SECTION SEVEN
EVALUATION PROCESS

Individual Committee members shall evaluate and rank the Responses independently. As indicated in this section, points shall be assigned to certain items presented in Section Six of this RFQ. The individual Committee members shall evaluate the Responses by reviewing the answers to each of the items and assigning points up to the maximum points allowed for each item. The Committee shall not use those items without points assigned in computing the numerical score, but shall use them as part of their evaluation and recommendation process, for informational purposes, or as a basis for possible disqualification. The Committee shall also use the various scored items as a part of its evaluation and recommendation process.

Based on the criteria for selection, committee members shall rank each Response with the highest rank being “1”. The Committee may conduct one or more public meetings during which members may discuss their evaluations, make any adjustments deemed necessary to their evaluations to best serve the interests of Florida Housing’s mission, interview Offerors, observe presentations by Offerors, and develop a recommendation or series of recommendations to the Board. The Committee and/or Staff may make a recommendation, in addition to providing the ranking information and the information from the non-scored items to the Board for the Board to use in making the final selection. The Committee and/or Staff may also give the Board a written and/or verbal narrative describing the reasons for any recommendation. In the event of a tie, Florida Housing shall give preference to the Response certifying a drug-free workplace has been implemented in accordance with Section 287.087, Fla. Stat. If a tie continues to exist, Florida Housing shall give preference to minority business enterprises as defined in Section 288.703, Fla. Stat. Staff may recommend that the Board conduct oral interviews as part of the evaluation process to select the Offeror. The Board may use the Responses, the Committee’s ranking, the non-scored items in the Responses, any other applicable or relevant information or recommendation provided by the Committee or Staff, any oral presentations of Offerors and any other information the Board deems relevant in its selection of Offerors to whom to award a Contract.
