This Request for Applications (RFA) is open to Applicants proposing an affordable housing Development (~~proposed~~ (“Proposed Development”) that is part of ~~a large-scale project~~ an existing formal plan of ~~significant regional impact~~ (“Significant Regional Impact (“Master Plan”).”). The Master Plan must include a substantial ~~civic, educational~~ Civic, Education, or health-care Health Care use and may include a commercial use, any of which must be incorporated within or contiguous to the ~~project property~~ Proposed Development. The Master Plan must provide a unique opportunity for investment alongside local government participation that would enable the ~~proposed~~ Proposed Development to create a significant amount of affordable housing. ~~Projects approved under this section are intended to provide housing that is affordable as defined in s. 420.0004, notwithstanding the income limitations in s. 420.5087(2).~~

~~The Land Owner must own the land that will be used for the affordable housing aspect of the Master Plan. The Land Owner may be a public entity, a private entity, or a public-private partnership.~~

### Projects

Proposed Developments approved under this section are intended to provide housing that is affordable as defined in s. 420.0004, notwithstanding the income limitations in s. 420.5087(2). The work will be done utilizing SAIL funding as gap financing, which may be used in conjunction with (a) Tax-Exempt Bond financing (i.e., Corporation-issued Multifamily Mortgage Revenue Bonds (MMRB) or Non-Corporation-issued Tax-Exempt Bonds obtained through a Public Housing Authority (established under Chapter 421, F.S.), a County Housing Finance Authority (established pursuant to Section 159.604, F.S.), or a Local Government); and (b) Non-Competitive Housing Credits (which are also referred to as 4% Housing Credits or, for purposes of this RFA, Housing Credits).

#### A. SAIL

Florida Housing Finance Corporation (the Corporation) expects to offer an estimated \$50,000,000 in SAIL funding authorized by the Live Local Act set forth in Section 420.50872, F.S., created by the Florida Legislature under Section 32 of the Live Local Act of 2023.

These SAIL funds are not held to the geographic and demographic splits of traditional SAIL funding.

A portion of the SAIL funding will be considered ELI funding and used to cover the units that are set aside for Extremely Low Income (ELI) Households, including the commitment for a portion of ELI Set-Aside units as Link Units for Persons with Special Needs, as defined in Section 420.0004(13) F.S., and as further outlined in Section Four A.6.c.(2)(a)(iii) of the RFA. The total SAIL Request Amount is the Base Loan Amount plus the ELI Amount.

The portion of the SAIL loan that is attributable to the ELI Funding is a forgivable loan.

The funding in this RFA will address criteria in Section 420.50872 F.S., as set forth below.

#### B. Tax-Exempt Bonds and 4% Housing Credits (Housing Credit)

The SAIL funding offered in this RFA may be used in conjunction with Tax-Exempt Bonds and 4% Housing Credits.

Proposed Developments are not eligible for any funding offered in this RFA if the Applicant has already closed on the Tax-Exempt Bond financing prior to the Application Deadline for this RFA. In addition, proposed Developments are not eligible to receive any funding awarded through this RFA if the Applicant closes on the Tax-Exempt Bond financing prior to the issuance of the preliminary commitment for the SAIL funding. If the Bonds are closed between the Application Deadline and issuance of the preliminary commitment, the Applicant's award will be rescinded.

- C. The Corporation is soliciting applications from qualified Applicants that commit to provide housing in accordance with the terms and conditions of this RFA, inclusive of all Exhibits, applicable laws, rules and regulations, and the Corporation's generally applicable construction and financial standards.

## SECTION TWO DEFINITIONS

Capitalized terms within this RFA shall have the meaning as set forth in this RFA, in Exhibit B, Rule Chapters 67-21, F.A.C., 67-48, F.A.C. (effective June 28, 2023) and 67-60, F.A.C., (effective July 6, 2022) or in applicable federal regulations.

## SECTION THREE PROCEDURES AND PROVISIONS

*Unless otherwise stated within the RFA, the Application package, forms and other information related to this RFA may be found on the RFA Webpage at <https://www.floridahousing.org/programs/developers-multifamily-programs/competitive/2024/2024-216> (also available by clicking [here](#)).*

### A. Submission Requirements

#### 1. Application Deadline

The Application Deadline is **3:00 p.m., Eastern Time, on July 17~~31~~, 2024.**

#### 2. Completing the Application Package

##### a. Downloading and completing the documents provided by the Corporation

Download and complete the following documents found on the RFA Webpage:

- (1) The Application/Development Cost Pro Forma (Exhibit A of the RFA);
- (2) The narrative description responses (Section Four, C. of Exhibit A of the RFA); and
- (3) The Principals of the Applicant and Developer(s) Disclosure Form (Form Rev. 05-2019) in Excel ("Principals Disclosure Form"). If a Principals Disclosure Form was approved during the Advance Review Process,

which is described in Section Four A.3.c. of the RFA, the stamped "Approved" Principals Disclosure Form should be used to satisfy this requirement.

The download process may take several minutes. Applicants should save these documents with a file name that is unique to the specific Application.

b. Creating the All Attachments Document

In addition to the documents described in a. above, the Application Package also includes one copy consisting of all of the applicable completed Attachments described in the RFA ("All Attachments Document").

Compile all of the attachments described in the RFA into one pdf file separated by pages labeling each Attachment to create the All Attachments Document. This may be accomplished by merging the documents using a computer program such as Adobe Acrobat Pro or by scanning all of the attachments together.

As described in Section Four, B.2., to be awarded 5 points, bookmark the pdf of the All Attachments Document before uploading. It is not necessary to bookmark the individual documents within the Application Package (e.g. the Exhibit A document or the Principal Disclosure Form). Acrobat Standard DC or Acrobat Pro DC are the programs required to create bookmarks.

Note: The Corporation has provided instructions on how to bookmark the Attachments as well as sample pages that may be used to separate the attachments on the RFA Webpage. If any of the attachments are not applicable, the Applicant should insert a page stating "Not Applicable" behind the separation page.

3. Uploading the Application Package

To upload the Application Package described in 2.a. above:

- a. Go to the RFA Webpage.
- b. Click the link to login and upload the Application Package. Note: A username and password must be entered. If the Applicant has not previously created a username and password, the Applicant will need to create one prior to the upload process.
- c. After successfully logging in, click "Upload Application Package." Enter the Development Name and click "Browse" to locate the following completed saved documents:
  - (1) The Application (Exhibit A) in Excel format;

- (2) The Principals Disclosure form in Excel format. (If the Applicant received an approved Principals Disclosure Form through the Advance Review Process, the approved form is what should be uploaded);
- (3) The narrative description responses in Word format; and
- (4) The All Attachments Document in a pdf format.

The average file size is 1.0 MB and may take a few minutes to upload. Larger files may take longer to upload. There is a file size limit of 15 MB, but this may be reduced without reducing the number of pages submitted. Examples of factors that affect file size include the resolution of the scanner or scanning the documents in color or as a graphic/picture.

- d. After the documents are displayed in the Upload webpage, click “Upload Selected Files” to electronically submit the documents to the Corporation by the Application Deadline. Then the Uploaded Application (consisting of all four documents comprising the Application Package), and its assigned Response Number will be visible in the first column.

For scoring purposes, the Corporation will not consider any documentation beyond the Application Package that is uploaded as described above.

Note: If the Applicant clicks “Delete” prior to the Application Deadline, the Application will no longer be considered a Submitted Application and the Applicant will be required to upload the Application Package again in order for these documents to be considered an Uploaded Application. This will generate a new Response Number.

#### 4. Submitting the Application Fee

##### a. Application Fee

- F. By submitting this Application, including all applicable attachments thereto, each Applicant agrees to the terms and conditions outlined in the RFA and certifies that:
1. **Public Records.** Any material submitted in response to this RFA is a public record. #### SECTION FOUR INFORMATION TO BE PROVIDED IN APPLICATION

Provided below are the instructions to be used in completing Exhibit A of this RFA. Unless stated otherwise, all information requested in the RFA pertains to the Development proposed in this Application upon completion of the work.

#### A. Exhibit A Items

##### 1. Review of Application

During the Review Committee scoring process, the Corporation (i) may rely on the answers submitted by the Applicant in Exhibit A, the Development Cost Pro Forma, and the Principal Disclosure Form; and (ii) may, but is not obligated to, review the substance of the documentation that is submitted as Attachments to the Application.

If it is determined that the Attachments do not meet the RFA requirements or the Applicant submitted materially incorrect information in the Application, the Corporation may take any or all of the following actions, even if the Application was not selected for funding, was deemed

ineligible, or was withdrawn: deem the Application ineligible, rescind the award, and consider all Principals of the Applicant to have made a material misrepresentation subject to Section 420.518, F.S.

## 2. Demographic Commitment

Residents of the Proposed Development must be Family (i.e. general population).

## 3. Applicant/Developer/Management Company/Contact Person

Per subsections 67-21.002(86), F.A.C. and 67-48.002(94), F.A.C., the Applicant, Developer(s) and all Principals of the Applicant and Developers that are not a natural person must be a legally formed entity as of the Application deadline.

### a. Applicant Information

#### (1) Applicant

(a) State the name of the Applicant.

(b) The Applicant entity must be a Single Purpose Legal Entity as required by Section 42 of the IRC.

(2) The Applicant must be a legally formed entity [i.e., limited partnership, limited liability company, etc.] qualified to do business in the state of Florida as of the Application Deadline. Include, as **Attachment 1** to Exhibit A, evidence from the Florida Department of State, Division of Corporations, that the Applicant satisfies the foregoing requirements. Such evidence may be in the form of a certificate of status or other reasonably reliable information or documentation issued, published or made available by the Florida Department of State, Division of Corporations.

#### (3) Non-Profit Applicant Qualifications

Indicate whether the Applicant is applying as a Non-Profit. Applicants that meet the definition of Non-Profit will qualify for a lower administrative fee, if applicable, as described in Item 5 of Exhibit C.

As described in Exhibit D, during credit underwriting, documentation must be submitted demonstrating (a) how the Non-Profit entity is materially and substantially participating in the predevelopment, management, and operation of the proposed Development throughout the compliance period, within the meaning of material participation as defined in 26 USC §469, 26 USC §42; and (b) the Non-Profit entity meets the IRS and Section 42 qualifications.

If the Applicant applies as a Non-Profit entity and meets the requirements outlined above to be considered a Non-Profit for purposes of this RFA, it must remain a Non-Profit entity and the Non-Profit entity must (i) receive at least 25 percent of the Developer's fee; and (ii) contractually ensure that it substantially

and materially participates in the management and operation of the Development throughout the Compliance Period. Any Applicant that applies as a Non-Profit but is not considered a Non-Profit will still be eligible for funding as a for profit entity.

The Applicant's Non-Profit status will be verified during credit underwriting. If this cannot be verified, the Applicant will no longer be considered a Non-Profit Applicant.

b. Developer Information

- (1) State the name of each Developer, including all co-Developers.
- (2) Each Developer entity identified (that is not a natural person, Local Government, or Public Housing Authority) must be a legally formed entity qualified to do business in the state of Florida as of the Application Deadline. For each stated Developer entity that is not a natural person, Local Government, or Public Housing Authority, provide, as **Attachment 3\*** to Exhibit A, evidence from the Florida Department of State, Division of Corporations, that the Developer satisfies the foregoing requirements. Such evidence may be in the form of a certificate of status or other reasonably reliable information or documentation issued, published or made available by the Florida Department of State, Division of Corporations.

\*Attachment 2 was intentionally omitted from this RFA.

(3) Developer Experience

(a) Required Developer Experience

A natural person Principal of at least one experienced Developer entity, which must be disclosed as a Principal of the Developer on the Principals of the Applicant and Developer(s) Disclosure Form, Rev. 05-2019, ("Principal Disclosure Form"), must have, since January 1, 2004, completed at least one multifamily rental housing development that consists of a total number of units no less than 50 percent of the total number of units in the proposed Development.

The individual meeting the Developer Experience requirements must be disclosed as a Principal of the Developer on the Principal Disclosure Form and must remain with the Development until the release of the operating deficit guarantee set forth in subsection 67-48.0072(18), F.A.C.

Provide the information in Exhibit A to meet the required Developer experience.

For purposes of this provision, completed development means (i) that the temporary or final certificate of occupancy has been issued for at

least one unit in one of the residential apartment buildings within the development, or (ii) if applicable, that at least one IRS Form 8609 has been issued for one of the residential apartment buildings within the development. As used in this section, a Housing Credit development that contains multiple buildings is a single development regardless of the number of buildings within the development for which an IRS Form 8609 has been issued.

If the experience of a natural person Principal for a Developer entity listed in this Application was acquired from a previous affordable housing Developer entity, the natural person Principal must have also been a Principal of that previous Developer entity as the term Principal was defined by the Corporation at that time.

(b) Requests for additional Corporation Funding for a recently funded Development

Applications that request additional Corporation funding due to sizing (e.g., Viability Loan Funding or similar), regardless of whether the request is via approval of the Board of Directors or application of funds through a competitive process will, if the future RFA so provides, result in a point reduction in the scoring of Developer experience in future Applications in which the Developer, Co-Developer or any Principal of the Developer(s) named in the Developer section of the Principals of the Applicant and Developer(s) Disclosure Form of the withdrawn Application is named for purposes of satisfying the Developer experience requirement in the future Application. Request for additional Corporation issued MMRB allocation in order to meet the 50% test is excluded from this point reduction.

~~(4) — The Developer must either (i) have been selected through a competitive solicitation issued by the Land Owner or Master Developer, such as a Request for Qualifications (RFQ); or (ii) be the Land Owner. Applicants must state which applies and, if option (i) applies, provide the RFQ and the response, or a link to the RFQ and the response.~~

~~(5) — Land Owner  
Identify the Land Owner in Exhibit A.~~

c. Principals Disclosure for the Applicant and for each Developer

(1) Eligibility Requirements

To meet the submission requirements, upload the Principals of the Applicant and Developer(s) Disclosure Form (Form Rev. 05-2019) (“Principals Disclosure Form”) as outlined in Section Three above. Prior versions of the Principal Disclosure Form will not be accepted.

To meet eligibility requirements, the Principals Disclosure Form must identify, pursuant to subsections 67-48.002(94), 67-48.0075(8) and 67-48.0075(9), F.A.C., the Principals of the Applicant and Developer(s) as of the Application Deadline. A Principals Disclosure Form should not include, for any organizational structure, any type of entity that is not specifically included in the Rule definition of Principals. Per subsection 67-48.002(94), F.A.C., any Principal other than a natural person must be a legally formed entity as of the Application deadline.

If the Applicant is requesting 4% Housing Credits, the investor limited partner of an Applicant limited partnership or the investor member of an Applicant limited liability company (or a placeholder for the investor) must be identified on the Principal Disclosure Form.

(2) Approval during Advance Review Process (5 Points)

Applicants will receive 5 points if the uploaded Principal Disclosure Form is either (a) stamped “Approved” at least 14 Calendar Days prior to the Application Deadline; or (b) stamped “Received” by the Corporation at least 14 Calendar Days prior to the Application Deadline AND stamped “Approved” prior to the Application Deadline.

To document these dates, the Corporation will stamp the Principal Disclosure Form on the date it is received and the date it is approved. If a Principal Disclosure Form has been approved, but the Applicant must change the form for any reason, the form may be edited and resubmitted for approval, but the form will receive a new stamp reflecting the date the Corporation received the revised form. Likewise, if a form is returned to the Applicant for correction, the Applicant may make corrections and resubmit the form, but the date of the resubmission will be reflected as the date received. If a Principal Disclosure Form is submitted for an RFA with a “Received” date that is within 14 Calendar Days of the Application Deadline, the Applicant will not be eligible for the 5 Advance Review points.

The Advance Review Process for Disclosure of Applicant and Developer Principals is available on the RFA Webpage and also includes samples which may assist the Applicant in completing the required Principals Disclosure Form.

Note: It is the sole responsibility of the Applicant to review the Advance Review Process procedures and to submit any Principals Disclosure Form for review in a timely manner in order to meet the Application Deadline.

(3) Designation of Priority 1 and 2 Applications

Principals of Applications in this RFA are limited to one Priority 1 Related Application submission in this RFA.

The Corporation will review the entire Application submission to determine whether the Applicant has submitted more than one Priority 1 Related Application.

If, during scoring, it is determined that the maximum set forth above was exceeded, all Applications affiliated with the Principals of the affected Applications will be deemed Priority 2. If, after awards are made, it is determined that the maximum set forth above was exceeded, the award(s) for the affected Applications will be rescinded and all Principals of the affected Applications may be subject to material misrepresentation, even if the Related Applications were not selected for funding, were deemed ineligible, or were withdrawn.

If no designation is made in Exhibit A, the Application will be considered a Priority 2 Application. There is no limit to the number of Priority 2 Applications that can be submitted.

- (4) Material and non-material changes to the Applicant entity or Developer entity
- (a) The name of the Applicant entity or Developer entity stated in the Application may be changed only by written request of an Applicant to Corporation staff and approval of the Corporation after the Applicant has been invited to enter credit underwriting.
  - (b) Prior to loan closing, any change (materially or non-materially\*) in the ownership structure of the named Applicant will require review and recommendation of the Corporation, as well as Board approval prior to the change. After loan closing, (i) any material\* change will require review and approval of the Credit Underwriter, as well as approval of the Board prior to the change, and (ii) any non-material\* change will require review and approval of the Corporation prior to the change. Changes to the Applicant entity (material or non-material\*) prior to the loan closing or without Board or Corporation approval, as applicable, after the loan closing may result in disqualification from receiving funding and may be deemed a material misrepresentation. The Applicant must comply with Principal disclosure requirements outlined in Rule Chapters 67-21 and 67-48, F.A.C. for the duration of the Compliance Period. Changes to the limited partner of an investor limited partnership or an investor member of a limited liability company owning the syndicating interest therein will not result in disqualification; however, if a change to the investor limited partner or investor member is made after the closing of the partnership agreement, the amended agreement reflecting the change must be provided to the Corporation. Changes to the officers or directors of a Public Housing Authority or a Non-Profit entity, regardless of when they occur, shall require Corporation approval. Any allowable replacement to the natural person Principals of a Public Housing Authority or officers and/or directors of a non-profit entity will apply to all preliminarily awarded Applications and

Applications pending final Board action that include the Public Housing Authority or ~~non-profit~~ Non-Profit entity. An updated Principals of the Applicant and Developer(s) Disclosure Form is required for all change requests.

A material change shall mean 33.3 percent or more of the Applicant, a general partner of the Applicant, or a non-investor member of the Applicant, and a non-material change shall mean less than 33.3 percent of the Applicant, a general partner of the Applicant, or a non-investor member of the Applicant.

- (c) The Principals of each Developer identified in the Application, including all co-Developers, may be changed only by written request of an Applicant to Corporation staff and approval of the Corporation after the Applicant has been invited to enter credit underwriting as outlined in Rule Chapter 67-48, F.A.C.

The Authorized Principal Representative (a) must be a natural person Principal of the Applicant listed on the Principal Disclosure Form; (b) must have signature authority to bind the Applicant entity; (c) must sign the Applicant Certification and Acknowledgement section of Exhibit A; and (d) if funded, will be the recipient of all future documentation that requires a signature.
- (2) A separate Operational Contact Person may be included, if desired. To qualify as “Enhanced Structural Systems Construction” or “ESS Construction” for purposes of the Total Development Cost Limitation test and the Leveraging calculation, the proposed Development must meet at least one of the specifications listed below.

These qualifying criteria specifically exclude face brick or brick veneer from qualifying as ESS Construction for purposes of this RFA unless the proposed Development otherwise meets the requirements below.

(a) ESS Construction qualifications based on Development Type

(1) High-Rise Development qualifications

Any new construction buildings with the Development Type of High-Rise (7 or more stories) shall qualify as “ESS Construction.”

(2) Mid-Rise Development qualifications

Any new construction buildings with the Development Type of Mid-Rise (4, 5 or 6 story) that utilize a ESS Podium Structure shall qualify as “ESS Construction.”

The term “ESS Podium Structure” shall mean a non-residential\* support structure underneath the rental units constructed

solely of concrete/masonry, steel, or some combination of concrete/masonry and steel together.

\*The ESS Podium Structure must utilize at least 85 percent of the square footage for parking or non-commercial utility/ancillary building uses only. (b) ESS Construction qualifications based on construction materials

For all new construction buildings, and as of the Application Deadline for all existing buildings proposed for rehabilitation\*\*, as applicable, all of the following structural elements must consist of 100 percent poured concrete/masonry, 100 percent steel, or a combination adding up to 100 percent of concrete/masonry and steel, as verified during credit underwriting: all exterior walls and other external load-bearing elements, as well as the floor of the lowest story of the building that contains residential, commercial or storage space (other than parking), and any under-floor/under-ground supports for that lowest story’s floor.

For the purposes of determining “ESS Construction,” there is no requirement regarding the materials to be used in the roof of the building.

\*\*If the proposed work includes rehabilitation of any structural elements listed above, the structural elements must also meet the above requirements after completion of the rehabilitation work.

ESS units must be designated on the Unit Characteristic Chart described below. This will be verified during the credit underwriting process. If this cannot be verified the units will no longer be considered ESS Construction, and funding awarded under this RFA may be rescinded.

d. Unit Characteristic Chart

Complete the chart in Exhibit A of the RFA reflecting the appropriate breakdown reflecting the number of units within each of the Development Categories, Development Types, or ESS/non-ESS Construction.

**5. Location of Proposed Development**

a. County

Indicate the county where the proposed Development will be located.

## b. Address of the Development site

Provide the Address of the Development site. Indicate (1) the address number, street name, and name of city, and/or (2) the street name, closest designated intersection, and either name of city or unincorporated area of county. If the proposed Development consists of Scattered Sites, this information must be provided for each of the Scattered Sites.

## c. Scattered Sites

State whether the Development consists of Scattered Sites.

If the proposed Development consists of Scattered Sites, the following conditions must be met:

- (1) A part of the boundary of each Scattered Site must be located within ½ mile of a part of the boundary of the Scattered Site with the most units;
- (2) Site control and Ability to Proceed must be demonstrated in the Application for all Scattered Sites; and
- (3) All Scattered Sites must be located within the same county.

## d. Latitude/Longitude Coordinates

- (1) Provide a Development Location Point stated in decimal degrees, rounded to at least the sixth decimal place. If the proposed Development consists of Scattered Sites, as of Application Deadline the Development Location Point must affirmatively be established on the site with the most units, as outlined in subsections 67-21.002(34) and 67-48.002(34), F.A.C., and latitude and longitude coordinates for each Scattered Site must also be provided.
- (2) If the proposed Development consists of Scattered Sites, for each Scattered Site that is in addition to the Development Location Point information provided in (1) above, provide the latitude and longitude coordinates of one point located anywhere on the Scattered Site. The coordinates must be stated in decimal degrees and rounded to at least the sixth decimal place.

Note: 30.443900, -84.283960 is an example of decimal degrees format, represented to six decimal places.

~~e. Master Plan~~

~~Provide a copy of the Master Plan as Attachment 5\* or, if the Master Plan is available on a public webpage, Applicants may provide a link to the public website where the Master Plan can be accessed and reviewed by the Corporation during the scoring process.~~

~~\*Attachment 4 was intentionally omitted in this RFA.~~

**6. Number of Units and Buildings**

- a. Minimum Number of **Set-Aside Units** in the proposed Development and Minimum Number of Affordable Units Expected within the Master Plan

In this RFA, there is a minimum number of Set-Aside Units in the proposed Development and a minimum number of affordable units expected within the Master Plan. These minimums are based on the size of the county of the proposed Development.

County	Minimum <b>Set-Aside Units</b> for the <del>proposed</del> <b>Proposed</b> Development submitted in this RFA	Minimum number of affordable units expected within the Master Plan
Small	100	240
Medium	200	320
Large	300	400

There is no maximum number of units.

- b. If there are existing occupied units and if the Development is funded, a plan for relocation of existing tenants will be required to be provided to the Credit Underwriter, as outlined in Exhibit D.
- c. Set-Aside Commitments

- (1) Minimum Set-Aside Commitments per Section 42 of the IRC

If not requesting MMRB or local bonds with 4% Housing Credits, select “Live Local SAIL only” as the set-aside commitment at question 6.c.(1) of Exhibit A.

For proposed Developments that are requesting MMRB or local bonds with 4% Housing Credits, per Section 42 of the IRC, elect one of the following minimum set-aside commitments:

- 20% of the units at 50% or less of the Area Median Income (AMI)
- 40% of the units at 60% or less of the AMI
- Average Income Test

Note: Choosing the 20 percent at 50 percent AMI or less minimum set-aside will restrict ALL Set-Aside Units at 50 percent or less of the AMI. Applicants may select the 40 percent at 60 percent AMI or less minimum set-aside without committing to set aside any of the units at the 60 percent AMI level. For example, an Applicant may commit to set aside 40 percent at 50 percent AMI and this would also be considered 40 percent at 60 percent AMI or less.

The Average Income Test requires that (a) forty percent or more of the residential units in the Development be both rent-restricted and occupied by individuals whose income does not exceed the imputed income limitation

designated by the Applicant with respect to the respective unit, subject to the special rules relating to income limitation which (b) require the Applicant to designate the imputed income limitation of each unit taken into account under (a) above, such that the average of the imputed income limitations of all units designated by the Applicant shall not exceed 60 percent of the area median income. The designated imputed income limitation of any such unit shall be in 10-percent increments as follows: 20 percent, 30 percent, 40 percent, 50 percent, 60 percent, 70 percent, or 80 percent of the area median income. The set-aside commitment for the Tax-Exempt Bonds will be 40 percent of the units at 60 percent or less of the AMI.

(2) Set-Aside Commitments per Corporation Requirements – **for all Applications**

The Corporation has additional minimum set-aside requirements which must be reflected on the Total Set-Aside Breakdown Chart, as outlined below:

(a) Total Income Set-Aside Commitment

- (i) Income Set-Aside Commitments for proposed Developments that did not request Live Local SAIL only and those that did not select the Average Income Test

80 percent of the Development's total units must be set aside at 60 percent AMI or less.

- ~~(iii)~~ (iii) Income Set-Aside Commitments for proposed Developments that are requesting Live Local SAIL only and those that selected the Average Income Test

80 percent of the Development's total units must be set aside at 80 percent AMI or less, but the Average AMI of the Live Local SAIL set-aside units or of the Qualifying Housing Credit Units, as applicable, cannot exceed 60 percent.

The Average AMI of the Qualifying Live Local SAIL set-aside units or of the Qualifying Housing Credit Units is further described in (3)(b) below.

(b) Extremely Low Income (ELI) Set-Aside Units

- (i) ELI Set-Aside Commitments for proposed Developments that are requesting Live Local SAIL only and those that select the Average Income Test

If the Applicant requests Live Local SAIL only or if the Average Income Test is selected, at least 15 percent of total units must be set aside to serve ELI Households. The ELI AMI level will be 30%, regardless of county. The Application will not be eligible for ELI Funding.

- (ii) ELI Set-Aside Commitments for proposed Developments that did not request Live Local SAIL only and those that did not select the Average Income Test

At least 10 percent of the total units must be set aside to serve Extremely Low Income (ELI) Households. The Application will be eligible for ELI Funding.

#### ELI Funding Amounts

All Applicants that do not request Live Local SAIL only or do not commit to the Average Income Test are eligible for ELI funding for each ELI Set-Aside unit, not to exceed the lesser of (i) \$1,000,000; or (ii) the maximum amount based on the ELI Set-Aside per unit limits, as further outlined in Section Four A.10.a.(1)(b) of the RFA.

The following chart sets out the ELI Area Median Income (AMI) for each County and the maximum ELI funding amounts per eligible ELI Set-Aside unit. If the Unit Mix stated by the Applicant is adjusted during the credit underwriting process, the ELI funding amount may be decreased, but under no circumstances shall it be increased.

(iii) Link Units for Persons with Special Needs

With the exception of Developments financed with HUD Section 811, a United States Department of Agriculture RD program (“USDA RD”), Applicants must commit to set aside 50 percent of the ELI Set-Aside units as Link Units for Persons with Special Needs.

At least one member of each Link unit’s household shall be referred by a Special Needs Household Referral Agency (Referral Agency) with which the owner executes a Link Memorandum of Understanding (MOU) approved by the Corporation. The current list of designated Special Needs Household Referral Agencies for each county is published on the Corporation’s Website under the Quick Links section at <https://www.floridahousing.org/programs/special-needs-housing-overview/serving-special-needs> (also accessible by clicking [here](#)). The owner must execute a Link Memorandum of Understanding (MOU) with at least one of the Special Needs Household Referral Agencies serving the Development’s county. The deadline for the Corporation’s approval of the fully executed Link MOU is outlined in Exhibit D.

Additional requirements for the Link Units for Persons with Special Needs are described in Exhibit E.1 of the RFA.

(d) Tenant Selection Plan

Unless the Development meets an exception outlined in (i) below, a Tenant Selection Plan must be submitted to the Corporation for approval within 21 Calendar Days of the date of the invitation to enter credit underwriting. The Tenant Selection Plan must be approved by the Corporation and, if required, HUD prior to the completion of the final credit underwriting report.

(i) Exceptions to Tenant Selection Plan requirements

- Developments financed with HUD Section 811;
- Developments financed with a United States Department of Agriculture RD program.

All other Applications must achieve Corporation approval and, if required, HUD approval prior to the completion of the final credit underwriting report.

(ii) Achieving Corporation approval

To achieve approval by the Corporation, the Tenant Selection Plan must be submitted by the owner to the Corporation for approval within 21 Calendar Days of the date of the invitation to enter credit underwriting.

The Tenant Selection Plan Guidelines and Tenant Selection Plan Checklist can be found on the webpage <https://www.floridahousing.org/programs/developers-multifamily-programs/competitive> (also available by clicking [here](#)). Exhibit G of the RFA also describes requirements for tenant selection policies.

(iii) Achieving HUD approval, if required

In addition to the Corporation's approval, if HUD approval is required because a Development has a Housing Assistance Payment and/or an Annual Contributions Contract with HUD, HUD approval of the Tenant Selection Plan must be demonstrated to the Corporation prior to the completion of the final credit underwriting report.

HUD's approval process may take several months. Owners should send the Corporation-approved Tenant Selection Plan to HUD for approval as soon as possible to meet this requirement.

(3) Total Set-Aside Breakdown Chart

Complete the applicable Total Set-Aside Breakdown Chart provided in question 6.c.(2) of Exhibit A.

- (a) Completing the Total Set-Aside Breakdown Chart if not requesting Live Local SAIL only and if not committing to the Average Income Test

Indicate on the chart at 6.c.(2)(a) of Exhibit A the percentage of residential units, stated in whole numbers, to be set aside at each selected AMI level for both the Housing Credit and SAIL charts. If the Total Set-Aside Breakdown Chart reflects that either the Total Set-Aside Percentage or the ELI commitment does not meet the Set-Aside requirements, this Application will not be eligible for funding. The MMRB chart will populate automatically to reflect 40 percent of the units at 60 percent AMI because the Average Income Test does not apply to the separate tax-exempt bond set aside requirements under Section 142 of the IRC.

Note: Although there are three Total Set-Aside Breakdown Charts which allows Applicants to have different commitments for the different programs, the most restrictive commitment will be enforced.

Methodology Used by the Corporation to Convert the Percentage of Total Units to Set-Aside Units and, if applicable, Market Rate Units

- (i) First, calculate of the number of Set-Aside Units for the lowest AMI level commitment.

The percentage associated with the lowest AMI level that the Applicant commits to will be multiplied by the total units, rounded up to the next whole unit. The result will be the number of Set-Aside Units at the lowest AMI level commitment.

- (ii) Then, calculate the number of Set-Aside Units for the second lowest AMI level.

The percentage associated with the second lowest AMI level that the Applicant commits to will be first added to the percentage associated with the lowest AMI level commitment. These percentages, added together, will be multiplied by the total units, rounded up to the next whole unit.

The number of units calculated in (i) above will be subtracted from the result to calculate the number of Set-Aside Units at the second lowest AMI level commitment.

- (iii) Then, calculate the number of Set-Aside Units for each remaining AMI level, if applicable.

Starting with the third lowest AMI level remaining, the number of Set-Aside Units for each of the remaining AMI levels will be calculated using the same methodology described in (ii) above.

- (iv) Finally, calculate market-rate units, if applicable

To calculate the number of market-rate units, the total number of Set-Aside Units will be subtracted from the total number of units.

- (b) Completing the Total Set-Aside Breakdown Chart if selecting Live Local SAIL only or if committing to the Average Income Test

#If selecting Live Local SAIL only or if committing to the Average Income Test, Applicants must indicate on the chart at 6.c.(2)(b) of Exhibit A the number of Set-Aside Units, stated in whole numbers, to be set aside at each selected AMI level.

The Corporation will verify that the number of units set aside at the ELI level meets the ELI minimum requirements by dividing the number of units that are set-aside at 30 percent AMI, or less, by the total number of units. The Corporation will also verify the overall Set-Aside Commitment of all units by adding all Set-Aside Units and then dividing this sum by the total number of units. Exhibit A provides a calculation of the Average AMI of the Qualifying Housing Credit Units or the Qualifying Live Local SAIL set-aside units using the methodology below.

Note: After entering the number of units into Exhibit A, the percentage of total units is calculated, which may reflect numbers represented with decimal places instead of whole numbers. This is acceptable for the Average Income Test calculation.

If the Total Set-Aside Breakdown Chart reflects that the Average AMI of the Qualifying Live Local SAIL set-aside units or of the Qualifying Housing Credit Units exceeds 60 percent, and/or if the number of Set-Aside Units set aside at 30 percent AMI, or less, is not equal to or greater than the required ELI commitment, and/or the overall Set-Aside Commitment requirement is not met, this Application will not be eligible for funding.

Calculation of the Average AMI of the Qualifying Live Local SAIL set-aside units or of the Qualifying Housing Credit Units for the Average Income Test

(v) (i)—First, state the total number of Set-Aside Units at each AMI commitment.

(ii) Then, at each AMI commitment, multiply the number of Set-Aside Units by the AMI percentage (e.g., a commitment of 13

Set-Aside Units at 30 percent AMI would be calculated as follows:  $13 \times 0.30 = 3.9$ ).

- (iii) Repeat this calculation at each AMI level. Then add the results together.
- (iv) Divide the number calculated in (iii) by the total number of Set-Aside Units stated in (i).
- (v) This number must be equal to or less than 60 percent to meet the eligibility requirement. If the Average AMI of the Qualifying Live Local SAIL set-aside units or of the Qualifying Housing Credit Units exceeds 60 percent, this Application will not be eligible for funding.

Where reasonably possible, keep the unit mix consistent across each committed AMI level.

The above ELI and all other set-aside commitments must be taken into account during any pre-leasing and leasing activities.

d. Unit Mix

Complete the Unit Mix Chart listing the total number of bedrooms per unit, the total number of bathrooms per unit (including half-baths, if applicable) and the total number of units per bedroom type. All units in the proposed Development must be listed, including all manager/employee units and all market rate units, if applicable.

Note: The number of ELI Set-Aside Units are proportionately distributed across the Unit Mix within Exhibit A and the maximum ELI funding amount per eligible ELI Set-Aside unit the proposed Development is eligible to receive is calculated automatically within Exhibit A based on the information listed by the Applicant on the Unit Mix chart.

- Units may have no more than four bedrooms and not more than 25 percent of the total units in the Development may consist of Zero Bedroom units.

e. Number of Buildings

State the anticipated number of residential buildings.

The number of residential buildings stated in the Application may be changed only by written request of an Applicant to Corporation staff after the Applicant has been invited to enter credit underwriting.

f. Compliance Period

All Applicants are required to set aside the units for 50 years ~~and~~. Applicants that wish to qualify for an exemption from ad valorem tax pursuant to 196.1978(4), F.S. may also choose to commit to an additional minimum 49-year extended affordability period, for a

total affordability period of 99 years (“Perpetuity”), ~~per Florida Statute 196.1978(4)~~, which will only be applied to the SAIL and Bond LURAs, as applicable.

In submitting its Application, the Applicant knowingly, voluntarily and irrevocably commits to waive, and does hereby waive, for the duration of the 50-year set aside period the option to convert to market, including any option or right to submit a request for a qualified contract, after year 14, and any other option, right or process available to the Applicant to terminate (or that would result in the termination of) the 50-year set aside period at any time prior to the expiration of its full term.

Note: The Compliance Period committed to in this section includes the units set aside for the Demographic Commitments made in this RFA, which includes the commitments for Link Units and ELI Households. ~~if the Applicant did not select SAIL Live Local only or~~ if the Applicant did not commit to the Average Income Test, after 15 years all of the ELI Set-Aside Units that were associated with the ELI Funding may convert to serve residents at or below 60 percent AMI. ~~if the Applicant selected SAIL Live Local only or~~ if the Applicant committed to the Average Income Test, the ELI Set-Aside Units must remain at 30 percent AMI or less throughout the entire Compliance Period. The Link Persons with Special Needs set-aside commitment must be maintained throughout the entire Compliance Period.

Although the percentage of units committed to must remain in effect for the entire Compliance Period, the particular units designated for the Demographic Commitment and AMI commitment must not be limited to the same units throughout the Compliance Period. Doing so may cause the Development to be in noncompliance.

## 7. Readiness to Proceed

### a. Site Control

Demonstrate site control by providing, as **Attachment 6\*** to Exhibit A, the documentation required in Items (1), (2), and/or (3), as indicated below, demonstrating that it is a party to an eligible contract or lease, or is the owner of the subject property. Such documentation must include all relevant intermediate contracts, agreements, assignments, options, conveyances, intermediate leases, and subleases. If the proposed Development consists of Scattered Sites, site control must be demonstrated for all of the Scattered Sites.

Note: The Corporation has no authority to, and will not, evaluate the validity or enforceability of any site control documentation.

\*Attachments 4 and 5 were intentionally omitted in this RFA.

Any intermediate agreement must meet the criteria for an eligible agreement in (a) and (b) above.

b. Ability to Proceed

All successful Applications will be required to demonstrate the following Ability to Proceed elements **as of Application Deadline\***, for the entire proposed Development site, including all Scattered Sites, if applicable, as outlined below.

The Florida Housing Ability to Proceed Verification forms are provided on the RFA Webpage. **\* Successful Applicants will be required to demonstrate that all of these requirements were met by providing documentation outlined in Exhibit D of this RFA within 21 Calendar Days of the invitation to enter into credit underwriting. To demonstrate that these were in place as of the Application Deadline, the documents must be dated on or before the Application Deadline. The Corporation will rescind the award of any Applications that fail to meet this requirement.**

## 8. Construction Features

All units are expected to meet all requirements as outlined below.

All features and amenities committed to and proposed by the Applicant that are not unit-specific shall be located on each of the Scattered Sites, or no more than 1/16 mile from the Scattered Site with the most units, or a combination of both.

### a. Federal Requirements and State Building Code Requirements for all Developments

All proposed Developments must meet all federal requirements and state building code requirements, including the following, incorporating the most recent amendments, regulations and rules:

- Florida Accessibility Code for Building Construction as adopted pursuant to Section 553.503, F.S.;
- The Fair Housing Act as implemented by 24 CFR 100;
- Section 504 of the Rehabilitation Act of 1973\*; and
- Titles II and III of the Americans with Disabilities Act of 1990 as implemented by 28 CFR 35.

The above documents are available on the RFA Webpage.

\*All Developments must comply with Section 504 of the Rehabilitation Act of 1973, as implemented by 24 CFR Part 8 (“Section 504 and its related regulations”). All Developments must meet accessibility standards of Section 504. Section 504 accessibility standards require a minimum of 5 percent of the total dwelling units, but not fewer than one unit, to be accessible for individuals with mobility impairments. An additional 2 percent of the total units, but not fewer than one unit, must be accessible for persons with hearing or vision impairments. All of the accessible units must be equally distributed among different unit sizes and Development types and must be dispersed on all accessible routes throughout the Development.

To the extent that a Development is not otherwise subject to Section 504 and its related regulations, the Development shall nevertheless comply with Section 504 and its related regulations as requirements of the Corporation funding program to the same extent as if the Development were subject to Section 504 and its related regulations in all respects. To that end, all Corporation funding shall be deemed “Federal financial assistance” within the meaning of that term as used in Section 504 and its related regulations for all Developments.

### b. General Features

## 10. Funding

### a. Corporation Funding

#### (1) Total Live Local SAIL Request Amount

The Live Local SAIL Base loan shall be non-amortizing and shall have an interest rate of 1 percent per annum. The terms and conditions of the Live Local SAIL loan are further outlined in Rule Chapter 67-48, F.A.C.

State the amount of the Live Local SAIL funding being requested in Exhibit A and on the Development Cost Pro Forma. The Total SAIL Request equals the SAIL Base Request in (a) plus the ELI Request in (b) below. The **Total** SAIL Request cannot exceed the lesser of \$25,000,000 or 25% of the Total Development Cost.

The Live Local SAIL Request Amount is limited to the lesser of the following:

- (a) Eligible SAIL Base Loan Request Amount is limited to \$120,000 per unit.
- (b) ELI Funding Amounts

Applicants that request Live Local SAIL only or Applicants that commit to the Average Income Test will not be eligible for ELI funding.

All other Applicants are eligible for ELI funding for each ELI Set-Aside unit, not to exceed the lesser of (i) \$1,000,000; or (ii) the maximum amount based on the ELI Set-Aside per unit limits.

For each proposed ELI Set-Aside unit, the proposed Development must take a unit that would otherwise be at 60 percent AMI or higher and restrict it as an ELI Set-Aside unit. The number of ELI Set-Aside Units are

proportionately distributed across the Unit Mix within Exhibit A and the maximum ELI funding amount per eligible ELI Set-Aside unit the proposed Development is eligible to receive is calculated automatically within Exhibit A based on the information listed by the Applicant on the Unit Mix chart.

(c) Additional Information regarding the Applicant's Total Live Local SAIL Request Amount

(i) Maximum Total Live Local SAIL Request as a Percentage of Eligible Total Development Cost

During scoring, some costs stated on the Development Cost Pro Forma may be reduced if the stated amount exceeds the allowed amount. This would also cause a reduction to the Total Development Cost stated on the Development Cost Pro Forma.

The resulting Total Development Cost, as adjusted if applicable, will be deemed to be the Applicant's Eligible Total Development Cost.

The combined total of (a) the Applicant's Eligible Live Local SAIL Base Request Amount and (b) the Applicant's Eligible ELI Request Amount cannot exceed 25 percent of the Eligible Total Development Cost.

Any necessary adjustments needed to bring the total of these loans within the applicable percent maximum will be made during the scoring process, as well as during the credit underwriting process. Adjustments will be made first to reduce the Live Local SAIL Base Request Amount, if necessary, to meet both the per unit and per Development limitations provided in (a) above, secondly to reduce the ELI amount, if necessary, to fall within the maximum qualifying amount as provided in (b) above, and then lastly to reduce the Live Local SAIL Base Request Amount, as adjusted if applicable, to meet the applicable percent of Total Development Cost limitation test. The resulting Live Local SAIL Base Request Amount, as adjusted if applicable, will be deemed to be the Applicant's Eligible Live Local SAIL Base Request Amount. The resulting ELI Request Amount, as adjusted if applicable, will be deemed to be the Applicant's Eligible ELI Request Amount.

(ii) Additional adjustments, if applicable

If the Applicant states a Live Local SAIL Request Amount and/or ELI Request Amount that is greater than the amount the Applicant is eligible to request, the Corporation will reduce the

amount down to the maximum amount the Applicant is eligible to request (“Eligible Request Amount”).

(2) 4% Housing Credits

- (a) The Applicant, if requesting 4% Housing Credits, must state the anticipated amount of Housing Credits it is requesting (“Applicant’s Housing Credit Request Amount”).

The 4% Housing Credit Request Amount is not subject to a request limit; however, if the Applicant states an amount that is not a whole dollar amount, the Corporation will round the amount down to a whole dollar amount.

If the Applicant has already applied for 4% Housing Credits by submitting the Non-Competitive Application Package, and the Applicant has been invited into credit underwriting for the 4% Housing Credits, provide the Application Number and the amount of 4% Housing Credits requested in the Non-Competitive Application. No further information will be required for Applicants that have already been invited into credit underwriting for the 4% Housing Credits, but the equity amount listed on the Development Cost Pro Forma should match the equity amount listed on the Development Cost Pro Forma in the Non-Competitive Application.

- (b) Declaration as First Phase of a Multiphase Development

To declare this proposed Development as the first phase of a multiphase Development, the question in Exhibit A must be answered “Yes” and at least one building must be located within the HUD-designated DDA or HUD-designated QCT stated in Exhibit A.

During the credit underwriting process, an opinion letter must be submitted to the Corporation by a licensed attorney that the Development meets the definition of a “multiphase project” as defined in the Federal Register related to the Statutorily Mandated Designation of Difficult Development Areas and Qualified Census Tracts for the applicable year. The letter must also include: (i) the name of the declared first phase Development and the Corporation-assigned Application number, (ii) the total number of phases and the projected Development name for each phase, (iii) the total number of buildings in each phase, (iv) the expected completion date for each phase, and (v) any other information as determined by the Corporation and stated in the invitation to enter credit underwriting.

To qualify for the basis boost, subsequent phases must meet the requirements in (c)(i) below.

## (c) Basis Boost Qualifications

With regard to Housing Credits, HUD provides regulatory guidance on the effective date of Difficult Development Area (DDA) and Qualified Census Tract (QCT) lists for the purpose of determining whether a Development qualifies for an increase in eligible basis in accordance with Section 42(d)(5)(B) of the IRC. HUD's notice published on the webpage <https://www.huduser.gov/portal/datasets/qct.html> (also available by clicking [here](#)) governs the eligibility for a basis boost for the Development proposed in this RFA.

The increase in eligible basis related to 4% Housing Credits is initially tied to the submission of a complete application to the bond-issuing agency.

If the Applicant is applying for Corporation-issued MMRB in this application, the HUD criteria used to determine eligibility will be the current calendar year criteria. If the Applicant is utilizing Non-Corporation-issued Tax-Exempt Bonds or if the Applicant has already applied for Corporation-Issued MMRB by submitting the Non-Competitive Application Package, and the Applicant has been invited into credit underwriting for the Corporation-Issued MMRB, the Corporation will need to utilize the qualifying criteria tied to when the complete application was submitted to the Corporation or the agency issuing the County HFA-issued Tax Exempt Bonds, as applicable. If applicable, provide a response to the question asking for the calendar year of the Florida Housing Non-Competitive Application (year Application was invited into credit underwriting) or County HFA-issued Tax Exempt Bond application (current year or prior year).

If the Applicant is requesting 4% Housing Credits that will be used with County HFA-issued Tax-Exempt Bonds and the Applicant indicates that the proposed Development is eligible for the basis boost, during the credit underwriting process the Applicant will be required to provide a letter certifying the date the bond application was deemed complete, as outlined in Exhibit D.

## (i) Subsequent Phase of a Multiphase Development

For purposes of this RFA, a subsequent phase of a multiphase Development is one where the first phase was located within a HUD-designated DDA or HUD-designated QCT and appropriately identified as such, and received an award of Housing Credits ("initial award") in one of the following: (i) the 2011 Universal Application Cycle; (ii) a

Request for Proposal or Request for Application (“RFP” or “RFA”) issued in calendar year 2013, 2014, 2015, 2016, 2017, 2018, 2019, 2020, 2021, 2022, or 2023; or (iii) a 4% Housing Credit Application (awarded through a Corporation competitive RFA process or a Non-Corporation Bond issuer’s competitive application).

For the subsequent phase to be eligible for the basis boost, after the initial award, (A) the Applicant must have submitted an Application for Housing Credits in immediately consecutive years, per the HUD requirements, (B) the 730-day period following the initial award must not end prior to the submission deadline for the Corporation’s competitive RFA or a Non-Corporation Bond issuer’s competitive application, per HUD’s requirements, and (C) the subsequent phase must have at least one building located within the boundary of the declared HUD-designated DDA or HUD-designated QCT which applied to the Development declared as the first phase by the first phase Applicant.

If the proposed Development qualifies as a subsequent phase of a multiphase Development, indicate as such in Exhibit A and provide the Corporation-assigned Application number for the Development where the first phase was declared and awarded an allocation of Housing Credits.

The proposed Development’s subsequent phase status will be confirmed during the credit underwriting process. If it is determined that the proposed Development does not meet the criteria to be designated a subsequent phase of a multiphase Development and the Housing Credit request was based on such contention, it will no longer be considered a subsequent phase of a multiphase Development and the Applicant’s award may be rescinded.

(ii) HUD-designated Small Area DDA (SADDA)

A proposed Development will be eligible for the basis boost if located within a HUD-designated Small Area DDA (SADDA), as defined in Section 42(d)(5)(B)(iii), IRC. The SADDA designation will only apply to the building(s) located within the applicable SADDA Zip Code Tabulation Area (ZCTA) and only those building(s) will be eligible for the basis boost.

HUD has assigned a ZCTA number to each SADDA, available on the webpage

<https://www.huduser.gov/portal/datasets/qct.html> (also available by clicking [here](#)). The applicable HUD mapping software is available at [https://www.huduser.gov/portal/sadda/sadda\\_qct.html](https://www.huduser.gov/portal/sadda/sadda_qct.html) (also available by clicking [here](#)).

To qualify, identify, in Exhibit A, the ZCTA number(s) for the proposed Development.

During credit underwriting and at the time of Final Cost Certification, if it is determined that there are buildings located outside of the applicable SADDA ZCTA, the Corporation reserves the right to reduce the Housing Credit Allocation if the eligible basis for the building(s) located in the applicable SADDA ZCTA is not sufficient to support the request amount.

(iii) HUD-designated Non-Metropolitan DDA

The proposed Development will be eligible for the basis boost if the Development county, as stated in Exhibit A, is located within a HUD-designated non-metropolitan DDA as defined in Section 42(d)(5)(B)(iii), IRC. The HUD-designated non-metropolitan DDAs are available on the webpage <https://www.huduser.gov/portal/datasets/qct.html> (also available by clicking [here](#)).

(iv) HUD-designated QCT

The proposed Development will be eligible for the basis boost if the entire Development is located, as of Application Deadline, within a HUD-designated QCT, as defined in Section 42(d)(5)(B)(ii), IRC, as amended and based on the current census, as determined by HUD.

The HUD-designated QCTs are available on the webpage <https://www.huduser.gov/portal/datasets/qct.html> (also available by clicking [here](#)).

To qualify, indicate the HUD-designated QCT census tract number.

(d) Housing Credit Equity Proposal

If requesting 4% Housing Credits, [in this Application\\*](#), a Housing Credit equity proposal must be provided as **Attachment 7**. For purposes of this RFA, to be counted as a source, an equity proposal, regardless of whether the documentation is in the form of a

commitment, proposal, term sheet or letter of intent, must meet the requirements set out below:

\*Requirement does not apply if the Applicant has already applied for 4% Housing Credits by submitting the Non-Competitive Application Package, and the Applicant has been invited into credit underwriting for the 4% Housing Credits as described in 2(a) above.

- (i) If the Eligible Housing Credit Request Amount is less than the anticipated amount of credit allocation stated in the equity proposal, the equity proposal will be considered a source of financing and the maximum amount of Housing Credit equity to be permitted in the Development Cost Pro Forma will be adjusted downward from the amount stated in the equity proposal. This adjusted maximum Housing Credit equity will be calculated by taking the total amount of equity to be provided to the proposed Development as stated in the equity proposal letter, dividing it by the credit allocation stated in the equity proposal and multiplying that quotient by the Applicant's Eligible Housing Credit Request Amount. If the Eligible Housing Credit Request Amount is greater than the anticipated amount of credit allocation stated in the equity proposal, the equity proposal will be considered a source of financing and the maximum amount of Housing Credit equity to be permitted in the Development Cost Pro Forma will be the amount stated in the equity proposal.
- (ii) If syndicating/selling the Housing Credits, the Housing Credit equity proposal must meet the following criteria:
- Be executed by the equity provider;
  - Include specific reference to the Applicant as the beneficiary of the equity proceeds;
  - State the proposed amount of equity to be paid prior to construction completion;
  - State the anticipated Housing Credit Request Amount;
  - State the anticipated dollar amount of Housing Credit allocation to be purchased; and
  - State the anticipated total amount of equity to be provided.

If the limited partnership agreement or limited liability company operating agreement has closed, the closed agreement must be provided. To be counted as a source of financing, the partnership agreement or operating agreement must meet the requirements above or submit separate documentation, signed by the equity provider, expressly stating any required criteria not provided in the agreement.

(iii) If not syndicating/selling the Housing Credits, the owner's commitment to provide equity must be provided. The commitment must include the following information and evidence of ability to fund must be provided as **Attachment 7** to the Application:

- The proposed amount of equity to be paid prior to construction completion;
- The anticipated Housing Credit Request Amount;
- The anticipated dollar amount of Housing Credit allocation to be purchased; and
- The anticipated total amount of equity to be provided.

Note: Exhibit D to the RFA outlines the documentation required to be submitted during credit underwriting demonstrating that the equity amount to be paid prior to or simultaneous with the closing of construction financing is at least 15 percent of the total proposed equity to be provided (the 15 percent criteria).

(3) Tax Exempt Bonds

(a) Corporation-Issued MMRB

If applicable, state the amount of Corporation-Issued MMRB being requested. The MMRB Request amount must be in increments of \$5,000. The Corporation will make any necessary adjustment by rounding up to the nearest \$5,000 during credit underwriting.

There is no requirement to include any documentation regarding the MMRB in the Application. The necessary documentation that will be required after the Applicant is invited to enter credit underwriting is outlined in Exhibit D.

If the Applicant has already applied for Corporation-Issued MMRB by submitting the Non-Competitive Application Package, and the Applicant has been invited into credit underwriting for the Corporation-Issued MMRB, provide the Application Number and the amount of MMRB that the Development was approved for. No further information will be required for Applicants that have already been invited into credit underwriting for Corporation-Issued MMRB, but the amount of bond financing reflected in the Construction and Permanent Funding Sources listed on the Development Cost Pro Forma should match the amount of bond financing reflected in the Construction and Permanent Funding Sources listed on the Development Cost Pro Forma in the Non-Competitive Application.

(b) County HFA-issued Tax-Exempt Bonds

- (i) If applicable, provide, as **Attachment 8** to Exhibit A, a letter executed by the chair or vice chair of the governing body, mayor, or deputy mayor, city manager or assistant city manager, county manager/administrator/coordinator or assistant county manager/administrator/coordinator, executive director or assistant executive director, or by an individual occupying a position reasonably equivalent to any of the foregoing, as applicable, of the entity issuing the Tax-Exempt Bonds, that (a) confirms that the Applicant has submitted an application for Tax-Exempt Bonds for the Development proposed in this RFA, (b) states the amount of the Applicant's Bond request, and (c) confirms that the closing on the Bonds has not occurred and will not occur prior to the Application Deadline for this RFA; and
- (ii) The Applicant must include the anticipated amount of such Bond financing on the Construction/Rehab Analysis and the Permanent Analysis.

There is no requirement to include any other documentation regarding the County HFA-issued Tax-Exempt Bonds in the Application beyond what is required at **Attachment 8**. The necessary documentation will be required after the Applicant is invited to enter credit underwriting, as outlined in Exhibit D to the RFA.

Applicants are not eligible to apply for any funding offered in this RFA if the Applicant has already closed on the Tax-Exempt Bond financing prior to the Application Deadline for this RFA. In addition, proposed Developments are not eligible to receive any funding awarded through this RFA if the Applicant closes on the Tax-Exempt Bond financing prior to the issuance of the preliminary commitment. As part of the Applicant's acceptance of the invitation to enter credit underwriting (i.e., the preliminary commitment), the Applicant will be required to confirm that the Bonds have not closed. If the Bonds are closed between the Application Deadline and issuance of the SAIL preliminary commitment, the Applicant's award will be rescinded.

(4) Other Corporation Funding

If the Development has received funding from the Predevelopment Loan Program (PLP), the Corporation file number and amount of funding must be listed. Note: PLP funding cannot be used as a source of financing on the Construction/Rehab Analysis or the Permanent Analysis.

b. Non-Corporation Funding

- (1) If the proposed Development will be assisted with funding under the United States Department of Agriculture RD 515 Program and/or RD 538 Program, the following information must be provided:
- (a) Indicate the applicable RD Program(s) in Exhibit A.
  - (b) For a proposed Development that is assisted with funding from RD 515, include the following:

    - (ii) Provide a letter from RD, dated within six months of the Application Deadline, as **Attachment 9** to Exhibit A, confirming the funding source as outlined below:
      - (A) For proposed Developments that either (i) committed to the Development Category of Rehabilitation (with or without Acquisition); or (ii) qualified for the Development Subcategory of Redevelopment (with or without Acquisition), the RD letter must include the following information:
        - Name of existing development;
        - Name of proposed Development;
        - Current RD Loan balance;
        - Acknowledgment that property is applying for Housing Credits; and
        - Acknowledgment that property will remain in the USDA/RD 515 loan portfolio.
- or

- (ii) Provide the letter sent to the Applicant by an RD 538 approved lender certifying that the lender is prepared to make a loan consistent with the program requirements through the Section 538 Guaranteed Rural Rental Housing (“538”) Loan Program as **Attachment 9** to Exhibit A. The U.S. Department of Agriculture, Rural Development (RD), list of Section 538 Guaranteed Rural Rental Housing approved lenders is available on the RFA Webpage.

As outlined in Exhibit D, the Section 538 Selection letter from RD must be provided during credit underwriting.

(2) Non-Corporation Funding Proposals

Unless stated otherwise within this RFA, for funding, other than Corporation funding and deferred Developer Fee, to be counted as a source on the Development Cost Pro Forma, provide documentation of all financing proposals from both the construction and the permanent lender(s), equity proposals from the syndicator, and other sources of funding. The financing proposals must state whether they are for construction financing, permanent financing, or both, and all attachments and/or exhibits referenced in the proposal must be provided as **Attachment 10** to Exhibit A.

For purposes of the Application, the following will not be considered a source of financing: net operating income, capital contributions not documented in accordance with financing proposals that are not from a Regulated Mortgage Lender, fee waivers or any portion of any fees that are reimbursed by the local government. Additionally, fee waivers or any portion of any fees that are reimbursed by the local government cannot be considered as Development costs.

(a) Financing Proposal

Financing proposal documentation, regardless of whether the documentation is in the form of a commitment, proposal, term sheet, or letter of intent, must meet the following criteria.

Each financing proposal shall contain:

- Amount of the construction loan, if applicable;

- Specific reference to the Applicant as the borrower or direct recipient; and
- Signature of lender.

Note: Eligible Local Government financial commitments (i.e., grants and loans) can be considered a source of financing without meeting the requirements above if the Applicant provides the properly completed and executed Local Government Verification of Contribution – Grant Form (Form 07-2022) and/or the Local Government Verification of Contribution – Loan Form (Form 07-2022), the form must be dated within 12 months of the Application Deadline, and such grant and/or loan is effective at least through June 30, 2024. A loan with a forgiveness provision (and no accrued interest charges) requiring approval of the Local Government can be treated as a loan or a grant. Either the "Loan" or the "Grant" verification forms can be used. The grant and loan forms (Form 07-2022) are available on the RFA Webpage. If the loan form is used for a loan with forgiveness provision (and no accrued interest charges), the space for entering the net present value of the loan is not applicable to this RFA and will not be considered.

- (b) Financing that has closed:
- (i) For any financing other than Tax-Exempt Bond financing\*, if the financing has closed in the Applicant's name, provide a letter from the lender acknowledging that the loan has closed. The letter must also include the following information:
- Amount of the construction loan, if applicable;
  - Amount of the permanent loan, if applicable; and
  - Specific reference to the Applicant as the borrower/direct recipient/mortgagee.

\*As stated in Section One and Section Four A.10.a. of the RFA, proposed Developments are not eligible to apply for any funding offered in this RFA if the Applicant has already closed on the Tax-Exempt Bond financing prior to the Application Deadline for this RFA. In addition, proposed Developments are not eligible to receive any funding awarded through this RFA if the Applicant closes on the Tax-Exempt Bond financing prior to the issuance of the preliminary commitment for the SAIL funding. As part of the Applicant's acceptance of the invitation to enter credit underwriting (i.e., the preliminary commitment), the Applicant will be required to confirm that the Bonds have not closed. If the Bonds are closed between the Application Deadline and issuance of the preliminary commitment, the Applicant's award will be rescinded.

- (ii) Except for HUD and RD funding, if the financing involves an assumption of debt not currently in the Applicant's name, as evidence that the lender approves of the proposal of assumption, provide a letter from the lender, dated within six months of the Application Deadline, that includes the following information:
- Specifically references the Applicant as the assuming party;
  - If a permanent loan, states the amount to be assumed; and
  - If a construction loan, states the maximum amount of funding capacity.

If the debt being assumed is provided by HUD, provide a letter from HUD, dated within six months of the Application Deadline, confirming the funding source. The letter must include the following information:

- Name of existing development;
- Name of proposed Development;
- Loan balance;
- Acknowledgment that property is applying for Housing Credits; and
- Applicable HUD program.

If the debt being assumed is provided by RD, the Applicant is only required to provide the information described in Item 10.b.(1)(b) above.

- (c) If the financing proposal is not from a Regulated Mortgage Lender in the business of making loans or a governmental entity, evidence of ability to fund must be provided.

Evidence of ability to fund includes: (i) a copy of the lender's most current audited financial statements no more than 17 months old; or (ii) if the loan has already been funded, a copy of the note and recorded mortgage. The age of all financial statements is as of the Application Deadline. In evaluating ability to fund, the Corporation will consider the entity's unrestricted current assets typically used in the normal course of business. Assets considered restricted include, but are not limited to, pension funds, rental security deposits, and sinking funds. Financing proposals from lenders who cannot demonstrate ability to fund will not count as a source of financing. Financial statements must be included in the Application. Note: This provision does not apply to deferred Developer Fee.

In the case where the seller (or lessor) of the Development's property is providing a seller's or lessor's note (purchase money mortgage or equivalent) to help finance the Applicant's acquisition of the property, evidence of its ability to fund the amount of the note is not needed so long as the Application includes a letter from the seller or lessor that meets the financing proposal criteria outlined in (1)(a) above and the amount of the note is equal to or less than the purchase price of the property.

- (d) If a financing proposal shows an amount less than the corresponding line item on the Development Cost Pro Forma, only the financing proposal amount will be considered as a funding source. However, if a financing proposal shows an amount greater than the corresponding

line item on the Development Cost Pro Forma, up to the total amount of the financing proposal amount may be utilized as a funding source, if needed.

- (e) The loan amount may be conditioned upon an appraisal or debt service coverage ratio or any other typical due diligence required during credit underwriting.
- (f) Financing proposals may be conditioned upon the Applicant receiving the funding from the Corporation for which it is applying.
- (g) If a financing proposal has a provision for holding back funds until certain conditions are met, the amount of the hold-back will not be counted as a source of construction financing unless it can be determined that the conditions for the release of the hold-back can be met prior to or simultaneous with the closing of the Development's permanent financing.
- (h) Grant funds are contributions to the Development, other than equity, which carry no repayment provision or interest rate. A commitment for grant funds will be considered a commitment if the commitment is properly executed and, if applicable, evidence of ability to fund is provided.

c. Development Cost Pro Forma

All Applicants must complete the Development Cost Pro Forma listing the anticipated costs, the Detail/Explanation Sheet, if applicable, and the Construction or Rehab Analysis and Permanent Analysis listing the anticipated sources (both Corporation and non-Corporation funding). The sources must equal or exceed the uses. If a funding source is not considered, if the Applicant's funding Request Amount is adjusted downward, and/or if the anticipated costs or uses are adjusted upward, this may result in a funding shortfall. If the Application has a funding shortfall in either the Construction/Rehab and/or the Permanent Analysis of the Applicant's Development Cost Pro Forma, the amount of the adjustment(s), to the extent needed and possible, will be offset by increasing the deferred Developer Fee up to the maximum eligible amount as provided below. If it is demonstrated that an Applicant failed to disclose anticipated costs, the Applicant will be deemed ineligible if those undisclosed costs cause a funding shortfall.

The Development Cost Pro Forma must include all anticipated costs of the Development construction, including the Developer Fee and General Contractor fee, as outlined below. Waived or reimbursed fees or charges are not considered costs to the Development and therefore, should not be included on the Development Cost Pro Forma. Note: deferred Developer Fees are not considered "waived fees."

Within the General Development Costs section of the Development Cost Pro Forma, there are line items for Professional Fees, Insurance(s), Local Government

Fees & Taxes, FHFC Costs& Fees, and Tenant Relocation Costs. The following are examples of these costs:

- Professional Fees may include Accounting Fees, Appraisal, Architect’s Fees, Capital Needs Assessment, Engineering Fees, Environmental Report, Green Building Certification/HERS Inspection Costs, Inspection Fees, Legal Fees, Market Study, Marketing/Advertising, Soil Test Report, Survey and Title Insurance & Recording Fees.
- Insurance(s) may include Builder’s Risk Insurance.
- Local Government Fees & Taxes may include Building Permit, Impact Fees, Property Taxes and Utility Connection Fee.
- FHFC Costs & Fees may include the Corporation’s fees such as Administrative Fee, Application Fee, Compliance Fee and PRL/Credit Underwriting Fees.

Developer Fee and General Contractor fee must be disclosed. In the event the Developer Fee and/or General Contractor fee are/is not disclosed on the Development Cost Pro Forma, the Corporation will assume that these fees will be the maximum allowable and will add the maximum amount(s) to Total Development Cost. If an Applicant lists a Developer Fee, General Contractor fee, contingency reserve or operating deficit reserve that exceeds the stated Application limits, the Corporation will adjust the fee to the maximum allowable.

All loans, grants, donations, syndication proceeds, etc., should be detailed in the Application as outlined above. The total of monetary funds determined to be in funding proposals must equal or exceed uses.

(1) Developer Fee

Each Developer Fee component listed in (a) and (b) below shall not exceed the respective amounts described below:

- (a) For Applicants requesting Live Local SAIL only
- (i) Developer Fee on Acquisition Costs, is limited to 16 percent of the Total Acquisition Cost of Existing Development (excluding land) stated on the Development Cost Pro Forma in Column 3 of Item B, rounded down to the nearest dollar; and
  - (ii) Developer Fee on Non-Acquisition Costs, is limited to 16 percent of the net amount after deducting Total Acquisition Cost of Existing Development (excluding land) (Column 3 of Item B) from the Development Cost stated on the Development Cost Pro Forma in Column 3 of Item C, rounded down to the nearest dollar.
- (b) For Applicants requesting Tax-Exempt Bond Financing and 4% Housing Credits

- (i) Developer Fee on Acquisition Costs, is limited to 18 percent of the Total Acquisition Cost of Existing Development (excluding land) stated on the Development Cost Pro Forma in Column 3 of Item B, rounded down to the nearest dollar; and
- (ii) Developer Fee on Non-Acquisition Costs, is limited to 18 percent of the net amount after deducting Total Acquisition Cost of Existing Development (excluding land) (Column 3 of Item B) from the Development Cost stated on the Development Cost Pro Forma in Column 3 of Item C, rounded down to the nearest dollar.

If the maximums stated in (a) or (b) are exceeded, the Corporation will adjust the amount down to the maximum allowed. Additionally, the Corporation may further adjust the Developer Fee on Acquisition Costs, and/or Developer Fee on Non-Acquisition Costs stated on the Development Cost Pro Forma and used to calculate the Developer Fee in Item D of the Development Cost Pro Forma. The conditions for such adjustments are stated below:

- If the amount of Developer Fee on Acquisition Costs is more than the amount allowed in (a) above, AND if the amount of Developer Fee on Non-Acquisition Costs is less than the amount allowed in (b) above, the Corporation will reduce the amount of Developer Fee on Acquisition Costs to the maximum allowed amount, and increase the amount of Developer Fee on Non-Acquisition Costs by the amount reduced in the Developer Fee on Acquisition Costs, up to the maximum allowed amount.
- If the amount of Developer Fee on Non-Acquisition Costs is more than the amount allowed in (b) above, AND if the amount of Developer Fee on Acquisition Costs is less than the amount allowed in (a) above, the Corporation will reduce the amount of Developer Fee on Non-Acquisition Costs to the maximum allowed amount, and increase the amount of Developer Fee on Acquisition Costs by the amount reduced in the Developer Fee on Non-Acquisition Costs, up to the maximum allowed amount.

The Corporation will allow up to 100 percent of the eligible Developer Fee to be deferred and used as a source on the Development Cost Pro Forma without the requirement to show evidence of ability to fund.

Consulting fees, if any, and any financial or other guarantees required for the financing must be paid out of the Developer Fee. Consulting fees include, but are not limited to, payments for Application consultants,

construction management or supervision consultants, or local government consultants.

(2) General Contractor Fee

General Contractor fee shall be limited to 14 percent of actual construction cost. The maximum allowable General Contractor fee will be tested during the scoring of the Application by multiplying the actual construction cost by 14 percent, rounded down to the nearest dollar.

(3) Contingency Reserves

For Application purposes, the maximum hard and soft cost contingencies allowed cannot exceed (a) 5 percent of hard and soft costs for Development Categories of New Construction; or (b) 15 percent of hard costs and 5 percent of soft costs for Development Categories of Rehabilitation, with or without Acquisition, as further described in Rule Chapters 67-21, F.A.C. and 67-48, F.A.C. The determination of the contingency reserve is limited to the maximum stated percentage of total actual construction costs (hard costs) and general development costs (soft costs), as applicable.

(4) Operating Deficit Reserves

An operating deficit reserve can be included as part of Development Costs but cannot be used in determining the maximum Developer Fee. Applicants may enter an operating deficit reserve amount that does not exceed \$3,500 per unit on the Development Cost Pro Forma as part of the Application process. A reserve, including an operating deficit reserve, if necessary as determined by an equity provider, first mortgage lender, and/or the Credit Underwriter engaged by the Corporation in its reasonable discretion, will be required and sized in credit underwriting. If any reserve other than the permitted contingency reserve(s) or the maximum operating deficit reserve is identified and included in the Development Cost Pro Forma, the Corporation will reduce it to the maximum allowed during Application scoring.

In exchange for receiving funding from the Corporation, the Corporation reserves the authority to restrict the disposition of any funds remaining in any operating deficit reserve(s) after the term of the reserve's original purpose has terminated or is near termination. Authorized disposition uses are limited to payments towards any outstanding loan balances of the Development funded from the Corporation, any outstanding Corporation fees, any unpaid costs incurred in the completion of the Development (i.e., deferred Developer Fee), the Development's capital replacement reserve account (provided, however, that any operating deficit reserve funds deposited to the replacement reserve account will not replace, negate, or otherwise be considered an advance payment or pre-funding of the Applicant's obligation to periodically fund the replacement reserve

account), the reimbursement of any loan(s) provided by a partner, member or guarantor as set forth in the Applicant's organizational agreement (i.e., operating or limited partnership agreement) whereby its final disposition remains under this same restriction. The actual direction of the disposition is at the Applicant's discretion so long as it is an option permitted by the Corporation. In no event, shall the payment of amounts to the Applicant or the Developer from any operating deficit reserve established for the Development cause the Developer Fee or General Contractor fee to exceed the applicable percentage limitations provided for in this RFA.

d. Public Housing Authority and/or an instrumentality of a Public Housing Authority

Applicants may qualify for ~~an "Add-On Bonus"~~ a TDC Multiplier used in the Total Development Cost Per Unit Base Limitation calculation described in Item 1 of Exhibit C of the RFA, and the PHA ~~Add-On Multiplier~~ used in the Leveraging Calculation described in Item 3 of Exhibit C if at least one of the following is met:

- (1) The Applicant has either entered into a land lease with a Public Housing Authority on property where the proposed Development is to be located or the Applicant provided an Option to Enter into a Ground Lease Agreement on property where the proposed Development is to be located; AND the property has an existing Declaration of Trust between the Public Housing Authority and HUD; or
- (2) The Applicant is associated with a Public Housing Authority and/or an instrumentality of a Public Housing Authority in the ownership structure. The Applicant should state whether any Principals of the Applicant entity are a Public Housing Authority and/or an instrumentality of a Public Housing Authority and the Public Housing Authority and/or instrumentality of a Public Housing Authority must be reflected on the Principals of the Applicant and Developer(s) Disclosure Form (Form Rev. 05-2019).

Note: For purposes of the ~~"Add-On Bonus",~~ Multiplier, the Public Housing Authority and/or instrumentality of a Public Housing Authority must not be disclosed as only the Investor Limited Partner of the Applicant or Investor Member of the Applicant.

If a Public Housing Authority has one of the above-described relationships with the Applicant, state the name of the Public Housing Authority.

3. Addenda

Use the Addenda section of Exhibit A to provide any additional information or explanatory addendum for items described in the Application, above. Please specify the particular item to which the additional information or explanatory addendum applies. The Addenda is not to be used for Impact Scoring items.

### C. Impact Scoring

~~In the descriptions below, provide a detailed response about the large-scale regional impact of the Master Development and the impact of the proposed Development as a part of the overall Master Plan. Each of the five responses must address the specific criteria identified in the corresponding description.~~

~~When scoring the impact response, the Corporation will only consider the written responses provided in Exhibit A, as well as relevant attachments. When assigning points, only the information provided for that particular prompt will be considered. Information in other scored sections will not be considered. It is recommended to account for all criteria for each response, even if it requires repeating information in multiple sections.~~

The purpose of the Impact section is for the Applicant to describe the characteristics of the large-scale regional impact that the Proposed Development will support. The objective of the Impact Scoring is for the Applicant to identify and demonstrate the formalized plan for regional impact that is the driving force behind the Proposed Development, as well as the formalized partnerships that will effectuate the plan. The significant regional impact of each answer will be reviewed based on the meaningful level of influence effectuated by the Civic, Health Care, Education, commercial and housing components serving the Master Plan that have the magnitude to positively impact a broader population base of more than one government jurisdiction. The overall impact would be measurable by the region and population size that could be served by the uses relative to the county size.

The Corporation recognizes the concept of large-scale regional impact as set forth in s. 420.50872, F.S., may be effectuated thorough different documentation mechanisms. It is assumed that a Master Plan is the driving force behind the regional impact and a Master Plan would contain or be connected to a project that implements the regional impact criteria, of which affordable housing would be a component though the Proposed Development. The

Corporation also recognizes there may be more than one Master Plan document, or documents that overlay in part that could be considered a Master Plan(s). Master Plan(s) could specifically include the criteria of regional impact, as well as the Proposed Development, or the Proposed Development may not be specifically named in the Master Plan(s), but rather included in the geographic footprint of the plan with formalized connections to the Master Plan(s). The intent for the Impact Scoring section is to provide the Applicant the maximum flexibility to respond to the required information through reference to a Master Plan(s) with the overarching objective being that the Proposed Development is not the driving force behind regional impact; but rather, the Proposed Development is a part of a larger finalized plan for regional impact.

There should be an Applicant response associated with each Impact item (1 through 5) below. The response to each impact item will be awarded up to 20 points, and the maximum number of points awarded in this section will be 100 points.

The Applicant must include a copy of the Master Plan as **Attachment 11** as well as any relevant and responsive documentation supporting the responses if not included in the Master Plan. If the Master Plan is available on a public webpage, Applicants may provide a document as **Attachment 11** containing a link to the public website where the Master Plan can be accessed and reviewed by the Corporation during the scoring process.

In addition to providing a copy of the Master Plan or a document containing a link to a public webpage containing the Master Plan as **Attachment 11**, additional documentation referenced in this section may be provided as **Attachment 12** and continue with sequentially numbered attachments for each additional document referenced in this section. Attachments will not be reviewed unless they are specifically referenced in the response. Applicants should reference the specific pages of the documents for the Corporation to review in conjunction with the response.

Responses to Items 1 – 5 below should correspond to the response criteria and with the information provided within the official Master Plan and relevant documentation, directly related to the implementation of the Master Plan and its connection to the Proposed Development.

Applications must achieve at least 87.5 percent of the total amount of points available in the RFA to be eligible for funding.

~~As stated in the Applicant Certification and Acknowledgement Form, the Corporation reserves the right to verify any and all information provided in Applicants' responses during credit underwriting. If it is determined that the Applicant submitted materially incorrect information in the Application, the Application may be deemed ineligible, and/or the Corporation may rescind the award, and all Principals of the Applicant may be subject to material misrepresentation, even if the Application was not selected for funding, was deemed ineligible, or was withdrawn. Commitments made in the following impact scoring sections will be incorporated into the Land Use Restrictive Agreements during Credit Underwriting.~~

Note: Although the online Application system allows for more pages, any portion of the description that is beyond the maximum number of pages will not be considered.~~

~~If commitments made in the following Impact scoring sections are not fulfilled, this may, if the future RFA so provides result in a point reduction in the scoring of Developer experience in future Applications in which any Principal of the Applicant, Developer, or Co-Developer is listed as a Principal in the Developer section of the Principals of the Applicant and Developer(s) Disclosure Form of the future Application.~~

B. Selection Process

1. Funding

The Corporation expects to have an estimated \$50,000,000 available for this RFA. Applications will be selected for funding only if there is enough funding available to fully fund the Eligible total SAIL Request Amount (SAIL Base Loan plus ELI Amount).

## 2. Application Sorting Order

The highest scoring Applications will be determined by first sorting together all eligible Applications ~~from highest score to lowest score, with any scores that are tied separated~~ in the following order:

- a. First, by the Application's Leveraging Classification, applying the multipliers outlined in Item 3 of Exhibit C of the RFA (with Applications having the Leveraging Level of A receiving the highest preference);
- b. By the Application's eligibility for the Florida Job Creation Funding Preference which is outlined in Item 4 of Exhibit C of the RFA (with Applications that qualify for the preference listed above Applications that do not qualify for the preference); and
- c. By lottery number, resulting in the lowest lottery number receiving preference.

## 53. The Funding Selection Process

The highest-ranking eligible unfunded Priority 1 Application(s) will be selected for funding, subject to the Funding Test.

If funding remains and none of the Priority 1 Applications can meet the Funding Test, the highest-ranking eligible unfunded Priority 2 Application(s) will be selected for funding, subject to the Funding Test.

If none of the eligible unfunded Applications can meet the Funding Test, or if there are no eligible unfunded Applications, then no further Applications will be selected for funding and the remaining funding will be distributed as approved by the Board.

## 64. Returned Funding

Funding that becomes available after the Board takes action on the Committee's recommendation(s), due to an Applicant withdrawing, an Applicant declining its invitation to enter credit underwriting or the Applicant's inability to satisfy a requirement outlined in this RFA, and/or provisions outlined in Rule Chapter 67-48, F.A.C., will be distributed as approved by the Board.

## SECTION SIX AWARD PROCESS

Committee members shall independently evaluate and score their assigned portions of the submitted Applications, consulting with non-committee Corporation staff and legal counsel as necessary and appropriate.

The Committee shall conduct at least one public meeting during which the Committee members may discuss their evaluations, select Applicants to be considered for award, and make any adjustments deemed necessary to best serve the interests of the Corporation's mission. The Committee will list the Applications deemed eligible for funding in order applying the funding selection criteria outlined in Section Five above and develop a recommendation or series of recommendations to the Board.

The Board may use the Applications, the Committee's scoring, any other information or recommendation provided by the Committee or staff, and any other information the Board deems relevant in its selection of Applicants to whom to award funding. Notwithstanding an award by the Board pursuant to this RFA, funding will be subject to a positive recommendation from the Credit Underwriter based on criteria outlined in the credit underwriting provisions in the RFA, and Rule Chapter 67-21, F.A.C., and Rule Chapter 67-48, F.A.C.

The Corporation shall provide notice of its decision, or intended decision, for this RFA on the Corporation's Website the day of the applicable Board vote. After posting, an unsuccessful Applicant may file a notice of protest and a formal written protest in accordance with Section 120.57(3), Fla. Stat., et. al. Failure to file a protest within the time prescribed in Section 120.57(3), Fla. Stat., et. al. shall constitute a waiver of proceedings under Chapter 120, Fla. Stat.

After the Board's decision to select Applicants for funding in this RFA has become final action, the Corporation shall offer all Applicants within the funding range an invitation to enter credit underwriting as outlined in subsection 67-48.0072(1), F.A.C. The Corporation shall select the Credit Underwriter for each Development.

## Exhibit C – Additional Information

### 1. Total Development Cost Limitation Test

There is a maximum Developer Fee that can be earned which is tailored for the characteristics of each Development.

#### a. Overview

(1) Maximum Developer Fee based on Percentage of Development Cost as outlined in Rule Chapter 67-21, F.A.C., and/or 67-48, F.A.C.

(2) Maximum Developer Fee Amount based on Maximum Development Cost

The Corporation will calculate the Maximum Developer Fee for each proposed Development, then compare it to the proposed Development's stated Developer Fee. The Maximum Developer Fee Amount will be the sum of the maximum Developer Fee on non-Acquisition Costs calculated in (a) below and, if applicable, the maximum Developer Fee on Building Allocation portion of Acquisition Costs ("Building Allocation") as calculated in (b) below.

(a) Maximum Development Cost upon which a Developer Fee can be Earned when there are no Building Allocation Costs

(i) Hard Cost Factor Per Unit Chart plus estimate of Soft Costs Per Unit

The Non-Acquisition Costs for purposes of determining the maximum Developer Fee are calculated by first selecting the applicable hard cost factor for each unit in the chart below then incorporating an estimate of soft costs per unit.

Hard costs are defined as the total of the actual construction costs (includes the General Contractor Construction Contract and any construction costs to be incurred outside of the General Contractor Construction Contract), the General Contractor Fee and the approved Hard Cost Contingency. These costs are representative of what is normally reported on lines A1.3 and A1.4 in the Development Cost Pro Forma in the Application. The Hard Cost Factor per Unit amounts in the chart are not a limit of the actual hard costs allowed in each Development. Each Development's actual costs may exceed these amounts, but these are the maximums used in the Developer Fee calculation.

Measure	Hard Cost Factor per New Construction Unit				
	Garden Non-ESS*	Garden ESS*	Mid-Rise-Non-ESS*	Mid-Rise-ESS*	High-Rise*
Hard Cost Factor Per Unit for all counties except Broward, Miami-Dade and Palm Beach counties	\$220233,000	\$240258,000	\$240258,000	\$270285,000	\$290310,000
Hard Cost Factor Per Unit for Broward, Miami-Dade and Palm Beach counties	\$240258,000	\$260283,000	\$260283,000	\$290310,000	\$310335,000

\* Garden includes all Development Types other than Mid-Rise and High-Rise; Non-Garden includes Development Types of Mid-Rise with elevator (4 stories, 5 stories, or 6 stories) and High-Rise (7 or more stories); Mid-Rise includes Development Types of Mid-Rise with elevator (4 stories, 5 stories, or 6 stories); and High-Rise includes Development Type of High-Rise (7 or more stories). ESS means Enhanced Structural Systems Construction.

If there is only one unit type for the entire proposed Development, the number in the chart associated with the unit type is the Hard Cost Factor Per Unit for the Development.

If there are multiple unit types, the amount associated for each unique unit type is multiplied by the number of units for that unit type, added together, and then divided by the total number of units (i.e. pro rata distribution). The result of that calculation is the Hard Cost Factor Per Unit for the Development.

**Incorporate an Estimate of Soft Costs Per Unit**

The Hard Cost Factor Per Unit for the Development is then divided by 75 percent (resulting in a maximum of hard costs and soft costs per unit when calculating the Maximum Developer Fee, prior to Add-Ons, Multipliers, and Escalation Rate.)

- (ii) Then add applicable per unit TDC Add-On(s) to the result of (i) above

PHA Add-On for means (i) Applicants that either have a land lease with a PHA for the proposed Development's location or the Applicant provided an Option to Enter into a Ground Lease Agreement on property where the proposed Development is to be located; AND the property which has a Declaration of Trust between the PHA and	\$7,500 of additional per unit costs will be added to the above Maximum TDC Per Unit
--	--

<p><u>HUD; or (ii) Applicants that have a PHA/instrumentality of a PHA as a Principal TDC Add-on for All Applicants due to known expenses related to tax-exempt bond transactions</u></p>	<p>to Applications that qualify for the PHA Add-On</p>
<p>TDC Add-on for All Applicants due to known expenses related to tax-exempt bond transactions</p>	<p>\$7,500 of additional per-unit costs will be added to the above Maximum TDC Per Unit</p>

(iii) Then divide the result of (ii) above by ~~1.0~~ the applicable TDC Multiplier(s)

<u>Non-Geographic TDC Multiplier – Any Applicant which (i) either has a land lease with a PHA for the proposed Development’s location or the Applicant provided an Option to Enter into a Ground Lease Agreement on property where the proposed Development is to be located; AND the property which has a Declaration of Trust between the PHA and HUD; or (ii) has a PHA or an instrumentality of a PHA as a Principal</u>	<u>89%</u>
<u>Geographic TDC Multiplier – Developments located north of Plantation Key (i.e., north of Tavernier Creek) in the Florida Keys Area</u>	<u>65%</u>
<u>Geographic TDC Multiplier – Developments located south of Plantation Key (i.e., north of Tavernier Creek) in the Florida Keys Area</u>	<u>50%*</u>

\*If the proposed Development consists of Scattered Sites, the 50% TDC Multiplier applies only if all the sites are located south of Tavernier Creek.

- (iv) Then multiply the result of (iii) above by the sum of 1 plus 6 percent, which represents the Escalation Factor
- (v) Then multiply this result by the total number of units within the proposed Development to achieve the Maximum Development Cost upon which a Developer Fee can be Earned when there are no Building Allocation Costs (“**Maximum Non-Acquisition Development Cost for Developer Fee**”).

To obtain the **Maximum Developer Fee Amount on non-Acquisition Costs**, multiply the result of (v) by the maximum Developer Fee percentage allowed in the RFA as described below:

- If the maximum Developer Fee percentage stated in the RFA is 16 percent, the result of the calculation above is then multiplied by 16 percent, rounded down to the nearest dollar.
- If the maximum Developer Fee percentage stated in the RFA is 18 percent, the result of the calculation above is then multiplied by 18 percent, rounded down to the nearest dollar.
- If the maximum Developer Fee percentage stated in the RFA is 21 percent, the result of the two calculations below are added together:
  - the result of the calculation is then multiplied by 16 percent, rounded down to the nearest dollar; AND
  - the result of the calculation is then multiplied by 5 percent, rounded down to the nearest dollar.

If there is no Building Allocation costs, this **Maximum Developer Fee Amount on non-Acquisition Costs** is also the **Development’s Maximum Developer Fee**. If there is Building Allocation costs, the result of the fee calculation above is added to the result of the fee calculation below to determine the **Development’s Maximum Developer Fee**.

- (b) Maximum Developer Fee Amount on Building Allocation costs, if applicable

The Building Allocation costs are comprised of a Building Allocation plus Other building acquisition related costs of the existing Development, together are typically represented by line B. in the Development Cost Pro Forma in the Application. The maximum Building Allocation is a structured calculation. Start by taking the lesser of either the appraised value of the entire property or the actual property purchase price. The lowest land cost allocation is then subtracted from this amount. The lowest land cost allocation methodology is determined as follows:

- (i) Appraised “as is” market value of the land, as if vacant;
- (i) Assessed value of the land as provided by the county property appraiser; or
- (iii) Discount the value provided in the option (a) above to account for the LURA/EUA rent restrictions existing on the property. This is done by taking the lesser of the subject property’s acquisition price, or the subject property’s appraised “as is” restricted value and dividing this amount by the “as is” market value of the property as if unrestricted. The resulting discount factor is then multiplied by the value provided in option (a).

The lesser of the result of this maximum Building Allocation calculation or the Applicant’s stated Building Allocation is then added to any other separate acquisition costs associated with the Building Allocation and this total is multiplied further based on the maximum Developer Fee percentage allowed in the RFA as described below to obtain the Maximum Developer Fee Amount on Building Allocation:

- If the maximum Developer Fee percentage stated in the RFA is 16 percent, the result of the calculation above is then multiplied by 16 percent, rounded down to the nearest dollar.
- If the maximum Developer Fee percentage stated in the RFA is 18 percent, the result of the calculation above is then multiplied by 18 percent, rounded down to the nearest dollar.
- If the maximum Developer Fee percentage stated in the RFA is 21 percent, the result of the two calculations below are added together:
  - the result of the calculation is then multiplied by 16 percent, rounded down to the nearest dollar; AND
  - the result of the calculation is then multiplied by 5 percent, rounded down to the nearest dollar.

(3) Maximum TDC Component

The Maximum TDC Component equals the Maximum Non-Acquisition Development Cost for Developer Fee (as calculated in (2)(v) above) plus the maximum Developer Fee amount on non-acquisition costs (as calculated in (a) above) and then adding, if applicable, the maximum Developer Fee amount on Building Allocation (as calculated in (b) above). The Maximum TDC Component is unique to each Development and will not change once it is calculated. It will

be used for calculations described in b. below. However, the maximum Developer Fee amount on Building Allocation costs, if applicable, can be updated at time of Final Cost Certification Application Package review when the Other building acquisition related costs of the existing Development have changed since credit underwriting. At no time will the proposed Developer Fee be allowed to exceed the total maximum Developer Fee.

- b. Determining whether adjustments to the Developer Fee and the Total Development Cost of the proposed Development are needed during Credit Underwriting

The Total Development Cost of the proposed Development (“TDC of the Proposed Development”) is often adjusted during credit underwriting and Final Cost Certification process. The steps below are performed first during the credit underwriting process and then a similar process is completed during the Final Cost Certification process as presented in c. below. Any such adjustments that occurred during these processes may affect the maximum Developer Fee allowed for the proposed Development to fluctuate.

- (1) First Review of the Developer Fee and the TDC of the Proposed Development

To review the maximum Developer Fee for the proposed Development, the Corporation will first determine if the stated Developer Fee is in compliance with the percentage Developer Fee limit and then compare the results of the calculation in a. above to the Developer Fee stated by the Applicant.

If the maximum Developer Fee calculated by the percentage Developer Fee on stated Development Costs and the maximum Developer Fee calculated in a. above is equal to or greater than the proposed Development’s stated Developer Fee, there will be no resulting deduction to the stated Developer Fee or the TDC of the Proposed Development from this first review.

If this step creates a maximum Developer Fee that is less than the proposed Development’s stated Developer Fee, the stated Developer Fee will be reduced to the maximum Developer Fee provided in this step, and the TDC of the Proposed Development will be equally reduced to incorporate this mandated cost reduction.

- (2) Second Review of the Developer Fee and the TDC of the Proposed Development

The second review will compare the proposed Development’s Maximum TDC Component and the Net TDC of the Proposed Development for these limitation purposes.

*Calculating the Net TDC of the Proposed Development*

The Net TDC of the Proposed Development is determined by taking the TDC of the Proposed Development (after any reduction in the initially stated Developer Fee as provided above) and deducting the following qualifying costs:

- the property acquisition price (building and land, which are subject to their own limits)
- demolition costs
- tenant relocation costs

- construction costs associated with the delivery of commercial/retail space, and
- any approved operating deficit reserves (ODR) that are part of the permanent phase (i.e., non-construction) financing for the Development which have not been included within the Developer fee.

*Comparison of the Development's Maximum TDC Component and the Net TDC of the Proposed Development*

If the proposed Development's Maximum TDC Component is equal to or greater than the Net TDC of the Proposed Development, the review of the Developer Fee is complete and no other reduction to the proposed Development's Developer Fee is required.

If the proposed Development's Maximum TDC Component is less than the Net TDC of the Proposed Development, the maximum Developer Fee will be reduced by the lesser of:

- (a) the actual amount that the Net TDC of the Proposed Development exceeds the Maximum TDC Component,
- (b) \$750,000, or
- (c) 25 percent of the Maximum Developer Fee calculated in a. above.

If the maximum Developer Fee calculated in this step is equal to or greater than the proposed Development's Developer Fee calculated in b.(1) above, there will be no resulting deduction to the proposed Development's Developer Fee after step b.(1) nor to the Net TDC of the Proposed Development from this second review.

If this step causes the maximum Developer Fee to be less than the proposed Development's Developer Fee calculated in b.(1) above, the proposed Development's Developer Fee will be reduced to the maximum Developer Fee calculated in this step, and the Net TDC of the Proposed Development will be equally reduced to incorporate the second mandated cost reduction.

This is the final review of the Developer Fee during credit underwriting.

- c. Reviewing the Developer Fee and the Net TDC of the Proposed Development stated in the Final Cost Certification Application Package ("FCCAP")

The Developer Fee and the Net TDC of the Proposed Development may be further adjusted when the FCCAP is processed. Any such adjustments that occur with the FCCAP may cause the maximum Developer Fee allowed for the proposed Development to either increase, as described in (3) below, or decrease, as described in (2) and (4) below. Any increase or decrease to the proposed Development's Developer Fee will cause the Net TDC of the Proposed Development to be equally increased or decreased, respectively.

Before each item below, the stated/updated Developer Fee will be tested to make sure it doesn't exceed the amount determined by multiplying the proposed Development's

stated Development Costs by the maximum Developer Fee percentage, rounded down to the nearest dollar.

(1) First Review of the Developer Fee and the TDC of the Proposed Development

*Policy when the Developer Fee was not reduced by the process described in b. above*

The proposed Development's Developer Fee initially presented in the FCCAP will be tested for compliance with the maximum Developer Fee percentage requirement.

- (a) If the Net TDC of the Proposed Development preliminarily stated in the FCCAP (after any Developer Fee compliance adjustments from above) is less than or equal to the Maximum TDC Component calculated in a. above, no adjustment to the proposed Development's Developer Fee will be required and there will not be a need for the second review.
- (b) If the Net TDC of the Proposed Development preliminarily stated in the FCCAP (after any Developer Fee compliance adjustments from above) is greater than the Maximum TDC Component calculated in a. above there will be a need for the second review process below.

*Policy when the Developer Fee was reduced by the credit underwriting process described in b. above*

- (c) If the Net TDC of the Proposed Development preliminarily stated in the FCCAP is less than or equal to the TDC reported in the final credit underwriting report, the calculations in b. above will be repeated using the Net TDC of the Proposed Development preliminarily stated in the FCCAP. This may result in an increase to the final Developer Fee from the limit imposed at time of credit underwriting during steps b.(1)-(2).
- (d) If the Net TDC of the Proposed Development preliminarily stated in the FCCAP is greater than the Net TDC of the Proposed Development reported in the final credit underwriting report, the Developer Fee stated in the FCCAP is initially capped at the maximum Developer Fee determined in b.(2) above. If the Developer Fee stated in the FCCAP is greater than the maximum Developer Fee determined in b.(2) above, the Developer Fee will be reduced to match the maximum Developer Fee and any reduction in the stated Developer Fee will have a corresponding reduction in the Net TDC of the Proposed Development. There will be a need for the second review process below.

(2) Second Review of the Developer Fee and the TDC of the Proposed Development

After the applicable step above in c.(1)(b) or c.(1)(d) is complete, the calculations described below will determine the final Developer Fee.

If the Net TDC of the Proposed Development after step (1) above is greater than the Maximum TDC Factor calculated in a. above, the maximum Developer Fee determined in b.(2) above, will be reduced by the lesser of:

- (i) the actual amount that the Net TDC of the Proposed Development exceeds the Maximum TDC Factor,
- (ii) \$350,000, or
- (iii) 10 percent of the Maximum Developer Fee calculated in (b) above.

If the maximum Developer Fee calculated in this step is equal to or greater than the Developer Fee stated in the FCCAP after c.(1) above, there will be no resulting deduction to the stated Developer Fee or the Net TDC of the Proposed Development from this review.

If this step causes the maximum Developer Fee to be less than the Developer Fee stated in the FCCAP after c.(1) above, the stated Developer Fee will be reduced to the maximum Developer Fee calculated in this step, and the Net TDC of the Proposed Development will be equally reduced to incorporate this cost reduction.

A template and training video regarding the Total Development Cost Per Unit Limitation have been made available. A link has been added to the RFA Webpage called "Total Development Cost Per Unit Limitation Information Used In RFAs". This link will take users to a new webpage with examples of this process, as well as a template, training video, and, for assistance after the review and evaluation process as explained in Section Three, F.2. of this RFA, contact information for available Florida Housing staff.

## 2. intentionally omitted

## 3. Leveraging Classification

All ~~eligible~~ Applications will be classified as either Group A, ~~Group B~~, or Group ~~C~~ based on the amount of total Corporation funding per set-aside unit.

The Corporation will calculate the total Corporation funding per set-aside unit for each Application as follows:

- a. If the Development qualifies for a Housing Credit basis boost, the amount calculated above will be multiplied by ~~1.1511~~; and
- b. If the proposed Development is located in Broward County, the amount will be multiplied by 0.88; and
- c. If the Applicant has either (i) entered into a land lease with a Public Housing Authority on property where the proposed Development is to be located or the Applicant provided an Option to Enter into a Ground Lease Agreement on property where the proposed Development is to be located; AND the property has an existing Declaration of Trust between the Public Housing Authority and HUD; or (ii) a PHA/instrumentality of a PHA as a Principal, the Application will qualify for the PHA Multiplier and the amount will also be multiplied by 0.93.

Note: More than one of the above may apply. For instance, if a. and b. and c. apply and the Development qualifies for the basis boost, the Eligible SAIL Base Request will be multiplied by ~~1.1511~~, then multiplied by 0.88 and then by 0.93.

- d. If the Development consists of any new construction units, the total Corporation funding amount calculated above will also be multiplied by a Leveraging Factor. The Leveraging Factor is calculated as follows:

Development Leveraging Multipliers							
# of new construction units	NC Garden Non-ESS	NC Garden ESS	NC Mid-Rise Non-ESS	NC Mid-Rise ESS	NC High-Rise	NC Other Non-ESS	NC Other ESS
Combined Dev Type / ESSC Multipliers	x 0.9290	x 0.80048370	x 0.8588	x 0.73958184	x 0.71347998	x 1.0	x 0.8793
Results of multiplication of each category							

To calculate the Leveraging Factor, the chart above will be used. The number of units for each category stated at 4.e. of Exhibit A will be multiplied by the applicable multiplier. The results of the multiplication will then be added together, then divided by the total number of units in the Development. The result of this calculation is the Leveraging Factor.

The Leveraging Factor is then multiplied by the total Corporation funding amount as calculated in a. – c. above. This result is the total Corporation funding amount used in e. below.

- e. The total Corporation funding amount will then be divided by the number of Set-Aside Units, resulting in the total Corporation funding per Set-Aside Unit. This calculation is provided within the Exhibit A for each Application.

- f. Assigning A/B/C Classifications

The eligible Priority 1 Applications will be listed in ascending order beginning with the Priority 1 Application that has the lowest amount of total Corporation funding per set-aside unit and ending with the Priority 1 Application that has the highest amount of total Corporation funding per set-aside unit. If any Priority 1 Applications have identical total Corporation funding per set-aside unit amounts, the Priority 1 Applications will be further sorted using lottery number, with the HIGHEST (worst) lottery number being listed first.

The total number of eligible Applications on the List will be multiplied by 60 percent and the resulting figure will be rounded up to the next whole number (the resulting figure after rounding will be referred to as the "A/B Cut Off"). A line will be drawn below the

~~Application whose place on the list is equal to the A/B Cut-Off. Applications above the A/B Cut-Off will be classified as Group A.~~

~~The total number of eligible~~The total number of Priority 1 Applications on the List will be multiplied by 80 percent and the resulting figure will be rounded up to the next whole number (the resulting figure after rounding will be referred to as the "A/B/C Cut-Off"). A line will be drawn below the Application whose place on the list is equal to the A/B/C Cut-Off. Applications above the A/B/C Cut-Off ~~that are not already classified as Group A~~ will be classified as Group BA and Priority 1 Applications below the A/B/C Cut-Off will be classified as Group CB.

This will then be repeated for all Priority 2 Applications.

#### 4. Florida Job Creation Funding Preference

Each Application will be measured to determine whether it qualifies for the Florida Job Creation Funding Preference. To determine eligibility for the preference, the Corporation will calculate the Application's Florida Job Creation score, which will reflect the number of Florida jobs per \$1,000,000 of Live Local SAIL funding. To qualify for the Florida Job Creation Funding Preference in Section Five of the RFA, all Applications must earn a Florida Job Creation score equal to or greater than the minimum requirement of 15.9541.0.

Determination of the Florida Job Creation score will be based on the following information:

- The number of new construction ~~and rehabilitation~~ units committed to by the Applicant (as stated by the Applicant in Exhibit A of the RFA);
  - The applicable Florida job creation rate of 2.9444.374 Florida Jobs per unit for proposed new construction units; and
- The Eligible Live Local SAIL Base Loan Request Amount (ELI funding will not be included).

The score for the Florida Rate of Job Creation per \$1,000,000 of Live Local SAIL funding will be measured using ~~one of the following calculations~~ calculation:

~~a. ——— Developments consisting of only new construction units:~~

Number of new construction units x 2.9444.374 Florida Jobs per unit x 1,000,000 / the Eligible Live Local SAIL Base Loan Request Amount = Florida Jobs per \$1,000,000 of Live Local SAIL funding.

For example:

Application A consists of ~~70~~300 new construction units and has an Eligible Live Local SAIL Base Request Amount of \$~~4,900~~20,000,000.

~~70~~300 x 2.9444.374 x 1,000,000 / ~~4,900~~20,000,000 = Florida Job Creation score of ~~42.06~~65.61.

~~b. ——— Developments consisting of only rehabilitation units:~~

~~Number of rehabilitation units x 1.494 Florida Jobs per unit x 1,000,000 /~~

~~In the Eligible SAIL Base Loan Request Amount = Florida Jobs per \$1,000,000 of SAIL funding.~~

~~For above example:~~

~~the Application A consists of 120 rehabilitation units and has an Eligible SAIL Request Amount of \$5,100,000.~~

~~$120 \times 1.494 \times 1,000,000 / 5,100,000 = \text{Florida Job Creation score of } 35.15.$~~

~~c. Developments consisting of both new construction units and rehabilitation units~~

~~(Number of new construction units x 2.944 Florida Jobs per unit + number of rehabilitation units x 1.494 Florida Jobs per unit) x 1,000,000 / the Eligible SAIL Base Loan Request Amount = Florida Jobs per \$1,000,000 of SAIL funding.~~

~~For example:~~

~~Application B consists of 80 new construction units and 40 rehabilitation units and has an Eligible SAIL Base Loan Request Amount of \$6,000,000.~~

~~$\{(80 \times 2.944) + (40 \times 1.494)\} \times 1,000,000 / 6,000,000 = \text{Florida Job Creation score of } 49.21.$~~

Confirmation that, if the proposed Development meets the definition of Scattered Sites, all Scattered Sites requirements that were not required to be met in the Application will be met, including that all features and amenities committed to and proposed by the Applicant that are not unit-specific shall be located on each of the Scattered Sites, or no more than 1/16 mile from the Scattered Site with the most units, or a combination of both. If the Applicant indicates that the proposed Development does not consist of Scattered Sites, but it is determined during credit underwriting that the proposed Development does meet the definition of Scattered Sites, all of the Scattered Sites requirements must have been met as of Application Deadline and, if all Scattered Sites requirements were not in place as of the Application Deadline, the Applicant's funding award will be rescinded;
- k. Provide notification of the percentage of ownership of the Principals of the Applicant. Upon the Applicant's acceptance of the invitation to enter credit underwriting, the Corporation will return the Principals of the Applicant and Developer(s) Disclosure Form that was part of the Applicant's uploaded Application. The Applicant will be required to enter the applicable percentages on the form and return the completed form to the Corporation;
- ~~l.~~ Provide. If awarded 4% Housing Credits, provide confirmation that the proposed equity amount to be paid prior to or simultaneous with the closing of construction financing is at least 15 percent of the total proposed equity to be provided (the 15 percent criteria), subject to the following:

- (1) If syndicating/selling the Housing Credits, there are two exceptions to the preceding sentence. First, if there is a bridge loan proposal within the equity proposal that provides for bridge loan proceeds that equal at least 15 percent of the amount of total proposed equity to be provided prior to or simultaneous with closing of construction financing, the 15 percent criteria will be met. Second, if there is a separate bridge loan proposal from either the equity provider, any entity that is controlled directly or indirectly by the equity provider, or a subsidiary of the equity provider's parent holding company, and the proposal explicitly proposes an amount to be provided prior to or simultaneous with the closing of construction financing that equals at least 15 percent of the total proposed equity to be paid stated in the equity proposal, the 15 percent criteria is met. Bridge loan proposals that are not within the equity proposal, though, must meet the criteria previously stated for debt financing with the exception that evidence of ability to fund does not have to be

provided. The Applicant may include the proposed amount of the bridge loan as equity proceeds on the Construction or Rehabilitation Analysis and on the Permanent Analysis (Note: this 15 percent criteria must be reflected in the limited partnership agreement or limited liability company operating agreement); or

- (2) If not syndicating/selling the Housing Credits, proceeds from a bridge loan will not count toward meeting the 15 percent criteria;
- m. If there are existing occupied units as of Application Deadline, provide to the Credit Underwriter a plan for relocation of existing tenants. The plan shall provide information regarding the relocation site; accommodations relevant to the needs of the residents and length of time residents will be displaced; moving and storage of the contents of a resident's dwelling units; as well as the approach to inform and prepare the residents for the rehabilitation activities;
- ~~n.~~ ~~fn.~~ If awarded 4% Housing Credits, and if the Applicant indicated that the proposed Development is the first phase of a multiphase Development, submit to the Corporation an opinion letter by a licensed attorney that the Development meets the definition of a "multiphase project" as defined in the Federal Register. The letter must also include: (a) the name of the declared first phase Development and the Corporation-assigned Application number, (b) the total number of phases and the projected Development name for each phase, (c) the total number of buildings in each phase, (d) the expected completion date for each phase, and (e) any other information as determined by the Corporation and stated in the invitation to enter credit underwriting;
- ~~o.~~ ~~fo.~~ If awarded 4% Housing Credits, and if the Applicant indicated that the proposed Development is a subsequent phase of a multiphase Development, the Development's status as a subsequent phase will be verified in credit underwriting. If the Development does not qualify and the Applicant's Housing Credit request is based on such contention and, during the credit underwriting process it is determined that the proposed Development does not meet the criteria for such distinction, the Applicant's Competitive Housing Credit award may be rescinded;
- ~~p.~~ ~~Providep.~~ If awarded 4% Housing Credits, provide confirmation that the limited partnership agreement or limited liability operating agreement will comply with the operating deficit reserve requirement outlined in Section Four A.10.c.(4) of the RFA; and
- q. If the Applicant applied as a Non-Profit Applicant, provide the following:
- (i) Demonstration of how the Non-Profit entity is materially and substantially participating in the predevelopment, management, and operation of the proposed Development throughout the compliance period, within the meaning of material participation as defined in 26 USC §469, 26 USC §42, by submitting the Executive Director Certification of Non-Profit Entity Material Participation form (Rev. 09-2022); and
  - (ii) Demonstration of Non-Profit entity qualifications

- (A) The IRS determination letter\* demonstrating that the Non-Profit is organized under Section 501(c)(3) or 501(c)(4) of the Internal Revenue Code; and
- (B) The articles of incorporation demonstrating that one of the purposes of the Non-Profit entity is to foster low-income housing.

\*In the event the Non-Profit entity is subject to a group exemption under the Internal Revenue Code, provide the IRS determination letter for the parent corporation, and the list of exempt entities from the IRS which includes the Non-Profit entity in this Application. If the list of exempt entities has not yet been issued by the IRS, provide a copy of the request from the parent corporation to the IRS requesting group exemption status for the Non-Profit entity named in this Application. The IRS determination letter for the parent corporation must meet the requirements of (ii)(A) above.

4. The Applicant will submit the fully executed Link MOU for the Corporation's approval within nine months of the date of the invitation to enter credit underwriting, as described in Exhibit E;
5. The credit underwriting process must be complete within the timeframe outlined in Rule Chapter 67-48, F.A.C.;
6. The SAIL loan must close within the timeframe outlined in Rule Chapter 67-48, F.A.C.;
7. By Certificate of Occupancy, the Applicant commits to participate in the statewide housing locator system, as required by the Corporation; and
8. The Credit Underwriter will provide an itemized list for additional documentation including, but not limited to, the following:
  - a. Information outlined in Rule Chapter 67-48.0072, F.A.C.;
  - b. If the Applicant indicated that the proposed Development will be assisted with funding under the RD 538 Program and expects to use such funding as a source of financing, the Section 538 Selection Letter sent to the Applicant by RD must be provided;
  - ~~c. If the Applicant indicated that it is a Self-Sourced Applicant, the evidence of ability to fund described in Section Four, A.10.c.(2)(i) of the RFA;~~
  - ed. The Construction Consultant engaged by the Corporation's credit underwriter must provide the properly completed and executed Americans with Disabilities Act Certification forms certifying that the design of the proposed Development and the completed Development includes the applicable accessibility, adaptability, Visitability and universal design features required by the Corporation and proposed by the Applicant. The Americans with Disabilities Act Certification forms (Rev. 02-20) are available on the RFA Webpage; and
  - ed. If the Applicant is requesting 4% Housing Credits that will be used with County HFA-issued Tax-Exempt Bonds and the Applicant indicates that the proposed Development is eligible for the basis boost, the Applicant will be required to provide a letter certifying the date the bond application was deemed complete.

9. The Credit Underwriter will also verify information submitted by the Applicant, including, but not limited to the following:
  - a. The Applicant's Non-Profit status, if applicable;
  - b. Each Scattered Site meets the requirements of this RFA and Section 42 of the IRC, if applicable;
  - c. The proposed Development's ability to meet the Enhanced Structural Systems Construction qualifications;
  - d. Calculation of eligible basis which may cause a reduction in the Housing Credit Allocation. This may include review of the location of buildings and whether all buildings are eligible for the eligible basis boost, if applicable;
  - e. With the exception of Developments financed with HUD Section 811 or United States Department of Agriculture RD program, Developments that have a Housing Assistance Payment and/or an Annual Contributions Contract with HUD, must demonstrate HUD approval within a Tenant Selection Plan for an owner-adopted preference or special admissions preference specifically for individuals or families who are referred by a designated Referral Agency serving the county where the Development is located;
  - f. The proposed Development's first phase or subsequent phase's status;
  - g. Review of the Total Development Cost and its effect on the Total Development Cost Per Unit Limitation and, if applicable, the SAIL Request amount.

If any of these cannot be verified, all funding awarded under this RFA may be reduced or may be rescinded if the award or the Application's eligibility status was based on such information, and/or the Applicant may be determined to have made a material misrepresentation.

## **Exhibit E – Additional requirements for the Link Units for Persons with Special Needs**

The Link to Permanent Housing Strategy (Link) enhances the ability of extremely low income (ELI) households with special needs to access and retain affordable rental housing in their communities. The Corporation requires Developers to provide a specified percentage of a Development’s ELI Set-Aside units for special needs households receiving community-based supportive services who are referred by a designated supportive services agency in the community where the Development is located. All Link units must do the following:

### **I. Link Set-Aside Requirements**

With the exception of Developments financed with HUD Section 811 or United States Department of Agriculture RD program, for the entire Compliance Period as specified in both the regulatory agreement and as stated in the RFA, the Development shall set aside the required percentage of the ELI Set-Aside units as Link Units for Persons with Special Needs. At least one member of each Link unit’s household shall be referred by a Special Needs Household Referral Agency (Referral Agency) with which the owner executes a Link Memorandum of Understanding (MOU) approved by the Corporation.

### **II. Link Memorandum of Understanding (MOU)**

The Corporation has established and maintains a list of supportive service agencies or organizations serving each county, each of which is designated as a Referral Agency. The current list of designated Special Needs Household Referral Agencies for each county is published on the Corporation’s Website under the Quick Links section at <https://www.floridahousing.org/programs/special-needs-housing-overview/serving-special-needs> (also accessible by clicking [here](#)). These agencies are statewide, regional or local organizations that administer community-based supportive services to the populations served by Link.

The MOU is a formal agreement between the owner and a Referral Agency that specifies the intent of the Link Strategy and describes the roles and responsibilities of each party to the MOU. The MOU form to be executed shall be the version most recently provided on the Corporation’s website at <https://www.floridahousing.org/programs/developers-multifamily-programs/competitive/link-units-for-persons-with-special-needs-information> (also accessible by clicking [here](#)).

- A. The owner shall execute an MOU with at least one designated Referral Agency serving the county and intended population where the Development will be located and rent units to households referred by the Referral Agency with which the MOU is executed.
- B. As stated in Exhibit D, within nine months of the date of the invitation to enter credit underwriting, submit the fully executed Link MOU for the Corporation’s approval. If the owner is unable to meet the deadline, an extension may be requested from the Corporation, and a non-refundable processing fee of \$5,000 shall be charged to the owner.
- C. Prior to execution of the MOU, but not later than 10 Calendar Days before the deadline by which the fully-executed MOU shall be received by the Corporation, the MOU form

stipulated in the applicable RFA shall be completed and reviewed by the owner and Referral Agency, and then submitted by the owner to the Corporation for review and preliminary approval.

- D. After review and preliminary approval of the MOU by the Corporation, and no later than the deadline established in the invitation to enter into credit underwriting, the owner shall provide one original fully-executed hard copy of the MOU to the Corporation. Once approved by the Corporation, the owner shall arrange for a copy of the approved MOU to be maintained on file at the site of the Development's records for compliance monitoring purposes.
- E. When the owner is noncompliant because no Referral Agency that serves the county where the Development is located is available to execute an MOU, the noncompliance shall be held in a correction period status until the earlier of (i) approval by the Corporation of an MOU executed with a new Referral Agency, or (ii) the passage of 45 Calendar Days following placement of a Referral Agency that serves the Development's county onto the Corporation's Referral Agency list.
- F. When a Referral Agency notifies the owner of its intent to terminate an MOU, the owner shall notify the Corporation of the MOU termination by email, at [Link@floridahousing.org](mailto:Link@floridahousing.org), within five Calendar Days of receiving the notification from the Referral Agency. The owner shall then select another Referral Agency for the Development's county and obtain approval from the Corporation for the MOU executed with the new Referral Agency no later than 45 Calendar Days after receipt of notification from the prior Referral Agency of its intent to terminate the MOU.
- G. When an owner intends to terminate an MOU, the owner shall repeat the process outlined in all of the steps above to obtain approval from the Corporation for a new MOU executed with another Referral Agency before termination of the prior MOU may become effective.
- H. The Corporation may require the owner to terminate an MOU with a Referral Agency if that partnership is not effective in meeting the intent of the Link Set-Aside Requirement. The owner shall execute another MOU with a new Referral Agency before terminating the MOU. The owner shall follow the process outlined in all of the steps above to obtain approval from the Corporation.

### III. Tenant Selection and Preferences

- A. Leasing Activity (Lease-up and Pre-leasing): During leasing activities, the owner shall make all units available for the intended Link households referred by the Referral Agency, until the Development's Link Set-Aside Requirement has been met. If the Development has not met its Link Set-Aside Requirement by the passing of 30 Calendar Days after the last unit is actually available for occupancy, the owner may lease the units to any eligible household.
- B. Once the Development's leasing activity is completed, a vacant unit formerly occupied by a Link household shall be held open for intended households referred by the Referral Agency for a period of 30 Calendar Days starting from the date the vacated unit is

suitable for occupancy and ready to lease. The owner shall notify the Referral Agency that a unit is available on or before the date that the vacated unit becomes suitable for occupancy and ready to lease, but no more than 30 Calendar Days before the unit is anticipated to be ready to lease. The vacated unit shall retain the Link classification until next occupied, at which time the classification of the new household shall be applied to the unit.

- C. When the Development is an Acquisition/Rehabilitation Development that is occupied at the earlier of either loan closing or site acquisition, all units (at any AMI set-aside level) that become available and are suitable for occupancy and ready to lease shall be prioritized for intended households referred by the Referral Agency until the Link requirement has been met for Developments with a Housing Assistance Payment contract and/or an Annual Contributions Contract with HUD: The waiting list section of the Tenant Selection Plan shall establish selection preferences or a section for special admissions specifically for individuals or families who are referred by a designated Referral Agency. The Tenant Selection Plan shall be submitted by the owner to the Corporation for review and preliminary approval before sending to HUD. HUD approval may take several months. HUD approval shall be demonstrated to the Corporation prior to the completion of the final credit underwriting report.
- D. Owners that have a Housing Assistance Payment Contract and/or an Annual Contributions Contract with HUD shall maintain a separate waiting list for referred applicants and prioritize these individuals for any available Link units. During and after lease-up, Referral Agency referrals must be moved in first, regardless of chronological order of the general waiting list, until all Link units are occupied with Referral Agency referrals.

### **III. Notification of the Availability of Units for Referral of Intended Link Households**

- A. The owner shall meet with the chosen Referral Agency to review the Link roles and responsibilities of each party, the household income limitation and other eligibility criteria for tenancy, household move-in expenses and on-going monthly rental payments. The meeting shall be held no less than 45 Calendar Days before the anticipated commencement of any activities related to the leasing of any unit in the Development. The owner shall maintain documentation of the meeting with the Referral Agency and shall provide a copy for review by the Corporation upon its request.
- B. Communication between the owner and the Referral Agency's designated contact person related to activities in this section shall be conducted via email. Activities that must be conducted by email are as follows:
  - 1. Requests to develop MOU with Referral Agency;

2. Draft reviews of MOUs between the parties;
  3. Final version of executed MOU;
  4. Current contact information for the contact staff designated by the owner and Referral Agency and listed in the MOU;
  5. Notifications of unit availability;
  6. Number of Calendar Days unit will be held open for referrals;
  7. Information about rental policies and eligibility criteria;
  8. Outcome of referrals;
  9. Notifications of issues or concerns that may adversely affect the tenancy of the household; and
  10. Requests for termination of MOU.
- C. The owner shall maintain a Link communication tracking log that documents: (i) the unit number of each offered unit; (ii) the date each unit was suitable for occupancy; (iii) the date of the email notice to the Referral Agency that each unit was available for rent to a Link household, including the dates of required follow up; (iv) date of response from Referral Agency, (v) Referral Agency response, (vi) outcome of referral, and (vii) number of days the unit was held open.
- D. If an owner notifies a Referral Agency that a unit is available and the Referral Agency does not respond, the owner shall contact the Referral Agency at least three times, at intervals of no less than seven Calendar Days, during the 30-day period after the initial notice of unit availability was sent to the Referral Agency. The owner shall document all notification activity on its Link communication tracking log.
- E. The owner shall notify the Referral Agency regarding the outcome of each referral within one business day after a determination is made regarding the household's eligibility to occupy the available unit.
- F. If a referral does not result in occupancy by the referred household, the 30-day holding period shall continue to allow the Referral Agency the opportunity to refer another household. The owner shall follow up with the Referral Agency at intervals of no less than seven Calendar Days during the remainder of the 30-day holding period. The owner shall document all notification activity on its Link communication tracking log.

#### **IV. Link Compliance Monitoring Documentation**

- A. The owner shall cause the following documentation to be maintained on file for compliance monitoring purposes. Such documents shall be made available for inspection by Corporation personnel or its monitoring agents at any reasonable time. The owner shall provide copies of such documents, either electronic or paper, to the

Corporation within three business days of any request by the Corporation for such copies.

1. A copy of all active MOUs approved by the Corporation;
  2. A copy of all terminated MOUs. Terminated MOUs shall be retained for seven years beyond the period of tenancy for any household referred under the particular MOU;
  3. A copy of any current correction period extensions granted by the Corporation; and
  4. Email communication with the Referral Agency demonstrating timely notification regarding the availability of units for the intended Link household, outcome of each referral, and, when an available unit was not rented to a Link household, the number of days the available unit was held open for intended Link household.
- B. The monthly Program Report submitted to the Corporation by the Development shall reflect the number of Link households residing in an ELI Set-Aside unit.
- C. The Compliance Period committed to in the RFA also includes the units set aside for the Demographic Commitments, which includes the commitments for Link and ELI Households. The affordability period committed to in the RFA includes the units set aside for ELI Households. Although the percentage of units committed to must remain in effect for the entire Compliance Period, the units designated for the Demographic Commitment and AMI commitment must not be limited to the same units throughout the Compliance Period. Doing so may cause the Development to be in non-compliance with Section 42.

- d. **Exhibit F – intentionally omitted**

## Exhibit G - Tenant Selection Requirements

A written Tenant Selection Plan must be provided that reflects the requirements described in this Exhibit which addresses the following:

- Federal Accessibility Requirements
  - Tenant Selection Criteria for All Households
- Tenant Selection Criteria for Extremely Low Income (ELI) Household  
Federal Accessibility Requirements

The Tenant Selection Plan must include a statement that the Development meets the following accessibility federal requirements, incorporating the most recent amendments, regulations, and rules:

- The Fair Housing Act as implemented by 24 CFR 100
- Section 504 of the Rehabilitation Act of 1973
- Titles II and III of the Americans with Disabilities Act of 1990 as implemented by 28 CFR 35

### Tenant Selection Criteria for All Households

#### *Screening criteria for all households*

The Applicant must adhere to the following tenant selection criteria when evaluating the eligibility of all households applying for tenancy:

- Arrest Record: The arrest record of a household member will not be considered when determining any household's application for tenancy.
- Rental Assistance: For households with publicly funded rental assistance, the income requirement will be based on the household's paid portion of the rent.

#### *Application for Tenancy*

Applicant must include and prominently place the following information in the Development's application for tenancy packet that is provided to all interested households:

- The tenant selection approach and criteria used to evaluate and determine a household's application for tenancy. The criteria under which a household was screened and evaluated, as well as the determination, must be included in each tenant household's file.
- The approach regarding a household's notification and appeal process and timeline if the household's application is rejected or determined ineligible.
- A description of reasonable accommodations or reasonable modifications for persons with disabilities, pursuant to Section 504 of the Rehabilitation Act of 1973. The description shall include accommodations that must be considered by the Development such as physical dwelling unit modifications for greater accessibility and use, as well as individualized assessments of mitigating factors related to a disability that adversely affected a household's credit, eviction, or criminal history. The description shall also include the process for requesting a reasonable accommodation, the determination approach, and decision-making timelines.

- A description of an applying household's or existing tenant's housing protections pursuant to the Violence Against Women Reauthorization Act of 2013 (VAWA). The description will include that applying households may request that the Development conduct an individualized assessment of mitigating factors related to being a victim of domestic violence, dating violence, sexual assault, and stalking that adversely affected the household's credit, eviction, or criminal history.

#### *Notification of Rejection or Ineligibility for Tenancy*

The Applicant must, at a minimum, notify any household that their application for tenancy was rejected or determined ineligible through a documented process such as a written letter or email to the address provided by the household.

- The notification will be provided to a household within 5 business days from the day the determination is made.
- The notice must include information regarding:
  - The reasons a household's application for tenancy was rejected or determined ineligible.
  - A household's right to appeal the Development's decision, as well as complete instructions regarding how a household may appeal the decision.

#### Tenant Selection Criteria for Extremely Low Income (ELI) Households

##### *Screening criteria for ELI households*

The Applicant must adhere to the following tenant selection criteria when evaluating the eligibility of a household applying for tenancy in a unit set aside for Extremely Low Income (ELI) Households:

- Credit History: The credit history related to medical expenses, cable and internet services will not be taken into consideration when conducting credit checks.
- Income Requirement Policy: The household monthly income must not be required to be more than two times the monthly rent. (e.g., if the monthly rent is \$500, the household monthly income will not be required to exceed \$1,000.)
- Evictions: The eviction history look-back period must not be more than 5 years. A household is permitted one eviction during the 5-year look-back period, unless the eviction was due to causing physical harm to development staff, tenants, or intentional property damage.

##### *ELI Tenant Application Fees and Deposits*

The Applicant must adhere to the following tenant application fees and deposits requirements for a household applying for tenancy in a unit set aside for extremely low-income households:

- It is prohibited to charge a fee to a household that is applying for tenancy in a unit that is set aside for extremely low-income households for the purposes of reserving or holding a unit.
- The application for tenancy fee will be no more than \$35 per adult in a household.
- A security deposit for new tenant households will be not more than the amount of one month's rent.

*For Development with requirements for Link/Special Needs requirements*

The Tenant Selection Plans must include a Preference in their Waiting List section. Owners must create a preference specifically for individuals or families who are referred by a Florida Housing-designated Special Needs Referral Agency. The Tenant Selection Plan must include the following language:

*This Development has adopted a preference to house X number of units of the Extremely Low Income (ELI) units within the Development to be set aside for Persons with Special Needs as defined in 420.0004(13) Florida Statutes. These set aside units are known as Link units. These units shall be set aside specifically for individuals or families who are referred by a Florida Housing-designated Referral Agency. The Development must prioritize these referred individuals for an available Link unit.*

- During and after lease-up, Referral Agency referrals must be moved in first, regardless of chronological order of the general waiting list, until all Link units are occupied with Referral Agency referrals.
- The Tenant Selection Plan shall be submitted by the Applicant to the Corporation for approval within 21 Calendar Days of the date of the invitation to enter credit underwriting.

*Properties with HUD assistance, including Project-Based Assistance, Public Housing Agencies, and those administering Public Housing Programs*

Properties that have contracts with HUD or Public Housing Authorities' rental assistance programs and also have the Florida Housing Link/Special Needs requirement must handle their waiting list to reflect both HUD and Florida Housing requirements. In order to do this, Florida Housing has determined that establishing an owner-adopted preference with a Florida Housing-designated Special Needs Referral Agency is the correct method for complying with Florida Housing and HUD requirements.

- The Waiting List section of the Tenant Selection Plan must include a preference for Special Needs households that are referred by a Florida Housing-designated Special Needs Household Referral Agency.
- HUD regulations require Tenant Selection Plans that implement preferences to have HUD approval. This is the case if there are new Plans in new properties, as well redevelopment, RAD conversions, or substantially rehabilitated properties.
- If a Development has an existing Tenant Selection Plan, Applicant must amend the Plan. Applicants are required to submit the amended Plan with the preferences to their account manager in the field office. The Plan must be sent to the Corporation for preliminary approval before sending to HUD.
