The laws of the State of Florida, including the State Cybersecurity Act, s. 282.318, F.S. and Florida Cybersecurity Standards, Chapter 60GG-2, F.A.C. (collectively, “Florida Law”) and the Gramm-Leach-Bliley Act of 1999 (15 U.S.C. § 6801 et seq.) and the regulations promulgated thereunder, including, without limitation, the Interagency Guidelines Establishing Standards for Safeguarding Customer Information (collectively, the “Act”), impose various requirements regarding consumer privacy as well as the confidentiality, integrity, and accuracy of consumer information. Notwithstanding anything contained herein to the contrary, the provisions and requirements of this section shall only apply if and when the Contractor and its employees and/or agents may have access to certain confidential information of Florida Housing and nonpublic personal information pertaining to the customers of Florida Housing.

1. Definitions.

For the purposes of this section:

a. “Customer Data” means any and all data and information of any kind or nature submitted to Contractor by Florida Housing, or received by Contractor on behalf of Florida Housing, related to a natural person. Customer Data includes but is not limited to “nonpublic personal information” (as defined in the Act) necessary for Contractor to provide the Services, as well as “personal information” or “nonpublic information” as defined under Florida Law. Florida Housing shall remain the sole and exclusive owner of all Customer Data, regardless of whether such data is maintained on paper, magnetic tape, magnetic disk, personal computing devices (including but not limited to computers, tablets, smartphones, etc.), cloud computing systems maintained by Contractor or others on service provider’s behalf, or any other storage or processing device.

b. “Confidential Information” shall mean all information designated by Florida Housing as confidential, including all Customer Data, and all information or data, whether marked or designated as confidential, concerning or related to Florida Housing’s products, (including the discovery, invention, research, improvement, development, manufacture, or sale thereof), processes, or general business operations (including sales costs, profits, pricing methods, organization, and employee lists), and any information obtained through access to any of Florida Housing’s information systems, including, without limitation, networks, network services, computers, computer systems and communications systems (collectively, the “Information Systems”), which, if not otherwise described above, is of such a nature that a reasonable person would believe it to be confidential or proprietary. Confidential Information, other than Customer Data (which shall always remain confidential), shall not include: (a) information which is or becomes publicly available (other than by Contractor or such other party having the obligation of confidentiality) without breach of this Contract; (b) information independently developed by Contractor; or (c) information received from a third party not under a confidentiality obligation to Florida Housing.

2. Use of Confidential Information. Contractor shall not use, retain, copy, sell, transfer, publish, disclose, display, or otherwise make any of Florida Housing’s Confidential Information available to any third party without the prior written consent of Florida Housing. Contractor shall hold the Confidential Information in confidence and shall not disclose or use such Confidential Information other than for the purposes contemplated by the Contract or in compliance with the requirements set forth in the Act, and/or Florida Law, and Contractor shall instruct all of its directors, officers, employees, agents, contractors and financial, legal and other advisors to whom it provides the Confidential Information (the “Representatives”) to use the same care and discretion with respect to the Confidential Information that Contractor requires with respect to its own most confidential information, but in no event less than a reasonable standard of care, including the utilization of security devices or procedures designed to prevent unauthorized access to and processing of the Confidential Information. Contractor shall instruct its Representatives of its confidentiality obligations hereunder and not to attempt to circumvent any such security procedures and devices. Additionally, Contractor shall require that each of its Representatives agree to all of the same restrictions and conditions concerning Confidential Information to which Contractor is bound in this Contract. All Confidential Information shall be distributed only to persons having a need to know such information to perform their duties in conjunction with the Contract. Unless otherwise agreed in writing, the obligations set forth in this section shall continue perpetually and survive the termination or expiration of the Contract for any reason. Further, upon request by Florida Housing or upon termination of the Contract, Contractor shall deliver to Florida Housing any Confidential Information in its possession and destroy any copies of Confidential Information in Contractor’s files, unless otherwise required under operation of law.

3. Access to Information Systems. Access, if any, to Florida Housing’s Information Systems is granted solely to perform the Services under the Contract and is limited to those specific Information Systems, time periods and personnel as are

separately agreed to by Florida Housing and Contractor from time to time. Florida Housing may require the Representatives to sign individual agreements prior to accessing Florida Housing's Information Systems. Use of Florida Housing's Information Systems during other time periods or by individuals not authorized by Florida Housing is expressly prohibited. Access is subject to Florida Housing business control and information protection policies, standards and guidelines as may be modified from time to time. Use of any other of Florida Housing's Information Systems is expressly prohibited. This prohibition applies even when an Information System that Contractor is authorized to access serves as a gateway to other Information Systems outside Contractor's scope of authorization. Contractor agrees to access Information Systems only from specific locations approved for access by Florida Housing. For access outside of Florida Housing's premises, Florida Housing may designate the specific network connections to be used to access Information Systems.

4. Information Security. Contractor shall be responsible for establishing and maintaining an information security program (the "Information Security Program") designed to satisfy all objectives set forth in the Act and Florida Law. The Contractor shall take full responsibility for the security of all Confidential Information in its possession or in the possession of its approved subcontractors and shall hold Florida Housing harmless for any damages or liabilities resulting from the unauthorized disclosure, processing, or loss thereof. At a minimum, Contractor agrees:

a. To implement appropriate technical and organizational measures, including a network firewall and maintaining secure environments that are patched and up-to-date with all appropriate security updates as designated by a relevant authority, to protect Confidential Information against (i) accidental or unlawful destruction or loss, (ii) unauthorized disclosure, access, processing and exfiltration, or theft, in particular where processing involves the transmission of Confidential Information over a network, (iii) alteration, and (iv) all misuse;

b. To implement appropriate procedures to ensure that (i) unauthorized persons will not have access to the data processing equipment used to process the Confidential Information, (ii) any persons it authorizes to have access to the Confidential Information will respect and maintain the confidentiality and security of the Confidential Information, and (iii) the measures and procedures that it uses will be sufficient to comply with all legal requirements applicable to both Florida Housing and Contractor;

c. To provide for the security of such PII, in a form acceptable to Florida Housing, without limitation, non-disclosure, use of appropriate technology, security practices, computer access security, data access security, data storage encryption, data transmission encryption, security inspections and audits;

d. To ensure the transmission or exchange of Confidential Information with Florida Housing and/or any other parties shall take place via secure Advanced Encryption Standards (AES), e.g., HTTPS, FTPS, SFTP or equivalent means. All

data stored as a part of backup and recovery processes shall be encrypted, using AES;

e. To appropriately destroy Confidential Information based on the format stored upon the expiration of any applicable retention schedules; and

f. To discipline employees that violate the Information Security Program.

5. Information Security Program Monitoring. Upon written request of Florida Housing, Contractor shall provide Florida Housing with viewing access of summaries of all internal and third-party security audits and security test results from the past three years to confirm that Contractor is satisfying its obligations under this Contract, the Act, and Florida Law. Further, during the term of this Contract, the following monitoring is required at Contractor's expense:

a. Contractor will provide Florida Housing annual written assurances that Contractor's Information Security Program continues to meet the requirements of this Contract.

b. Contractor will provide Florida Housing, on an annual basis, viewing access to copies of all audits of Contractor's internal controls to protect Confidential Information, Contractor's security program, Contractor's reviews to protect Confidential Information, and Contractor's business continuity program. Such audits may be performed by Contractor or Contractor's independent external auditors.

c. Each report prepared in connection with the audits required in this section shall contain Contractor's management response to any noted exceptions, together with appropriate target dates for completion of required or planned changes. In the event Florida Housing's review of any of the above audits raises issues concerning Contractor's continued compliance with this Contract or the requirements set forth in the Act and/or Florida Law, Florida Housing shall give written notice to Contractor of such issues. Within 30 days from the date of Florida Housing's initial written notification to Contractor, the parties shall agree upon a date by which the issues will be resolved. The parties will use their best efforts to resolve the issues, correct any problem, or make appropriate changes to the Contract that do not materially alter the original obligations of the parties. In the event such issues are not resolved before the agreed upon date, the Contract, at Florida Housing's sole option, may be terminated, and any advance payments of fees under the Contract will be prorated as of the termination date and promptly returned by Contractor to Florida Housing. No termination penalty shall be paid by either party.

6. Unauthorized Disclosure. Contractor shall (a) immediately notify Florida Housing of any actual or suspected unauthorized access to, processing, use, or disclosure of the Confidential Information not authorized by the terms of this Contract, (b) estimate the disclosure's effect on consumers, Florida Housing, and the confidentiality, integrity, and availability of the Confidential Information, including the

date(s) and number of records affected by unauthorized access or processing of Confidential Information, (c) comply with Florida Housing's requests for assistance in responding to such incident, (d) specify all timelines and corrective actions taken or planned to be taken by Contractor to address this incident and prevent future similar incidents, and (e) otherwise abide by provisions set forth in s. 501.171, F.S.. The parties mutually agree to initiate immediate changes in security procedures and requirements in the event of such unauthorized access. Upon the occurrence of any actual or suspected unauthorized access to or use or disclosure of the Confidential Information described in clause (a) above which reasonably may be anticipated to have a material adverse effect on Florida Housing's reputation or business, Florida Housing, at its sole option, may immediately terminate the Contract upon notice to Contractor, and any advance payment of fees under the Contract will be prorated as of the termination date and promptly returned by Contractor to Florida Housing. No termination penalty shall be paid by either party.

7. Access to Premises. For the sole purpose of reviewing Contractor's security policies and procedures, Contractor shall grant Florida Housing access to Contractor's premises from time to time during regular business hours upon reasonable notice to Contractor from Florida Housing. Florida Housing shall hold in confidence and shall promptly return or destroy all information contained in or derived from Contractor's policies and procedures and shall not use any such information except for the sole purpose of ensuring Contractor's compliance with the terms of this Contract.

8. Regulatory Oversight. Contractor acknowledges that Florida Housing is regulated by certain regulatory authorities (the "Regulators"), that the Regulators have examination oversight over Florida Housing, and that the Regulators have authority to examine the operations performed by Contractor on behalf of Florida Housing. Contractor will cooperate fully with Florida Housing in responding to inquiries made to Florida Housing by Regulators. In the event a Regulator determines corrective measures are required to meet the requirements of the Act and/or Florida Law, Contractor and Florida Housing will use their best efforts to modify the Contract to comply with such Regulator's requirements. In the event a Regulator formally objects to the relationship between Contractor and Florida Housing and such objection cannot be remedied, the Contract shall be deemed terminated and (i) the parties will mutually agree to an orderly conversion of the Services to another provider of similar services; (ii) all payments made in advance under the Contract shall be prorated as of the termination date and promptly returned by Contractor to Florida Housing; and (iii) no termination penalty shall be paid by either party.
