3. On August 20, 2024, Florida Housing issued the RFA with an application due date

of September 5, 2024. The RFA in relevant part offered funding as follows:

# SECTION ONE INTRODUCTION

In September 2022, Hurricane Ian made landfall as a Category 5 hurricane causing devastation in several Florida counties. This Request for Applications (RFA) is open to Applicants proposing the construction of affordable housing utilizing Community Development Block Grant Disaster Recovery (CDBG-DR) funding for Developments in Hurricane Ian impacted counties and based on the available impact criteria and FEMA data. Florida was allocated CDBG-DR funding from the United States Department of Housing and Urban Development (HUD) for award under the Florida Department of Commerce Workforce Affordable Housing Construction Program. The proposed developments must help address the unmet need in the HUD-Designated Most Impacted and Distressed ("HUD-Designated MIDs"), or other areas impacted by the storms and deemed as a priority by the State that are not HUD MIDs ("State-Designated MIDs").

o HUD-designated MIDs: Brevard, Charlotte, Collier, DeSoto, Hardee, Highlands, Hillsborough, Manatee, Monroe, Osceola, Pinellas, Polk, Putnam, and Seminole o State-designated MIDs: Flagler, Glades, Hendry, Lake, Okeechobee, St. Johns

• Note: Although Lee, Orange, Sarasota, and Volusia were also impacted by Hurricane Ian, these counties are ineligible for funding in this RFA because they each received direct federal allocations and have submitted action plans to HUD for separate review.

Applicants that are selected to receive funding will be invited to enter credit underwriting and will be expected to complete the credit underwriting process, including Board approval of the credit underwriting report, complete the Development and be occupied on or before December 20, 2028.

A. CDBG-DR Funding

Florida Housing Finance Corporation (the Corporation) expects to offer an estimated \$90,000,000 in funding for this RFA. The request amounts are outlined in Section 10 of this agenda.

B. Tax-Exempt Bonds and 4% Housing Credits

Applications of proposed Developments in DeSoto, Glades, Hardee, Hendry, Highlands, Monroe, Okeechobee, Putnam Counties must consist of a minimum of 10 units. If a proposed Development consists of less than 50 units, the Application is only eligible for CDBG-DR Funding and not Tax-Exempt Bond Financing or 4% Housing Credits. If a proposed Development in DeSoto, Glades, Hardee, Hendry, Highlands, Monroe, Okeechobee, Putnam Counties consists of at least 50 units, the Application

may request either (i) CDBG-DR Funding only; or (ii) utilize Tax-Exempt Bond Financing and 4% Housing Credits in conjunction with the request for CDBG-DR funding.

Applicants of proposed Developments in Brevard, Charlotte, Collier, Flagler, Hillsborough, Lake, Manatee, Osceola, Pinellas, Polk, Seminole, and Saint Johns Counties must request Tax-Exempt Bond Financing and 4% Housing Credits. The Applicant will NOT utilize the Non-Competitive Application Package to apply for (i) Corporation-issued MMRB and the 4% Housing Credits or (ii) 4% Housing Credits to be used with non-Corporation-issued Tax-Exempt Bonds (i.e. issued by a Public Housing Authority (established under Chapter 421, F.S.), a County Housing Finance Authority (established pursuant to Section 159.604, F.S.), or a Local Government). Instead, the Applicant is required to apply for the MMRB and/or Housing Credits as a part of its Application for the CDBG-DR funding.

If, prior to the submission of the Applicant's Application in response to this RFA, the Applicant submits or has already submitted a Non-Competitive Application for the Development proposed in this Application, such previous Non-Competitive Application will not be considered and the Applicant will be required to request the Corporation-issued MMRB and/or 4% Housing Credits as a part of this Application request, as outlined above.

If the proposed Development is not selected for funding or if the Applicant's funding award is rescinded, and the Applicant still wishes to receive the MMRB and/or 4% Housing Credits, the Applicant will be required to submit a new Application for such funding using the Non-Competitive Application Package that is in effect at that time.

Proposed Developments are not eligible for any funding offered in this RFA if the Applicant has already closed on the Tax-Exempt Bond financing prior to the Application Deadline for this RFA.

In addition, proposed Developments are not eligible to receive any funding awarded through this RFA if the Applicant closes on the Tax-Exempt Bond financing prior to the issuance of the preliminary commitment for funding awarded in this RFA. If the Bonds are closed between the Application Deadline and issuance of the preliminary commitment, the Applicant's award will be rescinded.

The Corporation is soliciting applications from qualified Applicants that commit to provide housing in accordance with the terms and conditions of this RFA, inclusive of all Exhibits, applicable laws, rules and regulations, and the Corporation's generally applicable construction and financial standards.

(emphasis added)

4. Rule 67-60.005 F.A.C. provides that Florida Housing may modify the terms of any competitive solicitation at any **point prior to the due date of the Applications**. When a modification occurs, any applicant shall have at least seven days from the date of the posting of the notice modification to submit or modify its Application.

5. The RFA at page 8 of 167 further provides that any modifications that occur to the Request for Application will be posted on the website and may result in an extension of the application deadline. Typically, when a modification occurs Florida Housing issues a Multi-Family List Serve Notification. Notifications often times provide the following:

> Note: Any modifications that occur to the Request for Applications will be posted at the website and may result in an extension of the deadline. It is the responsibility of the Applicant to check the website for any modifications prior to the deadline date.

(See Exhibit A)

6. The RFA was twice modified. First on August 8, 2024, at 3:35 p.m. (See Exhibit B) Next, on August 21, 2024, at 5:28 p.m. (See Exhibit C) Each modification was issued prior to the Application Deadline of September 5, 2024. Neither modification changed the estimated amount to be awarded by the RFA of \$90,000,000.

 On September 5, 2024, River Fox Commons submitted its Application in response to the RFA that included information concerning the development of a 92 unit complex in Lake County, Florida, named River Fox Commons.

 Through the Application, River Fox Commons was requesting supplemental funding to develop affordable housing. Florida Housing received 39 applications in response to the RFA.

9. The RFA at Section Six provides as follows:

# SECTION SIX AWARD PROCESS

Committee members shall independently evaluate and score their assigned portions of the submitted Applications, consulting with non-committee Corporation staff and legal counsel as necessary and appropriate.

The Committee shall conduct at least one public meeting during which the Committee members may discuss their evaluations, select Applicants to be considered for award, and make any adjustments deemed necessary to best serve the interests of the Corporation's mission. The Committee will list the Applications deemed eligible for funding in order applying the funding selection criteria outlined in Section Five above and develop a recommendation or series of recommendations to the Board.

10. On October 9, 2024, the designated Review Committee in a public meeting met and

considered the Applications submitted in response to the RFA. At the meeting the Review Committee orally listed and manually input the scores for each section of the Applications and ultimately made a recommendation to the Florida Housing Board of Directors ("Board") for their consideration. The Review Committee consisted of Florida Housing staff.

11. During the meeting, the Review Committee found River Fox Commons' Application to be eligible. Additionally, the Review Committee voted to recommended, based on the RFA selection criteria, that the River Fox Commons Application be tentatively selected for funding. The River Fox Commons Application was one of 10 Applications selected for funding by the Review Committee. The Review Committee based its recommendation on the terms of the RFA in existence as of the Application Deadline.

12. Subsequent to the Review Committee meeting, Florida Housing staff prepared an agenda action item write up which explained the review process and presented the recommendation of the Review Committee to approve the Committee's recommendation that the Board adopt the scoring results of the 39 Applicants and authorize the tentative selection of the 10 Application for funding including the River Fox Commons Application. (See Exhibit D)

13. On October 22, 2024, the Board considered the Review Committee's ranking and funding recommendations. However, during that meeting Florida Housing Staff recommended modifying the RFA and revising the Review Committee's recommendation to add an additional \$9,276,000 to the amount offered by the RFA. Staff explained that the additional funding resulted from the inclusion of unused administration fees. Staff further explained that rather than simply funding an additional deal which it had historically done, the Applications should be reranked as if the Review Committee had \$99,276,000 at its October 9, 2024, meeting. The Board after discussion moved to approve staff's new recommendation. As a result of this action the River Fox Commons Application was removed from the tentative funding list because it could no longer be fully funded. (See Exhibit E) As explained more fully below, River Fox Commons believes this action was erroneous.

14. On October 25, 2024, River Fox Commons timely filed its Notice of Intent to Protest. (See Exhibit F) This Formal Written Protest is being timely filed and Florida Housing has waived the bid protest bond requirement for the RFA.

15. As the owner and developer of a proposed project seeking funding through the RFA, River Fox Commons is substantially affected by the review, scoring, and ranking of the responses to the RFA. The results of this proceeding, as well as others that may be filed, affect River Fox Commons' ability to obtain funding through the RFA.

16. Consistent with the primary mission and goal of the RFA, River Fox Commons seeks to provide much needed affordable housing in Lake County. Without the funds provided by the RFA, River Fox Commons will be unable to provide this much needed housing. Accordingly, River Fox Commons' substantial interests are affected by the decisions made by Florida Housing.

17. In this action River Fox Commons challenges the funding determination made by Florida Housing as it relates to the tentative funding award. River Fox Commons challenges the award decision of Florida Housing as arbitrary, capricious and contrary to Florida Housing policies when adding funds to tentative awards.

18. Specifically, River Fox Commons challenges the procedural process of adding additional money to an RFA under the circumstances here and also the policy implications of adding funding which results in an Application having its tentatively awarded funding taken away. If successful in its challenge, River Fox Commons will move back into the funding range.

19. Initially as a matter of procedural process, adding \$9,276,000 to the initial allocation amount constituted a modification of the terms of the RFA. As the RFA and Rule 67-60.005, F.A.C. makes clear any modification of the terms of the RFA should have been issued prior to the due date. This was not a situation where funds may have been returned after action by the Board as contemplated by the RFA.

20. As was done two times to the current RFA, a modification adding the \$9,276,000 should have been issued prior to the Application Deadline as required by Rule 67-60.005, F.A.C. No timely modification was done here. As a matter of process, this improper modification was erroneous and resulted in River Fox Commons losing its tentative award of funding.

21. As a policy matter upon knowledge and belief, Florida Housing has never added funding to an RFA after the Application Deadline and Review Committee meeting resulting in an application that was recommended for funding by a Review Committee being removed from the funding range as happened here. Indeed, Florida Housing staff admitted as much to the Board. Adding funding to an RFA which then results in an application tentatively awarded funding does not advance good public policy nor is it consistent with past Florida Housing policy.

22. Typically, when funds are added to funding awards after the Application Deadline and Review Committee meeting additional applications are simply added to those applications previously selected by the Review Committee for funding.

23. For example, on March 26, 2024, staff recommended using remaining unallocated funding and adding additional funding to fund the proposed Development recommended by the Review Committee and funding one additional proposed Development. The result being 2 deals funded rather than 1. (See Exhibit G)

24. Similarly on May 10, 2024, also related to RFA 2024-106 staff recommended adding additional funding to pull up and fully fund the next highest ranking eligible application. The result being 3 projects funded rather than 2. In each of these examples additional projects bringing additional units were awarded funding. No proposed Developments were removed from the funding as happened here. (See Exhibit H)

25. In the instant case not only was the RFA improperly modified, but the Review Committee recommendation was also modified to actually exclude a proposed Development, the River Fox Commons Application. As one Board member pointed out the net result of removing the River Fox Commons Application was 12 fewer units.

26. In the instant case to add funding to an allocation but remove a proposed Development from funding is inconsistent with Florida Housing's past policies. This is especially true given that the end result is fewer units being added to Florida Housing's portfolio.

- 27. Material issues of disputed fact:
  - a. Whether Florida Housing has acted in an erroneous, arbitrary or capricious manner in awarding funding in this RFA.
  - b. Whether Florida Housing acted in a manner that was inconsistent with the RFA.

c. Whether Florida Housing approved scoring results are contrary to the Corporation's governing statutes, rules, policies or RFA specifications.

 River Fox Commons reserves the right to amend this petition as more facts and issues are discovered.

WHEREFORE, River Fox Commons requests that a settlement meeting be scheduled and to the extent no settlement is reached a hearing scheduled and ultimately the entry of a Recommended and Final Order determining that Florida Housing's review and scoring of Applications was contrary to the RFA specifications and to Florida Housing's governing statutes, rules and policies to such an extent as to be arbitrary, capricious, contrary to competition, and clearly erroneous and awarding funding to River Fox Commons.

Respectfully submitted,

#### Second Modification of

Request for Applications (RFA) 2024-306 Community Development Block Grant – Disaster Recovery (CDBG-DR) Financing for Affordable Housing Developments Located in Hurricane Ian Impacted Areas

# Pursuant to Rule 67-60.005, F.A.C., Modification of Terms of Competitive Solicitations, Florida Housing hereby modifies the Section Four, A.3.b.(4) of the RFA as follows:

(4) Federal Funding Experience Preference

Applications will qualify for the Federal Funding Experience Preference if at least one Principal of the Developer entity, or if more than one Developer entity, at least one Principal of at least one of the Developer entities, demonstrates experience in the completion\* of at least one rental housing development consisting of at least eight total units that was financed with federal funding and required all federal programs such as Davis Bacon requirements and Environmental Review requirements.

If this preference is not met within the Development provided in Exhibit A in response to (3) above, a second Development may be provided to meet this preference in Exhibit A.

### Pursuant to Rule 67-60.005, F.A.C., Modification of Terms of Competitive Solicitations, Florida Housing hereby modifies the Section Four, A.5.e of the RFA as follows:

e. Proximity Tiebreakers used in Funding Selection Process

The Application may earn proximity points based on the distance between the Development Location Point and the Bus or Rail Transit Service <u>(if Private Transportation is not selected at question 5.e.(2)(a) of Exhibit A</u>) and the Community Services stated in Exhibit A. Proximity points are awarded according to the Transit and Community Service Scoring Charts outlined in Item 2 of Exhibit C. Proximity points will not be applied towards the total score. There is no minimum eligibility requirement for transit points or total proximity score in this RFA. Application may still be eligible for funding even if the Application achieved zero proximity points. Proximity points will only be used to determine whether the Applicant meets the Proximity Funding Preference outlined in the chart below.

| Application Qualifications | Minimum Total Proximity Points that Must be Achieved<br>to Receive the Proximity Funding Preference |
|----------------------------|---|
| Large County Application   | 12.5 or more  |
| Medium County Application  | 9.0 or more   |
| Small County Application   | 6.0 or more   |

#### Awarding Proximity Points

The Application may earn proximity points through the following:

Qualifying for the PHA Proximity Point Boost or the RD 515 Proximity Point Boost;

### EXHIBIT C

- <u>Providing private transportation or Bbased on the distance between the</u> Development Location Point and the Bus or Rail Transit Service; and
- Based on the distance between the Development Location Point and the Community Services.
- (1) PHA or RD 515 Proximity Point Boost
  - (a) PHA Proximity Point Boost

An Application that involves a site(s) with an existing Declaration of Trust between a Public Housing Authority (PHA) and HUD will qualify to receive a 3-point boost toward its proximity score if the Applicant states that it qualifies and provides a letter from the PHA dated within 12 months of the Application Deadline certifying that the site(s) where all of the units in the proposed Development will be located has an existing Declaration of Trust between the PHA and HUD. The letter must be signed by the appropriate person authorized to make such a certification and must be provided as **Attachment 4** to Exhibit A.

- or
- (b) RD 515 Proximity Point Boost

An Application that involves property that is currently assisted with RD 515 funding will qualify to receive a 3-point boost toward its proximity score if the Applicant demonstrates RD 515 funding as outlined in Section Four A.10. of the RFA, and either (i) selects the Development Category of Rehabilitation; or (ii) qualifies for the Development Subcategory of Redevelopment, with or without Acquisition.

(2) Transit Services (Maximum of 6 points)

Select Private Transportation or pProvide the location information for one of the remaining four Transit Services to achieve Proximity Points to use for calculating the Application's Transit Score. The Transit Service Scoring Charts, reflecting the methodology for calculating the points awarded based on the distances, are outlined in Exhibit C.

#### Location of coordinates for Transit Services

To receive proximity points for Transit Services <u>other than Private</u> <u>Transportation</u>, provide latitude and longitude coordinates for that service, stated in decimal degrees, rounded to at least the sixth decimal place, and the distance between the Development Location point and the coordinates for the service. The distances between the Development Location Point and the latitude and longitude coordinates for each service will be the basis for awarding proximity points. (a) Location of coordinates for Transit Services

For a Public Bus Stop, Public Bus Rapid Transit Stop, Public Bus Transfer Stop, and Rail Station, coordinates must represent the location where passengers may embark and disembark the bus or train.

Private Transportation (2 Points)

This service is defined in Exhibit B and may be selected only if the Applicant selected the Elderly (ALF or Non-ALF) Demographic Commitment.

- (b) Public Bus Stop (Maximum 6 Points)
  - This service is defined in Exhibit B and may be selected by all Applicants.
  - (ii) Each Public Bus Stop must meet the definition of Public Bus Stop as defined in Exhibit B. Each Public Bus Stop, except for Sister Stops, must serve at least one unique route. Up to two of the selected Public Bus Stops may be Sister Stops as defined in Exhibit B.
- or

or

(c) Public Bus Transfer Stop (Maximum 6 Points)

This service is defined in Exhibit B and may be selected by all Applicants.

- or
- (d) Public Bus Rapid Transit Stop (Maximum 6 Points)

This service is defined in Exhibit B and may be selected by all Applicants.

- or
- (e) Public Rail Station (Maximum 6 Points)

This service is defined in Exhibit B and may be selected by all Applicants.

(3) Community Services (Up to three Community Services may be selected, for a maximum 4 Points for each service)

The Community Services that are available are Grocery Store, Medical Facility, Pharmacy, and Public School. Up to three Community Services may be selected, for a maximum 4 Points for each service. If all four Community Services are selected, the Corporation will only award points for the three Community Services that are closest to the Development Location Point based on the distance stated in Exhibit A, even if the service that is furthest from the Development Location Point would have achieved a higher point value. In the event that the two Community Services that are furthest from the Development Location Point have an equal distance, the Corporation will select the service that is listed higher on the Community Service chart in Exhibit A. Under no circumstance will the fourth service be considered for points, even if during the litigation process, one of the Community Services is determined to not qualify for proximity points.

Provide the location information and distances for Community Services on which to base the Application's Community Services Score. The Community Service Scoring Charts, which reflect the methodology for calculating the points awarded based on the distances, are outlined in Exhibit C.

The distance between the Development Location Point and each Community Service must be calculated from a point that is on the doorway threshold of an exterior entrance that provides direct public access to the building where the service is located. If there is no exterior public entrance to the Community Service, then a point should be used that is at the exterior entrance doorway threshold that is the closest walking distance to the doorway threshold of the interior public entrance to the service. For a Pharmacy located within an enclosed shopping mall structure that does not have a direct public exterior entrance, the doorway threshold of the exterior public entrance to the enclosed shopping mall that provide the shortest walking distance to the doorway threshold of the interior entrance to the Pharmacy would be used.

Applicants may use the same location for the Grocery Store, Medical Facility and/or Pharmacy if the Grocery Store, Medical Facility and/or Pharmacy is housed at the same location.

- (4) Scoring Proximity to Services (Transit and Community)
  - Location of coordinates for Transit Services Private Transportation

Applicants that selected the Elderly (ALF or Non-ALF) Demographic Commitment and wish to provide Private Transportation as the Transit Service must select "Yes" at question 5.e.(2)(a) of Exhibit A to be eligible to receive 2 points. For a Public Bus Stop, Public Bus Rapid Transit Stop, Public Bus Transfer Stop, and Rail Station, coordinates must represent the location where passengers may embark and disembark the bus or train.

(b) Bus and Rail Transit Services

Applicants that wish to receive proximity points for Transit Services other than Private Transportation must provide latitude and longitude coordinates for that service, stated in decimal degrees, rounded to at least the sixth decimal place, and the distance between the Development Location Point and the coordinates for the service. The distances between the Development Location Point and the latitude and longitude coordinates for each service will be the basis for awarding proximity points. The method used to determine the latitude and longitude coordinates must conform to Rule 5J-17, F.A.C., formerly 61G17-6, F.A.C. All calculations shall be based on "WGS 84" and be grid distances. The horizontal positions shall be collected to meet sub-meter accuracy (no autonomous hand-held GPS units shall be used). Failure to provide the distance for any service will result in zero points for that service. The Transit and Community Service Scoring Charts reflecting the methodology for calculating the points awarded based on the distances are in Exhibit C.

(c) Community Services

Applicants that wish to receive proximity points for any community service must provide the name and address for that service, and the distance between the Development Location Point and the location for the service. The distances between the Development Location Point and the doorway threshold for each service will be the basis for awarding proximity points. The method used to determine the latitude and longitude coordinates must conform to Rule 5J-17, F.A.C., formerly 61G17-6, F.A.C. All calculations shall be based on "WGS 84" and be grid distances. The horizontal positions shall be collected to meet sub-meter accuracy (no autonomous hand-held GPS units shall be used). Failure to provide the distance for any service will result in zero points for that service. The Transit and Community Service Scoring Charts reflecting the methodology for calculating the points awarded based on the distances are in Exhibit C.

# Pursuant to Rule 67-60.005, F.A.C., Modification of Terms of Competitive Solicitations, Florida Housing hereby modifies the Section Four, A.6.f. of the RFA as follows:

f. Compliance Period

All Applicants are required to set aside the units for 50 years. Applicants that wish to qualify for an exemption from ad valorem tax pursuant to 196.1978(4), F.S., may also choose to commit to an additional minimum 49-year extended affordability period, for a total affordability period of 99 years ("Perpetuity"), which will only be applied to the <u>SAIL-CDBG-DR</u> and Bond LURAs, as applicable.

In submitting its Application, the Applicant knowingly, voluntarily and irrevocably commit to waive, and do hereby waive, for the duration of the 50-year set aside period, the option to convert the Development to market rate, including any option or right to submit a request for a qualified contract, after year 14, and any other option, right or process available to the

Applicant to terminate (or that would result in the termination of) the 50-year set aside period at any time prior to the expiration of its full term.

Demographic Commitments: The Compliance Period committed to in this section includes the units set aside for the Demographic Commitments made in this RFA, which includes the commitments for Link Units.

The Persons with Special Needs set-aside commitment must be maintained throughout the entire Compliance Period.

Although the percentage of units committed to must remain in effect for the entire Compliance Period, the particular units designated for the Demographic Commitment and AMI commitment must not be limited to the same units throughout the Compliance Period. Doing so may cause the Development to be in noncompliance.

# Pursuant to Rule 67-60.005, F.A.C., Modification of Terms of Competitive Solicitations, Florida Housing hereby modifies the Section Four, A.10.b.(2)(b)(i) of the RFA as follows:

- (b) Financing that has closed:
