Ms. Muller,

I am concerned about the lack of affordable and/or supportive housing for people with mental illness in Miami-Dade.

I would like to see the plan strengthened by:

- **Limiting the NHF funds to housing for low-income individuals with special needs, particularly individuals with mental health conditions,**
- **Ensuring that the plan as outlined is enforced by the compliance staff during implementation,**
- **Limiting awards of NHTF funding to not-for-profit organizations.**

Thank you for taking these into account when deciding how to allocate your funds.

Sincerely,

Sandra Smallwood Beltran
