Subject: SAIL RFA Timeline

Elizabeth,

Hope you are well. In reviewing the 2020/2021 timelines which were updated on 8/10/20, I noticed there is no RFA Due Date for 205 SAIL. In reviewing the other RFAs where dates have been finalized it appears that the Due Date is typically 45-55 days after the RFA Issue Date.

If we use the 10/15/20 RFA Issue Date for 205 SAIL and apply the 45-55 day Due Date, the SAIL due date would fall into the first week of December and just after the Thanksgiving weekend. I would ask that FHFC consider not making the due date any earlier than Monday Dec 7 due to this year's holiday schedule. This will give local governments, lenders and applicants time to finalize applications just after the thanksgiving break. Thank you in advance.
