**Subject:** Private Transportation

Kate,

Per our conversation in regards to the private transportation requirements, I mentioned that there are no time requirements for private transportation listed in the competitive RFA's. You asked me to submit a recommendation as to the time requirements and it would possibly be discussed at an upcoming workshop.

I would recommend that the requirements be the same as the public bus stop. Therefore, the applicant would be required to provide private transportation to the residents between the hours of 7am to 9am and 4pm to 7pm.

Thank you,
