Petitioner seeks a waiver of, or variance from, the Rule for reasons set forth below. 3. On January 24, 2023, Petitioner submitted an application (the "Application") in response to RFA 2022-206 HOME Financing to be used for Rental Developments in Certain Hurricane Ian Impacted Counties (the "RFA") a loan financed by Corporation-issued Multifamily Mortgage Revenue Bonds in an amount up to \$6,655,000 (the "MMRB Loan") requesting a HOME Investment Partnership Program funds (the "HOME Loan") to finance the development of a 32-unit multifamily residential housing development to be located in the city of Charlotte County, Florida, to be commonly known as Sovereign at Harbor West (the "Development"). The Petitioner received - and subsequently accepted - correspondence from the Corporation providing a preliminary commitment for the HOME Loan and the MMRB Loan (the HOME Loan and MMRB Loan, collectively referred to herein as the "Loans") and inviting the Petitioner to enter credit underwriting. Pursuant to the Rule, the Petitioner must receive a firm loan commitment within twelve (12) months of the Petitioner accepting its invitation to enter into credit underwriting. On November 20, 2023, the Petitioner requested the approval of the Corporation to extend the Petitioner's deadline to secure a firm loan commitment by six (6) months. On May 10, 2024, the Corporation approved the Petitioner's request and approved the deadline to be extended

through November 26, 2024. Petitioner paid a one (1) percent extension fee in connection with approval of the foregoing extension.

B. THE RULE FROM WHICH WAIVER IS SOUGHT

4. The Petitioner requests a waiver of or variance from Rule 67-48.0072(21)(b), F.A.C (effective July 6, 2022), which provides in part:

67-48.0072 Credit Underwriting and Loan Procedures.

(21) Information required by the Credit Underwriter shall be provided as follows:

(b) For SAIL and HOME, unless stated otherwise in a competitive solicitation, the firm loan commitment must be issued within twelve (12) months of the Applicant's acceptance to enter credit underwriting, which may be automatically extended to the next scheduled meeting of the Board of Directors that is after the twelve (12) month deadline. Unless an extension is approved by the Corporation in writing, failure to achieve issuance of a firm loan commitment by the specified deadline shall result in withdrawal of the preliminary commitment. **Applicants may request one (1) extension of up to six (6) months, which may be automatically extended to the next scheduled meeting of the Board of Directors that is after the six (6) month extension deadline, to secure a firm loan commitment.** All extension requests must be submitted in writing to the program administrator and contain the specific reasons for requesting the extension and shall detail the time frame to achieve a firm loan commitment. In determining whether to grant an extension, the Corporation shall consider the facts and circumstances of the Applicant's request, inclusive of the responsiveness of the Development team and its ability to deliver the Development timely. The Corporation shall charge a non-refundable extension fee of one (1) percent of each loan amount if the request to extend the credit underwriting and firm loan commitment process beyond the initial twelve (12) month deadline is approved. If an approved extension is utilized, Applicants must pay the extension fee not later than seven (7) Calendar Days after the original twelve (12) month deadline. If, by the end of the extension period, the Applicant has not received a firm loan commitment, then the preliminary commitment shall be withdrawn.

(Emphasis added.)

C. STATUTES IMPLEMENTED BY THE RULES

5. The Rule is implementing, among other sections of the Florida Housing Finance Corporation Act (the “Act”), the statute that designated the Corporation to administer the HOME Investment Partnership Program. *See* Fla. Stat. § 420.5089.

D. JUSTIFICATION FOR PETITIONER’S REQUESTED WAIVER

6. Petitioner was previously granted an extension to secure a firm loan commitment for the Loans to November 26, 2024. Petitioner respectfully requests an extension of the deadline to secure a firm loan commitment for the Loans for an additional six months in order for Petitioner to finalize its plans to restructure the applicant and developer structures for the Development. Petitioner recently entered into a verbal agreement with a well experienced partner that will greatly assist Petitioner with the closing of the financing, construction, operation and development of the Development. Such proposed restructure was recently submitted to the Corporation for their review and approval and Petitioner is working diligently with the Corporation to finalize the structure as soon as possible. Petitioner hereby formally requests a waiver of the Rule or variance from the Rule, in order to extend the Petitioner’s firm loan commitment deadline for an additional six months to allow for Petitioner to finalize its new proposed structure with the Corporation.

7. Under Section 120.542(1), Fla. Stat., and Chapter 28-104, F.A.C., the Corporation has the power and authority to grant waivers to its rule requirements when strict application of the rules would lead to unreasonable, unfair and unintended consequences in particular instances. A waiver shall be granted when the person who is subject to the rule demonstrates that the application

of the rule would: (1) create a substantial hardship¹ *or* violate principles of fairness, and (2) the purpose of the underlying statute has been or will be achieved by other means by the person. *See* § 120.542(2), Fla. Stat.

8. Petitioner is working diligently and quickly to finalize its proposed plans to restructure the ownership structure of the applicant entity and the developers. The petitioner has made substantial progress towards finalizing the proposed changes to the applicant and developer entities. The Petitioner recently submitted its proposed structure to the Corporation and is working diligently with the Corporation to receive their approval. The proposed restructuring of the applicant entity and developer entities only benefits the Development as the Petitioner will be adding a partner that has significant affordable housing development experience. Moreover, Petitioner has completed the following tasks with respect to the Development: preliminary architectural and civil engineering work, completion of the Development’s survey, environmental reports, and geotechnical reports (collectively the “Predevelopment Items”). The Petitioner used its own money to cover the costs of the Predevelopment Items. In addition to the 1% fee paid by the Petitioner for the previous extension, and Petitioner’s payment of the expenses related to the Predevelopment Items, the Petitioner also purchased the land for the Development using its own money to ensure that the Development proceeds to completion. A denial of the request would result in substantial economic hardship to the Petitioner as it has incurred substantial costs to date insuring that the Development proceeds to completion and if not granted would otherwise cause the Petitioner to lose its award.

¹ “Substantial hardship” means a demonstrated economic, technological, legal or other type of hardship to the person requesting the variance or waiver. Further, “principles of fairness” are violated when the literal application of a rule affects a particular person in a manner significantly different from the way it affects other similarly situated persons who are subject to the rule. *See* Fla. Stat. § 120.542.

9. The Corporation would benefit by granting the requested waiver of, or variance of the Rule. If granted, it will allow the Petitioner to finalize its structure and bring in an experienced partner to successfully assist the Petitioner with the construction and operation the Development, which will provide 32 much-needed affordable housing units in Charlotte County, Florida.

10. The Florida Housing Finance Corporation Act (Section 420.501, *et seq.*) was passed to encourage private and public investment in facilities for persons of low-income. The purposes of Section 420.5089, Fla. Stat. and the Act that are implemented by Chapter 67-48, as one of the goals is for Corporation financing to be used to facilitate the availability of decent, safe and sanitary housing in the State of Florida to low-income persons and households. Further, the Act was passed in order to stimulate and prioritize initiatives to increase the supply of affordable housing. By granting the requested waivers, the Corporation would promote the goal of providing persons of low-income with of affordable housing through private investment. The requested waivers or variances will not adversely impact the Development or the Corporation or provide Petitioner with an unfair advantage, and will ensure that the 32 affordable housing units of the Development will be made available for the target population in Charlotte County to obtain decent, safe, and sanitary housing.

E. TYPE OF WAIVER

11. The waiver being sought is permanent in nature.

F. ACTION REQUESTED

12. For the reasons set forth herein, the Petitioner respectfully requests the Corporation (i) grant a waiver of the Rule to extend the November 26, 2024 deadline to secure a firm loan commitment for an additional six months; (ii) grant this Petition and all the relief requested herein; and (iii) grant such further relief as it may deem appropriate.

Respectfully submitted the 3rd day of October, 2024.
