6. Exhibit C, Appendix II to Part 200 – Contract Provisions for Non-Federal Entity Contracts Under Federal Awards is hereby created and appended to this Contract.

EXHIBIT C

2 CFR APPENDIX II TO PART 200 - CONTRACT PROVISIONS FOR NON-FEDERAL ENTITY CONTRACTS UNDER FEDERAL AWARDS

In addition to other provisions required by the Federal agency or non-Federal entity, all contracts made by the non-Federal entity under the Federal award must contain provisions covering the following, as applicable.

(A) Contracts for more than the simplified acquisition threshold, which is the inflation adjusted amount determined by the Civilian Agency Acquisition Council and the Defense Acquisition Regulations Council (Councils) as authorized by 41 U.S.C. 1908, must address administrative, contractual, or legal remedies in instances where contractors violate or breach contract terms, and provide for such sanctions and penalties as appropriate.

(B) All contracts in excess of \$10,000 must address termination for cause and for convenience by the non-Federal entity including the manner by which it will be effected and the basis for settlement.

(C) Equal Employment Opportunity. Except as otherwise provided under 41 CFR Part 60, all contracts that meet the definition of “federally assisted construction contract” in 41 CFR Part 60-1.3 must include the equal opportunity clause provided under 41 CFR 60-1.4(b), in accordance with Executive Order 11246, “Equal Employment Opportunity” (30 FR 12319, 12935, 3 CFR Part, 1964-1965 Comp., p. 339), as amended by Executive Order 11375, “Amending Executive Order 11246 Relating to Equal Employment Opportunity,” and implementing regulations at 41 CFR part 60, “Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor.”

(D) Davis-Bacon Act, as amended (40 U.S.C. 3141-3148). When required by Federal program legislation, all prime construction contracts in excess of \$2,000 awarded by non-Federal entities must include a provision for compliance with the Davis-Bacon Act (40 U.S.C. 3141-3144, and 3146-3148) as supplemented by Department of Labor regulations (29 CFR Part 5, “Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction”). In accordance with the statute, contractors must be required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, contractors must be required to pay wages not less than once a week. The non-Federal entity must place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation. The decision to award a contract or subcontract must be conditioned upon the acceptance of the wage determination. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency. The contracts must also include a provision for compliance with the Copeland “Anti-Kickback” Act (40 U.S.C. 3145), as supplemented by Department of Labor regulations (29 CFR Part 3, “Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States”). The Act provides that each contractor or subrecipient must be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency.

(E) Contract Work Hours and Safety Standards Act (40 U.S.C. 3701-3708). Where applicable, all contracts awarded by the non-Federal entity in excess of \$100,000 that involve the employment of mechanics or laborers must include a provision for compliance with 40 U.S.C. 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR Part 5). Under 40 U.S.C. 3702

of the Act, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

(F) Rights to Inventions Made Under a Contract or Agreement. If the Federal award meets the definition of “funding agreement” under 37 CFR § 401.2 (a) and the recipient or subrecipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that “funding agreement,” the recipient or subrecipient must comply with the requirements of 37 CFR Part 401, “Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements,” and any implementing regulations issued by the awarding agency.

(G) Clean Air Act (42 U.S.C. 7401-7671q.) and the Federal Water Pollution Control Act (33 U.S.C. 1251-1387), as amended—Contracts and subgrants of amounts in excess of \$150,000 must contain a provision that requires the non-Federal award to agree to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 U.S.C. 7401-7671q) and the Federal Water Pollution Control Act as amended (33 U.S.C. 1251-1387). Violations must be reported to the Federal awarding agency and the Regional Office of the Environmental Protection Agency (EPA).

(H) Debarment and Suspension (Executive Orders 12549 and 12689)—A contract award (see 2 CFR 180.220) must not be made to parties listed on the governmentwide exclusions in the System for Award Management (SAM), in accordance with the OMB guidelines at 2 CFR 180 that implement Executive Orders 12549 (3 CFR part 1986 Comp., p. 189) and 12689 (3 CFR part 1989 Comp., p. 235), “Debarment and Suspension.” SAM Exclusions contains the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549.

(I) Byrd Anti-Lobbying Amendment (31 U.S.C. 1352)—Contractors that apply or bid for an award exceeding \$100,000 must file the required certification. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for

influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 U.S.C. 1352. Each tier must also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the non-Federal award.

(J) See § 200.323.

(K) See § 200.216.

(L) See § 200.322.

[78 FR 78608, Dec. 26, 2013, as amended at 79 FR 75888, Dec. 19, 2014; 85 FR 49577, Aug. 13, 2020]

* These are minimum fees and shall be increased, depending on the complexity of the transaction. Fees, other than minimum fees, will be determined by Florida Housing after discussion and negotiation between Florida Housing and Special Counsel based on an assessment of the amount of work required of Special Counsel for the transaction.

** Florida Housing reserves the right to negotiate fees for new programs, one-time use or for new types of Special Counsel services as they arise.

B. COMPENSATION

1. The fees set forth in this Exhibit shall be subject to increase by mutual written agreement of the parties hereto in the event Special Counsel shall draft initial loan documents for any program (including programs not created as of the date of this Contract, programs created but for which documents have not yet been drafted and existing programs amended as a result of statutory or regulatory changes). Such increased fees may be paid by Florida Housing, the Borrower or any combination thereof, in Florida Housing's sole discretion.

2. Following the commencement of each transaction in which Special Counsel performs services pursuant to this Contract, in the event any such transaction is (a) granted an extension to close or is otherwise delayed beyond the originally scheduled closing date; (b) restructured from the original structure approved by the Board, or (c) re-underwritten or its underwriting is materially changed prior to closing, and as a result, Special Counsel is required to (i) redraft or substantially revise documentation previously drafted; (ii) draft new documentation; (iii) re-review due diligence previously reviewed and/or review new due diligence, or (iv) perform additional services, in connection with any such transaction, Special Counsel shall be entitled to an increase of the applicable fees set forth in this Exhibit, in an amount not to exceed seventy five percent (75%) of the applicable fees on any such transaction, as jointly determined by Special Counsel and Florida Housing and approved in writing by the applicable Program Director.

3. For bond or loan transactions that involve GSES or federal lenders, Special Counsel acting as real estate counsel shall be entitled to an increase in the applicable fees set forth in this Exhibit, in an amount not to exceed fifty percent (50%) of the applicable fees on any such transaction, as jointly determined by Special Counsel and Florida Housing and approved in writing by the applicable Program Director.

4. Routine expenses such as phone calls, routine postage, copy work, local travel expenses, printed library materials, local courier, word processing, clerical, or secretarial services are overhead and shall not be separately compensated by Florida Housing. However, such expenses, including transcript costs, mailings, and other "routine expenses" shall be reimbursed by Borrowers in connection with multifamily loan closings. Such charges shall be supported by usage logs, invoices or similar documentation. Copy costs shall be reimbursed at \$.15 per page.

5. Non-routine office overhead expenses such as long-distance courier services, bulk mailings, bulk third-party copying, blueprints, photographs, and computer-assisted legal research services must be justified to Florida Housing and may be reimbursed by Florida Housing based on documented third-party vendor charges. In-house bulk mailings, photocopying, and bulk copying expenses must be supported by usage logs or similar documentation. Firm surcharges shall not be reimbursable.

6. Special Counsel shall only bill Florida Housing for a proportionate share of the cost of legal research, attending hearings, or engaging in client representation of any type, if such work is applicable to other clients.

C. OTHER AVAILABLE SERVICES

Upon receiving approval from Florida Housing, Special Counsel shall use existing Florida Housing contracts when available and cost effective to acquire services (e.g., computer-assisted legal research) and the assistance of professionals (e.g., court reporters, expert witnesses) at reduced rates.

D. SPECIAL CONDITIONS

1. Special Counsel shall make affirmative efforts to achieve cost effectiveness by consolidating court hearings, limiting travel, streamlining case processing, using printed forms, using the appropriate level of attorney or staff required by task, and all other actions to improve efficiency.

2. Multiple staffing at meetings, hearings, depositions, trials, etc., by Special Counsel shall not be compensated without prior written approval from Florida Housing.

3. Special Counsel agrees that all documents shall be promptly returned at the termination of Special Counsel's involvement in the case or matter at hand, if requested.

4. Special Counsel shall provide immediate notice by e-mail or telephone call regarding significant case developments, which may result in media inquiries.

E. INVOICES IN EXCESS OF NORMAL AND CUSTOMARY RATES

Florida Housing reserves the right to reject reimbursement requests for expenses that are deemed "in excess" and/or above fair and customary rates.

F. TRAVEL

All requests for travel reimbursements shall be done in accordance with Florida Housing's travel policy and any expenses deemed 'in excess' must have a reasonable, pre-approved justification in order to be considered for reimbursement.
