HOUSING THAT IS A PART OF LOCAL REVITALIZATION INITIATIVES**

Issued By:

FLORIDA HOUSING FINANCE CORPORATION

Issued: January 23, 2018

Due: March 8, 2018

SECTION ONE INTRODUCTION

Florida Housing Finance Corporation (the Corporation) is authorized by section 420.507(48), F.S., to use up to 5 percent of its annual allocation of low-income housing tax credits (Housing Credits) in a competitive solicitation to finance high-priority affordable housing developments, as determined by the Corporation. Under this Request for Applications (RFA), the Corporation expects to offer an estimated \$2,465,000 of Housing Credits for Family or Elderly Developments, for affordable, multifamily rental housing that is part of a broader neighborhood or local community revitalization effort. The Corporation is seeking applications for new construction, redevelopment or rehabilitation of Family or Elderly (non-Assisted Living Facility) properties in areas where a Local Government is implementing a planned initiative in partnership with private and other public stakeholders to invest funding and other resources to rejuvenate the area. This RFA includes an incentive for Applicants to commit to provide mixed-income units.

The Corporation is soliciting applications from qualified Applicants that commit to provide housing in accordance with the terms and conditions of this RFA, inclusive of Exhibits A through F, Rule Chapters 67-48 and 67-60, F.A.C., applicable laws and regulations, and the Corporation's generally applicable construction and financial standards.

SECTION TWO DEFINITIONS

Capitalized terms within this RFA shall have the meaning as set forth in Exhibit B, in Rule Chapters 67-48 and 67-60, F.A.C., or in applicable federal regulations.

SECTION THREE PROCEDURES AND PROVISIONS

A. Submission Requirements

1. The Application Deadline is **11:00 a.m., Eastern Time, on March 8, 2018**. To meet the submission requirements, prior to the Application Deadline the Applicant must do all of the following for its Application:
 - a. The Applicant must download and complete the following documents found on the Corporation Website at <http://www.floridahousing.org/programs/developers-multifamily-programs/competitive/2018/2018-102> (also available by clicking [here](#)):
 - (1) The Application;
 - (2) The Development Cost Pro Forma; and
 - (3) The Principals of the Applicant and Developer(s) Disclosure Form (Form Rev. 08-16) ("Principals Disclosure Form"). A Principals Disclosure Form that was approved during the Advance Review Process, which is described in Section Four A.3.d. of the RFA, may be used to satisfy this

requirement, provided the form was approved for the type of funding being requested (i.e. Housing Credits or non-Housing Credits).

The download process may take several minutes. Applicants should save these three (3) documents with a file name that is unique to the specific Application.

- b. Next, when the Applicant is ready to submit the completed Application, Development Cost Pro Forma and Principals Disclosure form (the "Complete Online Submission Package") to the Corporation, the Applicant must go to the webpage <http://www.floridahousing.org/programs/developers-multifamily-programs/competitive/2018/2018-102> (also available by clicking [here](#)) and click the link to login and upload the Complete Online Submission Package consisting of these three (3) documents. To upload the Complete Online Submission Package, a username and password must be entered. If the Applicant has not previously created a username and password, the Applicant will need to create one prior to the upload process.
- c. After successfully logging in, the Applicant must click "Upload Application." The Applicant must also enter the Development Name, click "Browse" to locate the completed Application, Development Cost Pro Forma and Principals Disclosure form that were saved on the Applicant's computer, and then click "Upload Selected File." (Note: Hard copies of all attachments are not uploaded. The hard copies must be included with the printed copies of the Complete Online Submission Package as provided in e. below.) If the Applicant received an approved Principals Disclosure Form through the Advance Review Process, the approved form is what should be uploaded (in Excel format) with the Application and Development Cost Pro Forma. The selected Application will then be listed as an Uploaded Application (consisting of the three (3) documents comprising the Complete Online Submission Package), and its assigned Response Number will be visible in the first column.
- d. Next, to view and print the Uploaded Application (consisting of the Complete Online Submission Package), the Applicant must click "Print Application for Submission to Florida Housing." The assigned Response Number will be reflected on each page of the printed Uploaded Application. The Applicant must submit three (3) printed copies of the Uploaded Application to the Corporation, as outlined in item e. below.

Note: If the Applicant clicks "Delete" prior to the Application Deadline, the Application will no longer be considered an Uploaded Application and the Applicant will be required to upload the Complete Online Submission Package again in order for these documents to be considered an Uploaded Application. This will generate a new Response Number.

- e. The Applicant must provide to the Corporation by the Application Deadline sealed package(s) containing three (3) printed copies of the final Uploaded Application (consisting of the Complete Online Submission Package) with all applicable attachments, as outlined in Section Four, with each copy housed in a separate 3-ring-binder with numbered divider tabs for each attachment. The

final assigned Response Number should be reflected on each page of the printed Application, Development Cost Pro Forma, and Principals Disclosure Form.

- (1) One (1) printed copy of the complete Uploaded Application with all applicable attachments must be labeled “Original Hard Copy” and must include the following items:
 - (a) The required non-refundable \$3,000 Application fee, payable to Florida Housing Finance Corporation (check or money order only); and
 - (b) The Applicant Certification and Acknowledgement form with an original signature (blue ink preferred);
- (2) The remaining two (2) printed copies of the complete Uploaded Application with all applicable attachments should be labeled “Copy”.

f. The Applicant should label the outside of each shipping box with the applicable RFA number. The Corporation will not consider faxed or e-mailed Applications.

2. After 11:00 a.m., Eastern Time, on the Application Deadline, each Application for which hard copies are received by the Application Deadline will be assigned an Application number. In addition, these Applications will be assigned a lottery number by having the Corporation’s internal auditors run the total number of Applications received through a random number generator program.

The printed copies of the complete Application must be addressed to:

Marisa Button
Director of Multifamily Allocations
Florida Housing Finance Corporation
227 N. Bronough Street, Suite 5000, Tallahassee, FL 32301

If any of the hard copies of Exhibit A (the Application), the Development Cost Pro Forma, and/or the Principals of the Applicant and Developer(s) Disclosure Form are not identical to the complete Uploaded Application, the Uploaded Application will be utilized for scoring purposes.

Pursuant to subsection 67-60.004(2), F.A.C., any Applicant may request withdrawal of its Application from a competitive solicitation by filing a written notice of withdrawal with the Corporation Clerk. For purposes of the funding selection process, the Corporation shall not accept any Application withdrawal request that is submitted between 5:00 p.m., Eastern Time, on the last business day before the date the scoring committee meets to make its recommendations until after the Board has taken action on the scoring committee’s recommendations, and such Application shall be included in the funding selection process as if no withdrawal request had been submitted. Any funding or allocation that becomes available after such withdrawal is accepted shall be treated as Returned Funding and disposed of according to Section Five B. of the RFA.

- B. This RFA does not commit the Corporation to award any funding to any Applicant or to pay any costs incurred in the preparation or delivery of an Application.
- C. Florida Housing reserves the right to:
1. Waive Minor Irregularities; and
 2. Accept or reject any or all Applications received as a result of this RFA.

- E. Any person who wishes to protest the specifications of this RFA must file a protest in compliance with Section 120.57(3), Fla. Stat., and Rule Chapter 28-110, F.A.C. Failure to file a protest within the time prescribed in Section 120.57(3), Fla. Stat., shall constitute a waiver of proceedings under Chapter 120, Fla. Stat.
- F. By submitting this Application, including all applicable attachments thereto, each Applicant agrees to the terms and conditions outlined in the RFA and certifies that:
1. **Public Records.** Any material submitted in response to this RFA is a public record pursuant to Chapter 119, Fla. Stat. Per Section 119.071(1)(b)2., the sealed Applications received by the Corporation are exempt from disclosure until such time as the Board provides notice of an intended decision or until 30 Calendar Days after the opening of the sealed Applications, whichever is earlier.
 2. **Noninterference.** At no time during the review and evaluation process, commencing with the Application Deadline and continuing until the Board renders a final decision on the RFA, may Applicants or their representatives contact Board members or Corporation staff, except Corporation legal staff, concerning their own or any other Applicant's Application. If an Applicant or its representative does contact a Board or staff member in violation of this section, the Board shall, upon a determination that such contact was made in an attempt to influence the selection process, disqualify the Application.
 3. **Requirements.** Proposed Developments funded under this RFA will be subject to the requirements of the RFA, inclusive of all Exhibits, the Application requirements outlined

in Rule Chapter 67-60, F.A.C., the requirements outlined in Rule Chapter 67-48, F.A.C., and the Compliance requirements of Rule Chapter 67-53, F.A.C.

4. Modifications. Any modifications that occur to the Request for Application will be posted on the web site and may result in an extension of the deadline. It is the responsibility of the Applicant to check the website for any modifications prior to the Application Deadline.
- G. The Corporation expects to select one (1) or more Applications to award the funding contemplated by this RFA. Any such Applications will be selected through the Corporation's review of each Application, considering the factors identified in this RFA.

The Corporation is aware of the May 1st deadline for filing the annual report with the Division of Corporations and will accept a Certificate of Good Standing for the Applicant that reflects an expiration date of December 31 of either the current year or the previous year.

- (3) An Applicant that indicates that it is applying as a Non-Profit will only be considered a Non-Profit, for purposes of this RFA, if the Applicant (i) answers the question demonstrating that it meets the definition of Non-Profit as set out in Rule Chapter 67-48, F.A.C.; and (ii) provides the required information stated below. Any Applicant that applies as a Non-Profit but is not considered a Non-Profit will still be eligible for funding as a for profit entity.

For purposes of the "Add-On Bonus", the Public Housing Authority must not be disclosed as only the Investor Limited Partner of the Applicant or Investor Member of the Applicant.

c. General Developer Information

- (1) The Applicant must state the name of each Developer, including all co-Developers.
- (2) Each Developer entity identified (that is not a natural person) must be a legally formed entity qualified to do business in the state of Florida as of the Application Deadline. For each stated Developer entity that is not a natural person, provide, as **Attachment 4** to Exhibit A, evidence from the Florida Department of State, Division of Corporations, that the Developer satisfies the foregoing requirements. Such evidence may be in the form of a certificate of status or other reasonably reliable information or documentation issued, published or made available by the Florida Department of State, Division of Corporations.

- (3) General Development Experience

To be eligible for funding, at least one natural person Principal of the Developer entity, or if more than one Developer entity, at least one natural person Principal of at least one of the Developer entities, must meet the General Development Experience requirements in (a) and (b) below.

(a) General Development Experience

A natural person Principal of each experienced Developer entity, must have, since January 1, 1998, completed at least three (3) affordable rental housing developments, at least one (1) of which was a Housing Credit development completed since January 1, 2008. At least one (1) of the three (3) completed developments must consist of a total number of units no less than 50 percent of the total number of units in the proposed Development. For purposes of this provision, completed for each of the three (3) developments means (i) that the temporary or final certificate of occupancy has been issued for at least one (1) unit in one (1) of the residential apartment buildings within the development, or (ii) that at least one (1) IRS Form 8609 has been issued for one (1) of the residential apartment buildings within the development. As used in this section, a Housing Credit development that contains multiple buildings is a single development regardless of the number of buildings within the development for which an IRS Form 8609 has been issued.

If the experience of a natural person Principal for a Developer entity listed in this Application was acquired from a previous affordable housing Developer entity, the natural person Principal must have also been a Principal of that previous Developer entity as the term Principal was defined by the Corporation at that time.

(b) Prior General Development Experience Chart

The Applicant must provide, as **Attachment 4** to Exhibit A, a prior experience chart for each natural person Principal intending to meet the minimum general development experience reflecting the required information for the three (3) completed affordable rental housing developments, one (1) of which must be a Housing Credit development.

Each prior experience chart must include the following information:

Prior General Development Experience Chart				
Name of natural person Principal with the required experience:				
Name of Developer Entity (for the proposed Development) for which the above individual is a Principal:				
Name of Development	Location (City & State)	Affordable Housing Program that Provided Financing (e.g., Housing Credits, Tax-Exempt Bonds, HOME, SAIL, etc.)	Total Number of Units	Year Completed

d. Principals Disclosure for the Applicant and for each Developer (5 points)

(1) Eligibility Requirements

To meet the submission requirements, the Applicant must upload the Principals of the Applicant and Developer(s) Disclosure Form (Form Rev. 08-16)

("Principals Disclosure Form") with the Application and Development Cost Pro Forma, as outlined in Section Three above.

The Principals Disclosure Form must identify the Principals of the Applicant and Developer(s) as of the Application Deadline and should include, for each applicable organizational structure, only the types of Principals required by Subsection 67-48.002(93), F.A.C. A Principals Disclosure Form should not include, for any organizational structure, any type of entity that is not specifically included in the Rule definition of Principals.

(2) Point Item

Applicants will receive 5 points if the uploaded Principal Disclosure Form was stamped "Approved" during the Advance Review Process provided (a) it is still correct as of Application Deadline, and (b) it was approved for the type of funding being requested (i.e., Housing Credits or Non-Housing Credits). The Advance Review Process for Disclosure of Applicant and Developer Principals is available on the Corporation's Website <http://www.floridahousing.org/programs/developers-multifamily-programs/competitive/2018/2018-102> (also accessible by clicking [here](#)) and also includes samples which may assist the Applicant in completing the required Principals Disclosure Form.

Note: It is the sole responsibility of the Applicant to review the Advance Review Process procedures and to submit any Principals Disclosure Form for review in a timely manner in order to meet the Application Deadline.

(3) For purposes of the following, a material change shall mean 33.3 percent or more of the Applicant, a general partner of the Applicant, or a non-investor member of the Applicant, and a non-material change shall mean less than 33.3 percent of the Applicant, a general partner of the Applicant, or a non-investor member of the Applicant.

The name of the Applicant entity stated in the Application may be changed only by written request of an Applicant to Corporation staff and approval of the Board after the Applicant has been invited to enter credit underwriting.

The Applicant entity shall be the recipient of the Housing Credits and cannot be changed in any way (materially or non-materially) until after the Carryover Allocation Agreement is in effect. Once the Carryover Allocation Agreement has been executed by all parties, (a) replacement of the Applicant or a material change in the ownership structure of the named Applicant will require Board approval prior to the change, and (b) any non-material change in the ownership structure of the named Applicant will require Corporation approval prior to the change. The Applicant entity may be changed without Board approval after a Final Cost Certification Package has been approved by the Corporation and the IRS Forms 8609 have been issued; however, the Corporation must still be notified in writing of the change. Changes to the Applicant entity (material or non-material) prior to the execution of a Carryover Allocation Agreement or

without Board approval or Corporation approval, as applicable, prior to the approval of the Final Housing Credit Allocation and issuance of the IRS Forms 8609 may result in a disqualification from receiving funding and may be deemed a material misrepresentation. Changes to the investor limited partner of an Applicant limited partnership or the investor-member of an Applicant limited liability company owning the syndicating interest therein will not result in disqualification.

- (4) The Principals of each Developer identified in the Application, including all co-Developers, may be changed only by written request of an Applicant to Corporation staff and approval of the Board after the Applicant has been invited to enter credit underwriting. In addition, any allowable replacement of an experienced Principal of a Developer entity must meet the experience requirements that were met by the original Principal.

e. **General Management Company Information**

The Applicant must identify the Management Company and provide, as **Attachment 5** to Exhibit A, a prior experience chart for the Management Company or a principal of Management Company demonstrating experience in the management of at least two (2) affordable rental housing properties (i.e., properties funded through an affordable housing program such as Housing Credits, Tax-Exempt Bonds, Home, SAIL, etc.), at least one (1) of which consists of a total number of units no less than 50 percent of the total number of units in the proposed Development, for at least two (2) years each.

The prior experience chart must include the following information:

Prior General Management Experience Chart				
Name of Management Company or a Principal of the Management Company with the Required Experience:				
Name of Development	Location (City & State)	Currently Managing or Formerly Managed	Length of Time (Number of Years)	Total Number of Units

4. General Proposed Development Information

Unless stated otherwise, all information requested in the RFA pertains to the Development proposed in this Application.

- a. The Applicant must state the name of the proposed Development.
- b. Development Category/ Rental Assistance (RA) Level
 - (1) The Applicant must select one (1) of the following Development Categories:
 - New Construction
 - Rehabilitation
 - Acquisition and Rehabilitation

If the proposed Development consists of acquisition and Rehabilitation, with or without new construction (where the applicable new construction is for the building of units which will total less than 50 percent of the proposed Development's total unit count), and the Applicant is not requesting Corporation funding related to the acquisition, the Applicant should select Rehabilitation as the Development Category. However, the acquisition costs and sources must still be reflected on the Development Cost Pro Forma.

- (2) The proposed Development must meet the Development Category requirements for the applicable Development Category as listed below:
- (a) New Construction
 - At least 50 percent of the total units must be new construction
 - (b) Rehabilitation (with or without Acquisition)
 - (i) Less than 50 percent of the total units are new construction;
 - (ii) The proposed Development must meet the definition of Rehabilitation, in Rule 67-48.002, F.A.C.; and
 - (iii) The estimated qualified basis in Rehabilitation expenses per set aside unit within one 24-month period for the building(s) being rehabilitated must be at least \$25,000 per set-aside unit. This is calculated using the greater of the two following criteria:
 - 20 percent of the eligible Total Acquisition Costs of Existing Development (as reflected in Column 1 of Item B. of the Development Cost Pro Forma), multiplied by the Total Set-Aside Percentage, with the resulting amount divided by the number of total set-aside units; or
 - The eligible Total Development Cost (as reflected in Column 1 of Item G of the Development Cost Pro Forma), minus the eligible Acquisition Costs of Existing Developments (as reflected in Column 1 of Item B. of the Development Cost Pro Forma), minus Developer Fee on Acquisition Costs (as reflected in Column 1 of the Development Cost Pro Forma). If the proposed Development qualifies for a basis boost, take this calculated amount and multiply it by 1.3. Take the resulting amount and multiply by the Total Set-Aside Percentage and then divide by the number of set-aside units.
- (3) Rental Assistance (RA) Level Classification
- (a) Development Category qualification letter

The Development Category qualification letter is not an eligibility requirement for proposed Developments with the Development Category of New Construction or Rehabilitation, with or without Acquisition; however, in order to be classified as an RA Level other than RA Level 6, the Development Category qualification letter must be provided as **Attachment 6**, and must meet the following requirements:

The Development Category qualification letter must be a letter from a designated administrator of a federal program that provides long-term rental assistance. The rental assistance provided must be tied to the proposed Development and its units and be for a minimum of 20 years from the date the Development's units are placed in service*. The letter must include the following information and be dated within 12 months of the Application Deadline:

- Name of the proposed Development;
- Address of the proposed Development;
- Total number of units that will receive PBRA, ACC, and/or other form of federal long-term rental assistance if the proposed Development is funded;
- The federal program associated with the rental assistance; and
- A statement that the committed rental assistance will be reserved and available for use by the proposed Development by the time the units are placed in service and committed for a minimum of 20 years upon the units being placed in service*.

*This may be subject to congressional appropriation and continuation of the rental assistance program. For developments documenting the commitment of RD rental assistance, the minimum 20-year commitment term from the date the Development's units are placed in service is not applicable.

All funded Applications will be held to the number of RA units stated in the applicable letter provided by the Applicant. This requirement will apply throughout the compliance period, subject to congressional appropriation and continuation of the rental assistance program.

(b) Calculating the Rental Assistance (RA) Level

The total number of units that will receive rental assistance (i.e., PBRA and/or ACC and, in the case of New Construction and Rehabilitation, other forms of federal long-term rental assistance), as stated in the Development Category qualification letter provided as **Attachment 6**, will be considered to be the proposed Development's RA units and will be the basis of the Applicant's RA Level Classification. The Corporation will divide the RA units stated in the applicable Development Category qualification letter by the total units stated by the Applicant in Exhibit A, resulting in a Percentage of Total Units that are RA units. Using the Rental Assistance Level Classification Chart below, the Corporation will determine the RA Level associated with both the Percentage of Total

Units and the number of RA units. The best rating of these two (2) levels will be assigned as the Application’s RA Level Classification.

Rental Assistance Level Classification Chart			
Rental Assistance Level	Percentage of Total Units that will receive Rental Assistance		Number of RA Units that will receive Rental Assistance
Level 1	All units (with the exception of up to 2 units)	or	At least 100 RA units and greater than 50% of the total units
Level 2	Greater than 90.00%	or	Greater than 90 RA units but less than 100 RA units and greater than 50% of the total units
Level 3	Greater than 75.00%, equal to or less than 90.00%	or	Greater than 75 RA units but less than 90 RA units and greater than 50% of the total units
Level 4	Greater than 50.00%, equal to or less than 75.00%		N/A
Level 5	Greater than 10.00%, equal to or less than 50.00%		N/A
Level 6*	10.00% or less of the total units receive rental assistance		N/A

*Applications will be classified RA Level 6 if 10.00% or less of the total units will receive rental assistance or if the Applicant fails to meet the criteria outlined above.

(4) Development Category Funding Preference

- (a) Applicants that selected the Development Category of New Construction will automatically qualify for the Development Category Funding Preference.
- (b) Qualifications for Applicants that selected the Development Category of Rehabilitation, with or without Acquisition

Applicants that selected the Development Category of Rehabilitation, with or without Acquisition, will qualify for the Development Category Funding Preference outlined in Section Five of the RFA by indicating at question 4.b.(4) of Exhibit A that the proposed Development does NOT meet the definition of Preservation as defined in Rule Chapter 67-48.002(92), F.A.C.

If Applicants that selected the Development Category of Rehabilitation, with or without Acquisition do not answer question 4.b.(4) of Exhibit A, or if the Application reflects an answer of “Yes”, the Application will NOT qualify for the Development Category Funding Preference.

c. Development Type

Select the Development Type for the proposed Development. For mixed-type Developments, indicate the type that will comprise the majority of the units in the Development.

- Garden Apartments (a building comprised of 1, 2 or 3 stories, with or without an elevator)
- Townhouses
- Duplexes

- Quadraplexes
- Mid-Rise, 4-stories (a building comprised of 4 stories and each residential building must have at least one elevator)
- Mid-Rise, 5 to 6-stories (a building comprised of 5 or 6 stories and each residential building must have at least one elevator)
- High Rise (a building comprised of 7 or more stories and each residential building must have at least one elevator)

For purposes of determining the number of stories, each floor in the building(s) should be counted regardless of whether it will consist of retail, parking, or residential.

Note: Any dwelling unit that consists of more than one story, (e.g. Townhouse), is prohibited for Elderly set-aside units. A residential building that consists of more than one story is not prohibited for Elderly set-aside units if there is a minimum of one elevator per residential building provided for all Elderly set-aside units that are located on a floor higher than the first floor.

* For purposes of the HC Leveraging Classification described in Item 2 of Exhibit C, if the Applicant selects the Development Category of New Construction and the Development Type of Mid-Rise, 5 to 6-stories, the Applicant must indicate whether at least 90% of the proposed Development's total units will be contained in the Mid-Rise building(s). If "No", or if the question is not answered, the HC Leveraging Classification described in Item 2 of Exhibit C will not be applied to the Application.

d. Concrete Construction Qualifications

To qualify as "concrete construction" for purposes of the Total Development Cost Limitation calculation and the A/B Leveraging calculation, the proposed Development must meet at least one (1) of the specifications listed below.

- (1) For all new construction buildings, and as of the Application Deadline for all existing buildings proposed for rehabilitation, as applicable, all of the following structural elements must consist of 100 percent poured concrete/masonry, 100 percent steel, or a combination adding up to 100 percent of concrete/masonry and steel, as verified during credit underwriting: all exterior walls and other external load-bearing elements, as well as the floor of the lowest story of the building that contains residential, commercial or storage space (other than parking), and any under-floor/under-ground supports for that lowest story's floor.

Additionally, if the proposed work includes rehabilitation of any structural elements listed above, the structural elements must also meet the above requirements after completion of the rehabilitation work.

- (2) Any new construction buildings with the Development Type of Mid-Rise (4, 5 or 6 story) that utilize a Concrete Podium Structure shall qualify as “concrete construction.” New construction buildings of other Development Types that utilize a Concrete Podium Structure must meet the requirements in (1) above in order to qualify as “concrete construction.” In this event, the top surface of the concrete podium itself shall be considered to be the floor of the lowest story of the building that contains residential, commercial or storage space (other than parking).

For the purposes of determining “concrete construction,” there is no requirement regarding the materials to be used in the roof of the building.

The term “Concrete Podium Structure” shall mean a non-residential support structure underneath the rental units constructed solely of concrete/masonry, steel, or some combination of concrete/masonry and steel together, and where said structure under the rental units is to be limited to parking or non-commercial utility/ancillary building uses only.

These qualifying criteria specifically exclude face brick or brick veneer from qualifying as concrete construction for purposes of this RFA unless the proposed Development otherwise meets the requirements in (1) or (2) above.

For purposes of this RFA, the Corporation will consider an Application to be concrete construction if the answer to question 4.d. of Exhibit A is “Yes.” This will be verified during the credit underwriting process. If this cannot be verified the Development will no longer be considered concrete construction, and funding awarded under this RFA may be rescinded.

5. Location of Proposed Development

- (2) If the proposed Development consists of Scattered Sites, for each Scattered Site the Applicant must provide the latitude and longitude coordinates of one point located anywhere on the Scattered Site. The coordinates must be stated in decimal degrees and rounded to at least the sixth decimal place.

e. Limited Development Areas (LDA)

- (1) A proposed Development will be designated as an LDA Development if:
 - (a) It is located in a county or an area of a county that is associated with the LDA area in the chart below;

- (b) The Applicant selected the applicable Demographic Commitment that is associated with the LDA area in the chart below; and
- (c) Any portion of the proposed Development is within the boundaries of the area designated as an LDA. The boundaries for the Limited Development Areas, effective 7-10-17 are reflected on the Corporation's Website on page <http://www.floridahousing.org/programs/developers-multifamily-programs/competitive/lda-information/2017> (also available by clicking [here](#)) and in the chart below.

Limited Development Area (LDA) Chart

County	Demographic Category	Area
Hamilton	Family and Elderly	Entire County. A map reflecting this can be found on webpage http://www.floridahousing.org/programs/developers-multifamily-programs/multifamily-mapping-application-(beta) , which is also available by clicking here .

- (2) For an LDA Development to be deemed eligible for funding, it must meet all of the following LDA Development Conditions. The conditions are:
 - (a) The Applicant demonstrated its commitment to set aside 30 percent of the total units as ELI Set-Aside units on the Total Set-Aside Breakdown Chart; and
 - (b) The proposed Development is classified as RA Level 1 or RA Level 2; and
 - (c) The Percentage of Total Units that will have Rental Assistance is greater than 75 percent.
 - (d) The proposed Development consists of a total of 250 units or less. (Note: the total number of units is further restricted by the Elderly Demographic provisions if the Applicant selected the Elderly Demographic Commitment.

6. Units

- a. The Applicant must state the total number of units in the proposed Development.

All proposed Developments must consist of a minimum of 50 total units. The maximum total number of units, if applicable, is limited as follows:

- (1) Elderly Developments

- (a) There is no total unit limitation for proposed Developments with the Development Category of Rehabilitation, with or without Acquisition, of an existing, occupied housing facility that is operating as housing for older persons as set forth in the Federal Fair Housing Act as of the Application Deadline.
 - (b) Proposed Developments that do not meet the conditions in (a) above that are located in Miami-Dade County and Broward County may consist of up to 200 total units. Proposed Developments that do not meet the conditions in (a) above that are located in all other counties may consist of up to 160 total units.
- b. The Applicant must indicate whether the proposed Development consists of (1) 100 percent new construction units (2) 100 percent rehabilitation units or (3) a combination of new construction units and rehabilitation units and state the quantity of each type.
- c. The Applicant must indicate whether there are any existing units on the Development site as of Application Deadline, and if so, the occupancy status of such units. If the Applicant indicates that there are existing occupied units and if the Development is funded, the Applicant will be required to provide to the Credit Underwriter a plan for relocation of existing tenants, as outlined in Exhibit D.
- d. Set-Aside Commitments

(1) Minimum Set-Aside Commitments per Section 42 of the IRC

Per Section 42 of the IRC, the Applicant must elect one (1) of the following minimum set-aside commitments:

- 20% of the units at 50% or less of the Area Median Income (AMI)
- 40% of the units at 60% or less of the AMI

Note: Choosing the 20 percent at 50 percent AMI or less minimum set-aside will restrict ALL set-aside units at 50 percent or less of the AMI. Applicants may choose the 40 percent at 60 percent AMI or less minimum set-aside without committing to set aside any of the units at the 60 percent AMI level. For example, an Applicant may commit to set aside 40 percent at 50 percent AMI and this would also be considered 40 percent at 60 percent AMI or less.

(2) Set-Aside Commitments per Corporation Requirements

The Corporation has additional minimum set-aside requirements beyond those required by Section 42 of the IRC which must be reflected on the Total Set-Aside Breakdown Chart, as outlined below:

- (a) Total Income Set-Aside Commitment

The Applicant must commit to set aside a total of at least 70 percent of the Development’s total units at 60 percent AMI or less.

(b) Extremely Low Income (ELI) Set-Aside Requirements

The proposed Development must set aside a required percentage of total units for ELI Households. For purposes of this provision, the requirement to set aside units for ELI Households refers to the ELI Area Median Income (AMI) level for the county where the proposed Development is located, as outlined on the chart below.

For purposes of this provision, the requirement to set aside units for ELI Households refers to the 2018 ELI Area Median Income (AMI) level for the county where the proposed Development is located. As of the issue date for this RFA, the fiscal year 2018 Multifamily Tax Subsidy Income Limits have not been issued by HUD. For purposes of completing this Application, Applicants should use the 2017 ELI AMIs, as outlined in the chart below. The Corporation will notify the Applicants selected for funding of the actual 2018 ELI AMI level at the time the preliminary commitment is issued and the ELI Set-Aside units committed to by the Applicant in its Application will be required to be set aside at the 2018 ELI AMI level.

(i) Required Minimum ELI Set-Aside Commitments

(A) ELI Set-Aside Commitments for Non-LDA Developments

The Applicant must set aside 10 percent of the total units as ELI Set-Aside units if the proposed Development is not an LDA Development.

(B) ELI Set-Aside Commitments for LDA Developments

If the proposed Development is an LDA Development, the Applicant must set aside 30 percent of the total units as ELI Set-Aside units.

If the Set-Aside Breakdown Chart reflects more than the applicable required percentage of the total units at the ELI AMI level for the county where the proposed Development is located, during the credit underwriting process the Credit Underwriter will determine whether the Applicant's ELI Set-Aside unit commitment will need to be reduced. Any such reduction in the ELI Set-Aside units would be no lower than the applicable required percentage.

(ii) All Applicants with the Demographic Commitment of Family and Elderly are required to commit a Portion of ELI Set-Aside Units as Link Units for Persons with Special Needs as follows:

With the exception of Developments financed with HUD Section 811, all Developments must commit to set-aside a portion of ELI Set-Aside units as Link Units for Persons with Special Needs. The required percentage is provided in (A) and (B) below and based on whether the Development is an LDA Development or a Non-LDA Development.

At least one member of each Link unit's household shall be referred by a Special Needs Household Referral Agency (Referral Agency) with which the owner executes a Link Memorandum of Understanding (MOU) approved by the Corporation. The current list of designated Special Needs Household Referral Agencies for each county is published on the Corporation's Website at

<http://apps.floridahousing.org/StandAlone/SpecialNeeds/ContentPage.aspx?PAGE=Link> Initiative Page (also accessible by clicking [here](#)). The Applicant must execute a Link Memorandum of Understanding (MOU) with at least one of the Special Needs Household Referral Agencies serving the Development's county. The deadline for the Corporation's approval of the fully executed Link MOU will be stated in the invitation to enter credit underwriting.

Additional requirements for the Link Units for Persons with Special Needs are described in Exhibit E of the RFA.

(A) Requirements for Link Units for Persons with Special Needs in Non-LDA Developments

If the proposed Development is not an LDA Development, the Applicant must set aside 50 percent of the ELI Set-Aside units, (calculated by multiplying the required number of ELI Set-Aside units by 0.50, rounded up), as Link units for Persons with Special Needs.

For example, Application A is not located in an LDA and consists of 107 total units. 11 units, (10 percent of the total units, rounded up), must be set-aside as ELI Set-Aside units. Six (6) of the ELI Set-Aside units (50 percent of the ELI Set-Aside units, rounded up), must be set-aside as Link Units for Persons with Special Needs.

(B) Requirements for Link Units for Persons with Special Needs in LDA Developments

If the proposed Development is an LDA Development, the Applicant must set aside 30 percent of the ELI Set-Aside units, (calculated by multiplying the required number of ELI Set-Aside units by 0.30, rounded up), as Link Units for Persons with Special Needs.

For example, Application B is located in an LDA and consists of 107 total units. 33 units, (30 percent of the total units, rounded up), must be set-aside as ELI Set-Aside units. 10 of the ELI Set-Aside units (30 percent of the ELI Set-Aside units, rounded up), must be set-aside as Link Units for Persons with Special Needs.

(3) Total Set-Aside Breakdown Chart

(a) Requirements for the Total Set-Aside Breakdown Chart

The Total Set-Aside Breakdown Chart must reflect all income set-aside commitments (required set-asides and additional set-asides, including all required ELI Set-Asides) and the required total set-aside percentage.

The Applicant must complete the Total Set-Aside Breakdown Chart. The Applicant must indicate on the chart the percentage of residential units, stated in whole numbers, to be set aside at each selected AMI level. Where reasonably possible, Applicants will be required to keep the unit mix consistent across each committed AMI level.

- (b) Instructions for completing the Total Set-Aside Breakdown Chart provided in Exhibit A:

The Applicant must enter the percentage of total units at each applicable AMI level and the Total Set-Aside Percentage.

- (c) Calculation of Set-Aside Units and, if applicable, Market Rate Units

- (i) First, calculate of the number of set-aside units for the lowest AMI level commitment.

The percentage associated with the lowest AMI level that the Applicant commits to will be multiplied by the total units, rounded up to the next whole unit. The result will be the number of set-aside units at the lowest AMI level commitment.

- (ii) Then, calculate the number of set-aside units for the second lowest AMI level.

The number of units calculated in (i) above will be subtracted from the results of the following to calculate the number of set-aside units at the second lowest AMI level commitment:

The percentage associated with the second lowest AMI level that the Applicant commits to will be first added to the percentage associated with the lowest AMI level commitment. These percentages, added together, will be multiplied by the total units, rounded up to the next whole unit.

- (iii) Then, calculate the number of set-aside units for each remaining AMI level, if applicable.

Starting with the third lowest AMI level remaining, the number of set-aside units for each of the remaining AMI levels will be calculated using the same methodology described in (ii) above.

- (iv) Finally, calculate market-rate units, if applicable

To calculate the number of market-rate units, the total number of set-aside units will be subtracted from the total number of units.

- (4) Market-Rate Units Points **(5 Points)**:

- (a) Proposed Developments Located in a Large County:

Points will be awarded if the Applicant commits to reserve market-rate units by reflecting on the Total Set-Aside Breakdown Chart (at question

6.b. of Exhibit A) a Total Set-Aside Percentage of (i) at least 70 percent but no higher than 80 percent for Family Demographic Developments or (ii) at least 70 percent but no higher than 90 percent for Elderly Demographic Developments. If the Applicant is awarded points, the Total Set-Aside Percentage at or below 60 percent AMI cannot be increased above 80 percent or 90 percent, as applicable.

(b) Proposed Developments Located in a Medium or Small County:

Points will be awarded if the Applicant commits to reserve market-rate units by reflecting on the Total Set-Aside Breakdown Chart (at question 6.b. of Exhibit A) a Total Set-Aside Percentage of at least 70 percent but no higher than 90 percent, regardless of Demographic. If the Applicant is awarded points, the Total Set-Aside Percentage at or below 60 percent AMI cannot be increased above 90 percent.

Note: If the calculation of the total set aside units based on the Total Set-Aside Percentage results in less than a whole unit, the Total Set-Aside Breakdown Chart will automatically round to a whole unit.

The Applicant must take the above ELI and all other set-aside commitments into account during any pre-leasing and leasing activities.

e. Unit Mix

(1) Completing the Unit Mix Chart

The Applicant must complete the Unit Mix Chart listing the total number of bedrooms per unit, the total number of bathrooms per unit (including half-baths, if applicable), the total number of units per bedroom type, and the number of units that are ELI Set-Aside units. All units in the proposed Development must be listed, including all manager/employee units and all market rate units, if applicable.

If additional space is required, enter the information in the Addenda. Note: During credit underwriting, the credit underwriter will verify that the ELI Set-Aside units are distributed across the unit mix on a pro-rata basis.

(2) Unit Mix requirements for Elderly Developments

(a) If the Elderly Demographic Commitment is selected and the Development Category of Rehabilitation, with or without Acquisition, is selected, at least 40 percent of the total units must be comprised of one (1) bedroom or Zero Bedroom Units, and no more than 20 percent of the total units can be larger than two (2) bedroom units.

(b) If the Elderly Demographic Commitment is selected and the Development Category of New Construction is selected, at least 50

percent of the total units must be comprised of one (1) bedroom or Zero Bedroom Units, and no more than 15 percent of the total units can be larger than two (2) bedroom units.

- (3) If the Family Demographic Commitment is selected, and the Development Category of New Construction is selected, not more than 25 percent of the total units in the Development may consist of Zero Bedroom units.

f. Affordability Period

In submitting its Application, the Applicant knowingly, voluntarily and irrevocably commits to waive, and does hereby waive, for the duration of the 50-year set aside period the option to convert to market, including any option or right to submit a request for a qualified contract, after year fourteen (14), and any other option, right or process available to the Applicant to terminate (or that would result in the termination of) the 50-year set aside period at any time prior to the expiration of its full term.

Note: The Affordability Period committed to in this section includes the units set aside for the Demographic Commitments made in this RFA, which includes the commitments for Link Units and ELI Households.

7. Readiness to Proceed

a. Site Control

- (1) Eligible Contract - For purposes of this RFA, an eligible contract is one that has a term that does not expire before September 30, 2018 or that contains extension options exercisable by the purchaser and conditioned solely upon payment of additional monies which, if exercised, would extend the term to a date that is not earlier than September 30, 2018; specifically states that the buyer's remedy for default on the part of the seller includes or is specific performance; and the buyer MUST be the Applicant unless an assignment of the eligible contract which assigns all of the buyer's rights, title and interests in the eligible contract to the Applicant, is provided. Any assignment must be signed by the assignor and the assignee. If the owner of the subject property is not a party to the eligible contract, all documents evidencing intermediate contracts, agreements, assignments, options, or conveyances of any kind between or among the owner, the Applicant, or other parties, must be provided, and, if a contract, must contain the following elements of an eligible contract: (a) have a term that does not expire before September 30, 2018 or contain extension options exercisable by the purchaser and conditioned solely upon payment of additional monies which, if exercised, would extend the term to a date that is not earlier than September 30, 2018, and (b) specifically state that the buyer's remedy for default on the part of the seller includes or is specific performance.

- (2) Deed or Certificate of Title – The deed or certificate of title (in the event the property was acquired through foreclosure) must be recorded in the county in which the property is located and show the Applicant as the sole Grantee.
- (3) Lease - The lease must have an unexpired term of at least 50 years after the Application Deadline and the lessee must be the Applicant. (c) Basis Boost Qualifications

With regard to Housing Credits, HUD provides regulatory guidance on the effective date of Difficult Development Area (DDA) and Qualified Census Tract (QCT) lists for the purpose of determining whether a Development qualifies for an increase in eligible basis in accordance with Section 42(d)(5)(B) of the IRC. HUD’s notice published in the September 11, 2017 edition of the Federal Register (https://www.huduser.gov/portal/Datasets/QCT/QCTDDA2018_No_tice.pdf) governs the eligibility for a basis boost for the Development proposed in this RFA.

(i) Subsequent Phase of a Multiphase Development

The proposed Development’s subsequent phase status will be confirmed during the credit underwriting process. If it is determined that the proposed Development does not meet the criteria to be designated a subsequent phase of a multiphase Development and the Housing Credit request was based on such contention, it will no longer be considered a subsequent phase of a multiphase Development and the Applicant’s Competitive Housing Credit award may be rescinded.

- (ii) HUD-designated Small Area DDA (SADDA)

A proposed Development will be eligible for the basis boost if located within a HUD-designated Small Area DDA

(SADDA), as defined in Section 42(d)(5)(B)(iii), IRC. The SADDA designation will only apply to the building(s) located within the applicable SADDA Zip Code Tabulation Area (ZCTA) and only those building(s) will be eligible for the basis boost.

This adjusted maximum HC equity will be calculated by taking the total amount of equity to be provided to the proposed Development as stated in the equity proposal letter, dividing it by the credit allocation stated in the equity proposal and multiplying that quotient by the Applicant's Eligible HC Request Amount. If the Eligible HC Request Amount is greater than the anticipated amount of credit allocation stated in the equity proposal, the equity proposal will be considered a source of financing and the maximum amount of HC equity to be permitted for scoring in the Development Cost Pro Forma will be the amount stated in the equity proposal.

(c) If the financing proposal is not from a Regulated Mortgage Lender in the business of making loans or a governmental entity, evidence of ability to fund must be provided. Evidence of ability to fund includes: (i) a copy of the lender's most current audited financial statements no more than 17 months old; or (ii) if the loan has already been funded, a copy of the note and recorded mortgage. The age of all financial statements is as of the Application Deadline. In evaluating ability to fund, the Corporation will consider the

entity's unrestricted current assets typically used in the normal course of business. Assets considered restricted include, but are not limited to, pension funds, rental security deposits, and sinking funds. Financing proposals from lenders who cannot demonstrate ability to fund will not count as a source of financing. Financial statements must be included in the Application. Note: This provision does not apply to deferred Developer fee.

In the case where the seller of the Development's property is providing a seller's note (purchase money mortgage) to help finance the Applicant's acquisition of the property, evidence of its ability to fund the amount of the seller's note is not needed so long as the Application includes a letter from the seller that meets the financing proposal criteria outlined in (4)(a) above and the amount of the seller's note is equal to or less than the purchase price of the property.

- (d) If a financing proposal shows an amount less than the corresponding line item on the Development Cost Pro Forma, only the financing proposal amount will be considered as a funding source. However, if a financing proposal shows an amount greater than the corresponding line item on the Development Cost Pro Forma, up to the total amount of the financing proposal amount may be utilized as a funding source, if needed.
- (e) The loan amount may be conditioned upon an appraisal or debt service coverage ratio or any other typical due diligence required during credit underwriting.
- (f) Financing proposals may be conditioned upon the Applicant receiving the funding from the Corporation for which it is applying.
- (g) If a financing proposal has a provision for holding back funds until certain conditions are met, the amount of the hold-back will not be counted as a source of construction financing unless it can be determined that the conditions for the release of the hold-back can be met prior to or simultaneous with the closing of the Development's permanent financing.
- (h) Grant funds are contributions to the Development, other than equity, which carry no repayment provision or interest rate. A commitment for grant funds will be considered a commitment for scoring purposes if the commitment is properly executed and, if applicable, evidence of ability to fund is provided.

c. Qualifying Financial Assistance Funding Preference:

The total amount of permanent funding resources, in the form of cash loans, cash grants and/or cash on hand, from local, state or federal government sources will, for purposes of this provision, be considered to be "Qualifying Financial Assistance." In-kind donations or any other donation of property or assets or waiver of any fees, as well as any funding from the Corporation, will not be considered Qualifying Financial Assistance.

The Corporation will compare the total amount of such funding per unit set-aside at or below 60% AMI, as stated on the set-aside breakdown chart at question 6.d. of Exhibit A, relative to the other Applicants to this RFA. The Application that has the higher total amount of such funding per set-aside unit relative to the other Applications will be eligible for the funding preference, as outlined in Section Four B of the RFA.

The financing proposal documentation provided in accordance with Item b. above and d. below will be reviewed for financing terms and must meet the requirements to be counted as a permanent funding source in order to be considered Qualifying Financial Assistance. Any Qualifying Financial Assistance included in the Development Cost Pro Forma must be utilized for permanent funding as presented in the RFA if the Applicant is awarded funding under this RFA.

d. Development Cost Pro Forma

All Applicants must complete the Development Cost Pro Forma listing the anticipated expenses or uses, the Detail/Explanation Sheet, if applicable, and the Construction or Rehab Analysis and Permanent Analysis listing the anticipated sources (both Corporation and non-Corporation funding). The sources must equal or exceed the uses. During the scoring process, if a funding source is not considered and/or if the Applicant's funding Request Amount is adjusted downward, this may result in a funding shortfall. If the Applicant has a funding shortfall, it will be ineligible for funding.

The Development Cost Pro Forma must include all anticipated costs of the Development construction, rehabilitation and, if applicable, acquisition, including the Developer fee and General Contractor fee, as outlined below. Waived or reimbursed fees or charges are not considered costs to the Development and therefore, should not be included on the Development Cost Pro Forma. Note: deferred Developer fees are not considered "waived fees."

Developer fee and General Contractor fee must be disclosed. In the event the Developer fee and/or General Contractor fee are/is not disclosed on the Development Cost Pro Forma, the Corporation will assume that these fees will be the maximum allowable and will add the maximum amount(s) to Total Development Cost. If an Applicant lists a Developer fee, General Contractor fee, or contingency reserve that exceeds the stated Application limits, the Corporation will adjust the fee to the maximum allowable. As stated below, Applicants may not enter any amounts pertaining to operating deficit reserves. The Corporation will not consider any operating deficit reserves listed on the Pro Forma.

If the Applicant has entered into a lease for the development site and a sublease or intermediate lease is involved, the lease payments recognized by the Corporation to identify development costs cannot exceed the lesser of market value or the actual capitalized amount of the master lease. When land costs are referenced in this TDC Per Unit Limitation section, the reference shall be limited to the amount of the land cost or capitalized lease cost approved by the Corporation to be provided in the final cost certification under the land owned or land lease cost line item. Any

amounts in excess of these limits would be considered as a subset of developer's fee.

Unless stated otherwise in this RFA, except for deferred Developer fee, the Application requires complete information on all sources of Development funding and the proposed uses of those funds. All loans, grants, donations, syndication proceeds, etc., should be detailed in the Application as outlined above. The total of monetary funds determined to be in funding proposals must equal or exceed uses.

(1) Developer Fee

Each Developer fee component listed in (i) and (ii) below shall not exceed the respective amounts described below:

- (i) Developer Fee on Acquisition Costs is limited to 16 percent of the Total Acquisition Costs of Existing Development (excluding land) stated on the Development Cost Pro Forma in Column 3 of Item B, rounded down to the nearest dollar; and
- (ii) Developer Fee on Non-Acquisition Costs, is limited to 16 percent of the net amount after deducting Total Acquisition Costs of Existing Development (excluding land) (Column 3 of Item B) from the Development Cost stated on the Development Cost Pro Forma in Column 3 of Item C, rounded down to the nearest dollar.

If the maximums stated in (i) or (ii) are exceeded, the Corporation will adjust the amount down to the maximum allowed. Additionally, the Corporation may further adjust the Developer Fee on Acquisition Costs, and/or Developer Fee on Non-Acquisition Costs, stated on the Development Cost Pro Forma and used to calculate the Developer Fee in Item D of the Development Cost Pro Forma. The conditions for such adjustments are stated below:

- If the amount of Developer fee on Acquisition Costs is more than the amount allowed in (i) above, AND if the amount of Developer fee on Non-Acquisition Costs is less than the amount allowed in (ii) above, the Corporation will reduce the amount of Developer fee on Acquisition Costs to the maximum allowed amount, and increase the amount of Developer fee on Non-Acquisition Costs by the amount reduced in the Developer fee on Acquisition Costs, up to the maximum allowed amount.
- If the amount of Developer fee on Non-Acquisition Costs is more than the amount allowed in (ii) above, AND if the amount of Developer fee on Acquisition Costs is less than the amount allowed in (i) above, the Corporation will reduce the amount of Developer fee on Non-Acquisition Costs to the maximum allowed amount, and increase the amount of Developer fee on Acquisition Costs by the amount reduced

in the Developer fee on Non-Acquisition Costs, up to the maximum allowed amount.

The Corporation will allow up to 100 percent of the eligible Developer fee to be deferred and used as a source on the Development Cost Pro Forma without the requirement to show evidence of ability to fund.

(2) General Contractor Fee

General Contractor fee shall be limited to 14 percent of actual construction cost. The maximum allowable General Contractor fee will be tested during the scoring of the Application by multiplying the actual construction cost by 14 percent, rounded down to the nearest dollar.

(3) Contingency Reserves

For Application purposes, the maximum hard and soft cost contingencies allowed cannot exceed (a) 5 percent of hard and soft costs for Development Categories of New Construction; or (b) 15 percent of hard costs and 5 percent of soft costs for Development Categories of Rehabilitation, with or without Acquisition, as further described in Rule Chapter 67-48, F.A.C. The determination of the contingency reserve is limited to the maximum stated percentage of total actual construction costs (hard costs) and general development costs (soft costs), as applicable.

(4) Operating Deficit Reserves

An operating deficit reserve is not to be included as part of Development Costs and cannot be used in determining the maximum Developer fee. Applicants may not enter any amounts pertaining to any type of reserve other than the contingency reserve mentioned above and, if applicable, any reserve permitted in the RFA and established as a subset of Developer fee, on the Development Cost Pro Forma as part of the Application process. A reserve, including an operating deficit reserve, if necessary as determined by an equity provider, first mortgage lender, and/or the Credit Underwriter engaged by the Corporation in its reasonable discretion, will be required and sized in credit underwriting. The inclusion of any reserve is not permitted in the Application (other than the permitted contingency reserve) which may include, but is not limited to, operating deficit reserve, debt service shortfalls, lease-up, rent-re-stabilization, working capital, lender or syndicator required reserve(s), and any pre-funded capital (replacement) reserves. If any reserve other than the permitted contingency reserve and the Developer fee subset, if applicable, can be identified and is included in the Development Cost Pro Forma, the Corporation will remove it during Application scoring.

In exchange for receiving funding from the Corporation, the Corporation reserves the authority to restrict the disposition of any funds remaining in any operating deficit reserve(s) after the term of the reserve's original purpose has terminated or is near termination. Authorized disposition uses are limited to payments towards any outstanding loan balances of the Development funded from the Corporation, any outstanding Corporation fees, any unpaid costs incurred in the completion of the Development (i.e., deferred Developer fee), the Development's capital replacement reserve account (provided, however, that any operating deficit reserve funds deposited to the replacement reserve account will not replace, negate, or otherwise be considered an advance payment or pre-funding of the Applicant's obligation to periodically fund the replacement reserve account), the reimbursement of any loan(s) provided by a partner, member or guarantor as set forth in the Applicant's organizational agreement (i.e., operating or limited partnership agreement) and, in the case of a Development with a Homeless or Persons with Special Needs Demographic Commitment, another operating deficit reserve whereby its final disposition remains under this same restriction. The actual direction of the disposition is at the Applicant's discretion so long as it is an option permitted by the Corporation. In no event, shall the payment of amounts to the Applicant or the Developer from any operating deficit reserve established for the Development cause the Developer fee or General Contractor fee to exceed the applicable percentage limitations provided for in this RFA.

e. Per Unit Construction Funding Preference

- (1) The following Applications will qualify for this funding preference, as outlined in Section Five of the RFA:
 - (a) Applications with a Development Category of New Construction, and
 - (b) Applications with a Development Category of Rehabilitation, with or without Acquisition, that reflect an amount of at least \$32,500 per unit when the amount listed in the Total column of the Development Cost Pro Forma for the Development Cost line item A1.1 (Actual Construction Cost) is divided by the number of total units in the Development.

- (2) The following Applications will not qualify for this funding preference:

Applications with a Development Category of Rehabilitation, with or without Acquisition, that reflect an amount less than \$32,500 per unit, when the amount listed in the Total column of the Development Cost Pro Forma for the Development Cost line item A1.1 (Actual Construction Cost) is divided by the number of total units in the Development.

Indicate whether the proposed development qualifies for this funding preference in Exhibit A.

B. Addenda

The Applicant may use the Addenda section of Exhibit A to provide any additional information or explanatory addendum for items in the Application. Please specify the particular item to which the additional information or explanatory addendum applies.

C. Narratives

1. Developer and/or Management Company Experience with Local Revitalization Initiatives (Maximum 15 Points):

In addition to the general experience required at a. and b. above, the Applicant may receive points by describing the Developer's and/or Management Company's experience developing affordable rental housing that was aligned with or an expressly stated part of a local revitalization plan. If the experience of a natural person Principal for a Developer entity listed in this Application was acquired from a previous affordable housing Developer entity, the natural person Principal must have also been a Principal of that previous Developer entity as the term Principal was defined by the Corporation at that time. The Applicant should describe: (i) the Developer's experience and role in working with Local Governments and other revitalization partners throughout the development process to respond to community needs and objectives in the completion of these developments; and (ii) the Developer's and/or Management Company's experience and approach in the day-to-day management of these developments to ensure that they are an integral part of sustaining the changes being brought to the area being revitalized. In the management description, explain any Developer and/or Management Company experience with management of mixed-income developments, and how it plans to apply its experience over the long term to attract and retain households with market rate incomes, while maintaining compliance with the Housing Credit Program.

The Applicant's description is limited to no more than three (3) typed pages within the text box at question 4.c. of Exhibit A. Note: Although the online Application system allows for more than three (3) pages, any portion of the description that is beyond three (3) pages will not be considered.

2. How the Proposed Development Aligns with Local Revitalization Initiatives (Maximum 45 Points):

To receive points under this section, the Applicant must describe Local Government initiatives or community redevelopment plans completed and adopted on or before January 1, 2017, by the appointed or elected body of the general Local Government with the authority to regulate the use of the subject site, or an instrumentality thereof (e.g., City, County, Community Redevelopment Agency). Such plan should describe strategies or initiatives to revitalize the neighborhood or broader community where the proposed Development is or will be located. The initiatives should either target or include the proposed Development, or the proposed Development should clearly align with the initiative/plan. The Corporation is particularly interested in local initiatives

such as neighborhood revitalization plans that have incorporated or specifically feature the proposed Development as part of the local plan. Ideally, such plans should be comprehensive, including other residential developments; business/commercial real estate development and revitalization; infrastructure improvements, including transit; the addition or enhancement of employment opportunities, or greater access to these; educational and recreational facilities/opportunities; health and community services; and other related activities undertaken, sponsored or encouraged by the unit of Local Government to improve the community. Ideally these plans will include or have a corollary schedule of public financial commitments to address some or all of the components of the plan and supplemental information detailing private investments/activities other than those of the Applicant related to implementation of the plan. Since the goal of such plans is to fundamentally change the character of the neighborhood or enhance the lives and amenities available to residents of the community, the Local Government may also be reporting on neighborhood outcomes that are the result of this revitalization.

To allow the Corporation to evaluate the local plan and its implementation and outcomes, as well as how well the proposed Development aligns with it, Applicants must provide a detailed description of the local adopted plan/initiative, including: (a) the name of the plan/initiative and a summary of the overarching vision and goals for the area; (b) a description of improvements across key facets of the plan; (c) the specific types and amounts of public investment in the area (summarized and may be in tabular form) that are part of the revitalization and the purposes of these investments (executed, committed and planned); (d) examples of actions taken by the Local Government to advance the plan, including activities that have or will lead to broader economic investment in the area; (e) outcomes reported by the Local Government, if any, that have changed the community and the lives of the residents in the community; and (f) the level of private sector involvement in plan implementation and how private investments are being leveraged for revitalization of the area. Using the Applicant's response, the Corporation will evaluate: (i) how well the adopted plan provides detailed strategies that, when taken together, are comprehensive in their approach to addressing revitalization of the geographic area in which the proposed Development is or will be located; (ii) how well the local initiative has brought the private sector other than the Applicant into implementation of revitalization efforts; (iii) the level of completed and planned financial commitments made by the Local Government to the broad revitalization effort; and (iv) how the proposed Development assists in implementing the community initiative, aligns with public investment in the surrounding community and is an integral part of the larger community redevelopment. The Applicant should state the location online where the plan/initiative document(s) may be found.

The Applicant's description is limited to no more than five (5) typed pages within the text box at question 10 of Exhibit A. Note: Although the online Application system allows for more than five (5) pages, any portion of the description that is beyond five (5) pages will not be considered.

3. Access to Community-Based Services and Resources (Maximum 28 Points):

Resident access to a general range of services and resources in the community is critical in the revitalization of neighborhoods or communities. Applicants may be awarded points for providing a description of the services and resources that are and will be accessible to residents who will be served in the proposed Development (Families and/or Elders). Describe access and physical proximity to shopping for food, medicine, clothing and other household and personal items; childcare, youth and senior activities; education and training via public schools, universities, vocational and other schools; and recreation, parks and open spaces and cultural activities; and employment opportunities. The description should also include access to healthcare, supportive services and related resources that are easily accessible to the residents. Describe the public transportation options that will be available to residents of the proposed Development to ensure access to the described services and resources, and any partnerships the Applicant might have to assist residents with improved access. If the description of how the intended residents will access the services includes public transportation, such as bus or rail, state the exact measurement of walking distance to the current bus or rail stop from the proposed Development. State how frequently the bus or rail stop may be accessed by the residents of the proposed Development. If the Applicant describes a service or resource that is not yet available, but will be in the future as part of a commitment by the Local Government or revitalization partners, specify when the new service/resource will be available. If the Development consists of Scattered Sites, the Applicant must describe how the Applicant will address access to community services for all residents on all of the Scattered Sites. In addition to the criteria outlined above, Applicant responses to these items will be evaluated based on the relevancy of this description to the demographic commitment provided at Section Four A.2. and the proposed Development's proximity to a variety of resources that will benefit the residents' health, safety, stability, education and employment capacities, and quality of life.

The Applicant's description is limited to no more than four (4) typed pages within the text box at question 11 of Exhibit A. Note: Although the online Application system allows for more than four (4) pages, any portion of the description that is beyond four (4) pages will not be considered.

4. Approach Toward Tenant Application and Screening Procedures for Households with a Person with Special Needs Applying for Tenancy (Maximum 20 points):

While property management procedures must incorporate an eligibility process for tenancy that appropriately manages the viability of the property and safety of current tenants, the Corporation expects Applicants to balance this with a process that is welcoming to all prospective tenants and considers a prospective tenant's current and former circumstances, particularly for all ELI Set-Aside units, including those for Persons with Special Needs pursuant to Section Four A.6.d.(2)(b)(ii) of the RFA. As a result of these households' low incomes and special needs, they often have conditions in their employment, credit, income, criminal and rental history that affect their ability to meet traditional requirements for tenancy in safe and decent rental housing.

For points, the Applicant must describe the specific housing application process and tenant screening criteria, procedures and policies that will be used by the Applicant's property management to assist in determining whether a prospective tenant is eligible for tenancy. The Applicant's narrative should be focused on application and screening procedures, not the services that will be provided to welcome or support a tenant once approved for move-in or after move-in. The screening procedures provided in the Applicant's narrative should focus on procedures and policies that assist in lowering and overcoming barriers related to the income, credit, criminal and rental history of ELI persons and persons with special needs that would normally prevent them from being approved for tenancy under traditional tenant screening criteria and policies.

Tenant Application

The narrative should explain in detail how the Applicant will facilitate a household's ability to acquire, complete and submit the rental application. The Applicant's rental application policies should include specific information on how the Applicant will increase a prospective tenant's ability to apply for and access the rental housing by reducing barriers such as application fees, security deposits and other related move-in fees.

Tenant Screening

The Corporation is interested in tenant screening policies that demonstrate how the Applicant will improve a prospective tenant's opportunity to qualify for tenancy. The Applicant should describe the detailed tenant screening procedures and policies to be implemented that will consider the nature and extent of barriers found in a tenant's income, credit, criminal and rental history that might adversely affect the intended household's ability to qualify for and access safe and decent rental housing. The tenant screening procedures and policies should also describe the look-back period that will be implemented when screening a prospective tenant's criminal, rental and credit history.

In addition to this narrative, a Tenant Selection Plan shall be provided during credit underwriting that describes these specific tenant screening and application procedures and policies.

The Applicant's description is limited to no more than three (3) typed pages within the text box at question 9 of Exhibit A. Note: Although the online Application system allows for more than three (3) pages, any portion of the description that is beyond three (3) pages will not be considered.

* Submission Requirement

To be eligible for funding, the following submission requirements must be met: (i) the Application must be submitted online by the Application Deadline, (ii) the required number of hard copies must be submitted by the Application Deadline, (iii) the Applicant's hard copy submission must be contained in a sealed package, (iv) the required Application fee must be submitted as of the Application Deadline, and (v) the Applicant Certification and Acknowledgement form, containing an original signature, must be included in the Application labeled "Original Hard Copy" as of the Application Deadline.

** Financial Arrearage Requirement

An Application will be deemed ineligible for funding if, as of close of business the day before the Committee meets to make a recommendation to the Board, there remains any financial obligations for which an Applicant or Developer or Principal, Affiliate or Financial Beneficiary of the Applicant or Developer is in arrears to the Corporation or any agent or assignee of the Corporation as reflected on the most recently published Past Due Report posted to the Corporation's Website under the link Property Owners & Managers/Past Due Reports (also accessible by clicking [here](#)), but not more recently than five (5) business days prior to the date the Committee meets to make a recommendation to the Board.

*** Total Development Cost Per Unit Limitation

By submitting its Application, the Applicant agrees and acknowledges that the Application will be subject to the Total Development Cost Per Unit Limitation during the scoring, credit underwriting, and final Housing Credit allocation process.

The Corporation shall limit the Total Development Cost (TDC) per unit for all Developments categorized by the construction type of the units as indicated below and this limit is referred to as the TDC Per Unit Limitation. It is a limit based on TDC, but exclusive of land costs and exclusive of any operating deficit reserves that are part of the permanent phase (i.e., non-construction) financing for the Development which have not been included within the Developer fee, applying any applicable TDC multiplier and/or TDC add-on. The proposed Development's TDC will be tested against the TDC Per Unit Limitation during the scoring of the RFA, utilizing the Development Type, Development Category and concrete determination made by the Applicant in the RFA and it will apply to all units in the proposed Development. During the credit underwriting process, and during the final allocation process, the maximum TDC per unit will be recalculated for each unit type as described in Item 1 of Exhibit C, with consideration given to whether the Development consists one or more Development Types, a mix of both new construction and rehabilitation units, or a mix of wood and concrete units.

Any Application that has an amount that exceeds these limitations during scoring will not be eligible for funding. These TDC Per Unit Base Limitation amounts, inclusive of any applicable TDC multiplier and/or TDC add-on, are effective during the scoring process. Item 1 of Exhibit C provides the TDC Per Unit Base Limitation amounts that account for an escalation factor to be incorporated for the credit underwriting process and final allocation process, as explained in the exhibit.

Total Development Cost Per Unit Base Limitations to be used during the scoring process

Measure	New Construction Units					Rehabilitation Units	
	Garden Wood*	Garden Concrete*	Mid-Rise-Wood*	Mid-Rise-Concrete*	High-Rise*	Garden*	Non-Garden*
Maximum TDC Per Unit Limitation ** for all counties except Broward and Miami-Dade	\$188,800	\$227,000	\$227,000	\$250,300	\$298,800	\$158,700	\$223,600
Maximum TDC Per Unit Limitation ** for Broward and Miami-Dade counties	\$198,100	\$238,100	\$238,100	\$262,400	\$313,300	\$166,400	\$234,500
Applicable TDC Multipliers (to be applied against the Development’s TDC) and TDC Add-Ons (to be added to the Maximum TDC Per Unit Limitation)							
TDC Multiplier for Florida Keys Area for all areas north of Plantation Key (i.e., north of Tavernier Creek)					65%		
TDC Multiplier for Florida Keys Area for all areas located on or south of Plantation Key (i.e., south of Tavernier Creek)					50%***		
TDC Add-On for Applicants that have a PHA as a Principal					\$5,000 of additional per unit costs will be added to the above Maximum TDC Per Unit Limitation		

* Garden includes all Development Types other than Mid-Rise and High-Rise; Non-Garden includes Development Types of Mid-Rise with elevator (4 stories, 5 stories, or 6 stories) and High-Rise (7 or more stories); Mid-Rise includes Development Types of Mid-Rise with elevator (4 stories, 5 stories, or 6 stories); and High-Rise includes Development Type of High Rise (7 or more stories)

** Exclusive of land costs (limited to the land purchase price or appraised value, whichever is less) and exclusive of any approved operating deficit reserves that are part of the permanent phase (i.e., non-construction) financing for the Development which have not been included within the Developer fee. When the term of operating deficit reserves (ODR) is mentioned in this TDC Per Unit Limitation section, the term shall refer to these particular operating deficit reserves. For purposes of land valuation (as with all property acquisition valuation), the Corporation uses the lesser of the appraised value, or the actual acquisition cost. If the Applicant has entered into a lease for the development site and a sublease or intermediate lease is involved, the lease payments recognized by the Corporation to identify development costs cannot exceed the lesser of market value or the actual capitalized amount of the master lease. When land costs are referenced in this TDC Per Unit Limitation section, the reference shall be limited to the amount of the land cost or capitalized lease cost approved by the Corporation to be provided in the final cost certification under the land owned or land lease cost line item and does not include other related land acquisition costs such as land brokerage fees or land carrying costs. Any amounts in excess of these limits would be considered as a subset of developer’s fee. When the term of TDC Per Unit Base Limitation is mentioned below in the compliance determination sections, it is implied to be inclusive of any applicable escalation factor, TDC Multiplier, and/or TDC Add-On.

*** If the proposed Development consists of Scattered Sites, the 50% TDC Multiplier applies only if all of the sites are located south of Tavernier Creek.

B. Selection Process

1. Application Sorting Order

All eligible Applications will be ranked by sorting the Applications from the highest scoring Application to the lowest scoring Application, with any scores that are tied separated as follows:

- (1) First, by the Application’s eligibility for the QCT Funding Preference which is outlined in Section Four A.11. of the RFA (with Applications that qualify for the preference listed above Applications that do not qualify for the preference);
- (2) By the Application’s eligibility for the Per Unit Construction Funding Preference which is outlined in Section Four A.11.e. of the RFA (with Applications that qualify for the preference listed above Applications that do not qualify for the preference);
- (3) By the Application’s eligibility for the Development Category Funding Preference which is outlined in Section Four A.4.b.(4) of the RFA (with Applications that qualify for the preference listed above Applications that do not qualify for the preference);
- (4) By the Application’s Leveraging Classification, applying the multipliers outlined in Item 2 of Exhibit C of the RFA (with Applications having the Classification of A listed above Applications having the Classification of B);
- (5) By the Application’s eligibility for the Qualifying Financial Assistance Funding Preference which is outlined in Section Four A.11.c. of the RFA (with Applications with the higher amount listed above Applications with a lower amount);
- (6) By the Application’s eligibility for the Florida Job Creation Funding Preference which is outlined in Item 3 of Exhibit C of the RFA (with Applications that qualify for the preference listed above Applications that do not qualify for the preference); and
- (7) And finally, by lottery number, resulting in the lowest lottery number receiving preference.

2. Funding Test

Applications will be selected for funding only if there is enough funding available to fully fund the Eligible Housing Credit Request Amount.

3. County's Award Tally

Throughout the Selection Process outlined in Item 5 below, as each Application is selected for tentative funding, the county where the proposed Development is located will have one (1) Application credited towards the County's Award Tally. The Corporation will prioritize eligible unfunded Applications that meet the Funding Test(s) and are located in counties that have the lowest County Award Tally above other eligible unfunded Applications with a higher County Award Tally that also meet the Funding Test(s), even if the Applications with a higher County Award Tally are higher ranked.

4. The Funding Selection Process

The first Application that will be selected for funding will be the highest ranking eligible Application, subject to the Funding Test(s). If funding remains, the highest ranking eligible unfunded Applications will be selected for funding, subject to the Funding Test(s) and the County Award Tally.

If funding remains and there are no eligible unfunded Applications that can meet the Funding Test(s), no further Applications will be considered for funding and any remaining funding will be distributed as approved by the Board.

5. Returned Allocation:

Funding that becomes available after the Board takes action on the Committee's recommendation(s), due to an Applicant withdrawing its Application, an Applicant declining its invitation to enter credit underwriting, or the Applicant's inability to satisfy a requirement outlined in this RFA and/or Rule Chapter 67-48, F.A.C., will be distributed as approved by the Board.

**SECTION SIX
AWARD PROCESS**

Committee members shall independently evaluate and score their assigned portions of the submitted Applications, consulting with non-committee Corporation staff and legal counsel as necessary and appropriate.

The Committee shall conduct at least one public meeting during which the Committee members may discuss their evaluations, select Applicants to be considered for award, and make any adjustments deemed necessary to best serve the interests of the Corporation's mission. The Committee will list the Applications deemed eligible for funding in order applying the funding selection criteria outlined in Section Five above, and develop a recommendation or series of recommendations to the Board.

The Board may use the Applications, the Committee's scoring, any other information or recommendation provided by the Committee or staff, and any other information the Board deems relevant in its selection of Applicants to whom to award funding. Notwithstanding an award by the Board pursuant to this RFA, funding will be subject to a positive recommendation from the Credit Underwriter based on criteria outlined in the credit underwriting provisions in Rule Chapter 67-48, F.A.C.

The Corporation shall provide notice of its decision, or intended decision, for this RFA on the Corporation's Website the day of the applicable Board vote. After posting, an unsuccessful Applicant may file a notice of protest and a formal written protest in accordance with Section 120.57(3), Fla. Stat., et. al. Failure to file a protest within the time prescribed in Section 120.57(3), Fla. Stat., et. al. shall constitute a waiver of proceedings under Chapter 120, Fla. Stat.

After the Board's decision to select Applicants for funding in this RFA has become final action, the Corporation shall offer all Applicants within the funding range an invitation to enter credit underwriting. The Corporation shall select the Credit Underwriter for each Development.

Exhibit C – Additional Information

1. Total Development Cost Per Unit Limitation

- a. The Total Development Cost Per Unit Limitation was reviewed during the scoring process as outlined in Section Five, A. During credit underwriting and final cost certification, the Total Development Cost Per Unit Limitation will be reviewed again using the values in the chart below.

Total Development Cost Per Unit Base Limitations with escalation factors, to be used during credit underwriting and final cost certification processes

Measure	New Construction Units					Rehabilitation Units	
	Garden Wood*	Garden Concrete*	Mid-Rise-Wood*	Mid-Rise-Concrete*	High-Rise*	Garden*	Non-Garden*
Maximum TDC Per Unit Limitation** for all counties except Broward and Miami-Dade	\$192,198.40	\$231,086.00	\$231,086.00	\$254,805.40	\$300,592.80	\$160,921.80	\$226,730.40
Maximum TDC Per Unit Limitation** for Broward and Miami-Dade Counties	\$201,665.80	\$242,385.80	\$242,385.80	\$267,123.20	\$315,179.80	\$168,729.60	\$237,783.00

Applicable TDC Multipliers (to be applied against the Applicant’s TDC) and TDC Add-Ons (to be added to the Maximum TDC Per Unit Limitation)	
TDC Multiplier for Florida Keys Area for all areas north of Plantation Key (i.e., north of Tavernier Creek)	65%
TDC Multiplier for Florida Keys Area for all areas located on or south of Plantation Key (i.e., south of Tavernier Creek)	50%***
TDC Add-On for Applicants that have a PHA as a Principal	\$5,000 of additional per unit costs will be added to the above Maximum TDC Per Unit Limitation

* Garden includes all Development Types other than Mid-Rise and High-Rise; Non-Garden includes Development Types of Mid-Rise with elevator (4 stories, 5 stories, or 6 stories) and High-Rise (7 or more stories); Mid-Rise includes Development Types of Mid-Rise with elevator (4 stories, 5 stories, or 6 stories); and High-Rise includes Development Type of High Rise (7 or more stories)

** Exclusive of land costs (limited to the land purchase price or appraised value, whichever is less) and exclusive of any approved operating deficit reserves that are part of the permanent phase (i.e., non-construction) financing for the Development which have not been included within the Developer fee. When the term of operating deficit reserves (ODR) is mentioned in this TDC Per Unit Limitation section, the term shall refer to these particular operating deficit reserves. For purposes of land valuation (as with all property acquisition valuation), the Corporation uses the lesser of the appraised value, or the actual acquisition cost. If the Applicant has entered into a lease for the development site and a sublease or intermediate lease is involved, the lease payments recognized by the Corporation to identify development costs cannot exceed the lesser of market value or the actual capitalized amount of the master lease. When land costs are referenced in this TDC Per Unit Limitation section, the reference shall be limited to the amount of the land cost or capitalized lease cost approved by the Corporation to be provided in the final cost certification under the land owned or land lease cost line item and does not include other related land acquisition costs such as land brokerage fees or land carrying costs. Any amounts in excess of these limits would be considered as a subset of developer’s fee. When the term of TDC Per Unit Base Limitation is mentioned below in the compliance determination sections, it is implied to be inclusive of any applicable escalation factor, TDC Multiplier, and/or TDC Add-On.

- b. Any Applicant that has the Credit Underwriter present a credit underwriting report with an amount that exceeds these limitations by more than 5 percent, after incorporating any applicable TDC reduction and adjustments processes provided below will receive a negative recommendation by the Credit Underwriter.

Any Applicant that has the Credit Underwriter present a credit underwriting report with an amount that exceeds these limitations will require staff to review the credit underwriting report for compliance to the TDC reduction and adjustment procedure provided below:

- (1) The Developer fee will be limited to the maximum allowable within the TDC Per Unit Base Limitation, in all instances. A Developer fee can be earned on qualifying TDC exclusive of land and operating deficit reserves up to the TDC Per Unit Base Limitation, but it cannot be earned on costs in excess of said limitation. If the Development costs exceed the amount allowed by the TDC Per Unit Base Limitation, then the maximum allowable Developer fee will be adjusted as outlined below. The maximum allowable Developer fee limit can be determined by first adding the applicable TDC Per Unit Base Limitation from the table above with respect to the Development as provided in this RFA to any applicable TDC add-on and multiplying that sum by the number of total units in the Development. If there are multiple unit types, this process is done for each unique unit type and then they are all added together. Second, divide this product by 1.16* and then multiply the result by 16 percent*. This will yield the maximum allowable Developer fee within the TDC Per Unit Base Limitation.

Prior to determining any necessary adjustment, if the Developer fee initially stated by the Applicant or Credit Underwriter is in excess of the maximum allowable Developer fee as provided in 1.b.(1) above, the stated Developer fee will be reduced to said maximum allowable Developer fee, and the TDC will be equally reduced to incorporate the cost reduction.

- (2) Subsequent to reducing the stated Developer fee to the maximum allowable amount provided above, additional adjustments may be necessary if the TDC Per Unit Base Limitation remains exceeded. An adjustment to the maximum allowable Developer fee limit shall be determined by reducing the maximum allowable Developer fee, as determined in 1.b.(1) above, dollar-for-dollar, for any costs in excess of the amount allowed by the TDC Per Unit Base Limitation, up to the lesser of (a) the actual amount of costs in excess of the amount allowed by the TDC Per Unit Base Limitation, (b) \$500,000, or (c) 25 percent of the initial maximum allowable Developer fee limit. If the stated Developer fee, inclusive of any necessary adjustments incorporated above, exceeds the maximum allowable Developer fee limit as adjusted herein, the stated Developer fee, inclusive of any necessary adjustments incorporated above shall be further adjusted to not exceed the new maximum allowable Developer fee limit, and the Applicant's TDC will be equally reduced to incorporate the cost reduction. If after following this Developer fee limitation process, the Applicant's TDC exclusive of land costs and operating deficit reserves is reduced to be within the amount allowed by the TDC Per Unit Base Limitation, then the Developer fee adjustment calculation is complete. If the Applicant's TDC exclusive of land costs and operating deficit reserves remains above the amount allowed by the TDC Per Unit Base Limitation, then there is an additional Developer fee adjustment process, as outlined in (3) below.

- (3) An additional Developer fee limitation adjustment will be initiated to further reduce the allowable maximum Developer fee limit in the event the Applicant's TDC exclusive of land costs and operating deficit reserves (as adjusted above) exceeds the TDC Per Unit Base Limitation. The reduction will be determined by deriving a percentage amount that the Applicant's TDC exclusive of land costs and operating deficit reserves (as adjusted above) exceeds the TDC Per Unit Base Limitation, and multiplying this excess percentage by the amount of the adjusted Developer fee, resulting in a product that is the additional adjustment to the Developer fee. For instance, if the Applicant's adjusted TDC exclusive of land costs and operating deficit reserves exceeds the limitation by 4 percent, then the maximum allowable Developer fee limit is further reduced by 4 percent. If the stated Developer fee is greater than this limit, it must be reduced to be equal the new limit. Once this step is complete, there is no further Developer fee adjustment or corresponding cost savings mandated to be incorporated into the Applicant's TDC for this process.

It is at this point that the Applicant's adjusted TDC exclusive of land costs and operating deficit reserves are compared to the TDC Per Unit Base Limitation, and if the TDC Per Unit Base Limitation is exceeded by more than 5% (as presented in the opening paragraph of 1.b above), the credit underwriting report shall be presented with a negative recommendation by the Credit Underwriter.

As a note, if the Developer fee in the credit underwriting report is already at or below this allowable Developer fee, then there is no additional adjustment mandated to be incorporated into the Developer fee. This also means there are no corresponding cost savings to reduce the Applicant's TDC since all TDC cost reductions stemming from this process are coming from reducing the Developer fee. If the Developer fee in the credit underwriting report needs to be reduced to incorporate any adjustment as provided above, then as the Developer fee is reduced, so is the Applicant's TDC in order to incorporate the reduced Developer fee cost.

For example:

A 110-unit Development located in Broward County with a Development Category of new construction and a Development Type of Mid-Rise-Concrete with 70 units and Garden-Concrete with 40 units reports the Applicant's TDC of \$29,710,000, inclusive of the Applicant's Developer fee of \$4,090,000, but exclusive of land costs and all operating deficit reserves at time of credit underwriting, and also prior to any adjustment. The Applicant does not have a PHA as a Principal.

Calculate TDC Limitation for the Development and Maximum Allowable Developer fee

- 1.(a) TDC Per Unit Base Limitation (blended for two unique Unit types), inclusive of any applicable TDC Multiplier (100%), and any applicable TDC Add-On (\$0): [(\$267,123.20 Per Unit + \$0 TDC Add-On) x 70 Mid-Rise-Concrete (4 Stories) (NC) Units + (\$242,385.80 Per Unit + \$0 TDC Add-On) x 40 Garden-Concrete (NC) Units] / 100% TDC Multiplier = \$28,394,056. (To determine the blended TDC PU Limitation, divide by total units: \$28,394,056 / 110 Total Units = \$258,127.78 Per Unit.)

- 1.(b) Implied maximum Development Cost per the limitation: $\$28,394,056 \div 1.16 = \$24,477,635$.
- 1.(c) Determine maximum allowable Developer fee limit within the limitation (prior to any applicable Developer fee adjustment): $\$24,477,635 \times 16\% = \$3,916,421$.
(Note: The calculations in both 1.(b) and 1.(c) incorporates the requirement to round down the Developer fee to the next lower whole dollar.)

First Developer fee/TDC adjustment Calculation Methodology (If necessary)

- 2.(a)(i) Is the Applicant's initial Developer fee (\$4,090,000) greater than the maximum allowable of \$3,916,421? $\$4,090,000 > \$3,916,421$; Yes.
- 2.(a)(ii) If the response to 2.(a)(i) is "Yes", then determine the excess: $\$4,090,000 - \$3,916,421 = \$173,579$ (initial excess Developer fee and initial excess TDC of Applicant).
- 2.(b) Reduce the Applicant's initial Developer fee to the lesser of either the maximum allowable (\$3,916,421) or the Applicant's initial fee (\$4,090,000) and reduce the Applicant's initial TDC by an equal amount: $\$4,090,000 - \$173,579 = \$3,916,421$ (Applicant's initial adjusted fee); $\$29,710,000 - \$173,579 = \$29,536,421$ (Applicant's initial adjusted TDC).
- 2.(c) If the response to 2.(a)(i) is "No" or once the adjustment of 2.(b) has been completed, then determine if the Applicant's (adjusted) TDC remains in excess of the limitation and if so, the amount of the excess: $\$29,536,421$ (Applicant's initial adjusted TDC) $> \$28,394,056$ (TDC limitation); $\$29,536,421 - \$28,394,056 = \$1,142,365$ (excess).
- 2.(d) Determine the components used to calculate an adjusted maximum allowable Developer fee. Any adjustment will be the lesser of either (i) \$500,000, (ii) 25 percent of the maximum allowable Developer fee limit ($25\% \times \$3,916,421 = \$979,105$), or (iii) 100% of the excess TDC (\$1,142,365): $\$500,000 < \$979,105 < \$1,142,365$.
- 2.(e) Apply the least amount of the three components in 2(d) above (\$500,000) to determine the maximum allowable Developer fee limit, subject to this adjustment: $\$3,916,421 - \$500,000 = \$3,416,421$ (maximum fee limit at this stage).
- 2.(f) Determine if the Applicant's initial adjusted fee (as provided in 2.(b) above) is greater than the new maximum allowable Developer fee limit (from 2.(e) above) and, if so, reduce the Applicant's initial adjusted fee appropriately: $\$3,916,421$ (Applicant's initial adjusted fee) $> \$3,416,421$ (maximum fee limit at this stage); Adjust the fee appropriately: Applicant's interim adjusted fee = \$3,416,421.
- 2.(g) Determine the Applicant's TDC reduction due to the Developer fee adjustment in 2.(f) above and apply the adjustment accordingly: $\$3,916,421$ (Applicant's initial adjusted fee) - $\$3,416,421$ (Applicant's interim adjusted fee) = \$500,000

(Applicant's TDC reduction); $\$29,536,421 - \$500,000 = \$29,036,421$ (Applicant's interim adjusted TDC).

(As a note, this TDC is still greater than the TDC Per Unit Base Limitation, inclusive of the applicable upward adjustment so an additional adjustment to the maximum allowable Developer fee will need to be calculated.)

Second Developer fee/TDC adjustment Calculation Methodology (If necessary)

- 3.(a) Determine the percentage the Applicant's (adjusted) TDC without land costs and operating deficit reserves (as adjusted above in 2.(g)) that exceeds the amount allowed by the TDC Per Unit Base Limitation: Amount of excess TDC: $\$29,036,421$ (Applicant's interim adjusted TDC) - $\$28,394,056$ (TDC limitation) = $\$642,365$ (excess TDC); Excess TDC as a percentage of TDC Limitation: $\$642,365 \div \$28,394,056 = 2.26\%$. (Note: This number is only rounded here for illustrative purposes. The actual calculation will not be rounded.)
 - 3.(b) Determine the final maximum Developer fee limit: $2.26\% \times \$3,416,421$ (maximum fee limit from 2.(e) above) = $\$77,290$; $\$3,416,421 - \$77,290 = \$3,339,131$ (final maximum allowable Developer fee limit).
 - 3.(c) Determine if the Applicant's interim adjusted Developer fee (from 2.(f) above) is greater than the final maximum allowable Developer fee limit (from 3.(b) above) and, if so, reduce the Applicant's interim adjusted Developer fee appropriately: $\$3,416,421$ (Applicant's interim adjusted fee) > $\$3,339,131$ (final fee limitation); $\$3,416,421 - \$77,290 = \$3,339,131$ (Applicant's final adjusted Developer fee).
 - 3.(d) Determine the Applicant's final adjusted TDC at time of credit underwriting by taking the Applicant's interim adjusted TDC (as provided in 2.(g) above) and subtracting any adjustment to the Applicant's final adjusted Developer fee (from 3.(c) above): $\$29,036,421 - \$77,290 = \$28,959,131$ (Applicant's final adjusted TDC).
 - 3.(e) Verify the status of the 5% variance test: $(\$28,959,131 - \$28,394,056) / \$28,394,056 = 1.99\%$, which falls within the criteria of being less than or equal to 5% above of the amount allowed by the TDC Per Unit Base Limitation.
- c. Any Applicant that presents a Final Cost Certification Application Package (FCCAP) **that has applicable TDC amounts that exceed the TDC Per Unit Base Limitation** will require staff to review the FCCAP for compliance to the procedure provided in (1), (2) and (3) below **if the Applicant did not have its Developer fee adjusted at credit underwriting as provided in 1.b. above**, either voluntarily or by the credit underwriter in order to get the Applicant's TDC exclusive of land and operating deficit reserves to be in compliance with the TDC Per Unit Base Limitation requirements.
- (1) The Developer fee will be limited to the maximum allowable within the TDC Per Unit Base Limitation, in all instances. A Developer fee can be earned on qualifying TDC exclusive of land costs and operating deficit reserves up to the TDC Per Unit Base Limitation, but it cannot be earned on costs in excess of said limitation. If the Development costs exceed the amount allowed by the TDC

Per Unit Base Limitation, then the maximum allowable Developer fee will be adjusted as outlined below. The maximum allowable Developer fee limit can be determined by first adding the applicable TDC Per Unit Base Limitation from the table above with respect to the Development as provided in this RFA to any applicable TDC add-on and multiplying that sum by the number of total units in the Development. If there are multiple unit types, this process is done for each unique unit type and then they are all added together. Second, divide this product by 1.16* and then multiply the result by 16 percent*. This will yield the maximum allowable Developer fee within the TDC Per Unit Base Limitation.

Prior to determining any necessary adjustment, if the Developer fee initially stated by the FCCAP is in excess of the maximum allowable Developer fee as provided in 1.c.(1) above, the Developer fee will be reduced to said maximum allowable Developer fee, and the Applicant's TDC will be equally reduced to incorporate the cost reduction.

- (2) Subsequent to reducing the Developer fee to the maximum allowable amount, additional adjustments may be necessary if the TDC Per Unit Base Limitation remains exceeded. An adjustment shall be determined by reducing the maximum allowable Developer fee limit as determined in 1.c.(1) above, dollar-for-dollar, for any costs in excess of the amount allowed by the TDC Per Unit Base Limitation, up to the lesser of (a) the actual amount of costs in excess of the amount allowed by the TDC Per Unit Base Limitation, (b) \$250,000, or (c) 10 percent of the initial maximum allowable Developer fee limit. If the stated Developer fee, inclusive of any necessary adjustments incorporated above, exceeds the maximum allowable Developer fee limit as adjusted herein, the stated Developer fee, inclusive of any necessary adjustments incorporated above, shall be further adjusted to not exceed the new maximum allowable Developer fee limit, and the Applicant's TDC will be equally reduced to incorporate the cost reduction. If, after following this Developer fee limitation process, the Applicant's TDC exclusive of land costs and operating deficit reserves is reduced to be within the amount allowed by the TDC Per Unit Base Limitation, then the Developer fee adjustment calculation is complete. If the Applicant's TDC exclusive of land costs and operating deficit reserves remains above the amount allowed by the TDC Per Unit Base Limitation, then there is an additional Developer fee adjustment process, as outlined in (3) below.
- (3) An additional Developer fee limitation adjustment will be initiated to further reduce the maximum allowable Developer fee limit in the event the Applicant's TDC exclusive of land costs and operating deficit reserves (as adjusted above) exceeds the TDC Per Unit Base Limitation. The reduction will be determined by deriving a percentage amount that the Applicant's TDC exclusive of land costs and operating deficit reserves (as adjusted above) exceeds the amount allowed by the TDC Per Unit Base Limitation, and multiplying this excess percentage by the amount of the adjusted Developer fee, resulting in a product that is the additional adjustment to the Developer fee. For instance, if the Applicant's adjusted TDC exclusive of land costs and operating deficit reserves exceeds the limitation, by 4 percent, then the maximum allowable Developer fee limit is further reduced by 4 percent. If the stated Developer fee is greater than this limit, it must be reduced to be equal the new limit. Once this step is complete,

there is no further Developer fee adjustment or corresponding cost savings to be incorporated into the Applicant's TDC as a result of this process.

If the Applicant already had its Developer fee adjusted at credit underwriting as provided in 1.b. above, either voluntarily or by the credit underwriter in order to get the Applicant's TDC exclusive of land and operating deficit reserves to be in compliance with the TDC Per Unit Base Limitation requirements, **but the Applicant's TDC without land and operating deficit reserves in the FCCAP is now less than the Applicant's TDC without land costs and operating deficit reserves provided in the credit underwriting report**, then the Developer fee will be re-evaluated based on the procedure provided in 1.b. above, just as if it were going through the credit underwriting report process again.

If the Applicant already had its Developer fee adjusted at credit underwriting as provided in 1.b. above, either voluntarily or by the credit underwriter in order to get the Applicant's TDC exclusive of land and operating deficit reserves to be in compliance with the TDC Per Unit Base Limitation requirements, **and the Applicant's TDC without land and operating deficit reserves in the FCCAP exceeds the Applicant's TDC without land costs and operating deficit reserves provided in the credit underwriting report**, then the Developer fee will have an additional adjustment to be incorporated as provided in (4) below. For the adjustment process below, the maximum initial Developer fee (i.e., prior to any adjustments provided in (4) below) cannot exceed the final Developer's fee as stated in the credit underwriting report.

- (4) For an Applicant that already had its Developer fee adjusted at credit underwriting as provided in 1.b. above and whose TDC without land costs and operating deficit reserves in the FCCAP exceeds the Applicant's TDC without land costs and operating deficit reserves provided in the credit underwriting report, the maximum allowable Developer fee limit will incorporate an additional adjustment. This additional Developer fee adjustment will be the lesser of (a) the difference between the amount of the Applicant's TDC exclusive of land costs and operating deficit reserves as reported in the FCCAP that is in excess of the Applicant's TDC exclusive of land costs and operating deficit reserves provided in the credit underwriting report, (b) \$250,000, or (c) 10 percent of the allowable Developer fee reported in the credit underwriting report. If the Developer fee in the FCCAP is already equal to or less than the maximum allowable Developer fee limit as determined with the incorporation of this additional Developer fee adjustment, then neither the Developer fee nor the Applicant's TDC is further reduced.

For example:

Assuming the Development in the example provided in 1.b. above provides an FCCAP with the Applicant's TDC, exclusive of land costs and operating deficit reserves, which is \$275,000 higher than the Applicant's TDC, exclusive of land costs and operating deficit reserves, provided in the credit underwriting report, but the Developer fee is the same as provided in the credit underwriting report of \$3,339,131. The additional Developer fee adjustment will be the lesser of (a) \$275,000 (the new excess costs), (b) \$250,000 (the maximum dollar limit of this additional Developer fee adjustment), or (c) \$333,913 (10% of the allowable Developer fee reported in the credit underwriting report).

Since option (b) is the least amount of the three options, the allowable Developer fee will be lowered by \$250,000. Since the Applicant's Developer fee initially reported in the FCCAP is equal to the allowable Developer fee reported in the credit underwriting report, the Applicant's Developer fee will be adjusted in the same manner as the allowable Developer fee. The allowable Developer fee and the Applicant's Developer fee will be \$3,089,131 (the allowable Developer fee reported in the credit underwriting report of \$3,339,131, less the adjustment of \$250,000). The Applicant's TDC, exclusive of land costs and operating deficit reserves, in the FCCAP would be adjusted to \$28,984,131 (\$28,959,131 from the credit underwriting report plus \$275,000 of new additional costs less \$250,000 for the reduction in allowable Developer fee).

As a note, if the Developer fee in the FCCAP is already at or below this allowable Developer fee, then there is no additional adjustment to be incorporated into the Developer fee. This also means there are no corresponding costs savings to reduce the Applicant's TDC since all TDC cost reductions stemming from this process are coming from reducing the Developer fee. If the Developer fee in the FCCAP needs to be reduced to incorporate any adjustments provided above, then as the Developer fee is reduced, so is the Applicant's TDC in order to incorporate the reduced Developer fee cost.

* These figures represent the applicable Developer fee percentage for the Development of 16% and one plus the applicable Developer fee percentage for the Development (1+16%).

2. Leveraging Classification

Each eligible Application's Leveraging Classification will be determined as follows:

All eligible Applications will be classified as either Group A or Group B based on the amount of total Corporation funding per Set-Aside Unit, as outlined below:

- (1) If the Development does not qualify for the HC basis boost, the Eligible Housing Credit Request Amount will be multiplied by 9.0. If the Development qualifies the HC basis boost, the Eligible Housing Credit Request Amount will be multiplied by 9.0 and that product will be divided by 1.25.
- (2) In addition, for proposed Developments located in Broward County, the total Corporation funding amount will be multiplied by 0.85.
- (3) The total Corporation funding amount will be further adjusted as outlined below. NOTE: If a proposed Development meets all of the requirements of both (a) and (c), the total Corporation funding amount will be multiplied by 0.700. If a proposed Development meets all of the requirements of both (b) and (c), the total Corporation funding amount will be multiplied by 0.800. If a proposed Development does not meet (a), (b), or (c), the total Corporation funding amount will be adjusted as described in (d) below.
 - (a) If the proposed Development meets all of the following requirements, the total Corporation funding amount will be multiplied by 0.700:

- Applicant selected the High-Rise Development Type, and
- Applicant selected the Development Category of New Construction or selected and qualified for the Development Category of Redevelopment or Acquisition and Redevelopment.

or

(b) If the proposed Development meets all of the following requirements, the total Corporation funding amount will be multiplied by 0.800:

- Applicant selected the Mid-Rise with Elevator (a building comprised of 5 or 6 stories) Development Type and at least 90 percent of the total units are in these Mid-Rise building(s), and
- Applicant selected the Development Category of New Construction or selected and qualified for the Development Category of Redevelopment or Acquisition and Redevelopment.

or

(c) If the proposed Development meets all of the following requirements, the total Corporation funding amount will be multiplied by 0.850:

- Applicant selected the Development Category of New Construction or selected and qualified for the Development Category of Redevelopment or Acquisition and Redevelopment, and
- The proposed Development met the requirements to be considered concrete construction.

or

(d) If the proposed Development does not meet (a), (b), or (c) above, the total Corporation funding amount will be multiplied by 0.980.

(4) All eligible Applications will be divided into two (2) lists: the “New Construction List” consisting of the eligible Applications with the Development Category of New Construction, Redevelopment, and Acquisition and Redevelopment, and the “Rehabilitation List” consisting of the eligible Applications with the Development Category of Rehabilitation and Acquisition and Rehabilitation.

(a) The New Construction List will be compiled as follows:

The eligible Applications will be listed in ascending order beginning with the Application that has the lowest amount of total Corporation funding per Set-Aside Unit and ending with the Application that has the highest amount of total Corporation funding per set-aside unit.

The total number of Applications on the New Construction List will be multiplied by 80 percent and the resulting figure will be rounded up to the next whole number (the resulting figure after rounding will be referred to as the “New Construction A/B Cut-Off”). A line will be drawn below the Application whose

place on the list is equal to the New Construction A/B Cut-Off. If any Application(s) below the line has the same total Corporation funding request per set-aside unit as the Application immediately above the line, the line will be moved to a place immediately below that Application(s). Applications above the New Construction A/B Cut-Off will be classified as Group A and Applications below the New Construction A/B Cut-Off will be classified as Group B.

(b) The Rehabilitation List will be compiled as follows:

The eligible Applications will be listed in ascending order beginning with the Application that has the lowest amount of total Corporation funding per Set-Aside Unit and ending with the Application that has the highest amount of total Corporation funding per set-aside unit.

The total number of Applications on the Rehabilitation List will be multiplied by 80 percent and the resulting figure will be rounded up to the next whole number (the resulting figure after rounding will be referred to as the "Rehabilitation A/B Cut-Off"). A line will be drawn below the Application whose place on the list is equal to the Rehabilitation A/B Cut-Off. If any Application(s) below the line has the same total Corporation funding request per set-aside unit as the Application immediately above the line, the line will be moved to a place immediately below that Application(s). Applications above the Rehabilitation A/B Cut-Off will be classified as Group A and Applications below the Rehabilitation A/B Cut-Off will be classified as Group B.

The New Construction List and the Rehabilitation List will then be merged to form one list.

3. Florida Job Creation Funding Preference

Each Application will be measured to determine whether it qualifies for the Florida Job Creation Funding Preference. To determine eligibility for the preference, the Corporation will calculate the Application's Florida Job Creation score, which will reflect the number of Florida jobs per \$1 million of implied eligible housing credit equity. To qualify for the Florida Job Creation Funding Preference in Section Five of the RFA, all Applications must earn a Florida Job Creation score equal to or greater than 10.0.

Determination of the Florida Job Creation score will be based on the following information:

- The number of new construction and rehabilitation units committed to by the Applicant (as stated by the Applicant in Exhibit A);
- The applicable Florida job creation rate for the type of units:
 - Rate of 3.811 Florida Jobs per unit for proposed new construction units;
 - Rate of 1.916 Florida Jobs per unit for proposed rehabilitation units; and
- The Eligible Housing Credit Request Amount.

The score for the Florida Rate of Job Creation per \$1 million of implied eligible housing credit equity will be measured using one of the following calculations:

a. Developments consisting of only new construction units

Number of new construction units x 3.811 Florida Jobs per unit x 1,000,000 / (the Eligible Housing Credit Request Amount x 9.0) = Florida Jobs per \$1 million of Housing Credit Allocation.

For example:

Application A consists of 80 new construction units and has an Eligible Housing Credit Request Amount of \$2,300,000.

$80 \times 3.811 \times 1,000,000 / (2,300,000 \times 9.0) =$ Florida Job Creation score of 14.73.

b. Developments consisting of only rehabilitation units

Number of rehabilitation units x 1.916 Florida Jobs per unit x 1,000,000 / (the Eligible Housing Credit Request Amount x 9.0) = Florida Jobs per \$1 million of Housing Credit Allocation.

For example:

Application A consists of 140 rehabilitation units, and has an Eligible Housing Credit Request Amount of \$1,660,000.

$140 \times 1.916 \times 1,000,000 / (1,660,000 \times 9.0) =$ Florida Job Creation score of 17.95.

c. Developments consisting of both new construction units and rehabilitation units

(Number of new construction units x 3.811 Florida Jobs per unit + number of rehabilitation units x 1.916 Florida Jobs per unit) x 1,000,000 / (the Eligible Housing Credit Request Amount x 9.0) = Florida Jobs per \$1 million of Housing Credit Allocation.

For example:

Application B consists of 10 new construction units and 74 rehabilitation units and has an Eligible Housing Credit Request Amount of \$1,500,000.

$[(10 \times 3.811) + (74 \times 1.916)] \times 1,000,000 / (1,500,000 \times 9.0) =$ Florida Job Creation score of 13.33.

In above examples, all Applications will qualify for the Job Creation Funding Preference because each has a Florida Job Creation score that is at least 10.

If the Applicant indicates that the proposed Development does not consist of Scattered Sites, but it is determined during credit underwriting that the proposed Development does meet the definition of Scattered Sites, all of the Scattered Sites requirements must have been met as of Application Deadline and, if all Scattered Sites requirements were not in place as of the Application Deadline, the Applicant's funding award will be rescinded;

Second, if there is a separate bridge loan proposal from either the equity provider, any entity that is controlled directly or indirectly by the equity provider, or a subsidiary of the equity provider's parent holding company, and the proposal explicitly proposes an amount to be made available prior to or simultaneous with the closing of construction financing that equals at least 15 percent of the total proposed equity to be paid stated in the equity proposal, the 15 percent criteria is met. Bridge loan proposals that are not within the equity proposal, though, must meet the criteria previously stated for debt financing with the exception that evidence of ability to fund does not have to be provided. The Applicant may include the proposed amount of the bridge loan as equity proceeds on the Construction or Rehabilitation Analysis and on the Permanent Analysis (Note: this 15 percent criteria must be reflected in the limited partnership agreement or limited liability company operating agreement); or
 - (2) If not syndicating/selling the Housing Credits, proceeds from a bridge loan will not count toward meeting the 15 percent criteria;

- j. If the Applicant indicated that the proposed Development is a subsequent phase of a multiphase Development, the Development's status as a subsequent phase will be verified in credit underwriting. If the Development does not qualify and the Applicant's Housing Credit request is based on such contention and, during the credit underwriting process it is determined that the proposed Development does not meet the criteria for such distinction, the Applicant's Competitive Housing Credit award may be rescinded.
4. The Preliminary Recommendation Letter (PRL) for this Development will be due to the Corporation no later than 12 weeks after the invitation to enter credit underwriting has been accepted. Pursuant to paragraph 67-48.0072(21)(d), F.A.C., the Applicant is responsible for providing the Credit Underwriter with the information necessary to complete the PRL. If the 12-week deadline cannot be met due to any delay caused by the Applicant, the Applicant must request an extension by submitting a written request and payment of the applicable processing fee to the Corporation;

 - a. Information outlined in Rule Chapter 67-48.0072, F.A.C.;
 - b. The Construction Consultant engaged by the Corporation's credit underwriter must provide the properly completed and executed Americans with Disabilities Act Certification forms certifying that the design of the proposed Development and the completed Development includes the applicable accessibility, adaptability, Visitability and universal design features required by the Corporation and proposed by the Applicant (Forms Rev. 10-14) which are available on the Corporation's Website <http://www.floridahousing.org/programs/developers-multifamily-programs/competitive/2018/2018-102/forms-related-to-rfa-2018-102> (also accessible by clicking [here](#)).
 - c. Demonstration of HUD approval for an owner-adopted preference or limited preference specifically for individuals or families who are referred by a designated Referral Agency serving the county where the Development is located;

9. The Credit Underwriter will also verify information submitted by the Applicant, including, but not limited to the following:
 - a. The Applicant's Non-Profit status, if applicable;
 - b. Each Scattered Site meets the requirements of this RFA and Section 42 of the IRC, if applicable;
 - c. The proposed Development's ability to meet the concrete construction qualifications;
 - d. Calculation of eligible basis which may cause a reduction in the Housing Credit Allocation. This may include review of the location of buildings and whether all buildings are eligible for the eligible basis boost, if applicable;
 - e. The proposed Development's first phase or subsequent phase status;
 - f. Review of the Total Development Cost and its effect on the Total Development Cost Per Unit Limitation; and
 - g. That the ELI Set-Aside units are distributed across the unit mix on a pro-rata basis.

If any of these cannot be verified, all funding awarded under this RFA may be reduced or may be rescinded if the award or the Application's eligibility status was based on such information, and/or the Applicant may be determined to have made a material misrepresentation.

10. For 9% HC, the Carryover Allocation Agreement will provide deadlines for additional documentation.

Exhibit E – Additional requirements for the Link Units for Persons with Special Needs

The Link to Permanent Housing Strategy (Link) enhances the ability of extremely low-income (ELI) households with special needs to access and retain affordable rental housing in their communities. The Corporation requires Developers to provide a specified percentage of a Development's ELI Set-Aside units for special needs households receiving community based supportive services who are referred by a designated supportive services agency in the community where the Development is located. All Link units must do the following:

I. Link Set-Aside Requirements

With the exception of Developments financed with HUD Section 811, for the entire Compliance Period as specified in both the regulatory agreement and as stated in the RFA, the Development shall set aside the required percentage of the ELI Set-Aside units as Link Units for Persons with Special Needs. At least one member of each Link unit's household shall be referred by a Special Needs Household Referral Agency (Referral Agency) with which the owner executes a Link Memorandum of Understanding (MOU) approved by the Corporation.

II. Link Memorandum of Understanding (MOU)

The Corporation has established and maintains a list of supportive service agencies or organizations serving each county, each of which is designated as a Referral Agency. The Referral Agency list is available on the Corporation's Website at <http://apps.floridahousing.org/StandAlone/SpecialNeeds/ContentPage.aspx?PAGE=Link%20Initiative%20Page> (also accessible by clicking [here](#)). These agencies are statewide, regional or local organizations that administer community-based supportive services to the populations served by Link.

The MOU is a formal agreement between the owner and a Referral Agency that specifies the intent of the Link Strategy and describes the roles and responsibilities of each party to the MOU. The MOU form to be executed shall be the version most recently provided on the Corporation's website at <http://www.floridahousing.org/programs/developers-multifamily-programs/competitive/2018/2018-102/forms-related-to-rfa-2018-102> (also accessible by clicking [here](#)).

- A. The owner shall execute an MOU with at least one designated Referral Agency serving the county and intended population where the Development will be located and rent units to households referred by the Referral Agency with which the MOU is executed.
- B. The deadline for receipt of the fully-executed MOU by the Corporation shall be established in the invitation to enter into credit underwriting, but shall be within nine (9) months from the date of the invitation to enter into credit underwriting but no later than the date the first building is placed in service. If the owner is unable to meet the deadline, an extension may be requested from the Corporation, and a non-refundable processing fee of \$5,000 shall be charged to the owner.
- C. Prior to execution of the MOU, but not later than 10 Calendar Days before the deadline by which the fully-executed MOU shall be received by the Corporation, the MOU form stipulated in the applicable RFA shall be completed and reviewed by the owner and

Referral Agency, and then submitted by the owner to the Corporation for review and preliminary approval.

- D. The owner that has a Housing Assistance Payment Contract and/or an Annual Contributions Contract with HUD shall establish and obtain approval from HUD for an owner-adopted preference or limited preference specifically for individuals or families who are referred by a designated Referral Agency serving the county where the Development is located. HUD approval shall be demonstrated to the Corporation prior to the completion of the final credit underwriting report.
- E. Owners that have a Housing Assistance Payment Contract and/or an Annual Contributions Contract with HUD shall maintain a separate waiting list for referred applicants and prioritize these individuals for any available Link units. During and after lease-up, Referral Agency referrals must be moved in first, regardless of chronological order of the general waiting list, until all Link units are occupied with Referral Agency referrals.
- F. After review and preliminary approval of the MOU by the Corporation, and no later than the deadline established in the invitation to enter into credit underwriting, the owner shall provide one original fully-executed hard copy of the MOU to the Corporation. Once approved by the Corporation, the owner shall arrange for a copy of the approved MOU to be maintained on file at the site of the Development's records for compliance monitoring purposes.
- G. When the owner is noncompliant because no Referral Agency that serves the county where the Development is located is available to execute an MOU, the noncompliance shall be held in a correction period status until the earlier of (i) approval by the Corporation of an MOU executed with a new Referral Agency, or (ii) the passage of 45 Calendar Days following placement of a Referral Agency that serves the Development's county onto the Corporation's Referral Agency list.
- H. When a Referral Agency notifies the owner of its intent to terminate an MOU, the owner shall notify the Corporation of the MOU termination by email, at Link@floridahousing.org, within five (5) Calendar Days of receiving the notification from the Referral Agency. The owner shall then select another Referral Agency for the Development's county and obtain approval from the Corporation for the MOU executed with the new Referral Agency no later than 45 Calendar Days after receipt of notification from the prior Referral Agency of its intent to terminate the MOU.
- I. When an owner intends to terminate an MOU, the owner shall repeat the process outlined in all of the steps above to obtain approval from the Corporation for a new MOU executed with another Referral Agency before termination of the prior MOU may become effective.
- J. The Corporation may require the owner to terminate an MOU with a Referral Agency if that partnership is not effective in meeting the intent of the Link Set-Aside Requirement. The owner shall execute another MOU with a new Referral Agency before terminating the MOU. The owner shall follow the process outlined in all of the steps above to obtain approval from the Corporation.

III. Notification of the Availability of Units for Referral of Intended Link Households

- A. The owner shall meet with the chosen Referral Agency to review the Link roles and responsibilities of each party, the household income limitation and other eligibility criteria for tenancy, household move-in expenses and on-going monthly rental payments. The meeting shall be held no less than 45 Calendar Days before the anticipated commencement of any activities related to the leasing of any unit in the Development. The owner shall maintain documentation of the meeting with the Referral Agency and shall provide a copy for review by the Corporation upon its request.
- B. Leasing Activity (Lease-up and Pre-leasing): During leasing activities, the owner shall make all units available for the intended Link households referred by the Referral Agency, until the Development's Link Set-Aside Requirement has been met. If the Development has not met its Link Set-Aside Requirement by the passing of 30 Calendar Days after the last unit is actually available for occupancy, the owner may lease the units to any eligible household. To the extent that an ELI-unit requirement coincides with a Link Set-Aside Requirement, for a period not to exceed nine (9) months, a failure to meet the ELI-unit requirement shall not cause noncompliance during the lease-up or 30 Calendar Day hold period.
- C. Once the Development's leasing activity is completed, a vacant unit formerly occupied by a Link household shall be held open for intended households referred by the Referral Agency for a period of 30 Calendar Days starting from the date the vacated unit is suitable for occupancy and ready to lease. The owner shall notify the Referral Agency that a unit is available on or before the date that the vacated unit becomes suitable for occupancy and ready to lease, but no more than 30 Calendar Days before the unit is anticipated to be ready to lease. The vacated unit shall retain the Link classification until next occupied, at which time the classification of the new household shall be applied to the unit.
- D. When the Development is an Acquisition/Rehabilitation Development that is occupied at the earlier of the site acquisition or the date of the Carryover Allocation Agreement, all units (at any AMI set-aside level) that become available and are suitable for occupancy and ready to lease shall be prioritized for intended households referred by the Referral Agency until the Link requirement has been met.
- E. Communication between the owner and the Referral Agency's designated contact person related to activities in this section shall be conducted via email. Activities that must be conducted by email are as follows:
 - 1. Requests to develop MOU with Referral Agency;
 - 2. Draft reviews of MOUs between the parties;
 - 3. Final version of executed MOU;
 - 4. Current contact information for the contact staff designated by the owner and Referral Agency and listed in the MOU;

5. Notifications of unit availability;
 6. Number of Calendar Days unit will be held open for referrals;
 7. Information about rental policies and eligibility criteria;
 8. Outcome of referrals;
 9. Notifications of issues or concerns that may adversely affect the tenancy of the household; and
 10. Requests for termination of MOU.
- F. The owner shall maintain a Link communication tracking log that documents: (i) the unit number of each offered unit; (ii) the date each unit was suitable for occupancy; (iii) the date of the email notice to the Referral Agency that each unit was available for rent to a Link household, including the dates of required follow up; (iv) date of response from Referral Agency, (v) Referral Agency response, (vi) outcome of referral, and (vii) number of days the unit was held open.
- G. If an owner notifies a Referral Agency that a unit is available and the Referral Agency does not respond, the owner shall contact the Referral Agency at least three (3) times, at intervals of no less than seven (7) Calendar Days, during the 30-day period after the initial notice of unit availability was sent to the Referral Agency. The owner shall document all notification activity on its Link communication tracking log.
- H. The owner shall notify the Referral Agency regarding the outcome of each referral within one (1) business day after a determination is made regarding the household's eligibility to occupy the available unit.
- I. If a referral does not result in occupancy by the referred household, the 30-day holding period shall continue to allow the Referral Agency the opportunity to refer another household. The owner shall follow up with the Referral Agency at intervals of no less than seven (7) Calendar Days during the remainder of the 30-day holding period. The owner shall document all notification activity on its Link communication tracking log.

IV. Link Compliance Monitoring Documentation

Exhibit F - Rehabilitation Scoping Process with a Capital Needs Assessment

The following is the procedure by which the scope of the rehabilitation will be determined for Applicants rehabilitating units as part of the proposed Application. This may include those with the Development Category of New Construction or Redevelopment (with or without acquisition), if the plan includes rehabilitation of at least one (1) existing unit.

The Flowchart attached to this Exhibit has been designed to graphically illustrate the steps described below.

1. The Pre-Application Stage (Steps 1-2)

Prior to submitting an Application, Applicants should conduct appropriate due diligence to determine whether it is physically and financially feasible to comply with the minimum requirements contained in Section Four A.8., for proposed Developments choosing Rehabilitation or Acquisition and Rehabilitation. Applicants receiving a preliminary award who are found (through the Capital Needs Assessment and Rehabilitation scoping process further described below) to be unable to meet all of the requirements of Section Four A.8.a. and c. with the sources available for the Rehabilitation, will have their preliminary award of funding rescinded.

At the time of Application, Applicants proposing any rehabilitation of units will be required to certify that the contemplated budget and available sources are adequate to meet all requirements outlined in Section Four A.8. of this RFA.

2. The Capital Needs Assessment (CNA) Stage (Steps 3-7)

- a. Once the invitation to Credit Underwriting has been accepted, all Rehabilitation Developments (with or without acquisition) shall have a CNA prepared. Due to closing deadlines outlined in Rule Chapters 67-48 and 67-21, F.A.C., the CNA process will run concurrently with the Credit Underwriting process (which includes the market study and PRL, if applicable).
- b. The CNA shall be ordered by the Credit Underwriter, no later than 7 Calendar Days after receiving the credit underwriting fee(s) and CNA fee. The choice of the CNA provider will be left solely up to the Credit Underwriter, and shall be chosen from the Corporation's approved list of qualified providers.
- c. Once the CNA has been ordered, the CNA provider will contact the Applicant to obtain basic information regarding the current physical condition of the property. The Applicant (or designee) shall answer the CNA provider's request for information within 7 Calendar Days of receipt. Further, a physical inspection of the property shall be scheduled to take place between the CNA provider, the Applicant (or designee), the Corporation (if desired) and the Credit Underwriter (if desired), no later than 30 Calendar Days from the ordering of the CNA. No less than 7 Calendar Days prior to the physical inspection, the Applicant shall ensure that original construction plans, if available, and a history of major repair expenditures covering at least the most recent 5 years, have been delivered to the CNA provider.

- d. At a minimum, the CNA provider will:
- (1) Review available documentation from the original construction and previous rehabilitations (e.g. budgets, as-built plans, warranty information, etc.);
 - (2) Review outstanding and recorded material building code violations, and outstanding and recorded material fire code violations.
 - (3) Interview Applicant's point of contact and/or maintenance staff to acquire information about preceding or pending repairs, replacements and their costs, level of preventive maintenance exercised, existence of ongoing or pending litigation related to the property's physical condition, and any existing physical deficiencies;
 - (4) Conduct a review of the expected useful life of all equipment and building components using the most recent Fannie Mae Estimated Useful Life Tables, manufacturers' specifications, or other generally accepted tool for determining effective useful life;
 - (5) Physically inspect the property;
 - (6) Develop a 15-year replacement reserve table to be used in credit underwriting and post-rehabilitation asset management;
 - (7) Review the Corporation requirements in Section Four A.8. of the RFA; and
 - (8) Consider the Applicant's scope of work preferences. (Note: The CNA provider will use his/her professional judgement in the appropriateness of items included in the Applicant's scope.)
- e. At a minimum, the physical inspection will include:
- (1) All vacant and out-of-service units;
 - (2) At least 25% of all occupied units;
 - (3) All units set aside to meet Section 504 of the Rehabilitation Act of 1973, as outlined in Section Four, A.8.a. of the RFA;
 - (4) At least one unit in each building;
 - (5) At least one unit of each bedroom-size configuration;
 - (6) All common areas; and
 - (7) For scattered sites, at least one unit from each site, but no less than the percentages specified above.
- f. The CNA provider will independently evaluate every aspect of the property including the site, structural systems, interior surfaces and casework, interior and exterior finishes,

and appliances. The CNA provider will also evaluate all mechanical systems including plumbing, heating and cooling, electrical, and elevators. To the extent readily accessible and easily visible, the type of distribution wiring for 120-V circuits should be provided in the CNA. If aluminum wiring is observed, the presence or absence of properly rated connection devices should be noted. The CNA provider should note whether units are individually metered for any and/or all utilities. The CNA provider should document representative conditions with photographs and use reasonable efforts to document typical conditions present including material physical deficiencies, if any.

- g. The CNA provider shall also identify any known or observed deficiencies with the property, considering both individual units and common areas. The CNA provider should separately list in the CNA any existing conditions which threaten the life and safety of residents. Exigent needs of this nature should be brought to the attention of the property management, the Credit Underwriter, and the Corporation through the CNA report.
- h. The CNA Provider shall conduct a visual accessibility survey using the Uniform Abbreviated Screening Checklist for the 2010 Americans with Disabilities Act (ADA), the ASTM E 2018-15 Uniform Abbreviated Screening Checklist Fair Housing Act (FHA) and the FHFC Accessibility requirements outlined in Section Four A.8.a. and c. of the RFA.
- i. After the inspection and evaluation is complete, the CNA provider will deliver a CNA report to the Credit Underwriter and the Corporation. The CNA report will reflect the CNA provider's independent professional opinion in regard to:
 - (1) A summary of all exigent needs which threaten health or life safety;
 - (2) A summary of all known or observed deficiencies pursuant to the FHFC Accessibility requirements outlined in Section Four A.8.a. and c. of the RFA, FHA, and/or ADA requirements, as well as outstanding and/or recorded building or fire code violations;
 - (3) Confirmation that all items committed to in the Application (including all items required by the Corporation as outlined in Section Four A.8. of the RFA) are physically and financially feasible within the contemplated budget, which shall include the appropriateness of the rehabilitation measures selected by the Applicant, considering the remaining useful life and the current condition of the subject features;
 - (4) A list of **immediate** physical needs (those with 5 years or less of remaining useful life);
 - (a) The CNA provider will estimate the remaining useful life of each building system or component using the most recent Fannie Mae estimated useful life tables as the starting point for this evaluation;
 - (b) The CNA provider may recommend partial replacement of particular components (e.g. immediate replacement of countertops in 40% of the units with the remaining 60% in the capital reserve plan at Year 6);

- (5) A list of all long-term physical needs (those with a remaining useful life of 6-15 years); the CNA provider will estimate the remaining useful life of each building system or component using the most recent Fannie Mae estimated useful life tables as the starting point for this evaluation;
- (6) An estimate of the “reserves necessary for replacements”;
- (7) An estimate of the cost of rehabilitation based on industry accepted source (e.g. RSMeans);
- (8) An executive summary, including the following items:
 - (a) Property identification, including location and description;
 - (b) A description, if applicable, of any immediate life safety issues or any outstanding and recorded deficiencies in regard to Florida building or local fire codes, Florida Housing required features, or accessibility standards;
 - (c) Confirmation that the required FHFC Accessibility standards outlined in Section Four A.8.a. and c. of the RFA can be met.
 - (d) A summary narrative discussion of the physical condition of the property;
 - (e) A summary of immediate capital needs, including total costs and total costs per unit;
 - (f) A summary of long term capital needs, including total cost, total cost per unit (in both current and inflated dollars);
 - (g) A summary finding stating whether the estimated remaining useful life after rehabilitation for the buildings and their components will be at least 35 more years;
- (9) An evaluation of site improvements (utilities, parking, paving, sidewalks, sewer and drainage, landscaping, trash enclosures/compactors, tenant amenities, common areas, playgrounds and playground equipment and general site improvements);
- (10) An evaluation of building architectural and structural systems (foundations, superstructure and floors, roof structures and roofing, exterior walls and stairs, siding, downspouts,);
- (11) An evaluation of building mechanical and electrical systems (building HVAC, plumbing, electrical, elevators and fire protection/security systems), which should include evaluation of energy efficiency requirements and green building practices where applicable;
- (12) An evaluation of the interior dwelling units (interior finishes, all floors, walls, ceilings, paint, kitchens and appliances, carpet, vinyl, interior doors, shelves,

cabinets, vanities, closets, interior HVAC, plumbing, bathroom fixtures, electrical fire protection systems and security systems);

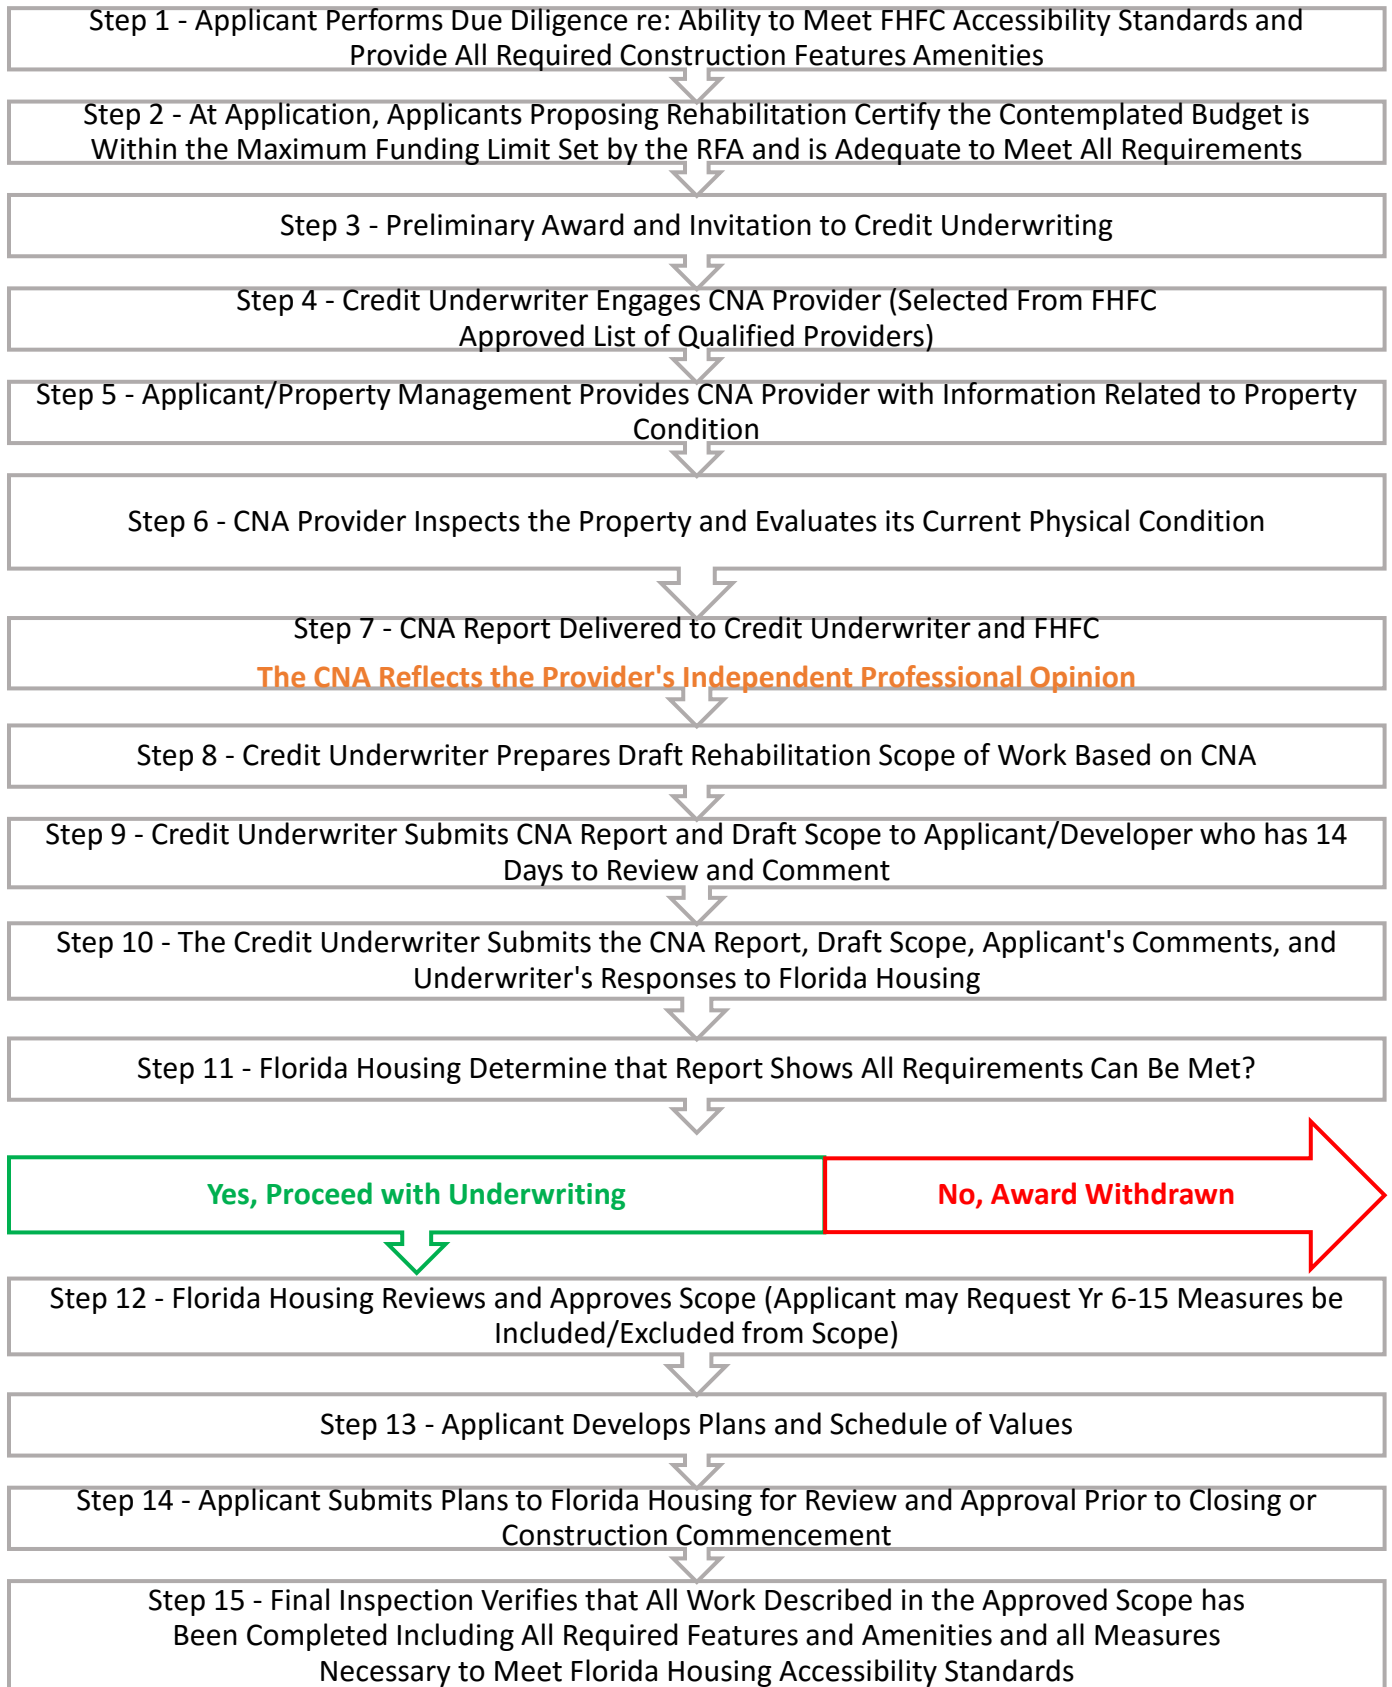

- (13) Evaluation of any accessory structures on the property;
 - (14) A description of directly observed or potential on-site environmental hazards;
 - (15) An analysis of the estimated remaining useful life of the property, which shall be displayed as the computation of all repairs and replacements carried out initially, plus replacement reserves needed over time;
 - (16) The basis for identifying any item for repair or replacement;
 - (17) Appendices (photographs, site plans, maps, etc.); and
 - (18) Certification of the CNA provider's qualifications and acknowledgments of who prepared the report, when the report was prepared, and for whom the report was prepared.
- j. The CNA provider will confirm that it is physically feasible to meet the requirements of Section Four. A.8.a., and A.8.c. of the RFA within the contemplated budget, and provide an estimated cost for meeting those requirements.
 - k. The CNA provider will opine as to the physical and financial feasibility of the inclusion of full-size ranges and ovens in all rehabilitation units in Elderly Developments.
 - l. The CNA provider will opine as to the physical and financial feasibility of all of the Green Features required in Section Four A.8.d. of the RFA.
 - m. Where appropriate, the CNA provider will comment on the proportions of physical needs that have resulted from accumulated deferred maintenance, and from ordinary use and decline of a properly maintained property. If, in the CNA provider's expert opinion, the deterioration of the property has been accelerated by poor management practices, that information must be disclosed to the Credit Underwriter and the Corporation.
 - n. The CNA provider will also comment on whether rehabilitation of a particular feature ordinarily requires relocation of the tenant.
3. The Scoping Stage (Steps 8-11)
- a. Once the CNA report is completed by the CNA provider, the report will be sent to the Credit Underwriter and the Corporation as soon as practicable. From this CNA report, the Credit Underwriter will prepare the draft Rehabilitation Scope of Work using the Worksheet (rev. 8-2017) attached to this Exhibit.
 - b. Each Rehabilitation Scope of Work must include the measures listed below.
 - (1) A minimum per unit hard cost budget of non-luxury improvements as specified in the RFA.

- (2) Corrective actions for all exigent needs noted in the CNA including all deficiencies which threaten health and life safety, as well as observed and recorded building or fire code issues.
 - (3) The replacement of any component of the building or site with an effective remaining useful life, according to most recent Fannie Mae Estimated Useful Life Tables, of less than 5 years. The CNA will be used to determine which components meet this criterion.
 - (4) The replacement of any component of the building or site with an effective remaining useful life, according to most recent Fannie Mae Estimated Useful Life Tables, of less than 15 years, if determined appropriate for this rehabilitation and if there is remaining funding available. The CNA will be used to determine which components meet this criterion.
 - (5) Substantially the same scope of work in all units of the same type.
 - (6) Compliance with this Exhibit, the requirements of the applicable RFA, the Florida Administrative Code, and any other Florida Housing guidance upon completion of work.
 - (7) Compliance with applicable Florida building code and local fire code regulations, as well as FHA and ADA requirements upon completion of work.
 - (8) Compliance with all applicable Florida Housing accessibility requirements upon completion of work.
 - (I) Compliance with Uniform Physical Condition Standards (UPCS) upon completion of work.
- c. The Credit Underwriter will populate the Scope of Rehabilitation Worksheet with the measures identified in the CNA in the following order:
- (1) All exigent needs noted in the CNA including all deficiencies which threaten health and life safety (Exigent Needs in the template), needs required to conform with applicable Florida building code and local fire code regulations, as well as FHA and ADA requirements;
 - (2) All work required to meet FHFC accessibility requirements (Accessibility Requirement in the worksheet);
 - (3) Any item required in the applicable RFA, or promised by the Applicant at the time of Application (RFA Requirement in the worksheet);
 - (4) Any component of the building or site with an effective remaining useful life of less than 5 years (5 yr Need in the worksheet);
 - (5) To the extent that funding is available, replacement of any component of the building or site with an effective remaining useful life of less than 15 years (6-15 yr Need in the worksheet); and

- (6) Enhancements required to make the property marketable (Marketability in the worksheet).
 - d. Systems and components with more than 5, but less than 15 years of remaining useful life should be prioritized in the following order:
 - (1) Site improvements;
 - (2) Structural components and building envelope;
 - (3) Mechanical, electrical, and plumbing systems;
 - (4) Unit improvements including fixtures and finishes;
 - (5) Common area improvements; and
 - (6) Other improvements.
 - e. Once completed, the Credit Underwriter will submit the draft Scope of Work to the Applicant. Upon reception of the draft Scope of Work, the Applicant shall have a 14 Calendar Day review period in which the Applicant may provide addition information and comment to the Credit Underwriter on the draft Scope of Work.
 - f. Upon the close of the Applicant's 14 Calendar Day review and comment period, the Credit Underwriter shall have a 7 Calendar Day review period in which the Credit Underwriter may craft opinions and recommendations to the Corporation regarding the Applicant's comments on the Draft Scope of Work. No later than the end of this 7 Calendar Day period, the Credit Underwriter shall submit the CNA report, the draft Scope of Work, the Applicant's comments (on the draft scope) and the Credit Underwriter's opinions and recommendations to the Corporation.
 - g. The Corporation shall review the material provided by the Credit Underwriter to first determine that all of the requirements of Section Four A.8.a. and c. have been met within available sources for the proposed Rehabilitation of the Development. If the Corporation determines the above requirements cannot be met with available sources, the preliminary award will be rescinded.
4. Credit Underwriting and Beyond (Steps 12–15)
- a. If the Corporation determines that all of the requirements of Section Four A.8.a. and c. can be met, and that there are no other issues that would disqualify the Applicant, then the Credit Underwriting process may proceed.
 - b. During the Credit Underwriting process, the Corporation will review and approve the final Scope of Work for the project.
 - c. Once the Corporation has approved the final Scope of Work for the Development, the Applicant must develop construction plans and the schedule of values for the Development. These construction plans shall be submitted to the Corporation for review and approval during the credit underwriting process.

- d. As with any funding, the Corporation will conduct a final inspection to verify that all work in the approved Scope of Work has been completed, including delivery of all required features, amenities and measures needed to meet the Corporation's Housing Accessibility Standards.
