SECTION FOUR SCOPE OF SERVICES

Pursuant to Part V, Chapter 420, Florida Statutes, Florida Housing issues revenue bonds, to make funds available to people in Florida to help them buy a home, to refinance prior bond issues of Florida Housing, and for such other purposes as may be permitted by law. Florida Housing issues bonds that are exempt from federal income tax and bonds that are not exempt from federal income tax. Florida Housing typically issues Single Family bonds through negotiated sales.

Depending on market conditions, Florida Housing has a need to utilize the services of GIC brokers from time to time in connection with the management of its single family bond program. On average, Florida Housing transacts approximately two or three bond deals annually covering Single Family issues, and anywhere from none to all of these deals may use the services of a GIC Broker. In all cases, the Financing Team will determine the required specifications for the guaranteed investment contract bids, and Florida Housing will be the primary contact for all bond issues utilizing the services of the GIC Broker(s).

When needed, the GIC Broker shall perform and render the services reflected below as an independent contractor and not as an agent, representative, or employee of Florida Housing. The services and requirements shall include, but are not limited to, the following:

A. Perform an analysis of the bond issue's financial structure and the language in the financing and bond documents stipulating the permitted investments. This analysis will include a review of all funds that will be subject to bid, including, but not limited to: the program account, debt service reserve fund, float fund, capitalized interest account and derivative product funds, if used. Currently, Florida Housing issues fixed rate Single Family bonds. Should Florida Housing opt to sell variable rate bonds, the GIC Broker is expected to request bids for all the necessary funds.

1. After analysis of the financing structure, the GIC Broker and the Financing Team will jointly determine the strategy to obtain the optimal investment product. Based on this strategy, the GIC Broker must prepare a request for bids that describes the parameters for investment. The GIC Broker must then distribute the request for bids to the Financing Team for that issue for their review and comments.

C. The GIC Broker must prepare a preliminary bid list of potential investment contract providers for approval from the Financing Team. The GIC Broker will ensure that the potential providers meet the credit criteria of Florida Statutes and the rating agencies.

D. The GIC Broker must distribute the approved request for bids with any other requested information to potential bidders. The GIC Broker will coordinate questions and answers between bidders and the Financing Team.

E. The GIC Broker must receive bids on behalf of Florida Housing from all bidders, evaluate any conditions to the bids and ensure all bids conform to the bid specifications. The GIC Broker must then prepare a summary of the bids and present to the Financing Team. The GIC Broker must coordinate the awarding of each bid with the Financing Team.

F. The GIC Broker must receive and review the investment contract and work with the winning bidder's attorney and the Financing Team to ensure the investment contract conforms to the specifications of the requested financing structure.

I. The Respondent acknowledges that if awarded a contract it will be prohibited from engaging in activities in connection with services related to Florida Housing transactions that produce direct or indirect financial gain for the Respondent other than for the compensation agreed upon in the contract that results from this RFQ, unless that Respondent has Florida Housing's written consent after Florida Housing has been fully informed of such activities in writing.

J. The Respondent acknowledges that if awarded a contract it will be prohibited from engaging in any actual, apparent, or potential conflict of interest. Should any such actual, apparent,
