		Washington

Proposed Developments that are not located in one of the counties listed in (b) above will only be eligible for this funding preference if (i) the criteria outlined in (a) above is met and (ii) the answer to question 5.c.(3) of Exhibit A is “Yes.” This will be verified during the credit underwriting process, as outlined in Item 1.c.(14) of the Applicant Certification and Acknowledgement form.

- a. Eligible Contract – For purposes of the RFA, an eligible contract is one that has a term that does not expire before December 31, 2015 or that contains extension options exercisable by the purchaser and conditioned solely upon payment of additional monies which, if exercised, would extend the term to a date that is not earlier than December 31, 2015; specifically states that the buyer’s remedy for default on the part of the seller includes or is specific performance; and the buyer **MUST** be the Applicant unless an assignment of the eligible contract which assigns all of the buyer's rights, title and interests in the eligible contract to the Applicant, is provided. If the owner of the subject property is not a party to the eligible contract, all documents evidencing intermediate contracts, agreements, assignments, options, or conveyances of any kind between or among the owner, the Applicant, or other parties, must be provided, and, if a contract, must contain the following elements of an eligible contract: (i) have a term that does not expire before December 31, 2015 or contain extension options exercisable by the purchaser and conditioned solely upon payment of additional monies which, if exercised, would extend the term to a date that is not earlier than December 31, 2015, and (ii) specifically state that the buyer’s remedy for default on the part of the seller includes or is specific performance.

acquired through foreclosure) must be recorded in the county in which the property is located and show the Applicant as the sole Grantee.

- c. Lease – The lease must have an unexpired term of at least 50 years after the Application Deadline and the lessee must be the Applicant. If the owner of the subject property is not a party to the lease, all documents evidencing intermediate leases, subleases, assignments, or agreements of any kind between or among the owner, the lessor, or any sublessee, assignor, assignee, and the Applicant, or other parties, must be provided, and if a lease, must have an unexpired term of at least 50 years after the Application Deadline.

7. Set-Aside Commitments:

- a. Minimum Income Set-Aside per Section 42 of the IRC for ALL Applicants:

All Applicants must elect one (1) of the following minimum income set-aside commitments:

- 20% of the units at 50% or less of the Area Median Income (AMI)
- 40% of the units at 60% or less of the AMI
- Deep rent skewing option as defined in Section 42 of the IRC, as amended

Note: Choosing the 20 percent at 50 percent AMI or less minimum income set-aside will restrict ALL income set-aside units at 50 percent or less of the AMI. Applicants may choose the 40 percent at 60 percent AMI or less minimum income set-aside without committing to set aside any of the units at the 60 percent AMI level. For example, an Applicant may commit to set aside 40 percent at 50 percent AMI and this would also be considered 40 percent at 60 percent AMI or less.

- b. Demographic Set-Aside Commitments for Family, Elderly (ALF or Non-ALF), or Person with a Disability Demographic Commitment:

For these Demographics, the Corporation has income set-aside requirements beyond those required by Section 42 of the IRC which must be reflected on the Total Set-Aside Breakdown Chart at question 7.b. of Exhibit A, as outlined below:

(1) Total Income Set-Aside Commitment:

- (a) If the proposed Development has a Demographic Commitment of Family, Elderly Non-ALF, or Person with a Disability, the Applicant must set aside a total of at least 80 percent of the Development's total units at 60 percent AMI or less; or
- (b) If the proposed Development has a Demographic Commitment of Elderly ALF, the Applicant must set aside a total of at least 50 percent of the Development's total units at 60 percent AMI or less.

(2) ELI Set-Aside Commitments:

For purposes of the following, the requirement to set aside units for ELI Households refers to the ELI AMI level for the county where the proposed Development is located. The ELI County Chart is set out in Item 1.c. of Exhibit C of the RFA.

(a) Required Minimum ELI Set-Aside Commitments:

- (i) If the proposed Development does not qualify as an LDA Development as outlined in (3) below, the Applicant must set aside 20 percent of the total units as ELI Set-Aside units; or

- (ii) If the proposed Development qualifies as an LDA Development and meets all of the LDA Development Conditions outlined in (3) below, the Applicant must set aside 30 percent of the total units as ELI Set-Aside units.

If the Set-Aside Breakdown Chart reflects more than the applicable required percentage of the total units at the ELI AMI level for the county where the proposed Development is located, during the credit underwriting process the Credit Underwriter will determine whether the Applicant's ELI Set-Aside unit commitment will need to be reduced by increasing the set aside units at AMI level(s) above the ELI level. Any such reduction in the ELI Set-Aside units would be no lower than the applicable required percentage.

(b) Required ELI Units for Special Needs Households:

For proposed Developments with the Demographic Commitment at question 2 of Exhibit A of Family or Elderly Non-ALF, the Applicant commits to set aside 50 percent of the ELI Set-Aside units for Special Needs Households and develop and execute a Memorandum of Understanding with at least one designated Special Needs Household Referral Agency for the county where the proposed Development will be located (the deadline for the MOU will be established in the Carryover Allocation Agreement). Developments financed with HUD Section 202 or HUD Section 811 are exempt from this requirement.

In addition, for properties that have a Housing Assistance Payment Contract and/or an Annual Contributions Contract with HUD, but are not HUD Section 202 or HUD Section 811, the Applicant shall establish an owner-adopted preference in the admission policies for the Development, allowing the Applicant to create a preference or limited preference specifically for individuals or families who are referred by a partnering service agency. The partnering service agency must be a designated Special Needs Household Referral Agency in the county where the Development is located. Following Chapter 4 of the HUD Handbook 4350.3, the Applicant is required by HUD to submit a written request to their local HUD Field Office specifying this type of preference with a full description of the preference and how it will be implemented. Such HUD approval must be demonstrated to the Corporation by the deadline established in the Carryover Allocation Agreement.

The purpose of the MOU is to establish the roles and responsibilities of the Development and lead agency(ies). These include roles and responsibilities regarding the Applicant notifying the lead agency that a unit is available; the lead agency referring households to apply for the set-aside unit; and the lead agency addressing the needs of the residents in the set-aside unit. At least biennially, Florida Housing shall review and evaluate the effectiveness of each party in carrying out their MOU roles and responsibilities in meeting this set-aside commitment. The Corporation may require the Applicant to terminate a MOU with a lead agency if that partnership is not effective in meeting the intent of this set-aside commitment; and execute another MOU with a new designated Special Needs Households Referral Agency. A current list of Special Needs Household Referral Agencies for each county is published on the Corporation's Website at www.floridahousing.org under Special Needs Housing, Link Initiative (also accessible by clicking [here](#)).

(3) Limited Development Area (LDA):

- (a) A proposed Development will be designated as an LDA Development if:
 - (i) It is located in a County or an area of a County that has been designated by the Corporation as an LDA area, and
 - (ii) The Applicant selected the applicable Demographic Commitment (Elderly, Family or Person with a Disability) that is associated with the LDA area.

Applicants should use the LDA Chart set out at Item 2.c. of Exhibit C of the RFA to determine whether the proposed Development qualifies as an LDA Development.

- (b) For an LDA Development to be deemed eligible to be considered for funding under this RFA, it must meet all of the following LDA Development Conditions. An LDA Development that does not meet all of the following LDA Development Conditions will be ineligible to be considered for funding. The Conditions are:
 - (i) The Applicant demonstrated its commitment to set aside 30 percent of the total units as ELI Set-Aside units on the Total Set-Aside Breakdown Chart at question 7.b. of Exhibit A;
 - (ii) The proposed Development is classified as RA Level 1 or RA Level 2; and
 - (iii) The Percentage of Total Units that will have Rental Assistance is greater than 75 percent.
- (c) If the proposed Development is located in a county where only a portion(s) of the county is included on the LDA Chart and the proposed Development's Demographic Commitment is one of the applicable Demographic Categories on the LDA Chart, the Corporation will verify whether the Development Location Point stated on the Surveyor Certification form described in Section Four A.10. of the RFA is within the boundaries of the area designated as an LDA in order to determine whether the proposed Development qualifies as an LDA Development. To make such determination, Street Atlas USA 2015, published by DeLorme, will be used. If Street Atlas USA 2015 does not recognize the Development Location Point, then the proposed Development will be deemed to be an LDA Development and must meet all of the applicable LDA Development Conditions outlined in (b) above to be eligible to be considered for funding.

(4) Affordability Period:

The Applicant must set aside the units for a minimum length of 50 years, as further outlined in Item 2.f. of the Applicant Certification and Acknowledgement form. The affordability period includes the units set aside for ELI Households.

c. Demographic Set-Aside Commitments for Elderly Transformative Preservation Demographic Commitment:

(1) Resident Age Set-Aside:

The proposed Development's total units (100 percent) must be set aside for residents age 62 year or older. As of the placed-in-service date for the proposed Development, this requirement will be deemed to be met with any existing residents that are younger than age 62; however, all new residents in each new household must be age 62 or older.

(2) Resident Income Set-Aside:

The proposed Development at its option may retain the non-income restricted status of any units currently not set aside as income restricted in the existing Development, but all other units must be restricted at 60 percent or less of AMI. If the existing Development currently does not have any non-income restricted set-aside units, then 100 percent of the proposed Development's units must be restricted at 60 percent or less of the AMI.

(3) ELI Requirement:

The Applicant must set aside 15 percent of the proposed Development's total units for ELI Households. The requirement to set aside units for ELI Households refers to the ELI AMI level for the county where the proposed Development is located. The ELI County Chart is set out in Item 1.c. of Exhibit C of the RFA. As of the place-in-service date for the proposed Development, this ELI Set-Aside requirement will be deemed to be met with any existing units occupied by residents with an AMI higher than the applicable ELI AMI; however, this ELI Set-Aside commitment must be met as new units are rented after the place-in-service date.

If the Set-Aside Breakdown Chart reflects more than 15 percent of the total units at the ELI AMI level for the county where the proposed Development is located, during the credit underwriting process the Credit Underwriter will determine whether the Applicant's ELI Set-Aside unit commitment will need to be reduced by increasing the set aside units at AMI level(s) above the ELI level. Any such reduction in the ELI Set-Aside units would be no lower than the required 15 percent.

(4) Frail Elderly Persons Set-Aside:

The Applicant must set aside 20 percent of the proposed Development's total units for Frail Elderly Persons. Frail Elderly Persons is defined in Section Two of the RFA.

It is permissible for some of the units set aside to meet this requirement to be the same units set aside to meet the ELI requirement outlined in (3) above. As of the place-in-service date for the proposed Development, this Frail Elderly Persons Set-Aside requirement will be deemed to be met with any existing units occupied by residents who do not currently meet this set-aside requirement; however, this Frail Elderly Persons Set-Aside commitment must be met as new units are rented after the place-in-service date.

(5) Affordability Period:

(a) For proposed Developments currently in the Corporation's portfolio, the Applicant must set aside the units for a minimum length of the greater of 30 years or the term of the SAIL Note or any applicable Corporation-issued HOME Note, as further outlined in Item 3.e. of the Applicant Certification and Acknowledgement form. All restrictive covenants associated with any existing LURA and/or EUA will remain in effect.

(b) For proposed Developments not currently in the Corporation's portfolio, the Applicant must set aside the units for a minimum length of 30 years, as further outlined in Item 3.e. of the Applicant Certification and Acknowledgement form.

The affordability periods described above include the units set aside for Frail Elderly Persons and for ELI Households.

d. Total Set-Aside Breakdown Chart for ALL Applicants:

The Total Set-Aside Breakdown Chart must reflect all income set-aside commitments (required set-asides and additional set-asides, including all required ELI set-asides) and the required total set-aside percentage (as further outlined below).

The Applicant must complete the Total Set-Aside Breakdown Chart at question 7.b. of Exhibit A. The Applicant must indicate on the chart the percentage of residential units, stated in whole numbers, to be set aside at each selected AMI level. Where reasonably possible, Applicants will be required to keep the unit mix consistent across each committed AMI level.

8. Construction Features:

The following construction features commitments apply to all units in the proposed Development and are in addition to the required construction features outlined in Exhibit C of the RFA (Item 2.b. if Family, Elderly (ALF or Non-ALF), or Person with a Disability Demographic; or Item 3.a. if Elderly Transformative Preservation Demographic).

All Applicants must select enough of the following Additional Green Building Features at question 8 of Exhibit A so that the total point value of the features selected equals at least 10 points. Failure of the Applicant to select at least 10 points worth of the features at question 8 of Exhibit A will result in the Application failing to meet this Mandatory requirement.

- Programmable thermostat in each unit (2 points)
- Humidistat in each unit (2 points)
- Water Sense certified dual flush toilets in all bathrooms (2 points)
- Light colored concrete pavement instead of or on top of asphalt to reduce the heat-island effect (2 points)

a. Qualification for Proximity Points:

(1) In order for an Application to be considered for any proximity points, the Applicant must provide an acceptable Surveyor Certification form (Form Rev. 10-14), as **Attachment 15** to Exhibit A, reflecting the information outlined below. (The Surveyor Certification form (Form Rev. 10-14) is provided in Exhibit B of this RFA or can be accessed by clicking [here](#).) Note: If the Applicant provides any prior version of the Surveyor Certification form, the form will not be considered.

- A Development Location Point (as outlined in (2) below); and
- Services information for the Bus or Rail Transit Service (if Private Transportation is not selected at question 10.b. of Exhibit A) and Community Services for which the Applicant is seeking points.

(2) Development Location Point:

The Applicant must identify a Development Location Point on the proposed Development site and provide the latitude and longitude coordinates determined in degrees, minutes and seconds, with the degrees and minutes stated as whole numbers and the seconds represented to 2 decimal places. If the degrees and minutes are not stated as whole numbers and the seconds are not represented to 2 decimal places, the latitude and longitude coordinates will not be considered.

The latitude and longitude coordinates for the Development Location Point stated on the Surveyor Certification form will be plotted by the Corporation, using Street Atlas USA 2015, published by DeLorme, for the following purposes:

- (a) To verify that the stated coordinates are located within the county identified by the Applicant at question 5.b.(1) of Exhibit A;
- (b) To determine whether the proposed Development is at least the mandatory distance away from the closest Development coordinates identified on the April 16, 2015 FHFC Development Proximity List (the “Mandatory Distance Requirement”), as outlined in Section Four A.10.d. of the RFA; and
- (c) To determine whether the proposed Development qualifies as an LDA Development if it is located within a county where only a specific area(s) of the county has been designated as an LDA area, as outlined in Section Four A.7.b.(3) of the RFA.

b. Transit and Community Services Proximity Points (Maximum 18 Points):

Each Application’s proximity points will be based on the distance between the Development Location Point and the Bus or Rail Transit Service (if Private Transportation is not selected at question 10.b. of Exhibit A) and the Community Services stated on the Surveyor Certification form.

(1) PHA or RD Proximity Point Boost:

To be eligible to receive the Proximity Point Boost, the Applicant must select either question 10.a.(1) or 10.a.(2) of Exhibit A and provide the required information. Even if

the Application is eligible for both items (a) and (b) below, the Application shall only receive one 3 point boost.

An Application that involves a site(s) with an existing Declaration of Trust between a Public Housing Authority (PHA) and HUD will qualify to receive a 3 point boost toward its proximity score if the Applicant provides a letter from the PHA dated within 12 months of the Application Deadline certifying that the site(s) where all of the units in the proposed Development will be located has an existing Declaration of Trust between the PHA and HUD. The letter must be signed by the appropriate person authorized to make such a certification and must be provided as **Attachment 15** to Exhibit A. Note: this 3 point boost cannot count toward meeting the mandatory Minimum Transit Services score outlined in (2) below.

or

(b) RD Point Boost:

An Application that involves property that is currently assisted with RD 515 funding will qualify to receive a 3 point boost toward its proximity score if the Applicant demonstrates RD funding, at Attachment 23, as outlined in Section Four A.17.b.(3)(b) of the RFA.

(2) Minimum Proximity Point Requirements:

The following chart sets out:

- (a) The required Minimum Transit Service Score that must be achieved, if applicable, to be eligible to be considered for funding;

For purposes of proximity points, a Public Bus Transfer Stop means a fixed location at which passengers may

access at least three routes of public transportation via buses. Each qualifying route must have a scheduled stop at the Public Bus Transfer Stop at least hourly during the times of 7am to 9am and also during the times of 4pm to 6pm Monday through Friday, excluding holidays, on a year-round basis. This would include both bus stations (i.e., hubs) and bus stops with multiple routes. Bus routes must be established or approved by a Local Government department that manages public transportation. Buses that travel between states will not be considered.

or

(e) Public Rail Station (Maximum 6 Points)

For purposes of proximity points, a Public Rail Station means a fixed location at which passengers may access the scheduled public rail transportation at a MetroRail Station (located in Miami-Dade County), a TriRail Station (located in Miami-Dade County, Broward County or Palm Beach County), or a SunRail Station on a year-round basis. A SunRail Station, for purposes of this RFA, means (i) the following stations located in Orange County: Church Street Station, Florida Hospital Station, LYNX Central Station, Maitland Station, Orlando Amtrak/ORMC Station, Sand Lake Road Station, and Winter Park/Park Ave Station; (ii) the following stations located in Seminole County: Altamonte Springs Station, Lake Mary Station, Longwood Station, and Sanford/SR46 Station; or (iii) the following station located in Volusia County: DeBary Station.

(2) Community Services (Maximum 4 Points for each service with a Maximum of 3 Services)

The Community Services that may be selected are based on the Applicant's Demographic Commitment selection at question 2 of Exhibit A of the RFA, as outlined below.

Applicants are limited to one (1) of each type of Community Service. If the Applicant provides information for more than one (1) of any type of Community Service, that Community Service will not be scored and the Applicant will not receive any proximity

points for that Community Service. (For example, Applicants are limited to selecting one Grocery Store, even though there may be another Grocery Store nearby. If the Applicant provides information for two Grocery Stores, the Applicant will not receive any proximity points for either of the Grocery Stores.)

The eligible Community Services are defined below:

- (a) Grocery Store - This service may be selected by all Applicants, regardless of whether the Applicant selected the Family, Elderly (ALF or Non-ALF), or Person with a Disability Demographic Commitment at question 2 of Exhibit A. For purposes of proximity points, a Grocery Store means a retail food store consisting of 4,500 square feet or more of contiguous air-conditioned space available to the public, that has been issued a food permit, current and in force as of the dates outlined in the In-Service Time Frames chart in Item 10.c.(3) below, issued by the Florida Department of Agriculture and Consumer Service (FDACS) which designates the store as a Grocery Store or Supermarket within the meaning of those terms for purposes of FDACS-issued food permits.
 - (b) Public School - This service may be selected only if the Applicant selected the Family or Person with Disability Demographic Commitment at question 2.a. or 2.c. of Exhibit A. For purposes of proximity points, a Public School means a public elementary, middle, junior and/or high school, where the principal admission criterion is the geographic proximity to the school. This may include a charter school, if the charter school is open to appropriately aged children in the radius area who apply, without additional requirements for admissions such as passing an entrance exam or audition, payment of fees or tuition, or demographic diversity considerations.
 - (c) Medical Facility - This service may be selected by all Applicants, regardless of whether the Applicant selected the Family, Elderly (ALF or Non-ALF), or Person with Disability Demographic Commitment at question 2 of Exhibit A. For purposes of proximity points, a Medical Facility means a medically licensed facility that (i) employs or has under contractual obligation at least one physician licensed under Chapter 458 or 459, F.S. available to treat patients by walk-in or by appointment; and (ii) provides general medical treatment to any physically sick or injured person. Facilities that specialize in treating specific classes of medical conditions or specific classes of patients, including emergency rooms affiliated with specialty or Class II hospitals and clinics affiliated with specialty or Class II hospitals, will not be accepted.
 - (d) Pharmacy - This service may be selected only if the Applicant selected the Elderly (ALF or Non-ALF) Demographic Commitment at question 2.b. of Exhibit A. For purposes of proximity points, a Pharmacy means a community pharmacy operating under a valid permit issued pursuant to s. 465.018, F.S., and open to the general public at least five (5) days per week without the requirement of a membership fee.
- (3) In-Service Time Frames:

In addition to meeting the definitions outlined above, in order to be considered for proximity points in this RFA, the Bus and Rail Transit Services and the Community Services must be in existence and available for use by the general public as of the following time frames:

Service	Minimum Amount of time that the service must be in existence and available for use by the general public
Bus and Rail Transit Services	As of the Application Deadline
Public School and Medical Facility	As of the Application Deadline
Grocery Store, if it is one of the following and meets the definition of Grocery Store at (2)(a) above: Albertson's, Bravo Supermarkets, BJ's Wholesale Club, Costco Wholesale, Food Lion, Fresh Market, Harvey's, Milam's Markets, Piggly Wiggly, Presidente, Publix, Sam's Club, Sav – A – Lot, Sedano's, SuperTarget, Sweet Bay, Walmart Neighborhood Market, Walmart Supercenter, Whole Foods, Winn-Dixie	As of the Application Deadline
Grocery Store, if it meets the definition of Grocery Store, but is not one of the stores identified above	As of the Application Deadline and has been open and available for use by the general public since a date that is 6 months prior to the Application Deadline
Pharmacy, if it is one of the following and meets the definition of Pharmacy at (2)(d) above: Albertson's, CVS, Harvey's, Kmart, Navarro's, Piggly Wiggly, Publix, Sav – A – Lot, Target, Walgreens, Wal-Mart, Winn-Dixie	As of the Application Deadline
Pharmacy, if it meets the definition of Pharmacy, but is not one of the stores identified above	As of the Application Deadline and has been open and available for use by the general public since a date that is 6 months prior to the Application Deadline

(4) Required Information for the Surveyor Certification Form:

The latitude and longitude coordinates for all Bus and Rail Transit Services and Community Services must represent a point as outlined below. The coordinates for each service must be stated in degrees, minutes and seconds, with the degrees and minutes stated as whole numbers and the seconds represented to 2 decimal places. If the degrees and minutes are not stated as whole numbers and the seconds are not represented to 2 decimal places, the Applicant will not be eligible for points for that service.

The following chart describes the location where the latitude and longitude coordinates must be obtained:

Coordinates Location Chart

Development Location Point or Service	Location of latitude and longitude coordinates
Development Location Point	Coordinates must be a single point selected by the Applicant on the proposed Development site that is located within 100 feet of a residential building existing or to be constructed as part of the proposed Development. For a Development which consists of Scattered Sites, this means a single point on the site with the most units that is located within 100 feet of a residential building existing or to be constructed as part of the proposed Development.
Community Services	Coordinates must represent a point that is on the doorway threshold of an exterior entrance that provides direct public access to the building where the service is located.
Bus and Rail Transit Services	For MetroRail Station, TriRail Station, SunRail Station, Public Bus Stop, Public Bus Rapid Transit Stop, and Public Bus Transfer Stop, coordinates must represent the location where passengers may embark and disembark the train or bus.

If there is no exterior public entrance to the Community Service, then a point should be used that is at the exterior entrance doorway threshold that is the closest walking distance to the doorway threshold of the interior public entrance to the service. For example, for a Pharmacy located within an enclosed shopping mall structure that does not have a direct public exterior entrance, the latitude and longitude coordinates at the doorway threshold of the exterior public entrance to the enclosed shopping mall that provide the shortest walking distance to the doorway threshold of the interior entrance to the Pharmacy would be used.

Applicants may use the same latitude and longitude coordinates for the Grocery Store, Medical Facility and/or Pharmacy if the Grocery Store, Medical Facility and/or Pharmacy is housed at the same location.

(5) Scoring Proximity to Services (Transit and Community):

(a) Private Transportation

Applicants that selected the Elderly (ALF or Non-ALF) or Person with a Disability Demographic Commitment at question 2.b. or 2.c. of Exhibit A and wish to provide Private Transportation as the Transit Service must select “Yes” at question 10.b. of Exhibit A to be eligible to receive 2 points.

(b) Bus and Rail Transit Services and Community Services

The distances between the Development Location Point and each service, as certified by the Surveyor on the Surveyor Certification form, will be the basis for awarding proximity points. Failure to provide the distance for any Community Service will result in zero points for that Community Service. Failure to provide the distance for any Bus or Rail Transit Service will result in zero points for that Transit Service.

d. Mandatory Distance Requirement:

To be eligible to be considered for funding, Applications must qualify for the Mandatory Distance Requirement. Applications will only qualify if the distance between the Development Location Point and other properties identified on the April 16, 2015 FHFC Development Proximity List, (the List) serving the same demographic group as the proposed Development meets the Mandatory Distance Requirement for the applicable county or county category, as outlined below. The List is available on the Corporation's Website <http://www.floridahousing.org/Developers/MultiFamilyPrograms/Competitive/2015-104/OtherInformation/> (also accessible by clicking [here](#)). Applications that do not qualify for the Mandatory Distance Requirement will not be eligible to be considered for funding.

Determination of whether the Application meets the qualifications of the Mandatory Distance Requirement for the applicable county or county category will be based on whether the Development Location Point meets the criteria for the required distance, as outlined below, of a Development on the List serving the same demographic group. To make such determination, the Applicant, using Street Atlas USA 2015, published by DeLorme, should follow the steps outlined below. For purposes of this provision, same demographic refers to Family Demographic, Elderly Non-ALF Demographic, Elderly ALF Demographic, and Person with a Disability Demographic.

- (a) Select the "Advanced" search button on the "Find" tab, to the right of the "Advanced" button select "Latitude/ Longitude" from the drop down menu under "Find:.", check the "MapTags" box, enter the latitude and longitude coordinates for the Development Location Point in the appropriate blanks to the right and then click the "Search" button. A "MapTag" with the entered coordinates will then appear in the appropriate location.
- (b) For each Development on the List that serves the same demographic group as the proposed Development which is in proximity to the proposed Development's Development Location Point, repeat the steps stated above to display MapTags for the Development(s). For those Developments on the List that have more than one set of latitude and longitude coordinates, the Corporation will use the coordinates that represents the closest location to the proposed Development's Development Location Point as the location of the Development from the List for the purposes of awarding proximity points.

- (c) Select the “Draw” tab. Under “Tools,” select the circle or, if there is no circle, click and hold the left mouse button and this will provide several shape options, one of which is a circle. To the right, use the thinnest line possible, select “None” as the fill color for the circle and choose a color such as black for the outline. Enter the latitude and longitude coordinates for the proposed Development’s Development Location Point in the space provided, and then enter the appropriate distance (in (e) below) for the radius. Upon selecting the “Apply” button, the software will draw a circle, with the radius entered, around the Development Location Point.
- (d) If the tip of any of the MapTags entered for the Developments on the List are within the drawn circle or, when the map is zoomed in as far as possible, if the tip of any of the entered MapTags appears to the naked eye to be on the drawn line of the circle, the Applicant can conclude that the Development Location Point is within the distance entered for the radius of the circle of a Development from the List. The tip of a MapTag is the point of the MapTag that denotes the actual location of what the MapTag represents.
- (e) For purposes of the following, a proposed Development qualifies as an LDA Development if it meets the provisions described in Section Four A.7.b.(3) of the RFA:
- (i) Broward County and Miami-Dade County Applications will qualify for the Mandatory Distance Requirement if the distance of the proposed Development to Developments on the List is greater than 0.5 miles.
 - (ii) Duval County, Hillsborough County, Orange County, Palm Beach County, and Pinellas County Applications will qualify for the Mandatory Distance Requirement by meeting the following:
 - If the distance of the proposed Development to Developments on the List is greater than 5.0 miles if the proposed Development qualifies as an LDA Development; or
 - If the distance of the proposed Development to Developments on the List which consist of 31 total units or more is greater than 2.0 miles if the proposed Development does not qualify as an LDA Development; or
 - If the distance of the proposed Development to Developments on the List which consist of 30 total units or less is greater than 1.0 mile if the proposed Development does not qualify as an LDA Development.

If the location of the proposed Development is such that both the 2.0 miles criteria and the 1.0 mile criteria would apply, the more restrictive 1.0 mile criteria will be used to evaluate the Application.
 - (iii) Medium County Applications and Small County Applications will qualify for the Mandatory Distance Requirement by meeting the following:
 - If the distance of the proposed Development to Developments on the List is greater than 5.0 miles if the proposed Development qualifies as an LDA Development; or

- If the distance of the proposed Development to Developments on the List which consist of 31 total units or more is greater than 2.5 miles if the proposed Development does not qualify as an LDA Development; or
- If the distance of the proposed Development to Developments on the List which consist of 30 total units or less is greater than 1.25 miles if the proposed Development does not qualify as an LDA Development.

If the location of the proposed Development is such that both the 2.5 miles criteria and the 1.25 miles criteria would apply, the more restrictive 1.25 miles criteria will be used to evaluate the Application.

An Applicant may disregard any Development(s) on the List if the proposed Development and any Development(s) on the List have one or more of the same Financial Beneficiaries and meet at least one of the following criteria: (i) they are contiguous or are divided by a street, and/or (ii) they are divided by a prior phase of the proposed Development. If this provision applies to the proposed Development, identify the Development(s) on the List at question 10.c. of Exhibit A.

In addition, in the event that both the loan guaranteed under the Guarantee Fund Program and any Subordinate Mortgage Initiative (SMI) loan for one of the Developments on the List are paid off prior to the Application Deadline, the Corporation will treat the distance restriction around that Development as if it was never included on the List and the distance restriction related to that Guarantee Fund Development will no longer apply.

Part III – Information for Applications with the Elderly Transformative Preservation Demographic Commitment

11. Development Location Point:

The Applicant must provide, as **Attachment 15** to Exhibit A, a properly completed and executed Surveyor Certification form (Form Rev. 10-14). For purposes of this section of the RFA, properly completed means that the Development Name, Development Location, Development Location Point, and Certification sections of the form are completed. The Transit Services and Community Services sections of the form do not apply and any services information entered on the form will be disregarded. (The Surveyor Certification form (Form Rev. 10-14) is provided in Exhibit B of this RFA or can be accessed by clicking [here](#).) Note: If the Applicant provides any prior version of the Surveyor Certification form or any version of a Surveyor Certification form other than Form Rev. 10-14, the form will not be considered and the Applicant will fail to meet this Mandatory requirement.

12. Experience Developing Elderly Affordable Housing for the Intended Resident Population (Maximum 5 Points):

In addition to the general experience required at Section Four A.4.a. above, the Developer must have direct experience in developing Elderly housing and ideally have experience developing affordable rental housing serving Frail Elderly Persons. The Developer is expected to have in place a team comprised of individuals experienced in developing Elderly housing with all or some of the design and services supports specified in the RFA.

The Applicant must describe the experience of the Developer, a co-Developer, and/or Principal(s) of the Developer in developing affordable housing targeted to Elderly residents, and any additional experience with Elderly housing that serves as a platform for supportive services to

assist residents to age in place. If the experience of a Principal for a Developer entity listed in this Application was acquired from a previous affordable housing Developer entity, the Principal must have also been a Principal of that previous Developer entity as the term Principal was defined by the Corporation at that time.

For each housing development listed, include the name, location, number of units, date constructed, current status and affiliation, how it is similar to the Development proposed, and the role played in its development by the party(ies) claiming experience with the development. Providing only a list of developments and/or units that the Developer, co-Developer, and/or Principal has developed as part of this description will not be a sufficient description of experience. The description should include the period over which each Developer's, co-Developer's and/or Principal's commitment to the proposed Development has been or will be maintained.

The Applicant's description is limited to no more than three (3) typed pages within the text box at question 12 of Exhibit A. Note: Although the online Application system allows for more than three (3) pages, any portion of the description that is beyond three (3) pages will not be considered.

13. Experience Operating and Managing Elderly Rental Housing with Supportive Services and Assistance with Urgent Issues (Maximum 15 Points):

a. Experience Operating and Managing Elderly Rental Housing with Supportive Services (Up to 10 points)

Applicants must have at least three (3) years' experience operating and managing Elderly rental housing with supportive services similar or the same as Permanent Supportive Housing and must be involved in managing the proposed Development. However, the Applicant may also obtain a portion of management services from entities that have the appropriate experience for the Development. Describe the Applicant's experience and length of time in operating and managing Permanent Supportive Housing, including operations and management functions specific to the intended residents who will be served by the proposed Development. This includes understanding the variety of residents' housing and supportive services needs to maintain stability in the community.

If the Applicant expects to use a Management Company for a portion of operations and management at the property, provide the name of the experienced entity that will act as the Management Company and describe the Management Company's specific experience and length of time operating and managing Elderly rental housing, including functions specific to the residents who will be served by the proposed Development. Providing only a list of Elderly rental housing Developments and/or units that the Applicant or Management Company has managed or manages will not be a sufficient description of experience. Note: if the Management Company used in this section is not the same entity as the Management Company identified at question 4.b. of Exhibit A, the Management Company information provided in this section will not be considered when determining the points to be awarded for question 13.a. of Exhibit A.

Applicant responses to this item will be evaluated based on the following criteria: (1) strength of information provided about the experience of the Applicant and, if appropriate, the Management Company in handling the following aspects of management/operations: tenant screening, selection and move-in; leasing, lease enforcement and rent collections; reasonable accommodations for persons with disabilities; safety and security; maintenance of the

physical plant; coordination between property management and services coordination staff, as well as the coordination between on-site services and off-site supportive services, case management and benefits (including the role of Applicant and, if appropriate, Management Company); management of common space used by community-based service providers; compliance issues; and long-term asset management issues; (2) if the property will be managed in part by an entity other than the Applicant, a description of the distinct roles of the Applicant and Management Company in setting policies and procedures and implementation of the items listed in (1) and how collaboration will occur between the two; and (3) a description of how the Applicant expects to set and oversee achievement of targeted outcomes for residents and the property.

During the credit underwriting process, the Applicant shall develop and implement a plan for tenant outreach, marketing, and selection, as outlined in Item 3.b. of Exhibit C.

The Applicant's description is limited to no more than three (3) typed pages within the text box at question 13.a. of Exhibit A. Note: Although the online Application system allows for more than three (3) pages, any portion of the description that is beyond three (3) pages will not be considered.

The Applicant may provide, as **Attachment 16** to Exhibit A, up to three (3) additional pages of appropriate exhibits, not created by the Applicant, to supplement the description(s) included in Exhibit A.

b. **24 Hour Support to Assist Residents In Handling Urgent Issues (Up to 5 points)**

An important aging in place feature of the Elderly Transformative Preservation model is the residents' access to management support 24 hours per day, 7 days a week to assist them to appropriately and efficiently handle urgent issues or incidents that may arise. These issues may include, but are not limited to, an apartment maintenance emergency, security or safety concern, or a health risk incident in their apartment or on the property. The management's assistance will include a 24/7 approach to receiving residents' requests for assistance that will include a formal written process to effectively assess and provide assistance for each request. This assistance may include staff:

- Visiting or coordinating a visit to a resident's apartment to address a urgent maintenance issue;
- Responding to a resident being locked out of their apartment;
- Contacting on-site security or the police to address a concern;
- Providing contact information to the resident and directing or making calls on a resident's behalf to appropriate community-based emergency services or related resources to address an urgent health risk incident;
- Calling the resident's informal emergency contact; or
- Addressing a resident's urgent concern about another resident.

The 24 hour support approach may include contracted services or technology to assist the management to meet this commitment if these methods adequately address the intent of this service.

The Development's owner and/or designated property management entity shall develop and implement policies and procedures for staff to immediately receive and handle a resident call and how staff shall assess and handle the call based on a resident's request and/or need. At a minimum, residents shall be informed, at move-in and via a written notice(s)/instructions

provided to each resident and displayed in the Development's common or public areas, that staff are available to receive resident calls at all times. These notices shall also provide contact information and direction to first contact the community-based emergency services if they have health or safety risk concerns.

Describe in detail the approach to meet the intent of this commitment to receive and handle a variety of resident assistance requests; staffing to handle and assess these request at all times; any changes in the procedures and staffing based on the time of the day or day of the week (such as after work hours or on weekends); and any technology or contracted services that will be incorporated to meet the intent of this commitment.

During the credit underwriting process, the Applicant will be required to submit written policies and procedures for review and approval by the Corporation, as outlined in Item 3.d. of Exhibit C.

The Applicant's description is limited to no more than three (3) typed pages within the text box at question 13.b. of Exhibit A. Note: Although the online Application system allows for more than three (3) pages, any portion of the description that is beyond three (3) pages will not be considered.

The Applicant may provide, as **Attachment 17** to Exhibit A, up to three (3) additional pages of appropriate exhibits, not created by the Applicant, to supplement the description(s) included in Exhibit A.

14. Enhanced Resident Community-Based Services, Program and Benefits Coordination (Maximum 15 Points):

The coordination of on-site and community-based services and programs, as well as benefits, will be the responsibility of the Applicant, but may be in conjunction with public and/or private partnerships as approved by the Corporation in credit underwriting. All proposed Developments will be required to assist interested residents with the coordination of their on-site and community-based short- and long-term services and programs, including health care, as well as accessing federal, state and local benefits for which they may be eligible. The purpose is to assist each resident to become aware of, access and/or maintain adequate and appropriate services and resources. It is not the intent for this resident service to take the place of services coordination already provided for a resident by a community-based services provider as part of their individual resident services plan. The focus shall be to assist residents not receiving services and program coordination by another community-based services provider, as well as to assist those residents who need additional assistance with coordination of services and programs.

Services coordination will include assessing residents' health and social needs, identifying services and resources to meet those needs, and facilitating access to and receipt of needed services. This can help ensure residents do not forgo resources that may improve their quality of life, maintain their safety in their home, support the maintenance of their health and prevent the unnecessary use of costly health resources.

Through the core "Enhanced Service and Support Coordination Model" required in this RFA, further described in the next section (*On-site Health and Wellness Services*), the Resident Services Coordinator must be part of a team to ensure that the entire resident population is served, providing coordination to address social and wellness (e.g., nutrition, transportation and personal care) and clinical health care needs (e.g., education, blood pressure monitoring, nutrition). In addition to traditional information and referral functions, the service coordinator will also manage more proactive tasks, such as coordinating and conducting needs assessments; developing and

monitoring individual resident services plans, including relocation/transition to and from hospitals and nursing/long term care facilities; encouraging resident engagement in programs and activities; motivating resident engagement in their own health and supports management; collaborating with both on-site and community-based health care services to address resident issues; and networking with community partners.

During the credit underwriting process, the Applicant shall be required to submit a Resident Services Coordination Plan, along with a description of the experience of the service provider, for the Corporation's approval. The service provider shall be required to meet the requirements outlined in Item 3.c. of Exhibit C.

On-site and community-based services and program coordination shall be offered and made available to the residents initially and regularly and shall be voluntary to residents. Resident participation shall not be a requirement for new or continued residency. Property management and resident community-based services coordination shall not be the responsibility of the same staff persons; the functions must be entirely separate.

Provide a description of the Applicant's plan to provide services to assist each of the Development's residents in accessing and coordinating supportive services and other on-site and community-based resources to help meet their short and long-term needs and enable them to live stable lives in the Development. Applicant responses to these items will be evaluated based on the following criteria: (a) a description of the Applicant's process to initially and regularly determine each resident's need for and interest in receiving this service from the Applicant; (b) a description of the various services and benefits coordination functions necessary to adequately and appropriately meet the intent of this service; (c) a description of the capacity and experience of the Applicant or provider organization in carrying out the responsibilities and functions to adequately and appropriately meet the intent of this service; (d) a description of the staffing position(s) minimum experience required to carry out each position's duties to sufficiently meet the intent of this service; (e) a description of how this service will be conducted separately from property management functions and a plan for how many staff hours per week will be required to carry out these functions; and (f) a description of how the Applicant's approach to this service will lead to improvement of tenants' health and wellness, safety, stability and quality of life.

The Applicant's description is limited to no more than three (3) typed pages within the text box at question 14 of Exhibit A. Note: Although the online Application system allows for more than three (3) pages, any portion of the description that is beyond three (3) pages will not be considered.

The Applicant may provide, as **Attachment 18** to Exhibit A, up to three (3) additional pages of appropriate exhibits, not created by the Applicant, to supplement the description(s) included in Exhibit A.

15. On-Site Health and Wellness Services (Maximum 20 Points):

The provision of access to on-site health and wellness services is a core component of this RFA. This integrated approach to address resident needs for housing, health and long term services focuses on the inclusion of innovative person-centered, holistic and cost-effective interventions to coordinate care. The approach should include a strong health promotion and disease prevention focus, with an emphasis on health education, physical and cognitive fitness and self-care management. All resident participation in services described in this section is voluntary.

Applicants will be scored based on their commitment and capacity to work with partners to provide a range of services on-site to the entire resident population, focusing on the following elements:

- Strong resident services coordination that helps residents identify and address their health and supportive service needs;
- On-site support with home and personal care needs; and
- Engagement with health care entities to help coordinate and manage health care needs.

At a minimum, Applicants must commit to contract with partners to implement the strategy in a. below, and may choose to add the strategy described in b. below to provide more robust health and wellness care services. The Corporation will score an Applicant's comprehensive response to this section based on the criteria outlined below.

- a. To receive financing under the Elderly Transformative Preservation goal, Applicants are required to employ a core "Enhanced Service and Support Coordination Model." To be eligible to receive points in this part of the Application, Applicants must describe how this model will be implemented at the proposed Development. This model pairs the functions described in the *Enhanced Resident Community-Based Services, Program and Benefits Coordination* section with on-site nursing staff to address the specific wellness and clinical needs of residents. Together these functions will operate as an interdisciplinary team to jointly meet residents' collective needs. The team will address social resource and support needs, provide health education and health monitoring and act as a liaison with on-site or community-based primary care and other providers. The team will more intensively follow higher-risk residents who may require more frequent monitoring and ongoing engagement to help ensure needs are addressed.

The on-site nurse will conduct wellness activities, including health, mental health and functional assessments and health education; monitoring of vital signs, as needed; liaise with health care providers; and assist with medication management and monitoring of transitions home following hospital visits. The nurse must be trained on social supports available and on how to work with persons with behavioral health issues.

- b. An Applicant may receive additional points by incorporating an on-site home care services strategy into the Development's on-site health and wellness services. In addition to the on-site nursing presence outlined in a. above, to implement this strategy, the Applicant must implement one or more formal partnerships to place home and personal care aides on-site, allowing them to care for multiple residents living at the housing property at the same time. Services must be provided by home or personal care aides through the formal partnership with one or more outside entities. Funding for the services may come from a variety of sources, such as Medicaid, endowments, private pay sliding scales, etc.

To provide these comprehensive services, Applicants should develop linkages between primary, home health and/or behavioral health providers through one or more intentional partnerships with such entities to bring health care services to the property. "Managed care organizations" are administrators of Medicaid funded services in Florida, and will be critical partners for this strategy. Additional health care entities may include local hospital systems, doctors' groups practicing in the local area, home health care agencies, a local federally qualified health center or other approach. Applicants are expected to have a formal agreement with the health provider to provide space at the property for health care visits/clinics and/or office space and to share information and work together to assist and support residents. Such agreements must be

demonstrated during the credit underwriting process, as outlined in Item 3.g. of the Applicant Certification and Acknowledgement form.

These services are expected to be carried out by partner health care providers and may not be managed by the Applicant. However, the Applicant should describe how the health care services outlined in this section will be coordinated with property management functions to provide seamless support and operations at the property.

Provide a description of the Applicant's approach to provide access to on-site health and wellness services. Applicant responses to these items will be evaluated based on the following criteria: (1) a description of the Applicant's approach to employ a core "Enhanced Service and Support Coordination Model" at the property, described in a. above, including how nursing staff will address the specific wellness needs of residents and pair with staff providing the enhanced services, program and benefits coordination function to serve all residents; (2) if the Applicant chooses, a description of how an on-site home care services strategy will be blended with the core model described in b. above; (3) a description of how the Applicant will set up formal linkages through one or more intentional partnerships with primary, home health and/or behavioral health providers to bring health care services to the property; (4) a description of the capacity and experience of the provider organization(s) in carrying out the responsibilities and functions to appropriately meet the intent of proposed services; a description of the roles of each, and a plan for how many staff hours per week will be required to carry out these functions; (5) evidence of any formal partnerships that have been entered into for this purpose by the time of Application; and (6) a description of the on-site common space that will be needed and provided for the activities in this section as well as other on-site programs and activities for residents.

The Applicant's description is limited to no more than three (3) typed pages within the text box at question 15 of Exhibit A. Note: Although the online Application system allows for more than three (3) pages, any portion of the description that is beyond three (3) pages will not be considered.

The Applicant may provide, as **Attachment 19** to Exhibit A, up to three (3) additional pages of appropriate exhibits, not created by the Applicant, to supplement the description(s) included in Exhibit A.

16. Access to Community-Based Services and Resources (Maximum 15 Points):

The ability of Elderly persons to effectively and efficiently access services and resources in their community is vital to assist these households in obtaining and maintaining a level of choice, independence and inclusion in the community desired by each resident. The intent of the Elderly Transformative Preservation Demographic Commitment is to facilitate the availability of certain healthcare and supportive services on-site, but access to other services and resources off-site will be vital for residents to successfully age in place. These include general services and resources like stores and shopping centers for groceries, clothing, medicine, and other household and personal items. They may also include, but are not limited to, public and private resources such as parks, libraries, senior centers, higher education and training facilities, as well as restaurants and entertainment venues. Others are more specific to meeting the healthcare, wellness and supportive services needs of the intended residents. These include, but are not limited to, healthcare facilities, medical and dental offices, and ancillary health centers. Access to other services such as counseling centers, congregate meal sites, as well as assistance with management of finances, taxes and benefits are especially important to address the acute and long term needs of elderly persons who may choose to seek these services somewhere other than those provided on-site.

To be eligible to be considered for points for this section, Applicants should provide a detailed description of the intended residents' access to services in their community that meet residents' needs. The description should include how the Development will assist them to effectively and efficiently access each described service and resource. Applicant responses to these items will be evaluated based on the variety of services and resources available to meet the needs of the intended residents; geographic proximity of the services to the Development; and any other Development resources or practices that facilitate access to the community-based services and resources.

Effective and efficient transportation is also an important feature that assists Elderly persons, particularly Frail Elderly Persons, to age in place and successfully access services, resources and activities in their community. To be effective and efficient, transportation options must be available to provide door-to-door service between the Development and the above described community services and resources. The available transportation services should not only be available on a regularly scheduled and frequent basis, but should also be flexible and be able to be customized to residents' needs. Applicants will be scored on their description of public and/or private transportation services that charge no or minimal fees to the resident. This could include transportation services managed by the Development. The description should include each type of transportation available for door-to-door service; and for each type of transportation provide information about the transportation provider, schedule and frequency of service, distance and location restrictions, resident fares, available escort services, and accessibility features for mobility impaired persons. The Applicant should also describe any commitments or formal partnerships that the Applicant has with a transportation provider to provide the above services for the Development's residents. As outlined in Item 3.e. of Exhibit C of the RFA, a copy of these commitments/formal partnerships must be provided during the credit underwriting process.

The Applicant's description is limited to no more than three (3) typed pages within the text box at question 16 of Exhibit A. Note: Although the online Application system allows for more than three (3) pages, any portion of the description that is beyond three (3) pages will not be considered.

The Applicant may provide, as **Attachment 20** to Exhibit A, up to three (3) additional pages of appropriate exhibits, not created by the Applicant, to supplement the description(s) included in Exhibit A.

Part IV – Additional Information for ALL Applications

17. Funding:

a. Corporation Funding Amounts:

(1) Eligible Housing Credit Request Amount:

The Applicant must state the amount of Housing Credits it is requesting.

The Eligible Housing Credit Request Amount will be the amount of Housing Credit Allocation the Applicant will tentatively be awarded should the Application be selected for funding. Such Eligible Housing Credit Request Amount will be based on the lesser of (i) the Applicant's Housing Credit Request Amount (as provided by the Applicant at question 17.a.(1) of Exhibit A) and (ii) the County Category Maximum Housing Credit Request Limit (as outlined in (c) below). Any Housing Credit equity proposal provided

as an attachment to the RFA must reflect the Eligible Housing Credit Request Amount, as further described in Item 17.d.(2) below.

In order for the Applicant’s Housing Credit Request Amount to be eligible to be greater than the limits indicated in Column A of the applicable chart set out at (c) below, the proposed Development must qualify for the HUD High Cost Area (HCA) 30 percent boost via one of the three options outlined in Items (1)(a)(i), (1)(a)(ii), or (1)(b) below. If the Applicant intends to qualify for this higher Housing Credit Request Amount limit, it must complete the applicable questions at 17.a.(1) of Exhibit A.

- (a) With regard to Housing Credits, HUD provides regulatory guidance on the effective date of Difficult Development Area (DDA) and Qualified Census Tract (QCT) lists for the purpose of determining whether a Development qualifies for an increase in eligible basis in accordance with Section 42(d)(5)(B) of the IRC.
 - (i) DDA – In order to be classified as a Development located in a DDA for purposes of this RFA, as of the Application Deadline the proposed Development must be located in a HUD-designated DDA. If located in a HUD-designated DDA, provide the requested information at question 17.a.(1)(a)(i) of Exhibit A.
 - (ii) QCT – If the proposed Development is not located in a HUD-designated DDA (as indicated by the Applicant at question 17.a.(1)(a)(i) of Exhibit A), in order to be classified as a Development located in a QCT for purposes of this RFA, the proposed Development must be located in one of the QCTs based on the current census, as determined by HUD as of the Application Deadline, and the Applicant must provide a copy of a letter from the local planning office or census bureau verifying the Development’s location in the referenced QCT as **Attachment 21** to Exhibit A.

(b) Multi-Phase –

For purposes of this Multi-Phase section, a 2014 Housing Credit RFA shall mean the following RFAs: RFA 2013-001, 2013-002, 2013-003, 2014-104, 2014-106, and 2014-107.

- (i) If the Applicant indicates at question 17.a.(1)(b)(i) of Exhibit A that the proposed Development is located in a HUD-designated DDA and/or QCT, per Item (a) above, and is a phase of a multiphase Development where no phase was funded with Competitive Housing Credits in a 2014 Housing Credit RFA and the proposed Development is selected for funding, the procedure and deadline for providing the required information will be included in the Carryover Allocation Agreement.
- (ii) If the proposed Development is located in a HUD-designated DDA and/or QCT, per Item (a) above, and it is an additional phase of a multi-phase Development where a phase was funded with Competitive Housing Credits in a 2014 Housing Credit RFA and the funding was not returned, the Applicant should select question 17.a.(1)(b)(ii) of Exhibit A and provide the following information for such previously funded phase(s) as **Attachment 22** to Exhibit A:

Phase(s) of Multiphase Development Funded with Competitive Housing Credits in a 2014 Housing Credit RFA	
FHFC File No.	Development Name

- (iii) If the proposed Development is not located in a HUD-designated DDA and/or QCT, per Item (a) above, but it is an additional phase of a multi-phase Development where a phase was funded with Competitive Housing Credits in a 2014 Housing Credit RFA and the funding was not returned, and this proposed Development is funded, then the HUD HCA status of the Development funded with Competitive Housing Credits in a 2014 Housing Credit RFA will apply for the additional phase proposed in this Application. The Applicant should select question 17.a.(1)(b)(iii) of Exhibit A and provide the following information for such previously funded phase(s) as **Attachment 22** to Exhibit A:

Phase(s) of Multiphase Development Funded with Competitive Housing Credits in a 2014 Housing Credit RFA	
FHFC File No.	Development Name

- (c) Maximum Housing Credit Request Amount:

The Applicant must state the amount of Housing Credits it is requesting at question 17.a.(1) of Exhibit A (“Applicant’s Housing Credit Request Amount”). The Applicant’s Housing Credit Request Amount cannot exceed the applicable County/County Category amount stated in the following applicable chart:

- (i) Maximum Housing Credit Request Amount for the Demographic Commitment of Family, Elderly (ALF or Non-ALF), or Person with a Disability is limited to:

County Category Maximum Housing Credit Request Limits - Family, Elderly (ALF or Non-ALF), or Persons with a Disability Demographic		
County Category* in which the Development is to be Located	Column A	Column B
	If Development is not located in a DDA or if the Application does not meet the RFA requirements to qualify as a QCT	HCA Bonus – If Development is located in a DDA; and/or if the Application meets the RFA requirements to qualify as QCT
Large County	\$1,276,000	\$1,660,000
Medium County	\$1,155,000	\$1,510,000
Small County	\$825,000	\$1,070,000

- (ii) Maximum Housing Credit Request Amount for the Elderly Transformative Preservation Demographic is limited to:

County/County Category Maximum Housing Credit Request Limits – Elderly Transformative Preservation Demographic		
County / County Category* in which the Development is to be Located	Column A	Column B
	If Development is not located in a DDA or if the Application does not meet the RFA requirements to qualify as a QCT	HCA Bonus – If Development is located in a DDA; and/or if the Application meets the RFA requirements to qualify as QCT
Broward Hillsborough Miami-Dade Orange Palm Beach		\$2,110,000
Duval Pinellas	\$1,276,000	\$1,660,000
Medium County	\$1,155,000	\$1,510,000
Small County	\$825,000	\$1,070,000

*County Categories are described in Section Four A.5.b. of the RFA.

If the Applicant states an amount that is greater than the amount the Applicant is eligible to request relative to the above applicable chart, the Corporation will reduce the amount down to the maximum amount the Applicant is eligible to request as provided in the chart above.

The amount resulting from the lesser of the Applicant's Housing Credit Request Amount (as stated at question 17.a.(1) of Exhibit A) and the adjustment described above, if any, will be deemed to be the Applicant's Eligible Housing Credit Request Amount.

(2) Eligible SAIL Request Amount for Elderly Transformative Preservation Demographic Only:

If SAIL funding is requested in addition to the Housing Credits, the Applicant must state the amount of SAIL it is requesting. For this RFA, the Maximum SAIL Request Amount is limited to the lesser of:

- \$2 million per Development, or
- 25 percent of Total Development Cost

In the event of a discrepancy between the amount shown in this section and that shown elsewhere within the Application, the amount shown in this section shall be deemed to be the Applicant's SAIL Request Amount.

If the Applicant's SAIL request amount exceeds \$2 million or 25 percent of the Total Development Cost shown on the Development Cost Pro Forma (as adjusted during scoring, if applicable), whichever is less, the Corporation will reduce the Applicant's SAIL Request Amount down to the maximum allowable amount and that amount will be the Applicant's Eligible SAIL Request Amount. The Eligible SAIL Request Amount will be the amount of SAIL tentatively awarded should the Application be selected for funding.

The SAIL loan shall be non-amortizing and shall have the following interest rate structure: (a) 0 percent for the portion of the SAIL loan attributable to the units set aside for Frail Elderly Persons and (b) 1 percent for the remaining portion of the SAIL loan. The terms and conditions of the SAIL loan are further outlined in Rule Chapter 67-48, F.A.C.

If the Application awarded funding under the Elderly Transformative Preservation goal (pursuant to Section Four B of the RFA) is currently in the Corporation's portfolio, the principal balance of any existing SAIL or HOME loan(s) will be structured into the debt financing during credit underwriting, either as a refinance or allowed to remain in place, as determined by the Corporation and the Credit Underwriter. At the option of the Applicant, accrued interest on any such existing SAIL or HOME loan(s) will be forgiven as of the date of closing on the financing awarded under this RFA. The rate of interest on the principal balance of an existing SAIL loan will be modified effective the date of closing to 1 percent per annum consistent with the rate of interest on the new funding awarded under this RFA. The rate of interest on the principal balance of an existing HOME loan will be modified as outlined in Section 67-48.020, F.A.C., effective October 8, 2014.

b. Other Funding:

- (1) For All proposed Developments, if the Development has received funding from the Predevelopment Loan Program (PLP), the Corporation file number and amount of funding must be listed at question 17.b.(1) of Exhibit A. Note: PLP funding cannot be used as a source of financing on the Construction/Rehab Analysis or the Permanent Analysis.
- (2) For Elderly Transformative Preservation Demographic Developments that are currently in the Corporation’s portfolio, the Applicant must list on the chart at question 17.b.(2) of Exhibit A any other Corporation funding that is intended to be utilized as a source of financing for the proposed Development.
- (3) For Family, Elderly (ALF or Non-ALF), or Person with a Disability Demographic Developments, if the proposed Development will be assisted with funding under the United States Department of Agriculture RD 515 Program and/or RD 538 Program, the following information must be provided:
 - (a) Indicate the applicable RD Program(s).
 - (b) For a proposed Development assisted with funding from RD 515 and to qualify for the RD Proximity Point Boost (outlined in Section Four A.10.b.(1)(b) of the RFA), the Applicant must:
 - (i) Include the funding amount at the USDA RD Financing line item on the Development Funding Pro Forma (Construction/Rehab Analysis and/or Permanent Analysis); and
 - (ii) Provide a letter from RD, dated within six (6) months of the Application Deadline, as **Attachment 23** to Exhibit A, which includes the following information for the proposed Preservation Development:
 - Name of existing development;
 - Name of proposed Development;
 - Current RD 515 Loan balance;
 - Acknowledgment that property is applying for Housing Credits; and
 - Acknowledgment that the property will remain in the USDA RD 515 loan portfolio.
 - (c) If the proposed Development will be assisted with funding under the RD 538 Program, the Applicant must:
 - (i) Include the funding amount at the USDA RD Financing line item on the Development Funding Pro Forma (Construction/Rehab Analysis and/or Permanent Analysis); and
 - (ii) Provide the letter sent to the Applicant by an RD 538 approved lender certifying that the lender is prepared to make a loan consistent with the program requirements through the Section 538 Guaranteed Rural Rental Housing (“538”) Loan Program as **Attachment 23** to Exhibit A. The U.S. Department of Agriculture, Rural Development (RD), list of Section 538 Guaranteed Rural Rental Housing approved lenders is available by clicking [here](#).

As outlined in Item 2.h. of the Applicant Certification and Acknowledgement form, the Section 538 Selection letter must be provided during credit underwriting.

c. Finance Documents:

All Applicants must complete the Development Cost Pro Forma listing the anticipated expenses or uses, the Detail/Explanation Sheet, if applicable, and the Construction or Rehab Analysis and Permanent Analysis listing the anticipated sources. The sources must equal or exceed the uses. During the scoring process, if a funding source is not considered and/or if the Applicant's HC Request Amount, or if applicable, its SAIL Request Amount, is adjusted downward, as outlined in Item 17.a. above, this may result in a funding shortfall. If the Applicant has a funding shortfall, it will be ineligible to be considered for funding.

The Development Cost Pro Forma must include all anticipated costs of the Development construction, rehabilitation and, if applicable, acquisition, including the Developer fee and General Contractor fee, as outlined below. Any amounts that are not an anticipated cost to the Development, such as waived or reimbursed fees or charges, cannot be included in the Development Cost Pro Forma. Note: deferred Developer fees are not considered "waived fees."

(1) Developer Fee

Developer fee shall be limited to 16 percent of Development Cost. The maximum allowable Developer fee will be tested during the scoring of the Application by multiplying the Development Cost by 16 percent, carried to 2 decimal places and may not be rounded up.

The Corporation will allow up to 100 percent of the eligible Developer fee to be deferred and used as a source on the Development Cost Pro Forma without the requirement to show evidence of ability to fund.

(2) General Contractor Fee

General Contractor fee shall be limited to 14 percent of actual construction cost. The maximum allowable General Contractor fee will be tested during the scoring of the Application by multiplying the actual construction cost by 14 percent, carried to 2 decimal places and may not be rounded up.

(3) Contingency Reserves:

For Application purposes, the maximum hard and soft cost contingencies allowed cannot exceed 15 percent of hard costs and 5 percent of soft costs, respectively. In credit underwriting, the maximum will be as described in Rule Chapter 67-48, F.A.C., to account for any new construction units, if applicable. The determination of the contingency reserve is limited to the maximum stated percentage of total actual construction costs (hard costs) and general development costs (soft costs), as applicable.

(4) Operating Deficit Reserves:

An operating deficit reserve is not to be included as part of Development Costs and cannot be used in determining the maximum Developer fee. The maximum allowable operating deficit reserve or any other reserves, other than contingency reserves as provided above, that are permitted in the Application is zero. An operating deficit reserve, if necessary, will be permitted and sized in credit underwriting and may be different than the Application limit. Operating deficit reserves include, but are not limited to, operating reserves, debt service reserves, lease-up reserves, rent-restabilization reserves, and any pre-funded capital (replacement) reserves.

Developer fee and General Contractor fee must be disclosed. In the event the Developer fee and/or General Contractor fee are/is not disclosed on the Development Cost Pro Forma, the Corporation will assume that these fees will be the maximum allowable and will add the maximum amount(s) to Total Development Cost. If an Applicant lists a Developer fee, General Contractor fee, contingency reserve or operating deficit reserve that exceeds the stated Application limits, the Corporation will adjust it/them to the maximum allowable.

d. Non-Corporation Funding Proposals:

In order for funding, other than deferred Developer fee, to be counted as a source on the Construction/Rehab and/or Permanent Analysis, the Applicant must provide documentation of all financing proposals from both the construction and the permanent lender(s), equity proposals from the syndicator, and other sources of funding. The financing proposals must state whether they are for construction financing, permanent financing, or both, and all attachments and/or exhibits referenced in the proposal must be included. Insert documentation for each source as a separate attachment to Exhibit A beginning with **Attachment 24** and continuing with sequentially numbered attachments for each additional funding source. Evidence for each funding source must be behind its own sequentially numbered attachment.

For purposes of the Application, net operating income will not be considered a source of financing.

(1) Financing Proposal

Financing proposal documentation, regardless of whether the documentation is in the form of a commitment, proposal, term sheet, or letter of intent, must meet the following criteria. Evidence for each funding source must be behind its own numbered attachment.

(a) Each financing proposal shall contain:

- (i) Amount of the construction loan, if applicable;
- (ii) Amount of the permanent loan, if applicable;
- (iii) Specific reference to the Applicant as the borrower or direct recipient; and
- (iv) Signature of all parties, including acceptance by the Applicant.

Note: Although Local Government Contributions is not included in this RFA as a point item, eligible Local Government financial commitments (i.e., grants and loans) can be considered a source of financing without meeting the requirements of (i) through (iv) above if the Applicant provides the properly completed and executed Local Government Verification of Contribution – Grant Form (Form 01-14) and/or the Local Government Verification of Contribution – Loan Form (Form 01-14) and such grant and/or loan is effective at least through December 31, 2015. The grant and loan forms (Form 01-14) are available on the Corporation Website at:<http://www.floridahousing.org/Developers/MultiFamilyPrograms/Competitive/2015-104/RelatedForms/> (also accessible by clicking [here](#)). If the loan form is used, the space for entering the net present value of the loan is not applicable to this RFA and will not be considered.

(b) Financing that has closed:

(i) If the financing has closed in the Applicant's name, provide a letter from the lender acknowledging that the loan has closed. The letter must also include the following information:

- Amount of the construction loan, if applicable;
- Amount of the permanent loan, if applicable; and
- Specific reference to the Applicant as the borrower/direct recipient/mortgagee.

(ii) Except for HUD, RD, and Corporation funding, if the financing involves an assumption of debt not currently in the Applicant's name, as evidence that the lender approves of the proposal of assumption, the Applicant must provide a letter from the lender, dated within six (6) months of the Application Deadline, that includes the following information:

- Specifically references the Applicant as the assuming party;
- If a permanent loan, states the amount to be assumed; and
- If a construction loan, states the maximum amount of funding capacity.

If the debt being assumed is provided by HUD, the Applicant must provide a letter from HUD, dated within six (6) months of the Application Deadline, confirming the funding source. The letter must include the following information:

- Name of existing development;
- Name of proposed Development;
- Loan balance;
- Acknowledgment that property is applying for Housing Credits; and
- Applicable HUD program.

If the debt being assumed is provided by RD, the Applicant is only required to provide the information described in Item 17.b.(3) above.

If the debt being assumed is existing Corporation funding, the proposed Development must qualify for the Elderly Transformative Preservation Demographic Commitment at question 2.d. of Exhibit A and the Applicant must complete the chart at question 17.b.(2) of Exhibit A.

(c) If the financing proposal is not from a Regulated Mortgage Lender in the business of making loans, a governmental entity, or the seller of the Development's property (see below for qualifying criteria), evidence of ability to fund must be provided. Evidence of ability to fund includes: (i) a copy of the lender's most current audited financial statements no more than 17 months old; or (ii) if the loan has already been funded, a copy of the note and recorded mortgage. The age of all financial statements is as of the Application Deadline. In evaluating ability to fund, the Corporation will consider the entity's unrestricted current assets typically used in the normal course of business. Assets considered restricted include, but are not limited to, pension funds, rental security deposits, and sinking funds. Financing proposals from lenders who cannot demonstrate ability to fund will not count as a source of financing. Financial statements must be included in the Application. Note: This provision does not apply to deferred Developer fee.

In the case where the seller of the Development's property is providing a seller's note (purchase money mortgage) to help finance the Applicant's acquisition of the property, evidence of its ability to fund the amount of the seller's note is not needed so long as the Application includes a letter from the seller that meets the financing proposal criteria outlined in 17.d.(1)(a) above and the amount of the seller's note is equal to or less than the purchase price of the property.

- (d) If a financing proposal shows an amount less than the corresponding line item on the Development Cost Pro Forma, only the financing proposal amount will be considered as a funding source. However, if a financing proposal shows an amount in excess of the corresponding line item on the Development Cost Pro Forma, up to the total amount of the financing proposal amount may be utilized as a funding source, if needed.
 - (e) The loan amount may be conditioned upon an appraisal or debt service coverage ratio or any other typical due diligence required during credit underwriting.
 - (f) Financing proposals may be conditioned upon the Applicant receiving the funding from the Corporation for which it is applying.
 - (g) If a financing proposal has a provision for holding back funds until certain conditions are met, the amount of the hold-back will not be counted as a source of construction financing unless it can be determined that the conditions for the release of the hold-back can be met prior to or simultaneous with the closing of the Development's permanent financing.
 - (h) Grant funds are contributions to the Development, other than equity, which carry no repayment provision or interest rate. A commitment for grant funds will be considered a commitment for scoring purposes if the commitment is properly executed and, if applicable, evidence of ability to fund is provided.
- (2) Housing Credit Equity Proposal

For the purpose of this RFA, to be counted as a source an equity proposal, regardless of whether the documentation is in the form of a commitment, proposal, term sheet or letter of intent, must: (i) if syndicating/selling the Housing Credits, meet the requirements outlined in (a) below and include the information outlined in (b) below, or (ii) if not syndicating/selling the Housing Credits, meet the requirements outlined in (a) below and include the information outlined in (c) below:

- (a) If the Eligible Housing Credit Request Amount is less than the anticipated amount of credit allocation stated in the equity proposal, the equity proposal will not be considered a source of financing. However, if the Eligible Housing Credit Request Amount is greater than the anticipated amount of credit allocation stated in the equity proposal, the equity proposal will be considered a source of financing.
- (b) If syndicating/selling the Housing Credits:
 - (i) A Housing Credit equity proposal must also meet the following criteria:
 - Be executed by all parties, including the Applicant;
 - Include specific reference to the Applicant as the beneficiary of the equity proceeds;

- State the proposed amount of equity to be paid prior to construction completion;
- State the anticipated Eligible Housing Credit Request Amount;
- State the anticipated dollar amount of Housing Credit allocation to be purchased; and
- State the anticipated total amount of equity to be provided.

(ii) If the limited partnership agreement or limited liability company operating agreement has closed, the closed agreement must be provided. To be counted as a source of financing, the partnership agreement or operating agreement must meet the requirements of Item 17.d.(2)(b)(i) above or the Applicant must submit separate documentation, signed by the equity provider, expressly stating any required criteria not provided in the agreement.

Note: Item 1.b.(2)(b) of the Applicant Certification and Acknowledgement form outlines the requirement and deadline for the Applicant's confirmation that the documented equity amount to be paid prior to or simultaneous with the closing of construction financing is at least 15 percent of the total proposed equity to be provided (the 15 percent criteria).

(c) If not syndicating/selling the Housing Credits, the owner's commitment to provide equity must be provided.

(i) The commitment must include the following:

- The proposed amount of equity to be paid prior to construction completion;
- The anticipated Eligible Housing Credit Request Amount;
- The anticipated dollar amount of Housing Credit allocation to be purchased; and
- The anticipated total amount of equity to be provided.

(ii) Evidence of ability to fund must be provided as an Attachment to the Application.

e. Per Unit Construction Funding Preference for Family, Elderly (ALF or Non-ALF), or Person with a Disability Demographic Commitment:

(1) The following Applications will qualify for this funding preference, as outlined in Section Four B of the RFA:

Applications with the above-referenced Demographics that reflect an amount of at least \$32,500 per unit when the amount listed in the Total column of the Development Cost Pro Forma for the Development Cost line item A1.1 Actual Construction Cost is divided by the number of total units in the Development.

(2) The following Applications will not qualify for this funding preference:

Applications with the above-referenced Demographics that reflect an amount less than \$32,500 per unit, when the amount listed in the Total column of the Development Cost Pro Forma for the Development Cost line item A1.1 Actual Construction Cost is divided by the number of total units in the Development.

Indicate whether the proposed development qualifies for this funding preference at question 17.e. of Exhibit A.

Except for deferred Developer fee, the Application requires complete information on all sources of Development funding and the proposed uses of those funds. All loans, grants, donations, syndication proceeds, etc., should be detailed in the Application as outlined above. The total amount of monetary funds determined to be in funding proposals must equal or exceed uses.

Addenda:

The Applicant may use the Addenda section of Exhibit A to provide any additional information or explanatory addendum for items in the Application except for Items 2.d., 12, 13, 14, 15, and 16 of Exhibit A. Please specify the particular Item to which the additional information or explanatory addendum applies.

B. Funding Selection:

For purposes of the following provisions, an RD Development shall mean that the Application demonstrated RD 515 funding at Attachment 23, as outlined in Section Four A.17.b.(3)(b) of the RFA, and a Non-RD Development shall mean that the Applicant either did not demonstrate RD 515 funding at Attachment 23, or that the letter provided at Attachment 23 was not satisfactory.

2. Funding Goals:

The Corporation has the following funding goals:

- a. Elderly Transformative Preservation Goal –

A goal to fund one (1) eligible Elderly Transformative Preservation Application. To qualify for this goal, the eligible Application must have met all of the Elderly Transformative Preservation Qualifying Conditions.

Once an eligible Application is selected to meet the Elderly Transformative Preservation goal, or if there are no eligible Applications that qualify for this goal, no further Elderly Transformative Preservation Demographic Applications will be selected for funding in this RFA.

- b. RD Development in Medium or Small County Goal –

A goal to fund one (1) eligible RD Development located in a Medium or Small County, regardless of whether the Application's Demographic Commitment is Family or Elderly (ALF or Non-ALF).

c. Non-RD Development Family Demographic Goal –

A goal to fund one (1) Non-RD Development with the Family Demographic Commitment.

3. Application Sorting Order:

a. Eligible Applications with the Demographic Commitment of Elderly Transformative Preservation:

The highest scoring Applications will be determined by first sorting all eligible Applications from highest score to lowest score, with any scores that are tied separated as follows:

- (1) First by the Application's points earned for its response provided in the RFA related to the Applicant's description (at question 13.a. of Exhibit A) of its experience in managing affordable housing targeted to Elderly and Frail Elderly residents, particularly housing that serves as a platform for supportive services to assist frail residents to age in place (with Applications earning a higher score for question 13.a. listed above Applications earning a lower score);
- (2) Next by the Application's Leveraging Classification which is outlined in Item 1.e. of Exhibit C of the RFA (with Applications that receive the Classification of A listed above Applications that receive the Classification of B);
- (3) Next by the Application's eligibility for the Concrete Construction Funding Preference, as outlined at Section Four A.5.c.(3) of the RFA (with Applications that qualify for the preference listed above Applications that do not qualify for the preference);
- (4) Next by the Application's eligibility for the Florida Job Creation Preference which is outlined in Item 1.f. of Exhibit C of the RFA (with Applications that qualify for the preference listed above Applications that do not qualify for the preference);
- (5) And finally by lottery number, resulting in the lowest lottery number receiving preference.

b. Eligible Applications with the Demographic Commitment of Family, Elderly (ALF or Non-ALF), or Person with a Disability:

The highest scoring Applications will be determined by first sorting together all eligible Applications with these Demographic Commitments, from highest score to lowest score, with any scores that are tied separated as follows:

- (1) First by the Age of Development (with preference given to Applications that demonstrate within the documentation provided at question 5.c.(2)(d) of Exhibit A that the proposed Development was originally built in the year 1985 or earlier);
- (2) Next by RA Level 1, 2 or 3 (with preference given to Applications that achieve an RA Level Classification of RA Level 1, 2 or 3, as outlined in Item 2.d. of Exhibit C of the RFA);

- (3) Next by the Application's eligibility for the Concrete Construction Funding Preference, as outlined at Section Four A.5.c.(3) of the RFA (with Applications that qualify for the preference listed above Applications that do not qualify for the preference);
 - (4) Next by the Application's eligibility for the Per Unit Construction Funding Preference which is outlined in Section Four A.17.e. of the RFA (with Applications that qualify for the preference listed above Applications that do not qualify for the preference);
 - (5) Next by the Application's Leveraging Classification which is outlined in Item 1.e. of Exhibit C of the RFA (with Applications that receive the Classification of A listed above Applications that receive the Classification of B);
 - (6) Next by the Application's RA Level (with preference given to Applications with the lowest RA Level Classification so that RA Level 1 Applications receive the most preference and RA Level 6 Applications receive the least preference);
 - (7) Next by the Application's eligibility for the Florida Job Creation Preference which is outlined in Item 1.f. of Exhibit C of the RFA (with Applications that qualify for the preference listed above Applications that do not qualify for the preference);
 - (8) And finally by lottery number, resulting in the lowest lottery number receiving preference.
4. Housing Credit Funding Test: Unless stated otherwise, Applications will be selected for funding only if there is enough funding available to fully fund the Eligible Housing Credit Request Amount.
 5. County's Award Tally: Throughout the entire Selection Process and Returned Allocation Process, outlined in Items 6 and 7 below, as each Application is selected for tentative funding, the county where the proposed Development is located will have one (1) Application credited towards the County's Award Tally. The Corporation will prioritize eligible unfunded Applications that meet the Funding Test (where applicable) and are located in counties that have the lowest County Award Tally above other eligible unfunded Applications with a higher County Award Tally that also meet the Funding Test (where applicable), even if the Applications with a higher County Award Tally are higher ranked.
 6. Selection Process:
 - a. The first Application that will be selected for funding will be the highest ranked eligible Application that is eligible for the Elderly Transformative Preservation goal.
 - b. If the Elderly Transformative Preservation goal is met, or if there are no eligible Applications that meet this goal, then the next Application that will be considered for funding will be the highest ranked eligible Application that is eligible for the RD Development in Medium or Small County goal, subject to the Housing Credit Funding Test and County Award Tally.
 - c. If the RD Development in Medium or Small County goal is met, or if there are no eligible Applications that meet this goal, then the next Application that will be considered for funding will be the highest ranked eligible Application that is eligible for the Non-RD Development Family Demographic goal, subject to the Housing Credit Funding Test and County Award Tally.
 - d. If the Non-RD Development Family Demographic goal is met, or if there are no eligible Applications that meet this goal, then the next Applications that will be considered for

funding will be the highest ranked eligible unfunded Non-RD Development Application(s) with the Demographic of Elderly (ALF or Non-ALF) or Person with a Disability, subject to the Housing Credit Funding Test and County Award Tally.

- e. If funding remains and there are no eligible unfunded Non-RD Development Applications with the Elderly (ALF or Non-ALF) or Person with a Disability Demographic that can be fully funded, the next Application that will be considered for funding will be the highest ranked eligible unfunded RD Development (regardless of county size) that has a Demographic Commitment different from the Application selected to meet the RD Development in Medium or Small County goal, subject to the County Award Tally. If there is not enough funding available to fully fund the RD Development Application's Eligible Housing Credit Request Amount, the Application will be entitled to receive a Binding Commitment for the unfunded balance.

If funding remains and there is no eligible unfunded RD Development (regardless of county size) that has a Demographic Commitment different from the Application selected to meet the RD Development in Medium or Small County goal, then the highest ranked eligible unfunded RD Development (regardless of county size and Demographic Commitment) will be selected, subject to the County Award Tally. If there is not enough funding available to fully fund the RD Development Application's Eligible Housing Credit Request Amount, the Application will be entitled to receive a Binding Commitment for the unfunded balance.

7. Returned Allocation Process:

Funding that becomes available after the Board takes action on the Committee's recommendation(s), due to an Applicant withdrawing its Application, an Applicant declining its invitation to enter credit underwriting, or the Applicant's inability to satisfy a requirement outlined in this RFA and/or Rule Chapter 67-48, F.A.C., will be distributed in the following manner:

- a. If the funding was originally awarded to an Application selected to meet the Elderly Transformative Preservation goal, as outlined in Item 6.a. above, the returned funding will be distributed to the highest ranked eligible unfunded Elderly Transformative Preservation Demographic Application that can be fully funded, subject to the County Award Tally. If funding remains and no eligible Application that meets this criteria can be fully funded, then the remaining funding will be distributed as approved by the Board.
- b. If the funding was originally awarded to an Application selected to meet the RD Development in Medium or Small County goal, as outlined in Item 6.b. above, the returned funding will be distributed to the highest ranked eligible unfunded Application, subject to the County Award Tally, that (i) can meet the goal, (ii) has the same Demographic Commitment as the Application that returned the funding, and (iii) can be fully funded.

If funding remains and no eligible unfunded Application meets the above criteria, then the funding will be distributed to the highest ranked eligible unfunded Application, subject to the County Award Tally, that (i) can meet the goal, regardless of its Demographic Commitment, and (ii) can be fully funded.

If funding remains and there is no eligible unfunded Application that can (i) meet goal and (ii) be fully funded, then the remaining funding will be distributed as approved by the Board.

- c. If the funding was originally awarded to an Application selected to meet the Non-RD Development Family Demographic goal, as outlined in Item 6.c. above, the returned funding will be distributed to the highest ranked eligible unfunded Application that can meet the goal

and can be fully funded, subject to the County Award Tally. If funding remains and no eligible unfunded Application that meets this criteria can be fully funded, then the remaining funding will be distributed as approved by the Board.

- d. If the funding was originally awarded to a Non-RD Development Application with the Elderly (ALF or Non-ALF) or Person with a Disability Demographic Commitment, as outlined in Item 6.d. above, the returned funding will be distributed to the highest ranked eligible unfunded Non-RD Development Application(s) with the Elderly (ALF or Non-ALF) or Person with a Disability Demographic Commitment that can be fully funded, subject to the County Award Tally. If funding remains and no eligible unfunded Application that meets this criteria can be fully funded, then the remaining funding will be distributed as approved by the Board.
- e. If the funding was originally awarded to an RD Development, as outlined in Item 6.e. above, the returned funding, excluding the Binding Commitment amount, if applicable, will be distributed to the highest ranked eligible unfunded RD Development (regardless of county size or Demographic Commitment) that can be fully funded, subject to the County Award Tally. If funding remains and no eligible unfunded Application that meets this criteria can be fully funded, then the remaining funding will be distributed as approved by the Board.

RFA 2015-104 DEVELOPMENT COST PRO FORMA

- NOTES:
- (1) Developer fee may not exceed the limits established in Rule Chapter 67-48, F.A.C. Any portion of the fee that has been deferred must be included in Total Development Cost.
 - (2) Because Housing Credit equity is being used as a source of financing, complete Columns 1 and 2.
 - (3) General Contractor's fee is limited to 14% of actual construction cost (A.1.1. Column 3). The General Contractor's fee must be disclosed. The General Contractor's fee includes General Conditions, Overhead, and Profit.
 - (4) In reference to impact fees, a tax professional's advice should be sought regarding eligibility of these fees.
 - (5) For Application purposes, the maximum hard cost contingency allowed cannot exceed 15% and the maximum soft cost contingency allowed cannot exceed 5%. Hard costs are represented by the total of A1.3. TOTAL ACTUAL CONSTRUCTION COSTS and soft costs are represented by the total of A2. TOTAL GENERAL DEVELOPMENT COST. Limitations on these cost line items post-Application are provided in Rule Chapter 67-48, F.A.C. Operating Deficit Reserves (ODR) are not to be included in C. DEVELOPMENT COST and cannot be used in determining the maximum Developer fee. An ODR is not permitted in the Application, but one is permitted in credit underwriting where, if necessary, it will be sized.
 - (6) Because Housing Credit equity is being used (with or without SAIL) as a source of financing, an estimated compliance fee should be included in column 2.
 - (7) Although the Corporation acknowledges that the costs listed on the Development Cost Pro Forma, Detail/Explanation Sheet, Construction or Rehab Analysis and Permanent Analysis are subject to change during credit underwriting, such costs are subject to the Total Development Cost Per Unit Limitation as provided in the RFA as well as the other cost limitations provided in Rule Chapter 67-48, F.A.C., as applicable.

 - (a) Name and address of the chief elected official of the local jurisdiction where the proposed Development is located;
 - (b) The unit mix for the proposed Development (number of bedrooms per unit, number of baths per unit, and number of units per bedroom type); and

SURVEYOR CERTIFICATION FORM

¹“Scattered Sites,” as applied to a single Development, means a Development site that, when taken as a whole, is comprised of real property that is not contiguous (each such non-contiguous site within a Scattered Site Development, a “Scattered Site”). For purposes of this definition “contiguous” means touching at a point or along a boundary. Real property is contiguous if the only intervening real property interest is an easement provided the easement is not a roadway or street.

²“Development Location Point” means a single point selected by the Applicant on the proposed Development site that is located within 100 feet of a residential building existing or to be constructed as part of the proposed Development. For a Development which consists of Scattered Sites, this means a single point on the site with the most units that is located within 100 feet of a residential building existing or to be constructed as part of the proposed Development.

³The latitude and longitude coordinates for all Proximity Services must represent a point as outlined on the Coordinates Location Chart set out below. The coordinates for each service must be stated in degrees, minutes and seconds, with the degrees and minutes stated as whole numbers and the seconds represented to 2 decimal places. If the degrees and minutes are not stated as whole numbers and the seconds are not represented to 2 decimal places, the Applicant will not be eligible for proximity points for that service.

Coordinates Location Chart	
Service	Location where latitude and longitude coordinates must be obtained
Community Services	Coordinates must represent a point that is on the doorway threshold of an exterior entrance that provides direct public access to the building where the service is located.
Transit Services	<p>For Public Bus Stop, Public Bus Rapid Transit Stop, Public Bus Transfer Stop, TriRail Rail Stations and MetroRail Rail Stations, coordinates must represent the location where passengers may embark and disembark the bus or train.</p> <p>For the following SunRail Rail Stations, coordinates must represent the location where passengers may embark and disembark the train:</p> <p>SunRail Station Name Altamonte Springs Station Church Street Station DeBary Station Florida Hospital Station Lake Mary Station LYNX Central Station Longwood Station Maitland Station Orlando Amtrak/ORMC Station Sand Lake Road Station Sanford/SR46 Station Winter Park/Park Ave Station</p>

If there is no exterior public entrance to the Community Service, then a point should be used that is at the exterior entrance doorway threshold that is the closest walking distance to the doorway threshold of the interior public entrance to the service. For example, for a Pharmacy located within an enclosed shopping mall structure that does not have a direct public exterior entrance, the latitude and longitude coordinates at the doorway threshold of the exterior public entrance to the enclosed shopping mall that provide the shortest walking distance to the doorway threshold of the interior entrance to the Pharmacy would be used.

Applicants may use the same latitude and longitude coordinates for the Grocery Store, Medical Facility and/or Pharmacy if the Grocery Store, Medical Facility and/or Pharmacy is housed at the same location.

d. Total Development Cost Per Unit Limitation:

The Corporation shall limit the Total Development Cost (TDC) per unit for all Developments categorized by the construction type of the units as indicated by the Applicant on Exhibit A of the RFA. The maximum amounts are provided on the TDC Per Unit Limitation chart set out below (the maximum TDC per unit exclusive of land costs, applying any applicable TDC multiplier) and will be tested during the scoring of the RFA, during the credit underwriting process, and during the final allocation process, as outlined below.

These TDC limitation amounts are effective from the Application Deadline through Final Cost Certification.

For Family, Elderly (ALF or Non-ALF), or Person with a Disability Demographic - TDC Add-On for Applicants that qualify for the PHA Proximity Point Boost in Section Four A.10.b.(1)(a) and are located in either a Small County or a Medium County as described in Section Four A.5.b.					\$5,000 of additional per unit funding will be added to the above Maximum TDC Per Unit Limitation		

*Garden includes all Development Types other than Mid-Rise and High-Rise; Non-Garden includes Development Types of Mid-Rise (4 stories, 5 stories, or 6 stories) and High-Rise (7 or more stories); Mid-Rise includes Development Types of Mid-Rise (4 stories, 5 stories, or 6 stories); and High-Rise includes Development Type of High Rise (7 or more stories)

**Exclusive of land costs and exclusive of any operating deficit reserves that are part of the permanent phase (i.e., non-construction) financing for the Development which have not been included within the Developer fee. When the term of operating deficit reserves (ODR) are mentioned in this TDC Per Unit Limitation section, the term shall refer to these particular operating deficit reserves.

- (1) Any Application that has an amount that exceeds these limitations will not be eligible to be considered for funding.
- (2) Any Applicant that has the Credit Underwriter present a credit underwriting report with an amount that exceeds these limitations by more than 5 percent, taking into consideration an escalation factor for construction costs rising after the Application Deadline of 1.4 percent and incorporating any applicable TDC reduction and adjustments processes provided below will receive a negative recommendation by the Credit Underwriter.

Any Applicant that has the Credit Underwriter present a credit underwriting report with an amount that exceeds these limitations, taking into consideration the applicable escalation factor outlined above, will require staff to review the credit underwriting report for compliance to the TDC reduction and adjustment procedure provided below:

- (a) The Developer fee will be limited to the maximum allowable within the TDC Per Unit Base Limitation, inclusive of any applicable escalation factor, in all instances. A Developer fee can be earned on qualifying TDC exclusive of land and any operating deficit reserves up to the TDC Per Unit Base Limitation, inclusive of any applicable escalation factor, but it cannot be earned on costs in excess of said limitation. If the Development costs exceed the amount allowed by the TDC Per Unit Base Limitation, inclusive of any applicable escalation factor, then the maximum allowable Developer fee will be adjusted as outlined below. The maximum allowable Developer fee can be determined by multiplying the applicable TDC Per Unit Base Limitation with respect to the Development as provided in this RFA, inclusive of any applicable escalation factor, by the number of total units in the Development. Second, divide this product by 1.16 and then multiply the result by 16 percent *. This will yield the maximum allowable Developer fee within the TDC Per Unit Base Limitation, inclusive of any applicable escalation factor.

Prior to determining any necessary adjustment, if the Developer fee initially stated by the Applicant or Credit Underwriter is in excess of the maximum allowable Developer fee as provided in (a) above, the Developer fee will be reduced to said maximum allowable Developer fee and the TDC will be equally reduced to incorporate the cost reduction.

- (b) Subsequent to reducing the Developer fee to the maximum allowable amount provided above, additional adjustments may be necessary if the TDC Per Unit Base Limitation remains exceeded. An adjustment to the maximum allowable Developer fee shall be determined by reducing the maximum allowable Developer fee as determined in (a) above dollar-for-dollar for any costs in excess of the amount allowed by the TDC Per Unit Base Limitation, inclusive of any applicable escalation factor, up to the lesser of (i) the actual amount of costs in excess of the amount allowed by the TDC Per Unit Base Limitation, inclusive of any applicable escalation factor, (ii) \$500,000, or (iii) 25 percent of the maximum allowable Developer fee. If the stated Developer fee, inclusive of any necessary adjustments incorporated above, exceeds the maximum allowable Developer fee as adjusted herein, the stated Developer fee, inclusive of any necessary adjustments incorporated above shall be further adjusted to not exceed the new maximum allowable Developer fee and the TDC will be equally reduced to incorporate the cost reduction. If after following this Developer fee limitation process, the TDC exclusive of land costs and any operating deficit reserves is reduced to be within the amount allowed by the TDC Per Unit Base Limitation, inclusive of any applicable escalation factor, then the Developer fee adjustment calculation is complete. If the TDC exclusive of land costs and any operating deficit reserves remains above the amount allowed by the TDC Per Unit Base Limitation, inclusive of any applicable escalation factor, then there is an additional Developer fee adjustment, as outlined in (c) below.
- (c) An additional Developer fee adjustment will be initiated to further reduce the allowable Developer fee in the event the TDC exclusive of land costs and any operating deficit reserves (as adjusted above) exceeds the TDC Per Unit Base Limitation. The reduction will be determined by deriving a percentage amount that the TDC exclusive of land costs and any operating deficit reserves (as adjusted above) exceeds the TDC Per Unit Base Limitation, inclusive of any applicable escalation factor, and multiplying this excess percentage by the amount of the adjusted Developer fee, resulting in a product that is the additional adjustment to the Developer fee. For instance, if the Development's adjusted TDC exclusive of land costs and any operating deficit reserves exceeds the limitation,

inclusive of any applicable escalation factor, by 4 percent, then the allowable Developer fee is further reduced by 4 percent. Once this step is complete, there is no further Developer fee adjustment or corresponding cost savings to be incorporated into the TDC as a result of having a TDC exclusive of land costs and any operating deficit reserves that exceeds the limitation.

As a note, if the Developer fee in the credit underwriting report is already at or below this allowable Developer fee, then there is no additional adjustment to be incorporated into the Developer fee. This also means there are no corresponding costs savings to reduce the TDC since all TDC cost reductions stemming from this process are coming from reducing the Developer fee. If the Developer fee in the credit underwriting report needs to be reduced to incorporate any adjustment as provided above, then as the Developer fee is reduced, so is the TDC in order to incorporate the reduced Developer fee cost.

For example:

An 120-unit development not located in Broward County, Miami-Dade County, or Monroe County with a Development Type of Garden that did not qualify for the PHA Proximity Point Boost in Section Four A.10.b.(1)(a) reports a TDC of \$17,920,000, inclusive of a stated Developer fee of \$2,470,000, and exclusive of land and all operating deficit reserves at time of credit underwriting, and also prior to any adjustment:

Calculate TDC Limitation for the Development and Maximum Allowable Developer fee

- 1.(a) TDC Per Unit Base Limitation, inclusive of any applicable escalation factor (1.4%) and the applicable TDC Multiplier (100%): $\$143,200 \text{ Per Unit} \times (1 + 1.4\%) / 100\% = \$145,205 \text{ Per Unit}$.
- 1.(b) Determine TDC Limitation for the Development: $\$145,205 \text{ Per Unit} \times 120 \text{ units} = \$17,424,576$.
- 1.(c) Implied maximum Development Cost per the limitation: $\$17,424,576 \div 1.16 = \$15,021,187$.
- 1.(d) Determine maximum allowable Developer fee within the limitation (prior to any Developer fee adjustment): $\$15,021,187 \times 16\% = \$2,403,389$.

First Developer fee/TDC adjustment Calculation Methodology (If necessary)

- 2.(a)(i) Is the stated Developer fee greater than the maximum allowable? $\$2,470,000 > \$2,403,389$.
- 2.(a)(ii) If the response to 2.(a)(i) is yes, then determine the excess: $\$2,470,000 - \$2,403,389 = \$66,611$ (excess Developer fee and excess TDC).
- 2.(b) Reduce the stated Developer fee to the lesser of either the maximum allowable or the stated fee and reduce the stated TDC by an equal amount: $\$2,470,000 - \$66,611 = \$2,403,389$; $\$18,100,000 - \$66,611 = \$18,033,389$.
- 2.(c) If the response to 2.(a)(i) is no or once the adjustment of 2.(b) has been completed, then determine if the TDC remains in excess of the limitation and if so, the amount of the excess: $\$18,033,389 - \$17,424,576 = \$608,813$.
- 2.(d) Determine the lesser of either (i) \$500,000, (ii) 25 percent of the maximum allowable Developer fee, or (iii) 100% of the excess TDC: $25\% \times \$2,403,389 = \$600,848$; $\$500,000 < \$600,848 < \$608,813$.

- 2.(e) Apply the least amount of the three options in 2(d) above to determine the maximum allowable Developer fee, subject to this adjustment: $\$2,403,389 - \$500,000 = \$1,903,389$.
- 2.(f) TDC reduction due to Developer fee adjustment: $\$18,033,389 - \$500,000 = \$17,533,389$.

(As a note, this TDC is still greater than the TDC Per Unit Base Limitation, inclusive of any applicable upward adjust so an additional Developer fee adjustment will need to be calculated.)

Second Developer fee/TDC adjustment Calculation Methodology (If necessary)

- 3.(a) The percentage the TDC without land costs and operating deficit reserves (as adjusted above for first adjustment) that exceeds the amount allowed by the TDC Per Unit Base Limitation, inclusive of any applicable escalation factor: $\$17,533,389 - \$17,424,576 = \$108,813$; $\$108,813 \div \$17,424,576 = 0.62\%$.
- 3.(b) Additional adjustment: $0.62\% \times \$1,903,389 = \$11,887$.
- 3.(c) Final maximum Developer fee, after adjustments, at time of credit underwriting: $\$1,903,389 - \$11,887 = \$1,891,502$.
- 3.(d) Final adjusted TDC at time of credit underwriting: $\$17,533,389 - \$11,887 = \$17,521,502$.
- 3.(e) Verify status of the 5% variance test: $(\$17,521,502 - \$17,424,576) / \$17,424,576 = 0.6\%$, which falls under the criteria of being less than or equal to 5% above of the TDC Per Unit Base Limitation, inclusive of any applicable escalation factor.
- (3) Any Applicant that presents a Final Cost Certification Application Package (FCCAP) that has amounts that exceed the TDC Per Unit Base Limitation, subject to an escalation factor of 1.4 percent will require staff to review the FCCAP for compliance to the procedure provided below. If the Development has already had its Developer fee adjusted at credit underwriting as provided in d.(2) above and the TDC without land and any operating deficit reserve in the FCCAP exceeds the TDC without land provided in the credit underwriting report, then the Developer fee will have an additional adjustment to be incorporated as provided in (d) below.
- (a) The Developer fee will be limited to the maximum allowable within the TDC Per Unit Base Limitation, inclusive of any applicable escalation factor, in all instances. A Developer fee can be earned on qualifying TDC exclusive of land costs and operating deficit reserves up to the TDC Per Unit Base Limitation, inclusive of any applicable escalation factor, but it cannot be earned on costs in excess of said limitation. If the Development costs exceed the amount allowed by the TDC Per Unit Base Limitation, inclusive of any applicable escalation factor, then the maximum allowable Developer fee will be adjusted as outlined below. The maximum allowable Developer fee can be determined by multiplying the applicable TDC Per Unit Base Limitation with respect to the Development as provided in this RFA, inclusive of any applicable escalation factor, by the number of total units in the Development. Second, divide this product by 1.16 and then multiply the result by 16 percent *. This will yield the maximum allowable Developer fee within the TDC Per Unit Base Limitation, inclusive of any applicable escalation factor.

Prior to determining any necessary adjustment, if the Developer fee initially stated by the FCCAP is in excess of the maximum allowable Developer fee as provided in (a) above, the Developer fee will be reduced to said maximum allowable Developer fee and the TDC will be equally reduced to incorporate the cost reduction.

- (b) Subsequent to reducing the Developer fee to the maximum allowable amount, additional adjustments may be necessary if the TDC Per Unit Base Limitation remains exceeded. An adjustment shall be determined by reducing the maximum allowable Developer fee as determined in (a) above dollar-for-dollar for any costs in excess of the amount allowed by the TDC Per Unit Base Limitation, inclusive of any applicable escalation factor, up to the lesser of (i) the actual amount of costs in excess of the amount allowed by the TDC Per Unit Base Limitation, inclusive of any applicable escalation factor, (ii) \$250,000, or (iii) 10 percent of the maximum allowable Developer fee. If the stated Developer fee, inclusive of any necessary adjustments incorporated above, exceeds the maximum allowable Developer fee as adjusted herein, the stated Developer fee, inclusive of any necessary adjustments incorporated above shall be further adjusted to not exceed the new maximum allowable Developer fee and the TDC will be equally reduced to incorporate the cost reduction. If after following this Developer fee limitation process, the TDC exclusive of land costs and any operating deficit reserves is reduced to be within the amount allowed by the TDC Per Unit Base Limitation, inclusive of any applicable escalation factor, then the Developer fee adjustment calculation is complete. If the TDC exclusive of land costs and any operating deficit reserves remains above the amount allowed by the TDC Per Unit Base Limitation, inclusive of any applicable escalation factor, then there is an additional Developer fee adjustment, as outlined in (c) below.
- (c) An additional Developer fee adjustment will be initiated to further reduce the allowable Developer fee in the event the TDC exclusive of land costs and any operating deficit reserves (as adjusted above) exceeds the TDC Per Unit Base Limitation. The reduction will be determined by deriving a percentage amount that the TDC exclusive of land costs and any operating deficit reserves (as adjusted above) exceeds the amount allowed by the TDC Per Unit Base Limitation, inclusive of any applicable escalation factor and multiplying this excess percentage by the amount of the adjusted Developer fee, resulting in a product that is the additional adjustment to the Developer fee. For instance, if the Development's adjusted TDC exclusive of land costs and any operating deficit reserves exceeds the limitation, inclusive of any applicable escalation factor, by 4 percent, then the allowable Developer fee is further reduced by 4 percent. Once this step is complete, there is no further Developer fee adjustment or corresponding cost savings to be incorporated into the TDC as a result of having a TDC exclusive of land costs that exceeds the limitation.

As a note, if the Developer fee in the FCCAP is already at or below this allowable Developer fee, then there is no additional adjustment to be incorporated into the Developer fee. This also means there are no corresponding costs savings to reduce the TDC since all TDC cost reductions stemming from this process are coming from reducing the Developer fee. If the Developer fee in the FCCAP needs to be reduced to incorporate any penalties provided above, then as the Developer fee is reduced, so is the TDC in order to incorporate the reduced Developer fee cost.

- (d) For those Developments that have already had its Developer fee adjusted at credit underwriting as provided in d.(2) above and whose TDC without land in the FCCAP exceeds the TDC without land costs and any operating deficit reserves provided in the

credit underwriting report, the allowable Developer fee will incorporate an additional adjustment. This additional Developer fee adjustment will be the lesser of (i) the difference between the amount of TDC exclusive of land costs as reported in the FCCAP that is in excess of the TDC exclusive of land costs provided in the credit underwriting report, (ii) \$250,000, or (iii) 10 percent of the allowable Developer fee reported in the credit underwriting report. If the Developer fee in the FCCAP is already equal to or less than the allowable Developer fee as determined with the incorporation of this additional Developer fee adjustment, then neither the Developer fee nor the TDC is further reduced.

For example:

Assuming the Development in the example provided in d.(2) above provides a FCCAP with a TDC exclusive of land costs and any operating deficit reserves of \$300,000 higher than the TDC exclusive of land costs provided in the credit underwriting report, but the Developer fee is the same as provided in the credit underwriting report of \$1,891,502. The additional Developer fee adjustment will be the lesser of (i) \$300,000 (the new excess costs), (ii) \$250,000 (the maximum dollar limit of this additional Developer fee adjustment), or (iii) \$189,151 (10% of the allowable Developer fee reported in the credit underwriting report).

Since (iii) is the lowest of the three options, the allowable Developer fee and the TDC will both be lowered by \$189,151. The allowable Developer fee will be \$1,702,351 (the allowable Developer fee reported in the credit underwriting report of \$1,891,502, less the adjustment of \$189,151). The TDC exclusive of land costs in the FCCAP would be adjusted to \$17,632,351 (\$17,521,502 from the credit underwriting report plus \$300,000 of new additional costs less \$189,151 for the reduction in allowable Developer fee).

*These figures represent the applicable Developer fee percentage for the Development (16%) and one plus the applicable Developer fee percentage for the Development (1+16%).

e. Leveraging Classification:

All eligible Applications will be classified as either Group A or Group B based on the amount of total Corporation funding per set-aside unit, as outlined below:

(1) Calculating the Set-Aside Units:

The total number of set-aside units for each Application will be computed by multiplying the total number of units within the proposed Development by the highest Total Set-Aside Percentage the Applicant committed to as stated in the last row of the set-aside breakdown chart in the Set-Aside Commitment section of the Application. Results that are not a whole number will be rounded up to the next whole number.

(2) The Corporation will calculate the total Corporation funding per set-aside unit for each Application in the following manner:

- (a) If the Development is not located in a HUD designated HCA, the Eligible Housing Credit Request Amount will be multiplied by 9.0; or
- (b) If the Development is located in a HUD designated HCA, the Eligible Housing Credit Request Amount will be multiplied by 9.0 and that product will be divided by 1.3.

- (c) For Applications with the Elderly Transformative Preservation Demographic Commitment, the Applicant's Eligible SAIL Request Amount will be added to the Eligible Housing Credit Request Amount computed under (a) or (b) above.
- (3) To determine each eligible Application's Leveraging Classification, the Applications will be divided into two (2) separate lists, as follows:
- (a) All eligible Applications with the Elderly Transformative Preservation Demographic Commitment will be listed in ascending order beginning with the Application that has the lowest amount of total Corporation funding per set-aside unit and ending with the Application that has the highest amount of total Corporation funding per set-aside unit.

The total number of eligible Applications will be multiplied by 90 percent and the resulting figure will be rounded up to the next whole number (the resulting figure after rounding will be referred to as the "A/B Cut-Off"). A line will be drawn below the Application whose place on the list is equal to the A/B Cut-Off. If any Application(s) below the line has the same total Corporation funding request per set-aside unit as the Application immediately above the line, the line will be moved to a place immediately below that Application(s). Applications above the A/B Cut-Off will be classified as Group A and Applications below the A/B Cut-Off will be classified as Group B.

- (b) All eligible Applications with the Family, Elderly (ALF or Non-ALF), or Person with a Disability Demographic Commitment will be listed together in ascending order beginning with the Application that has the lowest amount of total Corporation funding per set-aside unit and ending with the Application that has the highest amount of total Corporation funding per set-aside unit.

The total number of eligible Applications will be multiplied by 90 percent and the resulting figure will be rounded up to the next whole number (the resulting figure after rounding will be referred to as the "A/B Cut-Off"). A line will be drawn below the Application whose place on the list is equal to the A/B Cut-Off. If any Application(s) below the line has the same total Corporation funding request per set-aside unit as the Application immediately above the line, the line will be moved to a place immediately below that Application(s). Applications above the A/B Cut-Off will be classified as Group A and Applications below the A/B Cut-Off will be classified as Group B.

f. Florida Job Creation Preference:

Each Application will be measured to determine whether it qualifies for the Florida Job Creation Preference. To determine eligibility for the preference, the Corporation will calculate the Application's Florida Job Creation score, which will reflect the number of Florida jobs per \$1 million of implied eligible Housing Credit equity and loan funding, if applicable. Only Applications with a score equal to or greater than 7.0 will qualify for the Florida Job Creation Preference in Section Four B of the RFA.

Determination of the Florida Job Creation score will be based on the following information:

- The number of new construction and/or rehabilitation units committed to by the Applicant (as stated by the Applicant at question 5.e. of Exhibit A of the RFA);
- The applicable Florida job creation rate for the type of units:
 - Rate of 3.376 Florida Jobs per unit for proposed new construction units;

- Rate of 1.534 Florida Jobs per unit for proposed rehabilitation units;
- The Eligible Housing Credit Request Amount; and
- The Eligible SAIL Request Amount, if applicable.

The score for the Florida Rate of Job Creation per \$1 million of implied eligible Housing Credit equity and, if applicable, total SAIL Loan funding will be measured using one of the following calculations:

(1) Developments consisting of only rehabilitation units:

Number of rehabilitation units x 1.534 Florida Jobs per Unit x 1,000,000 / (the sum of the Eligible Housing Credit Request Amount x 9.0 plus the Eligible SAIL Loan Request Amount, if applicable) = Florida Jobs per \$1 million of Housing Credit Allocation.

For example:

Application A chose the Elderly Transformative Preservation Demographic, consists of 140 rehabilitation units, has an Eligible Housing Credit Request Amount of \$1,660,000 and an Eligible SAIL Loan Request Amount of \$2,000,000.

$$140 \times 1.534 \times 1,000,000 / (1,660,000 \times 9.0 + 2,000,000) = \text{Florida Job Creation score of } 12.22.$$

(2) Developments consisting of both new construction units and rehabilitation units:

(Number of new construction units x 3.376 Florida Jobs per Unit + number of rehabilitation units x 1.534 Florida Jobs per Unit) x 1,000,000 / (the sum of the Eligible Housing Credit Request Amount x 9.0 plus the Eligible SAIL Loan Request Amount, if applicable) = Florida Jobs per \$1 million of Housing Credit Allocation.

For example:

Application B consists of 10 new construction units and 74 rehabilitation units and has an Eligible Housing Credit Request Amount of \$1,500,000.

$$[(10 \times 3.376) + (74 \times 1.534)] \times 1,000,000 / (1,500,000 \times 9.0 + 0) = \text{Florida Job Creation score of } 10.91.$$

In above examples, both Applications will qualify for the Florida Job Creation Preference because they each have a Florida Job Creation score that is at least 7.0.

g. Fees:

The Corporation and, if applicable, the Credit Underwriter shall collect via check or money order from the Applicant the following fees and charges in conjunction with this RFA. Failure to pay any fee shall cause the Housing Credit allocation and, if applicable, the SAIL funding award to be withdrawn as outlined in the Carryover Allocation Agreement and the credit underwriting and program requirements outlined in Rule Chapter 67-48, F.A.C.

(1) Application Fee:

All Applicants requesting funding under this RFA shall submit to the Corporation as a part of the Application submission a non-refundable Application fee of \$3,000.00.

(2) Credit Underwriting Fees:

The following fees are not the fees that will be charged, but are listed below for estimation purposes of completing your pro-forma in the Application. d. Rental Assistance (RA) Level Classification for Applications with the Family, Elderly (ALF or Non-ALF), or Person with a Disability Demographic Commitment:

Part of the criteria for a proposed Family, Elderly (ALF or Non-ALF), or Person with a Disability Demographic Development that qualifies as a Limited Development Area (LDA) Development to be eligible to be considered for funding is based on its RA Level, as outlined at Section Four A.7.b.(3) above.

The total number of units that will receive rental assistance (i.e., PBRA and/or ACC), as stated in the HUD or RD qualification letter provided as Attachment 7 (as outlined in Section Four A.5.c.(2)(d) above), will be considered to be the proposed Development’s RA units and will be the basis of the Applicant’s RA Level Classification. The Corporation will divide the RA units by the total units stated by the Applicant at question 5.e. of Exhibit A, resulting in a Percentage of Total Units that are RA units. Using the Rental Assistance Level Classification Chart below, the Corporation will determine the RA Level associated with both the Percentage of Total Units and the RA units. The best rating of these two (2) levels will be assigned as the Application’s RA Level Classification.

Rental Assistance Level Classification Chart			
Rental Assistance Level	Percentage of Total Units with Rental Assistance		Number of RA Units
Level 1	All units receive rental assistance (with the exception of up to 2 units)	or	At least 100 units and greater than 50% of the total units
Level 2	Greater than 90.00%	or	Greater than 90 units but less than 100 units and greater than 50% of the total units
Level 3	Greater than 75.00%, equal to or less than 90.00%	or	Greater than 75 units but less than 90 units and greater than 50% of the total units
Level 4	Greater than 50.00%, equal to or less than 75.00%		N/A
Level 5	Greater than 10.00%, equal to or less than 50.00%		N/A
Level 6*	10.00% or less of the total units receive rental assistance		N/A

*Applications will be classified RA Level 6 if 10.00% or less of the total units receive rental assistance.
