Dear Marissa,

I am writing regarding RFA 2019-102 to request that you change the number of parcels required for experience for CLT land owners to one. If you feel you need more information to determine that the CLT has the necessary experience as a land owner, please consider experience of the principal(s) of the CLT and/or affiliate(s) of the CLT as a substitute for the second parcel.

Sincerely,

Sheryl Soukup  
Executive Director
