- b. Required general features
- c. Accessibility, Adaptability, Universal Design and Visitability Features
- d. Required Green Building Certification Features

Proposed Developments must achieve one of the following Green Building Certification programs: Leadership in Energy and Environmental Design (LEED); Florida Green Building Coalition (FGBC); or ICC 700 National Green Building Standard (NGBS).

9. Resident Programs

For all proposed Developments that consist of more than 12 units, it is a Mandatory requirement that at least two of the resident programs are selected: After School Program for Children, Literacy Training, Employment Assistance Program, Family Support Coordinator, or Financial Management Program.

10. Funding

The CDBG-DR loan shall be non-amortizing and forgivable after 20 years. The loan subject to the program requirements, credit underwriting, and loan terms and conditions outlined the RFA.

a. Funding Available

Estimated total CDBG-DR funding amount of \$30,000,000, to be divided as follows:

- \$20,000,000 in Development Funding (All Applications)

Development Funding can be used for all aspects of creating affordable housing in Monroe County, including land acquisition, whether the Application qualifies as a Priority I, II or III Application. Each Application is eligible for the lesser of \$8,000,000 or the applicable Total Maximum Per Unit CDBG-DR Rental FHFC Subsidy Limit for Monroe County.

Total Maximum Per Unit CDBG-DR Rental FHFC Subsidy Limit for each Application is determined by the following calculation:

- \$141, 088 per Zero Bedroom Unit
- \$161, 738 1 Bedroom Unit
- \$196, 672 per 2 Bedroom Unit
- \$254, 431 per 3 Bedroom Unit
- \$272, 085 per 4 Bedroom Unit

- \$10,000,000 in Land Acquisition Program Funding (Priority I and II Applications only)
Recognizing that additional funding may be necessary to make Developments viable due to the scarcity and cost of land in Monroe County, Priority I and II Applicants may request up to \$5,000,000, in addition to the requested Development Funding, to assist with land acquisition costs.
- b. Additional funding sources must be demonstrated if Applicant's total development cost per unit exceeds the CDBG-DR maximum subsidy limit.
- c. Developer Fee for this RFA is based on 16% of Development Cost.

11. Ranking and Funding Selection:

- a. Eligibility Requirements
- b. Sorting Order
- c. Funding Test

Priority I and Priority II Applications will only be funded if there is enough Development Funding and, if applicable, Land Acquisition Program Funding to fully fund the Application.

Priority III Applications will only be funded if there is enough Development Funding to fully fund the Application.

- d. Jurisdiction Award Tally (Priority I and II Applications only)

As each Application is selected for tentative funding, the jurisdiction submitting the Application will be located will have one Application credited toward the Jurisdiction Award Tally.

When selecting Priority I Applications, the Corporation will prioritize eligible unfunded Priority I Applications from jurisdictions that have the lowest applicable Jurisdiction Award Tally above other eligible unfunded Priority I Applications with a higher Jurisdiction Award Tally, even if the Applications with a higher Jurisdiction Award Tally are higher ranked Priority I Applications. If there are multiple eligible unfunded Applications that have the lowest Jurisdiction Award Tally, the Corporation will select the highest ranking Priority I Application among them for funding.

This procedure will be applied when selecting Priority I Applications and Priority II Applications.

- e. Selection Process

After Applications are sorted, funding selection will proceed. The highest ranked Priority I Applications will be selected first, subject to the Funding Test and Jurisdiction Award Tally. As each Priority I Application is selected for funding, the CDBG-DR Request Amount will be deducted from both the Land Acquisition Program Funding and the Development Funding Amount.

If the Land Acquisition Program Funding is depleted and eligible Priority I Applications remain, Priority I Applications may be fully funded from Development Program Funding as long as the request amount is within the maximum request limits for Development Program Funding (\$8,000,000 or less).

If funding remains, but there are no eligible Priority I Applications that can be fully funded, the process will be repeated with the highest-ranking Priority II Applications until there are no Priority II Applications that can be fully funded. If Land Acquisition Program Funding remains and there are no eligible Priority I or II Applications that can be fully funded, the Land Acquisition Program Funding will be distributed as approved by the Florida Housing Board of Directors and

the Florida Department of Economic Opportunity. The Land Acquisition Program Funding will not be used to fund Priority III Applications.

If Development Funding remains, and no Priority I or II Applications can be fully funded, then the process will be repeated with the highest-ranking Priority III Applications. Then no further Applications will be selected for funding and the remaining funding will be distributed as approved by the Board.

12. Time Line

13. Other Discussion Topics

Credit Underwriting Process

Applicants that are selected to receive funding will be invited to enter credit underwriting and will be expected to complete the credit underwriting process, including Board approval of the credit underwriting report, within 12 months of the date of the invitation to enter credit underwriting.

All Applications, whether the Application qualifies as a Priority I, II or III, must meet the CDBG-DR requirements as outlined in the RFA. These requirements are similar to HOME funding, such as the requirement to comply with the HUD environmental requirements as provided in 24 CFR 93.301(f)(1) and (2). However, Priority I Applications will not be charged a fee for the environmental review.
