**Background**

12. Florida Housing is a public corporation created by section 420.504, Florida Statutes, to administer the governmental function of financing or refinancing affordable housing and related facilities in Florida. Florida Housing's statutory authority and mandates are set forth in Part V of Chapter 420, Florida Statutes. See, Sections 420.501-420.55, Fla. Stat.

13. Chapter 67-60, Fla. Admin. Code, which establishes "the procedures by which the Corporation shall .... administer the competitive solicitation processes to implement the provisions of the Housing Credit (HC) Program authorized by Section 42 of the IRC and Section 420.5099, F.S. See rule, 67-69.001(2), Florida Admin. Code.

**RFA 2018-111**

14. Through the RFA process Florida Housing anticipated awarding up to an estimated $6,881,821 of Housing Credits to proposed Developments located in Miami-Dade County (RFA at p. 2)

15. Within the RFA the Corporation established the following funding goals,

   a. The Corporation has a goal to fund one (1) proposed Development that (a) selected the Demographic Commitment of Family at question 2.a. of Exhibit A and (b) qualifies for the Geographic Areas of Opportunity/SAHDA Goal as outlines in Section Four A. 10.

   b. The Corporation has a goal to fund one (1) proposed Development that selected the Demographic Commitment of Elderly (ALF or Non-ALF) at question 2.a. of Exhibit A.

   c. The Corporation has a goal to fund one (1) proposed Development wherein the Applicant applied and qualified as a Non-Profit Applicant.
16. Review Committee members will independently evaluate and score their assigned portions of the submitted applications based on various mandatory and scored items. The maximum point total that an applicant can receive is 15 points. (RFA at p. 69) Failure to meet all eligibility items results in an application being deemed ineligible. (RFA at p. 65)

17. The RFA provides that all eligible Applications will be ranked by sorting the Applications from the highest scoring Application to the lowest, with any scores that are tied separated as follows:

1) First, by the Application's eligibility for the Proximity Funding Preference (which is outlined in Section Four A.5.e of the RFA) with Applications that qualify for the preference listed above Applications that do not qualify for the preference;

2) Next, by the Application's eligibility for the Per Unit Construction Funding Preference which is outlined in Section Four A.11.e of the RFA (with Applications that qualify for the preference listed above Applications that do not qualify for the preference);

3) Next, by the Application's eligibility for the Development Category Funding Preference which is outlined in Section Four A.4(h)(4) of the RFA (with Applications that qualify for the preference listed above Applications that do not qualify for the preference);

4) Next, by the Application's Leverage Classification, applying the multipliers outlined in Item 3 of Exhibit C of the RFA (with Applications having the Classification of A listed above Applications having the Classification of B);

5) Next, by the Application's eligibility for the Florida Job Creation Funding Preference which is outlined in Item 4 of Exhibit C of the RFA (with Applications that qualify for the preference listed above Applications that do not qualify for the preference); and

6) And finally, by lottery number, resulting in the lowest lottery number receiving preference.

RFA at p. 69-70.

18. The RFA mandates the Funding Selection Process (hereinafter "Selection Process"), as follows,
1) The first Application selected for funding will be the highest-ranking eligible Family Application that qualifies for the Geographic Areas of Opportunity/SADDA Goal.

2) The next Application selected for funding will be the highest-ranking eligible Application that qualifies as an Elderly (ALF or Non-ALF) Development.

3) The next Application selected for funding will be the highest-ranking Application wherein the Applicant applied and qualified as a Non-Profit Applicant.

4) If there are less than three (3) Applications selected for funding in (1), (2) and (3) above, the next Application(s) selected for funding will be the highest-ranking unfunded Application(s), regardless of Demographic Category until no more than three total Applications are selected for funding. If the third Application cannot be fully funded, it will be entitled to receive a Binding Commitment for the unfunded balance.

5) If funding remains after selecting the three (3) highest ranking eligible unfunded Applications as outlined above, or if funding remains because there are not three (3) eligible Applications that can be funded as outlined above, then no further Applications will be considered for funding and any remaining funding will be distributed as approved by the Board.

(RIA at p.70)

19. The selection process was carried out by the members of the Review Committee at a public meeting held on January 23, 2019.

20. The following applications were selected for funding by Review Committee members,

-2019-045C- Lucida Apartments, Ltd. - Lottery Number 7

-2019-073C- Las Brisas Trace, LP - Lottery Number 1

-2019-058C- Cannery Row at Redlands Crossing, LLLP - Lottery Number 3

Of the three (3) applications selected for funding, Lucida Apartments, Ltd. was the highest ranked eligible family application that satisfied the Geographic Area of Opportunity goal. Las
Brisas Trace, LP, was selected as the highest ranked eligible elderly application. Lastly, Cannery Row at Redlands Crossing, LLLP was selected as the next highest ranked eligible non-profit application.

21. Las Brisas Trace, LP ("Las Brisas"), Ambar Riverview, Ltd., ("Ambar") an eligible but unfunded application, Application No. 2019-035C², Naranja Lakes Housing Partners, LP (Naranja Lakes), Application No. 2019-032C and San Cristobal LP, Application 2019-075C should have all been deemed ineligible. The applicant which, in turn, should have been selected for funding as the highest ranked eligible elderly application is HTG Rock Ridge Ltd.

**Las Brisas**

**Insufficient Density to support Proposed Units**

22. In their application to the Corporation, Las Brisas committed to building 119 units on its proposed site which is made up of thirteen (13) separate parcels. One of the parcels is being sold by Kids on Point, LLC ("KOP") and the remaining parcels are being sold by Pia S. Woodley as the Personal Representative of the Estate of Beatrice Boston ("Woodley").

23. According to the Miami-Dade County Property Appraiser the portion of the proposed site being sold by KOP is 34,185 square feet which is 0.78 acres. The portion of the proposed site being sold by Woodley is 22,500 square feet which converts to 0.58 acres.

24. Notwithstanding the foregoing, according to the Site Plan submitted by Las Brisas to Miami-Dade County the portion of the proposed site being sold by KOP is 50,113 square feet which converts to 1.15 acres and the Woodley site is 37,386 square feet which converts to 0.858 acres. The reason for the discrepancy between what is shown by the Miami-Dade County

---

² Ambar is lottery number 2.
Property Appraiser and the Site Plan prepared for Las Brisas is that they are using the Net Lot Area Total. According to Article XXX1111(K) of Miami-Dade County's Standard Urban Center District Regulations, Section 33-284.83, Uscs. (A)(2)(c), "Minimum requirement and maximum permitted density shall be calculated based on the net lot area. For purposes of this article, net lot area shall include dedicated road right-of-way, which means the area between the existing or proposed lot right-of-way line and the street centerline." Although Woodley satisfactorily meets the Net Lot Area represented on the Site Plan presented to Miami-Dade County for their Zoning Form, KOP does not. Las Brisas represented on their Site Plan that KOP's parcel consists of 50,113 SF, when in fact the Net Lot Area consists of 44,114 SF. Las Brisas was calculating approximately 46 linear feet from the KOP property line to the metro-rail. As Miami-Dade County is owner of the metro-rail, the area between the existing or proposed lot right-of-way line and the street centerline as permitted for density calculation is only approximately 23 linear feet. Las Brisas took additional square feet that does not belong to KOP. The difference in square feet between what Las Brisas proposed in their Site Plan and what property belongs to KOP per Miami-Dade County's Standard Urban Center District Regulation is approximately 5,999 SF or the equivalent of 8 units.

25. The Miami-Dade County Zoning Code density for the proposed site is limited to 50 units per acre. Pursuant to the Site Plan submitted by the Applicant, they would be entitled to build 120 units. However, using the correct calculation for the Net Lot Area of the KOP site, the Applicant would be limited to approximately 112 units, eight units below what the Applicant has indicated in their application.

26. Las Brisas, as part of its Application, submitted the Florida Housing Finance Corporation Local Government Verification that Development is Consistent with Zoning and
Land Use Regulations Form ("Zoning Form") executed by county staff. Petitioner believes that the Zoning Form was executed based on the Las Brisas Site Plan, which as stated above, incorrectly describes the proposed site as larger than it actually is. Using the correct calculations, the proposed site is not large enough to support 119 units under the Miami-Dade County Zoning Code. The Zoning Form submitted by Las Brisas should not be relied upon and Las Brisas should be deemed ineligible since the number of units proposed exceeds the applicable zoning allowance.

Ambar

Failure to Timely Submit Required Documentation for Density Bonus

27. The Miami 21 Zoning Code provides for special benefits for developers of affordable housing within the City of Miami, if certain conditions are met. Specifically, it provides in part:

3.15 AFFORDABLE HOUSING SPECIAL BENEFIT PROGRAM SUPPLEMENTAL REGULATIONS

The intent of the Affordable Housing special benefit program established in this section is to facilitate the development of high-quality Affordable Housing in the City by providing development incentives, including, but not limited to, modifications of architectural/design standards and parking reductions.

3.15.1 As a prerequisite to qualify for any of the special benefits described in section 3.15, an applicant shall submit to the Office of Zoning:

a. Certification by the City's Community Development Department that the proposed Development will provide a minimum of eighty percent (80%) of the Dwelling Units (Multi-family or Elderly) as Affordable Housing serving residents at or below sixty.

b. A recorded covenant running with the land acceptable to the City of Miami, confirming the property will meet the criteria in subsection (a) above for a period of no less than thirty (30) years from the date of the issuance of a final Certificate of Occupancy.

(Emphasis supplied)
28. Ambar’s application proposes to build a 105-unit high-rise in Miami, Florida. They sought and filed an application with the City of Miami using the Affordable Housing Certification form to begin the process to obtain increased density for their proposed development.

29. On October 11, 2018 an affiliate, Ambar3 LLC submitted correspondence to Manuel Tomada, of the City of Miami, Department of Planning and Zoning. A copy of the letter is attached hereto as Exhibit C.

30. The letter indicates that the following items were attached to the correspondence:

   1. Local Government Verification that the development is Consistent with Zoning and Land Use Regulations;

   2. A copy of the verification forms submitted last year by a different developer for the same property. That project was known as Serenity Tower;

   3. Miami-Dade Property Appraiser’s Information Map Reports;

   4. A copy of the Affordable Housing Certification that has been submitted to the Community Development Department for signature. We will supplement the package with the signed form as soon as we receive it from Charles McKinnon;

   5. A copy of the Survey; and

   6. A check for $1,000.00 in payment of the City of Miami’s processing fees.

31. The Affordable Housing Certification, referenced in the October 11, 2018 correspondence above, was submitted under Miami 21 Affordable Housing, Article 3, Subsection 3.15.1, certifying that of the 105 units 80% were for tenants at or below 60% AMI. The Project Description provided in part,

One residential building consisting of 105 units, 42-2 bedrooms/2 baths and 63-1 Bedroom/1 bath. The density is based on increase allowed due to units meeting the definition of Affordable Housing.
The Affordable Housing Certification form was executed by Elena Adames, the President of Ambar Riverview, LLC and dated October 3, 2018.

32. Also attached to the letter of October 11, 2018 was an executed copy of the Florida Housing Finance Corporation Local Government Verification that Development is Consistent with Zoning and Land Use Regulations Form ("Zoning Form"). The Zoning Form indicates approval for 105 units and is dated October 22, 2018.

33. The Affordable Housing Certification form executed on October 3, 2018 by Ambar and given to Mr. Torrado of the City of Miami committed to 80% of units for Tenants at or below 60% AMI. However, when the Affordable Housing Certification form was fully executed by Charles McKinnon and Alfredo Duran of the Department of Community & Economic Development on October 16, 2018, Ambar modified their form by submitting under Miami 21 Affordable Housing, Article 3, Subsection 3.15.2,\(^4\) certifying that of the 105 units being proposed, 40% of units will be for tenants at or below 60% AMI & 60% of the units will be for Workforce Housing. First, the information provided to Mr. Torrado was materially different than what was eventually signed by the Department of Community & Economic Development. Second, as stated in the Affordable Housing Special Benefit Program Supplemental Regulations, in order to qualify for any of the special benefits described the applicant (i.e. Ambar), needed to commit to 80% of units for Tenants at or below 60% AMI. The fully executed form with different set-aside commitments is not in agreement with this requirement. Third, in Ambar’s Florida Housing application, they have 100% of the units for Tenants at or below 80% AMI, thus not meeting either of the requirements they committed to with the City of Miami, which is how they were able to get their Zoning Form sign off from Mr. Torrado.

---

\(^3\) This was received in response to the Public Records Request and attached to the October 11, 2018 correspondence.

\(^4\) Emphasis supplied.
34. More importantly, even if the Affordable Housing Certification Form is deemed acceptable, per *Miami 21 Affordable Housing, Article 3*, there is an additional restrictive covenant that is required to be recorded and put in place for the increase in density to be effective. Further, there is nothing in the Purchase and Sale Agreement, public records, or other documentation between the buyer or seller for the property that would allow Ambar, as buyer, the authorization to record a covenant running with the property to establish affordable housing on the property with these restrictive set-aside commitments. This restriction can only be made by the rightful owner or seller of the property in question and not by Ambar. No affordable restrictive covenant existed as of the Florida Housing application deadline, and is still not in place, therefore the density applied for or needed by Ambar is not consistent with current land use regulations as stated on the Zoning Form.

35. The Zoning Form submitted by Ambar was wrongfully executed and as such Ambar should be deemed ineligible.

**Naranja Lakes Housing Partners, LP**

*Non-Corporation Financing Proposal*

36. The RFA requires applicants to provide documentation of all financing proposals. Specifically, the RFA requires:

(a) **Financing Proposal**

Financing proposal documentation, regardless of whether the documentation is in the form of a commitment, proposal, term sheet, or letter of intent, must meet the following criteria. Evidence for each funding source must be behind its own numbered attachment.

Each financing proposal shall contain:

(i) Amount of the construction loan, if applicable;

(ii) Amount of the permanent loan, if applicable;

11
(iii) Specific reference to the Applicant as the borrower or direct recipient; and

(iv) Signature of all parties, including acceptance by the Applicant.

(RFA at p. 55 and 56) (Emphasis supplied)

37. Naranja Lakes submitted correspondence from JP Morgan Chase Bank, N.A., detailing the terms of the financing proposal. The financing proposal letter was signed by David H. Saling, Authorized Officer of JP Morgan Chase Bank, NA. A copy of the financing proposal is attached hereto as Exhibit D.

38. The financing proposal was not signed or accepted by the Applicant.

39. The financing proposal did not have the signature of all parties as required by the terms of the RFA, thus it cannot be used as a source of funding resulting in a construction shortfall, and the application of Naranja Lakes must be deemed ineligible.

Site Control

40. The RFA requires that applicants must submit evidence of Site Control. The RFA provides in pertinent part:

a. Site Control

The Applicant must demonstrate site control by providing, as Attachment 8 to Exhibit A, the properly executed Florida Housing Finance Corporation Site Control Certification Form. For the Site Control Certification Form to be considered complete, as an attachment to the form, the Applicant must also include the documentation required in items (1), (2) and/or (3), as indicated below, demonstrating that it is a party to an eligible contract or lease, or is the owner of the subject property. Such documentation must include all relevant intermediate contracts, agreements, assignments, options, conveyances, intermediate leases, and subleases. ...

(1) An eligible contract must meet all of the following conditions:

   (a) It must have a term that does not expire before April 30, 2019 or that contains extension options exercisable by the purchaser and conditioned solely upon the payment of additional monies which,
if exercised would extend the term to a date that is not earlier than April 30, 2019;

(b) It must specifically state that the buyer’s remedy for default on the part of the seller includes or is specific performance;

(c) The Applicant must be the buyer unless there is an assignment of the eligible contract, signed by the assignor and the assignee, which assigns all of the buyer’s rights, title and interests in the eligible contract to the Applicant; and

(d) The owner of the subject property must be the seller, or is a party to one or more intermediate contracts, agreements, assignments, options, or conveyances between or among the owner, the Applicant, or other parties, that have the effect of assigning the owner’s right to sell the property to the seller. Any intermediate contract must meet the criteria for an eligible contract in (c) and (b) above.

(RFA at p. 32-33)

41. As evidence of Site Control, Naranja Lakes submitted an Agreement of Purchase and Sale between Shou Fong Rachimuth Le (“Sellers”) and Naranja Lakes Housing Partners, L.P., dated June 20, 2018. A copy of the Agreement of Purchase and Sale (“Agreement”) is attached hereto as Exhibit E.

42. According to the Miami-Dade County Property Appraiser there are additional “owners” of the property which is the subject of the Agreement that have not signed the Agreement.

43. The Agreement is not an Eligible Contract as defined within the RFA and as a result, the application of Naranja Lakes must be deemed ineligible.

San Cristobal LP

Insufficient Density for Proposed Units

44. In their application to the Corporation, San Cristobal committed to building 127 units in its proposed site which is made up of four (4) different parcels.
45. According to the Miami-Dade County Property Appraiser the combined square footage for all four lots is 20,866 square feet which converts to 0.479 acres.

46. The Miami-Dade County Zoning Code density for the proposed site is limited to 150 units per acre. Based on the total acreage of the development site San Cristobal is limited to approximately 71 units, less than one-half of what the Applicant has indicated in their application.

47. San Cristobal, as part of its Application, submitted the Florida Housing Finance Corporation Local Government Verification that Development is Consistent with Zoning and Land Use Regulations Form ("Zoning Form") executed by city staff. Petitioner believes the Zoning Form was executed erroneously since from the information obtained the proposed site is not large enough to support 127 units under the Miami 21 Zoning Code. The Zoning Form submitted by San Cristobal should not be relied upon and San Cristobal should be deemed ineligible since the number of units proposed exceeds the applicable zoning.

Substantial Interests Affected

48. If Las Brisas, Ambar, Naranja Lakes and San Cristobal had been deemed ineligible for the foregoing reasons HTG Rock Ridge, Ltd. would have been selected as the next eligible elderly applicant.

49. Petitioner is substantially affected by the evaluation and scoring of the responses to the RFA. The results of the scoring have affected Petitioners ability to obtain funding through the RFA. Consequently, Petitioners have standing to initiate and participate in this and related proceedings.

50. Petitioner is entitled to a Formal Administrative Hearing pursuant to Sections 120.57(1) and 120.57(3), Florida statutes, to resolve the issues set forth in this Petition.
Disputed Issues of Material Fact and Law

51. Disputed issues of material fact and law exist and entitle Petitioners to a formal Administrative Hearing pursuant to Section 120.57(1), Florida Statutes. The disputed issues of material fact and law include, but are not limited to, the following:

a. Whether the Site Plan submitted by Las Brisas accurately reflected the proposed development size.

b. Whether the Zoning Form submitted by Las Brisas was executed based on accurate information.

c. Whether Ambar had all necessary approvals and met the requirements at the time that the Zoning Form was executed.

d. Whether the finance proposal of Naranja Lakes was executed by all parties as required by the RFA.

e. Whether without the finance proposal Naranja lakes has a construction shortfall.

f. Whether the Purchase and Sale Agreement submitted by Naranja Lakes was an Eligible Contract.

g. Whether San Cristobal under the Miami 21 Zoning Code is permitted to construct 127 units on the proposed development site.

h. Whether the Zoning Form submitted by San Cristobal was executed in error.

i. Such other issues as may be revealed during the protest process.

Statutes and Rules Entitling Relief

52. Petitioner is entitled to relief pursuant to Section 120.569 and 120.57, Florida Statutes, Chapters 28-106, 28-110, and 67-60, Florida Administrative Code.

Concise Statement of Ultimate Fact and Law, Including the Specific Facts Warranting Reversal of the Agency’s Intended Award
53. Petitioner participated in the RFA process to compete for an award of Housing Credit funds based upon the delineated scoring and ranking criteria in the RFA. County, is ineligible for funding Las Brisas should be deemed ineligible for providing inaccurate information to Miami-Dade County which resulted in the wrongful execution of the Zoning Form, Ambar should be deemed ineligible because the Zoning Form was executed before all approvals were obtained, Naranja Lakes should be deemed ineligible for submitting a finance proposal which was not signed by all parties resulting in a funding shortfall and additionally not establishing Site Control and lastly San Cristobal should be deemed ineligible for not having the appropriate zoning to construct the proposed number of units.

54. Unless the score and ranking are corrected, and the preliminary allocation revised, Petitioner will be excluded from funding and Las Brisas and potentially Ambar, Naranja Lakes and San Cristobal will be awarded Housing Credit funds contrary to the provisions of the RFA and Florida Housing governing statutes and rules.

55. A correct application of the eligibility, scoring and ranking criteria will result in funding for the Petitioner as an elderly development.

**Right to Amend the Petition**

56. Petitioner reserves the right to amend this Petition if additional disputed issues of material fact are identified during the discovery process in this case.

WHEREFORE, pursuant to section 120.57(3), Florida Statutes, and rule 28-110.004, Florida Administrative Code, Petitioner’s request the following relief:

a) An opportunity to resolve this protest by mutual agreement within seven days of the filing of this Petition as provided by Section 120.57(3)(d)(1), Florida Statutes.
b) If this protest cannot be resolved within seven days, that the matter be referred to the Division of Administrative Hearings for a formal hearing to be conducted before an Administrative Law Judge ("ALJ") pursuant to Section 120.57(1) and (3), Florida Statutes.

c) The ALJ enter a Recommended Order determining that the applications of Las Brisas, Ambar, Naranja Lakes and San Cristobal are all ineligible and award funding to the Petitioner as the next eligible elderly applicant.

d) That the Corporation adopt the Recommended Order of the ALJ.

Dated this 18th day of February 2019.

RE: 2018-111 FLORIDA HOUSING FINANCE CORPORATION LOCAL GOVERNMENT VERIFICATION FORMS for property located at 12th Avenue and NW 36th Street, Miami, Florida to be known as The Ambar (the “Project”)

Dear Manny:

This firm represents Ambar3, LLC, in connection with the above-captioned Project. The proposed Project will consist of a one hundred five (105) unit multi-family affordable housing development.

Enclosed please find the following materials:

1. Local Government Verification that Development is Consistent with Zoning and Land Use Regulations.
2. A copy of the verification forms submitted last year by a different developer for the same property. That project was to be known as Serenity Tower.
3. Miami-Dade County Property Appraiser’s Information Map Reports.
4. A copy of the Affordable Housing Certification that has been submitted to the Community Development Department for signature. We will supplement the package with the signed form as soon as we receive it from Charles McKinnon.
5. A copy of the Survey.
6. A check for $1,000.00 in payment of the City of Miami’s processing fees.

As you may know the FHFC filing deadline is on October 25th. I would appreciate it if you would process the enclosed forms for Devin’s signature as soon as possible.

- Exhibit C -
If you have any questions, or require additional information, please let me know immediately.

Sincerely,

Linda Christian-Cruz
Florida Registered Paralegal

FLORIDA HOUSING FINANCE CORPORATION
LOCAL GOVERNMENT VERIFICATION THAT DEVELOPMENT IS
CONSISTENT WITH ZONING AND LAND USE REGULATIONS

Name of Development: The Ambar

Development Location:
NW 36 Street, SW of the intersection of NW 36 Street and NW 12 Ave., Miami, FL

(At a minimum, provide the address number, street name and city, and/or provide the owner's name, closest designated intersection and either the city (if located within a city) or county (if located in the unincorporated area of the county). The location of all Scouted Sites, if applicable, must also be included.)

Number of Units in the Development: 165

This number must be equal to or greater than the number of units stated by the Applicant in Exhibit A of the RPA.

The undersigned service provider confirms that, as of the date that this form was signed, the above referenced Development's proposed number of units, density, and intended use are consistent with current land use regulations and zoning designation or, if the Development consists of rehabilitation, the intended use is allowed as a legally non-conforming use. To the best of my knowledge, there are no hearings or approvals required to obtain the appropriate zoning classification. Assuming compliance with the applicable land use regulations, there are no known conditions that would preclude construction or rehabilitation of the referenced Development on the proposed site.

CERTIFICATION

I certify that the City/County of City of Miami has vested in me the authority to verify consistency with local land use regulations and zoning designation or, if the Development consists of rehabilitation, the intended use is allowed as a "legally non-conforming use" and I further certify that the foregoing information is true and correct. In addition, if the proposed Development site is in the Florida Keys Area as defined in Rule Chapter 67-48, F.A.C., I further certify that the Applicant has obtained the necessary Rate of Growth Ordinance (ROGO) allocations from the Local Government.

Dear Mr. Hoskins,

Thank you for considering JPMorgan Chase Bank, N.A. ("JPMorgan Chase" or "Lender") as a potential construction and permanent lender for the development of affordable rental housing to be known as the Residences at Naranja Lakes to be located in Miami-Dade, Florida. We have completed a preliminary review of the materials you have submitted, and the following is a brief outline of the terms that we propose to underwrite for credit approval. Of course, this letter is for discussion purposes only and does not represent a commitment by JPMorgan Chase to provide financing for the project nor an offer to commit, but is rather intended to serve as a basis for further discussion and negotiation should you wish to pursue the proposed transaction. Our interest and preliminary terms are subject to change as due diligence and discussions with you continue. Such a commitment can only be made after due diligence materials are received, reviewed, and approved and credit approval has been obtained.

AGREEMENT OF PURCHASE AND SALE

THIS AGREEMENT OF PURCHASE AND SALE (this "Agreement") is dated the 20th day of June 2018, by and between SHOU'FONG RACHMUTHI LH ("Seller"), and NARANJA LAKES HOUSING PARTNERS, LP, a Florida limited partnership ("Purchaser").

RECEITALS

Seller is the owner of certain property located in the Miami-Dade County, Florida, more particularly described on Exhibit "A" attached hereto and made a part hereof (the "Real Property").

Purchaser and Seller desire to set forth their agreements concerning the terms and conditions pursuant to which Seller will sell to Purchaser and Purchaser will buy from Seller the Property (as defined herein).

NOW, THEREFORE, in consideration of the mutual covenants and agreements contained in this Agreement and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

ARTICLE I

PROPERTY/PURCHASE PRICE

1.1 Property. Subject to the terms and conditions of this Agreement, Seller agrees to sell to Purchaser, and Purchaser agrees to purchase from Seller, the following property (collectively, the "Property"):

(a) The Real Property, together with all of Seller's right, title and interest in and to (i) all improvements owned by Seller, and located thereon, including installations and other improvements of every kind now or hereafter in, on, over and under the Real Property, if any (ii) all other rights, benefits, privileges, easements relating to the Real Property, and (iii) all water and water rights, and any other rights to use and appropriate water from or relative to the Real Property, if any.

(b) Any and all right, title and interest of Seller in and to any land lying in the bed of any street, creek, road or avenue within or otherwise adjoining the Real Property, and all right, title and interest of Seller (whether now or hereafter existing) in and to any award made or to be made as a result of or in lieu of condemnation, and in and to any award for damage to the Property or any part thereof by reason of casualty.

(c) All right, title and interest of Seller in and to any and all permits, licenses, approvals and development rights issued in connection with or pertaining to the Property (collectively, the "Intangible Personal Property").

(d) Any and all right, title and interest of Seller in and to any and all existing surveys, plats, blue prints, drawings, soil tests, environmental reports, utility information, traffic studies, tax information, animal, tree and plant reports, appraisals and market studies and other documentation for or with respect to the Property or any part thereof.
1.2 **Purchase Price.** The purchase price for the Property (the "Purchase Price") is $2,259,000, to be paid as follows: (a) the Earnest Money (as defined herein) and (b) the balance of the Purchase Price payable at Closing or any extension thereof in immediately available funds.

1.3 **Earnest Money.**

(a) Within five business days immediately following the date of last execution of this Agreement by Seller and Purchaser (the "Effective Date"), Purchaser shall deposit with Fidelity National Title Company ("Escrow Agent") by wire transfer of immediately available funds to be held by the Escrow Agent, the amount of $25,000.00 as earnest money (such amount, together with any interest earned thereon, is referred to herein as the "Initial Deposit").

(b) In the event that Purchaser shall not provide Seller with the Termination Notice (as defined herein) prior to the end of the Inspection Period (as defined herein), nor later than five business days after the expiration of the Inspection Period, Purchaser shall deposit with Escrow Agent, an additional earnest money by wire transfer of immediately available funds, the amount of $30,000.00 as additional earnest money (the "Second Deposit"). Upon payment of the "Second Deposit", Purchaser agrees that $10,000 of the deposit shall be non-refundable, except for Seller default. The Initial and Second Deposits, together with any and all interest earned thereon, are hereafter collectively referred to as the "Earnest Money." At the Closing, the Earnest Money shall be paid to Seller and credited to the Purchase Price payable by Purchaser to Seller. In connection with Purchaser's deposit of the Earnest Money with Escrow Agent, the parties acknowledge and agree that:

(i) Escrow Agent shall hold possession of, keep, deliver and dispose of the Earnest Money subject to the terms and conditions of this Agreement and shall otherwise deal with the parties hereto fairly and impartially according to the interest of the parties as hereinafter expressed; provided, however, that Escrow Agent shall not be deemed to be a party to this Agreement except for its obligations hereunder as Escrow Agent for the purposes of holding the Earnest Money. Escrow Agent shall be entitled to rely at all times on instructions given by Seller and/or Purchaser, as the case may be and as required hereunder, without any necessity of verifying the authority therefor.

(ii) Escrow Agent shall not at any time be held liable for actions taken or omitted to be taken in good faith and without gross negligence. Seller and Purchaser agree to save and hold Escrow Agent harmless from and against any and all losses, claims or demands arising out of its actions hereunder and hereby agree to indemnify Escrow Agent from any such losses, claims or demands arising out of its activities hereunder.

(iii) It is further understood and agreed by Seller and Purchaser that if, as a result of any disagreement between them or adverse claims and demands being made by any of them upon Escrow Agent, or if Escrow Agent otherwise shall become involved in any litigation with respect to the disposition of the Earnest Money, such parties agree that they, jointly and severally, are and shall be liable to Escrow Agent and shall reimburse Escrow Agent on demand for all costs, expenses and counsel fees it shall incur or be compelled to pay by reason of such litigation.

(iv) Seller and Purchaser acknowledge and agree that for income tax reporting purposes, all interest earned on the Earnest Money shall be reported as earned by Purchaser.
(c) If the transaction contemplated by this Agreement closes in accordance with the terms and conditions of this Agreement, at Closing or any extension thereof, the Earnest Money (plus any interest earned) shall be delivered by Escrow Agent to Seller as payment toward the Purchase Price. If this Agreement is terminated pursuant to any of the terms hereof, or if the transaction fails to close for any reason other than by reason of a default on the part of Purchaser, or if a contingency or condition set forth in this Agreement for the benefit of Purchaser is not satisfied or removed, the Earnest Money shall be delivered by Escrow Agent to Purchaser, without deduction or offset, unless otherwise stated in this Agreement. If the transaction fails to close due to a default on the part of Purchaser, the Earnest Money shall be delivered by Escrow Agent to Seller as its sole and exclusive remedy, as more particularly provided for herein.

ARTICLE 2

INSPECTION

2.1 Inspection Period. No later than five business days following the Effective Date, Seller shall deliver to Purchaser the Due Diligence Documents (as defined herein), if available. Purchaser shall have until December 31, 2019 (the "Inspection Period") to conduct due diligence. Purchaser may inspect the Property and conduct surveys, tests, soil and environmental studies, and any other studies, tests and surveys contemplated by this Agreement and otherwise as may be necessary or required in determining that the Real Property may be developed for Purchaser's intended use and that the Property and the Due Diligence Documents are in all respects satisfactory to Purchaser, in its sole discretion. It is specifically understood and agreed that, within the Inspection Period, Purchaser may approve or disapprove the Property for any reason whatsoever.

If Purchaser determines during the Inspection Period that the Property is unsuitable for its purposes, then on or before 5:00 P.M. Eastern Time on the last day of the Inspection Period, Purchaser shall notify Seller and Escrow Agent in writing that it has elected to terminate this transaction (such notice is referred to herein as the "Termination Notice"); and the parties hereby shall be relieved of all liabilities and obligations under this Agreement, except those that expressly survive hereunder and the Initial Deposit, and any and all interest earned thereon, shall be delivered by Escrow Agent to Purchaser. If the Termination Notice is not sent to the Seller and Escrow Agent prior to the end of the Inspection Period, this Agreement shall automatically continue and the Additional Deposit shall be payable as set forth in Section 1.3 hereof.

For purposes of this Agreement, the term "Due Diligence Documents" shall mean, collectively, those of the following items which presently exist and are in the possession of or available to Seller:

(a) The most current available boundary and, if applicable, as-built survey, and accompanying legal description of the Property (the "Survey").

(b) A copy of Seller's owner's title insurance policy for the Property.

(c) All soil and environmental reports for the Property in possession of Seller.

(d) All current engineering and site plans, documents and reports for the Property in possession of the Seller that supersede prior versions.
(e) All asbestos, lead-based paint or other physical reports, if any, relating to the Property in possession of the Seller.

(f) The most recent plat or proposed plat for the Property.

(g) Details regarding any pending or threatened litigation or condemnation actions at or affecting the Property or Seller.

(h) Copies of all licenses and permits for the Property in possession of Seller.

(i) All documentation concerning traffic, concurrency and the availability of utilities at the Property and all documents and correspondence to and from governmental authorities regarding development rights and approvals for the Property.

(j) Copies of contracts with third parties for services to the Property.

2.2 Continued Right of Access for Inspection. During the Inspection Period and at all times prior to Closing or any extension thereof, Purchaser, its agents, employees, contractors, subcontractors and representatives shall have reasonable access to the Property for the purpose of performing its due diligence as required by Section 2.1 hereof and otherwise to conduct surveys, architectural, engineering, geotechnical, and environmental inspections and tests, feasibility studies, and any other inspections, studies, reports or tests reasonably required by Purchaser. Purchaser agrees that if the Property is disturbed during any testing, Purchaser shall be responsible for having the Property restored to a condition substantially similar to its original condition. Purchaser shall give reasonable notice to Seller of such inspections and tests, and shall not unduly disturb the ongoing business of Seller or any Tenant on the Property. This Section 2.2 states Seller’s continuing obligation to cooperate with the Purchaser in carrying out the intent of the parties pursuant to the Agreement and provide reasonable access to the Property during the period prior to the Closing. No language in this Section 2.2 shall be construed to extend the Inspection Period or expand Purchaser’s contingencies or rights.

2.3 Due Diligence Indemnity. Purchaser shall keep the Property free and clear of any liens and does hereby indemnify, defend and hold Seller harmless from and against any and all claims, losses, expenses, demands and liabilities, including, but not limited to, Attorney’s Fees, asserted against Seller or the Property as a result of (a) any injury or damage to person or property caused at any time after the date of this Agreement by any act or omission of Purchaser, or Purchaser’s agents, employees, contractors, subcontractors or representatives or (b) Purchaser’s failure to pay any bills, invoices or other charges relating to any inspections, investigations, evaluations or due diligence inquiries by Purchaser or Purchaser’s Agents. Notwithstanding anything contained in this Agreement to the contrary, Purchaser shall have no liability or obligation that may be related to its Due Diligence activities hereunder for, or in connection with, any Hazardous Materials (as defined herein) or other hazardous conditions existing on the Property or any leased, claims, causes of action, damages, liabilities or expenses arising from the discovery of any such Hazardous Materials or hazardous conditions or any report of same to governmental authorities that may be required by law or regulation unless otherwise caused by Purchaser.
ARTICLE 3

TITLE REVIEW: TITLE COSTS

3.1 Status of Title. At Closing, Seller shall convey to Purchaser the entire fee simple estate in and to the Property by special warranty deed (the "Deed"), subject only to (a) those covenants, conditions and restrictions and other exceptions to title of record which have been reviewed and approved by Purchaser, and (b) the lien of general real estate taxes for the current year and subsequent years which are not yet due and payable (hereinafter collectively referred to as the "Permitted Exceptions").

3.2 Title Documents. No later than November 1, 2018, Purchaser shall obtain, at Purchaser's expense, a title insurance commitment for the Real Property, together with legible copies of all documents referenced therein, including, without limitation, the deed evidencing Seller's title to the Real Property, (the "Title Commitment") and Purchaser shall provide Seller with a copy of such Title Commitment by December 31, 2017. Purchaser shall be responsible for cost of issuance by Escrow Agent at the Closing to Purchaser of an owner's policy of title insurance reasonably satisfactory to Purchaser (the "Title Policy") issued on behalf of First American Title Insurance Company or such other national title company reasonably acceptable to Purchaser ("Title Company") in the amount of the Purchase Price covering title to the Real Property.

3.3 Survey. Seller will provide a copy of the most recent existing Survey to Purchaser in the possession of or otherwise reasonably available to Seller. Purchaser shall get an updated Survey prior to November 1, 2017, reviewed and certified to Seller, Purchaser, Title Company and any other party Purchaser may request at Purchaser's expense. The Survey, as so updated, reviewed and certified, shall hereinafter be referred to as the "Updated Survey."

3.4 Title Defects. Simultaneously to delivery of Title Commitment to Seller, Purchaser shall notify Seller in writing of any matter, requirement or item in the Title Commitment and/or Survey that are not Permitted Exceptions or otherwise do not conform to the requirements of this Agreement (a "Title Defect"). If Purchaser has not so notified Seller (a "Title Defect Notice"), Purchaser shall be deemed to have approved Seller's title as shown in the Title Commitment. Seller shall promptly use diligent good faith best efforts to cure such Title Defects and shall have a period of forty-five (45) days from the date of receipt by Seller of Purchaser to have each Title Defect removed, cured, or corrected in each case to the satisfaction of Purchaser or in a manner such that Title Company shall agree not to require such unpermitted exceptions to be an exception on the Title Commitment and the Title Policy (each, an "Acceptable Title Resolution"). If within the time specified, Seller fails to provide an Acceptable Title Resolution for each such exception, Purchaser may elect by notice to Seller (the "Election Notice") to either (a) terminate this Agreement and immediately receive from Escrow Agent the Earnest Money, without refund, or any party shall have any further obligation to each other except those that survive pursuant to the Agreement, or (b) waive the Title Defects and elect to accept title to the Property as is then is. If Purchaser fails to deliver such an Election Notice, Purchaser shall be deemed to have elected option (a). In any event, prior to expiration of Seller's forty-five (45) day cure period, Seller shall provide Purchaser with written notice of the status of any and all Title Defects. Notwithstanding anything contained herein to the contrary, at or before Closing, the Seller shall be obligated to satisfy and release of record, and to pay all amounts necessary to obtain such satisfaction and release, any and all liens or encumbrances on or encumbering the Property which have been voluntarily or communally encumbered into or assumed by Seller, or
which are the result of actions or omissions by Seller or its predecessors in title, or any person or entity claiming by, through and under Seller or its predecessors in title (collectively, "Monetary Liens"). Under no circumstance shall any such Monetary Lien be or become a Permitted Exception, whether or not objected to by the Purchaser, unless the Purchaser has agreed in writing or later agrees to accept title subject to such Monetary Liens. The unreasonable refusal by the Seller to satisfy or release a Monetary Lien at or before Closing shall be a default under this Agreement, and in addition to the remedies specified herein, the Purchaser shall have the right, but not the obligation, to obtain the satisfaction or release of such Monetary Liens, and to deduct from the Purchase Price at Closing an amount equal to all costs and expenses incurred by Purchaser in obtaining the satisfaction and release of such Monetary Liens. If any update to the Title Commitment occurring prior to the expiration of the Inspection Period but prior to Closing discloses any new Title Defect, then Purchaser shall provide a Notice to Seller, and Seller shall have thirty (30) days following receipt of such notice from Purchaser to cure such new Title Defect and, if necessary, the Closing Date shall be extended as required. Seller agrees to use reasonable, diligent good faith best efforts to cure such new Title Defect, and only if Seller unreasonably refuses to do so, Purchaser shall have the remedies set forth herein.

ARTICLE 4

OPERATIONS PRIOR TO CLOSING

4.1 Seller’s Operations. During the pendency of this Agreement (and the performance of which in all material respects shall each constitute a condition precedent to Purchaser’s obligation to consummate this transaction), Seller shall:

(a) Liens. Not create any new Liens or encumbrances against the Property, other than the Permitted Exceptions, that won’t be satisfied at or prior to Closing (defined below).

(b) Insurance. Maintain any and all insurance coverage presently in effect with respect to the Property.

Not cause any change in or to the zoning and land use regulations governing the development and use of the Property, unless first approved by Purchaser in writing and, not without the prior written consent of Purchaser, sell or otherwise transfer or dispose of all or any material part of the Property or any interest therein.

(d) Leases, Service Contracts and Maintenance Agreements. Without the prior written consent of Purchaser, not execute any leases, service contracts or maintenance agreements for the Property that cannot be terminated prior to or by the Closing.

(e) Compliance with Law. Comply with all federal, state, municipal and other governmental laws, ordinances, regulations, rules, regulations, notices and orders, and all agreements, covenants, conditions, restrictions and restrictions relating to the Property, including, without limitation, any such requirements, rules, regulations, notices or orders issued or imposed after the date of this Agreement.

(f) Representations/Warranties. Promptly give written notice to Purchaser of the occurrence of any event which affects the truth or accuracy of any representations or
warranties made or to be made by Seller under or pursuant to this Agreement as required by
Section 7.1 hereof.

(g) **Tax Proceedings.** Not initiating any tax Certification or other type of tax
government proceeding, except for a real property valuation (tax) appeal.

4.2 **Seller Cooperation.** Seller shall execute, at no expense to Seller, all applications,
documents, instruments and consents requested by Purchaser in connection with Purchaser’s
intended development of the Property, including Purchaser’s applications for governmental
approvals and entitlements and financing allocations from Florida Housing Finance Corporation
and Miami-Dade County.

time prior to the Closing Date, to extend the Closing Date by one (1) month extension,
