Those households on the waiting list will be notified of their status. "Affordable" means that monthly rents or mortgage payments including taxes and insurance do not exceed 30 percent of that amount which represents the percentage of the median annual gross income for the households as indicated in Sections 420.9071, F.S. However, it is not the intent to limit an individual household's ability to devote more than 30% of its income for housing, and housing for which a household devotes more than 30% of its income shall be deemed Affordable if the first institutional mortgage lender is satisfied that the household can afford mortgage payments in excess of the 30% benchmark and in the case of rental housing does not exceed those rental limits adjusted for bedroom size.

III. Incentive Strategies

In addition to the **required Incentive Strategy A and Strategy B**, we include all adopted incentives with the policies and procedures used for implementation as provided in Section 420.9076, F.S.:

A. Name of the Strategy: Expedited Permitting

Permits as defined in s. 163.3177 (6) (f) (3) for affordable housing projects are expedited to a greater degree than other projects.

On March 9, 2010, Resolution 10-060 was passed directing the St. Lucie County Building Department to expedite the review of all building permit applications for County funded affordable housing projects. A stamp was created so that permit applications that meet such criteria are easily identified by the

Building Department.

B. Name of the Strategy: Ongoing Review Process

An ongoing process for review of local policies, ordinances, regulations and plan provisions that increase the cost of housing prior to their adoption.

County staff is assigned the task of reviewing proposed regulations, which may significantly affect affordable housing in unincorporated St. Lucie County. The Affordable Housing Advisory Committee will be notified of any such finding and be given the opportunity to provide their comments and feedback. Findings will be reported and recommendations made to the Board of County Commissioners when appropriate.
