(1) “Adjusted for family size” means adjusted in a manner that results in an income eligibility level that is lower for households having fewer than four people, or higher for households having more than four people, than the base income eligibility determined as provided in subsection (19), subsection (20), or subsection (28), based upon a formula established by the United States Department of Housing and Urban Development.

(2) “Affordable” means that monthly rents or monthly mortgage payments including taxes and insurance do not exceed 30 percent of that amount which represents the percentage of the median annual gross income for the households as indicated in subsection (19), subsection (20), or subsection (28). However, it is not the intent to limit an individual household’s ability to devote more than 30 percent of its income for housing, and housing for which a household devotes more than 30 percent of its income shall be deemed affordable if the first institutional mortgage lender is satisfied that the household can afford mortgage payments in excess of the 30 percent benchmark. The term also includes housing provided by a not-for-profit corporation that derives at least 75 percent of its annual revenues from contracts or services provided to a state or federal agency for low-income persons and low-income households; that provides supportive housing for persons who suffer from mental health issues, substance abuse, or domestic violence; and that provides on-premises social and community support services relating to job training, life skills training, alcohol and substance abuse disorders, child care, and client case management.

Counties and eligible municipalities shall calculate income by annualizing verified sources of income for the household as the amount of income to be received in a household during the 12 months following the effective date of the determination.
- (5) “Award” means a loan, grant, or subsidy funded wholly or partially by the local housing assistance trust fund.
- (6) “Community-based organization” means a nonprofit organization that has among its purposes the provision of affordable housing to persons who have special needs or have very low income, low income, or moderate income within a designated area, which may include a municipality, a county, or more than one municipality or county, and maintains, through a minimum of one-third representation on the organization’s governing board, accountability to housing program beneficiaries and residents of the designated area.

420.9072 State Housing Initiatives Partnership Program.—The State Housing Initiatives Partnership Program is created for the purpose of providing funds to counties and eligible municipalities as an incentive for the creation of local housing partnerships, to expand production of and preserve affordable housing, to further the housing element of the local government comprehensive plan specific to affordable housing, and to increase housing-related employment.

(1)(a) In addition to the legislative findings set forth in s. 420.6015, the Legislature finds that affordable housing is most effectively provided by combining available public and private resources to conserve and improve existing housing and provide new housing for very-low-income households, low-income households, and moderate-income households. The Legislature intends to encourage partnerships in order to secure the benefits of cooperation by the public and private sectors and to reduce the cost of housing for the target group by effectively combining all available resources and cost-saving measures. The Legislature further intends that local governments achieve this combination of resources by encouraging active partnerships between government, lenders, builders and developers, real estate professionals, advocates for low-income persons, and community groups to produce affordable housing and provide related services. Extending the partnership concept to encompass cooperative efforts among small counties as defined in s. 120.52(19), and among counties and municipalities is specifically encouraged. Local governments are also intended to establish an affordable housing advisory committee to recommend monetary and nonmonetary incentives for affordable housing as provided in s. 420.9076.

(b) The Legislature further intends that the State Housing Initiatives Partnership Program provide the maximum flexibility to local governments to determine the use of funds for housing programs while ensuring accountability for the efficient use of public resources and guaranteeing that benefits are provided to those in need.

(2)(a) To be eligible to receive funds under the program, a county or eligible municipality must:

1. Submit to the corporation its local housing assistance plan describing the local housing assistance strategies established pursuant to s. 420.9075;
2. Within 12 months after adopting the local housing assistance plan, amend the plan to incorporate the local housing incentive strategies defined in s. 420.9071(16) and described in s. 420.9076; and
3. Within 24 months after adopting the amended local housing assistance plan to incorporate the local housing incentive strategies, amend its land development regulations or establish local policies and procedures, as necessary, to implement the local housing incentive strategies adopted by the local governing body. A county or an eligible municipality that has adopted a housing incentive strategy pursuant to s. 420.9076 before the effective date of this act shall review the status of implementation of the plan according to its adopted schedule for implementation and report its findings in the annual report required by s. 420.9075(10). If, as a result of the review, a county or an eligible municipality determines that the implementation is complete and in accordance with its schedule, no further action is necessary. If a county or an eligible municipality determines that implementation according to its schedule is not complete, it must amend its land development regulations or establish local policies and procedures, as necessary, to implement the housing incentive plan within 12 months after the effective date of this act, or if extenuating circumstances prevent implementation within 12 months, pursuant to s. 420.9075(13), enter into an extension agreement with the corporation.

(b) A county or an eligible municipality seeking approval to receive its share of the local housing distribution must adopt an ordinance containing the following provisions:

1. Creation of a local housing assistance trust fund as described in s. 420.9075(6).
2. Adoption by resolution of a local housing assistance plan as defined in s. 420.9071(14) to be implemented through a local housing partnership as defined in s. 420.9071(18).
3. Designation of the responsibility for the administration of the local housing assistance plan. Such ordinance may also provide for the contracting of all or part of the administrative or other functions of the program to a third person or entity.
4. Creation of the affordable housing advisory committee as provided in s. 420.9076.

The ordinance must not take effect until at least 30 days after the date of formal adoption. Ordinances in effect prior to the effective date of amendments to this section shall be amended as needed to conform to new provisions.

(3)(a) The governing board of the county or of an eligible municipality must submit to the corporation one copy of its local housing assistance plan. The transmittal of the plan must include a copy of the ordinance, the adopting resolution, the local housing assistance plan, and such other information as the corporation requires by rule; however, information to be included in the plan is intended to

demonstrate consistency with the requirements of ss. 420.907-420.9079 and corporation rule without posing an undue burden on the local government. Plans shall be reviewed by a committee composed of corporation staff as established by corporation rule.

(b) Within 45 days after receiving a plan, the review committee shall review the plan and either approve it or identify inconsistencies with the requirements of the program. The corporation shall assist a local government in revising its plan if it initially proves to be inconsistent with program requirements. A plan that is revised by the local government to achieve consistency with program requirements shall be reviewed within 45 days after submission. The deadlines for submitting original and revised plans shall be established by corporation rule; however, the corporation shall not require submission of a new local housing assistance plan to implement amendments to this act until the currently effective plan expires.

(c) The Legislature intends that approval of plans be expedited to ensure that the production of needed housing and the related creation of jobs occur as quickly as possible. After being approved for funding, a local government may amend by resolution its local housing assistance plan if the plan as amended complies with program requirements; however, a local government must submit its amended plan for review according to the process established in this subsection in order to ensure continued consistency with the requirements of the State Housing Initiatives Partnership Program.

(4) Moneys in the Local Government Housing Trust Fund shall be distributed by the corporation to each approved county and eligible municipality within the county as provided in s. 420.9073. Distributions shall be allocated to the participating county and to each eligible municipality within the county according to an interlocal agreement between the county governing authority and the governing body of the eligible municipality or, if there is no interlocal agreement, according to population. The portion for each eligible municipality is computed by multiplying the total moneys earmarked for a county by a fraction, the numerator of which is the population of the eligible municipality and the denominator of which is the total population of the county. The remaining revenues shall be distributed to the governing body of the county.

(5)(a) Local governments are encouraged to make the most efficient use of their resources by cooperating to provide affordable housing assistance. Local governments may enter into an interlocal agreement for the purpose of establishing a joint local housing assistance plan subject to the requirements of ss. 420.907-420.9079. The local housing distributions for such counties and eligible municipalities shall be directly disbursed on a monthly basis to each county or eligible municipality to be administered in conformity with the interlocal agreement providing for a joint local housing assistance plan.

(b) If a county or eligible municipality enters into an interlocal agreement with a municipality that becomes eligible as a result of entering into that interlocal agreement, the county or eligible municipality that has agreed to transfer the control of funds to a municipality that was not originally eligible must ensure through its local housing assistance plan and through the interlocal agreement that all program funds are used in a manner consistent with ss. 420.907-420.9079. This must be accomplished by:

1. Providing that the use of the portion of funds transferred to the municipality meets all requirements of ss. 420.907-420.9079, or

2. Providing that the use of the portion of funds transferred to the municipality, when taken in combination with the use of the local housing distribution from which funds were transferred, meets all requirements of ss. 420.907-420.9079.

(6) The moneys that otherwise would be distributed pursuant to s. 420.9073 to a local government that does not meet the program's requirements for receipts of such distributions shall remain in the Local Government Housing Trust Fund to be administered by the corporation.

(7)(a) A county or an eligible municipality must expend its portion of the local housing distribution only to implement a local housing assistance plan or as provided in this subsection.

(b) A county or an eligible municipality may not expend its portion of the local housing distribution to provide ongoing rent subsidies, except for:

1. Security and utility deposit assistance.
2. Eviction prevention not to exceed 6 months' rent.
3. A rent subsidy program for very-low-income households with at least one adult who is a person with special needs as defined in s. 420.0004 or homeless as defined in s. 420.621. The period of rental assistance may not exceed 12 months for any eligible household.

(8) Funds distributed under this program may not be pledged to pay the debt service on any bonds.

(9) The corporation shall adopt rules necessary to implement ss. 420.907-420.9079.

(a) Each county other than a county that has implemented chapter 83-220, Laws of Florida, as amended by chapters 84-270, 86-152, and 89-252, Laws of Florida, shall receive the guaranteed amount for each fiscal year.

2. If the result in subparagraph 1. is less than the guaranteed amount as determined in subsection (3), that county's additional share shall be zero.

3. For each county in which the result in subparagraph 1. is greater than the guaranteed amount as determined in subsection (3), the amount calculated in subparagraph 1. shall be reduced by the guaranteed amount. The result for each such county shall be expressed as a percentage of the amounts so determined for all counties. Each such county shall receive an additional share equal to such percentage multiplied by the total funds received by the Local Government Housing Trust Fund pursuant to s. 201.15(4)(c) reduced by the guaranteed amount paid to all counties.

(2) Distributions calculated in this section shall be disbursed on a quarterly or more frequent basis by the corporation pursuant to s. 420.9072, subject to availability of funds. Each county's share of the funds to be distributed from the portion of the funds in the Local Government Housing Trust Fund received pursuant to s. 201.15(4)(d) shall be calculated by the corporation for each fiscal year as follows:

(a) Each county shall receive the guaranteed amount for each fiscal year.

(b) Each county may receive an additional share calculated as follows:

1. Multiply each county's percentage of the total state population, by the total funds to be distributed.

2. If the result in subparagraph 1. is less than the guaranteed amount as determined in subsection (3), that county's additional share shall be zero.

3. For each county in which the result in subparagraph 1. is greater than the guaranteed amount, the amount calculated in subparagraph 1. shall be reduced by the guaranteed amount. The result for each such county shall be expressed as a percentage of the amounts so determined for all counties. Each such county shall receive an additional share equal to this percentage multiplied by the total funds received by the Local Government Housing Trust Fund pursuant to s. 201.15(4)(d) as reduced by the guaranteed amount paid to all counties.

(3) Calculation of guaranteed amounts:

(a) The guaranteed amount under subsection (1) shall be calculated for each state fiscal year by multiplying \$350,000 by a fraction, the numerator of which is the amount of funds distributed to the Local Government Housing Trust Fund pursuant to s. 201.15(4)(c) and the denominator of which is the total amount of funds distributed to the Local Government Housing Trust Fund pursuant to s. 201.15.

(b) The guaranteed amount under subsection (2) shall be calculated for each state fiscal year by multiplying \$350,000 by a fraction, the numerator of which is the amount of funds distributed to the Local Government Housing Trust Fund pursuant to s. 201.15(4)(d) and the denominator of which is the total amount of funds distributed to the Local Government Housing Trust Fund pursuant to s. 201.15.

(4) Funds distributed pursuant to this section may not be pledged to pay debt service on any bonds.

(5) Notwithstanding subsections (1)-(4), the corporation may withhold up to \$5 million of the total amount distributed each fiscal year from the Local Government Housing Trust Fund to provide additional funding to counties and eligible municipalities where a state of emergency has been declared by the Governor pursuant to chapter 252. Any portion of the withheld funds not distributed by the end of the fiscal year shall be distributed as provided in subsections (1) and (2).

Each county and eligible municipality that receives funds under this subsection shall repay such funds to the corporation not later than the expenditure deadline for the fiscal year in which the funds were awarded. Amounts not repaid shall be withheld from the subsequent year's distribution. Any portion of such funds not distributed under this subsection by the end of the fiscal year shall be distributed as provided in subsections (1) and (2).

(g) Local governments may create regional partnerships across jurisdictional boundaries through the pooling of appropriated funds to address homeless housing needs identified in local housing assistance plans.

(4) Each local housing assistance plan is governed by the following criteria and administrative procedures:

- (a) Each county, eligible municipality, or entity formed through interlocal agreement to participate in the State Housing Initiatives Partnership Program must develop a qualification system and selection criteria for applications for awards by eligible sponsors, adopt criteria for the selection of eligible persons, and adopt a maximum award schedule or system of amounts consistent with the intent and budget of its local housing assistance plan, with ss. 420.907-420.9079, and with corporation rule.
 - (b) The county or eligible municipality or its administrative representative shall advertise the notice of funding availability in a newspaper of general circulation and periodicals serving ethnic and diverse neighborhoods, at least 30 days before the beginning of the application period. If no funding is available due to a waiting list, no notice of funding availability is required.
 - (c) In accordance with the provisions of ss. 760.20-760.37, it is unlawful to discriminate on the basis of race, creed, religion, color, age, sex, marital status, familial status, national origin, or handicap in the award application process for eligible housing.
 - (d) As a condition of receipt of an award, the eligible sponsor or eligible person must contractually commit to comply with the affordable housing criteria provided under ss. 420.907-420.9079 applicable to the affordable housing objective of the award. The plan criteria adopted by the county or eligible municipality must prescribe the contractual obligations required to ensure compliance with award conditions.
 - (e) The staff or entity that has administrative authority for implementing a local housing assistance plan assisting rental developments shall annually monitor and determine tenant eligibility or, to the extent another governmental entity or corporation program provides periodic monitoring and determination, a municipality, county, or local housing financing authority may rely on such monitoring and determination of tenant eligibility. However, any loan or grant in the original amount of \$10,000 or less is not subject to these annual monitoring and determination of tenant eligibility requirements.
- (5) The following criteria apply to awards made to eligible sponsors or eligible persons for the purpose of providing eligible housing:
- (a) At least 65 percent of the funds made available in each county and eligible municipality from the local housing distribution must be reserved for home ownership for eligible persons.
 - (b) Up to 25 percent of the funds made available in each county and eligible municipality from the local housing distribution may be reserved for rental housing for eligible persons or for the purposes enumerated in s. 420.9072(7)(b).
 - (c) At least 75 percent of the funds made available in each county and eligible municipality from the local housing distribution must be reserved for construction, rehabilitation, or emergency repair of affordable, eligible housing.
 - (d) Each local government must use a minimum of 20 percent of its local housing distribution to serve persons with special needs as defined in s. 420.0004. A local government must certify that it will meet this requirement through existing approved strategies in the local housing assistance plan or submit a new local housing assistance plan strategy for this purpose to the corporation for approval to ensure that the plan meets this requirement. The first priority of these special needs funds must be to serve persons with developmental disabilities as defined in s. 393.063, with an emphasis on home

modifications, including technological enhancements and devices, which will allow homeowners to remain independent in their own homes and maintain their homeownership.

(e) Not more than 20 percent of the funds made available in each county and eligible municipality from the local housing distribution may be used for manufactured housing.

(f) The sales price or value of new or existing eligible housing may not exceed 90 percent of the average area purchase price in the statistical area in which the eligible housing is located. Such average area purchase price may be that calculated for any 12-month period beginning not earlier than the fourth calendar year prior to the year in which the award occurs or as otherwise established by the United States Department of the Treasury.

(g)1. All units constructed, rehabilitated, or otherwise assisted with the funds provided from the local housing assistance trust fund must be occupied by very-low-income persons, low-income persons, and moderate-income persons except as otherwise provided in this section.

2. At least 30 percent of the funds deposited into the local housing assistance trust fund must be reserved for awards to very-low-income persons or eligible sponsors who will serve very-low-income persons, and at least an additional 30 percent of the funds deposited into the local housing assistance trust fund must be reserved for awards to low-income persons or eligible sponsors who will serve low-income persons.

(h) Loans shall be provided for periods not exceeding 30 years, except for deferred payment loans or loans that extend beyond 30 years which continue to serve eligible persons.

(i) Loans or grants for eligible rental housing constructed, rehabilitated, or otherwise assisted from the local housing assistance trust fund must be subject to recapture requirements as provided by the county or eligible municipality in its local housing assistance plan unless reserved for eligible persons for 15 years or the term of the assistance, whichever period is longer. Eligible sponsors that offer rental housing for sale before 15 years or that have remaining mortgages funded under this program must give a first right of refusal to eligible nonprofit organizations for purchase at the current market value for continued occupancy by eligible persons.

(j) Loans or grants for eligible owner-occupied housing constructed, rehabilitated, or otherwise assisted from proceeds provided from the local housing assistance trust fund shall be subject to recapture requirements as provided by the county or eligible municipality in its local housing assistance plan.

(k) The total amount of monthly mortgage payments or the amount of monthly rent charged by the eligible sponsor or her or his designee must be made affordable.

(l) The maximum sales price or value per unit and the maximum award per unit for eligible housing benefiting from awards made pursuant to this section must be established in the local housing assistance plan.

(m) The benefit of assistance provided through the State Housing Initiatives Partnership Program must accrue to eligible persons occupying eligible housing. This provision shall not be construed to prohibit use of the local housing distribution funds for a mixed income rental development.

(n) Funds from the local housing distribution not used to meet the criteria established in paragraph (a) or paragraph (c) or not used for the administration of a local housing assistance plan must be used for housing production and finance activities, including, but not limited to, financing preconstruction activities or the purchase of existing units, providing rental housing, and providing home ownership training to prospective home buyers and owners of homes assisted through the local housing assistance plan.

1. Notwithstanding the provisions of paragraphs (a) and (c), program income as defined in s. 420.9071(24) may also be used to fund activities described in this paragraph.
2. When preconstruction due-diligence activities conducted as part of a preservation strategy show that preservation of the units is not feasible and will not result in the production of an eligible unit, such costs shall be deemed a program expense rather than an administrative expense if such program expenses do not exceed 3 percent of the annual local housing distribution.
3. If both an award under the local housing assistance plan and federal low-income housing tax credits are used to assist a project and there is a conflict between the criteria prescribed in this subsection and the requirements of s. 42 of the Internal Revenue Code of 1986, as amended, the county or eligible municipality may resolve the conflict by giving precedence to the requirements of s. 42 of the Internal Revenue Code of 1986, as amended, in lieu of following the criteria prescribed in this subsection with the exception of paragraphs (a) and (g) of this subsection.
4. Each county and each eligible municipality may award funds as a grant for construction, rehabilitation, or repair as part of disaster recovery or emergency repairs or to remedy accessibility or health and safety deficiencies. Any other grants must be approved as part of the local housing assistance plan.
- (6) Each county or eligible municipality receiving local housing distribution moneys shall establish and maintain a local housing assistance trust fund. All moneys of a county or an eligible municipality received from its share of the local housing distribution, program income, recaptured funds, and other funds received or budgeted to implement the local housing assistance plan shall be deposited into the trust fund; however, local housing distribution moneys used to match federal HOME program moneys may be repaid to the HOME program fund if required by federal law or regulations. Expenditures other than for the administration and implementation of the local housing assistance plan may not be made from the fund.
- (7) The moneys deposited in the local housing assistance trust fund shall be used to administer and implement the local housing assistance plan. The cost of administering the plan may not exceed 5 percent of the local housing distribution moneys and program income deposited into the trust fund. A county or an eligible municipality may not exceed the 5-percent limitation on administrative costs, unless its governing body finds, by resolution, that 5 percent of the local housing distribution plus 5 percent of program income is insufficient to adequately pay the necessary costs of administering the local housing assistance plan. The cost of administering the program may not exceed 10 percent of the local housing distribution plus 5 percent of program income deposited into the trust fund, except that small counties, as defined in s. 120.52(19), and eligible municipalities receiving a local housing distribution of up to \$350,000 may use up to 10 percent of program income for administrative costs.

- (8) Pursuant to s. 420.531, the corporation shall provide training and technical assistance to local governments regarding the creation of partnerships, the design of local housing assistance strategies, the implementation of local housing incentive strategies, and the provision of support services.
- (9) The corporation shall monitor the activities of local governments to determine compliance with program requirements and shall collect data on the operation and achievements of housing partnerships.
- (10) Each county or eligible municipality shall submit to the corporation by September 15 of each year a report of its affordable housing programs and accomplishments through June 30 immediately preceding submittal of the report. The report shall be certified as accurate and complete by the local government's chief elected official or his or her designee. Transmittal of the annual report by a county's or eligible municipality's chief elected official, or his or her designee, certifies that the local housing incentive strategies, or, if applicable, the local housing incentive plan, have been implemented or are in the process of being implemented pursuant to the adopted schedule for implementation. The report must include, but is not limited to:
- (a) The number of households served by income category, age, family size, and race, and data regarding any special needs populations such as farmworkers, homeless persons, persons with disabilities, and the elderly. Counties shall report this information separately for households served in the unincorporated area and each municipality within the county.
 - (b) The number of units and the average cost of producing units under each local housing assistance strategy.
 - (c) The average area purchase price of single-family units and the amount of rent charged for a rental unit based on unit size.
 - (d) By income category, the number of mortgages made, the average mortgage amount, and the rate of default.
 - (e) A description of the status of implementation of each local housing incentive strategy, or if applicable, the local housing incentive plan as set forth in the local government's adopted schedule for implementation.
 - (f) A concise description of the support services that are available to the residents of affordable housing provided by local programs.
 - (g) The sales price or value of housing produced and an accounting of what percentage was financed by the local housing distribution, other public moneys, and private resources.
 - (h) Such other data or affordable housing accomplishments considered significant by the reporting county or eligible municipality or by the corporation.
 - (i) A description of efforts to reduce homelessness.
 - (j) The number of affordable housing applications submitted, the number approved, and the number denied.

(11) The report shall be made available by the county or eligible municipality for public inspection and comment prior to certifying the report and transmitting it to the corporation. The county or eligible municipality shall provide notice of the availability of the proposed report and solicit public comment. The notice must state the public place where a copy of the proposed report can be obtained by interested persons. Members of the public may submit written comments on the report to the county or eligible municipality and the corporation. Written public comments shall identify the author by name, address, and interest affected. The county or eligible municipality shall attach a copy of all such written comments and its responses to the annual report submitted to the corporation.

(12) The corporation shall review the report of each county or eligible municipality and any written comments from the public and include any comments concerning the effectiveness of local programs in the report required by s. 420.511.

(13)(a) If, as a result of the review of the annual report or public comment and written response from the county or eligible municipality, or at any other time, the corporation determines that a county or eligible municipality may have established a pattern of violation of the criteria for a local housing assistance plan established under ss. 420.907-420.9079 or that an eligible sponsor or eligible person has violated the applicable award conditions, the corporation shall report such pattern of violation of criteria or violation of award conditions to its compliance monitoring agent and the Executive Office of the Governor. The corporation's compliance monitoring agent must determine within 60 days whether the county or eligible municipality has violated program criteria and shall issue a written report thereon. If a violation has occurred, the distribution of program funds to the county or eligible municipality must be suspended until the violation is corrected.

(b) If, as a result of its review of the annual report, the corporation determines that a county or eligible municipality has failed to implement a local housing incentive strategy, or, if applicable, a local housing incentive plan, it shall send a notice of termination of the local government's share of the local housing distribution by certified mail to the affected county or eligible municipality.

1. The notice must specify a date of termination of the funding if the affected county or eligible municipality does not implement the plan or strategy and provide for a local response. A county or eligible municipality shall respond to the corporation within 30 days after receipt of the notice of termination.

2. The corporation shall consider the local response that extenuating circumstances precluded implementation and grant an extension to the timeframe for implementation. Such an extension shall be made in the form of an extension agreement that provides a timeframe for implementation. The chief elected official of a county or eligible municipality or his or her designee shall have the authority to enter into the agreement on behalf of the local government.

3. If the county or the eligible municipality has not implemented the incentive strategy or entered into an extension agreement by the termination date specified in the notice, the local housing distribution share terminates, and any uncommitted local housing distribution funds held by the affected county or eligible municipality in its local housing assistance trust fund shall be transferred to the Local Government Housing Trust Fund to the credit of the corporation to administer.

4.a. If the affected local government fails to meet the timeframes specified in the agreement, the corporation shall terminate funds. The corporation shall send a notice of termination of the local government's share of the local housing distribution by certified mail to the affected local government. The notice shall specify the termination date, and any uncommitted funds held by the affected local government shall be transferred to the Local Government Housing Trust Fund to the credit of the corporation to administer.

b. If the corporation terminates funds to a county, but an eligible municipality receiving a local housing distribution pursuant to an interlocal agreement maintains compliance with program requirements, the corporation shall thereafter distribute directly to the participating eligible municipality its share calculated in the manner provided in ss. 420.9072 and 420.9073.

c. Any county or eligible municipality whose local distribution share has been terminated may subsequently elect to receive directly its local distribution share by adopting the ordinance, resolution, and local housing assistance plan in the manner and according to the procedures provided in ss. 420.907-420.9079.

(14) If the corporation determines that a county or eligible municipality has expended program funds for an ineligible activity, the corporation shall require such funds to be repaid to the local housing assistance trust fund. Such repayment may not be made with funds from the State Housing Initiatives Partnership Program.

- (5) The approval by the advisory committee of its local housing incentive strategies recommendations and its review of local government implementation of previously recommended strategies must be made by affirmative vote of a majority of the membership of the advisory committee taken at a public hearing. Notice of the time, date, and place of the public hearing of the advisory committee to adopt its evaluation and final local housing incentive strategies recommendations must be published in a newspaper of general paid circulation in the county.
