Subpart A—General Provisions

8.3 Definitions.

8.4 Discrimination prohibited.

8.5 [Reserved]

8.6 Communications.
Urban Development. This part also implements section 109 of the Housing and Community Development Act of 1974, as amended (42 U.S.C. 5309). This part does not effectuate section 504 as it applies to any program or activity conducted by the Department. Compliance with this part does not assure compliance with requirements for accessibility by physically-handicapped persons imposed under the Architectural Barriers Act of 1968 (42 U.S.C. 4151–4157; 24 CFR part 40).

(b) The policies and standards for compliance established by this part are established in contemplation of, and with a view to enforcement through, the Department’s administration of programs or activities receiving Federal financial assistance and the administrative procedures described in subparts D and E (including, without limitation, judicial enforcement under §8.57(a)).

§ 8.2 Applicability.
This part applies to all applicants for, and recipients of, HUD assistance in the operation of programs or activities receiving such assistance. Such assistance includes, but is not limited to, that which is listed in appendix A of this part.

§ 8.3 Definitions.
As used in this part:
Accessible, when used with respect to the design, construction, or alteration of a facility or a portion of a facility other than an individual dwelling unit, means that the facility or portion of the facility when designed, constructed or altered, can be approached, entered, and used by individuals with physical handicaps. The phrase accessible to and usable by is synonymous with accessible.

Accessible, when used with respect to the design, construction, or alteration of an individual dwelling unit, means that the unit is located on an accessible route and when designed, constructed, altered or adapted can be approached, entered, and used by individuals with physical handicaps. A unit that is on an accessible route and is adaptable and otherwise in compliance with the standards set forth in §8.32 is accessible within the meaning of this paragraph. When a unit in an existing facility which is being made accessible as a result of alterations is intended for use by a specific qualified individual with handicaps (e.g., a current occupant of such unit or of another unit under the control of the same recipient, or an applicant on a waiting list), the unit will be deemed accessible if it meets the requirements of applicable standards that address the particular disability or impairment of such person.

Accessible route means a continuous unobstructed path connecting accessible elements and spaces in a building or facility that complies with the space and reach requirements of applicable standards prescribed by §8.32. An accessible route that serves only accessible units occupied by persons with hearing or vision impairments need not comply with those requirements intended to effect accessibility for persons with mobility impairments.

Adaptability means the ability of certain elements of a dwelling unit, such as kitchen counters, sinks, and grab bars, to be added to, raised, lowered, or otherwise altered, to accommodate the needs of persons with or without handicaps, or to accommodate the needs of persons with different types or degrees of disability. For example, in a unit adaptable for a hearing-impaired person, the wiring for visible emergency alarms may be installed but the alarms need not be installed until such time as the unit is made ready for occupancy by a hearing-impaired person.

Alteration means any change in a facility or its permanent fixtures or equipment. It includes, but is not limited to, remodeling, renovation, rehabilitation, reconstruction, changes or rearrangements in structural parts and extraordinary repairs. It does not include normal maintenance or repairs, reroofing, interior decoration, or changes to mechanical systems.

Applicant for assistance means one who submits an application, request, plan, or statement required to be approved by a Department official or by a primary recipient as a condition of eligibility for Federal financial assistance. An application means such a request, plan or statement.
Auxiliary aids means services or devices that enable persons with impaired sensory, manual, or speaking skills to have an equal opportunity to participate in and enjoy the benefits of programs or activities receiving Federal financial assistance. For example, auxiliary aids for persons with impaired vision may include readers, Braille materials, audio recordings, and other similar services and devices. Auxiliary aids for persons with impaired hearing may include telephone handset amplifiers, telephones compatible with hearing aids, telecommunication devices for deaf persons (TDD’s), interpreters, notetakers, written materials, and other similar services and devices.

Department or HUD means the Department of Housing and Urban Development.

Facility means all or any portion of buildings, structures, equipment, roads, walks, parking lots, rolling stock or other real or personal property or interest in the property.

Federal financial assistance means any assistance provided or otherwise made available by the Department through any grant, loan, contract or any other arrangement, in the form of:

(a) Funds;
(b) Services of Federal personnel; or
(c) Real or personal property or any interest in or use of such property, including:
(1) Transfers or leases of the property for less than fair market value or for reduced consideration; and
(2) Proceeds from a subsequent transfer or lease of the property if the Federal share of its fair market value is not returned to the Federal Government.

Federal financial assistance includes community development funds in the form of proceeds from loans guaranteed under section 108 of the Housing and Community Development Act of 1974, as amended, but does not include assistance made available through direct Federal procurement contracts or payments made under these contracts or any other contract of insurance or guaranty.

Historic preservation programs or activities means programs or activities receiving Federal financial assistance that have preservation of historic properties as a primary purpose.

Historic properties means those properties that are listed or are eligible for listing in the National Register of Historic Places, or such properties designated as historic under a statute of the appropriate State or local government body.

Individual with handicaps means any person who has a physical or mental impairment that substantially limits one or more major life activities; has a record of such an impairment; or is regarded as having such an impairment. For purposes of employment, this term does not include: Any individual who is an alcoholic or drug abuser whose current use of alcohol or drugs prevents the individual from performing the duties of the job in question, or whose employment, by reason of current alcohol or drug abuse, would constitute a direct threat to property or the safety of others; or any individual who has a currently contagious disease or infection and who, by reason of such disease or infection, would constitute a direct threat to the health or safety of other individuals or who, by reason of the currently contagious disease or infection, is unable to perform the duties of the job. For purposes of other programs and activities, the term does not include any individual who is an alcoholic or drug abuser whose current use of alcohol or drugs prevents the individual from participating in the program or activity in question, or whose participation, by reason of such current alcohol or drug abuse, would constitute a direct threat to property or the safety of others. As used in this definition, the phrase:
(a) Physical or mental impairment includes:
(3) Any physiological disorder or condition, cosmetic disfigurement, or anatomical loss affecting one or more of the following body systems: Neurological; musculoskeletal; special sense organs; respiratory, including speech organs; cardiovascular; reproductive; digestive; genito-urinary; hemic and lymphatic; skin; and endocrine; or
(2) Any mental or psychological disorder, such as mental retardation, organic brain syndrome, emotional or mental illness, and specific learning disabilities. The term physical or mental impairment includes, but is not limited to, such diseases and conditions as orthopedic, visual, speech and hearing impairments, cerebral palsy, autism, epilepsy, muscular dystrophy, multiple sclerosis, cancer, heart disease, diabetes, mental retardation, emotional illness, drug addiction and alcoholism.

(b) Major life activities means functions such as caring for one's self, performing manual tasks, walking, seeing, hearing, speaking, breathing, learning and working.

(c) Has a record of such an impairment means has a history of, or has been misclassified as having, a mental or physical impairment that substantially limits one or more major life activities.

(d) Is regarded as having an impairment means:

(1) Has a physical or mental impairment that does not substantially limit one or more major life activities but that is treated by a recipient as constituting such a limitation;

(2) Has a physical or mental impairment that substantially limits one or more major life activities only as a result of the attitudes of others toward such impairment; or

(3) Has none of the impairments defined in paragraph (a) of this section but is treated by a recipient as having such an impairment.

Multifamily housing project means a project containing five or more dwelling units.

Primary recipient means a person, group, organization, State or local unit of government that is authorized or required to extend Federal financial assistance to another recipient for the purpose of carrying out a program or activity.

Program or activity means all of the operations of:

(a)(1) A department, agency, special purpose district, or other instrumentality of a State or of a local government; or

(b)(1) A college, university, or other post-secondary institution, or a public system of higher education; or

(2) A local educational agency (as defined in section 198(a)(10) of the Elementary and Secondary Education Act of 1965), system of vocational education, or other school system;

(c)(1) An entire corporation, partnership, or other private organization, or an entire sole proprietorship—

(i) If assistance is extended to such corporation, partnership, private organization, or sole proprietorship as a whole; or

(ii) Which is principally engaged in the business of providing education, health care, housing, social services, or parks and recreation; or

(2) The entire plant or other comparable, geographically separate facility to which Federal financial assistance is extended, in the case of any other corporation, partnership, private organization, or sole proprietorship; or

(d) Any other entity which is established by two or more of the entities described in paragraphs (a), (b), or (c) of this section; any part of which is extended Federal financial assistance.

Project means the whole of one or more residential structures and appurtenant structures, equipment, roads, walks, and parking lots which are covered by a single contract for Federal financial assistance or application for assistance, or are treated as a whole for processing purposes, whether or not located on a common site.

Qualified individual with handicaps means:

(a) With respect to employment, an individual with handicaps who, with reasonable accommodation, can perform the essential functions of the job in question; and

(b) With respect to any non-employment program or activity which requires a person to perform services or to achieve a level of accomplishment, an individual with handicaps who meets the essential eligibility requirements and who can achieve the purpose...
§ 8.4  Discrimination prohibited.

(a) No qualified individual with handicaps shall, solely on the basis of handicap, be excluded from participation in, be denied the benefits of, or otherwise be subjected to discrimination under any program or activity that receives Federal financial assistance from the Department.

(b)(1) A recipient, in providing any housing, aid, benefit, or service in a program or activity that receives Federal financial assistance from the Department may not, directly or through contractual, licensing, or other arrangements, solely on the basis of handicap:

(i) Deny a qualified individual with handicaps the opportunity to participate in, or benefit from, the housing, aid, benefit, or service;

(ii) Afford a qualified individual with handicaps an opportunity to participate in, or benefit from, the housing, aid, benefit, or service that is not equal to that afforded to others;

(iii) Provide a qualified individual with handicaps an opportunity to participate in, or benefit from, the housing, aid, benefit, or service that is not as effective in affording the individual an equal opportunity to obtain the same result, to gain the same benefit, or to reach the same level of achievement as that provided to others;

(iv) Provide different or separate housing, aid, benefits, or services to individuals with handicaps or to any class of individuals with handicaps from that provided to others unless
such action is necessary to provide qualified individuals with handicaps with housing, aid, benefits, or services that are as effective as those provided to others.

(v) Aid or perpetuate discrimination against a qualified individual with handicaps by providing significant assistance to an agency, organization, or person that discriminates on the basis of handicap in providing any housing, aid, benefit, or service to beneficiaries in the recipient’s federally assisted program or activity;

(vi) Deny a qualified individual with handicaps the opportunity to participate as a member of planning or advisory boards;

(vii) Deny a dwelling to an otherwise qualified buyer or renter because of a handicap of that buyer or renter or a person residing in or intending and eligible to reside in that dwelling after it is sold, rented or made available; or

(viii) Otherwise limit a qualified individual with handicaps in the enjoyment of any right, privilege, advantage, or opportunity enjoyed by other qualified individuals receiving the housing, aid, benefit, or service.

(2) For purposes of this part, housing, aids, benefits, and services, to be equally effective, are not required to produce the identical result or level of achievement for individuals with handicaps and non-handicapped persons, but must afford individuals with handicaps equal opportunity to obtain the same result, to gain the same benefit, or to reach the same level of achievement.

(3) A recipient may not deny a qualified individual with handicaps the opportunity to participate in any federally assisted program or activity that is not separate or different despite the existence of permissibly separate or different programs or activities.

(4) In any program or activity receiving Federal financial assistance from the Department, a recipient may not, directly or through contractual or other arrangements, utilize criteria or methods of administration the purpose or effect of which would:

(i) Subject qualified individuals with handicaps to discrimination solely on the basis of handicap;

(ii) Defeat or substantially impair the accomplishment of the objectives of the recipient’s federally assisted program or activity for qualified individuals with a particular handicap involved in the program or activity, unless the recipient can demonstrate that the criteria or methods of administration are manifestly related to the accomplishment of an objective of a program or activity; or

(iii) Perpetuate the discrimination of another recipient if both recipients are subject to common administrative control or are agencies of the same State.

(5) In determining the site or location of a federally assisted facility, an applicant for assistance or a recipient may not make selections the purpose or effect of which would:

(i) Exclude qualified individuals with handicaps from, deny them the benefits of, or otherwise subject them to discrimination under, any program or activity that receives Federal financial assistance from the Department, or

(ii) Defeat or substantially impair the accomplishment of the objectives of the program or activity with respect to qualified individuals with handicaps.

(6) As used in this section, the housing, aid, benefit, or service provided under a program or activity receiving Federal financial assistance includes any housing, aid, benefit, or service provided in or through a facility that has been constructed, altered, leased or rented, or otherwise acquired, in whole or in part, with Federal financial assistance.

(c)(1) Non-handicapped persons may be excluded from the benefits of a program if the program is limited by Federal statute or executive order to individuals with handicaps. A specific class of individuals with handicaps may be excluded from a program if the program is limited by Federal statute or Executive order to a different class of individuals.

(ii) As used in this section, the housing, aid, benefit, or service provided under a program or activity receiving Federal financial assistance includes any housing, aid, benefit, or service provided in or through a facility that has been constructed, altered, leased or rented, or otherwise acquired, in whole or in part, with Federal financial assistance.

(ii) Certain Department programs operate under statutory definitions of handicapped person that are more restrictive than the definition of individual with handicaps contained in § 8.3 (see appendix B). Those definitions are not superseded or otherwise affected by this regulation.
§ 8.5

(d) Recipients shall administer programs and activities receiving Federal financial assistance in the most integrated setting appropriate to the needs of qualified individuals with handicaps.

(e) The obligation to comply with this part is not obviated or alleviated by any State or local law or other requirement that, based on handicap, imposes inconsistent or contradictory prohibitions or limits upon the eligibility of qualified individuals with handicaps to receive services or to practice any occupation or profession.

(f) The enumeration of specific forms of prohibited discrimination in paragraphs (b) through (e) of this section does not limit the general prohibition in paragraph (a) of this section.

§ 8.6 Communications.

(a) The recipient shall take appropriate steps to ensure effective communication with applicants, beneficiaries, and members of the public.

(i) The recipient shall furnish appropriate auxiliary aids where necessary to afford an individual with handicaps an equal opportunity to participate in, and enjoy the benefits of, a program or activity receiving Federal financial assistance.

(ii) In determining what auxiliary aids are necessary, the recipient shall give primary consideration to the requests of the individual with handicaps.

(ii) The recipient is not required to provide individually prescribed devices, readers for personal use or study, or other devices of a personal nature.

(2) Where a recipient communicates with applicants and beneficiaries by telephone, telecommunication devices for deaf persons (TDD’s) or equally effective communication systems shall be used.

(b) The recipient shall adopt and implement procedures to ensure that interested persons (including persons with impaired vision or hearing) can obtain information concerning the existence and location of accessible services, activities, and facilities.

§ 8.10 General prohibitions against employment discrimination.

(a) No qualified individual with handicaps shall, solely on the basis of handicap, be subjected to discrimination in employment under any program or activity that receives Federal financial assistance from the Department.

(b) A recipient may not limit, segregate, or classify applicants or employees in any way that adversely affects their opportunities or status because of handicap.

(c) The prohibition against discrimination in employment applies to the following activities:

(1) Recruitment, advertising, and the processing of applications for employment;

(2) Hiring, upgrading, promotion, award of tenure, demotion, transfer, layoff, termination, right of return from layoff, injury or illness, and rehiring;

(3) Rates of pay or any other form of compensation and changes in compensation;

(4) Job assignments, job classifications, organizational structures, position descriptions, lines of progression, and seniority lists;

(5) Leaves of absence, sick leave, or any other leave;

(6) Fringe benefits available by virtue of employment, whether or not administered by the recipient;

(7) Selection and financial support for training, including apprenticeship, professional meetings, conferences, and
other related activities, and selection for leaves of absence for training;
(8) Employer sponsored activities, including social or recreational programs; and
(9) Any other term, condition, or privilege of employment.
(d) A recipient may not participate in a contractual or other relationship that has the effect of subjecting qualified applicants with handicaps or employees with handicaps to discrimination prohibited by this subpart. The relationships referred to in this paragraph (d) include relationships with employment and referral agencies, labor unions, organizations providing or administering fringe benefits to employees of the recipient, and organizations providing training and apprenticeship programs.

§ 8.11 Reasonable accommodation.
(a) A recipient shall make reasonable accommodation to the known physical or mental limitations of an otherwise qualified applicant with handicaps or employee with handicaps, unless the recipient can demonstrate that the accommodation would impose an undue hardship on the operation of its program.
(b) Reasonable accommodation may include:
(1) Making facilities used by employees accessible to and usable by individuals with handicaps and
(2) Job restructuring, job relocation, part-time or modified work schedules, acquisitions or modification of equipment or devices, the provision of readers or interpreters, and other similar actions.
(c) In determining, under paragraph (a) of this section, whether an accommodation would impose an undue hardship on the operation of a recipient's program, factors to be considered include:
(1) The overall size of the recipient's program with respect to number of employees, number and type of facilities, and size of budget;
(2) The type of the recipient's operation, including the composition and structure of the recipient's workforce; and
(3) The nature and cost of the accommodation needed.
(d) A recipient may not deny any employment opportunity to a qualified handicapped employee or applicant if the basis for the denial is the need to make reasonable accommodation to the physical or mental limitations of the employee or applicant.

§ 8.12 Employment criteria.
(a) A recipient may not use any employment test or other selection criterion that screens out or tends to screen out individuals with handicaps or any class of individuals with handicaps unless:
(1) The recipient demonstrates that the test score or other selection criterion, as used by the recipient, is job-related for the position in question; and
(2) The appropriate HUD official demonstrates that alternative job-related tests or criteria that tend to screen out fewer individuals with handicaps are unavailable.
(b) A recipient shall select and administer tests concerning employment to ensure that, when administered to an applicant or employee who has a handicap that impairs sensory, manual, or speaking skills, the test results accurately reflect the applicant's or employee's job skills, aptitude, or whatever other factor the test purports to measure, rather than the applicant's or employee's impaired sensory, manual, or speaking skills (except where those skills are the factors that the test purports to measure).

§ 8.13 Preemployment inquiries.
(a) Except as provided in paragraphs (b) and (c) of this section, a recipient may not make a preemployment inquiry or conduct a preemployment medical examination of an applicant to determine whether the applicant is an individual with handicaps or the nature or severity of a handicap. A recipient may, however, make preemployment inquiry into an applicant's ability to perform job-related functions.
(b) When a recipient is undertaking affirmative action efforts, voluntary or otherwise, the recipient may invite applicants for employment to indicate whether and to what extent they are handicapped, if the following conditions are met:
§ 8.20 General requirement concerning program accessibility.

Except as otherwise provided in §§8.21(c)(1), 8.24(a), 8.25, and 8.31, no qualified individual with handicaps shall, because a recipient’s facilities are inaccessible to or unusable by individuals with handicaps, be denied the benefits of, be excluded from participation in, or otherwise be subjected to discrimination under any program or activity that receives Federal financial assistance.

§ 8.21 Non-housing facilities.

(a) New construction. New non-housing facilities shall be designed and constructed to be readily accessible to and usable by individuals with handicaps.

(b) Alterations to facilities. Alterations to existing non-housing facilities shall, to the maximum extent feasible, be made to be readily accessible to and usable by individuals with handicaps. For purposes of this paragraph, the phrase to the maximum extent feasible shall not be interpreted as requiring that a recipient make a non-housing facility, or element thereof, accessible if doing so would impose undue financial and administrative burdens on the operation of the recipient’s program or activity.

(c) Existing non-housing facilities—(1) General. A recipient shall operate each non-housing program or activity receiving Federal financial assistance so that the program or activity, when viewed in its entirety, is readily accessible to and usable by individuals with handicaps.

(2) Methods—(i) General. A recipient may comply with the requirements of

Subpart C—Program Accessibility

§ 8.20 General requirement concerning program accessibility.

Except as otherwise provided in §§8.21(c)(1), 8.24(a), 8.25, and 8.31, no qualified individual with handicaps shall, because a recipient’s facilities are inaccessible to or unusable by individuals with handicaps, be denied the benefits of, be excluded from participation in, or otherwise be subjected to discrimination under any program or activity that receives Federal financial assistance.

§ 8.21 Non-housing facilities.

(a) New construction. New non-housing facilities shall be designed and constructed to be readily accessible to and usable by individuals with handicaps.

(b) Alterations to facilities. Alterations to existing non-housing facilities shall, to the maximum extent feasible, be made to be readily accessible to and usable by individuals with handicaps. For purposes of this paragraph, the phrase to the maximum extent feasible shall not be interpreted as requiring that a recipient make a non-housing facility, or element thereof, accessible if doing so would impose undue financial and administrative burdens on the operation of the recipient’s program or activity.

(c) Existing non-housing facilities—(1) General. A recipient shall operate each non-housing program or activity receiving Federal financial assistance so that the program or activity, when viewed in its entirety, is readily accessible to and usable by individuals with handicaps.

(2) Methods—(i) General. A recipient may comply with the requirements of

Subpart C—Program Accessibility

§ 8.20 General requirement concerning program accessibility.

Except as otherwise provided in §§8.21(c)(1), 8.24(a), 8.25, and 8.31, no qualified individual with handicaps shall, because a recipient’s facilities are inaccessible to or unusable by individuals with handicaps, be denied the benefits of, be excluded from participation in, or otherwise be subjected to discrimination under any program or activity that receives Federal financial assistance.

§ 8.21 Non-housing facilities.

(a) New construction. New non-housing facilities shall be designed and constructed to be readily accessible to and usable by individuals with handicaps.

(b) Alterations to facilities. Alterations to existing non-housing facilities shall, to the maximum extent feasible, be made to be readily accessible to and usable by individuals with handicaps. For purposes of this paragraph, the phrase to the maximum extent feasible shall not be interpreted as requiring that a recipient make a non-housing facility, or element thereof, accessible if doing so would impose undue financial and administrative burdens on the operation of the recipient’s program or activity.

(c) Existing non-housing facilities—(1) General. A recipient shall operate each non-housing program or activity receiving Federal financial assistance so that the program or activity, when viewed in its entirety, is readily accessible to and usable by individuals with handicaps.

(2) Methods—(i) General. A recipient may comply with the requirements of
this section in its programs and activities receiving Federal financial assistance through such means as location of programs or services to accessible facilities or accessible portions of facilities, assignment of aides to beneficiaries, home visits, the addition or redesign of equipment (e.g., appliances or furnishings) changes in management policies or procedures, acquisition or construction of additional facilities, or alterations to existing facilities on a selective basis, or any other methods that result in making its program or activity accessible to individuals with handicaps. A recipient is not required to make structural changes in existing facilities where other methods are effective in achieving compliance with this section. In choosing among available methods for meeting the requirements of this section, the recipient shall give priority to those methods that offer programs and activities to qualified individuals with handicaps in the most integrated setting appropriate.

(ii) Historic preservation programs or activities. In meeting the requirements of §8.21(c) in historic preservation programs or activities, a recipient shall give priority to methods that provide physical access to individuals with handicaps. In cases where a physical alteration to an historic property is not required because of §8.21(c)(1)(ii) or (iii), alternative methods of achieving program accessibility include using audio-visual materials and devices to depict those portions of an historic property that cannot otherwise be made accessible; assigning persons to guide individuals with handicaps into or through portions of historic properties that cannot otherwise be made accessible; or adopting other innovative methods.

(3) Time period for compliance. The recipient shall comply with the obligations established under this section within sixty days of July 11, 1988, except that where structural changes in facilities are undertaken, such changes shall be made within three years of July 11, 1988, but in any event as expeditiously as possible.

(4) Transition plan. If structural changes to non-housing facilities will be undertaken to achieve program accessibility, a recipient shall develop, within six months of July 11, 1988, a transition plan setting forth the steps necessary to complete such changes. The plan shall be developed with the assistance of interested persons, including individuals with handicaps or organizations representing individuals with handicaps. A copy of the transition plan shall be made available for public inspection. The plan shall, at a minimum—

(i) Identify physical obstacles in the recipient's facilities that limit the accessibility of its programs or activities to individuals with handicaps;

(ii) Describe in detail the methods that will be used to make the facilities accessible;

(iii) Specify the schedule for taking the steps necessary to achieve compliance with this section and, if the time period of the transition plan is longer than one year, identify steps that will be taken during each year of the transition period;

(iv) Indicate the official responsible for implementation of the plan; and

(v) Identify the persons or groups with whose assistance the plan was prepared.

(Authorized by the Office of Management and Budget under control number 2529–0034)

one unit) in such a project shall be accessible for persons with hearing or vision impairments.

(c) HUD may prescribe a higher percentage or number than that prescribed in paragraph (b) of this section for any area upon request therefor by any affected recipient or by any State or local government or agency thereof based upon demonstration to the reasonable satisfaction of HUD of a need for a higher percentage or number, based on census data or other available current data (including a currently effective Housing Assistance Plan or Comprehensive Homeless Assistance Plan), or in response to evidence of a need for a higher percentage or number received in any other manner. In reviewing such request or otherwise assessing the existence of such needs, HUD shall take into account the expected needs of eligible persons with and without handicaps.

[53 FR 20233, June 2, 1988, as amended at 56 FR 920, Jan. 9, 1991]

§ 8.23 Alterations of existing housing facilities.

(a) Substantial alteration. If alterations are undertaken to a project (including a public housing project as required by §8.25(a)(2)) that has 15 or more units and the cost of the alterations is 75 percent or more of the replacement cost of the completed facility, then the provisions of §8.22 shall apply.

(b) Other alterations. (1) Subject to paragraph (b)(2) of this section, alterations to dwelling units in a multifamily housing project (including public housing) shall, to the maximum extent feasible, be made to be accessible to and usable by individuals with handicaps. If alterations of single elements or spaces of a dwelling unit, when considered together, amount to an alteration of a dwelling unit, the entire dwelling unit shall be made accessible. Once five percent of the dwelling units in a project are readily accessible to and usable by individuals with mobility impairments, then no additional elements of dwelling units, or entire dwelling units, are required to be accessible under this paragraph. Alterations to common areas or parts of facilities that affect accessibility of existing housing facilities shall, to the maximum extent feasible, be made to be accessible to and usable by individuals with handicaps. For purposes of this paragraph, the phrase to the maximum extent feasible shall not be interpreted as requiring that a recipient (including a PHA) make a dwelling unit, common area, facility or element thereof accessible if doing so would impose undue financial and administrative burdens on the operation of the multifamily housing project.

(2) HUD may prescribe a higher percentage or number than that prescribed in paragraph (b)(1) of this section for any area upon request therefor by any affected recipient or by any State or local government or agency thereof based upon demonstration to the reasonable satisfaction of HUD of a need for a higher percentage or number, based on census data or other available current data (including a currently effective Housing Assistance Plan or Comprehensive Homeless Assistance Plan), or in response to evidence of a need for a higher percentage or number received in any other manner. In reviewing such request or otherwise assessing the existence of such needs, HUD shall take into account the expected needs of eligible persons with and without handicaps.

§ 8.24 Existing housing programs.

(a) General. A recipient shall operate each existing housing program or activity receiving Federal financial assistance so that the program or activity, when viewed in its entirety, is readily accessible to and usable by individuals with handicaps. This paragraph does not—

(1) Necessarily require a recipient to make each of its existing facilities accessible to and usable by individuals with handicaps;

(2) Require a recipient to take any action that it can demonstrate would result in a fundamental alteration in the nature of its program or activity or in undue financial and administrative burdens. If an action would result in such an alteration or such burdens, the recipient shall take any action that would not result in such an alteration or such burdens but would nevertheless ensure that individuals with handicaps
receive the benefits and services of the program or activity.

(b) Methods. A recipient may comply with the requirements of this section through such means as reassignment of services to accessible buildings, assignment of aides to beneficiaries, provision of housing or related services at alternate accessible sites, alteration of existing facilities and construction of new facilities, or any other methods that result in making its programs or activities readily accessible to and usable by individuals with handicaps. A recipient is not required to make structural changes in existing housing facilities where other methods are effective in achieving compliance with this section or to provide supportive services that are not part of the program. In choosing among available methods for meeting the requirements of this section, the recipient shall give priority to those methods that offer programs and activities to qualified individuals with handicaps in the most integrated setting appropriate.

(c) Time period for compliance. The recipient shall comply with the obligations established under this section within sixty days of July 11, 1988 except that—

(1) In a public housing program where structural changes in facilities are undertaken, such changes shall be made within the timeframes established in §8.25(c).

(2) In other housing programs, where structural changes in facilities are undertaken, such changes shall be made within three years of July 11, 1988, but in any event as expeditiously as possible.

(d) Transition plan and time period for structural changes. Except as provided in §8.25(c), in the event that structural changes to facilities will be undertaken to achieve program accessibility, a recipient shall develop, within six months of July 11, 1988, a transition plan setting forth the steps necessary to complete such changes. The plan shall be developed with the assistance of interested persons, including individuals with handicaps or organizations representing individuals with handicaps. A copy of the transition plan shall be made available for public inspection. The plan shall, at a minimum—

(1) Identify physical obstacles in the recipient’s facilities that limit the accessibility of its programs or activities to individuals with handicaps;

(2) Describe in detail the methods that will be used to make the facilities accessible;

(3) Specify the schedule for taking the steps necessary to achieve compliance with this section and, if the time period of the transition plan is longer than one year, identify steps that will be taken during each year of the transition period;

(4) Indicate the official responsible for implementation of the plan; and

(5) Identify the persons or groups with whose assistance the plan was prepared.

§ 8.25 Public housing and multi-family Indian housing.

(a) Development and alteration of public housing and multi-family Indian housing. (1) The requirements of §8.22 shall apply to all newly constructed public housing and multi-family Indian housing.

(2) The requirements of §8.23 shall apply to public housing and multi-family Indian housing developed through rehabilitation and to the alteration of public housing and multi-family Indian housing.

(3) In developing public housing and multi-family Indian housing through the purchase of existing properties PHAs and IHAs shall give priority to facilities which are readily accessible to and usable by individuals with handicaps.

(b) Existing public housing and multi-family Indian housing—general. The requirements of §8.24(a) shall apply to public housing and multi-family Indian housing programs.

(c) Existing public housing and multi-family Indian housing—needs assessment and transition plan. As soon as possible, each PHA (for the purpose of this paragraph, this includes an Indian Housing Authority) shall assess, on a PHA-wide
§ 8.26 Distribution of accessible dwelling units.

Accessible dwelling units required by §§ 8.22, 8.23, 8.24 or 8.25 shall, to the maximum extent feasible and subject to reasonable health and safety requirements, be distributed throughout projects and sites and shall be available in a sufficient range of sizes and amenities so that a qualified individual with handicaps’ choice of living arrangements is, as a whole, comparable to that of other persons eligible for

basis, the needs of current tenants and applicants on its waiting list for accessible units and the extent to which such needs have not been met or cannot reasonably be met within four years through development, alterations otherwise contemplated, or other programs administered by the PHA (e.g., Section 8 Moderate Rehabilitation or Section 8 Existing Housing or Housing Vouchers). If the PHA currently has no accessible units or if the PHA or HUD determines that information regarding the availability of accessible units has not been communicated sufficiently so that, as a result, the number of eligible qualified individuals with handicaps on the waiting list is not fairly representative of the number of such persons in the area, the PHA’s assessment shall include the needs of eligible qualified individuals with handicaps in the area. If the PHA determines, on the basis of such assessment, that there is no need for additional accessible dwelling units or that the need is being or will be met within four years through other means, such as new construction, Section 8 or alterations otherwise contemplated, no further action is required by the PHA under this paragraph. If the PHA determines, on the basis of its needs assessment, that alterations to make additional units accessible must be made so that the needs of eligible qualified individuals with handicaps may be accommodated proportionally to the needs of non-handicapped individuals in the same categories, then the PHA shall develop a transition plan to achieve program accessibility. The PHA shall complete the needs assessment and transition plan, if necessary, provide in its plan that it will seek HUD approval, under 24 CFR part 988, of a comprehensive modernization program to meet the needs of eligible individuals with handicaps;

(1) Identify physical obstacles in the PHA’s facilities (e.g., dwelling units and common areas) that limit the accessibility of its programs or activities to individuals with handicaps;

(2) Describe in detail the methods that will be used to make the PHA’s facilities accessible. A PHA may, if necessary, provide in its plan that it will seek HUD approval, under 24 CFR part 968, of a comprehensive modernization program to meet the needs of eligible individuals with handicaps;

(3) Specify the schedule for taking the steps necessary to achieve compliance with this section and, if the time of the transition plan is longer than one year, identify steps that will be taken during each year of the transition period;

(4) Indicate the official responsible for implementation of the plan; and

(5) Identify the persons or groups with whose assistance the plan was prepared.

housing assistance under the same program. This provision shall not be construed to require provision of an elevator in any multifamily housing project solely for the purpose of permitting location of accessible units above or below the accessible grade level.

**§ 8.27 Occupancy of accessible dwelling units.**

(a) Owners and managers of multifamily housing projects having accessible units shall adopt suitable means to assure that information regarding the availability of accessible units reaches eligible individuals with handicaps, and shall take reasonable nondiscriminatory steps to maximize the utilization of such units by eligible individuals whose disability requires the accessibility features of the particular unit. To this end, when an accessible unit becomes vacant, the owner or manager before offering such units to a non-handicapped applicant shall offer such unit:

(1) First, to a current occupant of another unit of the same project, or comparable projects under common control, having handicaps requiring the accessibility features of the vacant unit and occupying a unit not having such features, or, if no such occupant exists, then

(2) Second, to an eligible qualified applicant on the waiting list having a handicap requiring the accessibility features of the vacant unit.

(b) When offering an accessible unit to an applicant not having handicaps requiring the accessibility features of the unit, the owner or manager may require the applicant to agree (and may incorporate this agreement in the lease) to move to a non-accessible unit when available.

**§ 8.28 Housing certificate and housing voucher programs.**

(a) In carrying out the requirements of this subpart, a recipient administering a Section 8 Existing Housing Certificate program or a housing voucher program shall:

(1) In providing notice of the availability and nature of housing assistance for low-income families under program requirements, adopt suitable means to assure that the notice reaches eligible individuals with handicaps;

(2) In its activities to encourage participation by owners, include encouragement of participation by owners having accessible units;

(3) When issuing a Housing Certificate or Housing Voucher to a family which includes an individual with handicaps include a current listing of available accessible units known to the PHA and, if necessary, otherwise assist the family in locating an available accessible dwelling unit;

(4) Take into account the special problem of ability to locate an accessible unit when considering requests by eligible individuals with handicaps for extensions of Housing Certificates or Housing Vouchers; and

(5) If necessary as a reasonable accommodation for a person with disabilities, approve a family request for an exception rent under §982.504(b)(2) for a regular tenancy under the Section 8 certificate program so that the program is readily accessible to and usable by persons with disabilities.

(b) In order to ensure that participating owners do not discriminate in the recipient’s federally assisted program, a recipient shall enter into a HUD-approved contract with participating owners, which contract shall include necessary assurances of nondiscrimination.

**§ 8.29 Homeownership programs (sections 235(i) and 235(j), Turnkey III and Indian housing mutual self-help programs).**

Any housing units newly constructed or rehabilitated for purchase or single family (including semi-detached and attached) units to be constructed or rehabilitated in a program or activity receiving Federal financial assistance shall be made accessible upon request of the prospective buyer if the nature of the handicap of an expected occupant so requires. In such case, the buyer shall consult with the seller or builder/sponsor regarding the specific design features to be provided. If accessibility features selected at the option of the homebuyer are ones covered by the standards prescribed by §8.32, those
features shall comply with the standards prescribed in §8.32. The buyer shall be permitted to depart from particular specifications of these standards in order to accommodate his or her specific handicap. The cost of making a facility accessible under this paragraph may be included in the mortgage amount within the allowable mortgage limits, where applicable. To the extent such costs exceed allowable mortgage limits, they may be passed on to the prospective homebuyer, subject to maximum sales price limitations (see 24 CFR 235.320.)

§ 8.30 Rental rehabilitation program.

Each grantee or state recipient in the rental rehabilitation program shall, subject to the priority in 24 CFR 511.10(l) and in accordance with other requirements in 24 CFR part 511, give priority to the selection of projects that will result in dwelling units being made readily accessible to and usable by individuals with handicaps.

§ 8.31 Historic properties.

If historic properties become subject to alterations to which this part applies the requirements of §4.1.7 of the standards of §8.32 of this part shall apply, except in the case of the Urban Development Action Grant (UDAG) program. In the UDAG program the requirements of 36 CFR part 801 shall apply. Accessibility to historic properties subject to alterations need not be provided if such accessibility would substantially impair the significant historic features of the property or result in undue financial and administrative burdens.

§ 8.32 Accessibility standards.

(a) Effective as of July 11, 1988, design, construction, or alteration of buildings in conformance with sections 3-8 of the Uniform Federal Accessibility Standards (UFAS) shall be deemed to comply with the requirements of §§8.21, 8.22, 8.23, and 8.25 with respect to those buildings. Departures from particular technical and scoping requirements of the UFAS by the use of other methods are permitted where substantially equivalent or greater access to and usability of the building is provided. The alteration of housing facilities shall also be in conformance with additional scoping requirements contained in this part. Persons interested in obtaining a copy of the UFAS are directed to §40.7 of this title.

(b) For purposes of this section, section 4.1.6(1)(g) of UFAS shall be interpreted to exempt from the requirements of UFAS only mechanical rooms and other spaces that, because of their intended use, will not require accessibility to the public or beneficiaries or result in the employment or residence therein of individuals with physical handicaps.

(c) This section does not require recipients to make building alterations that have little likelihood of being accomplished without removing or altering a load-bearing structural member.

(d) For purposes of this section, section 4.1.4(11) of UFAS may not be used to waive or lower the minimum of five percent accessible units required by §8.22(b) or to apply the minimum only to projects of 15 or more dwelling units.

(e) Except as otherwise provided in this paragraph, the provisions of §§8.21 (a) and (b), 8.22 (a) and (b), 8.23, 8.25(a) (1) and (2), and 8.29 shall apply to facilities that are designed, constructed or altered after July 11, 1988. If the design of a facility was commenced before July 11, 1988, the provisions shall be followed to the maximum extent practicable, as determined by the Department. For purposes of this paragraph, the date a facility is constructed or altered shall be deemed to be the date bids for the construction or alteration of the facility are solicited. For purposes of the Urban Development Action Grant (UDAG) program, the provisions shall apply to the construction or alteration of facilities that are funded under applications submitted after July 11, 1988. If the UDAG application was submitted before July 11, 1988, the provisions shall apply, to the maximum extent practicable, as determined by the Department.

§ 8.33 Housing adjustments.

A recipient shall modify its housing policies and practices to ensure that these policies and practices do not discriminate, on the basis of handicap, against a qualified individual with handicaps. The recipient may not impose upon individuals with handicaps other policies, such as the prohibition of assistive devices, auxiliary alarms, or guides in housing facilities, that have the effect of limiting the participation of tenants with handicaps in the recipient’s federally assisted housing program or activity in violation of this part. Housing policies that the recipient can demonstrate are essential to the housing program or activity will not be regarded as discriminatory within the meaning of this section if modifications to them would result in a fundamental alteration in the nature of the program or activity or undue financial and administrative burdens.

Subpart D—Enforcement

§ 8.50 Assurances required.

(a) Assurances. An applicant for Federal financial assistance for a program or activity to which this part applies shall submit an assurance to HUD, or in the case of a subrecipient to a primary recipient, on a form specified by the responsible civil rights official, that the program or activity will be operated in compliance with this part. An applicant may incorporate these assurances by reference in subsequent applications to the Department.

(b) Duration of obligation. (1) In the case of Federal financial assistance extended in the form of real property or interest in the property from the Department, the instrument effecting or recording this transfer shall contain a covenant running with the land to assure nondiscrimination for the period during which the real property is used for a purpose for which the Federal financial assistance is extended or for another purpose involving the provision of similar services or benefits.

(2) Where no transfer of property is involved but property is purchased or improved with Federal financial assistance, the recipient shall agree to include the covenant described in paragraph (b)(2) of this section in the instrument effecting or recording any subsequent transfer of the property.

(3) Where Federal financial assistance is provided in the form of real property or interest in the property from the Department, the covenant shall also include a condition coupled with a right to be reserved by the Department to revert title to the property in the event of a breach of the covenant. If a transferee of real property proposes to mortgage or otherwise encumber the real property as security for financing construction of new, or improvement of existing, facilities on the property for the purposes for which the property was transferred, the Secretary may, upon request of the transferee and if necessary to accomplish such financing and upon such conditions as he or she deems appropriate, agree to forbear the exercise of such right to revert title for so long as the lien of such mortgage or other encumbrance remains effective.

§ 8.51 Self-evaluation.

(a) Each recipient shall, within one year of July 11, 1988, and after consultation with interested persons, including individuals with handicaps or organizations representing individuals with handicaps:
§ 8.52 Remedial and affirmative action.

(a) Remedial action. (1) If the responsible civil rights official finds that a recipient has discriminated against persons on the basis of handicap in violation of section 504 or this part, the recipient shall take such remedial action as the responsible civil rights official deems necessary to overcome the effects of the discrimination.

(2) The responsible civil rights official may, where necessary to overcome the effects of discrimination in violation of section 504 or this part, require a recipient to take remedial action—

(i) With respect to individuals with handicaps who are no longer participants in the program but who were participants in the program when such discrimination occurred or

(ii) With respect to individuals with handicaps who would have been participants in the program had the discrimination not occurred.

(b) Voluntary action. A recipient may take nondiscriminatory steps, in addition to any action that is required by this part, to overcome the effects of conditions that resulted in limited participation in the recipient's program or activity by qualified individuals with handicaps.

§ 8.53 Designation of responsible employee and adoption of grievance procedures.

(a) Designation of responsible employee. A recipient that employs fifteen or more persons shall designate at least one person to coordinate its efforts to comply with this part.

(b) Adoption of grievance procedures. A recipient that employs fifteen or more persons shall adopt grievance procedures that incorporate appropriate due process standards and that provide for the prompt and equitable resolution of complaints alleging any action prohibited by this part. Such procedures need not be established with respect to complaints from applicants for employment or from applicants for admission to housing covered by this part.

§ 8.54 Notice.

(a) A recipient that employs fifteen or more persons shall take appropriate initial and continuing steps to notify participants, beneficiaries, applicants, and employees, including those with impaired vision or hearing, and unions or professional organizations holding collective bargaining or professional agreements with the recipient that it does not discriminate on the basis of handicap in violation of this part. The notification shall state, where appropriate, that the recipient does not discriminate in admission or access to, or treatment or employment in, its federally assisted programs and activities. The notification shall also include an identification of the responsible employee designated pursuant to § 8.53. A recipient shall make the initial notification required by this paragraph within 90 days of July 11, 1988. Methods of initial and continuing notification may include the posting of notices, publication in newspapers and magazines, placement of notices in recipients' publications, and distribution of memoranda or other written communications.

(b) If a recipient publishes or uses recruitment materials or publications containing general information that it

§ 8.56 Conduct of investigations.

(a) Periodic compliance reviews. The responsible civil rights official or designee may periodically review the practices of recipients to determine whether they are complying with this part and where he or she has a reasonable basis to do so may conduct on-site reviews. Such basis may include any evidence that a problem exists or that programmatic matters exist that justify on-site investigation in selected circumstances. The responsible civil rights official shall initiate an on-site review by sending to the recipient a letter advising the recipient of the practices to be reviewed; the programs affected by the review; and the opportunity, at any time prior to receipt of a final determination, to make a documentary or other submission that explains, validates, or otherwise addresses the practices under review. In addition, each award official shall include in normal program compliance reviews and monitoring procedures appropriate actions to review and monitor compliance with general or specific program requirements designed to effectuate the requirements of this part.

(b) Investigations. The responsible civil rights official shall make available to participants, beneficiaries, applicants, or employees, it shall include in those materials or publications a statement of the policy described in paragraph (a) of this section. A recipient may meet the requirement of this paragraph either by including appropriate inserts in existing materials and publications or by revising and reprinting the materials and publications.

(c) The recipient shall ensure that members of the population eligible to be served or likely to be affected directly by a federally assisted program who have visual or hearing impairments are provided with the information necessary to understand and participate in the program. Methods for ensuring participation include, but are not limited to, qualified sign language and oral interpreters, readers, or the use of taped and Braille materials.

§ 8.55 Compliance information.

(a) Cooperation and assistance. The responsible civil rights official and the award official shall, to the fullest extent practicable, seek the cooperation of recipients in obtaining compliance with this part and shall provide assistance and guidance to recipients to help them comply voluntarily with this part.

(b) Compliance reports. Each recipient shall keep such records and submit to the responsible civil rights official or his or her designee timely, complete, and accurate compliance reports at such times, and in such form and containing such information, as the responsible civil rights official or his or her designee may determine to be necessary to enable him or her to ascertain whether the recipient has complied or is complying with this part. In general, recipients should have available for the Department data showing the extent to which individuals with handicaps are beneficiaries of federally assisted programs.

(c) Access to sources of information. Each recipient shall permit access by the responsible civil rights official during normal business hours to such of its books, records, accounts, and other sources of information, and its facilities, as may be pertinent to ascertain compliance with this part. Where any

(c) Filing a complaint—(1) Who may file. Any person who believes that he or she has been subjected to discrimination prohibited by this part may by himself or herself or by his or her authorized representative file a complaint with the responsible civil rights official. Any person who believes that any specific class of persons has been subjected to discrimination prohibited by this part and who is a member of that class or who is the authorized representative of a member of that class may file a complaint with the responsible civil rights official.

(2) Confidentiality. The responsible civil rights official shall hold in confidence the identity of any person submitting a complaint, unless the person submits written authorization otherwise, and except to the extent necessary to carry out the purposes of this part, including the conduct of any investigation, hearing, or proceeding under this part.

(3) When to file. Complaints shall be filed within 180 days of the alleged act of discrimination, unless the responsible civil rights official waives this time limit for good cause shown. For purposes of determining when a complaint is filed under this paragraph, a complaint mailed to the Department shall be deemed filed on the date it is postmarked. Any other complaint shall be deemed filed on the date it is received by the Department.

(4) Where to file complaints. Complaints may be filed by mail with the Office of Fair Housing and Equal Opportunity, Department of Housing and Urban Development, Washington, DC 20410, or any Regional or Field Office of the Department.

(5) Contents of complaints. Each complaint should contain the complainant's name and address, the name and address of the recipient alleged to have violated this part, and a description of the recipient's alleged discriminatory action in sufficient detail to inform the Department of the nature and date of the alleged violation of this part.

(f) Dismissal of complaint. If the investigation reveals no violation of this part, the responsible civil rights official will dismiss the complaint and notify the complainant and recipient.

(g) Letter of findings. If an informal resolution of the complaint is not amended at any time. Amendments to complaints such as clarification and amplification of allegations in a complaint or the addition of other recipients may be made at any time during the pendency of the complaint and any amendment shall be deemed to be made as of the original filing date.
Office of the Secretary, HUD § 8.56

reached the responsible civil rights official or his or her designee shall, within 180 days of receipt of the complaint, notify the recipient and the complainant (if any) of the results of the investigation in a letter sent by certified mail, return receipt requested, containing the following:

(1) Preliminary findings of fact and a preliminary finding of compliance or noncompliance;

(2) A description of an appropriate remedy for each violation believed to exist;

(3) A notice that a copy of the Final Investigative Report of the Department will be made available, upon request, to the recipient and the complainant (if any); and

(4) A notice of the right of the recipient and the complainant (if any) to request a review of the letter of findings by the reviewing civil rights official.

(h) Right to review of the letter of findings. (1) A complainant or recipient may request that a complete review be made of the letter of findings within 30 days of receipt, by mailing or delivering to the reviewing civil rights official, Office of Fair Housing and Equal Opportunity, Washington, DC 20410, a written statement of the reasons why the letter of findings should be modified in light of supplementary information.

(2) The reviewing civil rights official shall send by certified mail, return receipt requested, a copy of the request for review to the other party, if any. Such other party shall have 20 days to respond to the request for review.

(3) The reviewing civil rights official shall either sustain or modify the letter of findings within 60 days of the request for review. The reviewing civil rights official’s decision shall constitute the formal determination.

(4) If neither party requests that the letter of findings be reviewed, the responsible civil rights official shall, within fourteen (14) calendar days of the expiration of the time period in paragraph (h)(1) of this section, send a formal written determination of compliance or noncompliance to the recipient and copies to the award official.

(i) Voluntary compliance time limits. The recipient will have ten (10) calendar days from receipt of the formal determination of noncompliance within which to come into voluntary compliance. If the recipient fails to meet this deadline, HUD shall proceed under §8.57.

(j) Informal resolution/voluntary compliance—(1) General. It is the policy of the Department to encourage the informal resolution of matters. The responsible civil rights official may attempt to resolve a matter through informal means at any stage of processing. A matter may be resolved by informal means at any time. If a letter of findings making a preliminary finding of noncompliance is issued, the responsible civil rights official shall attempt to resolve the matter by informal means.

(2) Objectives of informal resolution/voluntary compliance. In attempting informal resolution, the responsible civil rights official shall attempt to achieve a just resolution of the matter and to obtain assurances where appropriate, that the recipient will satisfactorily remedy any violations of the rights of any complainant and will take such action as will assure the elimination of any violation of this part or the prevention of the occurrence of such violation in the future. The terms of such an informal resolution shall be reduced to a written voluntary compliance agreement, signed by the recipient and the responsible civil rights official, and be made part of the file for the matter. Such voluntary compliance agreements shall seek to protect the interests of the complainant (if any), other persons similarly situated, and the public interest.

(k) Intimidatory or retaliatory acts prohibited. No recipient or other person shall intimidate, threaten, coerce, or discriminate against any person for the purpose of interfering with any right or privilege secured by this part, or because he or she has made a complaint, testified, assisted, or participated in any manner in an investigation, proceeding, or hearing under this part. The identity of complainants shall be kept confidential except to the extent necessary to carry out the purposes of
§ 8.57 Procedure for effecting compliance.

(a) General. If there appears to be a failure or threatened failure to comply with this part and if the noncompliance or threatened noncompliance cannot be corrected by informal means, compliance with this part may be effected by the suspension or termination of or refusal to grant or to continue Federal financial assistance, or by other means authorized by law. Such other means may include, but are not limited to:

1. A referral to the Department of Justice with a recommendation that appropriate proceedings be brought to enforce any rights of the United States under any law of the United States, or any assurance or other contractual undertaking;

2. The initiation of debarment proceedings pursuant to part 24 of this title; and

3. Any applicable proceeding under State or local law.

(b) Noncompliance with § 8.50. If an applicant or a recipient of assistance under a contract which is extended or amended on or after July 11, 1988, fails or refuses to furnish an assurance required under § 8.50 or otherwise fails or refuses to comply with the requirements imposed by that section, Federal financial assistance may be refused under paragraph (c) of this section. The Department is not required to provide assistance during the pendency of the administrative proceeding under such paragraph (c), except where the assistance is due and payable under a contract approved before July 11, 1988.

(c) Termination of or refusal to grant or to continue Federal financial assistance. No order suspending, terminating, or refusing to grant or continue Federal financial assistance shall become effective until:

1. The responsible civil rights official has advised the applicant or recipient of its failure to comply and has determined that compliance cannot be secured by voluntary means;

2. There has been an express finding on the record, after opportunity for hearing, of a failure by the applicant or recipient to comply with a requirement imposed under this part;

3. The action has been approved by the Secretary; and

4. The expiration of 30 days after the Secretary has filed with the committees of the House and Senate having legislative jurisdiction over the program or activity involved a full written report of the circumstances and the grounds for such action. Any action to suspend or terminate, or to refuse to grant or to continue Federal financial assistance shall be limited to the particular political entity, or part thereof, or other applicant or recipient as to whom such a finding has been made and shall be limited in its effect to the particular program, or part thereof, in which such noncompliance has been so found.

(d) Notice to State or local government. Whenever the Secretary determines that a State or unit of general local government which is a recipient of Federal financial assistance under title I of the Housing and Community Development Act of 1974, as amended (42 U.S.C. 5301-5318) has failed to comply with a requirement of this part with respect to a program or activity funded in whole or in part with such assistance, the Secretary shall notify the Governor of the State or the chief executive officer of the unit of general local government of the noncompliance and shall request the Governor or the chief executive officer to secure compliance. The notice shall be given at least sixty days before:

1. An order suspending, terminating, or refusing to grant or continue Federal financial assistance becomes effective under paragraph (c) of this section; or

2. Any action to effect compliance by any other means authorized by law is taken under paragraph (a) of this section.

(e) Other means authorized by law. No action to effect compliance by any other means authorized by law shall be taken until:

1. The responsible civil rights official has determined that compliance cannot be secured by voluntary means;
(2) The recipient or other person has been notified of its failure to comply and of the action to be taken to effect compliance; and

(3) At least 10 days have elapsed since the mailing of such notice to the applicant or recipient. During this period, additional efforts shall be made to persuade the applicant or recipient to comply with this part and to take such corrective action as may be appropriate.

However, this paragraph shall not be construed to prevent an award official from utilizing appropriate procedures and sanctions established under the program to assure or secure compliance with a specific requirement of the program designed to effectuate the objectives of this part. However, this paragraph shall not be construed to prevent an award official from utilizing appropriate procedures and sanctions established under the program to assure or secure compliance with a specific requirement of the program designed to effectuate the objectives of this part.

§ 8.58 Hearings.

(a) Opportunity for hearing. Whenever an opportunity for a hearing is required by §8.57(c), reasonable notice shall be given by registered or certified mail, return receipt requested, to the affected applicant or recipient. This notice shall advise the applicant or recipient of the action proposed to be taken, the specific provision under which the proposed action against it is to be taken, and the matters of fact or law asserted as the basis for this action. The notice shall:

(1) Fix a date not less than 20 days after the date of the notice for the applicant or recipient to request the administrative law judge to schedule a hearing, or

(2) Advise the applicant or recipient that the matter has been scheduled for hearing at a stated time and place. The time and place so fixed shall be reasonable and shall be subject to change for cause. The complainant, if any, shall be advised of the time and place of the hearing. An applicant or recipient may waive a hearing and submit written information and argument for the record. The failure of an applicant or recipient to request a hearing under this paragraph or to appear at a hearing for which a date has been set is a waiver of the right to a hearing under §8.57(c) and consent to the making of a decision on the basis of available information.

(b) Hearing procedures. Hearings shall be conducted in accordance with 24 CFR part 180.

§ 9.101 Purpose.

The purpose of this part is to effectuate section 119 of the Rehabilitation, Comprehensive Services, and Developmental Disabilities Amendments of 1978, which amended section 504 of the Rehabilitation Act of 1973 to prohibit discrimination on the basis of disability in programs or activities conducted by Executive agencies or the United States Postal Service.
