- f. The name of the Applicant entity stated in the Application may be changed only by written request of an Applicant to Corporation staff and approval of the Board after the Applicant has been invited to enter credit underwriting. In addition, the Applicant entity shall be the borrowing entity for the SAIL funding and may not be changed in any way until after the closing of the loan, as further outlined in Item 1 of Exhibit C.
- g. The success of an Applicant in being selected for funding is not an indication that the Applicant will receive a positive recommendation from the Credit Underwriter or that the Development Team's experience, past performance or financial capacity is satisfactory. The past performance record, financial capacity, and any and all other matters relating to the Development Team, which consists of Developer, Management Company, General Contractor, Architect, Attorney, and Accountant, will be reviewed during credit underwriting. The Credit Underwriter may require additional information from any member of the Development Team including, without limitation, documentation on other past projects and financials. - l. The Applicant certifies that the conditions of the selected Development Category, as outlined at Section Four A.5.d. of the RFA, are met.
 - m. In exchange for receiving funding from Florida Housing, Florida Housing reserves the authority to restrict the disposition of any funds remaining in any operating deficit reserve(s) after the term of the reserve's original purpose has terminated or is near termination. Authorized disposition uses are limited to payments towards any outstanding loan balances of the Development funded from Florida Housing, any outstanding Florida Housing fees, any unpaid costs incurred in the completion of the Development (i.e., deferred Developer fee), the Development's capital replacement reserve account (provided however, that any operating deficit reserve funds deposited to the replacement reserve account will not replace, negate, or otherwise be considered an advance payment or pre-funding of the Applicant's obligation to periodically fund the replacement reserve account), the reimbursement of any loan(s) provided by a partner, member or guarantor as set forth in the Applicant's organizational agreement (i.e., operating or limited partnership agreement), and, in the case of a Development with a Homeless or Persons with Special Needs Demographic Commitment, another operating deficit reserve whereby its final disposition remains under this same restriction. The actual direction of the disposition is at the Applicant's discretion so long as it is an option permitted by Florida Housing. In no event shall the payment of amounts to the Applicant or the Developer from any operating deficit reserve established for the Development cause the Developer fee or General Contractor fee to exceed the applicable percentage limitations provided for in this RFA.
 - n. If the Applicant applies as a Non-Profit entity and meets the eligibility requirements outlined in Section Four A.3.c. of the RFA, it must remain a Non-Profit entity and the Non-Profit entity must (i) receive at least 25 percent of the Developer fee, and (ii) understand that it is the Non-Profit entity's responsibility to contractually ensure that it substantially and materially participates in the management and operation of the Development throughout the Compliance Period.
4. The Applicant acknowledges that any funding preliminarily secured by the Applicant is expressly conditioned upon any independent review, analysis and verification of all information contained in the Application that may be conducted by the Corporation, the successful completion of credit underwriting, and all necessary approvals by the Board of Directors, Corporation or other legal counsel, the Credit Underwriter, and Corporation Staff.
 5. If preliminary funding is approved, the Applicant will promptly furnish such other supporting information, documents, and fees as may be requested or required. The Applicant understands and agrees that the Corporation is not responsible for actions taken by the Applicant in reliance on a preliminary commitment by the Corporation. The Applicant commits that no qualified residents will be refused occupancy because they have Section 8 vouchers or certificates.
 6. By Certificate of Occupancy, the Applicant commits to participate in the statewide housing locator system, as required by the Corporation.
