Subject: RE: RFA 2018-114 SAIL Funding for Workforce Housing

Dear Mr. Price -

Please consider allowing FHFC Bond/SAIL deals that have already been recommended for funding, but have not yet closed on construction financing, to apply for RFA 2018-114 SAIL Funding for Workforce Housing **if** they can add workforce units above the number of affordable units promised in their original applications. This will assure that more FHFC deals will be mixed-income projects, which I believe is one of your long-term goals.

Thank you for the opportunity to make this comment.
