same location. However, there are no other instances in which an Applicant may use identical coordinates or the same location for any other combination of Transit or Community Services.

All Base Rent will be payable in equal monthly installments, in advance, beginning on the Commencement Date, and continuing on the first day of each and every calendar month thereafter during the Lease Term. Unless otherwise expressly provided, all monetary obligations of Tenant to Landlord under this Lease, of any type or nature, other than Base Rent, will be denominated as additional rent. Except as otherwise provided, all additional rent payments are due 10 days after delivery of an invoice. Landlord will have the same rights and remedies for defaults in the payment of additional rent as provided in this Lease for defaults in the payment of Base Rent. Tenant will pay monthly to Landlord any sales, use, or other tax (excluding state and federal income tax) now or hereafter imposed on any Rent under this Lease. The term “Rent” when used in this Lease includes Base Rent and all forms of additional rent. All Rent must be paid to Landlord without demand, setoff, or deduction whatsoever, except as specifically provided in this Lease, at Landlord’s Notice Address, or at such other place as Landlord will designate in writing to Tenant. Tenant’s obligations to pay
Rent are covenants independent of the Landlord's obligations under this Lease.

Tenant will pay to Landlord on the execution of this Lease by Tenant, the sum of $8,333.33 as payment in advance of the installments of Base Rent and additional rent for Operating Costs for the first month of the Lease Term.

4.2 Intentionally Omitted.

4.3 Net Lease. The Rent will be absolutely net to Landlord, free of any expense, charge or other deduction whatsoever with respect to the Premises and/or the ownership, leasing, operation, management, maintenance, repair, replacement, use, or occupation of it, or any portion of it (including any and all fees and charges payable with respect to the Building and to any association established in connection with it), except as otherwise specifically provided in this Lease. Landlord is not required to furnish any service or facility whatsoever to the Premises, or make any payment of any kind whatsoever or be obligated or liable under this Lease, except as specifically set forth in this Lease. Tenant hereby assumes the full and sole responsibility for the condition, operation, repair, alteration, improvement, replacement, maintenance, and management of the Premises and any portion of them except as otherwise specifically provided for in this Lease. Landlord will not be responsible for any loss or damage to any property of Tenant or any subtenant, franchisee, concessionaire, or other user or occupant of all or any portion of the Premises.

This is an absolutely net lease and, except as otherwise specifically provided in this Lease: (a) this Lease will not terminate nor will Tenant have any right to terminate this Lease, except upon sixty (60) days of written notice to the Landlord; (b) Tenant will not for any reason whatsoever be entitled to any abatement, deduction, deferment, suspension, or reduction of, or set-off, defense, or counterclaim against, any rent, charge or other sums payable by Tenant under this Lease; (c) the respective obligations of Landlord and Tenant will not be affected by reason of damage to or destruction of all or any portion of the Premises from whatever cause, any taking by condemnation, eminent domain, or agreement between Landlord and those authorized to exercise such rights, the lawful or unlawful prohibition of Tenant's use of all or any portion of the Premises, any default or breach of any warranty by Landlord under this Lease or any other agreement between Landlord and Tenant, or for any other cause whether similar or dissimilar to the foregoing. It is the intention of the parties that the obligations of Landlord and Tenant under this Lease will be separate and
independent covenants and agreements and that the Rent and all other charges will continue to be payable in all events, unless the obligation to pay is terminated under the express terms of this Lease. Tenant covenants and agrees that it will remain obligated under this Lease in accordance with its terms and that it will not take any action (except as expressly provided in this Lease) to terminate, cancel, rescind, or void this Lease for any reason whatsoever, including without limitation, any bankruptcy, insolvency, reorganization, composition, liquidation, dissolution, or other proceedings affecting Landlord or any assignee of, or successor to, Landlord and notwithstanding any action with respect to this Lease that may be taken by a trustee or receiver of Landlord or any assignee of or successor to Landlord or by any court in any proceeding.

5. OPERATING COSTS.

5.1 General. This is a total net Lease to Landlord, and Landlord has no obligation or responsibility as to the Real Estate Taxes, repair and maintenance of the Premises or any costs for them. Tenant will be solely responsible for all Real Estate Taxes, maintenance and repairs, and replacement relating to the Premises, including all amounts due under easements or other recorded agreements affecting the Premises, including assessments paid to property owners’ association (collectively, the “Operating Costs”).

5.2 Real Estate Taxes. The term “Real Estate Taxes” means the total of all taxes, assessments, excises, levies, and other charges by any governmental or quasi-governmental authority, which are general or special, ordinary or extraordinary, foreseen or unforeseen, or of any kind and nature whatsoever, and which will during or in respect to the Lease Term, be assessed, levied, charged, confirmed, or imposed on, or become due and payable out of, or become a lien on the Premises or appurtenances or facilities used in connection with the Premises. Real Estate Taxes will specifically include all ad valorem taxes, personal property taxes, transit taxes, special or extraordinary assessments, government levies, and all other taxes or other similar charges, if any, which are levied, assessed, or imposed on, or become due and payable in connection with the Premises or appurtenances or facilities used in connection with the Premises. Provided, however, that the following taxes are excluded from Real Estate Taxes (unless they are or will become substitute taxes as provided in this section): any franchise, excise, income, gross receipts, profits, or similar tax assessed on or relating to the income of Landlord, and any capital levy, estate, gift, inheritance, transfer, or similar tax assessed by reason of any inheritance, devise, gift, or transfer of any estate in the

5
Premises by Landlord. If, because of a future change in the method of taxation or in the taxing authority, or for any other reason, a franchise, income, transit, gross receipts, profits, or other tax or governmental imposition, however designated, will be levied against Landlord in substitution in whole or in part for the Real Estate Taxes, or instead of additions to or increases of Real Estate Taxes, or otherwise as a result of or based on or arising out of the ownership, use, or operation of the Premises, then the franchise, income, transit, gross receipts, profits, or other tax or governmental imposition will be deemed to be included within the definition of Real Estate Taxes. As to special assessments that are payable over a period of time extending beyond the Lease Term, only a pro rata portion of the special assessments, covering the portion of the Lease Term that is unexpired at the time of the imposition of the assessment, will be included in Real Estate Taxes. If, by law, any assessment may be paid in installments, then, for the purposes of this Lease, (a) the assessment will be deemed to have been payable in the maximum number of installments permitted by law, and (b) there will be included in Real Estate Taxes, for each year in which the installments may be paid, the installments so becoming payable during that year, together with any interest payable on the assessments during the year. Real Estate Taxes will also include all costs incurred by Landlord in contesting the amount of the assessment of the Premises made for Real Estate Tax purposes, including attorneys', accountants', consultants', and appraisers' fees. The Real Estate Taxes for the first year and the last year of the lease term will be pro-rated.

5.3 Intentionally Omitted

5.4 Contest. Tenant or its designees will have the right to contest or review all Real Estate Taxes by legal proceedings ("Contest Proceedings"). If instituted, Tenant or its designees will conduct Contest Proceedings promptly at its own cost and expense, and free of any expense to Landlord, and, if necessary, in the name of and with the cooperation of Landlord, and Landlord will execute all documents necessary to accomplish the proceeding. This right is subject to the following: (a) Tenant must notify Landlord, in accordance with the notice provisions in this Lease, before pursuing any Contest Proceedings; (b) as of the date Tenant gives Landlord notice of its intent to pursue Contest Proceedings, Tenant must not be in default beyond any cure period under this Lease and no event, with which the passage of time or giving of notice would constitute an event of default under this Lease, may have occurred; (c) the Contest Proceedings do not involve any material danger, in Landlord's reasonable opinion, of the forfeiture or loss of the
6. ASSIGNMENT OR SUBLETTING.

6.1 General. Tenant may without the consent of Landlord but subject to this Article 6, assign, transfer, or sublease (in whole or in part or parts) this Lease or its rights under this Lease (in whole or in part or parts) only to an Affiliate of the Tenant. Tenant will give to Landlord written notice of any such assignment, transfer, or sublease, together with the identity of the assignee, transferee, or sub-lessee, on or before the effective date of the transfer. Tenant's right to assign, transfer, or sublease in accordance with this section will be a continuing right and will not be exhausted by a single exercise. Upon any such assignment, transfer, or sublease, Tenant will not be relieved of its obligations under this Lease and will remain primarily liable under this Lease. Any such assignment, transfer, or sublease will be subject to all of the terms of this Lease, including the use restrictions. Any assignment, transfer or sublease, other than the assignment to an Affiliate may be made by the Tenant only with the consent of the Landlord, which consent will not be unreasonable withheld, conditioned or delayed. For purposes of this Lease, Affiliate means (i) Gonzalo DeRamon or any member of his immediate family or (ii) any entity of which a majority of the voting interests is owned by Gonzalo
6.2 Continuing Liability. Tenant will remain liable to Landlord for the prompt and
continuing payment of all Rent payable under this Lease following the transfer.
The joint and several liability of Tenant and any immediate and remote successor
in interest of Tenant (by assignment or otherwise), and the due performance of the
obligations of this Lease on Tenant's part to be performed or observed, will not in
any way be discharged, released, or impaired by any agreement that modifies any
of the rights or obligations of the parties under this Lease or any waiver of, or
failure to enforce, any obligation in this Lease.

6.3 Landlord Transfer. Landlord may assign or encumber its interest under this Lease.
If any portion of the Premises is sold, transferred, or leased, or if Landlord's
interest in any underlying lease of the Premises is transferred or sold, Landlord
will be relieved of all existing and future obligations and liabilities under this
Lease, provided that the purchaser, transferee, or tenant of the Premises assumes
in writing those obligations and liabilities.

7. INSURANCE.

7.1 Tenant's Insurance. Tenant must obtain and keep in full force and effect the
following insurance coverage: (a) insurance against loss or liability in connection
with bodily injury, death, or property damage or destruction, occurring on or
about the Premises under one or more policies of commercial general liability
insurance; (b) property insurance on the causes of loss-special form, in an amount
adequate to cover 100% of the replacement costs of all improvements on the
Premises and all of Tenant's property at the Premises; (c) insurance against loss
or damage by explosion of steam boiler, pressure vessels, or similar apparatus,
now or hereafter installed on the Premises, with coverage in such amounts as
Landlord may from time to time reasonably require; and (d) workers' compensation insurance in the amount required by law and employer's liability
coverage of $1 million per occurrence and covering all persons employed, directly
or indirectly, in connection with Tenant's business or the Initial Improvements or
any future Alterations. The commercial general liability insurance policy will be
written on an occurrence basis and contain coverage at least as broad as that
provided under the then most current Insurance Services Office commercial
general liability insurance form which provides the broadest coverage. The
commercial general liability insurance coverage will be in an initial amount of not
less than $500,000.00 per occurrence limit, $2 million general aggregate limit.
7.2 Construction. Except for work to be performed by Landlord, before any Alterations are undertaken by or on behalf of Tenant, Tenant must obtain and maintain, at its expense, or Tenant will require any contractor performing work on the Premises to obtain and maintain, at no expense to Landlord, workers’ compensation insurance as required by law in the State where the Premises are located, builder’s risk insurance in the amount of the replacement cost of the applicable Alterations (or such other amount reasonably required by Landlord), and automobile and commercial general liability insurance (including contractor’s liability coverage, contractual liability coverage, completed operations coverage, broad form property damage coverage, and contractor’s protective liability) written on an occurrence basis with a minimum limit of $3 million per occurrence, which coverage limits may be effected with umbrella coverage.

7.3 Insurance Requirements. All insurance policies must be written with insurance companies and coverage limits acceptable to Landlord and having a policyholder rating of at least “A” and a financial-size category of at least “Class XII” as rated in the most recent edition of “Best’s Key Rating Guide” for insurance companies. The commercial general liability insurance policy must name Landlord and Landlord’s directors, officers, partners, agents, employees, and managing agent, as additional insureds and must provide that coverage may not be terminated or modified in any way that would materially decrease the protection afforded Landlord under this Lease without 30 days’ advance notice to Landlord. The minimum limits of insurance specified in this article will in no way limit or diminish Tenant’s liability under this Lease. Tenant will furnish to Landlord, not less than 15 days before the date the insurance is first required to be carried by Tenant, and thereafter at least 15 days before the expiration of each policy, true and correct photocopies of all insurance policies required under this article, together with any amendments and endorsements to the policies, evidence of insurance (on ACORD 25 for Commercial General Liability and the 2003 edition of ACORD 28 for Property, with copies of the declaration pages for each required policy or other form acceptable to Landlord), and such other evidence of coverages as Landlord may reasonably request, and evidence of payment of all premiums and other expenses owed in connection with the policies. Tenant’s insurance shall provide primary coverage to Landlord when any policy issued to Landlord provides duplicate or similar coverage, and in such circumstance, Landlord’s policy will be excess over Tenant’s policy.

7.4 Waiver of Subrogation. Landlord and Tenant each expressly, knowingly, and
voluntarily waive and release any claims that they may have against the other or
the other’s employees, agents, or contractors for damage to its properties and loss
of business (specifically including loss of rent by Landlord and business
interruption by Tenant) as a result of the acts or omissions of the other party or the
other party’s employees, agents, or contractors (specifically including the
negligence of either party or its employees, agents, or contractors and the
intentional misconduct of the employees, agents, or contractors of either party), to
the extent any such claims are covered by the workers’ compensation, employer’s
liability, or property, rental income, business income, or extra expense insurance
described in this Lease, or other property insurance that either party may carry at
the time of an occurrence. Landlord and Tenant will each, on or before the earlier
of the Commencement Date or the date on which Tenant first enters the Premises
for any purpose, obtain and keep in full force and effect at all times thereafter a
waiver of subrogation from its insurer concerning the workers’ compensation,
employer’s liability, and property, rental income, and business interruption
insurance maintained by it for the Premises and the property located in the
Premises. This section will control over any other provisions of this Lease in
conflict with it and will survive the expiration or sooner termination of this Lease.

8. DEFAULT.

8.1 Events of Default. Each of the following will be an event of default under this
Lease: (a) Tenant fails to make any payment of Rent when due within ten days
after the date such payment is due; (b) Tenant fails to perform any other
obligation under this Lease; (c) Tenant becomes bankrupt or insolvent or makes a
general assignment for the benefit of creditors or takes the benefit of any
insolvency act, or if any debtor proceedings are taken by or against Tenant; (d) a
receiver or trustee in bankruptcy is appointed for the Tenant’s property and the
appointment is not vacated and set aside within 60 days from the date of the
appointment; (e) Tenant rejects this Lease in any bankruptcy, insolvency,
reorganization, or arrangement proceedings; or (f) the leasehold estate granted to
Tenant by this Lease is taken on execution or other legal process. Subsections
8.1(c) through (f) are sometimes referred to in this Lease as “Noncurable
Defaults.”

8.2 Grace Periods.

8.2.1 Nonmonetary Defaults. “Emergency” means the threat of imminent injury
or damage to persons or property or the imminent imposition of a civil or
criminal fine or penalty. Provided the default does not involve an
Emergency that must be addressed in a shorter time frame, Tenant will
have a period of 30 days after notice from Landlord of a Nonmonetary
Default in which to cure the default. In addition, provided that the default
does not involve an emergency that must be addressed in a shorter time
frame, this grace period may be extended if the default is of a nature that it
cannot be completely cured within such grace period solely as a result of
nonfinancial circumstances outside of Tenant's control, provided that
Tenant has promptly commenced all appropriate actions to cure the default
within such grace period and those actions are thereafter diligently and
continuously pursued by Tenant in good faith. If the Nonmonetary Default
is not cured before the expiration of the grace period, as extended, then
Landlord may pursue any or all of its remedies.

8.2.2 Statutory Notices. The notices of defaults to be given under this section
may be the same as the notice required under section 83.20, Florida
Statutes, or any successor statute, and this Lease will not be construed to
require Landlord to give two separate notices to Tenant before proceeding
with any remedies.

8.2.3 Default Status. Tenant will not be considered in default under this Lease
until any applicable grace period has expired without the applicable event
of default having been cured.

8.2.4 Noncurable Defaults. If a Leasehold Mortgagee (as defined in the
Subordination article of this Lease) cannot cure a Noncurable Default, the
Leasehold Mortgagee will be entitled to obtain a new lease from Landlord
on the same terms and conditions as this Lease for the remainder of the
Lease Term. Furthermore, any and all buildings and improvements
owned by Tenant before such termination will automatically pass to, vest
in, and belong to such Leasehold Mortgagee, and will not become the
property of Landlord unless and until the final expiration or sooner
termination of this Lease not followed by a new lease.

8.3 Landlord's Remedies. If Tenant defaults, Landlord will have all remedies
available at law or in equity. Notwithstanding the foregoing, Landlord agrees that
Tenant has 30 days after commencement by Landlord of any proceedings to file
an appropriate pleading in the action initiated by Landlord to contest the claim of
default or to cure such default; no action will be taken by Landlord during such
30-day period to regain possession of the Premises from Tenant or to terminate this Lease. If the default is not cured, Landlord’s rights and Tenant’s obligations will be resolved by the final determination made by the court in which Landlord’s proceedings were initiated. For the purpose hereof, a “final determination” occurs when the judgment or order entered can be enforced by issuance of a writ of possession or otherwise, and no such judgment or order will be considered final for purposes of this section during the pendency of a stay of execution in connection with an appeal. Notwithstanding anything in this section to the contrary, if there is a Monetary Default that arises out of a dispute as to an amount owed, this Lease will not terminate if Tenant pays to Landlord the amount the court determines to be owed, within the period of time permitted by law, or ten days after such determination if no such grace period is permitted. Landlord will not be required to give to Tenant any notice of a default, other than the notices described above, before Landlord’s exercise of its remedies under this Lease.

8.4 Notices to Leasehold Mortgagee/Right to Cure. Landlord will send to Tenant’s Leasehold Mortgagee of which Landlord has been given written notice, by certified or registered mail, a copy of any notice to Tenant of a default by Tenant under this Lease at the same time as and whenever any such notice of default will be given by Landlord to Tenant, addressed to Leasehold Mortgagee at the address furnished to Landlord by such Leasehold Mortgagee. No notice by Landlord will be deemed to have been given unless and until a copy of it has been so given to and received by Leasehold Mortgagee. Tenant irrevocably directs that Landlord accept, and Landlord agrees to accept, performance and compliance by Leasehold Mortgagee of any obligation on Tenant’s part to be performed under this Lease with the same force and effect as though performed by Tenant.

8.4.1 Notwithstanding anything provided to the contrary, this Lease will not be terminated because of a default or breach on the part of Tenant until and unless:

(a) Notice of any such default or breach has been delivered to Leasehold Mortgagee in accordance with the provisions of this article;

(b) With respect to a Monetary Default, Leasehold Mortgagee has not cured such default or breach within 30 days following the expiration of any of Tenant’s notice and cure period set forth in this Lease; and

(c) With respect to a Nonmonetary Default, Leasehold Mortgagee has not
cured such default within 45 days following the expiration of any of Tenant's notice and cure periods set forth in this Lease or, if such default is curable but cannot be cured within such time period, (i) Leasehold Mortgagee has not notified Landlord within such time period that it intends to cure such default, (ii) Leasehold Mortgagee has not diligently commenced to cure such default, (iii) Leasehold Mortgagee does not prosecute such cure to completion within 90 days following the expiration of Tenant's cure period, or (iv) Leasehold Mortgagee has not complied with all other terms of this Lease during such cure period, including, but not limited to, payment of Rent and all other amounts payable under this Lease.

8.4.2 If Leasehold Mortgagee is unable to cure any Nonmonetary Default without obtaining possession of the Premises and Leasehold Mortgagee determines to foreclose the Leasehold Mortgage, or to acquire the leasehold, or to succeed to Tenant's possessory rights with respect to the leasehold, or to appoint a receiver before it effectuates the cure of any default by Tenant (that it is unable to cure without obtaining possession of the Premises), the cure periods set forth above will be extended by any period during which foreclosure proceedings, or legal proceedings to succeed to Tenant's possessory rights, or proceedings to appoint the receiver, are conducted, as the case may be. Any such proceedings will be commenced promptly after the notice of default is delivered to Leasehold Mortgagee and will be diligently prosecuted. Promptly after Leasehold Mortgagee acquires the leasehold pursuant to foreclosure proceedings or otherwise, or succeeds to Tenant's possessory rights, or promptly after a receiver is appointed, as the case may be, Leasehold Mortgagee will cure the default.

8.5 Acceleration. If Tenant defaults, Landlord may declare the entire balance of all forms of Rent due under this Lease for the remainder of the Lease Term to be forthwith due and payable and may collect the then present value of the Rents (calculated using a discount rate equal to the discount rate of the Federal Reserve Bank closest to the Premises in effect as of the date of the default). If Landlord exercises its remedy to retake possession of the Premises and collects from Tenant all forms of Rent owed for the remainder of the Lease Term, Landlord will account to Tenant, at the date of the expiration of the Lease Term, for the net amounts actually collected by Landlord as a result of a reletting, net of the
Tenant’s obligations as specified above.

8.6 Landlord’s Right to Perform. If Tenant defaults, Landlord may, but will have no obligation to, perform the obligations of Tenant, and if Landlord, in doing so, makes any expenditures or incurs any obligation for the payment of money, including reasonable attorneys’ fees, the sums so paid or obligations incurred will be paid by Tenant to Landlord within five days of rendition of a bill or statement to Tenant.

8.7 Jurisdiction and Venue. Any legal action or proceeding arising out of or in any way connected with this Lease will be instituted in a court (federal or state) located in Miami-Dade County, Florida which will be the exclusive jurisdiction and venue for litigation concerning this Lease. Landlord and Tenant will be subject to the jurisdiction of those courts in any legal action or proceeding. The execution of this Lease and performance of its obligations by Tenant, for purposes of personal or long-arm jurisdiction, constitute doing business in the state of Florida pursuant to section 48.193, Florida Statutes. In addition, Landlord and Tenant waive any objection that they may now or hereafter have to the laying of venue of any action or proceeding in those courts, and further waive the right to plead or claim that any action or proceeding brought in any of those courts has been brought in an inconvenient forum.

8.8 Late Charges. If any payment due Landlord under this Lease is not paid within five days of the date when due, Tenant must pay, in addition to the payment then due, an administrative charge equal to the greater of (a) 5% of the past due payment, or (b) $250.

8.9 Interest. All payments due Landlord not paid when due will bear interest at the lesser of (a) 18% per annum, or (b) the highest rate of interest permitted to be charged by applicable law, accruing from the date the obligation arose through the date payment is actually received by the Landlord.

8.10 Limitation of Remedies; Exculpation. Tenant waives all remedies for defaults by Landlord and all claims under any indemnities granted by Landlord under this Lease based on loss of business or profits or for other consequential damages or for punitive or special damages of any kind or, except as specifically provided in this Lease, to terminate this Lease. None of Landlord’s officers, employees, agents, directors, shareholders, partners, or affiliates will ever have any personal liability to Tenant under this Lease. Tenant will look solely to Landlord’s estate
and interest in the Premises for the satisfaction of any right or remedy of Tenant under this Lease, or for the collection of any judgment (or other judicial process) requiring the payment of money by Landlord. No other property or assets of Landlord or its principals will be subject to levy, execution, or other enforcement procedure for the satisfaction of Tenant's rights or remedies under this Lease, the relationship of Landlord and Tenant under this Lease, Tenant's use and occupancy of the Premises, or any other liability of Landlord to Tenant of whatever kind or nature. No act or omission of Landlord or its agents will constitute an actual or constructive eviction of Tenant unless Landlord has first received notice of Tenant's claim and has failed to cure it after having been afforded a reasonable time to do so, which will not be less than 30 days.

9. ALTERATIONS.

9.1 General. "Alterations" means any alteration, addition, or improvement to the Premises of any kind or nature, including the Initial Improvements. Tenant's construction of initial improvements to the Premises (the "Initial Improvements") will be subject to Landlord's review and consent, which consent will not be unreasonably withheld. Landlord will not be liable for any design defects relating to any Alterations. The approval by Landlord of any Alterations and any approval by Landlord of any plans and specifications therefor will not: (a) imply Landlord's approval of the plans and specifications as to quality of design or fitness of any material or device used; (b) imply that the plans and specifications are in compliance with any codes or other requirements of governmental authority (it being agreed that compliance with these requirements is solely Tenant's responsibility); (c) impose any liability on Landlord to Tenant or any third party; or (d) serve as a waiver or forfeiture of any right of Landlord. After construction of the Initial Improvements, Tenant will have the right, at its own cost and expense, to construct, at any time and from time to time, such Alterations as Tenant will from time to time determine. Landlord's approval will not be necessary for any such improvements as long as the character and quality of the improvements are consistent with the Initial Improvements.

9.2 Cooperation. At Tenant's sole cost, Landlord agrees to co-operate reasonably with Tenant (including by timely signing applications) in obtaining any necessary governmental approvals for any work (including sign installation) that Tenant is permitted to perform under this Lease. Tenant will, promptly on receipt of them, furnish to Landlord copies of any and all written inspections, examinations, evaluations, studies, tests, surveys, reports, approvals, permits, or
other written matters obtained by Tenant in connection with its improvements to or inspections of the Premises.

9.3 Tenant's Costs/Title to Improvements. Tenant will pay the entire cost of all Alterations. Title to the Alterations will automatically vest in Tenant until the expiration or sooner termination of the Lease Term, whereupon title to the Alterations will automatically pass to, vest in, and become the absolute property of Landlord, subject to the rights of any Leasehold Mortgagee. If requested, Tenant will convey the Alterations to Landlord by special warranty deed upon the expiration or sooner termination of the Lease Term.

10. LIENS.

10.1 The interest of Landlord in the Premises will not be subject in any way to any liens, including construction liens, for improvements to or other work performed in the Premises by or on behalf of Tenant. This exculpation is made with express reference to section 713.10, Florida Statutes. If any lien is filed against the Premises for work or materials claimed to have been furnished to Tenant, Tenant will cause it to be discharged of record or properly transferred to a bond under section 713.24, Florida Statutes, within 10 days after notice to Tenant. Furthermore, Tenant will indemnify, defend, and save Landlord harmless from and against any damage or loss, including reasonable attorneys' fees, incurred by Landlord as a result of any liens or other claims arising out of or related to work performed in the Premises by or on behalf of Tenant. Tenant will notify every contractor making improvements to the Premises that the interest of the Landlord in the Premises will not be subject to liens.

10.2 The Landlord will keep the fee free from any liens, including taxes or other impositions that could interfere with the Tenant's interest in the Premises. In the event any lien arises on the Property and that lien threatens the Tenant's enjoyment of its rights in the Premises. Tenant may satisfy such lien and set off the payment of such lien from future Rent payments.

11. Intentionally Omitted.

12. ENVIRONMENTAL LAWS.

12.1 Compliance with Laws. "Environmental Laws" means all applicable environmental ordinances, rules, regulations, statutes, orders, and laws of all local, state, or federal agencies or bodies with jurisdiction over the Premises or the
activities conducted on the Premises. Tenant's use of, and activities on, the Premises must be conducted in compliance with all Environmental Laws. If any of Tenant's activities require the use of "hazardous" or "toxic" substances, as those terms are defined by any of the Environmental Laws, then Tenant represents and warrants to Landlord that Tenant has received all permits and approvals required under the Environmental Laws concerning the toxic or hazardous substances. Tenant must maintain the Premises in a "clean" condition during the Lease Term. As used in this article, the term "clean" means that the Premises are in complete compliance with the Environmental Laws and this Lease.

12.2 Tenant's Breach. If Tenant breaches any of its obligations contained in this article or fails to notify Landlord of the release of any hazardous or toxic substances from the Premises, then, in addition to all other rights and remedies available to Landlord, Landlord has the right to initiate a cleanup of the Premises, in which case Landlord will be reimbursed by Tenant for, and indemnified by Tenant from, any and all costs, expenses, losses, and liabilities incurred in connection with the cleanup (including all reasonable attorneys' fees) by Landlord. In the alternative, Landlord may require Tenant to clean up the Premises and to fully indemnify and hold Landlord harmless from any and all losses, liabilities, expenses (including but not limited to reasonable attorneys' fees), and costs incurred by Landlord in connection with Tenant's cleanup action. Notwithstanding anything in this article, Tenant agrees to pay, and will indemnify, defend, and hold Landlord harmless from and against, any and all losses, claims, liabilities, costs, and expenses (including reasonable attorneys' fees) incurred by Landlord as a result of any breach by Tenant of its obligations under this article, and as a result of any contamination of the Premises because of Tenant's use of hazardous or toxic substances on the Premises.

12.3 Ongoing Use of Hazardous Substances. If Tenant's operations require the ongoing use of hazardous or toxic substances, then Tenant must supply Landlord with copies of reports and any other monitoring information required by the Environmental Laws. As used in this article, "Premises" means and refers to the property that is the subject of this Lease as well as any portion of the Premises that may be damaged or contaminated by the release of any toxic or hazardous substance.

12.4 Survival. This article will survive the expiration or sooner termination of this Lease.
13. CASUALTY DAMAGE.

13.1 Restoration Obligations. Subject to the following section, if during the term of this Lease, the buildings or other improvements on the Premises are damaged or destroyed by fire or other casualty, Tenant will fully repair or restore them at its sole cost and expense. The repair or restoration work, which will be completed with due diligence, must be commenced within a reasonable time after the loss occurs. Base Rent and all other additional rent under this Lease will not abate while the buildings and other improvements are being repaired or restored.

13.2 End of Term. If, during the last two years of the Lease Term, the buildings or improvements are damaged by fire or other casualty, then Tenant has the option, to be exercised within 90 days after such event, to:

13.2.1 elect to repair or restore as provided above; or

13.2.2 promptly clear all debris and surrender possession of the Premises to Landlord and assign to Landlord (or, if already received by Tenant, pay to Landlord) all of its right, title, and interest in all of the proceeds from Tenant’s casualty insurance applicable to the damage to the improvements, to the extent such proceeds are not allocable to clearing the debris and damage. On such assignment or payment to Landlord, Landlord and Tenant will be relieved from any further obligations under this Lease except those that survive any such termination.

13.3 Override. The rights given Tenant under this article are in lieu of and override any rights that Tenant may have by statute or under other applicable law.

14. CONDEMNATION.

14.1 Definition of Taking. For purposes of this article, any of the following three events will be deemed a “Taking”: (a) if any part of the Premises is taken or condemned through the exercise of the power of eminent domain by any governmental or private board, body, or agency having the right to exercise such power; (b) if any part of the Premises is conveyed to any condemning authority under threat of condemnation before or after proceedings have been commenced to acquire the property by the condemning authority; or (c) if a “Taking” is judicially declared in any proceeding in which Landlord is a party.

14.2 Total Taking. In the event of a Taking of all of the Premises, this Lease will
terminate on the date on which possession of the Premises is delivered to the condemning authority (the "Condemnation Date"), and Rent will be apportioned and paid to the Condemnation Date.

14.3 Partial Taking. If a Taking affects less than all but nevertheless a material portion of the Premises which will render the Premises unsuitable for restoration for continued use and occupancy in Tenant’s business, then Tenant may, not later than 90 days after such occurrence, deliver to Landlord: (a) notice of Tenant’s intention to terminate this Lease on a business day specified in such notice (the “Lease Termination Date”), which occurs not less than 30 days after the delivery of such notice, provided, however, if the interest of Tenant under this Lease will then be encumbered by a Leasehold Mortgage, Leasehold Mortgagee has consented in writing to the giving of such notice; and (b) a certificate of Tenant describing the event giving rise to such termination. Any dispute between the parties as to whether the Taking renders the Premises unsuitable for restoration for continued use and occupancy in Tenant’s business will be settled by arbitration in accordance with the nonexpedited procedures of the Commercial Arbitration Rules of the American Arbitration Association then in force, with the following exceptions. There will be a single arbitrator selected by the American Arbitration Association who must be independent of the parties and must have at least ten years experience in commercial leasing matters. Judgment on the award rendered by the arbitrator may be entered in any court having jurisdiction. The arbitrator must set forth in any award rendered findings of fact and conclusions of law supporting the decision. The arbitration hearing will be held in Miami-Dade County, Florida. This Lease will terminate on the Lease Termination Date, except with respect to obligations and liabilities of Tenant under this Lease, actual or contingent, that have arisen on or before the Lease Termination Date, on payment of all Rent and other sums then due and payable under this Lease to and including the Lease Termination Date.

14.4 Allocation of Award. Landlord and Tenant agree that any award or compensation on account of a Taking will be allocated as follows:

14.4.1 Tenant receives that portion of the award or compensation allocable to its leasehold estate and all awards for any improvements located on the Premises, subject to Landlord’s right to receive the reversionary estate interest in such improvements; and

14.4.2 Landlord will be entitled to receive that portion of the award or
compensation allocable to its reversionary estate, as encumbered by this Lease.

14.5 Condemnation Proceedings. Both Landlord and Tenant may appear in any such proceeding or action, to negotiate, prosecute, and adjust any claim for any award or compensation on account of any Taking as it relates to their respective interests in the Premises. All amounts paid in connection with any Taking of the Premises will be applied pursuant to this article, and all such amounts are defined as the “Award.” Landlord will have no interest in any Award or any portion of it made in respect of Tenant’s leasehold estate or the improvements, except as to its reversionary interest in them, all of which will belong to and be paid to Tenant. However, any claim or interest by Leasehold Mortgagee will be deducted from Tenant’s Award and will not reduce any compensation granted to Landlord, and Tenant will have no interest in any Award or any portion of it made in respect of the Landlord’s reversionary estate.

14.6 Continuation. If a Taking of the Premises or any part of it occurs, but Tenant does not give notice of its intention to terminate this Lease as provided in this article, then this Lease will continue in full force and effect. Any Award payable for such Taking will be allocated between Landlord and Tenant in accordance with this article, and Tenant will promptly repair and restore the Premises to the same condition (as nearly as practicable) as existed immediately before the Taking (assuming for this purpose that the Premises were in compliance with the terms of this Lease). In the event of any temporary Taking, this Lease will remain in full force and effect, and Tenant will be entitled to receive the Award allocable to such temporary Taking; except that such portion of the Award allocable to the period after the expiration or termination of the Lease Term must be paid to Landlord.

15. REPAIR AND MAINTENANCE. Landlord will have no maintenance obligation concerning the Premises and no obligation to make any repairs or replacements, in, on, or to the Premises. Tenant assumes the full and sole responsibility for the condition, operation, repair, replacement, and maintenance of the Premises, including all improvements, throughout the Lease Term. Tenant will maintain the Premises and all improvements and buildings in good repair and in a clean, attractive, first-class condition. Tenant will not commit or allow to be committed any waste on any portion of the Premises.

16. ESTOPPEL CERTIFICATES. From time to time, Landlord or Tenant, on not less than
ten Business Days’ prior notice from the requesting party or its mortgagee, will execute and deliver an estoppel certificate in a form generally consistent with the requirements of institutional lenders and certified to the requesting party and any mortgagee or prospective mortgagee or purchaser of the interest of the requesting party. Tenant will, without expense to Landlord, deliver to Landlord within ten days after request by Landlord an annual balance sheet and profit-and-loss statement prepared and certified by an independent certified public accountant, and such interim balance sheets and profit-and-loss statements as may be reasonably required by Landlord.

17. SUBORDINATION/MORTGAGING OF FEE AND LEASEHOLD ESTATE.

17.1 Leasehold Mortgage. Tenant may, without the consent of Landlord, mortgage or otherwise encumber Tenant’s leasehold estate (which mortgage or other encumbrance is herein-after referred to as the “Leasehold Mortgage”) to secure a loan from an “Institutional Mortgagee.” “Institutional Mortgagee” means any insurance company, federal, national, or state bank or savings and loan association, pension fund, real estate investment trust, and any other generally recognized institutional lender. The mortgagee under the Leasehold Mortgage or the other holders of the indebtedness secured by the Leasehold Mortgage (the “Leasehold Mortgagee”) will notify Landlord (and any mortgagee of Landlord), in the manner provided for the giving of notice, of the execution of such Leasehold Mortgage and the name and place for service of notice upon such Leasehold Mortgagees.

17.2 Subordination. This Lease is and will be subject and subordinate to any ground, overriding, or underlying leases and the rights of the landlords under those leases, to all mortgages that may now or hereafter affect the leases or the Premises, and to all renewals, modifications, consolidations, replacements, and extensions of the leases and mortgages. However, Tenant agrees that any such landlord or mortgagee will have the right at any time to subordinate its interest in any ground, overriding, or underlying lease, or mortgage, as the case may be, without Tenant’s consent, by notice in writing to Tenant, and thereupon this Lease will be deemed prior to such interest without regard to their respective dates of execution, delivery, or recording, and such landlord or mortgagee will have the same rights with respect to this Lease as though this Lease had been executed before the execution, delivery, and recording of such interest had been assigned to such landlord or mortgagee. This article will be self-operative, and no further instrument of subordination will be necessary. However, in confirmation of this subordination, Tenant will execute promptly any certificate
that Landlord may request. If any ground or underlying lease is terminated, or any mortgage foreclosed, this Lease will not terminate or be terminable by Tenant unless Tenant was specifically named in any termination or foreclosure judgment or final order. If any ground or underlying lease is terminated, or if the interest of Landlord under this Lease is transferred by reason of or assigned in lieu of foreclosure or other proceedings for enforcement of any mortgage, or if the holder of any mortgage acquires a lease in substitution for the mortgage, or if this Lease is terminated by termination of any lease or by foreclosure of any mortgage to which this Lease is or may be subordinate, then Tenant will, at the option to be exercised in writing by Landlord under any ground or underlying lease or the purchaser, assignee, or tenant, as the case may be, (a) attorn to it and will perform for its benefit all the terms, covenants, and conditions of this Lease on Tenant's part to be performed with the same force and effect as if the landlord or the purchaser, assignee, or tenant were the landlord originally named in this Lease, or (b) enter into a new lease with the landlord or the purchaser, assignee, or tenant for the remainder of the Lease Term and otherwise on the same terms, conditions, and Rents as provided in this Lease.

17.3 Modification. Tenant agrees to execute and deliver any reasonable modification or amendment of this Lease, as required by any fee mortgagee, provided it does not materially or adversely modify or affect Tenant's obligations or rights under this Lease. If and to the extent requested by notice given by Landlord, Tenant will make payments of Base Rent or any part of it to any fee mortgagee. If required by such fee mortgagee, Tenant must execute and deliver to such fee mortgagee an instrument acknowledging receipt of the notice and agreeing to comply with the instructions contained in it in accordance with this section.

17.4 INTENTIONALLY OMITTED.

17.5 Fee Mortgagee Requirements. Tenant must comply with and perform all obligations of Landlord under loans to Landlord secured by a mortgage on the Premises, provided that such mortgage are known to Tenant and such mortgages relate to the use, operation, condition, repair, replacement, and maintenance of the Premises, including all obligations relating to insurance, environmental liabilities, and indemnifications, and funding and maintenance of reserves for repair, replacement, or maintenance of improvements.

17.6 Easements. Tenant agrees to join in, consent to, and comply with the terms of any utility and drainage easements granted in connection with the provision of
services to the Premises. Without limiting any other provisions of this Lease, Tenant further agrees to join in and comply with all other rights, easements, and restrictions of record.

17.7 Mortgaging of Fee. Notwithstanding any other provision hereof to the contrary, Tenant shall NOT have the power or authority without the consent of Landlord, which consent may be withheld or given in Landlord’s sole discretion, to allow a mortgage to be placed on the fee interest of the property.

18. INDEMNIFICATION. To the fullest extent permitted by law, Tenant will indemnify, defend, and save harmless Landlord and Landlord’s employees, agents, and contractors from and against any and all loss, damage, claim, demand, liability, or expense (including reasonable attorneys’ fees) resulting from claims by third parties in connection with the Premises, regardless of whether the claim is caused in part by any of the indemnified parties (specifically including any claims that Landlord was negligent or engaged in other tortious conduct). This Indemnification article will not be construed to restrict, limit, or modify Tenant’s insurance obligations under this Lease. Tenant’s compliance with the insurance requirements under this Lease will not restrict, limit, or modify Tenant’s obligations under this Indemnification article.

19. NO WAIVER. The failure of a party to insist on the strict performance of any provision of this Lease or to exercise any remedy for any default will not be construed as a waiver. The waiver of any noncompliance with this Lease will not prevent subsequent similar noncompliance from being a default. No waiver will be effective unless expressed in writing and signed by the waiving party. No notice to or demand on a party will of itself entitle the party to any other or further notice or demand in similar or other circumstances. The receipt by Landlord of any Rent after default on the part of Tenant (whether the Rent is due before or after the default) will not excuse any delays as to future Rent payments and will not be deemed to operate as a waiver of any then existing default by Tenant or of the right of Landlord to enforce the payment of any other Rent reserved in this Lease or to pursue eviction or any other remedies available to Landlord. No payment by Tenant, or receipt by Landlord, of a lesser amount than the Rent actually owed under the terms of this Lease will be deemed anything other than a payment toward the earliest stipulated Rent. No endorsement or statement on any check, or on any letter accompanying any check or payment of Rent, will be deemed an accord and satisfaction. Landlord may accept the check or payment without prejudice to Landlord’s right to recover the balance of the Rent or to pursue any other remedy. It is the intention of the parties that this article will modify
the common-law rules of waiver and estoppel and the provisions of any statute that might dictate a contrary result.

20. LANDLORD'S REPRESENTATIONS.

20.1 Representations. Landlord represents and warrants to Tenant as follows:

20.1.1 Landlord has full right and authority to enter into this Lease and perform Landlord's obligations under this Lease.

20.1.2 The Premises is not subject to any existing claim for construction liens resulting from work performed by or on behalf of Landlord, nor are there any existing tenants entitled to possession of the Premises.

20.1.3 Landlord has not received any notice, nor is it aware of any pending Taking affecting the Premises.

20.1.4 This Lease is and will be binding upon and enforceable against Landlord in accordance with its terms, and the transaction contemplated by this Lease will not result in a breach of, or constitute a default under, any agreement to which Landlord or the Premises are subject.

20.2 As Is. Except as set forth expressly in this article, Landlord does not make any warranties or representations concerning the Premises or any component of the Premises, including the zoning or other land use restrictions affecting the Premises, the compliance of the Premises or any part of the Premises with any governmental requirement, the use or existence, or prior use or existence, of hazardous materials on the Land, or the accuracy or completeness of any statement or other matter previously disclosed to Tenant. EXCEPT AS SPECIFICALLY PROVIDED FOR IN THIS LEASE, THERE ARE NO EXPRESS OR IMPLIED WARRANTIES GIVEN TO TENANT IN CONNECTION WITH THIS LEASE OR THE PREMISES. LANDLORD DISCLAIMS ANY AND ALL WARRANTIES OF MERCHANTABILITY, HABITABILITY, TENANTABILITY, AND FITNESS FOR A PARTICULAR PURPOSE.

20.3 Limitation of Remedies. Except as provided, Landlord has no liability or obligation as to any false or inaccurate representations or warranties contained in this Lease, and Tenant's sole right and remedy for Landlord's breach of the representations and warranties in this article will be to terminate this Lease before the Commencement Date. Should Tenant fail to terminate this Lease within such
time period, Landlord will have no liability or obligation as to any such
representations or warranties.

21. SERVICES AND UTILITIES. Landlord will not be obligated to furnish any services or
utilities to the Premises.

22. Assistance with Governmental Approvals. Landlord shall assist Tenant in its efforts to
obtain all reasonably required governmental approvals for the development upon the
Property of a residential living development (including limited commercial space). Such
approvals may include, among other, master plan and/or zoning changes and variances,
final site plan approval and any and all reasonably required building and other
governmental permits and approvals. Assistance by the Landlord shall include, among
other things, signing platting and other applications where the consent of the owner is
required; provided however, Landlord's assistance shall be limited to the execution of
various required documents and/or applications, attendance to a limited extent at
necessary meetings with building department staff members and such other reasonable
actions as may be necessary, so long as Landlord does not incur any cost, expense or
liability with regard thereto.

23. GOVERNMENTAL REGULATIONS.

23.1 Tenant to Comply. Tenant will promptly comply with all laws, orders, and
regulations of all county, municipal, state, federal, and other applicable
governmental authorities, and all recorded covenants and restrictions affecting the
Premises, now in force or that may hereafter be in force, and will faithfully
observe, in the use of the Premises, all municipal and county ordinances and state
and federal laws now in force or that may hereafter be in force, that will impose
any duty on Tenant concerning the Premises or the use or occupancy of the
Premises, including all laws relating to fire and safety, and hazardous materials.

23.2 Insurance Requirements. Tenant will comply with all requirements of the Board of
Fire Underwriters of the State of Florida or any other similar body affecting the
Premises and will not use the Premises in a manner that increases the rate of fire
insurance or other insurance of Landlord over that in effect during the year before
the Commencement Date. If the use of the Premises by Tenant increases any
insurance rate concerning the Premises, Tenant will reimburse Landlord for the
additional costs.

23.3 Licenses and Permits. Tenant will obtain all licenses and permits from time to
time required to enable Tenant to conduct its business under this Lease. No failure of Tenant to obtain or maintain any licenses or permits, or extensions or renewals of them, will release Tenant from the performance and observance of Tenant’s obligations under this Lease.

24. **SURVIVAL.** Any liability or obligation of Landlord or Tenant arising during the Lease Term will survive the expiration or earlier termination of this Lease, including obligations and liabilities relating to (a) the adjustments of Operating Cost Rent referenced in the Operating Costs article of this Lease, (b) the condition of the Premises or the removal of Tenant’s property, and (c) the indemnification provisions of this Lease.

25. **BROKER.** Tenant represents and warrants that it neither consulted nor negotiated with any broker or finder regarding the Premises. Landlord and Tenant will each indemnify, defend, and hold the other harmless from and against any claims for commissions from any Broker.

26. **QUIET ENJOYMENT.** Landlord covenants and agrees that, on Tenant’s paying rent and performing all of the other provisions of this Lease on its part to be performed, Tenant may peaceably and quietly hold and enjoy the Premises for the Lease Term without material hindrance or interruption by Landlord or any other person claiming by, through, or under Landlord, subject, nevertheless, to the terms, covenants, and conditions of this Lease and all existing or future ground leases, underlying leases, mortgages, or deeds of trust encumbering the Premises.

27. **END OF TERM.** Tenant will surrender the Premises to Landlord at the expiration or sooner termination of this Lease in good order and condition, broom-clean, except for reasonable wear and tear. Tenant will be liable to Landlord for all damages, including any consequential damages, that Landlord may suffer by reason of any holding over by Tenant, and Tenant will indemnify, defend, and save Landlord harmless against all costs, claims, loss, or liability resulting from delay by Tenant in so surrendering the Premises, including any claims made by any succeeding tenant founded on any delay. All Alterations made by Landlord or Tenant to the Premises will become Landlord’s property on the expiration or sooner termination of the Lease Term. On expiration or sooner termination of the Lease Term, Tenant, at its expense, will remove from the Premises all of Tenant’s personal property, all computer and telecommunications wiring, and all Alterations that Landlord designates by notice to Tenant. Tenant will also repair any damage to the Premises caused by the removal. Any items of Tenant’s property that will remain in the Premises after the expiration or sooner termination of the Lease Term may, at the option of Landlord, be deemed to have been abandoned, and in that case, those
items may be retained by Landlord as its property to be disposed of by Landlord, without accountability to Tenant or any other party, in the manner Landlord will determine, at Tenant’s expense.

28. RECORDATION. After the Date of this Lease, Tenant may record a memorandum of this Lease provided Tenant pays all recording costs.

29. LEASE NOT BINDING UNLESS EXECUTED. Submission by Landlord of this Lease for execution by Tenant will not constitute an offer and will confer no rights nor impose any obligations on either party unless and until both Landlord and Tenant have executed and delivered this Lease.

30. ATTORNEYS’ FEES. In any lawsuit, action, or other proceeding, including arbitration or bankruptcy, arising out of or in any manner relating to this Lease or the Premises (including (a) the enforcement or interpretation of either party’s rights or obligations under this Lease whether in contract, tort, or both, or (b) the declaration of any rights or obligations under this Lease) the prevailing party, as determined by the court or arbitrator, will be entitled to recover from the losing party reasonable attorneys’ fees and disbursements (including disbursements that would not otherwise be taxable as costs in the proceeding). In addition, if Landlord becomes a party to any lawsuit or proceeding affecting the Premises or involving this Lease or Tenant’s interest under this Lease, other than a lawsuit between Landlord and Tenant, or if Landlord engages counsel to collect any of the amounts owed under this Lease, or to enforce performance of any of the agreements, conditions, covenants, provisions, or stipulations of this Lease, without commencing litigation, then the costs, expenses, and reasonable attorneys’ fees and disbursements incurred by Landlord will be paid to Landlord by Tenant. All references in this Lease to attorneys’ fees will be deemed to include all legal assistants’, paralegals’, and law clerks’ fees and will include all fees incurred through all postjudgment and appellate levels and in connection with collection, arbitration, and bankruptcy proceedings. However, the term “attorneys’ fees” excludes fees for lawyers who are employees of a party.

31. NOTICES.

31.1 General Requirements. Except as otherwise expressly provided, any notice, demand, request, election, or other communication (“Communication”) required or permitted to be given or made to or by any party to this Lease or otherwise given or made under this Lease, will be in writing. A Communication is deemed to have been delivered and received on the earlier of the day actually received (by
whatever means sent, including means not authorized by this article) if received before 5 p.m. on a Business Day or, if not received before 5 p.m. on a Business Day, on the first Business Day after the day of receipt; or, regardless of whether or not received after the following dates: (a) on the date of transmittal by telexcopy to the addressee's Notice Address, with the confirmation sheet obtained by the sender being deemed conclusive proof of the transmission of the telexcopy; (b) on the date of delivery or refusal of delivery, if by hand delivery; (c) on the first Business Day after having been delivered to a nationally recognized overnight air courier service (such as Federal Express) for "next business day" delivery; or (d) on the third Business Day after having been deposited with the United States Postal Service, registered or certified mail, return receipt requested. In each case the Communication needs to be addressed to the respective party at the party's Notice Address, which Notice Address may be changed by notice delivered to the other party in accordance with the terms of this article. However, if Tenant has vacated the Premises or is in default of this Lease, Communications may be delivered by any manner permitted by law for service of process. Any Communication transmitted by telexcopy after 5 p.m. will be deemed to have been made on the next Business Day following the date on which it was transmitted. Notwithstanding the foregoing, any Communication which is in fact received, regardless of whether it is sent in compliance with the requirements of this article, will be effective as of the date received. If any Communication is returned to the addressee because it is refused, unclaimed, or the addressee has moved or is otherwise not delivered or deliverable through no fault of the addressee, effective notice will still be deemed to have been given. If there is more than one party constituting Tenant, any Communication may be given by or to any one of them, and it will have the same force and effect as if given by or to all of them.

31.2 Notices by and to Lawyers. Any lawyer representing Landlord or Tenant may give any Communication under this Lease on behalf of the lawyer's client. Any Communication so given by a lawyer will be deemed to have been given by the lawyer's client. Notwithstanding anything to the contrary in this Lease, any obligation to send a copy of a Communication to a party's lawyer will only apply to Communications that are notices of a default under this Lease. Failure to give a copy of any Communication to the lawyer for a party will not affect the validity of the Communication provided that the Communication has been given to the party represented by that lawyer.

31.3 Section 83.20, Florida Statutes. Any notices required under section 83.20, Florida
Statutes, will be deemed to have been fully given, made, sent, and received if sent in compliance with this article.

31.4 Change of Notice Address. Either party may change its Notice Address by notice to the other party. However, this will not permit a party to add additional persons to receive Communications or copies of Communications so that more than a maximum of two persons are entitled to receive any Communication or copy of any Communication.

32. IMPOSSIBILITY OF PERFORMANCE. For purposes of this Lease, the term “Unavoidable Delay” means any delays due to strikes, lock-outs, civil commotion, war or warlike operations, terrorism, bio-terrorism, invasion, rebellion, hostilities, military or usurped power, sabotage, government regulations or controls, inability to obtain any material, utility, or service because of governmental restrictions, hurricanes, floods, or other natural disasters, acts of God, or any other cause beyond the direct control of the party delayed. Notwithstanding anything in this Lease to the contrary, if Landlord or Tenant will be delayed in the performance of any act required under this Lease by reason of any Unavoidable Delay, then provided notice of the Unavoidable Delay is given to the other party within ten days after its occurrence, performance of the act will be excused for the period of the delay, and the period for the performance of the act will be extended for a reasonable period, in no event to exceed a period equivalent to the period of the delay. The provisions of this article will not operate to excuse Tenant from the payment of Rent or from surrendering the Premises at the end of the Lease Term and will not operate to extend the Lease Term. Delays or failures to perform resulting from lack of funds or the increased cost of obtaining labor and materials will not be deemed delays beyond the direct control of a party.

33. Intentionally Omitted.

34. TENANT’S REPRESENTATIONS. Tenant represents and warrants as follows:

34.1 Tenant is duly organized, validly existing, and in good standing under the laws of the State in which it was formed and is duly qualified to transact business in the State in which the Premises are located.

34.2 Tenant has full power to execute, deliver, and perform its obligations under this Lease.

34.3 The execution and delivery of this Lease, and the performance by Tenant of its obligations under this Lease, have been duly authorized by all necessary action of
Tenant, and do not contravene or conflict with any provisions of Tenant’s Articles of Incorporation and By-Laws, or any other agreement binding on Tenant.

34.4 The individual executing this Lease on behalf of Tenant has full authority to do so.

34.5 Tenant’s financial statements and the information describing Tenants’ business and background previously furnished to Landlord were true and correct at the time given in all material respects, and there have been no adverse material changes to the information subsequent to the date given.

35. GENERAL PROVISIONS.

35.1 Construction Principles. The words “including” and “include” and similar words will not be construed restrictively to limit or exclude other items not listed. This Lease has been negotiated at “arm’s-length” by Landlord and Tenant, each having the opportunity to be represented by legal counsel of its choice and to negotiate the form and substance of this Lease. Therefore, this Lease will not be more strictly construed against either party because one party may have drafted this Lease. If any provision of this Lease is determined to be invalid, illegal, or unenforceable, the remaining provisions of this Lease will still be in full force; the essential provisions of this Lease for each party will remain valid, binding, and enforceable. The parties may amend this Lease only by a written agreement of the parties. This Lease will constitute the entire agreement of the parties concerning the matters covered by this Lease. All prior understandings and agreements between the parties concerning those matters, including all preliminary negotiations, lease proposals, letters of intent, and similar documents, are merged into this Lease, which alone fully and completely expresses the understanding of the parties. Landlord and Tenant intend that fixed signatures constitute original signatures binding on the parties. This Lease will bind and inure to the benefit of the heirs, personal representatives, and, except as otherwise provided, the successors and assigns of the parties to this Lease. If there is more than one party constituting Tenant, each party will be jointly and severally liable with the other parties who constitute the Tenant for the performance of all obligations of Tenant under this Lease. If Tenant is a partnership, each and every present and future general partner of Tenant will be and remain at all times jointly and severally liable under this Lease and neither the death, resignation, or withdrawal of any partner, nor the subsequent modification or waiver of any of the terms and provisions of this Lease, will operate to release any partner under this Lease. Any
liability or obligation of Landlord or Tenant arising during the Lease Term will survive the expiration or earlier termination of this Lease.

35.2 Landlord’s Representation. If Landlord is a corporation, the scroll seal immediately below the signature of the individual signing this Lease on Landlord’s behalf has been adopted by the corporation as its seal for the purpose of execution of this Lease, and the seal has been affixed to this Lease as the seal of the corporation and not as the personal or private seal of the officer executing this Lease on behalf of the corporation.

35.3 Radon Gas. The following notification is provided under section 404.056(5), Florida Statutes: “Radon is a naturally occurring radioactive gas that, when it has accumulated in a building in sufficient quantities, may present health risks to persons who are exposed to it over time. Levels of radon that exceed federal and state guidelines have been found in buildings in Florida. Additional information regarding radon and radon testing may be obtained from your county health department.”

35.4 Exhibits and Riders: All exhibits, riders and addenda attached to this Lease will, by this reference, be incorporated into this Lease.

36. Right to Purchase. Provided Tenant shall not be in default hereunder, Tenant shall have until September 30, 2014 (“Option Purchase Date”) the right to purchase the Premises, including all easements and appurtenance, which is the subject of this Lease for the sum of One Million Two Hundred Thousand Dollars ($1,200,000.00), subject to adjusted set forth herein (the “Purchase Price”). Tenant must exercise the right to purchase by giving the Landlord Notice of its intention to purchase in writing on or before the Option Purchase Date and the Closing must occurring with 90 ninety days of the date of the Tenant’s written Option to Purchase. Purchaser may extend the Option Purchase Date for two (2) year for a fee of $50,000.00 (“Option Fee”), payable in advance directly to the Seller on before September 1, 2014. The option to extend the Right to Purchase must be giving in writing by Purchaser no later than July 30, 2014 and the Option Fee must be paid to Seller no later than September 30, 2014. Such Option Fee is in addition to and not part of the Purchase Price. The Purchase Price shall be reduced by the amount of the Rent paid by Tenant to Landlord from the Effective Date of the Lease to the closing of the purchase of the Property by the Tenant.

37. JURY WAIVER; COUNTERCLAIMS. LANDLORD AND TENANT WAIVE TRIAL BY JURY IN ANY ACTION, PROCEEDING, OR COUNTERCLAIM INVOLVING
ANY MATTER WHATSOEVER ARISING OUT OF OR IN ANY WAY CONNECTED WITH (1) THIS LEASE, (2) THE RELATIONSHIP OF LANDLORD AND TENANT, (3) TENANT'S USE OR OCCUPANCY OF THE PREMISES, AND (4) THE RIGHT TO ANY STATUTORY RELIEF OR REMEDY. TENANT FURTHER WAIVES THE RIGHT TO INTERPOSE ANY PERMISSIVE COUNTERCLAIM OF ANY NATURE IN ANY ACTION OR PROCEEDING COMMENCED BY LANDLORD TO OBTAIN POSSESSION OF THE PREMISES. THE WAIVERS IN THIS ARTICLE ARE MADE KNOWINGLY, INTENTIONALLY, AND VOLUNTARILY BY TENANT.

REMAINDER OF PAGE INTENTIONALLY LEFT BLANK

### Pro Forma

The Developer fee exceeded the 16% maximum by $103,981. Therefore, the Developer fee and TDC were reduced by that amount.

### Equity Commitment

The Applicant provided an equity commitment reflecting an annual Housing Credit allocation amount of $2,257,793. However, because the Application only qualifies for an annual allocation of $2,246,979.18, the equity commitment was not considered a source of financing.

Re: 2401 NW, LLC - Developer Experience
    Eugenia Anderson

Dear Brian and Cynthia:

According to the application rules for this year's RFA, the Applicant must state the name of each Developer, or co-Developer(s) that meet the General Developer Experience. I have attached a copy of the application rule language that FHFC mandated in RFA 2013-003 to meet their qualification requirements.

In August of 1992, I was hired and worked as the project manager/developer for Greater Miami Neighborhoods, Inc. (GMN). Greater Miami Neighborhoods in the early 1990's and into the next decade was the largest affordable housing developer in the state. The listed Richmond Pine and Park City projects were part of FHFC's hurricane relief efforts to replace the 40,000 units of affordable housing that was destroyed by Hurricane Andrew when it made landfall in south Florida on August 24th, 1992.

During the course of my career I have worked as the lead project manager for more than 6,000 units of affordable housing (homeownership and LIHTC) in Florida and in Texas. I could have listed many more projects but specifically choose to use the projects in Attachment 4 to Exhibit A document (Prior General Development Experience Chart). I believe the disconnect with Florida Housing's scoring is they failed to connect all of the dots and did not verify that I was also an officer of the Developer entity - Greater Miami Neighborhoods when the Hidden Grove project was Placed-In-Service.

Consequently, I can demonstrate that at the time of the application submittal, and at the placed-in-service dates for each of the listed projects, I was an officer of the owner, or developer entities. Please see attached chart of information and let me know if you have any further questions. I was not able to upload Sunbiz records from 1993 and 1994 - however, we can make a records request for Annual Reports and for the projects' Certificates of Occupancy - if you think it adds significance to our protest.

Thank you again for your kind assistance with this matter.

Sincerely yours,

Genie Anderson
Any Applicant that applies as a Non-Profit but is not considered to be a Non-Profit will still be eligible to be considered for funding.

d. Principals for the Applicant and for each Developer.

All Applicants must provide a list, as Attachment 3 to Exhibit A, identifying the Principals for the Applicant and for each Developer, as follows:
